VinoPaint to return to Clubhouse!

VinoPaint Night is returning to the Clubhouse on July 24! Create your own masterpiece at this fun and inspiring event. All you need to bring is yourself. No experience necessary!

Local San Jose artist Sonya Paz from VinoPaint will guide participants in painting their interpretation of the evening's selected piece "Life's a Beach." All painting supplies, including brushes, acrylic paints, easels, 16" x 20" canvases and an apron to protect your clothing will be provided by VinoPaint.

VinoPaint events are targeted to all ages...so, yes, you can bring your kids and grandkids! Food, alcohol and beverages are not included in the admission price of the VinoPaint event. However, the Clubhouse will provide individual checks for your food/drink order.

The class is sponsored by the Arts & Crafts Association and will be held in the Clubhouse from 5 to 8 p.m. The cost is \$35 if you register by July 17; cost goes up to \$45 thereafter. Registration/payment deadline is July 21.

To register, contact Wendy Ledamun (wledamun49@gmail.com; 408-274-4215). Pre-payment by check, made payable to Sonya Paz, must be received no later than July 21. Alternatively, we can bill your home account if it is more convenient.

Mark your calendars for 'Inside the Gates' Villages Home Tour!

Eight homes have been selected for the 4th annual "Inside the Gates" Villages Home Tour. The owners are excited about sharing the updated, imaginative and beautiful changes they have made in their homes. Make sure you save the date and include your family and friends on Saturday, October 7 from 10 a.m. to 4 p.m. John Yu again plans a delicious luncheon in the Sunset Room to make this a memorable event. And something new—a boutique for your shopping enjoyment!

The Tour is self-guided and is sponsored by the Villages Medical Auxiliary (VMA).

Last year the Home Tour raised more than \$14,000 for our VMA, which allows them to continue the vital services they provide to our Villages community.

Check *The Villager* for future updates on this popular yearly event.

COMMUNITY NEWS

PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

3 Pulse letters received this week.
1 Pulse letters not meeting Pulse Letter Guidelines.

Last Friday morning, my peace and quiet was shattered when my smoke alarms started "chirping." I called the Maintenance Services Department and Ruth Perez cheerfully answered the phone (as she has been doing for 18 years). She listened to my problem and said that all of the technicians were out on projects and the earliest one could come would be Monday. Later, as I wondered if I would get any sleep over the weekend, the phone rang and it was Ruth saying that help was on the way. A few minutes later Homero Lugardo arrived. Working very efficiently and with apparent knowledge and experience, Homero replaced my smoke alarms and all was quiet in my house. I slept soundly that night (and every night since) comforted by the fact that in a few hours I had new smoke alarms installed and I never had to leave my house!

Thank you to Ruth Perez, Homero and The Villages Maintenance Services Department for being there when we need you and for "going that extra mile."

—Bob DeNike

I am writing about an incident that happened to me when entering The Villages in my car using the Villager-only automatic lane, about three months back. When I was slowly entering, the arm light turned green and arm started going up, so I proceeded and then all of sudden the arm came down on my windshield. So I stopped. An officer came and lifted the arm and asked me to park the car. He inspected the arm and let other cars come in. The arm was working. After three months, I was told that I have to pay about \$826 for repairs. After negotiating with authorities, the charge was slightly reduced. But still it is hefty. All I want to say is that this electronic arm is not 100-percent foolproof. It has happened to some other Villagers. We live in Silicon Valley, the technology capital of the world. Why can we not get something more reliable than this Mickey-Mouse deal?

I request other villagers to be aware of this problem and always be careful. I paid the price.

—Prakash Deshmukh

Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

Note: The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

Missed your Villager?

If you missed delivery of your weekly copy of *The Villager*, please call 223-4655 to report it. (Please do not call before 11:30 a.m.)

You may pick up a replacement copy of your paper at the newsstand at the entrance of Building B or go online to the Villages website—www.thevillagesgcc.com—and download the current and past editions to your computer.

Notice of Proposed New Association Architectural Rule D-29 Solar Electric Energy Systems on Individual Unit Sloped Roofs

The following proposed The Villages Association Architectural Rule D-29 Solar Electric Energy Systems on Individual Unit Sloped Roofs, has been approved by the Association Board of Directors for publication and 30-day member comment period prior to formal approval consideration as required by California Civil Code 4360. The proposed rule will be considered for formal approval at the August 15, 2017, study session (9:30 a.m. at Foothill Center). Response to the proposed rule changes may be made by one or more of the following methods: 1) Participation in the discussion of the change at the Association Board of Directors study session at which the proposed rule change will be considered, 2) via e-mail with comments sent to the Board via mehernandez@the-villages.com, 3) via written comments delivered to the Board through the Community Standards/Association Administrator Maria Hernandez in Bldg. A.

The purpose of the proposed rule is to provide specific requirements for member solar installations.

D-29 Solar Electric Energy Systems on individual Unit sloped roofs

Solar Panel systems placed on Association owned sloped roofs may only be installed when all the below stated conditions and requirements have been met. Please refer to the following additional documents: Association Policy APo/APr 411, AC Solar Energy Systems Submittal Requirement Form and Revocable Easement Agreement. A building permit will be required after all the below mentioned conditions have been approved.

General

1.1 Solar panel system approval is a contract only between the Unit Owner(s) and the Villages Association. The solar panel installer is not a party to the contract. Therefore, all solar panel systems and their installation must be the property of the Unit Owner.

1.2 An AC Solar Energy Systems Submittal Requirement Form application, signed by the owner, including complete plans and specifications, must be submitted to the Architectural Committee (AC) for approval. The application shall include written comments by the owners of adjoining units. Owners will be given full and careful consideration by the AC.

1.3 Solar panels may not be installed on sloped roofs in Montgomery Village due to the fragile nature of the existing tiles.

1.4 All the items listed on the attached Architectural Committee Solar Energy Systems Submittal Requirements Form must be submitted to staff before review by the AC.

