Come to Crafters Sale this Saturday

The Crafters Club is hosting its Summer Crafters Sale this Saturday, June 16 in Cribari Auditorium. Over two dozen crafters will be showing their work. Among them will be Marilyn Murata who has been creating her crafts for the Villages Boutique and various art and craft events for over 10 years.

Marilyn enjoys the opportunity to see her repeat customers and meet new ones at these events. Her

distinctive hand-crafted cards, fabric notebooks, tee shirts and other creations are made with exquisite materials imported from Japan.

Marilyn also creates mixed media framed art. She said, "I had the opportunity to be in the late Jim Paradis' Advanced Art and Ascetic class for three years. Jim was certainly a positive influence in my art journey." At the last Village Arts and Crafts Juried Show, Marilyn won two blue ribbons, one for her mixed media and one for her Sumi-e ink art.

Plan on seeing Marilyn's work at the Crafters Club Summer Sale. Along with her creations, you'll be able to see and purchase a wide variety of high-quality hand-made crafts including fabric arts, jewelry, mosaics, ceramics, greeting cards, baby items, cork trivets, paintings, potted succulent gardens and a whole lot more. The sale will take place from 9:30 a.m. to 2 p.m. Free coffee and cookies will be available to make browsing even more enjoyable.

Marilyn Murata will sell a variety of uniquely crafted items.

COMMUNITY NEWS

PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

3 Pulse letters received this week.

3 Pulse letters not meeting Pulse Letter Guidelines.

0 Pulse letters published this week.

Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

Note: The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

Some helpful tips on writing a better Pulse letter

For some letter writers, the process of transferring thoughts to the printed page is nothing short of traumatic. Here are a few suggestions to make that process easier:

• Keep your letter as brief as possible. Organize your thoughts, jot down an outline of those thoughts and then fill out the outline in sentence form and that should result in the first draft of your letter.

• Edit, edit, edit! Please do not submit the first draft of your letter. Go through it at least once to get a word count (maximum 200 words), and correct your spelling and grammar. Even then you're not done! Edit it one more time! The more you edit your letter the better it will read. To improve its eloquence, read it aloud to yourself or someone else to see if your sentences read gracefully and make sense. (If English is not your first language, perhaps a friend, a half hour and a couple cups of coffee will result in a letter that your readers will understand. Don't be afraid to ask for a little help.)

• Concentrate on one topic per letter—you can write a companion letter about a related topic.

• Cool your jets! Many letters are submitted in the heat of emotion. If you are angry, take a day or two to cool off, and, after you review the situation, you'll be able to write a better letter.

• Avoid personal attacks or resort to name calling in your letter. If your criticism is fair you should be able to respectfully criticize or disagree with someone.

• Think about the readers. The goal is to share your thoughts with your neighbors.

• Be positive. Even if you are offering criticism, you can still do it in a constructive manner.

• If you are offering thanks or recognizing others, don't forget that there are other ways besides writing a Pulse letter. There are the *Above and Beyond*, *Bouquets* and *Thank You* columns.

Any questions you have about the Pulse process can be answered by the staff in *The Villager* office. Still flummoxed? Call Scott at 408-223-4655, Kory at 408-754-1341 or e-mail: shinrichs@the-villages.com or ktran@the-villages.com

Association and Homeowners documents available via e-mail

By Julia Meadows

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs that run about \$8,000.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to electronic delivery of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

For more information, call Julia Meadows at 223-4634.

Emergency evacuation routes out of The Villages

If there were to be a major incident which would require evacuation from some or all of The Villages, there are three entry/exit routes.

1. The main entrance, which is the Plaza Gate. This is the primary ingress/egress and will always be the first choice.

2. The second choice is the Sonata Gate, which is located on Gutadel Drive in Sonata. When driving towards the entry Plaza from San Felipe Road, it is on your right.

