## Holiday Faire is this weekend! November 7

By Monita Bowman

The wait is over! The Holiday Faire is this Saturday, November 7, from 10 a.m. to 3 p.m. Sponsored by the Arts and Crafts Association, it is being held in the Cribari Center. This is a great opportunity to come out and see your neighbors while shopping from dozens of artisans of handcrafted treasures. Don't forget to bring your own bags.

We can't forget the highly anticipated Bake Sale, either, which runs during the Faire. Proceeds for the Bake Sale benefit the VMA. We still need volunteers to provide homemade baked goods for the sale. Anyone planning on donating baked goods should deliver them to the Cribari kitchen on Friday, November 6 between 2 p.m. and 5 p.m. We also need volunteers to price, package, and wrap the goodies on Friday. Free crumbs to all who volunteer. Please call either Joan Fury at 408-274-8728 or Diane Marchant at 408-239-0931.

Please remember that pets are not allowed inside the Cribari Center.

## Come to Piano Club Recital this Sunday

You are invited to the Piano Club's fall recital this Sunday, November 8 at 2:30 p.m. in Cribari Auditorium. Come relax in a salon-like setting to hear 10 performers play "An afternoon of Romantic Music." A few non-conforming participants protest that their pieces cannot be described as "romantic" per se; nonetheless, we have included them on the program because you will absolutely love their playing. Please stay for refreshments served in the Conference Room after the recital. You will have the opportunity to give your friends in the Piano Club a pat on the back for providing an entertaining afternoon of "romantic" music.

## 'Pumpkin and Vines and Wine' — oh my!

Be inspired to create your own fall themed "Pumpkin Harvest" masterpiece at this fun and creative art and wine event at the Clubhouse! All you need to bring is yourself. No experience necessary!

Local San Jose artist, Sonya Paz, will guide participants in painting their interpretation of the evening's selected piece while enjoying wine and food. VinoPaint provides all painting supplies, including paint brushes, acrylic paint, easels, 16"x20" canvases, and aprons to protect clothes.

This VinoPaint event is Monday, November 16 from 4 to 7:30 p.m. at the Clubhouse. The cost is \$35 per person, with limited seats available. To reserve, contact Wendy Ledamun at [wledamun49@gmail.com](mailto:wledamun49@gmail.com) or 408-274-4215.

## Villages Veteran's Day celebration is Wednesday

By Ken Carter

The Villages Music Society's biggest annual event is scheduled once again this year on Veteran's Day, Wednesday, November 11 at 2:30 p.m. It will take place just outside the Villages in the gymnasium of the Church of Jesus Christ of Latter Day Saints on San Felipe and usually draws an audience of 600-plus grateful citizens. Our Vice-Mayor, Rose Herrera has said that our Villages Veteran's Day observance is the second largest event in San Jose following the downtown parade.

This is the 29th anniversary of the event, which has been sponsored by the Music Society from the beginning. New this year is the participation of the Villages Veteran's Club who has arranged for our speaker, Coast Guard Captain Gregory Stump, and a US Marines color guard. The event is supported by a number of contributions from individuals, Villages clubs and local businesses including High-12, the Veterans Club and others. The City of San Jose has also given a generous gift.

The concert portion of the observance features the Villages Concert Band, the Village Voices and the Villages Hand Bell Ensemble. Songs to be performed include "A Prayer for Our Time," "This is My Country," "God Bless America" and special a salute to all branches of our armed forces. We expect a record turnout and encourage all Villages and supporters of our men and women in uniform to celebrate with us. Put on your red, white and blue or your old service uniform (if you can still get in it) and come. Feel the pride! Come early!

## So many clothes, so little time

By Vivian Brown

The Evergreen Villages Foundation "gently" used clothing sale will be held at **Foothill on Friday November 13 and 14 from 10 a.m. to 4 p.m. Note the time change—we will close at 4.**

We have lots of women's clothing of all types and sizes, some items have never been worn. If you need golf or tennis wear, pants, shoes, evening dresses, tops, jewelry, we have it all.

Invite your family and friends outside of the Villages to join you for a fun shopping time.

Pictured is Pam Schramm modeling and showing clothes that she donated to the sale. Pam has donated a significant amount of clothing, lots of golf, tennis outfits, St. John's knits and other designer casual and dressy clothes.

0 Pulse letters received this week.

0 Pulse letters not meeting Pulse Letter Guidelines.

0 Pulse letters published this week.

**Kermit Sez:** He made an assumption that each Villager knew when he said, "If the numbers 1 through 7 found in a little triangle on the bottom of each formed plastic item were not visible, the item is garbage." No number is found on any sheet plastic, or plastic bags.

He repeatedly finds food in plastic bags, including dog droppings. The firm rule about all plastic bags, bubble wrap and any plastic packaging: All are garbage.

But, but, but shredded paper and cloth items should be tied in a white plastic bag. Repeat: Only those exceptions apply.

Kermit will be leaving in November. He would love to find all recycle containers empty of sheet plastics before he leaves. You can do it!

A policy lays out what the Board wants done. The procedure, which is a subset of and integral to the policy, describes how it should be done in much more detail. Policies deal with the "what" and "why". Procedures deal with the "how." ## MESSAGE FROM THE GOLF COURSE SUPERINTENDENT

### *From the Golf Course Superintendent Michael Scully*

The golf course maintenance team has been hard at work seeding the bare and/or thin areas on the golf course with perennial rye grass. As of October 29 we are almost completely done with all of the fairways and have completed some rough areas near 1 green, 3 green, and 11 right rough. There are areas on the course in all stages of seeding. Some locations have just been seeded, some areas have newly emerging rye grass, and some areas that were previous bare or thin areas have been completely filled in with new grass. We have fertilized all of the seeded locations with 15-15-15 which is also called a starter fertilizer. This will help the young turf thrive and establish quickly while setting down good roots as well. Seeded locations are being roped off to allow the new turf to get established as cart traffic will slow down or stop the new grass from growing properly. After about two weeks from the day we seed the grass will be ready for mowing. In the third to fourth week we can take the ropes down. We will continue to water the newly seeded areas for about two weeks and we continue to ask for your support in allowing us to water these areas. The older the grass gets the less we have to water it during the day. On November 2 when the course is closed all day we plan to aerate the final two fairways on 3 and 16. Currently the forecast is showing rain for November 2 so we may not be able to aerate as we need sunny weather in order for the plugs to dry and for us to conduct the cleanup process. If we cannot aerate the remaining fairways we will shift gears toward more seeding in the primary rough areas and on green surrounds as well as work on detailing the golf course.

