## See Sunni Gibbons' home studio on Art Tour

Sunni Gibbons will open the door to her home art studio on Saturday, August 26, from 10 a.m. to 3 p.m. for the Arts & Crafts Association Home Studio Art Tour. She has lived in The Villages for three years.

Born in San Diego, Sunni moved with her military family every two years. She attended the military dependent's high school in Port Lyautey, French Morocco and graduated from Marymount International High School in Barcelona, Spain. She studied art at San Jose State University and Hancock College, earning her B.A. in Painting from the University of Washington and her graduate degree from SJSU.

Although she worked in watercolor for 30 years painting big flowers, her chief medium now is oil. Her largest work, a 28 x 8-foot mural at the Santa Maria Museum of Flight in Santa Maria, California, is titled "Celebrating Aviation's Heroines." It took nine months to accomplish and was designed and produced entirely by computer. Her farm worker paintings—possibly her favorite series—study the relationships of the workers to their work and their camaraderie with each other. Five of the farm worker paintings were displayed in the Clubhouse lobby last year.

Relationships seem to be a theme in other paintings by Sunni as well. Her "Generations – Self Portrait" showing her family and ancestors, won a blue ribbon in last year's Juried Show in The Villages.

Sunni does get immersed in each piece or series she paints. She welcomes you to visit her house on August 26.

## Join the fun—sing with Village Voices

Come meet the friendly people behind the smiling faces. The Village Voices, a senior choral group, invites any and all Villagers to an open house and kick-off rehearsal Wednesday, September 6 at Foothill Center. Enjoy open house hospitality from 6:30 to 7 p.m. Our kick-off rehearsal and first look at the new music begins around 7 p.m.

Foothill Center is all abuzz as we reconnect after summer vacations and begin to prepare for our Veterans Day concert. Village Voices will team up with the Villages Concert Band on Veterans Day in glorious, uplifting tribute to our veterans. November 11 is a Saturday this year, so the near-capacity crowd should be in overflow mode.

No auditions are necessary to be a part of the choral group. Feel free to join in as we try out some of the new music. Attend three weekly rehearsals, and then decide if this is the group and this is the year that you want to be part of the fun. Call Chris Leisy, Membership Chair at 408-309-2757 for additional membership information.

Weekly rehearsals are on Wednesday evenings from 7 to 9 p.m. at Foothill Center. Membership is open through September 27, if you want to sing in the Veterans Day and Holiday concerts. Music files and other learning aids are available on our website to help you learn the music.

## PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

I am increasingly dismayed by the total disregard for the rules concerning golf course use or the dictates of common sense displayed by some residents. While playing mid-afternoon on August 3 our group encountered a dog walker strolling up the cart path on hole number 6. For her safety and that of her dog we held our tee shots while she continued her stroll in our direction. When reminded about the regulations regarding course use her attitude was arrogant and dismissive.

Later that evening we witnessed a golf cart-riding resident and his unleashed dog careening wildly back and forth across the fifth and eighth fairways in pursuit of a terrified rabbit. We were heartened to hear a few other observers shout out some rather blunt "cease and desist" suggestions.

Selfish and immature behavior coupled with a lack of consideration for others do not serve the community well and are never acceptable options.

—Gloria Hernandez

A shout out to our painting company for a job well done!

During our designated week of power washing and painting at Cribari Heights we experienced:

- 1) The crew started on time and finished as posted
- 2) Notified us when to move our cars each process
- 3) The crew was always polite
- 4) No loud shouting or music
- 5) Cleaned up after all work performed
- 6) Swept walkways when washing and painting ended

This process was a lot of work and was performed when it was very hot. Our painters should be very proud of their crew for their job done. Thanks to our painters, our section in the Heights looks clean and refreshed (even our stairs)!

—Nancy Donnelly

## Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

**Note:** The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

## ABOVE & BEYOND

We were delighted to support the Verano Bake Sale during the Verano Barbecue held on August 6. We were particularly taken by the Classic Butter Cake with Grandma's Fudge Frosting, plus the Lemon Bundt Cake with two tiny heart cookies included; in addition, the Brownies, were very tasty. We thank you for the wonderful treats!

### Association/Homeowners documents available via e-mail

By Julia Meadows

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs that run about \$8,000.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to delivery electronically, of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

For more information, call Julia Meadows at 223-4634.

### Look for the 2017 Resource Guide in your tube or doorway

The 2017 Villages Community Resource Guide home delivery began Wednesday, August 16. Delivery to all Villages addresses should be completed by the end of the week.

If you did not receive it, or discover that your Resource Guide is damaged, you may get a replacement at the Community Resource Center in the Building B lobby.