3. The third choice is the Villa Vista gate, which is located in Cribari Hills. The road is a one-lane road, which exits onto Yerba Buena near Evergreen Valley College.

If there is to be an evacuation out of The Villages, this order would be given by Cal-Fire or a representative from the city and/or county government.

Do not proceed to the exit closest to you as it may not be staffed. The Sonata and Villa Vista Gates, when ordered to do so, will be opened by Public Safety.

SENIOR RESOURCE SERVICES

IRA to charity—distribution questions

SRS is receiving a lot of questions from people over age 70 ½ about giving their IRA Required Minimum Distribution (RMD) to charity. The following answers to frequently asked questions will help you make plans to donate some or all of your RMD this year.

How do I make a charitable donation from my IRA RMD?

- Contact your IRA custodian/trustee
- Provide the charity's name, address, tax ID and amount of donation
- The donation will either be mailed directly to the charity or mailed to you for delivery with the check payable to the charity.

What happens at the end of the year when I prepare my tax return?

You will receive a 1099-R usually showing your total distributions. You enter the total amount on line 15a of your tax return. On line 15b you enter the amount of your RMD reduced by the amount that went to charity. Thus, the charitable donation withdrawal is not included in your income. Also, it is not deductible as an itemized deduction.

How much can I transfer from my IRA to charity? Can I transfer more than my RMD?

Yes, if you are 70 ½ or older, you can transfer up to \$100,000 to charity tax-free each year -- even if that's more than your RMD. The money to charity counts as your RMD but isn't included in your adjusted gross income.

I'll be 70 ½ in a few months. Can I give my RMD to charity now?

Even though you can take your RMD anytime during the year you turn age 70 ½ (or until April 1 of the year after you turn 70 ½), you must wait until you actually turn age 70 ½ to make the tax-free transfer to charity.

Can I withdraw the money from my IRA and then write a check to charity, or do I need to transfer the money directly?

The tax-free transfer isn't available if you personally withdraw the money from the IRA first and then you contribute to the charity. You may take an itemized charitable deduction for your contribution in that case, but the IRA withdrawal will be included in your adjusted gross income.

So which is better: the tax-free withdrawal or the charitable deduction?

The tax-free withdrawal could give you extra benefits. You don't need to itemize your deductions to get a tax benefit from the gift (and many people who no longer have a mortgage don't itemize their deductions). Making the tax-free transfer also keeps the money out of your adjusted gross income. That could help you avoid the Medicare high-income surcharge, which boosts your Part B and Part D premiums if your AGI is more than \$85,000 if single or \$170,000 if married filing jointly. Keeping the money out of your AGI could also make less of your Social Security benefits taxable.

Still have questions? Stop by the SRS office and talk with a volunteer. The original SRS article on this subject was published in The Villager dated May 17, 2018.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Request:

Are you an attorney?

SRS is updating its list of attorneys who specialize in estates and trusts. Are you a Villager who would like to be added to the list? Or are you an extremely satisfied client of an attorney whom you think should be included on the list? Your attorney should be willing to make house calls when necessary.

Please leave a message at the SRS office at 408-239-5253.

FOUNDATION FOCUS

'The Cure for Senior Moments!'

By Diana Hallock

Have you ever forgotten something you really intended to do? Forgotten to make a phone call or send a card? Have you written yourself a reminder note or tied a string around your finger? I had that dilemma with The Evergreen Vil-

lages Foundation. I recognized the fantastic projects and enhancements made by the Foundation to my home in The Villages but I just kept forgetting to send a check. Now I don't have to! Why? I became a Sustaining Donor. I completed one simple form, designated a small, manageable amount, and my donation occurs automatically each month as part of my Villages bill. Of course, when a special project needs funding, I might make an additional donation, but I sleep guilt-free, knowing I am regularly supporting my community...effortlessly! Sustaining Donor forms are available in the Cribari hallway or online at www.evfsj.org.