1.5 All documents must be clear and legible.

1.6 All plans must be drawn to sufficient scale and clarity to provide accurate depiction of the project.

1.7 All Photographs, if desired or requested, must be sufficiently clear to understand the applicant's unique conditions.

1.8 Installation of the solar panels can only be performed by contractors licensed by the California State Contractors' Board in the following fields: electric (C10) and solar (C46).

1.9 The Unit Owner shall, at the Owner's sole cost and expense, purchase an insurance policy and keep in effect, a general liability policy with limits no less than \$300,000 protecting against liability claims for bodily injury and property damage. The Unit Owner shall include The Villages as an additional insured on the policy as respects the terms of the contract.

2.0 Since the structure of the Unit may be disturbed in the process of installing the SES, the applicant shall be responsible to maintain the structural integrity of the Unit.

2.1 If the Association is, required, for any reason to restore the Unit to conform to its original plan, the cost of such restoration shall be borne by the Owner. A document to this effect will be recorded in the office of the Santa Clara County Recorder to provide constructive notice to future Owners.

Process

1.1 Initial submittal of the AC Submittal Requirement Form and the NEIGHBOR AWARENESS FORMS as well as supporting documentation and scaled drawings to staff.

1.2 When application materials are deemed complete by staff the project will be set for public hearing.

1.3 The Architectural committee will review the project and make one of the following decisions.

1. Approve the project.

2. Deny the project as submitted. (Reason for denial will be provided in writing with a copy provided to the Board.)

3. Hold the project over to a future meeting with a list of additional items to be provided.

4. Conditionally approve the item when additional materials are provided.

1.4 Projects approved by the AC will be forwarded to the Association Board of Directors (ABOD) for conditional approval. ABOD conditional approval will allow the applicant to continue the process per the current Association CC&R's and State of California Civil Code.

1.5 If applicable and in accordance with the CC&R's, the ABOD will have the Project vote counted and, if approved, the Applicant will, at their own expense, notarize and record the required deed restriction (Revocable Easement) to their property using the forms and instructions provided to them by staff.

1.6 The applicant shall provide proof to the ABOD of the recordation including a copy of the signed and notarized document, the recordation number, and the recordation date. The ABOD will then give final approval subject to the applicant submittal of plans and specification to the City of San Jose Building Department to obtain the required permits. City of San Jose Building Department Permit plan comments to be provided to the AC.

1.7 At the completion of the installation of the solar panels and after the City of San Jose has finalized the permit, the applicant shall notify the AC and the Maintenance Department. They shall both inspect the completed installation and all the ancillary items required for the system to function. The staff shall then issue a notice to allow the utility company to activate the system.

The next New Resident Orientation will be held at 3:30 p.m. in the Fairway Room at the Clubhouse on Wednesday, July 19, 2017.

New residents must attend the orientation. Be sure to sign in at the meeting, with your name and address, to confirm your attendance.

Association/Homeowners documents available via e-mail

By Julia Meadows

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs that run about \$8,000.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to delivery electronically, of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

For more information, call Julia Meadows at 223-4634.

PUBLIC SAFETY

Traffic: The Villages/Rules of the Road

As a reminder, all roads within the community are single lanes. Passing another automobile, either on the right or left, is not permitted. Recently, Public Safety has received complaints or witnessed this type of driving behavior.

You may still pass golf carts, low speed vehicles, or bicycles if it is safe to do so.

Also, remember the speed limits and stop signs within the community. Public Safety has a traffic officer working every day, including weekends.

Our goal is to make the community safe for all who live and work here.

FOUNDATION FOCUS

Summer in The Villages

By Morton Cordell, EVF Director

It is July and as we all look forward to a summer of outdoor activities and recreation, look around at the wonderful amenities offered right here at the Villages, a community we are blessed to call home.

Maybe you'd like to have a barbecue, enjoy the pools, and spend time with friends and family right here at home. Perhaps you prefer to keep fit on the tennis courts or work out at the fitness center.

All of these amenities have benefited from the support of the Evergreen Villages Foundation. That support is made possible by your donations.

Think about what you would like to see in the future. The EVF is actively helping to provide capital improvements to make our lives in the Villages more enjoyable and productive.

Will you help?

Please consider becoming sustaining donors. Sustaining donors have their contributions billed monthly with the HOA fees making it a simple and convenient way to support The Villages.

The Foundation is a 501 © (3) non-profit organization and all donations are tax-deductible to the extent allowed by law. We encourage you to visit our website and learn more about The Foundation.

The Foundation meets the second Wednesday of the month from 3:30 to 5:30 p.m. at the Patio Room.

Homeowners' Corporation Board update

Governing documents approved: Thank you for approving the updates to our governing documents. We can now move ahead knowing that we are in compliance with the law and have guidance provided by our governing documents. Our next step in making sure that we are meeting the needs of our homeowners is to review our Homeowner Rules. The rules were last reviewed in 2012, so it's time to take another look at them. This will be an internal board/homeowner project, and does not require attorney review or outside financial expenditures.

Board President Burt Lancaster retires: After serving as president of the Homeowners' Corporation (HOC) Board for eight years Burt Lancaster retired from the board. Many in the community know Lancaster because he also served a three-year term on the Club Board of Directors and the Club Marketing and Nominating committees. In addition Lancaster is a Senior Resources volunteer, president of the Republican Club, owns his own consulting business and is ready to lend a hand to friends and family when asked.

Everyone who knows Lancaster appreciates his wisdom. "Burt has been a great mentor for me as a new director," said HOC Board Director Mike Kane. "All of us on the board have learned from Burt and will do our best to carry his words of wisdom forward as we serve our homeowners," said Board Director Teddy Morse. "I especially recognize Burt for his distinguished and unselfish service given through his positions on the Villages' governing boards and committees," said Board Director Julian Rodriguez. Lancaster was honored for his service at the June 14 annual meeting.

Election of officers: At its June 15 board meeting the 2017-2018 HOC Board of Directors elected its officers for the year: President Teddy Morse, Vice President Julian Rodriguez, Secretary Greg Stewart, Chief Financial Officer (CFO) Mike Kane, and Assistant CFO/Architectural Control Committee Liaison Jeannie Omel.

