## PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

4 Pulse letters received this week.

1 Pulse letters not meeting Pulse Letter Guidelines.

I, among my neighbors, would like to know what it takes to get our grass, shrubs, and trees properly maintained. Due to the fact our homes are located in the far back, bumped up next to the private homes on the other side of the hedges, and out of public view, we feel ignored and neglected when it comes to maintenance and landscaping. I'd like to propose that landscaping dept. will re-seed or do whatever it takes to get our grass growing properly. Our visitors have mentioned the fact that due to our enormous HOA fees we should have service take care of this area. I haven't called because I don't get satisfactory results. Therefore, I've decided to write this letter for those of us who want something done. We do realize how very busy the Maintenance/Landscaping people are. However don't we count too? I personally would very much appreciate it if you would take action.

—Cribari Bend residents Julia Rencher, Prakash Deshmukh, Lorraine Smith and Jackie Lindzy

Villagers are well served by our EPC volunteers who continually provide important guidelines for Villages' residents in case of emergencies, such as an earthquake. A friend in Amarillo has had to evacuate her home more than once due to fire threats and she gave me a list of critical items she keeps ready to grab quickly. I'm sharing highlights (a few new ideas for me):

- Obvious: Clothes (change of clothes for everyone, shoes, jacket, underwear, etc.), flashlights and emergency food.
  - Critical: Medications (for several days) & copy of prescriptions, medical records including doctors' contact info.
  - Financial: estate documents including Advance Health Care Directive, checkbooks/financial records (zip drives ?), copies of property tax forms, property deed, vehicle title, latest tax return, PG&E/phone bill for proof of residence address.
  - Insurance documents (personal, property, vehicle).
  - Home and car keys (may leave car keys if car isn't being moved).
  - CURRENT contact info for family/friends.
  - Important documents, photos, precious mementos.
- Let's hope we'll never have to evacuate our lovely homes here.

—Vera Buescher

I attended the penultimate "box swap" event. Well, I am here to warn you: check your monthly bill carefully.

I could not have been clearer that I only wanted the services that came free with what I already paid through The Villages. I was assured that there would be no charges related to this box swap. Lo and behold, I was sent an email charging my account \$70.00 for the "upgrade of service".

It took me three phone calls until I was able to speak with a representative that had the knowledge on how to revert the charges. It was utterly ridiculous and an abuse from Comcast to have taken advantage—once again—of our good faith.

I am here to warn you to check your bill and be a nice neighbor, some of our Villagers do not read their bills, help them locate those charges in their bills and fight to have them reverted.

I read the "caveat" in the advertisements that if a charge appeared on the bill it would revert the following month but, I was also told, "to my face", that I would not be charged, who can trust this experience?

—Alejandra Gutierrez

## Attention Pulse authors!

When you write your Pulse letters, don't forget to:

- Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.
  - Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.
  - Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.
  - Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)
- Forgetting to follow the Pulse guidelines may result in your letter being delayed.

**Note:** The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

# BOARDS & COMMITTEES

## A MESSAGE FROM COMMUNITY STANDARDS Regarding the Annual Random Smoke and Carbon Monoxide and Insurance Certification

By Maria Hernandez

Once again it's that time of the year that I have to start the Annual Random Smoke and Carbon Monoxide and Insurance certification verification from Association members/residents per the Association CC&Rs and Board Policy APo 408 and Procedure APr 408 (Smoke Detector Installation, Maintenance, Repair and Replacement) and the Association CC&Rs and Board Policy APo 409 and Procedure APr 409 (Home Owner & Resident Insurance Requirements and Verification)

In August, you will receive a lavender notice requesting that you contact me at your earliest convenience so we can schedule an appointment for the Smoke and Carbon Monoxide inspection as well as to provide a copy of your current insurance policy certificate (coverage page or declaration), which provides the information below.

Insurance Required:

Owners - Property and Liability insurance is commonly referred to as HO6.

1. General liability coverage must be maintained in an amount of not less than \$300,000.
2. Property damage insurance covering the contents and personal property within the condominium in an amount deemed appropriate by the owner.
3. Loss assessment coverage must be maintained in an amount equal to or greater than the amount of the deduction under the hazard insurance policy carried by the Association (currently \$5,000).

Renters - Property and Liability insurance is commonly referred to as HO4.

1. General liability coverage must be maintained in an amount of not less than \$300,000.
2. Property damage insurance covering the personal property within the condominium in an amount deemed appropriate by the renter.

A 30-day period in which to submit the required documentation will be provided.

Owners and renters can also request that their Insurance Company forward a copy of the updated Insurance Certificate when issued or renewed. A copy of the declaration page from the policy is also acceptable as proof of insurance as long as it shows all of the requirements.