The Villages Medical Auxiliary

### VMA elects Bill Bing as VP

By Linda Lamanno

At its August Board meeting, the Villages Medical Auxiliary (VMA) Board of Directors welcomed Bill Bing as its new vice president. Bing joins the VMA after nine years of volunteering for the Villages Association and Club boards.

Bill and his wife Arlene moved to the Villages 19 years ago while he was still working as a business development manager for an engineering software startup. He did his first volunteering as treasurer of the Valle Vista District Advisory Committee. In 2004 Bill was elected to his first of two terms on the Association Board. He served as treasurer for four years, then vice president and president. Next he was elected to the Club Board in 2012 and served as treasurer, followed by a year each as vice president and president. During his tenure, he saw the boards become more transparent while enabling resident input at meetings. He learned that, in general, whatever the board vote, about 80 percent of the residents will go along and 20 percent will disagree. "That's the way it is on most issues," Bill said.

After his board service, Bill took some time off for a second hip replacement. With volunteering in his genes, he couldn't stay away and joined the Club Nominating, Fitness and the Technical Advisory committees.

Bill joined the VMA because of all the programs and assistance provided by the VMA to Villagers. "I want to help the VMA serve residents more effectively and efficiently," said Bill. "I hope more Villagers will volunteer for this very worthwhile and valuable organization."

Joining Bill as elected officers of the VMA are President Mattie Alesi, Secretary Betty Lanctot and Treasurer Ken Begley. Former Vice President Teddy Morse will continue her VMA participation as Communication Director.

# CLUB CALENDARS

## HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks and lunch, and always wear layered clothing appropriate to the current weather; hats and sunscreen are also recommended.

**Saturday, August 19:** Amy Meier (408-799-4274) will lead a hike in the Purisima open space area, starting at the trailhead near Highway 1, south of half Moon Bay. The trail is frequently shaded by redwood trees but also contains sunny areas with grass and chaparral. We expect that the nearby ocean will keep us cool. The elevation difference is about 1800 ft and the distance is 9-10 miles. Wear layers and bring plenty of water and a lunch. A stop in Half Moon Bay for a libation and/or more food is possible. Round trip car mileage 120.

**Wednesday, August 23 (Rambler):** Rich Bainbridge (408-960-8335) and Wendy Ledamun (408-274-4215) will lead a hike in Coyote Creek. Be sure to take plenty of water. We'll meet at Cribari Center at 8:30 a.m. and leave at 8:45 a.m.

**Saturday, August 26:** Rich Bainbridge (408-499-1789) and Wendy Ledamun (408-712-7908) will lead a hike in Wunderlich County Park in Woodside. The hike is approximately 4 1/2 miles and winds through beautiful stands of mixed redwoods, madroñes, oaks, and a lovely open meadow. Elevation gain is moderate with hiker friendly switchbacks. Bring water. After the hike, we'll stop at Robert's Market in Portola Valley for lunch or a sweet treat! Round trip driving distance is 70 miles.

**Wednesday, August 30 (Rambler):** Al Girolami (209-531-6553) will lead a hike to Coyote Lake- Harvey Bear Ranch County Park. The hike will be 4 miles on a mostly wide trail with an elevation gain of about 550 feet. The trail is less than 40 percent shaded so bring a hat, poles and plenty of water. We will park at the no-fee Mendoza Ranch entrance and hike up the Coyote Ridge Trail, then go up the Mummy Mountain Trail to the top at 1274 feet with a great view of Coyote Lake. We will then complete the loop downhill to the parking area. For those interested in attempting the Santa Clara County Park # PixinParks challenge, Mummy Mountain is one of the necessary seven destinations to qualify for a free T-shirt. We'll meet at Cribari at 8:30 a.m. and carpool for the 50 mile round trip. After concluding the hike, there will be an optional lunch at Denny's in Gilroy.

**Saturday, September 2:** Akiko Giordano (408-238-5437) will lead a hike along the shady south rim trail of Alum Rock park. The hike is 4-5 miles long with an elevation difference of about 500-ft, but trail grades are generally very gentle. This makes the hike suitable for ramblers as well. Ramblers can also do a flat 4-mile hike on the canyon floor. Please bring water and a snack or light lunch. Round trip car mileage about 15.

## VILLAGES AMATEUR THEATRE

"Blithe Spirit" is one of the most entertaining comedies your Villages Amateur Theatre has ever performed. Performances will be 7:30 p.m. Friday, October 20; 2:30 p.m. Saturday, October 21; and 2:30 p.m. Sunday, October 22 in the Cribari Auditorium. Tickets are \$15 each and will go on sale in early October. Please see the VAT article in this issue's Clubs section for additional details.

## TRAVEL CLUB CALENDAR

**The Villages Travel Club is disbanding.** Due to the inability to replace any of our volunteer Chair positions from among our nearly 100 members, The Villages Travel Club regrets it will no longer be able to continue as a Villages Club. Please be advised, we will no longer meet at 7 p.m. on the second Monday of the month, at Foothill Center.