On October 29 we set out the new green tee markers for the forward tees. Currently all holes except for 7 and 16 have forward

tees but that could soon change to include all holes. The forward tees are meant to be used by all players to include both men and women. The forward tees allow the golf course to play shorter thus making the course more enjoyable for players of all types. The 18 Hole Ladies group played in a Halloween tournament on October 29 to test out the forward tee locations using score cards that were developed by Mike Reed at the Pro Shop. The ladies went all out on the tournament by having a longest drive contest using a marshmallow as well as having spiders and other seasonal appropriate items on the course. I purchased pumpkins for each tee to add some maintenance charm to their event. The forward tees that are currently on the course are temporary and it's possible down the road that permanent tees will be built. I encourage everyone that golfs or used to golf to get out there and try them out as you might find the course is more playable from these forward locations. It's possible that some holes may allow you to get on the green in one shot and on others in two shots and so on so please come out and give them a try.

The greens continue to improve on a daily basis. We are rolling the greens several times a week. We are also grooming the greens several times a week. Grooming takes place while we are mowing greens as the groomers are already on the cutting units and can be turned off or on quite easily. Grooming thins out the grass on the greens, which results in smoother and faster greens. We will continue grooming until the grass on the greens slows down quite a bit due to cooler weather patterns. Grooming is a standard practice on golf course greens and we will continue on with this process in the spring of next year when we cannot perform the practice any longer this year.

# EVERGREEN VILLAGES FOUNDATION NEWS

## End your year on a generous note

By Tom Bleier, EVF Treasurer

The end of the year will be here before you know it. For most of us, 2015 was a year of financial ups and downs. So you may feel a bit unsure about the possibility of making a year-end gift. If you haven't made a charitable contribution for 2015, or if you have and want to do more in 2015, now is the time to ensure your gifts count on this year's tax return. When you itemize your taxes, the gifts that you make to non-profit organizations, such as EVF, can benefit you as well as The Villages.

If you have lived in The Villages for many years you are part of a very unique community. Those who came before you took care of The Villages to maintain and enhance it and now it is our turn to continue that trend. There are many things that need to be done that the Club Board cannot do on its own financially. They need help. That is where you come in.

You have the power to keep EVF ahead of the curve to help maintain, enhance and protect our quality of life. When you donate to EVF you are essentially helping to ensure that the many needed new amenities will be available now and for those who will be coming to The Villages in the future.

The Villages is a treasure that must keep up with the times so that it will be a desirable place to live for the future generation.

EVF is a 501 (c) (3) non-profit organization and all donations are tax deductible to the extent allowed by law.

The EVF Board of Directors November meeting will be on Wednesday, November 18 from 3:30 to 5:30 in the Cribari Patio Room. You are always welcome to attend. You are encouraged to visit our web site and learn more about The Foundation. WWW.evfsj.org.

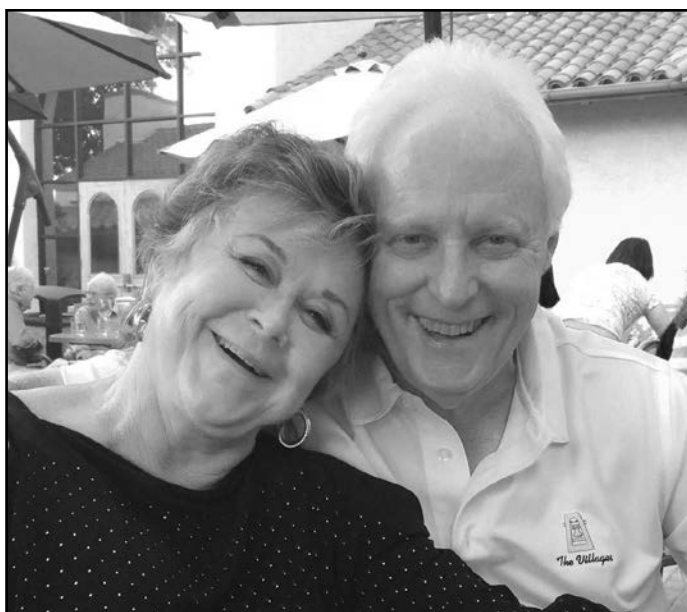

## The Foundation's sustaining donors

By Maxine Amundson, EVF

secretary

Did you know that we have more than 60 sustaining donors for The Evergreen Villages Foundation? These are people who have chosen to give a specific amount to the Foundation every month. All that is needed is to fill out the Authorization Agreement for Billing Assessment Account Form and submit it to the Villages Golf and Country Club Accounting Office or to an EVF board member.

Pam and Jack McCarthy are sustaining donors and also give generously of their time to various social organizations within the Villages and to the Montgomery DAC. They have opened their home for the VMA Home Tour and Jack serves on the VGCC Architectural Committee. We appreciate their many contributions to The Villages and for supporting The Foundation's mission of maintaining, enhancing and protecting the quality of life within our community.

## Evergreen Villages Foundation October Campaign

By Maxine Amundson, EVF secretary

Twenty-four volunteers stuffed 2,538 envelopes. The envelopes contain the Foundation's updated brochure and Giving Card. These envelopes have been hand delivered to every resident this month.

Many thanks to our fabulous friends of the Foundation: Rosemary Kelley, Sherry Arias, Mary Dutrow, Linda Schlageter, David Gordon, Bob Williams, Lori Williams, Carolyn Hopkins, Mary Keaney, Susan Smith, Judy Rodriguez, Susan Cordell, Pam McCarthy, Bev Poellet, Kathy Marchand, Dianne Doughty, Paula Stoner, Bev Murphy and our EVF Board Members, Madeline Martin, Vivian Brown, John Stratakos, Tom Bleier, Morton Cordell and Maxine Amundson.

