Scams and other Consumer Pitfalls— How to avoid losing your money to fraud

Can you believe the email announcing that you won the lottery? Is that really your grandchild calling you for help from a prison? The IRS called and said the police are on their way unless you pay a fee.

If you want to hear answers to these questions, please come to a presentation by Patti McRae from the Santa Clara County District Attorney's Office on Monday, October 30 at 1 p.m. in the Cribari Auditorium.

For reservations, please call Public Safety at 408-239-5247. Seats limited to the first 100 residents. There is still plenty of room, but time is running out, so hurry and sign up for this informative presentation.

Can't get out for your flu shot?

The Villages Medical Auxiliary (VMA) is working with Grace Hospice and Palliative Care and the Grace Foundation to provide flu shots for you in your own home. Nurses are scheduling appointments for Wednesday, November 1, Thursday, November 2 and Friday, November 3.

To make an appointment, call Toni Arroyo at 408-444-5500. Provide your name, address, phone number, date of birth and Medicare number. You will receive a call back from a nurse to confirm date and time of your appointment.

There is no charge for Medicare patients. However, there will be a \$25 fee for Kaiser patients.

If you have questions contact the VMA Social Service Coordinator Cristina Freyer at 408-238-4029 or cfreyer@ncphs.org.

All I Want for Christmas... is at the Holiday Faire!

By Tere Barbella

Searching for the perfect holiday gift? Sometimes finding just the right words is enough! For such a present, be sure to visit Holiday Faire artist Diane Goodrich who creates beautiful poetry on cards, magnets, plaques and books. She will even compose a personalized verse to your specifications. Additional paper goods and cards will be available from artists Joan Fury and Marilyn Murata. Paper crafter Darlene Chung will be selling her unique gift boxes and for words children will love, don't miss author Dolores Escobar and her book "The Awesome Miss Seeds."

This year's faire also features a variety of exceptional fabric artists including Mary Wolleson—quilter and tote designer, Marty Blinde—doll clothes and children's specialty items, Peggy Long—bibs and kitchen items and Kathy Lohman—scarves. Need an apron for holiday cooking? Visit Adele Renninger's table to find them along with wraps and scarves!

Looking for holiday items? Marlene Wilde and Janet Stevenson create beautiful holiday specialties such as beaded ornaments and acrylic rocks. Caroline Ritchey will have festive holiday baskets for sale and for an irresistibly delicious gift, stock up on Dena Travasso's homemade biscotti!

Many of our artists craft in more than one category, so be sure to plan plenty of time to shop and browse! The Villages Arts and Crafts Annual Holiday Faire is on Saturday, November 4 from 10 a.m. to 2 p.m. in Cribari Center. In addition to crafts, baked goods will be available for sale in the Terrace room. Guests will be invited to participate in a door prize drawing via "passports" that will be available at the reception desk. Please remember that your pets may not accompany you to this event!

31st Annual Veterans Day Celebration is November 11

On Saturday, November 11 at 2:30 p.m. the Villages Music Society and The Villages Veterans Club will partner once again to honor veterans of the United States Military services. The annual service was begun 31 years ago by Music Society founder Marshall Dahneke and typically draws more than 600 persons in attendance. It has been said that this is the second largest Veteran's Day event in the city of San Jose. Only the annual parade is larger. Because there is no ample venue in the Villages, the service is held in the LDS gymnasium on San Felipe just outside the Villages gates.

Col. Steve White

The guest speaker this year is Colonel Steve White. Colonel White assumed command of the 23rd Marine Regiment, whose headquarters is located in San Bruno, California, 22 July 2017. He is married to the former Christy Rakow of Annapolis, MD. They have a son, Riley, 20, and a daughter, Brooke, 17. Colonel White has a long history of distinguished service. Along with Colonel White, Marines from the 23rd Regiment will provide a color guard.

The celebration is full of stirring music including our National Anthem, the King Cotton and Col. Bogey marches, "My Country 'Tis of Thee" and "God Bless America." For the first time, the Band will be playing the Merchant Marine March. The Merchant Marine was a vital part of victory in WWII.

Among the participants in the program will be the Villages Concert Band under the direction of Stan George, the Village Voices under the direction of Ken Carter, the Villages Hand Bells under the direction of Earl and Kathi Levin and Bob Semple, president of the Villages Veterans Club. The event is free and everyone is invited.

BOARDS & COMMITTEES

Important Notice—Deadline Extended—URGENT! Please Return your Villages Age Certification Survey!

**By Julia Meadows,
Assistant General Manager**

The deadline to return your Age Certification Survey has been extended to Tuesday, October 31. To date we have received just about 60 percent—far below the compliance requirement.

To continue our community's status as a senior commu-

nity, The Villages must comply with the state and federal laws that govern California senior housing developments. Federal law requires that at least 80 percent of the occupied units are occupied by at least one person who is 55 years of age or older. Further, The Villages Association and Homeowners

Corporation must conduct periodic surveys to verify and document that the community is in compliance. Failure to satisfy the legal requirements may result in a determination that our community is not a lawful senior community and therefore mean that we must allow persons of all ages to live here.

In order to fulfill the requirements imposed upon the Corporation, one resident of your condominium or home must complete and sign the Age Certification (under penalty of perjury). Please note that if you are an offsite owner, you must have one of the tenant(s)/resident(s) complete and sign the Certification. Offsite owners are responsible for ensuring completion and return of the Certification by one of their tenant(s)/resident(s).

For convenience, we have included the certification form (see form on this page). Please return the Age Certification as soon as possible.

You may either mail the completed document back to us at:

or drop it in the box located at Building A. (For convenience, additional drop boxes are available; 1) Cribari Center just outside the Post Office and 2) in the parking lot adjacent to Building A.)

We appreciate your taking the time to complete and return the Certification. Please be assured that the information that you provide is used strictly for the Corporation's records and to document our community's compliance with applicable laws. A summary of the survey results (not including names or addresses) will be made available following completion of the survey.

If you have any questions, please contact the Public Safety Administration Office at 408-239-5246.

Thank you for assistance with this very important matter.

MANAGEMENT

PUBLIC SAFETY

Service Animals vs Comfort Animals

Service Animals as defined by Title II and Title III of the ADA.

Service animal is individually trained to do work or perform tasks for the benefit on an individual with a disability, including physical, sensory, psychiatric, intellectual, or other mental disability. These tasks may include, pulling a wheelchair, picking up dropped items, reminding a person to take medication, or alerting a person of a sound.