This is a mandatory procedure required by the Association's governing documents. It is for each resident's protection to have the correct amount of Property and Liability coverage. If you have any questions regarding this procedure please contact me at mehernandez@the-villages.com or by telephone at 408-754-1353. Thank you for your continued support and cooperation to keep your Community a beautiful and safe place to live.

## FOUNDATION FOCUS

### Why donate to the Evergreen Villages Foundation?

By Beth DeVincenzi

What is it you want to know before you donate to any organization? Generally, you want to know their goals, their mission, how they operate, and if they are fiscally responsible. You want to know that their goals align with your goals. And you want to know what they have achieved.

Our Mission statement for the Evergreen Villages Foundation is "The Evergreen Villages Foundation supports capital improvements to build a better community." We work with Villages Clubs and individual Villagers on projects that they would like to see implemented. We want to fund projects that provide a lasting improvement and that touch the lives of many Villagers. If you visit our website at EVFSJ.org, you can review all our projects and decide for yourself if you feel that they have enhanced our Villages Community.

Our operations are guided by our Board, which consists of dedicated Villager volunteers. You know many of them. Vivian Brown is our President, Maxine Amundson is our Vice-President. Ed DeJong is our CFO, Ron Gridley our Treasurer. Other members are Morton Cordell, Beth DeVincenzi, Diana Hallock, Carole Begley, and Julie Sherman. You can be reassured that the organization is led by a group of caring and dedicated Villagers.

As far as fiscally responsibility, you can be reassured that *all* the money that you donate will be used to fund projects; none is diverted to salaries or administrative expenses. This is because our Board Members have pledged to give enough funds to cover all administrative expenses. This is unusual in the world of non-profits where it is usual that some of your donation will be used to cover administrative expenses. And if you designate a particular project like the Pickleball Courts or the Tennis Club Patio retrofit, your funds will only be used for that project. Because we are a 501(c)(3), we file annual reports with the State of California, which can be reviewed online with our EIN #26-0867021.

We hope when you consider all of this, you will join the many Villagers who donate generously to the Foundation.

## Association/Homeowners documents available via e-mail

By Julia Meadows

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs that run about \$8,000.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to delivery electronically, of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

For more information, call Julia Meadows at 223-4634.

**Deadline for editorial materials is the Thursday before the date of publication. If your notice is late, please call Kory at The Villager copy desk at 408-408-754-1341 to arrange for space to be available. You may e-mail your copy to: [ktran@the-villages.com](mailto:ktran@the-villages.com)**

## HI NEIGHBOR

Please help us welcome **Linda and Bill Hackel**, who moved to Village del Lago last summer. The two first met in Southern California and next year will be their Golden Anniversary. Linda was born in San Pedro, CA and is a retired teacher. In her spare time she enjoys reading, gardening, and watercolor painting. Bill, a San Jose native, studied meteorology at San Jose State University and had a 30-year career with the National Weather Service. His interests include physical science (mainly weather and space exploration), woodworking, weather forecasting, astronomy and gardening. Together they have three children and six grandchildren.

Please say hi to **Suzanne and Wayne Buck**, who have lived in Montgomery Village a little over a year. They married during high school, having both attended Campbell High School and San Jose State University (Wayne also attended Stanford and the Washington University School of Medicine in St. Louis). Wayne has been involved with the Navy for 33 years, having been a Navy flight surgeon and progressing to Captain and CO of Medical Facilities. The Bucks have three children, eight grandchildren and 11 great-grandchildren. In their spare time, they love to travel—and they have extensively, having visited 101 countries and all continents except Antarctica!

## SENIOR RESOURCE SERVICES

### Running out of funds, Part 2

"I thought I had planned ahead, but I'm almost out of money. What can I do?" A Villager occasionally asks SRS this question. Last week we considered assets other than one's owned residence. This week we address the question, "How can I use my real estate investment for living expenses?" To keep it simple, we will presume that the homeowner is single and has no mortgage. There are too many possibilities to list them all. Here are some suggestions.

Example #1: Many condos and houses have two bedrooms and two baths. The Villager may rent the extra bedroom and bath. Realtors inform us that room rents are usually between \$750 and \$850 a month plus half of the utilities, depending on the size of the room, privacy, laundry facilities, and availability of parking. This monthly rental income covers The Villages monthly assessment for many owners.

Example #2: A reverse mortgage is another possibility. All current SRS volunteers have received some training in reverse mortgages. The resource volunteer will give you:

- A computer printout of a FHA-insured reverse mortgage taking monthly payments. This printout will also detail the fees.
- A list of brokers and lenders who have obtained reverse mortgages for Villagers.
- An outline from a presentation on Reverse Mortgages.