## Resources on Villages website

The Villages website, [www.thevillagesgcc.com](http://www.thevillagesgcc.com), has many resources available to residents and non-residents alike. Just recently a search option was added to the website. Users can now enter a topic and the pages where that topic appears will come up. Also, the Resource Guide is available on the website as is the weekly Villager newspaper. Those wishing to reference rules may find them electronically as well. There are also a number of forms available online. We are striving to make the website a better community tool.

## ‘If/Then’ starring Broadway’s Idina Menzel

“If/Then” is a contemporary Broadway musical about living in New York today, and all the possibilities of tomorrow featuring Broadway star Idina Menzel in the lead role. We will enjoy the matinee at 2 p.m. at the Orpheum Theatre on Saturday, November 14 with orchestra seating. Departure from the Villages’ east parking lot at Cribari Center will be at noon with an estimated return time of 6:30 p.m. No meal is included for this outing. Register now in the Community Resource Center, Building B. Cost is \$133 per person.

“If/Then” is a contemporary new musical that follows two distinct storylines in the life of Elizabeth, a city planner who moves back to New York to restart her life in this city of infinite possibilities. When her carefully designed plans collide with the whims of fate, Elizabeth’s life splits into two parallel paths. “If/Then” follows both stories simultaneously as this modern woman faces the intersection of choice and chance.

Menzel rose to prominence when she originated the role of Maureen Johnson in the Broadway musical “Rent,” a performance for which she earned a Tony Award nomination in 1996. Menzel returned to the role in the musical’s 2005 feature film adaptation. In 2004, Menzel won the Tony Award for Best Actress in a Musical for her performance as Elphaba in the original production of Wicked. Menzel returned to Broadway in the 2014 production of “If/Then”, earning her third Tony nomination. She was honored later that year with the Breakthrough Artist Award at the Billboard Women in Music Awards.

Menzel is also known as the voice of Queen Elsa in the 2013 film, “Frozen”. Additionally, “Holiday Wishes” (2014), her first album in six years, reached number six on the Billboard 200 albums chart. Menzel is the only competitive Tony Award-winning actress to ever reach the top 10.

This event is available for online registration on Eventbrite. To access the event, you will need to set up a personal account with Eventbrite ([www.eventbrite.com](http://www.eventbrite.com)). Once you have established an account please query [ifthenmusical.eventbrite.com](http://ifthenmusical.eventbrite.com). Please follow the prompts to register. You will be making payment to Eventbrite via credit card. With convenience fees the cost will be \$141.31. All sales are final.

After the great earthquake of 1906, Union Square became San Francisco's premier shopping district and, by the 1930s, became the site of the world's first underground parking structure. It's a great place to meet, enjoy coffee, or just watch the world go by. Featured is a large central plaza with a terraced performance stage.

## ***Art Film of the Month***

**By Adine Paradis**

Many more rare examples of Middle Eastern art will be featured in the next program in the "Masterpieces of Ancient Art" series. This DVD reflects new scholarship on the Royal Tombs, rulers and the architecture of their palaces, now the modern states of Iraq and Syria. The art objects and carved stone reliefs decorate the mudbrick walls showing the battles and power of the kings who ruled the Assyrian Empire. During the new dynasty of Hammurabi, famous for his Code of Law, many examples of old Babylonian artistic skill are evident in sculptural reliefs and god statues in their temples. One of these traditional clay plaques depicts the important goddess Ishtar, the "Queen of the Night" in a frontally nude view in which no other goddess was posed. Ishtar was specifically associated with lions in the metaphor of sexuality noted in the last century history of the plaque. The film also shows the magnificent Ishtar Gate to the city, a re-construction is "now in the Pergamon Museum in Berlin, with lions of molded glazed brick in bright colors. The lion was represented for three millennia in Mesopotamia as symbol of the ruler who is protector of his people and repels all forces of chaos.

Dr. Diana McDonald will guide us in this fascinating film tour of more masterpieces of Middle Eastern ancient art and stories of their creation. Come and enjoy the screening on Tuesday, November 10 in Cribari Conference Room at 7 p.m. All are welcome, no charge or reservation. For information: 408-223-8796.

The Villages Dog Club with dogs and doggies will meet at 10 a.m., Saturday, November 7 at the Gazebo. We will plan future activities for the Villages Dog Club. Come join us whether you are a member or not and get to know each other better. We welcome all Villagers. We usually meet with dogs and doggies at 10 a.m. at the Gazebo the first Saturday of each month. Questions? Contact Larry Miller at 408-238-1030 or larry.wm.miller@sbcglobal.net.

## ***Fine-tune Snapseed skills for better photos***

Photo composition and additional skills using Snapseed are the topics for the iPhoneography SIG workshop on Monday, November 9 from 7 to 9 p.m. in the Cribari Auditorium. This workshop is offered by the Villages Camera Club (VCC). As a challenge, participants are asked to bring photos of their pets.

The class is hands-on, so bring your iPhone, Android, iPad and so forth so you can work along with the instructors. To register for the class, contact Yvonne Camper at 408-238-9142 or yvonnecamper@att.net. Come early at 6:30 p.m. to get a good seat.

Whether you use an iPhone, iPad, or Android, using Snapseed—an all-purpose photo-editing app—provides more control over your photographs. Yvonne Camper, who with Mike Winn teaches iPhoneography classes for the VCC, shares her excitement about using Snapseed and encourages new and experienced photographers to practice their craft. The Android portions of the class are taught by Mary Miller.

Photography classes are one of many benefits of membership in the Villages Camera Club. ## ***Opera Lovers: Luciano Pavarotti and Kathleen Battle in 'The Elixir of Love'***

Enjoy Donizetti's opera buffa, the traditional Italian comic opera. After our first two tragic heart rending operas, "Elixir of Love" will send us all home smiling. Produced by the Metropolitan Opera, it opens with a gathering of cheerful peasants resting from harvesting while Adina, a spoiled landowner (Kathleen Battle) is reading a book telling of a miraculous potent medicine: an elixir of love. Nemorino (Luciano Pavarotti), the sad hapless buffoon who is in love with Adina sits nearby. His unrequited love is complicated when a band is heard and an army troop marches into the square led by pompous Sergeant Belcore (Juan Pons), who captures Adina's heart and shortly after, they plan marriage. When a large golden carriage rolls into town, Doctor Dulcamara emerges selling potions, which cure all ills. Nemorino buys many love potions, exhumes them and becomes very happy. When his uncle dies and leaves him a large inheritance, all the girls want to catch him including Adina, but he feigns no interest. After much finagling, love wins out and Adina and Nemorino are married.