Service animals are allowed to accompany the handler to any place where members of the public are allowed, even if the facility has a "No Pets" policy.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions:

- Is the animal required because of a disability?
 - What work or task has the animal been trained to perform?
- Emotional support animals are not covered under ADA.

A doctor's noted does not make an emotional support animal a service animal.

Free CPR/AED Class on October 28

The Villages' Emergency Preparedness Committee (EPC) will offer a free American Red Cross CPR/AED class on Saturday, October 28, from 11:45 a.m. to 4 p.m. at the Montgomery Center. This is a half-day class and only covers CPR and the use of AED devices. It does not cover First Aid topics, which are typically covered in the full day Red Cross class on CPR/AED plus First Aid. To register for this half-day class, please contact Simon Cintz at training@thevillagesepc.org or 408-274-4549. Each person should bring a mat or large towel for floor activities. Class size is limited.

AED (Automatic External Defibrillator) devices are available at eight locations throughout The Villages, including our pools, gym, and Clubhouse. AEDs are designed to be used with CPR to help heart attack victims. Upon completing this class, you will receive an American Red Cross Certificate of Completion for CPR/AED that is valid for two years.

THANK YOU

I'd like to thank all my bocce and swimming pool buddies for the many thoughts, cards and good wishes during my recent illness. All were greatly appreciated. I miss all of you and hope to see you soon.

Mille grazie,

—Joe Pulis

BOUQUETS

Recently, we were given the responsibilities for the Intermission Refreshments at the three performances of "Blithe Spirit," presented by Villages Amateur Theatre. After a productive planning meeting with John Yu, Director of Food & Beverage, and Tom McLaughlin, Play Producer, to identify the various needs, it was a pleasure to be part of the team executing those activities with the support of Mary Tatum's staff for room preparation as well as Albert Salcedo's staff providing the water, wines and supplies. Special thanks to the Bartenders, who helped: Rafael on Friday evening, Elizabeth on Saturday afternoon and Maria on Sunday afternoon. *Most important appreciation* is for the Support and Generosity of those attending the three performances of Blithe Spirit.

SENIOR RESOURCE SERVICES

Time for an insurance review?

Suppose the Wine Country fires occurred in our Mt. Hamilton foothills? Suppose the uncontrolled fire spread into The Villages and destroyed your home? Suppose the Alum Rock earthquake had been stronger and closer to The Villages? Do you feel comfortable that you have the right property and casualty insurance for your needs?

Condo resident-owners need:

- general liability coverage of at least \$300,000
- building property coverage of at least \$5,000 to cover the deductible under the Association's policy
- loss assessment coverage of at least \$5,000
- adequate personal property coverage

Condo renters need:

- general liability coverage of at least \$300,000
- adequate personal property coverage

SRS has three resource volunteers with property and casualty insurance expertise. These volunteers are willing to come to your home and review your policy. The volunteers check your current policy for needed coverage, compliance with The Villages CC&Rs and for unnecessary duplication of the Villages coverage. Any suggested changes should then be discussed with your insurance broker.

Also, a memo explaining the Association's and Club's earthquake insurance coverage and the loss assessment allocation is available at the SRS office. Attached to the memo are examples based on different amounts of loss.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Notice:

Social Security—finally an increase

The Social Security Administration has announced a 2 percent COLA—i.e. cost of living adjustment—for Social Security benefits for 2018. SRS will soon publish information about the increase in 2018 Medicare insurance premiums.

VMA Transportation services

The Villages Medical Auxiliary (VMA) provides transportation to medical appointments, twice a month grocery/pharmacy trips and occasional meal pickup and delivery from the Bistro and Clubhouse Restaurant. Our driving hours are 8 a.m. to 6 p.m., Monday through Friday. Occasionally a medical appointment will require an earlier than 8 a.m. pickup and we make every attempt possible to meet this requirement.

A minimum of 48 hours' (two business days) notice is required to schedule a driver. Voice mails left after 2:30 p.m. weekdays or anytime on weekends are not retrieved until the following business day at 9:30 a.m.

For a fun trip to the movies or the local mall, check *The Villager* for driver ads from Villagers who drive Villagers for a fee. And with the popularity of Uber and Lyft, there are options to help get you out and about the area.

You may qualify for transportation through the Santa Clara Valley Transportation's Access Program. The process does take a bit of effort on your part. There is an application to fill out and authorization is needed to allow Access to contact your physician or licensed professional to verify your need for the service. You will be contacted by Valley Transportation's contract service provider or representative to set a date and time for a phone interview. Cristina will guide you through the process, call her at 408-238-4029 or email her at cfreyer@ncphs.org.

Unfortunately the demand for VMA drivers is greater than the supply. If you want to help drive Villagers as a VMA volunteer, the VMA reimburses for mileage and there is no regular scheduled driver commitment. Volunteer drivers determine when and how often they will drive. If you're interested in providing this service for your neighbors in need stop by the VMA office in Cribari Center (next to the post office) and pick up a volunteer application.

A typical drive takes a couple of hours out of your day but gives back tenfold in the appreciation you get from the Villagers you drive.

HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m.

Saturday October 28: Richard Bainbridge 9960-8335) will lead a hike for both ramblers and long hikers in the Palo Alto Arastradero nature preserve. This time we will explore the more challenging trails higher up in the preserve, which were inaccessible this spring. Long hikers can also cross over into Palo Alto's Foothills park for extra mileage. We expect to hike 5-7 miles with less than 700 ft elevation difference Dress seasonably and bring water and a snack. Afterward we will stop at a market on Alpine road for coffee and sandwiches. Round trip car mileage about 45.

Wednesday, November 1 (Rambler): Gary Holmquist (408-531-9779) will lead a hike to Santa Teresa County Park. The route will take us to Coyote Peak with a total distance of 4 miles with about a 600 foot elevation gain. There will be an optional lunch at Sweet Tomatoes following the hike. The driving round trip is about 30 miles.

Saturday, November 4: Grant Ranch County Park. The long hikers will hike 8-9 miles to the Overlook and beyond led by Nancy Rumble at 408-238-7535. The Ramblers can hike on the other trails in the park with a leader chosen by the participants. Wear boots and layers. Bring water, lunch and sticks. This is about a 25 mile round trip drive.