## Recycling to start this August at the Clubhouse

Recycling is the process of collecting and processing materials that would otherwise be thrown away as trash, and turning them into new products. Recycling can benefit our community and the environment.

### Benefits of Recycling

- Reduces the amount of waste sent to landfills and combustion facilities
- Conserves natural resources such as timber, water, and minerals
- Prevents pollution by reducing the need to collect new raw materials
- Saves energy
- Reduces greenhouse gas emissions contributing to global climate change
- Helps sustain the environment for future generations
- Reduces the cost of waste management.
- Savings of over \$4,000 a year at the Clubhouse
- More pickup of garbage from twice a week to three times a week. This obviously will help in waste attracting flies, and containers being over filled.

### What do we do?

Recycling Blue Containers will be available next to the trash bins at the Clubhouse.

No need to separate Plastics, Cans, Glass, Cartons, Cardboard or Paper. They all go into the Blue Recycling Containers.

Trash Containers are for Food, Pizza Boxes, To Go Containers and Styrofoam Cups.

### Wine by the glass—just your size!

Sometimes just a single glass of wine is enough, but sometimes we all want just a little bit more. Now you have a choice. The bartenders and servers in the Bistro and Clubhouse offer both 6-ounce and 9-ounce glasses of wine. Like fine wine tasting venues elsewhere, our bartenders have wine pour samples on the counter to ensure accurate amounts for both sizes. Salut!

## Villages Library appreciates your donations

Do you have items you'd like to donate? We are happy to take books and DVDs in good condition. We use these items to supplement our collection or to sell at our weekly book sale. Thank you for your support.

Please note, we cannot accept the following items:

- Non-fiction more than five years old.

## BOUQUETS

I would like to thank all the Villages staff who helped me with my recent Tommy Bahama Fashion Show. Like last year, the event was a sellout!

Special thanks to Catering and Banquet manager Albert Salcedo and servers Liz, Elizabeth and Maria. The setup was a breeze, the food delicious and the event was a smashing success. As an event planner, I have hosted 16 events here at the Villages and I highly recommend it for the food, prices, and service. Thank you to all the Villagers who attended and especially Villager Diana Hunter who helped with the event.

Looking forward to edition #3 in 2018!

## FOUNDATION FOCUS

### Amazing Sustaining Donors!

By Maxine Amundson, EVF secretary

Peg and Charlie Bougopoulos—Villages residents for over two decades—were a

couple of the first 25 sustaining donors in 2012/13 and continue their contribution that is reflected on their monthly assessment bill. They enjoy the many amenities that The Villages provides, and their monthly contributions are given in the spirit of "give where you live and while you are living." Besides their monetary contributions they provide many services to Villagers. Charlie is a volunteer for the Senior Resource Center and assists Villagers in preparing their yearly tax returns, plays golf and has become a pickleball player. Peg gives generously of her time to the various tournaments of The Villages 18 Hole Women's Golf and has served on the board of The Italian Club. We are honored to have them as Sustaining Donors to the Foundation!

Visit our website [www.evfsj.org](http://www.evfsj.org) to view completed projects and to download an Authorization for Monthly Assessment to The Foundation.

## SENIOR RESOURCE SERVICES

### Administrative guidance for Transfer on Death deed

Last week SRS published an article about the Transfer on Death deed (TOD deed).

Many Villagers have their bank accounts titled as Payable on Death (POD). At his or her death the bank accounts will automatically pass to one or more named beneficiaries. Probate will not be required on the bank accounts.

One's condo can be titled in a similar way using a Transfer on Death deed. It names the one or more beneficiaries who will receive the property when one dies without the need for probate. A Living Trust certainly avoids probate; the POD deed is an alternative for those who do not have a living trust.

Important points to remember about the TOD deed:

1. All owners must fill out their own TOD deed. This means that a married couple must fill out and record two separate TOD deeds.
2. Each form must be notarized.
3. The TOD form must be recorded within 60 days of being signed and notarized.
4. The property description and your name must match the title documents exactly. We suggest you copy the property description from your deed and include it as an attachment.
5. You must list the beneficiaries by name and their relationship to you (spouse, son, daughter, friend, etc.) A beneficiary does not have to be a relative.
6. The page of instructions is page 2 of the 3-page form. This page 2 must stay with the form or it is not considered a complete form.

Take the completed form to the Santa Clara County office at 70 West Hedding Street in San Jose. The Recorder's office is on the First Floor in the East Wing. Take your checkbook or cash. The recording fee will likely be around \$40 to \$75. If you wish to mail the form, call the Recorder's Office at 408-299-5688 to get precise instructions and cost. Or you may hire your attorney to record the deed.