When you purchased your first home and borrowed on a 25-year mortgage, you paid fees. Those fees did not seem all that high because you divided them by 25 years and viewed them as an annual cost. Just as there were fees when you obtained a traditional mortgage, there are fees that are paid immediately from the reverse mortgage proceeds. Because of the upfront costs of a reverse mortgage, most financial advisers suggest reverse mortgages don't make sense if you suspect you will not remain in your home at least another five years.

Example #3: A woman sold her condo in Olivas for \$800,000. She purchased a condo in Cribari for \$400,000. After paying selling expenses and moving expenses, she still had \$320,000 to invest for earnings and use the earnings and the principal as needed for her living.

Example #4: A man sold his condo in Cribari for \$425,000. Using the "New Lifestyles" booklet the SRS volunteer gave him, he toured retirement apartments and was amazed at the beautiful apartments available. He selected one with transportation and dining rather than with amenities he doesn't use. After selling and moving expenses, he had \$380,000 to add to his Social Security. He's optimistic about his economic future.

Example #5: A woman sold her condo in Montgomery for \$595,000 and rented a unit in Cribari for \$2,600 a month. After selling and moving expenses, she invested \$535,000 in a conservative income fund earning 3 to 4 percent. She no longer has property taxes and association fees to pay.

Many Villagers are resistant to change. SRS stresses the importance of consulting members of your family and professional advisers before you make major decisions. You once saved for your future; you are now in that future. Start using your savings. As our name implies, Senior Resource Services wants you to understand you have resources. SRS wants to help you understand the beneficial uses available to you in these resources.

A copy of both parts of this article is available from the SRS office.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.*

## Club Board's Three-Year Strategic Plan Development Workshop

Each year, the Club Board updates its Three-Year Strategic Plan. As part of that process a workshop is held to reach out to community leaders (Association, Homeowners' and Club committees) and those involved with the leadership of social organizations to gain their input and insight with regard to the update of the plan. This year's workshop is scheduled for Monday, August 21, at 9:30 a.m. at the Clubhouse.

The Club Board has decided that 30 members in general (those who do not serve on committees or clubs) will be invited to the workshop. If you are interested in participating in this annual activity, please RSVP to the General Manager's office at 408-223-4634 or jmeadows@the-villages.com no later than Thursday, August 17.

The existing Club's Three-Year Strategic Plan can be accessed on The Villages website, <http://www.thevillagesgcc.com> (select Resident Info, Governance, The Villages Golf and Country Club, Three-Year Strategic Plan).

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks and lunch, and always wear layered clothing appropriate to the current weather; hats and sunscreen are also recommended.

**Saturday, July 22:** Oakland Bay Bridge Hike. Rich Bainbridge (408-960-8335) and Wendy Ledamun will lead a hike along the Bay Bridge Bicycle/Pedestrian Path that runs along the eastern span of the San Francisco-Oakland Bay Bridge to the newly opened Vista Point on Yerba Buena Island. The Vista Point offers sweeping views of the East Span of the Bay Bridge, San Francisco Bay and Oakland. From there, we will take the free shuttle to the Avenue of the Palms on Treasure Island. We'll proceed on foot to 13th Street where we'll have lunch at the Aracely Cafe (<https://www.aracelysf.com/>). We'll hop the shuttle for the trip back to the Vista Point after lunch and head back to Oakland. Bring water and dress in layers. The path is 4.5 miles r/t. Round trip by car is approximately 100 miles.

**Wednesday, July 26 (Rambler Hike):** Sy Gelman (408-532-1239) will lead a hike on the Los Alamitos Trail. Following the Los Alamitos creek and starting at Almaden Lake Park the trail is primarily flat and mostly paved trail. Estimated mileage is about 4-5 miles. Afterwards, lunch at a local restaurant is an option. Meet at Cribari at 8:30 a.m. Round trip auto mileage is around 25 miles.

**Saturday, July 29:** Mount Madonna County Park. The long hikers will hike about 8 miles on various trails with 1000-ft elevation gain through the Redwoods led by Nancy Rumble at 408-238-7535. The Ramblers can hike 4-5 miles with a leader chosen by the participants. We will also visit the white fallow deer herd in the park. Bring lunch, water and sticks. Wear boots and layers. This is about a 60 mile round trip drive.

**Wednesday, August 2 (Rambler):** Johanna Bakker (408-223-2190) will lead a hike through the redwoods at Montalvo in Saratoga. We will end up at the lookout for a view of the valley. Bring water and a snack. We can add lunch in Saratoga at one of the many restaurants. Because of rush hour, we will go via Blossom Hill Road, all the way to Los Gatos and from there to Saratoga; that should work well, especially now that the schools are out. Johanna will have directions if needed, so we will meet at 8:30 as usual.