EVF July 4th Sale opportunity

A great opportunity to sell some of your wares on July 4. The Evergreen Villages Foundation is selling table space in the Clubhouse Fairway Room. The sale will be from 10 a.m. to 3 p.m. Tables can be set up at 9 a.m. Our July 4th celebration always brings lots of people to the Villages to celebrate. This will be a great time to sell your crafts or some of those items you no longer use. The Foundation benefits from renting the tables, and you keep all the money from sales.

The 60-inch round tables are \$50 and the 96-inch (two tables together) are \$60. To reserve your table, Contact Marion Whittaker 408-234-4972 or Barb Weiler at Barbsw745@gmail.com.

HI NEIGHBOR

Say "Hi!" to your neighbors, **Roger and Nancy Pyle**, who are marking their one-year anniversary with The Villages this month. They moved to Verano Village last June from Almaden Valley. Roger, a Pasadena native, grew up in Southern California, graduating from UC Santa Barbara and San Diego State. He has worked in aerospace and technology as an engineer, programmer, marketing manager, salesman and corporate executive for a number of U.S. and international firms. Nancy grew up in Camillus, New York, obtaining degrees from LeMoyne College and USIU in San Diego, and working for over 25 years teaching K to eighth grade. She has had an extensive public career, including being elected as Trustee for San Jose/EVC College District and serving on the San Jose City Council. Among her local accomplishments is turning the empty college owned land at Yerba Buena and San Felipe into its current strip mall. In their free time, Roger enjoys woodworking, tinkering, cooking and golf, and Nancy enjoys political involvement, theater and social events.

Give a warm greeting to **Joan and Gary Lohr**. They moved to Village del Lago last fall from Pleasanton. Born and raised in Watsonville, where she attended high school, Joan has worked in banking for 15 years and with the State of California for 14 years. Gary is a Nebraska native, but grew up in San Jose. After high school, he spent three years in the U.S. Air Force. He graduated from San Jose State University and worked for the state government for 21 years before retiring. When it comes to hobbies and interests, Joan enjoys scrapbooking and drawing, while Gary loves hiking and volunteer work.

CLUB CALENDARS

HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks and lunch, and always wear layered clothing appropriate to the current weather; hats and sunscreen are also recommended.

Saturday, June 16: Rich and Wendy will lead a hike in our Hills from Foothill Center to the Mail Box.

Wednesday, June 20 (Rambler): Randy Cisneroz (408-529-3253) and Ramon Reza (714-306-5333) will lead a loop hike from the Villages to and across nearby Bentley Ridge: Cribari Center/San Felipe/Larkspur/Bentley Ridge Drive/Yerba Buena/Hounds Estates/Cribari Center. We will stop at the Starbucks on the corner of San Felipe and Yerba Buena for coffee and snacks. Hike length is about 5 miles with modest and gradual elevation at the beginning of the hike. We will meet at the Cribari Center at 8:30 a.m. for an 8:45 departure.

Saturday, June 23: Susan Brown 408-531-9750 will lead a hike along the shady South Rim Trail of Alum Rock Park. The hike is 4-5 miles long with an elevation difference of about 500 feet, but trail grades are generally very gentle. This makes the hike suitable for rambles as well. Rambles can also do a flat 4 mile hike on the canyon floor. Please bring water and a snack or light lunch.

CAMERA CLUB

Monday, September 17: Competitions and meetings resume on the first and third Mondays of the month from 7 to 9 p.m. in the Cribari Conference Room. For membership information contact Ray Blinde at 408-531-1776. See www.villagescameraclub.com and enjoy photos on display in the hallway of Cribari Center.

Attention Golf Course walkers

The golf course is a nice place for a walk, but not during the hours of play. We do not discourage walking on the golf course as long as it is done during non-golf hours when it is safe.

To follow are the allowable times for walking on the golf course: *

* **Mondays** before noon or after 8 p.m.