Wednesday, November 8 (Rambler): Susan Brown (498-531-9750) will lead a 4-5 mile hike around New Seasons. We will meet at our usual time at Cribari and drive to New Seasons. The hike will start outside of New Seasons, north on Silver Creek Valley Rd to Yerba Buena Rd. We will turn right on San Felipe and either walk back to Farnsworth and then back to New Seasons or take the short cut road back to New Seasons for refreshments.

Saturday, November 11: Dan Kato will lead a long hike around the Grand Loop at Mt. Diablo State Park. We will likely park and start at the Juniper Campground and take the clockwise route around Mt. Diablo. We start at the Deer Flat trail and will have lunch on the Bald Ridge trail where there are spectacular views of the bay area. After lunch we will complete the hike taking

Food and Beverage Committee to meet November 13

The Food and Beverage Committee will meet on Monday, November 13 at 10 a.m. at Montgomery Center. We will be reviewing current data and talking about the Clubhouse renovations.

Wine by the glass — just your size!

Sometimes just a single glass of wine is enough but sometimes, we all want just a little bit more. Now you have a choice. The bartenders and servers in the Bistro and Clubhouse offer both 6-ounce and 9-ounce glasses of wine. Like fine wine tasting venues elsewhere, our bartenders have wine pour samples on the counter to ensure accurate amounts for both sizes. Salut!

Join our team of Villagers helping Villagers

Everyone needs a helping hand at some point in their life. The Villages Medical Auxiliary (VMA) volunteers lend that hand to fellow Villagers. Whether it's driving a Villager to the doctor, pharmacy or grocery store; delivering a meal from the Clubhouse or Bistro; delivering medical equipment to help a Villager at home; or staffing the VMA office desk; volunteer assistance is critical to the VMA continuing its 40-years of service to Villagers.

Volunteers represent the essence of community service. Each year we serve hundreds of residents with personalized services and you can be a part of this dedicated team. Stop by the VMA office in Cribari Center and sign up. You can choose when you will work and how often. Any help is appreciated. Join our team and help enrich your life and that of your neighbors.

Come to San Francisco Opera to see Puccini's Turandot

Here is an opportunity to see Giacomo Puccini's Italian opera Turandot—his unfinished opera.

Performance is a Sunday matinee on December 3 in the opulent War Memorial Opera House in San Francisco. Seats are in the Orchestra section with a curtain time of 2 p.m. The Royal Coach promptly leaves the Villages east Cribari parking lot at 11:30 a.m. with an estimated return time of 9:30 p.m.

Cost for transportation, performance and dinner is \$165 per person.

The performance is followed by a dinner in the Fishermans Wharf district at Swiss Louis at Pier 39. Because of the restaurant location, there will be a short walk and a stair climb (an escalator is available if you have problems climbing stairs).

Dinner menu includes your choice of: Spaghetti Pescatore (baby clams, calamari and prawns in a tomato garlic sauce), Broiled Salmon (in a lemon garlic sauce with sautéed vegetables), or a New York Steak (with mushroom sauce and sautéed vegetables.) All entrées come with a garden salad, bread and butter, coffee or tea and a Tiramisu dessert. (A vegetarian option is available upon request.)

Premiered at La Scala in April 1926, five months after Puccini's death, the opera—set in China—is about a prince who falls in love with the icy Princess Turandot. As her suitor, he has to solve three riddles—a wrong answer results in his death. He successfully solves the riddles, but Turandot refuses to marry him. You'll have to come along on the coach to find out what happens in this dramatic story based upon the work of 12th century Persian poet Nizami, that became a play adapted by Friedrich Schiller in 1801.

Regardless of the details, Puccini's scores always please, and Royal Coach Tours always spirit you to the City by the Bay in carefree comfort.

Register beginning Monday, October 23 in the Community Resource Center in Building B. Sign up and treat yourself to a relaxing afternoon set to the music of Puccini the master composer of Italian opera!

Chair and Standard Yoga starts November!

Beginning November 1, we will offer both Standard Yoga and Chair Yoga 30-minute classes. Exercising while seated allows each person to better control the level of effort expended on each pose thereby, minimizing the possibility of injury. Yoga is the best way for you to maintain a youthful body, improve balance and stability and get rid of chronic aches and pain. It restores youthful vitality and energy while at the same time strengthening the body and slowing the aging process. Hiking Club: Photography for hikers, walkers, non-photographers

Have you ever been on a hike or just walking around and see a scene that you just loved and wished you had a camera with you? Well you most likely did. If you had a smart phone on you, you certainly did. And if the smart phone was fairly one of the latest models you had a very good camera too. Sy Gelman is not only the president of the Villages Hiking Club but also an active member of The Villages Camera Club. He has won a number of photography competitions not only at our local club but also competing against 15 other Bay Area camera clubs as well. He will show you how to easily use your cell phone to take better pictures by explaining basic composition plus how to make your pictures "pop" using Snapseed, a free app that you can download on your smart phone. With little technical ability and just a few "clicks" of your finger you can take pictures to be proud of. The presentation will begin after a short business meeting at Cribari Conference Room on Monday, October 30 at 7:30 p.m. All Villagers are welcome to this fascinating and informative program. For more information call Sy Gelman at 408-532-1239.

Global Village: 'Living Deeply'

By Laura Leshchiner

The next Global Village community will meet on Wednesday, November 1 at the Patio Room at 7 p.m. The dialogue will come in a form of "Satsang." In Sanskrit, this word means association with those who are spiritually oriented. Spiritually oriented people agree on some basic assumptions:

1. We are actually spiritual beings experiencing life in human form.
2. We are simply energy, which can never die but can only change form.
3. Conceptions of our life are dual in their nature: good or bad, right or wrong, black or white, love or fear.
4. We see ourselves as separate from one another when in reality we are inseparable.
5. There is an understanding that humanity is undergoing a quantum leap in its evolution causing us to seek higher truths.
6. There is an understanding that the human spirit is an incredibly powerful force of creation.

On the last meeting in October we all agreed to share our experience on what it means "Living Deeply" and how it affects our lives and the lives of our family, friends and people we interact with. Be prepared to participate in a dialogue and you will have the most welcome and sympathetic audience.

