We have a beautiful "Golden" evening planned for you on Saturday, August 26 at the Clubhouse. Dress is cocktail attire. Your evening starts at 5:30 p.m. with no-host cocktails, Domestic and Imported Cheese Display with Crackers and Baguettes, Passed Canapes and Hot Hors d'oeuvres; Summer Spinach Salad with Strawberries, Mangos and Candied Pecans with Raspberry Balsamic Vinegar Dressing; Surf & Turf...Filet Mignon with Cognac Demi-Glace and Garlic Scampi Prawns; Asparagus and Red Peppers; Creamy Horseradish Polenta; Triple Chocolate Cake; White and Red Wine on tables. We will have memorabilia of the last 50 years for your enjoyment; take a trip down memory lane looking at all the pictures and articles about The Villages before you lived here. The staff has spent a lot of time putting these memories together for you and we hope you enjoy them as much as we did putting them together.

The cost is \$80 per person inclusive. Tables will be set for 8 persons only. Tables cannot be held for you to get your friends together so please do not ask; you must have all names and house numbers in your party when you come in. ## How many grandkids can you fit in a golf cart?

Perhaps that's a question more suited for the world record book, but Villages Teaching Pro Tim Flanagan managed to get 52 grandchildren into his June Kids' Golf Camp program. Two camps are held every summer—one in June and the other in July. (For more see page 21.)

## Hiking Club kicks off fundraising effort for hill lands improvement

Would you like to see more benches and picnic tables throughout the hills where you can rest and enjoy the views while hiking in The Villages? Are you sometimes confused by the present trail signs and think "it sure would be nice if these signs were updated"?

Would you like to have the trail connecting the stable and upper garden improved to make it more user-friendly?

Well, if you answered "yes" to any of the above, we need your help. The Hiking Club, with assistance from the Evergreen Villages Foundation ("EVF"), is launching a fund drive to make these improvements. Our goal is to raise \$6,000.

If you would like to contribute to the fund, and you don't want a receipt for tax purposes, you can simply write a check payable to "Villages Hiking Club." If you would like a receipt for your donation for tax purposes, you will need to write a check payable to "Evergreen Villages Foundation," and be sure to note on the check that the donation is for "Hill Lands Improvement Fund." Drop off your donation in the Hiking Club mailbox (located across from the VMA office in Cribari Center) to Suzanne Pham's attention. Please put your check in the big yellow envelope marked "Hill Lands Improvement Project."

For more details please call Wate Bakker at 408-223-2190.

Thanks to Scott Steele for publishing in the June 15 issue of The Villager allowable times for walkers on the golf course (subject to tournament play, evenings after 8:00 p.m. and mornings before 6:30 a.m. with the following exceptions: Monday mornings before noon; Tuesdays mornings before 8:45 a.m., and Thursday mornings before 8:30 a.m.) I can't speak for everyone who enjoys walking the course without a golf club in hand, but I appreciate Scott's clarification on appropriate times and thank the golfing community for its consideration for those of us eager to share their enjoyment of this beautiful open space Village amenity.

—Jill Phillips

In The Villager of 15 June, Public Safety issued the following Rules of the Road reminder to all Villagers. "... all roads within the community are single lanes. Passing other vehicles, either on the right or the left, is not permitted." I see no interpretation other than if a car passes a golf cart, or golf cart A passes golf cart B, Public Safety will ticket the passer. Is this for real or hopefully just a poorly written Public Safety announcement? If it is real, I suggest a revision to allow vehicles racing along at 25 mph to safely pass golf carts whizzing along at 15 mph.

—Mike Swiontek

**Editors Note:** Please see the revised Public Safety article directly below on this page.

## Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

**Note:** The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

## PUBLIC SAFETY

### Traffic: The Villages/Rules of the Road

As a reminder, all roads within the community are single lanes. Passing another automobile, either on the right or left, is not permitted. Recently, Public Safety has received complaints or witnessed this type of driving behavior.

You may still pass golf carts, low speed vehicles, or bicycles if it is safe to do so.

Also, remember the speed limits and stop signs within the community. Public Safety has a traffic officer working every day, including weekends.

Our goal is to make the community safe for all who live and work here.

# Club and Association Boards met for regularly scheduled June meetings

The Villages Association and Club Boards of Directors met Tuesday, June 27 for their regularly scheduled meetings in the Villages Clubhouse.

Numerous items of business were discussed and voted upon.

## Association Financial Report For the month of May 2017

**May Operating Statement Review:** Revenue was \$300 unfavorable to the budget of \$615,900 for the month, due to less than planned laundry concession income -\$1,200, offset by higher than budgeted third party fees +\$900. Expenditures for the month were \$1,000 favorable to the budget of \$628,700. Water expense was +\$31,700 favorable to the budget of \$150,900. It includes the adjusted actuals for March and April as well as an accrual of 94 percent of the budgeted water expense for May. Other notable expense categories favorable to budget were insurance +\$8,100 (lower premium renewal), repair and maintenance +\$4,600 and intra-co cost transfers +\$4,100. The largest notable expense categories unfavorable to budget for the month are landscape related (due to timing). During springtime, many planting and irrigation projects take place throughout the districts. Planting expense was \$26,800 higher than the budget while irrigation maintenance was \$12,700 more than planned. Other expense categories with significant unfavorable variances were electricity -\$5,500 and operating supplies -\$2,700.