Tuesdays before 8:45 a.m. or after 8 p.m.

Wednesdays before 6:30 a.m. or after 8 p.m.

Thursdays before 8:30 a.m. or after 8 p.m.

Fridays to Sundays before 6:30 a.m. or after 8 p.m.

Please be safe. And always remember that golfers have priority at all times on the golf course. Thank you for your cooperation! Please note: The above times may be adjusted during tournament play.

* **Attention Golf Course Walkers:** Please remember that on every Monday in June the golf course will be unavailable for walking from 8 a.m. to 6 p.m. because of increased usage.

More COMMUNITY NOTICES

ABOVE & BEYOND

We'd like to thank all the departments at the Villages that helped make our families' recent wedding unforgettable, including:

- John Yu and the Food & Beverage Department for creating a non-traditional menu and setting for my niece's shabby chic reception.
- The Community Activities Department staff for providing comfortable and spotless guest rooms, helpful maps and directions for our out-of-town guests.
- Head Golf Pro Scott Steele for the help in scheduling the ceremony (on the first hole of the golf course) without disrupting play or dodging golf balls.

• The Landscaping Department for a manicured, yet beautifully natural garden for the service.

• Public Safety for directing stray guests to the appropriate location.

We appreciate the organized professionalism of these Villages departments, and are impressed at how well they work together.

—Rob & Susan Howe

HI NEIGHBOR

(Continued from page 5)

Help us greet **Joy and Ken Rem**. The couple moved to Village Olivas last October from Pasadena. Joy was born in Needham, Mass., then moved to Grosse Point, Michigan during high school. She attended Eastern Michigan University and received a teaching certificate for special education. She taught an autism program for five years, then became a stay-at-home mom for many years. Ken was born in Detroit and attended the University of Michigan and Wayne State University Law School. He worked as a CPA with PricewaterhouseCoopers for 30 years, at their Detroit, New York and Los Angeles offices. The Rems moved to California in 1994. When it comes to interests, the couple has a joint love of hiking and golf, and Joy also enjoys tennis, mahjong and reading, while Ken also enjoys fishing (when on the East Coast).

WWII History Tour aboard USS Potomac

The Association for the preservation of the Presidential Yacht Potomac is offering, for the first time, a special "World War II Sightseeing and History Cruise." We are offering this experience to our residents on Saturday, August 11. Departure time from the Villages is 8 a.m. and the estimated return is 5 p.m. The cost for this outing, which includes transportation, 3-hour cruise on the USS Potomac, lunch and history tour, is \$102 per person. Register in Building B.

The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra, and converted to the presidential yacht in 1936 by President Franklin D. Roosevelt, who had her re-commissioned as a U.S. Navy vessel.

Attire—For your comfort and safety, dress is casual. Bring extra layers so that you'll be comfortable while enjoying the cruise. The Bay is often 20 degrees colder than the shore. The Potomac has limited indoor seating and the best views are from the boat deck and other outdoor areas. Also, because the yacht has steep ladders and may be slippery, please wear flat shoes with non-skid soles.

Boarding, Departure and Return—A brief 12-minute video on the history of the ship will be shown on the bus. We will board the Potomac at 10:15 a.m. and depart from the dock promptly at 10:30 a.m. Complimentary tea, coffee, and bottled water will be provided. Docents will be on hand to give tours of the ship.

Another chance for Treasure Island Tour!

At noon we will arrive at the US Job Corps-Culinary Academy to enjoy lunch. The meal is three courses and usually offers three to four choices with a decadent dessert. **For each person, please bring a \$2 cash tip with you for service please.** I cannot include this in price of trip as it needs to be cash. Thank you!

Learn why Treasure Island has that name, also learn about Pan Am Clippers and much more. Also, Craig has special surprise information about himself that he will share with you.