What's new for 2017-2018?

To reduce the length of the board's quarterly business meetings and to have more time for in-depth discussions with residents when issues warrant them, this year the board will schedule work study sessions. This process works well for the Club and Association boards to provide the necessary time for review and discussion of issues. The HOC Board's first study session for this year is July 26 at 9 a.m., location to be determined. The purpose of the study session is the setting of the board's goals and objectives for the year and this year's quarterly meeting schedule. If you have an issue you'd like the board to consider, please let us know. Attend a work study session, business meeting or contact us. We're in your neighborhood. We have at least one board director living in each of the four Villages containing single-family homes: Teddy Morse, Hermosa; Julian Rodriguez, Estates; Greg Stewart and Jeannie Omel, Highland; Mike Kane, Verano.

The board's business meetings and work study sessions are open to all interested homeowners. Check *The Villager*, Fast Lane and your email for meeting dates, times and locations.

AT&T low income savings and free special needs phones

If you have low income, AT&T may qualify you for a reduced monthly rate. AT&T defines low income as no more than \$26,400 annually for a household of one or two people and \$30,700 for a household of three. Income includes all sources of income including social security. The income limit was increased for inflation beginning June 1, 2017.

The AT&T special rate for basic service is, roughly, 50 percent of the regular rate. Plus, you do not pay most federal and state surcharges or fees. For example, a plan called the "California LifeLine-Measured Rate" permits 60 untime local calls for \$4.72 a month. Calls outside your local zone and long-distance calls are excluded from this flat rate. The California LifeLine Flat Rate provides unlimited local calling for \$7.47 a month.

SRS has a handout explaining this service and listing the AT&T number to call for a special rate.

Do you have either impaired hearing or low vision? If you do, you qualify for a free telephone equipped with special features designed to assist you with your vision or hearing deficiencies.

Unlike other assistance programs, a specific income minimum is not necessary for you to qualify for a free phone. Obviously, there must be a recognizable medical need. A medical professional must certify you are deaf, hard of hearing, speech impaired, blind, cognitive impaired, have low vision, or restricted mobility. A licensed medical doctor, audiologist, optometrist or hearing aid dispenser may make the certification. The free telephone program is sponsored by the California Public Utility Commission.

To apply for the program, the two-page application form is available at the SRS office. After mailing in the application, you will be contacted to determine the equipment best suited to your needs. You can see the type of telephones available at ddtp.cpuc.ca.gov ...and then click on equipment. The phones are organized by five categories:

Specialized Devices for People with Difficulty...

- Hearing
- Seeing
- Moving
- Speaking
- Learning or Remembering

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Reminder:

Attorney list

The SRS office has a list of attorneys specializing in estates and trusts. Please stop by the office if you would like a copy. This list is frequently requested by Villagers who are creating or amending a Living Trust.

Two of the attorneys live in The Villages and are very willing to make house calls. Please note that each attorney sets his/her own fee structure.

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks and lunch, and always wear layered clothing appropriate to the current weather; hats and sunscreen are also recommended.

Saturday, July 8: Wate and Johanna Bakker (408-223-2190) will lead a Coastal hike from Gazos Creek to the Ano Nuevo SP., along HWY 1. The hike will be along a beach, dunes, a rocky coastline and a coastal plain. Wate will lead a long hike of about 7 miles. Johanna will lead a shorter hike of 4-5 miles. Elevation differences less than 200. There may be a few remaining flowers. Dress in layers, assuming the possibility of a cool morning fog. Bring water and a light lunch. Afterward we will stop at the Davenport bakery to sample their pies. Car

round trip mileage about 100.

Wednesday, July 12 (Rambler Hike): Brad Hinckley (408-274-3616) will lead a 4.5 mile hike along Thompson Creek Trail that is maintained by the Santa Clara Water District. There is a Starbucks at each end of the trail. This trail is flat and in the sun. Be sure to wear a hat and bring water. Meet at 8:30 a.m. and we will carpool the 2 miles to the start of the trail.

Saturday, July 15: Gisela Pearson (408-270-0463) will lead a hike in Sunol Regional Park of about 6 miles. We will hike from the headquarter to the top of Flag Hill (1360') and beyond, weather condition will determine the rest of the route. Bring plenty of water, lunch, hiking poles recommended. Car round trip 68 miles.

Wednesday, July 19 (Rambler Hike): Gary and Terry Holmquist (408-531-9779) will lead a hike along West Cliff Drive in Santa Cruz. We will start at the Wharf and proceed approximately 2 miles past the light house before retracing our steps. There will be an optional lunch at one of the restaurants on the Wharf. Round trip driving distance is about 100 miles.

Saturday, July 22: Oakland Bay Bridge Hike. Rich Bainbridge (408-960-8335) and Wendy Ledamun will lead a hike along the Bay Bridge Bicycle/Pedestrian Path that runs along the eastern span of the San Francisco-Oakland Bay Bridge to the newly opened Vista Point on Yerba Buena Island. The Vista Point offers sweeping views of the East Span of the Bay Bridge, San Francisco Bay and Oakland. From there, we will take the free shuttle to the Avenue of the Palms on Treasure Island. We'll proceed on foot to 13th Street where we'll have lunch at the Aracely Cafe (<https://www.aracelysf.com/>). We'll hop the shuttle for the trip back to the Vista Point after lunch and head back to Oakland. Bring water and dress in layers. The path is 4.5 miles r/t. Round trip by car is approximately 100 miles.

Wednesday, July 26 (Rambler Hike): Sy Gelman (408-532-1239) will lead a hike on the Los Alamitos Trail. Following the Los Alamitos creek and starting at Almaden Lake Park the trail is primarily flat and mostly paved trail. Estimated mileage is about 4-5 miles. Afterwards, lunch at a local restaurant is an option. Meet at Cribari at 8:30 a.m. Round trip auto mileage is around 25 miles.