**Saturday, August 5:** Wate and Johanna Bakker (408-223 2190) will lead an urban hike in San Francisco. We will start at the Embarcadero, have coffee at El Fornaio and climb up the steps to the Coit Tower (with rest stops) and from there stroll to Chinatown for lunch. We will return to the waterfront, visiting some gardens on the way. The hike will be 4-5 miles with 400-500-ft elevation gain and is suitable for both Ramblers and Long Hikers. Dress in layers and bring water. Car round-trip mileage is about 110.

Like fine wine tasting venues elsewhere, our bartenders have wine pour samples on the counter to ensure accurate amounts for both sizes. Salut!

## FROM THE BOOKSHELF

By Elizabeth Benson

**“Transit” by Rachel Cusk:** In the wake of her family’s collapse, a writer and her two young sons move to London. This upheaval is the catalyst for a number of transitions—personal, moral, artistic, and practical—as she endeavors to construct a new reality for herself and her children. Filtered through the impersonal gaze of its keenly intelligent protagonist, “Transit” delves deeper into the themes first raised in Cusk’s critically acclaimed novel Outline, and captures with unsettling restraint and honesty the longing to both inhabit and flee one’s life. Fiction. 2016. Large Print

**“Apprentice In Death” by J.D. Robb:** The shots came quickly, silently, and with deadly accuracy: three people dead at Central Park’s ice-skating rink. When Eve Dallas of the NYPSD reviews security videos, they reveal that the victims were killed with a practical laser rifle fired by a sniper who could have been miles away. But the number of people with that particular skill set is finite: police, military, professional killers. Eve’s husband, Roarke, has unlimited resources at his disposal. When his computer program leads Eve to the sniper location, she learns there were two—one older, one younger. Someone is being trained by an expert in the science of killing, and Central Park was just a warm-up. Mystery. 2016. Large Print

**“Commonwealth” by Ann Patchett:** Spanning five decades, this book explores how a chance encounter reverberates through the lives of the four parents and six children involved. Spending summers together in Virginia, the Keating and Cousins children forge a lasting bond based on a shared disillusionment with their parents. When, in her 20s, Franny begins an affair with the legendary author Leon Posen, the story of her siblings is no longer hers to control. Their childhood becomes the basis for his wildly successful book, ultimately forcing them to come to terms with the deeply loyal connection they feel for one another. Told with equal measure of humor and heartbreak, this is a tender tale of the far-reaching ties of love and responsibility that bind us together. Fiction. 2016. Large Print

**“Heartbreak Hotel” by Jonathan Kellerman:** At nearly 100 years old, Thalia Mars is a far cry from the patients that child psychologist Alex Delaware normally treats. But the charming witty woman convinces Alex to meet with her in a suite at the Aventura, a luxury hotel with a checkered history. What Thalia wants from Alex are answers to unsettling questions—about guilt, patterns of criminal behavior, victim selection. When Alex asks the reason for her morbid fascination, Thalia promises to tell all during their next session. But when Alex shows up the following morning, he is met with silence: Thalia is dead in her room. When questions arise about how Thalia perished, Alex and homicide detective Milo Sturgis must peel back the layers of a fascinating but elusive woman’s life and embark on one of the most baffling investigations either of them has ever experienced. For Thalia Mars is a victim like no other, an enigma who harbored nearly a century of secrets and whose life and death draw those around her into a vortex of violence. Mystery. 2017. Large Print

## Grazie! Your biscotti, brownies and cookies were magnifico!

By Pam McCarthy

Ciao! The Cannoli Cookie sale was a fantastic success! The Italian Club would like to thank each of our 25 wonderful bakers for all 770 of their excellent biscotti, brownies, wedding cookies and all the requested famous cookies. Kathy Kyne is an outstanding co-chair and deserves a big ovation for organizing all of our bakers, communicating everything with them and being so supportive on the day of the sale. Thank you, Kathy!

Bob Iacopi’s wonderful Cannoli stuffing of ricotta, marscapone and fruit left our customers begging for more even though we had 168 Cannoli shells to sell. Our six favoloso Cannoli stuffers and 12 magnificent Bellas welcomed all visitors who came by our colorful and energetic booth to share in our bounty. Thank you to our team of cashiers and the all important clean up crew. The whole event was so much fun because of all of you! It was successful because you gave so generously of your talent and precious time.

Next year we will return to our usual 244 cannoli and 1400 cookies. De Grazie sinceramente! Ciao and Arrivederci!

## Phil Prescott Tennis Tournament donates to the VMA

The yearly Phil Prescott Tennis Tournament is in honor of former Villager and active member of the Tennis Club Phil Prescott. The Villages Medical Auxiliary (VMA) is a charity that was close to Prescott’s heart, thus the Tennis Club holds the Phil Prescott Tournament each year with participants paying a fee to play in the tournament as a donation to the VMA.