Year-to-date (eleven months of operations), total revenue is \$6,772,500 which is \$11,100 favorable to the budget of \$6,761,400, due to higher than planned third party assessments (+\$5,000) and proceeds from a foreclosure sale (+\$7,800). Year-to-date operating expenditures are \$6,706,600 or 2.8 percent less than the budget of \$6,901,900. Approximately 77 percent of the positive budget variance in expenditures is in water expense at +\$151,300. Other significant favorable to budget expense categories are intra-co cost transfers +\$20,300, planting expense +\$19,800 (timing), insurance expense +\$19,700, irrigation maintenance +\$18,700 (timing), pest control +\$15,000, and trash expense +\$12,100. Expense categories significantly unfavorable to budget are electricity -\$19,600 (rate hikes), repair and maintenance -\$17,800 (mostly from roof leak interior repairs), chemicals -\$13,500 (water feature organic treatment program) and operating supplies -\$10,700. The year-to-date net positive budget variance is \$206,500.

## Club Financial Report For the month of May 2017

**May Operating Statement Review:** May was an outstanding month in terms of revenue for the Club. Total revenue was \$115,500 favorable to budget, 11.1 percent higher than the budget of \$1,036,700. Nearly every revenue category exceeded the budget. For the second month in a row, an all-time record was set in combined food and bar sales at \$251,000 for the month, which was 15 percent higher than the budget of \$217,700. Pro Shop merchandise sales were off the charts at \$23,200 (budget was \$8,000). Green fees were also favorable to budget by +\$6,800. Total rounds played (5,671) in May were the highest over the last 16 months with strong member play. Resident activities income and lessons/classes outperformed the budget by \$20,800 (timing). Advertising income was higher than planned by +\$12,500, mostly due to a high demand for ads in the annual Resource Guide publication. Community events income was \$12,500 more than planned due to the timing of revenue related to the Fiesta Time event. The only revenue categories significantly unfavorable to budget were late fees -\$2,800, driving range income -\$1,700 and golf cart rentals -\$1,100.

Total expenditures were \$119,100 favorable to budget, 11.3 percent less than the budget of \$1,056,000. The main driver was in electricity expense (+\$122,400 favorable to budget). In May, YTD credits from electric meters in the solar program were posted to the financial statements. At this time, savings in electricity expense are adequate to offset the monthly solar lease and to accumulate funds for the future balloon payment in 2023. Water expense was +\$62,500 favorable to the budget of \$98,000. It includes the adjusted actuals for March and April as well as an accrual of 94 percent of the budgeted water expense for May. Other notable categories favorable to budget were employee expense +\$13,400, vehicle gas and maintenance +\$9,200 (YTD correction) and printing expense +\$3,600 (budget documents). Total cost of sales had the largest negative budget variance -\$43,000 (42 percent more than the budget of \$101,500) for a couple of reasons. One, due to higher sales in food/bar, Pro Shop merchandise and resident activities, the cost of sales was correspondingly higher. Second, the Fiesta Time community event was captured in cost of sales but was not a planned event in the budget. Other notable expense categories significantly unfavorable to budget were interest expense for the solar lease -\$18,300 (YTD entry for seven months), repair and maintenance -\$6,800, professional fees -\$6,000, gas expense -\$4,400 and planting expense -\$3,200 (timing). The net positive operating budget variance for the month was \$234,600. See table below.

### May 2017 Club Operating Results

|          | Actual      | Budget      | Variance  |
|----------|-------------|-------------|-----------|
| Revenue  | \$1,152,300 | \$1,036,800 | \$115,500 |
| Expenses | \$936,900   | \$1,056,000 | \$119,100 |
| Net      | \$215,400   | (\$19,200)  | \$234,600 |

The Clubhouse/Restaurant has a positive net variance of \$124,000 mainly due to higher than planned food/bar sales and electricity savings. For G&A, employee expense and professional fees have been less than planned, helping to generate a \$78,000

positive net variance. The "All Other" category has a \$54,000 positive net variance mostly due to the timing of planting expense, savings in repair/maintenance and water expense. Community Activities has produced a \$34,000 positive net variance due to favorable advertising income and savings in operating supplies. Savings in employee expense and the timing of EPC expenses has helped produce a \$32,000 positive net variance in Public Safety. The Community Centers are showing a positive net variance of \$15,000 due to less than planned electricity expense.

# CLUB CALENDARS

## HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m.

**Saturday, July 1:** Richard Bainbridge (408-960-8335) will lead a hill hike, starting from the parking lot of the upper garden. The hike will be along the Cougar, Richter, Oak and Buffalo trails to the Bay and Meadow trails. A renovation and partial rerouting of the upper Bay trail and Meadow trails has recently been approved by the VG&CC board and is expected to take place in October or November after the first winter rains. Since the upper trails are presently in poor shape some scrambling is anticipated there. Rich will point out how and where the trails will be rerouted and widened to county park standards. Finally the hike will lead to the picnic area at the highest point of our hill lands for a view and a snack or light lunch, before descending back via the Rawhide, Indian and Sky trails.