You may revoke your TOD deed at any time by notarizing and recording a Revocation of Revocable Transfer on Death Deed. This form is very similar to the TOD deed itself. It must be recorded prior to your death to be effective.

The TOD form is available at the SRS office as well as a list of notaries in or close to The Villages. Both the TOD deed and the Revocation are available at the Sacramento Law Library at [www.saclaw.org/legal-forms](http://www.saclaw.org/legal-forms). Click on Deeds and Real Estate.

As before, SRS suggests you speak with your attorney before making this change.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

## *Seeking members for Breast Cancer Survivor Group*

**By Gertrud Cory**

My goal is to start a breast cancer survivor group here in the Villages. I just went through the before and after ordeal of breast cancer and wish to be of help to anyone who is facing or is going through the same dreaded illness. I knew I had a good medical support system at my disposal, but for many people going through breast cancer that meant you had to call, you had to try to hold off your questions/concerns on weekends and most of all, you tried to absorb all the material that the medical team provided you with. Yes, there is much material to read through, but in those hours when you are desperate you may only wish for a human voice to listen to you and tell you "all will be OK."

I envision a small group of ladies, who can help one another, listen to one another and be there for one another when the need arises. I am not interested to compare our illnesses. If you are interested in this concept, please get in touch with me—Gertrud Cory at gertrudcory@gmail.com or 408-839-9448.

# FROM THE BOOKSHELF

By Elizabeth Benson

**“The Lost City Of The Monkey God” by Douglas Preston:**

Since the days of conquistador Hernan Cortes, rumors have circulated about a lost city of immense wealth hidden somewhere in the Honduran interior, called the White City or the Lost City of the Monkey God. Indigenous tribes speak of ancestors who fled there to escape the Spanish invaders and they warned that anyone who enters this sacred city would fall ill and die. Three quarters of a century later, author Doug Preston joined a team of scientists on a rickety plane carrying the machine that would change everything: lidar, a highly advanced technology that could map the terrain under the dense rainforest canopy. In an unexplored valley ringed by steep mountains, that flight revealed the image of a sprawling metropolis, tantalizing evidence of not just an undiscovered city but an enigmatic, lost civilization. Venturing into this treacherous wilderness to confirm the discovery, Preston and the team battled torrential rains, quick mud, disease-carrying insects, jaguars, and deadly snakes. But it wasn't until they returned that Preston and the others found they had contracted in the ruins a horrifying, sometimes lethal—and incurable—disease. Suspenseful and shocking, filled with colorful history, hair-raising adventure, and dramatic twists of fortune that the author claims is absolutely true. 972.85. 2017.

**“Hallelujah Anyway” by Anne Lamott:** In this insightful, encouraging book, Lamott explains that it is mercy—the promise to offer and receive relief and forgiveness—that lies at the heart of all great faith traditions and our own spiritual identity. With sensitivity, wisdom, and humor that have won her millions of readers, Lamott explains the mercy in our lives, the extraordinary power it can have if we welcome it, and the unexpected call of sharing it with others and with ourselves. 241. 2017.

**“The Silent Corner” by Dean Koontz:** People of talent and accomplishment, people admired and sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important, so terrifying that they will exterminate anyone in their way. But all their power and viciousness may not be enough to stop a woman as clever as they are cold-blooded, as relentless as they are ruthless—and who is driven by a righteous rage they can never comprehend. Fiction. 2017.

**“Son Of The Lion” by Anne Hillerman:** When a car bomb kills a young man in the Shiprock High School parking lot, Officer Bernadette Manuelito discovers that the intended victim was a mediator for a multimillion-dollar development planned at the Grand Canyon. But what seems like an act of ecoterrorism turns out to be something far more nefarious and complex. Piecing together the clues, Bernadette and her husband, Sergeant Jim Chee, uncover a scheme to disrupt the negotiations and inflame tensions between the Hopi and Dine tribes. As the tribal police's investigation unfolds, Lt. Leaphorn begins to suspect that the bombing may be linked to a cold case he handled years ago. As he, Bernie, and Chee carefully pull away the layers behind the crime, they make a disturbing discovery: a meticulous and very patient killer with a long-simmering plan of revenge. Mystery. 2017. Large Print.

**“Into The Water” by Paula Hawkins:** A single mother turns up dead at the bottom of the river that runs through town. Earlier in the summer, a vulnerable teenage girl met the same fate. They are not the first women lost to these dark waters, but their deaths disturb the river and its history, dredging up secrets long submerged. Left behind is a lonely 15-year-old girl. Parentless and friendless, she now finds herself in the care of her mother's sister, a fearful stranger who has been dragged back to the place she deliberately ran from and vowed never to return. Fiction. 2017. Large Print.