Prescott’s dedication to the Tennis Club and the VMA is a heart-warming story. As the story is told by the Tennis Club’s Mitzi Macon and George Beck, in 1997 Prescott challenged Tennis Club members to raise funds for construction of courts 5 and 6. He offered to match any contribution up to \$30,000 in order to make this happen. The Tennis Club raised \$36,000 in less than two weeks.

As Beck wrote, “the entire project, which benefits all Villagers, was made possible by one man’s love of tennis, love for the Villages and his profound generosity.” Tennis courts 5 and 6 were dedicated in 1998.

Prescott no longer resides at the Villages, but his legacy lives on through the use of the courts by Villagers and the assistance Villagers receive from the VMA. The VMA thanks the Tennis Club for its donation, as without donations, the VMA would not be able to provide free services and programs to Villagers. The VMA is not supported by your monthly assessment.

## Global Village: Finding Joy through Self Understanding

Our likes and dislikes make us different, interesting and unique. They show up in our behaviors and determine the choices we make. Yet, what do we know about our likes and dislikes? What can they teach us about ourselves and others? Some people remain calm while others react strongly to the same situation. What makes them behave so differently? How can we become less reactive and more joyful?

Come join the Global Village group for an interactive discussion led by Lynn Subramanian. Lynn is experienced in Leadership Development and a believer in lifelong learning.

We meet at the Patio Room on Wednesday, August 2 at 7 p.m. Dialogue will be facilitated by Surendra Bhagi.

**New Villages Pickleball Courts—you can help!**

Pickleball is the fastest growing sport in the country for seniors and our community needs to keep pace with amenities offered at other active senior communities. The Villages Club Board has approved building four state of the art, shock absorbing pickleball courts on the eastern side of the "Village Green," near the front gate. The Pickleball Club is raising money to help defray the cost of the project and hopefully raise enough funds to pay for all the actual onsite paving of the courts. So far, the club has raised over \$50,000 in pledges and cash donations toward a goal of \$80,000.

Have you considered making a donation or a pledge? Your donation or pledge will enhance the desirability of living at the Villages and add to our home values; help establish a sport facility to promote vitality better health and longevity; be tax deductible when made through the EVF, to the extent allowed by law; be matched by The Evergreen Villages Foundation until we reach our goal of raising \$80,000; help our community save our capital improvement reserves to be used on other amenities; and help us keep our monthly assessments as low as possible.

While all donations are greatly appreciated, if you donate \$1,000 or more, you have the option of having your name engraved on a donor brick at the project site. (Five donors listed on each 16-inch square brick.) We have five brick donation categories: Bronze: \$1,000 - \$2,499; Silver: \$2,500 - \$4,999; Gold: \$5,000 - \$9,999; Platinum: \$10,000 - \$19,999; Diamond: \$20,000 or higher. We respect those who want their donations to be anonymous and we'll honor those requests by not including their names on a brick.

Help enhance the Villages active adult lifestyle and save our Villages capital improvement reserves. Take advantage of the matching donation from the Evergreen Villages Foundation.

We need and appreciate your help. Donate or pledge today!

Friday night Shabbat Services will be held at 7:30 p.m. on July 21 at Foothill Center. The "Speakers" for this service will be several of our members doing a "Show and Tell" where they will be sharing either a piece of Jewish memorabilia or a discussion of their family roots. Each speaker will be given five minutes to tell their stories plus time for

questions. This is the first time we are doing this and our speakers are all enthusiastic about their presentations. Following the presentations we will have our usual Oneg Shabbat celebration.

All Villagers are welcome. If you are interested in joining The Villages Jewish Group, please contact Joyce Mendel at 408-238-7316.

## CATHOLIC COMMUNITY

The Catholic Community Board at the Villages meets the first Tuesday of every month. Our next meeting is August 2. We invite you to come join us and see what takes place. We would love to have some new people take an active role in our community. There is a board position that we need to fill next year. This is a good way to be part of stewardship. And even if you are not willing to take a board position we would still love to have you come. Your input is very important.

Remember we are continuing to collect nonperishable foods for those who are in need. Pick up a few extra items when you

go to the grocery store and bring them to church on Sunday morning. No donation is too small.

**There will be no Friday Masses in July** due to painting in the Cribari Conference room.

We have an 8:15 a.m. Mass every Sunday in the Cribari Auditorium. All are welcome.

## COMMUNITY CHAPEL

By Pastor Bill Hayden

Summer is one of the favorite times for couples to have outside weddings in the beauty of nature. My wife (Gloria) and I were married in June of 1968 and we weren't financially able to afford an over the top wedding. We came from large families and were blessed to attend college. We could not afford professional photographers and that should give you an idea of our status. My focus was not on what was missing but on the woman I desired to spend my entire life with.