Please join us on Friday, November 13 at 1:30 p.m. in Vineyard Center. Come and bring a friend to enjoy this amusing two-hour performance. Questions? Call Arlene Murphy (408-528-1334) or Bonnie Preston (408-531-1513).

## Humanist Club: LaDonna Harris documentary

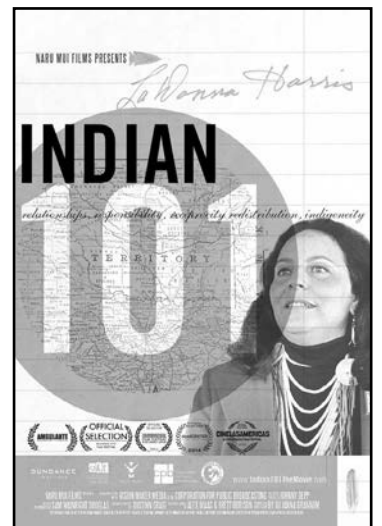

Join the Ethical Humanist Club at its meeting on Monday night, November 16 at 7 p.m., in the Vineyard Center, where we will watch "Indian 101," a documentary film tribute to LaDonna Harris, a powerfully effective Comanche woman activist and national civil rights leader. LaDonna grew up in a very warm, caring family and culturally supportive environment in Oklahoma. Because of her dyslexia she developed talents to effectively relate to, and understand, others. She knew the racist attitudes toward Native Americans as savages, who needed to be "civilized" and assimilated, not integrated, into society. The dignity and self respect of the younger generations were destroyed.

She worked with African American groups to reverse some of the Jim Crow practices in Oklahoma. When her husband, Fred Harris, was elected to the U.S. Senate in 1964, they moved to D.C., where she effectively worked with the Johnson and Nixon administrations to educate Congress, strengthen and rebuild indigenous communities and went on to train emerging Native leaders around the world.

Written and directed by Julianna Brannum, LaDonna's great niece, the film runs 63 minutes with commentary by Gloria Steinem. Johnny Depp is the executive producer.

Club member Bob Applebaum will host. Bob is a member of the Santa Clara County Health Advisory Commission and an active member of the Villages' Democratic Club.

Members of the club are Humanists. Those interested in this month's topic are invited to attend. If you have any questions please contact Barry Sardis via email at barry.sardis@gmail.com, or at (408) 768-6948.

## Hermosa/Heights Red and White Dinner

If you plan to attend the Hermosa/Heights banquet on November 20, 5:30 p.m. at the Clubhouse, you better get moving. Here is a list of things you should accomplish before the cutoff date of November 16 at 12-noon:

1. Gather names, house numbers and food choice of those that you plan to have at your table.
2. E-mail your reservation when your reservation is complete to Donna Roberson at donna@robersons.com or Linda McMullens at mcmullens2@sbcglobal.net.
3. Menu choices are: Chicken Marsala with Potatoes Anna - \$29; Grilled Petrale Sole with Rice Pilaf - \$29; Yankee Pot Roast with Mashed Potatoes - \$31.50; and Eggplant Parmesan - \$25.
4. Prepare those new items planned for donation to San Jose Family Shelter.
5. Deliver prize basket items you would like to share to Gertrud Cory. You can call her at 408-528-7861 if you want your items picked up.

Now with all that accomplished, prepare yourselves for a lovely evening of scavenger hunting, meeting old friends and making new ones, and making yourselves and those at San Jose Family Shelter feel great through your generosity. Finally, forgive your dinner committee for menu shifts. Adjustments were made that benefit you all in regard to food quality and cost. No small chore.

Now, start to work on your list and remember the deadline for reservations is November 16 at high noon. See you there, dressed in red.

**Get a Brain Boost with Jazzercise**

**By Barbara Tommaney**

A Senior Moment! We've all had the embarrassing experience of not being able to call up the name of someone we have met several times. Or when talking about a wonderful restaurant, could not summon up the name. Little incidents—not worth worrying about, or are they? We are the age group most at risk for cognitive decline.

A study reported in the Harvard Health Letter found that regular aerobic exercise, the kind that gets your heart rate up and your sweat glands pumping, boosts the part of your brain involved in verbal memory and learning. How much exercise is required? The standard recommendations advise at least 150 minutes of aerobic exercise per week. You can easily fulfill this requirement with Jazzercise. Classes are held Monday, Wednesday and Friday from 8:30 to 9:30 p.m. in the Cribari Auditorium. We meet round the calendar, with no breaks except for major holidays. In November we will miss one day, Friday, November 27, the day after Thanksgiving. The class is led by a certified instructor with many years of experience conducting exercise classes for individuals with a wide range of abilities and fitness levels.

Jazzercise is a recognized Villages club and our costs are not prohibitive and is flexible. A full month of classes in November is \$44. You also have the option of signing up for 8 classes in the month (\$34.75) or 6 classes (\$32). Come for a free first class and see for yourself. Wear a pair of good tennis shoes and if you own hand weights or a floor mat, bring them along. Don't put it off, you owe it to yourself. Any questions, call Pat (408) 274-2348 or Herito (408) 238-7511.

**Lap blanket project warms hearts**

**By VMA Communications Director Teddy Morse**

Villagers are known for their volunteering to help others. I'd like to share with you the giving spirit of a group of Villagers who knit and crochet. They spent five months knitting and crocheting lap blankets for the Villages' Medical Auxiliary's (VMA) partner Convalescent Home Ministry (CHM). This organization coordinated by Villager Charlotte McCracken ministers to local convalescent homes by providing home residents items made by Villagers.

Villager Marion Logie said, "I got the ladies together after a former pole walkers knitting group disbanded. I missed the socializing and now there are pole walkers, bocce players and more, all with knitting, crocheting or sewing talent meeting twice a month to create lovely, useful lap blankets." In all, Marion Logie, Edith Olson, Barbara Chadwick, Barbara Geraghty, Norma Gwinn, Judy Heiker, Lois Lindseth, Pat O'Brien, Remy Pessah, Priscilla Simms and Ronnie Vierra created 103 lap blankets and presented them to Charlotte McCracken on October 28.