Living with Parkinson's

Parkinson's is a neurological disease in which the brain stops producing the chemicals it needs to control movement, balance and coordination. It is a disease that affects every person differently. Most people living with PD are still able to think, remember, love and care. Once a person is diagnosed with the disease, it is their attitude, lifestyle, medication management and things they do to contribute that determines the direction their life takes. Research shows that a person living with PD can slow the progression of the disease when they exercise three times per week. The Villages Parkinson's Exercise Program offers three classes: ADL Class in the Auditorium on Tuesdays 10 to 11 a.m., Tai Chi in the Vineyard Center on Wednesdays 10 to 11 a.m., and Walking for Better Balance class Tuesdays 11:30 a.m. to 12:30 p.m. and Thursdays 10:30 to 11:30 a.m. in the Auditorium. See Jazz Duo—Holland & Coots!

"Exciting, exhilarating, and exhausting!" is probably the best (and most alliterative) way to describe the jazz duo of Holland & Coots. Brian Holland and Danny Coots began performing together in 2010 after spending decades individually on the jazz and ragtime circuits honing their skills on piano and drums, respectively. Since joining forces, they've been on a mission to introduce audiences all over the world to their style of music and fun. With a delightful mix of jazz, blues, stride, boogie, pop, and ragtime, Holland & Coots have created something for every taste. This winning duo has been the driving rhythmic foundation for bands like the Titan Hot Seven and B.A.D. Rhythm, and has several recordings to their credit.

Having seen them before, I can't wait to see them again and watch them perform...obviously their enthusiasm is contagious. They enjoy performing and you'll be thrilled to watch them perform. (Check them out on the link available on Fastlane and Channel 26.) Don't miss this fun and joyful performance!

Important Reminder from Community Activities & Fitness Center Committee

With the summer months upon us, we know it is a busy time of year for visitors to our beautiful community.

Our Fitness Center is a very valuable amenity and it is meant for usage only by the person who is identified on their access card. It is important that you do not give anyone your card to access the Fitness Center.

With that in mind, please do not give your Fitness Center card to family members, guests, etc. to use to gain entry into the fitness center. Keep in mind the importance of everyone's safety and potential liability issues arising from unauthorized use of the Fitness Center. Surely, we do not want to take any chances of an accident occurring due to someone not being familiar with the equipment, or any other reason for an accident.

If you have any questions regarding this important policy, please contact the Community Activities Department. Thank you.

Better Living Club to meet this Monday

The Better Living Club (BLC), the newest club in The Villages, will be meeting on Monday, June 18, at 1:30 p.m. in Montgomery Center. The club's focus is seeking out and initiating projects and activities, primarily around technology, to explore ways to keep us active, mobile, and safe in our homes for many years to come. Please join us if this might be of interest to you!

On Monday, we will be discussing projects already in the pipeline, and considering some new ones. And we will be planning our Fall "Longevity Circles" launch, and setting up training for the facilitators and assistants for the discussion groups.

You, too, can contribute to helping yourself, your neighbors, and senior communities around the world explore ways to successfully age-in-place. Please join us this coming Monday, June 18!

Horace Hines to speak at SIR 38 luncheon

By Al Lumas

SIR 38's speaker on Tuesday, June 19 will be Horace Hines.

Horace will be talking about "Geology from the Pacific to the Rockies." This will be a description of how the major geologic formations from the Pacific Ocean to the Rockies were formed. Have you ever wondered why there is a coastal range followed by the great valley and then the Sierras? Why is the descent from the Sierra summit down to Reno steeper than the rise from the Sacramento Valley to the summit? How were the rounded Sierra granite mountain tops (like Half Dome) formed? What created the Great Basin where rivers go to die? What forces created the Rockies?

This event will be in the Fairway Room at the Clubhouse. Non-SIR members wishing to attend the presentation should arrive at the Clubhouse at 12:30 p.m.