**Wednesday, July 5 (Rambler Hike):** Katy Peretti (408-531-0917) and Suzanne Pham (408-300-0544) will lead a gentle hike through the water ways of del Lago, Montgomery, and Hermosa Villages followed by a stop at the Bistro. Walking distance is about 3 miles.

**July 8:** Wate and Johanna Bakker (408-223-2190) will lead a Coastal hike from Gazos Creek to the Ano Nuevo SP., along HWY 1. The hike will be along a beach, dunes, a rocky coastline and a coastal plain. Wate will lead a long hike of about 7 miles. Johanna will lead a shorter hike of 4-5 miles. Elevation differences less than 200. There may be a few remaining flowers. Dress in layers, assuming the possibility of a cool morning fog. Bring water and a light lunch. Afterward we will stop at the Davenport bakery to sample their pies. Car round trip mileage about 100.

**Wednesday, July 12 (Rambler Hike):** Brad Hinckley (408-274-3616) will lead a 4.5 mile hike along Thompson Creek Trail that is maintained by the Santa Clara Water District. There is a Starbucks at each end of the trail. This trail is flat and in the sun. Be sure to wear a hat and bring water. Meet at 8:30 a.m. and we will carpool the 2 miles to the start of the trail.

**Saturday, July 15:** Gisela Pearson (408-270-0463) will lead a hike in Sunol Regional Park of about 6 miles. We will hike from the headquarter to the top of Flag Hill (1360') and beyond, weather condition will determine the rest of the route. Bring plenty of water, lunch, hiking poles recommended. Car round trip 68 miles.

**Wednesday, July 19 (Rambler Hike):** Gary and Terry Holmquist (408-531-9779) will lead a hike along West Cliff Drive in Santa Cruz. We will start at the Wharf and proceed approximately 2 miles past the light house before retracing our steps. There will be an optional lunch at one of the restaurants on the Wharf. Round trip driving distance is about 100 miles.

**Saturday, July 22:** Oakland Bay Bridge Hike. Rich Bainbridge (408-960-8335) and Wendy Ledamun will lead a hike along the Bay Bridge Bicycle/Pedestrian Path that runs along the eastern span of the San Francisco-Oakland Bay Bridge to the newly opened Vista Point on Yerba Buena Island. The Vista Point offers sweeping views of the East Span of the Bay Bridge, San Francisco Bay and Oakland. From there, we will take the free shuttle to the Avenue of the Palms on Treasure Island. We'll proceed on foot to 13th Street where we'll have lunch at the Aracely Cafe (<https://www.aracelysf.com/>). We'll hop the shuttle for the trip back to the Vista Point after lunch and head back to Oakland. Bring water and dress in layers. The path is 4.5 miles r/t. Round trip by car is approximately 100 miles.

## Media Technician service fee to increase

The Club Board of Directors recently approved the operating and reserve 2017/2018 budget. In that approval they also included billable service rates. As of July 1, 2017, the Media Technician Service fee will be \$12/hour. The increase is due to an increase in the minimum wage. Please remember there is a two-hour minimum rate charge. Two weeks advance notice is requested.

## Fleet Week with the USS Potomac & Blue Angels

Sunday, October 8, is the day for the Villagers to go aboard FDR's Floating White House for 2017 Fleet Week at Jack London Square in Oakland. Departure time from the Village's east parking lot at Cribari Center will be at 10 a.m., with an estimated return time of 6:30 p.m. Limited tickets are available—one bus only! Register beginning Monday, July 3, in the Community Resource Center, Building B. The cut-off for registration will be on Friday, August 18, with the final count due to the Potomac at this time.

Get here early for this one! The world-famous Blue Angels will be performing this year and if you have never seen the flyover by the Blue Angels you truly don't know what you have missed. If you have witnessed their flyover, had goose bumps, your spine tingling and your heart racing... well I guess I don't have to tell you know how great they are, you already know! Below is a brief synopsis on the USS Potomac.

The cost is \$178 per person and your ticket for the Potomac is tax deductible (retain your ticket for your 2017, \$75, tax return). Your donation is for a very good cause as it goes toward education and maintaining this historical vessel for events such as ours. Once aboard the USS Potomac we will enjoy a three-hour cruise on the Bay and an air show. We will enjoy sandwiches, fruit, chips, dessert, soft drinks, coffee, tea or bottled water, and there is a hosted wine bar aboard the Potomac.

We will arrive at Jack London Square where the Potomac is docked by 12:15 p.m. Enjoy the Farmer's Market, shops, book store, antiques, novelty stores and much more. Any purchases made may be left at the Potomac's Visitor Center during our cruise and picked up prior to leaving that day (bring a pen to mark your bag.) We board the Potomac by 1:15 p.m. for the sail time of 1:30 p.m. for the cruise. The Potomac will be positioned underneath the Blue Angels' flight pattern for this awesome show.