To produce this many blankets in such a short time, it's obvious that the ladies were serious about their task. In addition to their bi-monthly gathering, they worked on their own time. Giving of your time and talent is the true spirit of giving.

On a side note, the ladies had a contest at the beginning of their lap blanket project to guess how many blankets would be completed by October. Guesses ranged from a low of 52 to a high of 100. Judy Heiker was the winner, receiving a Villages gift card as her prize.

If you enjoy knitting, crocheting, sewing and would like to help CHM in its service to convalescent homes, or want to contribute funds to purchase the materials needed for convalescent home projects, contact Charlotte McCracken (408-531-8417).

**VMA home tour a success**

**By VMA President Kathy Warren**

For the more than 400 Villagers, family and friends touring the homes on the second annual "Inside the Gates" Home Tour, the day was a fun experience. Those who worked the event were comped tickets, but 387 tickets were sold and 147 attended the delicious lunch served by John Yu's team. The butternut squash soup was a favorite mentioned by those attending. The urn and pumpkin succulent centerpieces were a popular item, with more than 45 sold.

The homes presented an array of remodeling and decorating ideas. Black and white with red accents was a popular theme, and one home made you feel like you were in Tuscany with a beautiful patio view of Whaley Lake.

The highlight of this event is the more than \$11,000 netted for the Villages Medical Auxiliary (VMA) from ticket, pumpkin and ad sales. The VMA Board thanks Penny Barcellos and Melinda Dobbs for organizing the tour and their tireless committee for its efforts. The committee included Lou Alexander-photography, George Dobbs-signage, Susan Dooley and Barb Nilsen-volunteers, Brooks Fuller-finance, Cindy Fuller-tour booklet, Gail Leslie-home staging, Pam McCarthy-hospitality, Betty Olson-logistics, Joe Player-shuttle, and Pam Watson-luncheon centerpieces. Most of all, the board thanks the homeowners: Bill and Alice Oppenheimer, Tom and Carol MacKenzie, Rob and Susan Howe, John and Su'Ann Marquette, David and Janet Gonzales, Barbara Young, Michael and Connie Guttadauria and Jack and Pam McCarthy for opening their homes for the tour. A special thanks to Jay Campbell for sharing his unbelievable Christmas Village collection. This is a must-see for Villagers and your grandchildren rivaling any professional display.

I don't know how the committee can top the 2015 tour, but I'm sure they will do their best to make 2016 another memorable tour event benefiting your VMA.

## COMMUNITY CHAPEL

**By Pastor Bill Hayden**

As children, we didn't give much thought about how and where things came from. We just wanted to have them, without regards to the cost and what our parents had to do to acquire them. We were children and we thought as children. Needless to say, we lacked the understanding on how things worked.

I remember listening to a radio station as a 5-year-old. The DJ played the popular songs of that day and at certain segments of the program she would talk about this grocery store. She would encourage people to shop there with her closing comment, "tell them Vivian sent you!" Well, one day I had a chance to go there with one of my three sisters. I looked around, saw the candies and grabbed a handful. After taking them to the clerk, she totaled them up and said, "that will be 75 cents." I looked at her with confidence because I remembered the magic words: Vivian sent me! I was crushed because I thought by saying Vivian sent me, everything was free.

As people experience life and the many challenges that it brings, wisdom should be its results. Wisdom is seldom possessed by children and adolescence. Therefore, we can't expect them to make wise choices as do the aged because of their lack of life experiences that wisdom requires.

Wisdom is having an understanding that life does not begin and end with you in charge but rather God who demonstrated creating man from the dust of the earth. Join us this Sunday at 10 a.m. Villages Community Chapel with refreshments following the service.

Halloween was a little sweeter due to the efforts of Karen Carlson and Barbara Orlando. The treat room was filled with Halloween decorations, food selections, treat bags and costumed players. I want the recipe for the pumpkin oatmeal cookies. There were skeletons, ghouls, pirates, and sequined Jack O' Lantern shirts. The costume contest winners were Michelle Breslin (a clever "fork in the road") and a gutsy Kay Gray as Colin Kaepernick who "took all responsibility". Remember last week I said the fun was guessing who *that* person was. I didn't recognize Charlotte Waugh until she removed her mask. I bet you didn't either. The dreaded **orange** ball was in play again. I hope yours avoided the water and wasn't disqualified. Fun was had by all!

Let's have a great time again with the Turkey Shoot on November 17. I am sure Marlyn has a great event planned.

## 18-HOLE WOMEN

**By Adrien Fournier**

Wow! It's already begun. Unbelievable. Yes, Village Team Tennis (VTT) is up and running. Jay Desai came up with the idea (a spinoff of WTT, World Team Tennis), and teamed up with Ken Keck and Stan Evert. They talked it up, sold it and the buy-in was phenomenal. Thanks, guys.

At the time of this writing we have as many as 10 teams and about 77 players, and Saturday, October 31 will have been the official kick-off. VTT is organized in two flights or levels, where each flight team is made up of six to eight players with a designated captain for each team. Match play is composed of three sets of doubles: men, women, and mixed. A set is five games, no-add scoring, and the winner of a match goes to the team with most games won. Coaching is allowed, and the teams and guests can all be down on the courts. Should be interesting to hear all that coaching going on. Of course, the rules are a little more detailed than presented here and a copy of those rules should be available to anyone that asks. The dynamic and spirit will be a great addition to the Tennis Club. Here are some of the team names: Dare Doubles, Senior Momentum, Mike's Spare Parts, 7 Tightly Strung, and Love Hurts. As you can see, some creativity has gone into the team-naming process. There's also talk of tee shirts and there's a huge excitement in the air. Jay Desai, Ken Keck, Stan Evert, Phyllis Seeger and Mike Falarski make up the VTT Committee. If I've forgotten someone...well...sucks to be you...I'll try and be more diligent next time. The level of participation is stunning. More information will be reported in the weeks to come. Come on out and see; the schedules will be updated on the web site and through the Tennis Club's email blast.