Horace Hines, Ph.D is Big SIR for Branch 54. He received his bachelor's degree in physics from Auburn University in Alabama and his doctorate in Biophysics from UC Davis. Horace was the Hospital Physicist and Radiation Safety officer at the University of California, Davis Medical Center. He worked for ADAC Laboratories and Philips Medical in the field of Nuclear Medicine. He led teams who designed and marketed medical imaging equipment including gamma cameras, PET scanners and PET-CT. Horace has varied interests and curiosity about many subjects. He enjoys learning, applying his physics knowledge and using it to understand and explain mysteries.

Learn to make Collage DreamScapes

If drawing or painting is not your strong point, you may like Collage. It involves moving color and shapes around on a background to create an almost dream-like art work. DreamScapes are creations that you do in an almost meditative state. These "DreamScapes" usually have a great emotional connection to the artist.

Collage Dreamscapes will be offered to Villages as a class by Barb Gottesman on Wednesday, June 20 in the Cribari Center Art Room from 10 a.m. to 2 p.m. All materials are furnished. The price is \$40 for the class and materials, which include a 16" by 20" canvas panel, adhesive and sealer, a variety of textured papers, and blank mulberry papers, which we will dye in class in startling colors. Participants may continue during Open Studio every Wednesday when all the materials will still be available. Twenty additional minutes in collage techniques will be available each Wednesday.

After 9/11, the U.S. made a deal with the Saudis to bury the evidence of their role in the attack in return for a promise to keep the oil flowing. When King Faisal’s nephew is discovered funding ISIS, the President decides to send the royal family a message. Rapp quits the CIA and assembles a group of independent contractors to eliminate the threat and finds himself at the center of the most elaborate manhunt in history. Will he survive the mission or be branded forever as an enemy of the state? Fiction 2017.

“Gunmetal Gray” by Mark Greaney: After five years on the run, Court Gentry is back at the CIA but on his first mission a pair of Chinese agents try to take him down in Hong Kong. Gentry’s high-stakes hunt for answers takes him across Southeast Asia and leads to his old friend, Donald Fitzroy, who is being held hostage by the Chinese. Fitzroy was supposed to find a former member of an ultra-secret computer warfare unit. What the Chinese don’t know is that Gentry’s mission is to find him first and get whatever intel he has to the U.S. After that, all he has to do is get out alive. Fiction 2017.

“Munich” by Robert Harris: September 1938. Hitler is determined to invade Czechoslovakia. The British Prime Minister, Neville Chamberlain, is desperate to avoid the war that would follow. The city of Munich, Germany is to be the site of an eleventh-hour meeting between them, a last desperate effort to preserve an already precarious peace. Aboard the plane flying to the meeting with Chamberlain is Hugh Legat, his private secretary. Aboard the overnight train with Hitler is Paul von Hartmann, a staff member of the German Foreign Office. Legat and Hartmann were close friends at Oxford in the 1920s. Now they will both become privy to a state secret and be confronted with a dreadful decision. What are they each willing to betray? Friends, family, country, or conscience? Fiction 2017.

“The Rules of Magic” by Alice Hoffman: This is the prequel to Hoffman’s best seller, “Practical Magic.” For the Owens family, love is a curse that began in the 1600s, when Maria Owens was accused of witchery for loving the wrong man. If you belong to the Owens family, desire is everywhere, but so are the dangers of human entanglements. You cannot escape love even if you try, just as you cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the revered, and sometimes feared, aunts in “Practical Magic,” while Vincent, their beloved brother, will leave an unexpected legacy. Thrilling and exquisite, real and fantastical, here is a story about the power of love. Fiction 2017.

“Ghost on the Case” by Carolyn Hart: This is the newest addition to the Bailey Ruth series. Bailey Ruth finds herself comforting a distraught sister when she is sent to Adelaide, Oklahoma on her latest mission. Susan Gilbert receives a \$100,000 ransom demand for her younger sibling. When the kidnapper tells Susan to get the money by stealing it from her wealthy employer, Bailey Ruth finds herself in a quandary. Robbery is hardly a Heavenly pursuit. Could one of the rich man’s closest confidants be behind the abduction? An unexpected twist in the case soon has Bailey Ruth seeking a murderer who has plans to send more victims to the great beyond. Mystery 2017.