The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra, and converted to the presidential yacht in 1936 by President Franklin D. Roosevelt, who had her re-commissioned as a U.S. Navy vessel. After the President's death in April 1945, the USS Potomac began a long and ignominious decline from her former role in world affairs. Falling into private hands and later seized in San Francisco Bay as a front for a drug-smuggling operation in 1980, the proud vessel's hull was pierced and she sank at Treasure Island. She was re-floated by the Navy two weeks later and sold by the U.S. Customs to the only bidder, the Port of Oakland, for just \$15,000. The Port of Oakland then spearheaded a cooperative effort with organized labor, maritime corporations and dedicated volunteers to complete a \$5 million restoration. The Association for the Preservation of the Presidential Yacht Potomac now operates this National Historic Landmark as an active memorial to Franklin Delano Roosevelt.

The deadline for registration is August 18! All sales are final.

## Jazz Duo Holland & Coots to play at Villages!

"Exciting, exhilarating, and exhausting!" is probably the best (and most alliterative) way to describe the jazz duo of Holland & Coots. Brian Holland and Danny Coots began performing together in 2010 after spending decades individually on the jazz and ragtime circuits honing their skills on piano and drums, respectively. Since joining forces, they've been on a mission to introduce audiences all over the world to their style of music and fun. With a delightful mix of jazz, blues, stride, boogie, pop, and ragtime, Holland & Coots have created something for every taste. This winning duo has been the driving rhythmic foundation for bands like the Titan Hot Seven and B.A.D. Rhythm, and has several recordings to their credit.

Please join us for another event scheduled for The Villages 50th Anniversary. Brian & Danny will perform in the Cribari Auditorium on Friday, August 18 beginning at 7:30 p.m. Doors will open at 6:45 p.m. to meet and greet with Brian & Danny, and, of course, enjoy a glass of wine or beer. No-host bar will be available. The cost for this fun evening is only \$8 per person. No reserved seating! Registration is at the Community Resource Center, Building B.

# CLUBS & EVENTS

## Italian Club's BBQ & Bocce a hit

The Villages Italian Club held its annual BBQ & Bocce at Gazebo Park on June 25. Everything came together beautifully. The weather cooled down and we had a gorgeous day. The ribs, chicken, fixins and service from Famous Dave's was fabulous. The music provided by Ed Knott was perfect. The drawing prizes were the best ever. The bocce games generated new claims to greatness and the dessert and libations capped off a perfect event. The Italian Club volunteers who made it all happen are too numerous to mention, but Club President Sue Bacigalupi and Event Chair Don DeVincenzi give their heartfelt thanks to all. This event keeps getting better and better. Check our website for more pictures. Don't forget to visit our Cookie & Cannoli Booth on July 4 and get ready for our Pasta Sauce Cook-off in August. Ciao!

## ***Boutique Hails The Red, White and Blue! – Villages 50th Too!***

**By Betty Meyer**

The Villages Boutique hails the colors of our great nation! – And The Villages 50th Anniversary, too! Please visit us on July 4th and enjoy our colorful displays of the red, white and blue—and many other colors too! We'll be open from 9 a.m. to 3 p.m. and we look forward to much activity and excitement in the Boutique and Cribari area!

Meanwhile, please come in and see our treasure trove of gifts and ideas—all made by our Villagers. Wood-based night lights emit a lunar glow, a cup and plates make a garden decoration, geodes from earth rocks create beautiful jewelry, lovely garden iris and humming birds are painted on wall plaques, and clock books made from Readers Digests hang or rest on a bureau! A book of poetry beckons for a rest with a cup of our tea, a children's book encourages time with young ones, books on aging give information and encouragement, while artistic cards, bridge and note pads remind of special occasions. Oh, I'd be so remiss if I didn't mention the 4th of July placemats, towels, patriotic wall plaques, flags adorning plants— I could go on and on, but please do come in and see!

We're open Monday thru Friday from 9:30 a.m. to 1 p.m. and Saturdays from 9 a.m. to noon and remember, you can purchase everything on your house number with the Villages card!

## **Global Village: 'Emotional Intelligence'**

Villages resident Bob Lapidus will speak and facilitate a discussion on the groundbreaking subject of "Emotional Intelligence"—what it is and how to use it to enhance your self-awareness, relationships, and community. Emotional intelligence has given birth to the whole new school of thought that challenges the conventional wisdom that IQ is the sole driver of success and intelligence. Emotional intelligence has been found to be greatly correlated with higher levels of satisfaction, success, and optimism in life.

The session will take place in the Sequoia Room on Wednesday, July 5 at 7 p.m.

Bob Lapidus has spent his career in the field of Organization and Leadership Development and is an adjunct professor at American University and the Federal Executive Institute in Charlottesville, Virginia.

## ***Villages Veterans to start festivities on July 4***

**By Bob Semple, Veterans Club President**

All Villagers are invited to attend and observe the American flag retirement ceremony on Tuesday, July 4th beginning at 2 p.m. at the BBQ/Gazebo area.

The ceremony is under the direction of Villager Jim Whatley, a veteran of the US Navy & the merchant marine, the Master of Ceremonies will be Villager Hal Gillette, a Marine Corps veteran and Villager & USAF veteran Phil Strong will play TAPS.

Members of the Veterans Club will represent each village as torn and faded flags will be presented and saluted prior to burning.