In other news, we have three active USTA teams at this time. The Women's 70 and older 7.0 team led by Betty Olsen have four wins and three losses with three matches to go. The Men's 70 and over 7.0 team led by Phil Hawkinson have three wins and three losses with six matches to go, and the Mixed 55 and older 7.0 team led by Dennis Vaillancourt have one win, two losses with five matches to go.

By the time you are reading this, all our colorful witches have flown away!

Goodness, they were everywhere! And the colorful sox were so "un-golf like". You see, we had a "Trick or Treat" crazy golf game played from the new tee locations that had us all scratching our heads and in giggles.

We teed off hitting marshmallows. We putted with brooms! We putted with the left-handed putters or right-handed depending which was "wrong" for you. And there were rats, spiders and snakes, even haunted houses on the greens! It was wild and fun! Thank you, Carol, Patti Hayes, Colette Johanson and Bobbie Jones for the best Halloween party in ages.

A warm welcome to a new member, Vicki Kratley who has moved to the Villages from Silver Creek. She has played here often and that is good, because her first day as a member was... so weird.

Remember to bring your Charity donations checks for Charity Day and the Turkey Shoot. The Charity selected for this year is Hospice of the Valley.

## BOCCE

By Elly Burnett

Last Saturday evening, the Bocce Club's Annual Tournament Awards Banquet was held at the Foothill Center and was a huge success. Approximately 110 bocce players attended this tremendously popular event. The event coordinator was Jeanne Anne Whitaker.

Bocce tournaments usually last approximately six weeks each, which allows for several different teams to form and compete with/against one another. As an example there were Mixers which consist of experienced and novice players on the same team. Another tournament was Gals and Guys in which, obviously, men and women competed against each other. Yet another tournament was called Round Robins in which teams consist of both men and women. These events encourage players to form new alliances and get to know one another better. Competition is always a big factor, but the really important aspect of Bocce is to have fun.

Tournament results, obviously, were known when each tournament ended, however what wasn't known, at least not by this writer, was that each first and second place team member of each of the tournaments received gift certificates to the Clubhouse or Bistro. Oh so nice and what a surprise! We were usually just really happy to win.

This dinner was the final event for the 2015 Bocce Season, with the exception of the General Membership meeting, which is being held at the Vineyard Center, Sunday, November 15 from 2 to 4 p.m. Please make a concerted effort to attend this very important meeting. Your input will be very appreciate. Refreshments will be served.

Board meetings are held once a month throughout the entire year. Check the Villager for any events which may be added.

## PICKLEBALL

By Anahid Gregg

Wednesdays at 1:30 p.m. is drop-in pickleball. Mike and Julie Walias are available to instruct and assist forming groups. This is a great opportunity both to learn and meet potential partners. Both courts have been filled, so come on out!

The last article covered detailed tips on serving. Today we'll discuss general tips to hone your game! Remember equipment is stored in the shed by court five, so come and play!

It's never too early to start working on strategy! We have lots of tips to share, but here is a top 10 to get started:

1. Never run backward to get a ball. This is the easiest way to get injured. Turn and run back or shuffle sideways to avoid trips or falls!
2. Warm up before playing. Pickleball is active; stretch for a few minutes first to warm up muscles and avoid injury
3. Get your serve in. It's better to have a soft serve; then develop lobs, fast serves and slices later. If you practice during a game and miss your spot, you lose the opportunity to score points.
4. Keep the volley going. Sure, it's fun to slam a ball into your opponent's face – but if you hit the net, you've just lost the point. Be patient – the perfect opportunity will arise.
5. Get to the net. The most effective place to stand is close to the kitchen line. You can volley, smash and dink from here. Standing far back (except on the initial volley) encourages your opponent to "dink" it over the net – hitting a shot you cannot reach.
6. Keep your eye on the ball. Like all paddle sports, keeping your eye on the ball at all times allows you to hit more accurately. Also, it's a good reason not to run backward; it's too easy to trip while looking up at a high lob coming toward you!
7. Communicate with your partner. If your partner is watching the ball, they may not realize a shot is going out of bounds. Remember - praise them when they make a great shot!
8. Learn to dink. Being able to just tap the ball over the net when a hot volley is going is priceless.
9. We all make bad shots—don't dwell on them and psych yourself out!
10. And finally...stay calm. Remember the TV show "Kung Fu"? Focus, Grasshopper!

Pickleballers enjoying an autumn afternoon.

## SHONIS

By June Cramer

Twenty-three ladies played golf on this pleasant Tuesday morning. No birdies, no holes in one, but some nice scores.

Something new for consideration. The Ironmen have suggested that we have a joint tournament sometime next year. This is all in the initial thought process and we have no more details at this time. This will be discussed by Captain Carol at the Christmas luncheon on December 8. See you there!

## IRONMEN

By Shel Lefton

I had a scary thought about Halloween in case some of my neighbors decided to trick or treat me in ridiculous makeup. So I stocked up on samples of Ex-Lax, Prilosec and Viagra to hand out, just in case. Thankfully, no one showed up, so, if any of you want some of the above-mentioned items, stop by my house. On to less scary stuff. On Thursday, October 29, 16 Ironmen showed up and John Eige took first with a 22 and birdied #3. Tom Barrett and Jerry Weltzin tied for second with 24s and Jerry birdied #9. Don Bookwalter and Ron Munz also made birds. Richard Petroski got closest-to-the-flag on #1.

The best thing about the good old days was that I wasn't very good and I wasn't very old. Then there was the butcher who backed into the meat grinder and got a little behind in his work. My bad.

## PINSEEKERS

By John Eige

We could tell it was fall on Tuesday, October 27. The leaves were coming down, the day was cool, and the Nine-Hole Ladies started out dressed for Halloween. But, some of our usual best players had an off day, and let the rest of us have a chance.

The first three placers in the sweeps this day were in my foursome!:

1. Bob Iacopi with a net 34 for \$4.
2. Yours Truly made a net 35 worth \$3.
3. Doc Ribisi (with the best gross in the foursome) had 36 for \$2.
4. And Tak Okabe with his usual good game overcame his low handicap to net 37 and get \$1.