Saturday, July 29: Mount Madonna County Park. The long hikers will hike about 8 miles on various trails with 1000-ft elevation gain through the Redwoods led by Nancy Rumble at 408-238-7535. The Ramblers can hike 4-5 miles with a leader chosen by the participants. We will also visit the white fallow deer herd in the park. Bring lunch, water and sticks. Wear boots and layers. This is about a 60 mile round trip drive.

The open mic will run as a traditional sign up and perform open mic. There will be a sign up sheet available in the restaurant starting at 5:15 p.m., the evening of each open mic. First come, first serve. Where you sign on the sign up sheet will determine when you perform. So, if you sign up as number 5, you will be the fifth performer. Your performance length will depend upon how many people sign up. 10 or fewer sign ups will allow for 15 minute (or 3 songs if singing/playing) performances. More than 10 sign ups will allow for 10 minute (or 2 songs) performances. Music, spoken word, poetry, comedy, and magic are welcome.

All PA equipment and a piano will be provided. We'll have three microphones for singers and up to three instrument plug-ins.

The restaurant will provide a cocktail server for beverage and food orders.

Come to perform or come to watch and encourage friends and family to take the stage.

Media Technician service fee to increase

The Club Board of Directors recently approved the operating and reserve 2017/2018 budget. In that approval they also included billable service rates. As of July 1, 2017, the Media Technician Service fee is \$12/hour. The increase is due to an increase in the minimum wage. Please remember there is a two-hour minimum rate charge. Two weeks advance notice is requested.

Fleet Week with the USS Potomac & Blue Angels

Sunday, October 8, is the day for the Villagers to go aboard FDR's Floating White House for 2017 Fleet Week at Jack London Square in Oakland. Departure time from the Village's east parking lot at Cribari Center will be at 10 a.m., with an estimated return time of 6:30 p.m. Limited tickets are available—one bus only! Register beginning Monday, July 3, in the Community Resource Center, Building B. The cut-off for registration will be on Friday, August 18, with the final count due to the Potomac at this time.

Get here early for this one! The world-famous Blue Angels will be performing this year and if you have never seen the flyover by the Blue Angels you truly don't know what you have missed. If you have witnessed their flyover, had goose bumps, your spine tingling and your heart racing... well I guess I don't have to tell you know how great they are, you already know! Below is a brief synopsis on the USS Potomac.

The cost is \$178 per person and your ticket for the Potomac is tax deductible (retain your ticket for your 2017, \$75, tax return). Your donation is for a very good cause as it goes toward education and maintaining this historical vessel for events such as ours. Once aboard the USS Potomac we will enjoy a three-hour cruise on the Bay and an air show. We will enjoy sandwiches, fruit, chips, dessert, soft drinks, coffee, tea or bottled water, and there is a hosted wine bar aboard the Potomac.

We will arrive at Jack London Square where the Potomac is docked by 12:15 p.m. Enjoy the Farmer's Market, shops, book store, antiques, novelty stores and much more. Any purchases made may be left at the Potomac's Visitor Center during our cruise and picked up prior to leaving that day (bring a pen to mark your bag.) We board the Potomac by 1:15 p.m. for the sail time of 1:30 p.m. for the cruise. The Potomac will be positioned underneath the Blue Angels' flight pattern for this awesome show.

The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra, and converted to the presidential yacht in 1936 by President Franklin D. Roosevelt, who had her re-commissioned as a U.S. Navy vessel. After the President's death in April 1945, the USS Potomac began a long and ignominious decline from her former role in world affairs. Falling into private hands and later seized in San Francisco Bay as a front for a drug-smuggling operation in 1980, the proud vessel's hull was pierced and she sank at Treasure Island. She was re-floated by the Navy two weeks later and sold by the U.S. Customs to the only bidder, the Port of Oakland, for just \$15,000. The Port of Oakland then spearheaded a cooperative effort with organized labor, maritime corporations and dedicated volunteers to complete a \$5 million restoration. The Association for the Preservation of the Presidential Yacht Potomac now operates this National Historic Landmark as an active memorial to Franklin Delano Roosevelt.

The deadline for registration is August 18! All sales are final.

Jazz Duo Holland & Coots!

"Exciting, exhilarating, and exhausting!" is probably the best (and most alliterative) way to describe the jazz duo of Holland & Coots. Brian Holland and Danny Coots began performing together in 2010 after spending decades individually on the jazz and ragtime circuits honing their skills on piano and drums, respectively. Since joining forces, they've been on a mission to introduce audiences all over the world to their style of music and fun. With a delightful mix of jazz, blues, stride, boogie, pop, and ragtime, Holland & Coots have created something for every taste. This winning duo has been the driving rhythmic foundation for bands like the Titan Hot Seven and B.A.D. Rhythm, and has several recordings to their credit.

Please join us for another event scheduled for The Villages 50th Anniversary. Brian & Danny will perform in the Cribari Auditorium on Friday, August 18 beginning at 7:30 p.m. Doors will open at 6:45 p.m. to meet and greet with Brian & Danny, and, of course, enjoy a glass of wine or beer. No-host bar will be available. The cost for this fun evening is only \$8 per person. No reserved seating! Registration is at the Community Resource Center, Building B.

Home Studios Art Tour Contracts due July 14

Villagers are going to have their own Home Studio Art Tour, modeled on the Silicon Valley Open Studios. The date for the event is Saturday, August 26, from 10 a.m. to 3 p.m.

Each May, around 300 artists open their home studios for the Silicon Valley Open Studios tour. Since Villages artists could not open their home studios for this art tour, in 2007 Arts & Crafts designed their own within-the-gates art tour of home studios. Many artists and crafters showed their workspaces and works-in-progress as well as selling to visitors. The last such tour we sponsored was in 2011. Now the once-defunct event is blooming again.

Those who wish to have their home studios listed on the map can get a contract online on our website www.villagesartsandcrafts.org on the page "Home Studio Art Tour," or from Monita Bowman, contracts chair. Contracts are due by July 14 to Monita.

Each participant will have her/his home designated on the Villages map with a description of the art or craft on display listed on the reverse side of the map. Villagers may get a map to plan which home studios to visit in August at the Art Room, in the Boutique and on the table next to the copier in Cribari Center.