Villagers are encouraged to bring their torn or faded flag for proper retirement. Thereafter, anyone wishing to have their flag properly retired is encouraged to donate it to Jim Whatley of Village del Lago on Lake Garda Drive, the fifth home on the right, who has a collection box sitting at the curb. Such flags should still be respected and thereby should be neatly folded before putting them in the box.

Of course, all Villagers are encouraged to attend the Independence Day Celebration at the Clubhouse and Patio planned by Community Activities commencing at 10:30 a.m. on the 4th. The Veterans Club will start the festivities with a march up Club Drive led by the Boy Scouts color guard before the veterans. Then several Veterans Club members will talk about what the 4th of July means to them based on their experiences in the service.

See you on the 4th!

## Make music with Magic Moments

When's the last time you sang songs like April Love? Peggy Sue? Rock Around the Clock? (Except maybe in the shower?) Magic Moments had 21 enthusiastic Villagers at a recent two-hour songfest, including many wonderful voices for the rest of us to follow. We have solid instrumental accompaniment, too, and everyone sings, except the harmonica player!

We are moving to a larger facility—Montgomery Center—for our next monthly get-together Friday, July 7, from 10 a.m. to noon. We will meet on the fourth Friday of the month thereafter; locations to be announced.

We would be thrilled to blend your voice and/or instrument with ours, even if you can't make it on a regular basis. If you let us know ahead of time, we will have a songbook ready for you. Email Vera Hutton: vera.hutton@att.net or Tom Zades: tzades@sbcglobal.net. Drop-ins can look on with some friendly person who has a book.

We had a total blast last time and hope you can join in the fun in the future.

## Goat Hill Girls to perform at Hiking Club's BBQ

Bluegrass has new grass, traditional grass, psycho grass, gospel grass and even gangstagrass as subgenres of this uniquely American music. So what do you call Bluegrass from an all-female group? Good music. Come on out and give a listen!

The Goat Hill Girls are a harmonious blending of old and new friends, some of whom have played music together for 37 years or more. All native Californians, the Goat Hill Girls are named for a landmark in the Santa Cruz Mountains and feature the song writing talents of several people in the band. Many of their songs present the feeling of old-time California. Most bluegrass songs are about the mountain areas of the East Coast, so The Goat Hill Girls are doing their part by representing California in the Bluegrass song world. In addition to their song writing talents, the Goat Hill Girls feature plenty of traditional bluegrass, vintage country, old timey, Irish and some fun novelty tunes. If you come to see the Goat Hill Girls you will see the joy they share in playing together, writing and arranging tunes together and just plain having fun together and especially with their audience.

See the Goat Hill Girls perform at the Hiking Club's Summer BBQ on Thursday, July 20. The barbecue will be served at 5:30 p.m. Entertainment begins at 6:30 p.m.

The barbecue includes your choice of a hamburger, salmon burger or veggie black bean burger with all the trimmings, baked beans, coleslaw and dessert. The cost is \$13 for members; \$17 for non-members. This will be charged to house number.

For reservations and your choice of burger, call or email Wendy Ledamun at 408-274-4215 or email wledamun49@gmail.com. The sign-up deadline is Saturday, July 15. BYOB and glassware. Paper plates, napkins, utensils and water will be provided.

**Highland/Glen Ardenites, celebrate summer!**

Make plans now to attend our dinner on Thursday, July 20. Social hour begins at 5:30 p.m. Dinner is served at 6:30 p.m.

## Villages Travel Club: 2015-2017 In Review

By Lee Rye, Past Travel Club Chair

Just one month short of its third year as an "Official Villages Club," The Villages Travel Club sustains an active roster of 100 members. Average monthly attendance ranges between 25 and 56 members.

In May 2016, our first two-night excursion took us to Scottsdale, AZ., for the SF Giants' Spring Training, followed by an Amtrak overnight journey to Sacramento's remarkable Crocker Art Museum and historic Railroad Museum.

In August 2016, Chairman Lee Rye, sponsored a two-night carpool adventure, to the coastal hamlets of Gualala and The Sea Ranch, in Sonoma/Mendocino Counties. We attended the much celebrated, highly regarded Annual Art in The Redwoods Festival. Also, this excursion included a guided tour through the private, architecturally distinctive community of The Sea Ranch.

Last December, members celebrated the Christmas/New Year season by attending the magnificent "Luminations" at Gilroy Gardens, while others traveled with Talbot Tours to Gaylord's Opryland Resort, in Nashville. In addition, The Villages Travel Club put on their own second Annual Christmas Faire, always complimentary to members!

If we are to continue to move forward, more members must assume a limited leadership role in the Travel Club. Most of the "founding Chairs" have retired, yet have come together to revise and simplify how we may function in the future.

For example: members may prefer to focus more on shorter, regional, friendship trips, which can be created within our own membership, as well as member-sponsored, monthly meetings and programs. We would need only 12 members to plan a program for each month of the year.

Please plan to attend the 7 p.m. meeting on July 10 at Foothill Center when new ideas will be invited and shared. Past Club Officers will be happy to work with anyone who is willing to take one month of the year to lead a meeting, organize a program, or plan a "friendship trip."