Come on out and join us if you are ready to play nine at a time, alternating front and back. See the Pro Shop to sign up as a Pinseeker a few days ahead of our Tuesdays' shotgun start at 8:45 a.m.

Hit 'em straight first. Long is nice, but not when it's into the trees and bunkers.

## TABLE TENNIS

By Alan Waltho, Table Tennis Club President

If you missed the meet and greet party on Saturday, October 24 at the Montgomery Multi-Purpose Room you missed a great opportunity to meet many new members of the Table Tennis Club. You can make up for that by coming along any Saturday morning between 10 a.m. and noon when a good number of our regulars turn up. Other good times include Monday, Tuesday, Thursday and Friday evenings between 7 p.m. and 10 p.m. Note that the MPR is available for table tennis at several other times as shown in *The Villager* but you will need to get a key from Community Activities—Mary or Ruth—and return it afterward.

You can also come out and support your club when we have our tournament with Rossmoor on November 14 from 9 a.m. to 3 p.m. If you would like to play in the tournament please let Alan know at 408-238 3435 as soon as possible.

The table that was damaged a few weeks ago is being replaced with a brand new table. Please be careful and look after all the tables as they are heavy and expensive.

# MEN'S GOLF CLUB

By Joel Levine

When you see Shaheen at the Pro Shop or giving a lesson you can see a great smile on his face. His daughter was invited to the Fry's Pro-Am at Silverado tournament as an amateur and did not embarrass dad with a 64. Not bad for a high-schooler.

**Match play teams:** Did you know that the Villages has not one, but two NCGA Match Play Teams? Yes, there are two. There are a Thursday Match Play Team and a Saturday Match Play Team. Each team consists of approximately 20-25 players who staff a 12-man team representing the Villages

in competitions against other NCGA sanctioned clubs. There are three other clubs in the rotation and each club plays both a home match and an away match at the other clubs. NCGA team play is very similar to Ryder Cup or The Presidents Cup in that in each competition there is both a "Team Match" and two "Individual Matches" occurring within each of the six foursomes that are fielded by the clubs. Scoring is in Match Play format with six points available (2 points for Win, 1 point for Tie, and 0 for a loss) in each of the two individual matches and one for the team match.

Recently, we held the Annual Team Play Match where each of the two Villages teams (Thursday vs. Saturday) compete to determine the Villages champion. For this competition there will be seven Team Matches and 14 Individual Matches. Each team and players are listed below:

**Saturday Team:** David Gonzales, Jim Brigham, Michael O'Grady, Jim Holt, Gary Chappell, John Thomas, Geoff Gault, Terry Doland, Dennis Conway, David Needham, Matt Orvick, Ron Burke, Ron Robinson and Bud Sanders.

**Thursday Team:** David Smith, Lou Christie, Dick Fisher, Bill Johnston, Ray Struck, Mike Foss, Ted Pranschke, Bob Robles, Mike Singleton, Ray Leisy, David Bacigalupi, Tom Fedrow, Robert Park and Bob Hoffman.

The competitions were held on Saturday, October 10 with the Saturday Team emerging victorious! If you have any interest in joining one of these teams (you must choose which team because NCGA prohibits playing on both teams) please contact the respective team Captains—

Thursday Team Captain Bob Robles at (408) 223-9704 or Saturday Team Captain Terry Doland at (408) 531-8828.

**December 14:** (Saturday) – Holiday Tournament – four-man teams, 2 Best Ball; play from gold tees; flighted, prizes, tee times.

**Joke of the week:** A young man and a priest are playing together. At a short par-3 the priest asks, "What are you going to use on this hole, my son?"

The young man says, "An 8-iron, father. How about you?"

The priest says, "I'm going to hit a soft seven and pray."

The young man hits his 8-iron and puts the ball on the green.

The priest tops his 7-iron and dribbles the ball out a few yards.

The young man says, "I don't know about you, father, but in my church, the golf course, when we pray, we keep our head down."

## What do I do with this?

Do you have an item you want to get rid of but you are not quite sure what to do with it? Often wonder if it should be donated, recycled or thrown away and how or where to do that? Each week we will highlight a particular item and give you suggestions for the best way of recycling or disposal.

If you have any questions about what to do with an item, please call Maintenance Services at 408-223-4670.

### Textiles that can be placed in recycle container (tie clean textiles in a clear plastic bag)

Clean cotton, linen, polyester, rayon and wool fabrics, blankets and sheets.

### Textiles to be placed in garbage container

Boots, shoes, carpet and rugs (cut into small pieces), down-filled items, leather, nylon, pillows, rubber, stuffed animals, non-cloth accessories (i.e. belts) electric blankets and vinyl.

Note: Clothing hangers of any type (wood, metal and plastic) are NOT recyclable and must be placed in the garbage.

| Pass          | 2 Spades^ | Pass | 4 Spades** |

Contract: 4 Spades by South  
Opening Lead: Jack of Clubs

Dealer has a possible loser in Spades, 1 loser in Hearts, and 1 or 2 losers in Diamonds.

Strategy: Try to lose no Spades by finessing.

West leads the Jack of Clubs, South wins with the Queen, plays a low Spade to the Ace on the board, continues with another Spade, finesses the Jack, and leads the King of Spades to capture the Queen. Now South switches to the King of Diamonds, East takes the trick with the Ace, and plays a Heart. South wins with the Ace, follows with the King, then leads a Diamond to the good Queen on the board. He plays the Ace of Clubs, sluffs a Heart from his hand, follows with another Club, and trumps it. He leads two more spades and then plays his last card, the 8 of Diamonds, which East takes with his Jack. Well done! The contract is made with an overtrick.

\* North has an opening hand, changing suits and bidding at the 2 level promises 10+ HCP and doesn't say anything about support in the opener's first bid. Remember when responder introduces a new suit, it forces one more round of bidding.

^ 2 Spades promises 6 or more cards in Spades.

\*\* North jumps to game since he has an opening hand and doesn't want to take the chance of his partner passing at the 3 level.

# WHERE IN THE WORLD IS THE VILLAGER?

**Here's how it works:** Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). We'll publish your smiling face with your favorite local paper for all to see.