Genealogy Club: tools to organize research

The Genealogy Club will meet on Thursday, November 2, 10 a.m. in the Cribari Conference Room. Questions can be directed to Linda McMullen at 510-507-1400 or lindavillage8392@gmail.com

FROM THE BOOKSHELF

By Wate Bakker

“Wired” by Julie Garwood: Imagine a college girl, whose real love is writing and hacking code and her dream is to write a new security program that could revolutionize the tech industry. She is also gorgeous and to earn money for college she models on the side. Then comes a hot shot FBI agent who has a problem: a leak deep within his own department. He needs a topnotch, but unknown hacker to break into the FBI servers. At first she turns him down but finally she relents. Will sparks fly? Trust Julie Garwood, a trusted brand name in romantic suspense. Fiction 2017.

“Less” by Andrew Sean Greer: You are a failed novelist, about to turn 50. A wedding invitation arrives in the mail; your former boyfriend of nine years is about to be married to somebody else. You don’t want to say yes and can’t say no—it would look like defeat. On your desk are invitations to half-baked literary events around the world. Question: How do you arrange to skip town? Answer: you accept them all. Many adventures follow, a scintillating satire of the bumbling American abroad. But the novel is above all a love story. Thus true love is found, but is it all a human comedy? Fiction 2017.

“The Girl Who Takes An Eye For An Eye” by David Lagercrantz: Stieg Larsson has been dead for years, but Lisbeth Salander and Mikael Blomkvist live on, maybe forever, if the novels keep selling. With each new novel the plot(s) gets more complex. Lisbeth sees a chance to uncover the most closely held secrets of her traumatic childhood. But her many enemies, now including Muslim fanatics after she helps a young woman escape their brutality, are trying hard to sabotage her. Will she succeed? Of course with Mikael’s help she will and bring her many enemies to their knees. Large print, mystery 2017.

“Little Fires Everywhere” by Celeste Ng: Elena Richardson lives in Shaker Heights, a well organized neighborhood, with many rules. Elena likes it that way. In come Mia Warren, an enigmatic artist, and her teenage daughter, Pearl. All four Richardson children are drawn to the mother-daughter pair, who quickly show a disregard for the status quo. This can’t last long, but the story from here on in is too complex to summarize, thus you must read the novel yourself to find out what’s going to happen. Large print. Mystery 2017

“A Legacy of Spies” by John Le Carre: The cold war is over and all the spies have come home and most are retired. Peter Guillam, staunch colleague of George Smiley, is living out his retirement on the family farmstead. A letter from the British secret service summons him to London. Is his past coming back to bite him? Is a new generation of bean counters, with no memory of the cold war, going to scrutinize his actions and those of his colleagues, which seemed fully justified so long ago? Interweaving past and present John Le Carre has spun a single plot, just as riveting as that of “The Spy Which Came In From The Cold” and “Tinker, Tailor, Soldier, Spy.” Large Print, Mystery 2017

Swingers’ 2018 Charity of Choice—you can help!

It is staggering to learn that the cost of homelessness in Silicon Valley is \$520 million dollars/year. Experts dealing with this crisis know that providing homeless folks with basic articles and support services greatly reduces this cost. The Swingers Women’s 9-hole Golf Club chose to support Charitable Outreach, a program through our VMA to the homeless, with their 2017 Charity of Choice event, “Pizzazz for your Holiday.”

“Pizzazz” will be at the Villages Clubhouse on Wednesday, November 1 from 10 a.m. to 12-noon. Everyone could use a little bit of pizzazz and you will find it in an entertaining series of demonstrations including napkin folding, vegetable/fruit carving, flower arranging, a cooking demonstration (a festive appetizer to wow your guests) and table setting tips, all interspersed with a parade of fashions. We are pleased to partner with Stein Mart for home goods, fashions and accessories. You will also receive a holiday drink, nibbles on your table, the delicious appetizer and a take-away book with coupons, recipes and hints.

Tickets are \$40, prepaid or billed to your home by phone or email to Wendy Ledamun at 408-274-4215 or wledamun49@gmail.com.

VMA Cancer Support Group to meet

Cancer touches nearly everyone, if not personally, through a relative or friend. The Villages Medical Auxiliary (VMA) understands the need for support during diagnosis and treatment and afterward when cancer survivors work to move on with their lives. With this in mind, the VMA is sponsoring a cancer support group. The next meeting is Thursday, November 2 at 11:30 a.m. in Montgomery Center.

The support group is facilitated by a CAREpoint social worker and registration is required. To register, contact VMA Social Service Coordinator Cristina Freyer at 408-238-4029 or cfreyer@ncphs.org.

Cancer CAREpoint is a local non-profit organization providing support to anyone impacted by cancer in Silicon Valley no matter where medical treatment is provided, cancer type or insurance status. For more information about these free services, visit www.cancercarepoint.org, email info@cancercarepoint.org or call 408-402-6611.

This support group is just one of many services provided by the VMA free to all Villagers. VMA programs are made possible by Villager donations. We thank you for your support and urge you to consider the VMA when deciding your charitable donations for the year.

Opera Lovers to present Puccini’s Tosca’

Join Opera Lovers for this compelling two hours showing of “Tosca,” a story of lust, passion and crime. It was originally written by Sarah Bernhardt based on a play by Victorien Sardou. This drama of idealistic young love begins in a beautiful church scene where the master painter, Cavaradossi, is painting a picture. Suddenly there is a commotion and he discovers a friend who is being pursued by the police and Cavaradossi tells him to hide at his villa. Tosca, the painter’s lover enters followed shortly by the evil Chief of Police, Scarpia, who arrests Cavaradossi, for hiding a prisoner. Scarpia begins to torture him badly and says he will kill him. Tosca is so terrified by the torture that she tells where the prisoner is. Scarpia says he’ll save him if Tosca agrees to come to his apartment.

The second act is in Scarpia’s apartment in the Castle San Angelo where he tries to seduce Tosca, but she finds a knife and kills him. Tosca believes she will see Cavaradossi again, but discovers that he has been killed. When Scarpia’s body is found, Tosca runs up to the tower and tragically jumps off.

We’ll meet at 1:30 p.m. on Friday, November 10 at Vineyard Center. Our operas are open to all. For more info, call Bonnie Preston at 408- 531-1415.

SIR 114: 'Fighting Crime with Rocket Science'

Dr. David Hathaway will speak on "Fighting Crime with Rocket Science" at the SIR 114 Luncheon on November 7. Ladies and non-members are welcome to come at 12:45 p.m. to listen to the speaker.