## VAT: ‘Blithe Spirit’ —Getting to know Noel Coward

We did some research on how this great comedy by Noel Coward came to be. The following information was culled from Wikipedia. For some time before 1941, the great British playwright, Noel Coward, had been thinking of a comedy about ghosts.

Playwright Noel Coward

After his London office had been destroyed in the Blitz, Coward took a short holiday on the coast of Wales to think about his ghostly light comedy.

He sat on the beach and thought about his idea for several hours. By lunchtime the title had emerged together with the names of the characters, and a rough, very rough, outline of the plot. The next morning, he sat with the usual nervous palpitations, at his typewriter. He smoked several cigarettes in rapid succession, staring gloomily out of the window at the tide running out. He fixed the paper into the machine and started. *Blithe Spirit*. A Light Comedy in Three Acts.

He worked on the play for a week. At the end of the week the play was complete and he knew it was witty, well constructed, and destined to be a success.

“*Blithe Spirit*” is one of the most entertaining comedies your Villages Amateur Theatre has ever performed. The title of the play is taken from Shelley's poem “To a Skylark”. The play introduces us to Charles and his second wife, Ruth, who are haunted by the spirit of his first wife, Elvira. Madame Arcati, a psychic, tries to help things out by contacting a ghost. Confusion, comedy and creepiness ensue.

Performances will be 7:30 p.m. Friday, October 20; 2:30 p.m. Saturday, October 21; and 2:30 p.m. Sunday, October 22 in the Cribari Auditorium.

Please mark your calendars and get ready for a very funny, light hearted and ghostly entertaining night out with friends.

## COMMUNITY CHAPEL

**By Pastor Bill Hayden**

Some people are known by their reputation. In some cases you may need to make adjustments to accommodate their situation or personality.

They may talk over you and anyone else engaged in a conversation, which can leave you frustrated or discouraged. If you are aware that they have a proclivity to be a certain way you learn how to manage your time with them.

The habits we have can say a lot about who we are as a person. If you are a complainer, people will see you as a very unhappy person. You may look for ways to avoid them. Others may be upbeat, engaging and a joy to be around. If we seek the "good" in any circumstance we find ourselves in, we will find it.

Do you recall the statement that some of our parents would say, "If you can't find anything good to say about someone, then don't say anything"?

As a young couple starting out in ministry, Gloria and I learned how to be gracious (gracious is a troublesome word for the selfish and impatient person) and hospitable during some challenging circumstances. Some situations seem to be designed for personal growth in order to develop wisdom and grace for a future experience. You may have asked yourself, "What was that about?" Please believe, at some point in your life, that situation will reoccur. If you don't handle it effectively the first time, you get to repeat it and hopefully you have gained some wisdom beforehand. Through experience, mentally you have learned to set boundaries, show discretion, understand, love, trust and be non-judgmental.

The other day I had an opportunity to be gracious and we should always look for opportunities. Remember it's "Do unto others as you will have them do unto you." While at the grocery store shopping, there were long lines and people were becoming impatient with each other. The lady behind me wanted to put her items on the conveyor, so I put my items closer together to allow more room for her to put her items on the conveyor as it moved closer to the register.

**Let's not miss the opportunities to be gracious. It will put a smile on your face!**

Make a commitment and join us this Sunday at the Villages Community Chapel in Cribari Auditorium 10 a.m. to be encouraged. The chapel is a place for needs to be met, faith to be affirmed and people to love. We would love to meet you. If you would like to make an appointment with Pastor Bill please call the office at 408-238-3079. We continue celebrating 50 years at the Villages Golf and Country Club.

## SWINGERS

Golf Shop Pros Scott Steele and Hannah Summerhays presented a mini-workshop about unplayable lies on the #1 Fairway early Tuesday morning to the Swingers group before tee off.

By Linda Piersol

After the hot humid days of July, it was a bit of relief to be wearing jackets in the cool morning of August 8. Fifty-five Swingers eagerly appeared on the course, ready to play. Jeannie Omel had the only chip-in on hole #15 and won the jar of quarters all by herself. Good going, Jeannie! A notable from last week's play was Lynn Peters' birdie on #3. A great accomplishment, Lynn! Another winner is Susan Sunzeri who is the Most Improved player for the month of July. Way to go, Susan!

An informative Rules Clinic on Unplayable Lies was held prior to play. We all were glad to learn the three options one has when the ball lands, unintentionally, of course, where it would be very difficult or impossible to make the next shot. See Rules Corner by Betty Garcia to read more about this clinic.

### Upcoming Events:

- September 12 - Open Day at The Villages
- September 14 - Exchange at Stanford
- September 19 - Swingers Fall Luncheon & Meeting
- September 22 - Twilight #5 4:30 p.m.