Each day I would wake up and think... "I'm married and I have to take care of her." It was a dream that finally came true, my best friend and I together forever. The secret to our longevity other than our relationship with Christ has been our love to make each other happy. So we keep sharing funny stories applying the medicine of laughter. Life has its challenges and clashes to test where your relationship

with God and each other is. We have learned each other's strengths and weaknesses, which enables us to give grace and space when needed. We also decided to treat each other with respect and listen to each other's heart even when it may be unpleasant to hear.

Couples these days may disconnect over little things even though they made a binding covenant on their wedding day before God and their witnesses. You think about all of the thousands of dollars spent on the wedding and ceremony, allowing couples to express their love for each other. It may be that they had different expectations and were not willing to give each other space and grace to grow their love. All the extravagance means absolutely nothing when the promises are severed.

I understand that **love** covers all things! Each day that you are on the face of this earth whether you realize it or not **love**, i.e. GOD says, "I've

got you covered!" Real love covers a multitude of faults. When you say that you love someone, understand that you are really saying, "I've got you covered... faults, failures and imperfections." This is one of the keys to sustaining longevity in all marital relationships. Read I Corinthians 13 in your bibles, which is often quoted in the wedding ceremony.

Come and meet us Sunday at the Villages Community Chapel in Cribari Auditorium 10a.m. to be encouraged. The chapel is a place for needs to be met, faith to be affirmed and people to love. Coffee and refreshments may follow our service time the Auditorium is under construction during July. Please join us and we'll hold a door for you. See you this Sunday! We would love to meet you. If you would like to make an appointment with Pastor Bill please call the office at 408-238-3079. We continue celebrating 50 years at the Villages Golf and Country Club.

## SEARCH THE SCRIPTURES

Search The Scriptures class will meet Monday, August 7 from 9:30 to 11 a.m. at Foothill Center. We continue our discussion of the Book of Revelation. What a study! Come join us. We are so pleased that so many new members have

come to join us already. We welcome you all. For the rest of you—where are you? You will be welcome.

## SHONIS

By Ann Campbell

A bevy of jubilant golfers were milling around the Clubhouse on July 11, anxiously waiting to tee off and vie for the coveted Captain's Trophy. In the mix were 30 regular players and three qualifiers, Lil Yamada, Diane Davis and Tricia Hart. Welcome, ladies! Lo and behold, we had a back-to-back winner for our trophy. Bonnie Evans snagged the statue for both June and July. A big high five to you, Bonnie! The birdies were very elusive on this day as no one was able to capture one.

Upcoming events include our Shonis-Ironmen Invitational on July 25, which is always a fun event. Lunch will follow for all interested participants. A Twilight Game is also scheduled for that day for Shonis and guests to enjoy.

**Chuckle of the Day:** What's the difference between a bad golfer and a bad skydiver? The bad golfer goes WHACK: d@#m! and the bad skydiver goes d@#m: WHACK!

## SWINGERS

By Pam McCarthy

The Swingers started the lovely balmy summer morning on the patio by the Pro Shop with a very targeted 15-minute rules clinic organized by Betty Garcia and taught by our resident pro and golf guru Scott. The crowd was eager to understand what Scott had to share about "Rule 27: Ball Lost or Out of Bounds—Provisional Ball." Scott did an excellent job of communicating the meaning of this rule, how to remember it and how to act on it. Scott concluded his mini clinic by giving us a handout for future reference. Kudos to Scott for his wonderful teaching skills. Betty says the next mini-clinic is scheduled for Tuesday, August 1 at 8 a.m. Maybe his next mini-clinic could include the "Truth of Golf" number LXX: "Since bad shots come in groups of three, a fourth bad shot is actually the beginning of the next group of three." Stay tuned!

On Tuesday, we were privileged to spend time sharing the course with three young golfers from Corena Green. "Thank You!" to Kay Gray and Donna Kaplan for organizing the girls. Teaming up with the young gifted golfers were Swingers Pam Short, Mitzi Macon, Connie Fortner and Kay Gray. Kay reports that the girls that were here today were Isabelle Castro, Natalie Ju and Frankie Sumcad. The other girls we are sponsoring who could not be here were Maggie Romanow who was teaching in our golf camp with Tim Flanagan. Belinda Sutikto and Borina Sutikto were playing in a major golf tournament in San Diego. We are sponsoring six girls in all. The Championship tournament is at Palo Alto Hills Golf and Country Club on July 25. Kay Gray and Judy Gergurich will serve as "Markers" at that event.

Hey! We hope you can all play in our own Club Championship Tournament. Remember it is three days—Tuesday, August 15, Friday, August 18 and Tuesday, August 22. Signups will be by the Pro Shop—just look for Linda Lamanno and Charlotte Waugh to sign up and if you have any questions they can answer them for you.