Dr. Hathaway has a Ph.D. in Astrophysics from the University of Colorado in Boulder. He was a Postdoctoral Fellow in the Advanced Study Program at the National Center for Atmospheric Research in Boulder, Colorado; an Astronomer at the National Solar Observatory in Sunspot, New Mexico; and an Astrophysicist at NASA—for 29 years at Marshall Space Flight Center in Huntsville, Alabama and for three years at Ames Research Center in Moffett Field, California. He has over 200 publications and three patents. He was NASA's Inventor of the Year in 2002 and was a recipient of NASA's Exceptional Scientific Achievement Medal and the Space Foundation's Space Technology Hall of Fame Medal. He retired at the end of 2016 to a blissful life in the Villages and is a new member of SIR#114.

Dr. David Hathaway

In 1996 the FBI came to NASA asking for help in clarifying video and still images from the Atlanta Olympic Park Bombing. Dr. Hathaway was one of four chosen by NASA to assist the FBI in this task. In the process of working with the FBI, Dr. Hathaway (along with Mr. Paul Meyer, also from NASA) invented a new process—VISAR (Video Image Stabilization And Registration) for getting clearer images from video. This process proved very helpful to the FBI. Dr. Hathaway was later asked to help with other high profile FBI cases (the Elizabeth Smart Kidnapping, The Katie Poirier Kidnapping and Murder, the Carlie Brucia Kidnapping and Murder, and the Danziger Bridge Shootings in New Orleans after Katrina). Over the course of 15 years Dr. Hathaway worked on over 60 criminal cases for various law enforcement agencies. He has been featured on five episodes of "America's Most Wanted," episodes of "Forensic Files," "On the Case with Paula Zahn," and "Beyond Reasonable Doubt," and has been interviewed on air by Greta von Susteren and Nancy Grace.

Dr. Hathaway will present the background behind VISAR along with examples from some of these cases at the SIR 114 November Luncheon.

More CLUBS

Library volunteers needed

The Villages Library needs new volunteers to keep the library open to accommodate all the Villagers who enjoy coming everyday. You must be able to reach up high and stoop down low in order to shelve books. You must be able to walk without assistance. We are interested in volunteers who live here most of the year and who can devote their time working in the library weekly or as a substitute when called.

No, you do not have to be a librarian. All you need is a little free time and we will give you appropriate hands-on training.

If you are interested, please contact Jim Beyer at jim390@comcast.net or 217-898-6723. You can also come into the library and leave your name and phone number.

Elementary School needs

Champion volunteers

John J. Montgomery Elementary School needs you! We are in search of volunteers to support the **Asset Building Champions** program, which builds relationships with young people by reading selected books and leading classroom activities and discussions with a focus on respect, tolerance, peaceful conflict resolution, caring and friendship. Children learn what to do if they encounter bully behaviors and how to become an UP-stander.

All training and materials will be provided, as well as, any other support needed to make this volunteer opportunity successful for you. The time commitment is approximately two hours a month, one hour of training and one hour in the classroom reading a book and working with students to complete an activity. Our hope is to have volunteers available for all 16 of our first through sixth grade classrooms. For more information, please contact Catherine Azevedo (daughter of Villages residents Jerry and Priscilla Simms) at 408-270-6718 or cazevedo@eesd.org

Hiking Calendar

(Continued from page 7)

the North Peak, Summit and Juniper Trails. Being November it will likely be cool with a rare chance of snow (it has happened) so dress in layers. Bring lunch, hiking poles and water. This is a strenuous hike of about 6 miles, not that long, but there is a good 2000-ft climb up and down and some mild rock scrambling. After the hike there is a traditional, though optional, stop at Pete's Brass Rail and Car Wash in Danville. Round trip is about 120 miles and by then we will be back on standard time so **we will meet at 8 a.m. at Cribari rather than the usual 8:30 a.m.** If you have questions call Dan at 408-300-0759.

Wednesday, November 15 (Rambler): Caryl Swinyard (498-270-3243) and Cookie Hunley (408-677-349) will lead a 5-mile hike on the Coyote Creek Trail from within Hellyer County Park to the Library on Tully Road. Distance will be approximately 5 miles. The hike will begin at the Velodrome (bicycle racing arena) within the Park and continue north on the Coyote Creek Trail (out of the Park) to the San Jose Library on Tully Road. We will then retrace our steps and return to our starting location. For those who want to go to lunch after the hike, we will plan to eat at Panera's on Cottle Road. Driving distance is about 12 miles round trip.

Saturday, November 18: Wate and Johanna Bakker (408-223-2190) will lead hikes on the newly opened trails around mount Umunhum. The long hikers will hike the 7.4 miles round trip trail to the top starting at the mount Baldy parking lot. Total elevation gain 1150 ft. The rambles will hike the 1.4 rt trail to mount Baldy, and then proceed by car to Mount Umunhum by car to enjoy the views from the mountain top and the many exhibits about the cultural and natural history of the area and hike another 0.5 miles there. The Mid Peninsula open space district intends to make Mount Umunhum the equivalent of Mount Diablo in the South Bay. Lunch will be at the mountaintop. Dress seasonably and bring water and lunch. Round trip mileage approximately 40.

Highland/Glen Ardenites!

Please join your neighbors for our annual fall dinner on Thursday, November 9. Social hour begins at 5:30 p.m. and dinner is at 6:30 p.m. in the Fairway Room.

The menu:

- 1) Turkey with stuffing, mashed potatoes, gravy, peas and cranberry sauce - \$32.50
- 2) Chicken Parmigiana, marinara sauce, pasta, vegetables - \$32.50
- 3) Grilled Petrale Sole Dore, sauce, rice pilaf, vegetables - \$32.50

All items include a tasty fall salad. All prices are inclusive. Recent attendees can expect a call before November 2. After that, for all reservations or cancellations, call Sally at 408-238-1470

Remember: no-shows will be charged.

Villager Jim Paradis wins ribbons at East Valley Artists Show

By Barbara Gottesman

Villager Jim Paradis won two ribbons at the East Valley Artists annual Juried Show on October 14 and 15. His mixed media "Eye on the Universe" won the blue ribbon and his "Caught Red Handed" won a green ribbon.