## Swingers Rules Corner

By Betty Garcia, Rules Chair

Tuesday, August 8, was an early day for those attending the rules mini-clinic taught by Scott Steele and assisted by Hannah Summerhays. We met at 8 a.m. on the first fairway at the 150 yard cypress tree to learn about Rule 28 – Ball Unplayable. Always iffy to get us out early, but those 20-25 of us who attended benefited greatly by the entertaining, informative presentation. Handouts explaining the rule were also distributed for your “Rules” file to augment your personal copy of the USGA Rules of Golf that Scott so graciously provided at the beginning of the year.

Be sure to attend next month's mini-clinic on the first Tuesday of September. Meanwhile, if you missed this one, you will find a posted copy of the handout on the Swingers' bulletin board and in the Posting Room Rules Binder. Thank you, Maureen O'Neill, for that suggestion! And thank you, Scott and Hannah, for your patience in leading us along the path to enlightenment.

Let Captain Pam Short know if you want a longer, sit-down meeting for Q&A about the Rules of Golf. We can pore over the book together sometime with the pros!

## SHONIS

By Marge McCandless

It was so good to see lots of Shonis ready to play on August 8. Twenty-seven members and two qualifiers were able and willing. Welcome again, to Lil Yamada and Diane Davis. Only one Birdie was found out there but it was quite special to Teddy Morse who chipped in for that Birdie on Hole #9. What fun that was for her! It was interesting to note the four ties for second place in our first flight.

Our Board had a luncheon meeting following golf, and I'm sure we'll know what they talked about at our August 8 Bag Lunch. By the time you read this column, you will know. I apologize for not reminding you last week about the lunch. Several other members were feasting on the Bistro patio—in the shade. It would be good to see more members sharing golf stories and gossip at lunch after play each week. Try to plan your busy schedules so that you can dine with the group.

Again, I remind you to sign up for the September Championship Tournament. The signup sheet is there on the sign-in table on Tuesdays and in the Posting Room all week. August 29 is the last day for signing up as the tournament chairs Betty Stednitz (408-300-1989) and Marlene Wilde (408-238-5638) will then need to get the groups organized for the first day of the tourney on September 12. And one more reminder to our new members that you must have played 20 games to enter the Tournament.

## 18-HOLE WOMEN

(See photos on pages 20 & 27)

## 18 Hole Women's Invitational Summer Of Love

By Gwen Bindon

It was The Summer of Love once again for the two days of the 18 Hole Women's Golf Invitational on August 10 and 11. 2017 is the 50th anniversary of this historic San Francisco happening, and it proved to be a colorful theme for the event. Large inflatable hearts floated in the upper pond by hole #7. Two yellow submarines patrolled the stream in front of the 18th green. Every tee box had unique markers courtesy of Kevin Neal, VP of BrightView Golf Maintenance. As soon as he knows the theme for our events, Kevin and his daughter begin their search for special markers for each tee box. We had miniature VW vans complete with surfboards on the roof, battery operated lava lamps, iconic street signs, more yellow submarines, peace signs and slogans from the era. Kevin and BrightView have generously donated the tee markers for the past few Invitational events. After the event the items are donated to Families First, our local mental health agency serving children and their parents.

Many thanks to our Pro Shop Staff for their enthusiasm and extra effort in making this a memorable event. 1967 music greeted us and motivated the warm-up activities. All of the staff dressed in tie-dye shirts in keeping with the theme. Hannah Summerhays donned a long black wig, headband and granny glasses for the last day. She surprised us with a shiny VW van on the first tee that became the backdrop for team photos. Thank you, thank you to our wonderful pro staff.

A special thanks to our participating members who were in the spirit of the Summer of Love. Color was everywhere, including decorated golf carts.

Once again Doreen Pranschke and Mike Bui of Evergreen Estates Realty generously sponsored our Special Events Awards. Congratulations to the winners: Closest to the Pin #4 on Thursday, Helen Varenkamp, member, and Joyce Bartlett, guest; on Friday it was Vicki Krattli, member and Ruth Chu, guest.

Closest to the Pin on #11 Thursday was Inge McQuiddy, member and Cathi Mickow, guest. Hole #11 on Friday winners were Marky Olsen, member and Shirley Heinsen, guest.

Longest Drive and Closest to the Line awards were presented by handicap groups. Member winners were Helen Varenkamp, Millie Anne Schwerin, Kitty Ohtaka, and Lanette Carey for Longest Drive. Guest winners were Michelle Walsh, Emily Anderson, Tricia Amstrup and Freddie Bagley.

Closest to the Line awards went to Kathleen Holt, Jay Lee, Sashiko Coleman and Kathy Apgar. Guest winners were Susan Kontich, Joyce Bartlett, Maria Kuschill and Cathi Mickow.