Stay active with Jazzercise

By Barbara Tommaney

We know that exercise is good for us, but just what are the proven benefits. I'd like to tell you about a recent study that caught my eye. The participants were individuals at risk for falling because of poor balance, slow reaction time, and advanced age. All were aged 67 or older and two-thirds were female. Classes that focused on balance and coordination, muscle strength and aerobic capacity were set up. Each class began with 5 - 10 minutes of warmup that included stretching of the major muscle groups and ended with 10 minutes of cool down. The remaining 45 minutes of the hour long class included balance and coordination exercises, aerobic exercise and strengthening exercises using hand weights. All performed to popular music. At the end of the class it was found that participants were 40 percent less likely to fall and one-third less likely to suffer fall related injury compared with those who did not attend such classes. Coincidentally the study classes closely mirror those of Jazzercise. So stay safe and join us.

Jazzercise sessions are held Monday, Wednesday and Friday from 8:30 to 9:30 a.m. Normally we meet in the Cribari Auditorium but during the month of July, due to alterations being made at the auditorium, we will meet at Foothill Center and the Clubhouse. Class members will be notified of all schedule changes in advance and you can check The Villager's Calendar of Events page. Hopefully we'll be back at Cribari in August. We invite you to sample a free first lesson. After that, if you decide to join, the costs are modest, a full month of 13 classes costs only \$39. If you have questions please call Herito at 408-238-7511 or Kay at 408-223-7948.

You're invited to an XFINITY EXPERIENCE EVENT

We are excited about our partnership and look forward to serving you!

Hiking Club kicks off fundraising effort for hill lands improvement

Would you like to see more benches and picnic tables throughout the hills where you can rest and enjoy the views while hiking in The Villages?

Are you sometimes confused by the present trail signs and think "it sure would be nice if these signs were updated"?

Would you like to have the trail connecting the stable and upper garden improved to make it more user-friendly?

Well, if you answered "yes" to any of the above, we need your help. The Hiking Club, with assistance from the Evergreen Villages Foundation ("EVF"), is launching a fund drive to make these improvements. Our goal is to raise \$6,000.

If you would like to contribute to the fund, and you don't want a receipt for tax purposes, you can simply write a check payable to "Villages Hiking Club." If you would like a receipt for your donation for tax purposes, you will need to write a check payable to "Evergreen Valley Foundation," and be sure to note on the check that the donation is for "Hill Lands Improvement Fund." Drop off your donation in the Hiking Club mailbox (located across from the VMA office in Cribari Center) to Suzanne Pham's attention. *Please put your check in the big yellow envelope marked "Hill Lands Improvement Project."*

For more details please call Wate Bakker at 408-223-2190.

By Cy Axelrad

We invite you all to attend our Study Group Showcase '17. This will include new and current study groups, all covering great areas of learning. We will have a great luncheon with our very important speaker Dr. Larry Gerston, a political science professor at San Jose State University.

He will share his views about "The First Year of the Trump Administration: The Good, the Bad and the Ugly." This presentation will be held Wednesday, Sept. 13, at 11 a.m. in the Fairway Room.

Did I forget to tell you about the amazing menu? The appetizer is a splendid Caesar Salad and the dessert is Apple Pie ala Mode (How American can we get?). First on the menu is Barbecued Chicken Breast with Potato Salad and Fresh Fruit. The second selection is Yankee Pot Roast, Mashed Potatoes, and Mixed Vegetables. Finally, a Trio Salad, Tuna, and Chicken, and Egg Salad Greens with Vegetable Garnish.

Please make a selection and send a check for \$35 payable to Brandeis (BNC) to Ms. Janet Atkins, 77 Kilmarnok Dr, San Jose CA 95135. You may also charge your home number. If you have any questions, please call Janet Atkins at 1-408-270-6127 or Mindy Frankel at 1-408-504-1910.

New Villages Pickleball Courts—you can help!

Pickleball is the fastest growing sport in the country for seniors and our community needs to keep pace with amenities offered at other active senior communities. The Villages Club Board has approved building four state of the art, shock absorbing pickleball courts on the eastern side of the "Village Green," near the front gate. The Pickleball Club is raising money to help defray the cost of the project and hopefully raise enough funds to pay for all the actual onsite paving of the courts. So far, the club has raised over \$50,000 in pledges and cash donations toward a goal of \$80,000.

Have you considered making a donation or a pledge? Your donation or pledge will enhance the desirability of living at the Villages and add to our home values; help establish a sport facility to promote vitality better health and longevity; be tax deductible when made through the EVF, to the extent allowed by law; be matched by The Evergreen Villages Foundation until we reach our goal of raising \$80,000; help our community save our capital improvement reserves to be used on other amenities; and help us keep our monthly assessments as low as possible.

While all donations are greatly appreciated, if you donate \$1,000 or more, you have the option of having your name engraved on a donor brick at the project site. (Five donors listed on each 16-inch square brick.) We have five brick donation categories: Bronze: \$1,000 - \$2,499; Silver: \$2,500 - \$4,999; Gold: \$5,000 - \$9,999; Platinum: \$10,000 - \$19,999; Diamond: \$20,000 or higher. We respect those who want their donations to be anonymous and we'll honor those requests by not including their names on a brick.

Help enhance the Villages active adult lifestyle and save our Villages capital improvement reserves. Take advantage of the matching donation from the Evergreen Villages Foundation.

We need and appreciate your help. Donate or pledge today!

COMMUNITY CHAPEL

By **Pastor Bill Hayden**

When things go awry we seldom say, "This is a good thing!" We don't always look on the bright side of things when we can't find a rational reason why it went wrong. It can be very frustrating when you are doing what you think is the right for the best results. If everything was done according to only what we thought, it may not be in our best interest. Sometimes we need to consider, with a multitude of counselors comes wisdom, however, it may not be the wisdom of God!