Started 50 years ago, East Valley Artists includes in its membership many Villages artists. The juror for this show was George Rivera, a Villager who recently retired as assistant director of Triton Museum. George's comments are very enlightening about the excellence of works by East Valley Artists and about Jim in particular:

"Within this very strong body of works that I was reviewing to determine awards for, I came upon two works in particular that just stopped me in my tracks. These two works immediately told me two key things which I look for in the success of any work of art, that there is harmony between the mastery of technique and the artist's idea and intent merged seamlessly together in a fresh and confident manner. Both works intrigued me and I found myself returning to them time and time again. There were many exceptional works in this jurying process, awards were given, but over time there will be two works in particular that will stay etched in my memories for a long time. The two works by Jim Paradis."

Jim will be honored with a solo show on November 10 with a reception from 1:30 to 3 p.m. in Cribari Conference Room.

COMMUNITY CHAPEL

By Pastor Bill Hayden

I remember as a child being taught to say a little prayer before going to bed. I would say, "Now I lay me down to sleep I pray to the Lord my soul to keep. If I should die before I wake I pray to the Lord my soul to take." The author is unknown and there are different variations of this prayer that you may have heard during your childhood. I never gave much thought to what I was saying as a child, other than it rhymed and sounded cute. Whenever I said that prayer, my sleep was sweet and restful. Today, I think that simple little children's prayer has a lot of relevance in our world, especially with today's reoccurring events.

Victims generally have no clue about the day or hour that their lives will come to an abrupt end from some violent act, and we ask, "Why?"

As kids we could go just about anywhere, for a walk or on a bus ride without thinking about being kidnapped or becoming a victim of senseless violence. There were times we would hitchhike from one side of the city to the other, day or night. For those of us who lived in that era we yearn for the return of those days. It's sad to say that those days are gone forever, especially in our cities.

As children when we went to sleep at night there were no worries about any violent acts that would or could occur.

So tonight when you lay down to sleep remember this: **"Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid." John 14:7 NIV.**

Bless us with your presence and join us this Sunday at the Villages Community Chapel in Cribari Auditorium 10 a.m. to be encouraged over the Word, a cup of coffee and cookies. **The chapel is a place for needs to be met, faith to be affirmed and people to love.** We would love to meet you. If you would like to make an appointment with Pastor Bill please call the office at 408-238-3079.

SPORTS NEWS

SWINGERS

By Mary Wagle

Our Swingers mixer with the Pinseekers was held on October 17 where we had a fun morning of golf, and a delicious lunch with all participants right after. The day started off considerably cooler than the previous two days, and we had 35 participants in the mixer. Congratulations to the winners: Flight One – Dennis Cullen, Tak Okabe, Pam Short, and Judy Frey; Flight Two– David Cook, Mary Wagle, Maryann Yahiro, and Wendy Ledamun.

To see the full list of winners, turn to the Scoreboard page.

We also had 23 ladies playing, as usual, on Tuesday. There were no regular sweeps, but this was our Eclectic #3 play. Congratulations to Jan Flynn for a chip in on hole #18.

All three ladies' clubs are being encouraged to attend the Swingers' November 1 Charity of Choice event, Pizzazz for Your Holiday. This event is \$40, and it will be held at the Clubhouse from 10 a.m. to noon. Proceeds will benefit Charitable Outreach, which provides support services to the approximately 7,400 homeless in Santa Clara County. At the event, you can practice fancy napkin folding, learn about vegetable or fruit carving, and floral arranging, plus there will be a cooking demonstration. We are thrilled to partner with Stein Mart for fashions and home goods. The Swingers are hoping for lots of lady golfers to sign up for our November 1 Pizzazz for Your Holiday.

The previous week, on October 11, all three ladies' clubs celebrated the seasonal changes (and tacos and margaritas) together at the Fall Fiesta, and 44 Swingers participated with the 130 total attendees. Carol Begley, Laura Swenson, and Mary Wagle worked on the event together with at least two representatives from each of the other two clubs.

To conclude: we all enjoy the game of golf but it can be frustrating at times. For example, you get on the green in two or three, and then four putt. Frustrating! So, guess why they call the game "golf"? Because all of the other four-letter words are taken. Smile, and keep the faith! It's golf.

Doreen Senior, October Captain's Trophy Winner.

18-HOLE WOMEN

By Susan Dooley

Wow! What a great day we had raising money for cancer. The weather cooperated, the game was a fun two best ball Stableford format and we got to play bingo, use mulligans and even have Hannah Summerhays drive for us on #2. After Hannah's drive, it was almost a chip to the green for a birdie—in our dreams.

Pam Schramm and Mary Chaboya, along with their awesome and dedicated committee, went all out selling opportunity drawing tickets for lots of fun donations as well as collecting many money making silent auction items. Our Golf Pro, Hannah Summerhays, donated two "one hour private lesson," which were the most sought after items. The lucky winners were Asako Nakamura and Jan Kiernan. Along with wonderful wine baskets, hotel stays, rounds of golf, etc. a favorite auction item was Dinner for Four with our local firefighters #11 at the fire station outside our Villages Gate. This was purchased by Karen Harsany. Very, very lucky ladies!

Even though this is Breast Cancer Awareness Month, our event benefited all cancers. We had the privilege of celebrating our member survivors as well as remembering those who did not survive. It will be very exciting to hear the amount raised by our generous and hardworking members and their guests. The list of Cancer Survivors from our Villages Women's 18 Hole Golf Association is in the Posting Room.

The Cancer Tournament had no birdies and no chip-ins. Just lots of other winners—especially the American Cancer Society. And, many thanks to the wonderful committee who made this such a successful day: Co-Chairs Pam Schramm and Mary Chaboya and their 2017 Cancer Committee: Cindy Fuller, Diana Hallock, Vicki Krattli, Karen Harsany, Janis LeCompte, Lyn Strong, Mary Jo O'Neill, Betty Samdahl, Vivian Brown, and Judy Rodriguez. Kudos to all!

A reminder—nominations for our Outstanding Service Award are due November 15 and you can pick up the forms in the posting room.

The slate of nominees for our 2018 Board has been announced and we will vote on them at our General Meeting on November 2. Nominations may also be made from the floor. This is an important meeting to attend so please plan to be there and support our election of officers.

Private Lesson winners Jan Kiernan and Asako Nakamura, with Hannah Summerhays in the middle.

Co-Chairs Pam Schramm and Mary Chaboya.