The greens are being rolled four days a week and are smooth and fast. The fairways are in great condition. The bunkers are showing much improvement with the new purchase of a Sand Pro Bunker Rake that has proven to be a valuable addition to the maintenance equipment arsenal. The bunkers are showing a much smoother and playable surface. Algae control in all the golf course lakes is being looked at on a grand scale. The lake on #6 & #7 has proven to be the most challenging, and we are looking at installing fountains plus an underwater aeration and circulation system that will help. These additions along with the environmentally safe algae abatement applications that we are making should work...we hope! The landscaping around the new pump station behind #6 tee will be supplemented with the addition of 4-5 Grape Myrtle trees to help obscure the pumps from the neighboring homes.

Reminder - Greens aeration is scheduled for September 25 & 26 with fairway aeration to follow in October.

## MEN'S GOLF CLUB

By David Bacigalupi (baci1786@aol.com)

**Two Day Member-Member Tournament:** During play on Saturday August 5, a MG Senior golf ball was found in the freshly groomed bunker to the right of #16 green during the tournament. As verified by the Pro Shop, this ball is per USGA, a non-conforming golf ball and cannot be used in competition. Use of this non-conforming ball could subject you and your partner to disqualification.

Also, on August 2, a cart was seen driving past the "No Carts Beyond This Point" sign (pictured). You know who you are.

**Tournament Handicaps:** The Executive Committee has been approached by many members to develop a Tournament Handicap system due to their observation that some of their fellow members always seem to shoot below their normal scores in tournaments. Many other smaller clubs have a tournament handicap, an onerous task to maintain, as the NCGA/Ghin system isn't much help. Our Tournament Chairman, David Gonzales, has tried to adapt the excel spreadsheet that some other clubs use, but with almost 500 members, this would need to be a full time job. David has found another system that other clubs use, and the Executive Committee is considering. Too lengthy to print here, we ask that you look up the Knuth System at [www.popeofslope.com](http://www.popeofslope.com). The Executive Committee would love to hear your thoughts about implementing this system for our tournaments.

**Next Tournament:** Our next Men's Golf Club tournament will be on September 3 & 4 (Sunday/Monday), one or two day Labor Day Mixed Couples tournament. Look for a poster with all the details in next week's Villager.

**Executive Committee Meeting:** The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the Cribari Patio Room. Our next meeting of the Men's Club Executive Committee will be on Tuesday, September 5. The meetings are open to all members. Also, remember to visit our website at [www.villagesmensgolf.com](http://www.villagesmensgolf.com) for the latest information.

**2017 Home & Home Team:** Congratulations to LaRinconada transplant Ray Leisy for shooting the low net score of 64 when the Villages played at LaRinconada Country Club on August 1. Ray's net 2 on the par 3 Hole #7 was the only skin not tied, so he took home all the money. Good game, Ray, but I heard the LaRinconada team say, "He's yours now! Ha Ha Ha!"

The next tournament is at The Villages with the Bayonet/Blackhorse Club on Thursday, August 17. Team members, contact Jack at 408-239-0626 or [jmccarthy.homehome@yahoo.com](mailto:jmccarthy.homehome@yahoo.com) ASAP to let him know if you can play or not!

Please adhere to rules. A cart was seen driving past this sign.

## TENNIS TALK

By George Beck

This picture, retrieved from the archives of my personal photo collection, reminded me of Michael Diltz, our Court Manager. Why Michael? Glad you asked. Michael is contacted about many things. Some come under the responsibilities of the office he holds and some don't but he willingly takes care of each and every request to the best of his ability, which, by the way, is extensive. However, some things are beyond his control. One of those things is being on hand to remind players to turn down the umbrellas prior to leaving the courts. Ergo, the above graphic. Michael's "hands are tied." Leaving the "shades" up is an understandable omission and one we've all done, undoubtedly more than once. Hopefully this little memo and the included photo will come to mind the next time you finish your match. Michael, along with all dues paying members of our beloved Tennis Club, would appreciate it. After all, we don't want the dues to go all the way up to \$1.30 a month just to replace an umbrella! Thank you.

If you're reading the following on the Tennis Club website ([villagestennisclub.org](http://villagestennisclub.org)) click on any of the links to access the information. If you're reading the printed version simply search "Friend at Court" or "The Code."

This information is probably for some of the newer players but we could all use a little reminder now and then. Tennis "Rules" can be found in two places. The first and "official" place is "Friend at Court" - Handbook of rules & regulations from USTA (8 pages). This can be found here: [http://www.norcal.usta.com/tennis\\_and\\_tournament\\_rules/](http://www.norcal.usta.com/tennis_and_tournament_rules/)

The other is called "The Code - The 'unofficial' rules of tennis." This small pamphlet can be ordered online and is worth carrying in your tennis bag to settle a dispute or in your pocket to win a drink at the Bistro. Here's the link: [https://www.usta.com/content/dam/usta/pdfs/2015\\_Code.pdf](https://www.usta.com/content/dam/usta/pdfs/2015_Code.pdf)

#2 rule in tennis: Get the ball back one more time than your opponent.