**Please note:** On Monday, July 10, member Mae Ray will introduce us to "The Wonders of Taiwan" with the prospect of her personally conducting a tour to Taiwan in 2018.

Please contact the following members, if you have the time or interest in helping the Villages Travel Club move forward: Lee Rye (408) 531-1192; Anna Zaleski (408) 666-3616; Tony Berg (408) 891-8663.

Also, please stay in touch at [www.villagestravelclub.org](http://www.villagestravelclub.org), where you may always "check-in" to see what is happening, or to post questions or comments.

## COMMUNITY CHAPEL

**By Pastor Bill Hayden**

Sometimes I have gone to a restaurant very hungry for a meal and everything on the menu looked exceptionally good. The waiter came by to take my request with ice water, hot bread and butter. The smell was so irresistible and I just had to have a little bread and butter. I gave him my request along with an order of a few appetizers to share with my guest at the table. I just had to have some more bread and butter with the appetizers.

The waiter returned filling my glass with more water, which I drank along with eating a luscious salad that did not skimp on the variety of beautiful vegetables. It wasn't long for the main course to arrive...steak and lobster. It looked delicious and ever so inviting; for I had been planning to have steak and lobster for quite some time. I poured melted butter on the lobster and sauce on the steak. I took a few bites of both, exhaled and was full. I requested a (doggy bag) to take the remains home and a few days later tossed it out with the trash.

A meal that I eagerly anticipated having, I could not finish or completely enjoy because of the water, appetizers, salad, bread and butter. Needless to say, because I was not willing to control my appetite but allow my appetite to control me, the main course was uneventful.

You can find many examples in life where we miss the main objective or goal. A person seeking truth may find a little here and there to satisfy their appetite for knowledge. Well, when the real truth appears that they are seeking presents itself, they have become full of a little of this and that. The truth can be as uneventful as anticipating the main course of a meal because you are full with substitutes. When you have consumed the appetizers leading to the truth, you discover there is no room to enjoy what you have desired.

The main course is the undisputed Champion of World; the One and Only Son of God (John 3:16 NIV).

**Happy Independence Day and remember not to fill up on the appetizers before the main course!**

Come and meet us Sunday at the Villages Community Chapel in Cribari Auditorium, 10 a.m. to be encouraged. The chapel is a place for needs to be met, faith to be affirmed and people to love. Coffee and refreshments will follow our service time. Please join us and we'll hold a door for you. See you this Sunday! If you would like to make an appointment with Pastor Bill please call the office at 408-238-3079.

## SHONIS

By Marge McCandless

Twenty-four very brave members played a round on June 20 in the heat. The topic for most was "What did you have for dinner on Father's Day when the power was out?" That is unless you live in Montgomery Village. The scores of the winners were quite good in spite of the weather. Following golf we had our bi-monthly Bag Lunch and the 29 who attended were welcomed with bottles of ice cold water.

Shonis welcome new member Jane Scott.

Captain Meg Rogers said we now have 60 members including the nine social members. We have five new members this year. She introduced Jane Scott who has now qualified. She reminded new members that they must have played 20 games before they can sign up for our annual Championship Tournament in September. Although you are qualified after playing five games, it is after 20 when you get an official handicap. If you play on Thursday afternoons and turn in your scorecard, that will count as an official game. Jonna Robinson said there is lots of money to be won by the next person to get a Hole-in-One. We can all hope for that! In July we will have only two official Sweeps days because July 4 is on a Tuesday and July 25 is our special day when the Ironmen join us for a very enjoyable tournament.

Nancy Chesterton announced the Eclectic winners for 2017 and gave them their rewards. Their net scores are listed here in reverse order: Flight 3—Vivian Wilczak, 13; Betty Lanctot, 12; Kacy Walden, 10. Flight 2—Jonna Robinson, 13; Meg Rogers and Teddy Morse, 10; Linda McCarley, 9; Flight 1—Ann Campbell, Dot Lesyna, and Marcia Hembree tied with 16, and Joan Wiseman, 13. Our overall champion is Bonnie Evans who had a net 8! Congratulations to all of you good players.

Maggie Winters always gives us a few reminders about the rules of golf. We had an especially good discussion about many subjects and Captain Meg promised to send some pointers out via e-mail. She is so good about sending us notices—thanks, Meg. Now that golf carts are allowed on our course, we need to remember to tell the Starters that you are going to use one. That way, they won't put more than one cart on any hole. If you use your cart just to get to your starting point, please don't park too near the tee box and leave your key in the cart. If you plan to walk from the Pro Shop to your first tee, ask to start on the closest holes.

Once again, please try to attend our meetings even when you are unable to play that day.

## SWINGERS

By Kathy Warren

Even in the middle of a heat wave, 54 women showed up for golf on Tuesday, June 20. Our 8:45 tee time really helped, it didn't get uncomfortable until we were nearly finished.

There were two chip ins: Karen Kosmala on hole #3 and Kay Gray on hole #17.

We have a new member, Gail Tuft. Be sure to introduce yourself. Her Big Sister is Jan Flynn.