BOCCE BEAT

By Elly Burnett

The Fall Round Robin tournament is now over but not forgotten. Playoffs and championships took place all of this week. Results will be posted next week, and awards will be handed out to the surviving victors and second place teams for all 2017 tournaments at the Annual Awards Banquet, November 4. See our ad, which has been appearing in The Villager and blasted in the Fast Lane.

Our new Hallowe'en Bash will be held this afternoon with costumes being optional. Remember to bring a snack to share and something to drink for yourself.

Our annual general membership meeting is being held on Monday, November 13 from 1 to 3 p.m. at Vineyard Center. Refreshments will be served. Please be sure to attend.

The official 2017 Bocce tournament season is over, but because of players' requests to continue, there will be time allotted for bocce members to get together on every Thursdays from 12 - 1:30 p.m. to play each other in fun matches and friendship. As time proceeds, if more time is needed, our court manager will see that that we get it.

For now, thank you all for participating in this past season, and see you at the courts and all of the events as well...

TABLE TENNIS

Progressive Table Tennis Tournament

By Alan Waltho

The table tennis club proposes to organize a friendly tournament to be held over a period of a few weeks in November. The objective is to encourage players to meet and play others of similar ability while providing a mildly competitive environment by which to measure a player's ability and an opportunity to progress from levels C through B to level A.

Concept:

All interested players sign up and are divided into groups of five to eight players within which a round robin is played. Level C groups play first with the winners of each group being automatically added to the Level B groups. They can then compete against the higher level players. The winners of the Level B groups would then join the Level A groups.

Each round robin event would take typically two and a half to three hours and could be played on Friday afternoons, Friday evenings or on Saturdays. The length of games will be decided once we know how many will be in each group. The objective would be to make the games last long enough so that each player in the group would get about 30 minutes of play.

Sign up by e-mail to alan.waltho@comcast.net indicating your level and days when you can play.

TENNIS TALK

By Howie Blumstein

I am repeating the following from last week's Tennis Talk article because I want to reinforce something tennis participants would appreciate if the shoe were on the other foot.

It has come to my attention that there have been sign-ups to play tennis on Courts 5 and 6 starting at or after 10:30 a.m. when one of the other four courts are available. Pickleball can only be played on Courts 5 and 6 starting at 10:30 a.m. Sign-ups for courts to play tennis can be made "one week and 10 minutes prior to the time of desired play." Sign-ups to play pickleball can be made five days and 10 minutes prior to the time of desired play. As you can see, reserving a court to play tennis has an advantage to reserving a court to play pickleball. It would be courteous and neighborly to our friends that play pickleball to sign up and play tennis on one of the other four courts, if available.

Some facts about tennis you may not have been aware of: Tennis balls were originally made of leather and stuffed with hair or wool. The original tennis courts were shaped like an hourglass. Tennis was originally played with hands.

"An average men's match at Wimbledon takes two-and-a-half hours during which the ball is in play for only 20 minutes."

"What matters isn't how well you play when you're playing well. What matters is how well you play when you're playing badly." - Martina Navratilova

PINSEEKERS

By John Eige

The weather on this October 17 was perfect for a fall day. The ladies Swingers had the Fall Mixer with us, and we all had a good sack lunch afterward at the Vineyard center. Our Events guy, Dick Frey, with a lot of help from many Swingers, did a good job of organizing.

The middles of the fairways on Holes 1 and 2 were being worked on, so we managed to stay near the outer edges. After that, the fairways were clear.

The results were calculated and announced by Alan of the Pro Shop. He also volunteered to post our scores from the mixer. (He is always a big help to our clubs!)

There were two flights, separated by the sum of handicaps in each foursome. To see the full list of winners, turn to the Scoreboard page.

We noticed that all winning groups in Flight Two had better scores than any group scores in Flight One. That might mean that the higher handicaps are more advantageous than skill in this format? There is hope for us erratic players!

Twenty-five members and two qualifiers played on October 17 and tried to beat our pro Tim Flanagan. We drew numbers and the lucky ladies who played with Tim were Carol Strong and Kathy Tanaka. Welcome to our qualifiers, Denise Alderson and Sue Herfurth. Barbara Karayn found the only birdie on Hole #8. Lots of us did well in spite of our newly aerated greens.

We then met at Montgomery Center for our Bag Lunch, cookies, and the very important general meeting. Captain Meg distributed four signup sheets: committee chairs/co-chairs for 2018, cookie signups, starter/scorer signups, and substitutes for starter/scorers. Hope they all were filled up by the end of the meeting. Tim Flanagan gave us some nice compliments and then he distributed very nice looking Beat the Pro pins to the 16 golfers who had net scores lower than his gross score of 28. Thanks so much, Tim.

The next highlight was the announcement of our Championship Tournament winners by Betty Stednitz. There were eight winners out of the 17 who completed the three-week tournament in September. Huge congratulations to Sheryl Driskell our overall champion. Flight One winners were Judy Volm, Ann Campbell, and Barbara Karayn. Flight Two winners were Bonnie Evans, Meg Rogers, Tahera Khalil, and Kacy Walden.

A special surprise guest was our General Manager, Tim Sutherland. He is keeping busy getting acquainted with all of the Villages groups and welcomes contact and feedback. The motto to remember is "it is okay to disagree; it is not okay to be disagreeable!" Good words to live by.

We unanimously elected the 2018 Board, which had been selected by our nominating committee. Meg Rogers will continue as Captain; Co-captains will be Kacy Walden and Bonnie Evans; Secretary will be Barbara Karayn, and Treasurer will be Teddy Morse. Looks like another group of hard-working members.

Carol Begley from the Swingers visited us and asked us to sign up for the Pizzazz event on November 1. See the Posting Room for more information and sign up by October 27. Sounds like a fun day and it is for a worthwhile cause.

Finally, please let Meg know right away if you plan to change your membership status for next year or if you have changed your address or e-mail. One more reminder: meet at the Bistro at 8 a.m. on October 31 ready to order breakfast and dressed in a Halloween costume.

Got treats?

On October 31, the Ladies Long-9 golfers (a.k.a. The Swingers) will celebrate Halloween with a special tournament.

The morning starts at 7:30 a.m. with breakfast treats and a costume party at Vineyard Center. Best costumes will be rewarded special treats!

At 9 a.m., we'll tee off per our usual routine with a few tricky twists! There are no extra fees for this fun tournament, scores will be posted and sweeps awarded. We hope you will join us!