This month's Captains Trophy winner is Rose Gravelle who shot a 50 with a net score of 32! Way to go, Rose...hope she's going to be in our Champion Tournament.

In closing just one more thought on concepts that Scott or Hannah could share with us: Truths of Golf number IXX: "Hazards attract; fairways repel." Hmmm?

### Calendar of Upcoming Events:

- July 18: 8:45 a.m. Regular Play, Sweeps and San Jose C.C. Invitational
- July 25: Regular Play, Sweeps and 28th Corena Green Palo Alto C.C
- July 28: Twilight Golf 5 p.m. (#3)
- August 2: Saratoga Exchange
- August 15, 18, and 22: Club Championship

## TENNIS TALK

By Mark Bartelt

Quick note regarding our three former USTA "National" teams, honored last Saturday at lunch. Claire Hintergardt and Phyllis Seeger showed the long-standing camaraderie of Tennis Club members by compiling pictures, stats, and certificates for all team members.

For the "Summer of Love" tourney itself, Robin Machon and her hippie crew were amazing at pulling together 36 or so dazed and confused contestants, struggling with their beads, into a coherent Love-in tournament. Turn to page 27 to see a photo from the tourney.

The tie-dye workshop was relevant, Peace Treaties were signed, Love-fests were scheduled for the difficult times, and all illegal drugs were disposed of in a politically correct manner. Well done!

Next week: Proper tennis attire in the age of class conflict.

## MEN'S GOLF CLUB

By David Bacigalupi (baci1786@aol.com)

**June HIO & Eagles Report:** Hole-in-One Chairman Jim Seymour reported the following members shot an eagle during the month of June: John Arnold eagled #14 on June 5; Leo Ruth eagled #2 on June 12; and Kyle Finley eagled #16 on June 16. Although no Hole-in-Ones were reported in June, Jack Smith shot his age with an 88 on June 3.

**2017 Evergreen XLVIII Tournament Signups:** Congratulations to Kirk Garrison and his son Greg, the Flight 3 and overall winners of the Evergreen Tournament. ## IRONMEN

By Don Bookwalter

July 13 was a great morning to play Golf! Twelve players signed in this morning.

**Our Net Sweeps Winners this week:**

Don Bookwalter was first with a 24.

David Hathaway was second with a 25.

Don Willey and Ron Munz were third with a 27.

**One Birdie was shot today:**

Don Willey on Hole 8.

**Thought:** At first we thought the world was flat. Next we decided it was round. Now we know it's crooked!

## PINSEEKERS

By Jack Bindon

Tuesday was another really great day for golf. The weather was perfect, only dampened by the dark smoke billowing above the Eastern ridge. Fortunately no one was injured in that fire and no homes lost.

It would appear that everyone enjoyed the nice weather judging by the results. We had many winners! (Very tight competition)

1st was Frank Garcia with a net 32

2nd was Jack Bindon with a net 33

Tied 3rd with net 34s David Cook, Ron Speer, Tim Short, Richard Petroski, John Murphy and Phil Robinson

4th with a close 35 Dennis Cullen

Once again we were only allotted three holes that day so we ended up with team Bs on #7 and #9. This may have been caused by the large number of young players added to the women's 9 hole group but hopefully that won't happen again. We still managed to finish in less about 2 1/2 hours...Not too bad. However, I must comment on slow play. When we see an open hole ahead we need to be prepared to play "Ready Golf". This entails locating your ball, selecting a couple prospective clubs and going to your ball and being ready to play the shot. Unless you are playing under the auspices of a handicap sticker, walk to your ball, while avoiding interference with your playing partners shots. When you close the gap resume your normal play.

## BOCCE BEAT

By Elly Burnett

The last four tournaments are coming soon with the first of them being the Guys vs. Gals tournament, which is now underway. When I first began writing this article, the guys' teams had pulled slightly ahead, and the gals' teams having taken notice of this made some changes in that status. We'll see how this progresses. Bob Goodwin, 408-532-0470, is in charge of this event.

One of the last tournaments of the year is the Fall Round Robin, which runs for six weeks from September 11 to October 19, and playoffs October 23 to 25. Questions? Contact Paul Andersen at 530-613-3057 or [pandersen1953@yahoo.com](mailto:pandersen1953@yahoo.com). Look for signup sheets at the courts beginning July 21.

The second tournament, the Village Challenge is a one-day event. Each Village is represented and can play an 8-member team. This event takes place on September 23 from 9 a.m. to 3:30 p.m. Contact Tony Orlando for information at 408-799-9668 or email [orlmuh2@comcast.net](mailto:orlmuh2@comcast.net). He can assist with the formation of teams, etc. which should be occurring soon. Each village team needs a captain and all bocce playing residents need to begin to think about this. Make your interest known regarding taking part in this.