Nanette and Jerry Uribe recently took a trip to the Galapagos Islands. They had a great time hiking, taking panga (zodiac) rides, swimming and snorkeling with turtles, sea lions and colorful fish. The experience made them feel "like youngsters" in this land that has been preserved as it was thousands of years before being visited by explorers, scientist and tourists.

## Missed your Villager?

If you missed delivery of your weekly copy of *The Villager*, please call 223-4655 to report it. (Please do not call before 11:30 a.m.)

You may pick up a replacement copy of your paper at the newsstand at the entrance of Building B or go online to the Villages website—[www.thevillagesgcc.com](http://www.thevillagesgcc.com)—and download the current and past editions to your computer.

## Local Scottish event to be held at Evergreen College

The public is invited to the 40th Annual St Andrew's Day Celebration to be held at Evergreen Valley College Thursday, November 17, from 11:30 a.m. to 1 p.m. Free admission.

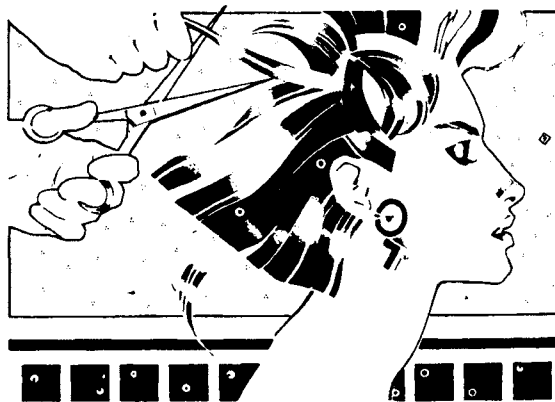

Evergreen Valley College opened in 1975 and has held a St. Andrews Day Celebration ever since. (St. Andrew is the patron saint of Scotland.)

Event includes music from pipe band, SJ Highland Dance School dancers, Evergreen students reciting Scottish poetry and singing Scottish songs, Scottish history program followed by Scottish ceilidh dancing—audience participation encouraged. There will also be merchandise and food for lunch available.

For parking at Evergreen Valley College, look for signs for Lots 1,2,3 and go as far up as you can until you see the large Library building, park there and walk past the Library into the courtyard.

# OBITUARY

## Robert Edward Doerr April 27, 1934 - September 15, 2015

Robert "Bob" Doerr passed away peacefully on September 15, 2015 at the age of 81.

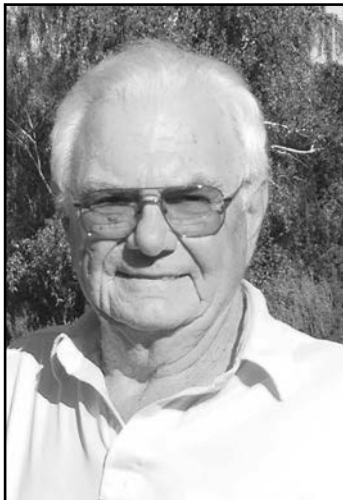

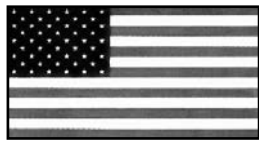

He is preceded in death by his beloved wife of 54 years, Janis, and is survived by daughters, Karen and Barbara (husband, Steve); grandchildren Katherine, Nicole and Scott.

Bob spent his early life in Ashley, North Dakota and moved to Lodi, California as a high school freshman. Bob served in the United States Air Force where he developed an interest in electronics. Bob further advanced his skills, earning a degree in electrical engineering from San Jose State University after his military service.

Hired part time while in college, Bob spent his entire career at Jennings holding a variety of leadership roles, retiring after 38 years as the Vice President of Operations. While Bob achieved many career milestones, he was most proud of his ability to lead and mentor others.

An avid golfer, Bob enjoyed playing golf many times a week at the Villages Golf and Country Club with friends and neighbors. In addition, he was a member of Fire Rock (AZ) and Salinas Country Club. Always with a book close by, Bob had a passion for reading that has been passed down to his children and grandchildren.

A private family ceremony is planned. In lieu of flowers please make donations to The American Cancer Society.

## OBITUARY

**Pat Daily-Jenkins**  
**January 31, 1918 - October 23, 2015**

Pat Daily-Jenkins, a longtime Villages resident since 1968, peacefully passed on Friday, October 23, 2015. She was born and raised in Australia. After meeting Earl Daily on a world cruise in 1960, they married and returned to Earl's home in San Mateo. Pat and Earl moved to Cribari in 1968. After Earl passed in 1979, Pat married George Jenkins and moved to his home on Gerdts. She enjoyed traveling, playing bridge and tennis. We called her our little desert flower, because she loved playing tennis no matter how hot the weather. We will fondly remember her keen sense of humor and quick wit.

## SENIOR RESOURCE SERVICES

### *Stay sharp while giving back—volunteers needed*

By Alan Waltho

Stay sharp while giving back with the most satisfying volunteer service in The Villages. Help some 250 Villagers with their income tax returns and feel their appreciation. No prior experience is required.

To volunteer to be part of the tax return team, call Alan Waltho at 408-238-3435 or e-mail alan.waltho@att.net.

SRS will have an electronic income tax preparation site at Cribari Center for the preparation of 2015 returns. Volunteers will prepare free Federal and State returns for low to moderate income taxpayers. Providing this valuable service will require motivated and active volunteers willing to undergo training and willing to volunteer four to five hours each Thursday morning from early February to the middle of April, a total of 10 mornings. While it is helpful for volunteers to be there each Thursday, it is certainly understood if a session must be missed.

In early January you will receive free tax law and tax return preparation training provided by the IRS. The returns are prepared using software developed for the IRS. You can use an IRS computer or your own computer. During the preparation Thursdays, an on-site supervisor is available to answer your questions and your work is always reviewed. Of course a fringe benefit is using the computer program to prepare your own returns.

Last year we had to turn away many Villagers. With your help, we could serve more of our neighbors.

The Villages tax preparation site is sponsored by the Retired Service and Senior Volunteers, AARP, and the IRS Tax-Aide Group in the City of San Jose.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is located in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.*

#### SRS Reminder:

### *'What to Do' handout available*

A frequent handout request at SRS is "What do to when your spouse or partner dies." Please stop by the office if you would like a copy.