FROM THE PRO

Overseeding of Fairways moving along nicely! Overseeding of the fairways on the long course has started and is moving along nicely. We expect to have all the fairways overseeded by the end of next week. Carts will be limited to "Rough Only" on overseeded holes for approximately 14 days after they are seeded to allow for germination.

Currently holes #1, 2, 3, 4, 5, 10, 11, 12, 13, 14, 15 are limited to rough only. You will see small flags lining the fairways on completed holes indicating that on these holes carts are not permitted in the fairway. Thank you in advance for your cooperation.

There will be no complete hole closures, so all members will be able to play a full 18 holes of golf during this process. We will keep you informed on a case by case basis every day as to which fairways will be affected and when. Please adhere to the no carts in the fairway rule during the 3-4 week duration

of the overseeding process... your cooperation will go a long way!

Fall Aerification is complete. At this time all of the greens, collars, fairways and tees have been aerated and top dressed and are now in the reparation process. Thank you for your patience and cooperation during this process. Please play "Winter Rules" until further notice, defined as six inch relief, pick, clean and place, through the green, no nearer the hole.

VILLAGES GOLF COMMITTEE - TEE TALK

'Golf For Gazebo Park' tournament results

By Larry Dorsey

What a day, what results! Thanks to a very pleasant 74-degree weather, 92 golfers played in either the Par 3, 9- or 18-hole tournaments. There were three flights in the 18-hole tournament, one in the 9-hole tournament, and one for those playing the Par 3. The scoring was incredibly low in this shamble format (see the Scoreboard Section in the next issue for all results). In all, 40 players finished in the money. Noteworthy was that 100 people came for dinner in the evening following play.

This tournament was a joint effort of the Evergreen Villages Foundation (EVF), the Villages Golf Committee (VGC), and the Pro Shop to promote the possible future renovation of Gazebo Park. This was one of those win-

win-win situations. Golfers gave, got back, and the beneficiary was Gazebo Park for all of us. Dinner was a catered event at Gazebo Park and the weather was perfect after a somewhat cool day. Again, thanks to all those that contributed and participated. Lastly, all of this would not have happened without the

leadership of EVF President Vivian Brown, head PGA pro Scott Steele, and the VGC. Many others helped and that included Julie Sherman of the EVF, Teddy Morse who worked with the Par 3 group, and all the volunteers that helped Vivian and Julie. Watch for the final results and report in next week's Villager.

Bidding: East	South	West	North

Pass	1 Spade	Pass	4 Spades
All Pass			

Contract: 4 Spades by South
Opening Lead: Queen of Hearts

Dealer has 1 possible loser in Spades, 2 to 3 losers in Hearts, and a loser in Diamonds.

Strategy: Must make a decision with the Spade finesse. Sometimes playing other suits might give South information about who has the Queen of Spades. Other times transportation problems lends itself to finesse from dummy.

West leads the Queen of Hearts, North, the King, East, the Ace, returns the lead, West takes the trick with the Jack, switches to a Diamond, South uses the Ace from the board. He then plays the Ace and Queen of Clubs; next leads the Ace of Spades, continues with the Jack, East, ducks, South finesses and is happy. He continues with a Spade and captures the Queen with his King. He leads the King of Clubs and then the Jack, sluffing 2 Diamonds from the board. He plays a Heart, trumps it, follows with a Diamond, East takes the trick with the King, continues with the Queen, South wins with his last card, a Spade. Great! The contract is made exactly.

* North is too strong to open with 1 NT showing 15 – 17 HCP and jumps to game after his partner shows at least 4 Spades after passing the first time.

Along the Way—a trip down Memory Lane (With Tom Zades—contact him at: tomzades@gmail.com)

Our generation probably remembers when computers were massive pieces of equipment that could only be owned and operated by large organizations. Names like Univac and Cray (or their predecessors) come to mind. This scenario gave rise to the fear of government intruding into our personal lives in much the same way as portrayed in George Orwell's futuristic book, "1984." Government was seen to become by 1984 "Big Brother," always watching the individual and controlling his life by owning and controlling these massive computers.

Interestingly, with the profit motive as the "invisible carrot" and competition as the "invisible hand," innovation in the private sector had by 1984 led the way to the smaller, faster, more affordable personal computers (PCs). If anything, the more bureaucratic, "slow-to-change" public sector had fallen behind. The best software programs were being written for the PC, and the best engineers were being drawn to the leading edge in the private sector, away from support of the older programming languages of the mainframes.

However, with the attacks on the World Trade Center on September 11, 2001, a curious reversal in the order of things seems to have taken place. The U.S. government began to use the latest technologies and hire the brightest people to enhance electronic surveillance of foreign and domestic individuals and entities. By 2013 virtually all emails and phone calls were evidently capable of being tracked and noted. The underlying premise of George Orwell's book has perhaps come to pass. Government is now ahead of the private sector as a result of hiring and funding the "brightest and best" in reaction to 9/11.

OBITUARY

William Albert Kayser
September 2, 1944 – October 13, 2017

Bill was a native of San Jose. He graduated from Bellarmine College Prep and received his master's degree in psychology from California State University, San Jose (now known as SJSU). He worked as a psychiatric technician at Agnews State Hospital while attending college. Then he began a long career as an Adult Probation Officer with the County of Santa Clara. He continued his formal education at Lincoln University earning his Juris Doctor. He opened a private practice, specializing in family law, which he maintained until 2004.

Bill was an avid reader and had a thirst for knowledge. He enjoyed sharing his knowledge and gaining more insight through conversations and debates with family and friends.

Bill had many hobbies and interests. In his earlier years, he enjoyed riding his motorcycle through the mountains and playing tennis and racquetball with friends. He also enjoyed golf, fishing and hunting. A trip to Africa was a dream he was able to fulfill. He was also a collector of books, watches, model cars, stamps and coins, among other things.

He is survived by his wife of 52 years, Kristie, his children, Karen Geyer, Alan Kayser (Jenni) and grandchildren, Jenna, Sara and Alyssa Geyer. He is also survived by his sisters Judy Fitzgerald, Marcia Simonian, Linda Kayser, Susan Grace and Holly Housley and several nieces and nephews. He was predeceased by his parents Dr. Frederick Kayser and Thelma June Kayser and his brother James Kayser.

He will be missed.