## Turf Rejuvenation Program continues

In October, the Association Board approved a turf rejuvenation program. The work entails slit-seeding (a planting process) roughly 30 acres of common area with Tall Fescue grass. This work is the second part of a two-part project intended to fill in community turf areas that have either died, or have become infested with noxious grasses or weeds, over time due to the most recent drought period.

The first step of the preparation process for a slit-seeding program like this is to kill all the weeds and noxious grasses (in all 30 acres). Round Up will be used to achieve the objective (signs and notices will be posted). This means that many turf areas in the community will brown out, and they will stay that way for a couple of weeks before the seeding process can take place. Even then, please remember that it will take time for the grass to grow in, so areas will look sparse for a couple of months.

Dealer: West  
 Vulnerability: North/South

Bidding:	West	North	East	South
	Pass	Pass	Pass	1 Heart*
	Pass	2 Hearts	Pass	4 Hearts^
	All Pass			

Contract: 4 Hearts by South  
 Opening Lead: King of Diamonds

Dealer has 2 possible Spade losers, maybe 1 in Hearts, a Diamond loser and a potential 1 in Clubs.  
 Strategy: Try to ruff a Club or if that is impossible, try the Spade finesse.

West leads the King of Diamonds, South, the Ace, follows with Ace of Hearts, and East, the Jack. Now South knows where the trumps are and leads the Ace of Clubs, continues with the King, then the Queen and trumps the last Club with the Queen of Hearts. He then plays a Heart to the King, follows with the 10 of Hearts, next the 9. South now plays a low Spade, finesses the King, East wins with the Ace, leads a Spade, West takes the trick with the Queen, switches to the good Queen of Diamonds, then leads the last card, the 8 of Diamonds, and South trumps. Great! The contract is made exactly.

\* Some South players might open with 2 NoTrump but that is dangerous with two doubletons, and one doubleton doesn't even have an honor.

^ After North's weak bid, South jumps to game having 20 HCP.

## WHERE IN THE WORLD IS THE VILLAGER?

**Here's how it works:** Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your *Villager* picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). We'll publish your smiling face with your favorite local paper for all to see.

In January Prakash and Pratibha Deshmukh took trip to Sri Lanka (Ceylon) and visited the beautiful island nation of 20 million population. Lanka is situated in the Indian Ocean—a two hour flight from Mumbai, India. It is a poor nation that is predominantly Buddhist. The roads were in very nice condition—no potholes—and the people were following the rules of traffic (no sounds of honking, which is very common in that part of world). Prakash noticed that the two wheeler-riders were using helmets all the time. The photo of Prakash and Pratibha was taken at the Siguria Village Hotel, with Siguria rock in the background, which has 2,000 steps leading up to the top. The photo of the woman shows the typical Lankan manner of dress for women.

Welcome to another installment of : **Along the Way—a trip down Memory Lane** with Tom Zades. Join Tom every other week as he reflects upon his past...and ours. (Tom can be reached at: [tzades@sbcglobal.net](mailto:tzades@sbcglobal.net))

War stories have captured the imagination of boys in every generation, it seems. We used to lie on our bellies playing with little plastic figures we called "Army guys." Now the kids have those incredibly sophisticated interactive war videos, complete with the sounds of combat. But although the video games are so much more realistic, the boys still do not relate to the trauma and horror of real combat. One grandson in particular is a very conscientious, deep-feeling boy, yet he happily talks about killing and being killed in the video games. He listened in awe when I told him that I spent three years in the U.S. Army as a teenager.

I hastened to explain that, first of all, the draft was in effect, so I had very little choice; but more importantly, I served during peace time, before Vietnam. I experienced nothing like what they see on television or in their video games. What I did experience later, working at Pan Am, was loading empty aluminum caskets bound for Saigon and offloading full ones coming back. That was trauma enough for me, but the grandkids can't relate to that yet, either.

Pro Shop Mod Squad: Head Pro Scott Steele, Alan Walsh, Pete Gibbs and Hannah Summerhays get in the groove.

Susie-Q Conklin, Helen Varenkamp, Lanette Carey and Meg Flanagan make the scene on the corner of Love & Haight.

Time warp: Could this be a flower child swept up in the chrono-synclastic infundibulum and dropped here in our century? Nah! She is from this century—it's merely our very own Hannah Summerhays from the Pro Shop doing a pretty convincing rendition!

Geri Wilk must be bound for San Francisco because she wears flowers in her hair.
