## LOCAL RULES:

**Out of Bounds:** The boundaries of the course are identified by: white posts/stakes, street curbs and boundary fences. A ball coming to rest on another part of the golf course after crossing a public street is out of bounds. **Balls Lost or Out of Bounds:** A player may still take a Stroke and Distance Penalty (Rule 18.2) and re-hit from the original spot if he so chooses. Option 2 for balls lost or out of bounds OB: A player may take the spot where the ball was lost or crossed the OB line and go directly across from this spot to the edge of the fairway and drop within 2 club lengths, no nearer the hole, and incur a 2-stroke penalty.

**Penalty Areas:** All lakes are Lateral (Red) Penalty Areas. Where both stakes and lines are present, stakes identify penalty areas, lines define penalty area margins. The streams and pond on #9 and #18 are Penalty Areas (Yellow). An optional Drop Zone is provided for a ball entering the pond left of the bridge on #18.

**Obstructions:** A ball that comes to rest in the cart storage facility or adjacent maintenance facility may be lifted, cleaned and dropped within the Drop Area provided adjacent to the cart facility, without penalty. Other interference to stance or swing allows for relief as an Immovable Obstruction.

**Cultivated Flower Beds:** All flowers beds other than those in Penalty Areas are Ground Under Repair, required drop, no penalty. The flower beds between holes #6 and #7, surrounding the practice green, and to the left of the pond on #18 are Ground Under Repair within a Penalty Area; play is prohibited. One-stroke penalty (Rule 17.1). Drop zones are provided for holes #6, 9 and 18.

**Sprinkler Heads on Fringe:** If a fixed sprinkler head within two club-lengths of the putting green and two club-lengths of the ball interferes with the intended line of play between the ball and the hole, the player may take relief as follows: the ball must be lifted and dropped at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids interference, and (c) is not in a bunker.

**150 Yard Italian Cypress Trees:** The 150 Yard Italian Cypress Trees are considered an integral part of the golf course and as such will be played as a standard tree. No relief is provided in any capacity.