For those of you who haven't noticed, Scott Steele, PGA Head Golf Professional, has a column in our *Villager* newspaper. It is called From the Golf Pro and gives an update on upcoming golf events and information on golf course maintenance. He also gives helpful golf tips that are easy to follow and often relate directly to our course, such as chipping over the water on holes 9 and 18. Watch for it, it is in the sports section.

There will be another Mini Rules Clinic on July 11, from 8 to 8:30 a.m. on the patio. Subjects covered will include: lost ball, out of bounds and playing a provisional ball. It is very important that we know and understand the rules of golf, not only in our regular play for sweeps but also for away play during exchanges and invitationals.

Drowning your sorrows: After a particularly poor round, a golfer spotted a lake as he walked despondently up the 18th. He looked at his caddie and said, "I've played so badly all day, I think that I am going to drown myself in that lake." The caddie, quick as a flash, replied, "I'm not sure that you could keep your head down that long." (Golf Monthly)

A group of ladies from the Swingers went to Graeagle to attend "Golf Camp" at Plumas Pines. This is a wonderful opportunity to improve all areas of golf with lessons everyday and opportunities to play golf at many different courses.

## 18-HOLE WOMEN

By Phyllis Mueller

Remember when you minded your parents, listened to your teachers, obeyed the rules, etc.? With the heat wave, all we heard from the media was for senior citizens to stay indoors, drink plenty of liquids and keep cool. Well, for 18 Hole Lady Golfers, Thursday means GOLF! Thirty Five brave souls spent over four hours hopping from shade to shade in over 100 degrees to fulfill their Thursday love. Actually, Annie Bassford shot a 78 and had 23 putts to win the June Captains Trophy and Low Putts. She looked pretty cool to the rest of us.

Meanwhile, three Team Play teams are in hot pursuit of their competitors around the valley. The captains of these teams work hard at scheduling, last minute changes and handling all problems. Team Captains: Mid-Penninsula—Vicki Krattli; Silicon Valley—Vivian Brown and Mary Olson; Valley League—Geri Wilk, Jay Lee and Carol Zaccheo.

Summer Of Love Invitational is firming up last minute details for our August 10 and 11 event.

Thanks to Chris Leisy and her committee for lots of planning and work!

Two birdies today and no chip-ins: Annie Bassford on #2 and Inge McQuiddy on #6.

When coming out of the unwanted sand shot be sure and remember to tap your shoes to remove sand!

Annie Bassford wins 18 hole Ladies Captain's Trophy and Low Putts for June.

## TENNIS TALK

By Adrien Fournier

Hey everybody, hope that intense heat is well behind us. It didn't seem to stop any morning tennis activities, and I've seen a lot of water drinking going on. Good job! Unfortunately I've seen other kinds of fluids brought onto the courts as well. I also saw a coffee cup on its side with a trail of coffee where it had spilled under one of the benches. Water only on the courts please. If you prefer electrolyte replacement drinks, especially in the hot weather, please leave it just outside the court, so it's easy to get to when you switch sides.

**USTA Update:** Two active teams at this time. Mitzi Macon's 55 and Over 7.0 Team and Michael Actman's 55 and Older 7.0 Team. Each team is off to a good start with one win and no losses at time of writing.

**Upcoming Events:** July 15 is the Summer Mixer tournament. More on that later, but it should be crazy fun! Of course the Annual golf Tournament will take place on August 13.

**Update on Viewing Area Upgrade:** The permitting process with San Jose for upgrading the viewing area is hung up with potential ADA compliance issues. More to come on this as status becomes available.

See you on the courts.

## Pickle Tournament results!

By Anahid Gregg

On May 21, 18 people braved 90-degree heat and participated in the first annual Spring Fling Pickleball Tournament. We had a number of observers, who enjoyed the shade almost as much as the spirited play! Despite the heat, we had a great time, and the play was very intense. For the first time, we were able to split into two different divisions, allowing more level play.

The novice division had four teams, with each guaranteed at least three games. Kathi Ashby and George Ramstad were outstanding throughout, ending up undefeated. They got a strong challenge from Kay Gray and Sally Otton. Kay and Sally also performed very well, especially since they had to play an extra game in the heat! It's great seeing how much people have improved; games were well played, and very exciting to watch.

The advanced division had five teams, again with each guaranteed at least three games. Play was extremely intense, with each team determined to win it all. Our champions were Gail Keck and Alex Shtarker, in an amazing display of gamesmanship. Marshall Ziock and Mark Gregg beat all comers in the top tier, besting Gail and Alex in the first round. In the second tier, Gail and Alex won all their games, setting up an extremely exciting final round. After Gail and Alex won the first match, it went to a best 2-of-3. We all watched in awe, as this foursome never lost their intensity despite the heat. In the end, Gail and Alex emerged victorious!

Plans are in place for our next tournament in August. We're changing to a weekday, to accommodate more of our members. We look forward to seeing more participants, and with a later start time, expect it to be a little cooler as well.

## IRONMEN

By Don Bookwalter

June 22 was a very warm morning to play Golf! Eleven players signed in this morning.

**Our Net Sweeps Winners this week:**

David Hathaway was first with a 20.

David Cook and Don Bookwalter tied for second with a 25.