The third and final is also a one-day event and is called The Villages Staff vs. The Bocce Board. This is always lots of fun. The date is yet to be determined.

Reminder: All tournament players must be Bocce Club members. At only \$10 a year, this is the best deal in town. This is not a requirement for the Bash events or using the courts for fun.

Coming up, as usual, is the third Wednesday of each month bocce clinic for beginners primarily, or tune-ups.

Again, contact our very busy Court Manager, Paul Andersen 530-613-3057 if you are planning any event that will involve the bocce courts. He can help with scheduling.

Breaking Exciting News: A Hawaiian themed Bocce Bash will be taking place on August 25. Look for more information on this here in the Villager and on the information board at the courts. Regular Friday Bash events are still going on, we are just stirring up some excitement once in awhile. For example there were surprise hot dogs and trimmings last Friday courtesy of the Bocce Club.

## Turf Rejuvenation Program continues

In October, the Association Board approved a community wide turf rejuvenation program at a cost of \$198,383. The work entails slit-seeding (a planting process) roughly 30 acres of common area with Tall Fescue grass. This work is the second part of a two-part project intended to fill in community turf areas that have either died, or have become infested with noxious grasses or weeds, over time due to the most recent drought period.

The first step of the preparation process for a slit-seeding program like this is to kill all the weeds and noxious grasses (in all 30 acres). Round Up will be used to achieve the objective (signs and notices will be posted). This means that many turf areas in the community will brown out, and they will stay that way for a couple of weeks before the seeding process can take place. Even then, please remember that it will take time for the grass to grow in, so areas will look sparse for a couple of months. (Mowing and day watering schedules will be adjusted accordingly.)

Dealer: West

Vulnerability: North/South

Bidding:	West	North	East	South
	Pass	1 Club	1 Diamond	2 Clubs
	Pass	2 Hearts*	Pass	3 NoTrump^
	All Pass			

Contract: 3 NoTrump by South  
Opening Lead: 10 of Diamonds

Dealer has 1 winner in Spades, 2 in Hearts, 2 in Diamonds and maybe 3 or 4 winners in Clubs.  
Strategy: Try to set up the Clubs while still having controls in the other suits. Since East bid, there is a good possibility that he has the King and Queen of Spades providing the opportunity to finesse and get another trick in Spades.

West leads the 10 of Diamonds, South, the Ace, switches to the Jack of Clubs, East ducks, continues playing the 6 of Clubs, East wins with the Ace, and South plays the 10 of Clubs in order to reach the board. East now plays a low Diamond, West, the 9, and South does not play the King. West then leads a Heart, South, the Ace, switches to the 6 of Spades, covers with the Jack on the board, and East, the Queen. He leads the Queen of Diamonds, South, the King, switches to the 9 of Spades, East ducks, South, the 10. He leads a low Club to the 9 on the board, plays the King of Hearts, then leads a Club to the King in his hand; next the Queen, and plays the last card, the Ace of Spades. Great! The contract is made with an extra trick. If South had played the King of Diamonds on the second Diamond lead, then when East gets in he can make another Diamond trick and prevent South from making an overtrick.

\* North knows they have Clubs but 3 NoTrump is easier to make than 5 Clubs. He bids the Hearts to show a stopper.

^ South is happy to see the Heart bid, and bids game in NoTrump since he has a Spade stopper plus an opening hand.

# WHERE IN THE WORLD IS THE VILLAGER?

**Here's how it works:** Take along a copy of The Villager on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). We'll publish your smiling face with your favorite local paper for all to see.

Welcome to another installment of: **Along the Way—a trip down Memory Lane** with your guide to days gone by, Tom Zades. Join Tom every other week as he takes a retrospective glance into our collective memory. (Tom can be reached at: [tzades@sbcglobal.net](mailto:tzades@sbcglobal.net))

One of the benefits of working for Pan Am was near-free air travel, on a space-available basis. We were only required to pay the sales tax on the price of the ticket. Planes were rarely full in those days, so planning air travel was not difficult. The meals served were elaborate and multi-coursed, with real silverware! There was no concern back then that you might use the silverware to harm somebody. The whole process of being served was quite pleasant, and was an activity that seemed to help the time go by.

Another potential benefit for an employee was to be upgraded to first class, free of charge, if there was an empty seat up there. The contrast between first class and coach service was so stark that comedians routinely did skits poking fun at the situation. The stewardesses (as we called them in those days), would draw a curtain between the cabins, and the aromas emanating from first class would have us drooling back in coach. One comedian said that a bell would ring, and the first-class passengers would be free to go ravage and plunder the coach passengers.

The Martin Family, Vel, and Carleen, son Terry, daughter-in-law Kim and Grandson, Brandon spent nearly three weeks exploring Rome, and cruising to Greece and Turkey on the Celebrity Cruise Ship, Reflection.