There are times when it's clear that we made the right decision based upon research and facts we have gathered. Well, sad to say, we are not all knowing, there is a lot to consider especially when it comes to the fallibility of human nature. When we receive, what we thought would satisfy our need, we then realize it was not what we thought we needed. We look at other people and sometimes we covet what they have and we may work tirelessly in pursuit of it. The harder we work at acquiring whatever it is, the more it sometimes eludes us because in God's wisdom achieving it could be detrimental to our life and perhaps others. So, let's not be frustrated with what we think or perceive a better opportunity, but consider what God has planned for us in our best interest.

My anchor and resolve is in this: "And we know that all things work together for good to those who love God, to those who are the called according to His purpose." Romans 8:28 New King James Version (NKJV)

Come and meet us Sunday at the Villages Community Chapel in Cribari Auditorium at 10 a.m. to be encouraged. The chapel is a place for needs to be met, faith to be affirmed and people to love. Coffee and refreshments will follow our service time. Please join us and we'll hold a door for you. See you this Sunday!

If you would like to make an appointment with Pastor Bill, please call the office at 408-238-3079. To learn more about the Villages Community Chapel visit our website at <http://www.villagescommunitychapel.org/>

SPORTS NEWS

SWINGERS

By Kathy Warren

There were 59 players for Tuesday, June 27th's Mix and Meet tournament. The weather was chillier than usual but after last week's heat wave I don't think anyone was complaining. The tournament was fun. Everyone got to play with partners with whom they don't usually play. Winners were announced at lunch and should appear with the sweeps winners in today's Villager. The winners can pick up their sweet rewards (M&Ms) from Caryl Swinyard before play on July 11. There were no chip-ins.

July 11 is going to be a busy day. Some of the players sponsored by our group for the Corena Green tournament will be joining us for golf and lunch. We raised \$893 at the Invitational Raffle to help fund the tournament—this is in addition to all the putt, sand and water quarters we collect during the year. The tournament will be held on July 25 at the Palo Alto Country Club.

Also on July 11 is a mini rules clinic with Scott and Hannah. This time they will cover lost ball, out of bounds and playing a provisional ball. The clinic will start at 8 a.m. and it will be held in the patio area by the Pro Shop.

Other upcoming events:

July 10 - Board Meeting – Vineyard Center

July 11 - Captain's Trophy

July 18 - San Jose CC Invitational

July 28 - Twilight #3 - 5 p.m.

18-HOLE WOMEN

By Phyllis Mueller

They say good things come in threes! In our case better things came in our recent three-occasion party.

First was the hole in one celebration. Asako Nakamura, Willie Crosslin and Susie Daughtrey shared the honors with each receiving a hat clip and gift card. Two of these magic happenings were on Hole #4 and the other Hole #11. All these ladies have done this before and I am sure would like to do it again! Connie Guttadaura arranged pourers and helped with decorations.

The second celebration was for the Village Challenge winners PEGASUS. Eighteen fierce competitors made up this team and wore bright green shirts visible for miles. Peg Bougopoulos was the Captain of this team.

Third was a bridal gala honoring Hannah Summerhays' recent marriage. Diana Hallock coordinated the lavender-pink theme with a cupcake tree of the same colors. Guests also wore similar colors.

Three Chip-ins from: Vivian Brown, Sumi Minami and Barbara Travis. Birdies: Helen Varenkamp and Jane Ruona.

Hole In One Winners Asako Nakamura, Willie Crosslin and Sue Daughtrey.

Village Challenge Winners – Team Pegasus! Bottom row: Diana Hallock, Annie Bassford, Captain Peg Bougopoulos, Dottie Beardsley. Second Row: Phyllis Mueller, Doris Herdman, Susan Dooley. Third Row: Lyn Strong, Vivian Brown, Frances Pettit, Mary Jo Lyons. Top Row: Jan Kiernan, Paulette Wrightson, Karen Davidson, Bonnie Hagen. Missing members: Geri Wilk, Inge McQuiddy, Kitty Ohtaka.

SHONIS

There were 24 members out on our course on June 27 but just one of us caught a birdie. Good for you, Maggie Winters, on Hole #5. Our heat wave was temporarily over so evidently many of us were away traveling to some exotic places. Speaking of which, what fun to see the picture in the Villager of Kacy Walden and her husband in Iceland! That sounds really special.

The Clyne Soley Tournament went well on June 24. Joan Needham won first place for the Shonis with a net score of 20. Other Shoni winners were Sheryl Driskell and Marcia Hembree. Eight players formed two, four-person teams and played against each other to add a little something extra to the individual competition. Shonis Vivian Wilczak, Barbara Karayn, Joan Needham, and Sheryl Driskell were the Black and White team. Shonis Teddy Morse, Kacy Walden, and Marcia Hembree were joined by Swinger Kathy Warren calling themselves the Sunflower team. The Sunflowers won by 3 strokes with a score of 28. They have been challenged to a rematch to be played on July 13. Thanks for that info, Teddy.

See you all out on the course on July 11, if not before.

PICKLEBALL

By Anahid Gregg

We've had great attendance at drop-in pickleball on Wednesday and Fridays (thank you, Mike Walias!). Drop-in starts at 1 p.m. for true beginners who are just learning to play, and then moves to completely open play at 1:30 p.m. Remember, all equipment needed to play (other than your non-marking court shoes!) is provided, so you can try out pickleball at no cost!

Once you start playing and join our mailing list, we'll provide information on equipment, including quieter paddles. Once we have our own courts, only paddles on the Sun City approved Pickleball paddle list can be used. So—it's best to buy the correct paddle now!

The most frequently asked question is how soon we'll have those courts of our own. The project is being actively worked on, with both a Court Committee and a Fund Raising Committee working diligently to make our dream a reality.

Having our own courts only enhances the real estate attraction and desirability of living at the Villages Golf & Country Club. As pickleball is the largest growing sport in the country, more and more seniors are looking for places to live with facilities for play.

Already, we've been asked to participate in tournaments with other communities and clubs, and we pick up new members each time new resident orientation is held. If you haven't tried playing yet, come down and meet some of the friendliest Villagers living in our wonderful community!