**Six Birdies were shot today:**

David Cook on Hole 7.

David Hathaway on Holes 3, 4 and 5.

Don Bookwalter on Hole 5.

Jerry Weltzin on Hole 5.

**Remember:** When you look up, thereby causing a bad shot, you always look down again at the exact moment that you should be watching your ball if you ever want to see it again!

## PINSEEKERS

By Jack Bindon

I have to confess...I didn't follow my own advice and register early for the following week. But, thanks to Hannah, she squeezed me in at the last possible moment. Thank you, Hannah!

Martin Hoek gets a big fist bump for his play this week. Way to go, Martin!

This week's tight competition winners are:

1. Martin Hoek with a nice 31
2. Jack Bindon close behind with a 32
3. Bob Gregg with a 33
4. Dick Frey with a 34

It would appear that summer has finally arrived. Our starting time in the morning allowed us to remain "relatively cool." Still, make sure you hydrate aplenty and park anywhere you can find shade. Need I mention lots of sunscreen as well?

# SENIOR RESOURCE SERVICES

## New fiduciary law in effect

The long talked about fiduciary law for retirement investments has finally been adopted...kind of, sort of...This law determines how brokers and investment advisers make recommendations to their retirement account (including 401(k) and IRA) clients and requires

the advisers to make public any conflicts of interest and all fees that the investor must pay when making an investment.

The catch is that, while the law went into effect on June 9, many aspects of the law do not become official until January 1 of 2018. Also, there is talk of

## More COMMUNITY NOTICES

amendments to the law being made before then and there are some lawsuits that have been filed about certain aspects of the law. While the Department of Labor currently has no "fiduciary police" to enforce the law, money managers are on their honor between now and next year.

The purpose of the fiduciary law is to ensure that brokers and investment adviser's recommendations are

in the best interest of the client, not the best interest of the broker. Currently, brokers are held to a suitability standard, which does little to make fees and conflicts of interest known to clients. There are only modest "suitability" constraints on recommendations for clients. It should be noted that many brokers and advisers probably do currently act in a client's best interest (to keep your business). This law was first drawn up

in the Obama Administration and then was slowed twice since Donald Trump has been President. However, many brokers and advisers that deal with retirement assets for their clients could see the writing on the wall and have already made changes to how they do business. A few insurance companies have gotten out of the business entirely. Some mutual funds have created "clean share classes" that eliminate all fees except for the investment management fee of the underlying assets. Some brokers have eliminated retirement accounts where fees are paid by commissions. However, the big changes are yet to come, especially when it is required that all fees must be disclosed. This could particularly affect brokers for annuities, where fees currently are not disclosed and are purported to be quite high.

The law does provide somewhat of an out for brokers and clients. The broker can ask the client to sign a "Best Interest Contract Exemption (BICE)" which would allow the client/broker relationship to remain pretty much as it is now and for the broker to continue to be paid by commissions (which must be fully disclosed). If you are asked to sign such a document, it would be wise to determine the cost and value of alternatives.

The new law may end up by causing higher fees for some, as the investment people want to be paid for taking on "fiduciary responsibility." Relationships with investment advisers, which are now paid by a stipulated fee, will not likely be directly affected. While it may not happen, the SEC is considering another law that would broaden the fiduciary scope to all public investment relationships, not just retirement accounts.

Since the thrust of the changes should be to your benefit, you should keep your eyes and ears open for these changes and ask your current broker or investment advisers how this new law will affect them and you. After the first of next year there will likely be a lot of new information about investment fees available which should give you a better basis for evaluation.

## Turf Rejuvenation Program continues

In October, the Association Board approved a community wide turf rejuvenation program at a cost of \$198,383. The work entails slit-seeding (a planting process) roughly 30 acres of common area with Tall Fescue grass. This work is the second part of a two-part project intended to fill in community turf areas that have either died, or have become infested with noxious grasses or weeds, over time due to the most recent drought period.

The first step of the preparation process for a slit-seeding program like this is to kill all the weeds and noxious grasses (in all 30 acres). Round Up will be used to achieve the objective (signs and notices will be posted). This means that many turf areas in the community will brown out, and they will stay that way for a couple of weeks before the seeding process can take place. Even then, please remember that it will take time for the grass to grow in, so areas will look sparse for a couple of months. (Mowing and day watering schedules will be adjusted accordingly.)

### Olivas

8691-8700, 8713-8722 and 8763-8768—Landscape maintenance and weed control, in progress.

much beloved wife of  
James E. Crownover,  
Jr., for nearly 36 years.  
She was the loving  
mother of Doug, Lori,  
and Jeff Shelby and  
stepmother of Melissa  
and Greg Crownover.  
She was predeceased  
by her mother (Hazel),  
two sisters (Norma and  
Carol), brother (Alan),  
son (Doug), daughter

successful career as a  
bookkeeper and tax  
preparer and owned her  
own business, Acumen

Dorothy and Jim were  
married on August 8,  
1981. They traveled  
throughout the world  
and spent much time  
in their beloved Kauai,

vacationed and had  
just renewed their  
vows, before her  
illness. They were  
deeply involved in  
activities in The  
Villages until she  
passed away in his  
arms.

There will be a private