PINSEEKERS

By Jack Bindon

There was some good golf this Tuesday, and I have it on good witnesses that *all* putts were counted. **Here are your winners:** (Martin is on a roll!)

Tie 1st. Martin Hoek with an even better 30 this week

Tie 1st. William Santos with an equally fine 30

2nd. Dick Frey close behind with a nice 31

3rd. John Eige not far behind with a 33 (nice save in 18)

4th. Phillip Robinson still in the money with a 34

The weather was a bit cool to start but it warmed up near the end of our 9 holes.

Nothing new from the Pro Shop regarding a new set of "Local Rules." I'll keep you all informed. Also, by now you should know that we will not have a Pinseekers round next Tuesday since it will be the 4th of July. Open tee times will be in effect.

I will have more materials on the Posting room wall soon (when I get my wireless printer to listen to my computer).

TENNIS TALK

By George Beck

We have many new members in our Tennis Club. Following are a few tips on etiquette and courtesy on the tennis court gleaned from knowledgeable coaches and players that *all* members may find useful:

The server should call the score prior to every serve. If you have played tennis in The Villages for at least a week, you have heard more than one discussion over the game score. We also know that senior moments are a way of life here. Help yourself, your partner and your opponents by the simple act of calling out the score.

When receiving serve and the service is **obviously** a fault, **don't return it**. If it's close, returning it is a natural, reflexive action. However, when it misses by a couple of feet and it is returned with gusto, the ensuing action of the ball bouncing around the court delays play and, it could be argued, takes the server out of his/her rhythm. If it is physically not possible for one to keep from doing this, it is suggested that the server be offered the courtesy of two additional serves.

Keep all 3 balls in play. This does not mean the server must hold all three balls. Nor does it mean that play should be delayed to pick up a stray ball if the server already has two. However, if the server has one ball and the other two are elsewhere on the court, all players should be responsible for picking them up. This is more than an act of civility. Keeping all 3 balls in play in logical rotation ensures an even wear in the life of the balls and a more predictable action when it is hit properly.

Noise – Having fun is, or should be, the primary reason we play this game. Limited conversation during changeovers and even a few "needles" during recreational play are part of Villages tennis. Partners' talking to each other, while a point is being played is not only acceptable but also recommended. Communication during play is a good thing! This all comes down to adult behavior. Just make sure your enjoyment isn't affecting the folks on the next court. And the folks on the next court should keep in mind that we don't play in a vacuum. If the decibel level **occasionally** exceeds the norm, deal with it! This isn't Wimbledon.

IRONMEN

By Don Bookwalter

June 29 was a warm morning to play golf! Thirteen players signed in this morning.

Our Net Sweeps Winners this week:

Ron Munz and David Hathaway were first with a 25.

John Arnold, Jerry Weltzin and Don Bookwalter tied for second with a 27.

Five Birdies were shot today:

Tom Rossi on Hole 7.

David Hathaway on Holes 3 and 8.

Jim Crownover on Hole 9.

John Arnold on Hole 9.

Story for the day: On his way home from drinks at the Country Club, a man is stopped by a traffic cop who tells him he's too drunk to drive. "Too drunk to drive?" says the man. "I can barely putt."

Practice Chipping Greens: We have received numerous reports that the practice chipping areas are not being kept properly. We have two wonderful short game areas adjacent to the driving range and on Hole #13 tee. When using these practice areas we appreciate the following upkeep: please fill your divots, please fix your ball marks on the green, please rake the

bunkers and replace the rakes, and please discard trash in the receptacles provided...These simple things will help make the practice experience a good one for all Villagers! Thank you!

Golf Course Maintenance: An update on the algae on the lake on #6 & #7...

We recently applied a trial amount of a product called Amazing Dave's, which is a hydrogen peroxide based product that has shown success with similar lake algae.

The trial showed moderate success so we are purchasing more for application. We will also drag the lake as necessary. We are also looking into fountains and an underwater circulatory system as churning the water helps alleviate the stagnant algae growth as well. We hope these multiple solutions in combination will abate the algae. Time will tell. We appreciate your patience and understanding.

The re-landscaping of the area surrounding the new pump station behind #6 tee will be done on July 8. We hope to have this area completely re-sodded and landscaped by the end of this week.

The Board approved the removal of a number of dead trees from the golf course. This process will continue through the second week in July. Please be safe near the tree removal areas. We are also evaluating and will be trimming those trees that are overgrown.

Tips from the Pro: Newer is Better!

The golf industry has changed a lot over the years. The changes in equipment, courses and apparel have all happened so fast it's hard to keep up. But the bottom line is these changes are all positive and help better the game of golf and make it more fun for the average golfer. The changes in golf equipment are probably the most drastic. With computer based R&D, these golf companies are continually modifying their product to allow for better and easier performance. If you are one of those with 10-year-old clubs and golf balls saying "Aww heck it doesn't matter...it's not the bow and arrow, it's the Indian using it" or "I'm no good anyway, new equipment won't help"...well you are wrong. New and modern equipment will help you, and will make the game more fun, I guarantee it! Modern irons are sleeker with more game improvement aspects like a lower center of gravity and clubfaces that flex as well as consistent performance of heel and toe mishits. Modern woods have larger heads and more trampoline effect and now launch the ball higher with less side spin, so they not only go further, they go straighter. And obviously the modern golf ball is much more elastic and not only goes further, but lasts much longer. As I see members' bags and equipment around the clubhouse, I see a lot of old equipment that could and should be replaced. So a tip... date your equipment...anything more than 6-10 years old should be replaced for your maximum performance and enjoyment. Please see us in the golf shop, we'd be glad to help date and evaluate your set.

Turf Rejuvenation Program continues

In October, the Association Board approved a community wide turf rejuvenation program at a cost of \$198,383. The work entails slit-seeding (a planting process) roughly 30 acres of common area with Tall Fescue grass. This work is the second part of a two-part project intended to fill in community turf areas that have either died, or have become infested with noxious grasses or weeds, over time due to the most recent drought period.

The first step of the preparation process for a slit-seeding program like this is to kill all the weeds and noxious grasses (in all 30 acres). Round Up will be used to achieve the objective (signs and notices will be posted). This means that many turf areas in the community will brown out, and they will stay that way for a couple of weeks before the seeding process can take place. Even then, please remember that it will take time for the grass to grow in, so areas will look sparse for a couple of months. (Mowing and day watering schedules will be adjusted accordingly.)

Welcome to another installment of : **Along the Way—a trip down Memory Lane** with your guide to days gone by, Tom Zades. Join Tom every other week as he takes a retrospective glance into our collective memory. (Tom can be reached at: tzades@sbcglobal.net)

When I joined a CPA firm in San Jose in 1973, they had an annual "Golf Day" for the male staff. The few women professionals were encouraged to join the administrative staff (all women) on a shopping trip to San Francisco. It took a few more years and additional female professionals before the office managing partner conceded that, indeed, "times they were a-changin'" and that the women needed to be included in Golf Day.

Attendees were free to choose among golf, tennis, swimming pool or "none of the above," followed by a nice dinner. Some of the non-golfing women had a blast driving the electric carts around in their shorts and halter tops, bringing cold beer and soft drinks to the players all over the course. There were hoots of delight at the sight of the girls - thinly disguised as delight at the sight of the refreshments. Times they were a-changin', alright, but some things never change!

A few years later the managing partner agreed that his membership in a "Men Only" business/luncheon club was sending the wrong message, too.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

Donna Hale and a longtime hiking friend, Dawne, from Washington state (holding the camera) spent eight days last summer hiking the tops of Blackcomb and Whistler Mountains in British Columbia. In past years they have also hiked in Banff and Jasper National Parks in Alberta and Glacier and Mount Rainier National Parks in the U.S. They had such a great time they intend to return to Whistler in two years.

Contract: 1 NoTrump by South
Opening Lead: 2 of Hearts

Dealer has 1 or 2 winners in Hearts, 1 or more in Diamonds and 2 or more winners in Clubs.
Strategy: Try to get two winners in Diamonds while still having controls in the other suits and then run the Clubs.

West leads the two of Hearts, South, the Jack, switches to a Diamond, wins with the Ace in his hand, then plays a Diamond, and West takes the trick with the King. He leads a Spade, East wins with the King, leads a Heart, South covers with the Ace, switches to a Diamond to the Queen on the board, follows with the Ace of Clubs, plays the 8 of Clubs, finesses the Jack, continues with the King, and then leads the thirteenth Club. South now plays a Spade, West takes the trick with the Jack, then leads the King of Hearts, continues with his last card, the good 10 of Hearts. Great. The contract is made with an extra trick. By the way, South's bid of 1 NoTrump shows 12 – 14 HCP and 11 HCP is not enough points for responder to raise to game; especially, when 7 HCP are Queens and a Jack.

BOCCE BEAT

By Elly Burnett

First and foremost, last week, the Spring Round Robin Tournament was completed. We now have a champion team, “The Tornados,” led by Captain Karen Honaker! Both “Nacho Average Team” who came in second place & “The Tornados” fought hard for that first place position. Excellent playing from both sides made a very exciting game. Everyone was on the edge of their seats cheering on their favorites. Congratulations, Tornados!

Coming next, beginning July 10, is the very popular Guys vs. Gals Tournament. Bob Goodwin (408-532-0470), coordinator for this particular tournament, can be reached in the event that you haven’t signed up, and maybe you will get lucky and he’ll find a place for you. This tournament is now in its third year. Originators of this event were Michael and Susan Sunzeri who have always been very active, for many years, on the Bocce Club board until this past year when they decided to take some time off. However they do still referee, take part as team captains, etc., play and compete in tournaments and are very present on the courts...

The Friday Bocce Bash still takes place at 4 p.m., and since the weather is so beautiful the courts are very comfortable with a slight breeze and warmth from the sun peeking in from the surrounding trees. We also have large umbrellas and spectators seating. Nothing new this week regarding the players benches.

If you are planning an event in/near the Gazebo, which includes use of the bocce courts, remember to call Court Manager Paul Andersen at 530-613-3057 to set that up in advance.

See you at the courts.

Champion Team – The Tornados (left to right): Bob Byron, Ronnie Byron, Adam Boyarski, Linda Planting, Jana King, Bob Iacopi, Barbara Orlando, Captain Karen Honaker.

Second Place Team – Nacho Average Team (left to right): Captain Tony Orlando, Sandy Fernandez, Yves Toussaint, Jeanne Anne Whitacre, Renee Woolard, Gloria Fernandez, Margaret Richardson.

Clyne Soley Tournament—what a day!

By Meg Rogers and David Cook

Saturday, June 24 was a great day for golf on the Par 3 course, just perfect after all the hot weather recently. We achieved our goals of promoting more play on the Par 3 course, recognizing a pioneer in golf at the Villages on our 50th Anniversary, and having a fun day.

Elizabeth Johnson, daughter of Dr. Russell Clyne Soley, a gifted speaker, told us about her dad’s devotion to golf, improving the USGA handicapping system, and the early days at the Villages. She attended the reception with her husband Stephen and contributed Dr. Soley’s book on putting to the Villages Library.

We would like to thank the many volunteers that helped with signups and a special thank you to Hannah Summerhays, our Club Pro for the tournament arrangements and the awards ceremony, David Hathaway for his excellent photography, and Jim Crownover for conceiving of the tournament, getting the preparations rolling, and liaising with the Soley family. We would also like to thank Albert Salcedo and John Yu for our great food and service at the reception, and Ruth DePonzi and Mary Tatum for all their support on banners and AV arrangements.

For those interesting in playing regularly on the Par 3 course, the women’s Par 3 club, the Shonis, meet every Tuesday morning for check-in at 8:30-9:10 a.m. and play at 9:30 a.m., and the men’s Par 3 club, the Ironmen, meet every Thursday morning for check-in at 8:45-9:15 a.m. and play at 9:30 a.m. For more information contact: Shonis - Meg Rogers (408-323-8698); Ironmen – Jim Crownover (408- 270-6966) or David Cook (408-835-6946)