Global Village: ‘Choosing Conscious Elderhood’

Elderhood is considered the final stage in the design of life, after being a student and an adult. The large population of baby boomers are mentally and emotionally in denial of this phase, as paradoxically described by famous film maker Woody Allen. He wrote “I am not afraid of death, I don’t want to be there when it happens.”

We are obsessed with adulthood and will do whatever to extend it rather than gracefully search ways to become valuable elders, providing wisdom and experience gained during earlier phases.

Franz Spickoff will discuss how some eastern cultures have shown the way to become conscious elders and earn the respect of their society. The wise sage who wrote Patanjali Yoga 2000 years ago, said that when one looks only outside, one dreams, but when one looks inside, one awakens. Franz and Helga have traveled in the land of Patanjali, learning other cultures and exploring their nature and poetry, and have written about the search to awaken their conscious elderhood.

You are invited to share your own experience or just come and listen, **Wednesday, June 27** from 7 p.m. to 8:30 p.m. in the Cribari Conference Room. There is no fee for attending and no need to sign up. Please join us!

Have fun at Jazzercise and get healthy

By Barbara Tommaney

In past articles we have talked about the many benefits of Jazzercise. Just to review, regular exercise builds strong bones providing protection against Osteoporosis, reduces the risk of high blood pressure, stroke, type 2 diabetes, and even depression. The list of benefits goes on. But best of all, Jazzercise is *fun*. Jazzercise is done to the accompaniment of popular music. The atmosphere is welcoming and nonthreatening, and new friendships are easily made. Many of us don’t have the discipline to exercise regularly on our own. But with Jazzercise, you will have the incentive to commit to exercise as a habit.

Jazzercise is a full body workout that takes just 60 minutes of your day, three times a week. We meet at Cribari Auditorium on Monday, Wednesday, and Friday from 8:30 to 9:30 a.m. The cost of Jazzercise is affordable, \$36 in the month of July. So don’t delay, come to your first Jazzercise session at no cost and test it out. And if you have questions, call Herito at 408-238-7511 or Kay at 408-223-7948. They will be happy to hear from you.

Camera Club awards certificates to 125

By Pam Pierson

Mary Miller placed "Best of Show" at the Villages Camera Club (VCC) year-end competition Monday, June 4. "The Spirit of Bryce Canyon," the title for her image, was a Creative Projected Image at the Masters Level. The VCC awarded over 125 certificates during the celebration at Foothill Center.

Judge Allison Brooks, owner/operator of Negative Space Photography, and a primarily self-taught artist of 25 years, selected the winning images. At the awards program she provided an artistic understanding of what constitutes an excellent photo for each winner.

For a slideshow of the first place through third place winners for the year, visit the Villages Camera Club website at www.villagescameraclub.com. All members who placed in a monthly competition were entered in the year-end contest. You can view photos from competitions, field trips and meetups in the hallways of Cribari Center, the Clubhouse, and at the entrance to Montgomery Center.

New officers for the 2018-2019 year starting in September include Ernie Murata, president; Patti Smith, vice president; Donna Osthemier, secretary; and Victoria Nourian, treasurer. President Ernie Murata invites photographers of all interests and experience levels to the opening program in the fall on Monday, September 17, at 7 p.m. in Cribari Conference Room.

The VCC welcomes all Villagers to its programs on the first and third Mondays of the month. Meetings resume after the summer break on Monday, September 17. After you attend one program as a guest, you can join the club for \$30. Contact Ray Blinde at rwblinde@earthlink.net for membership information. Visit the club website for information on activities, meetups, competitions, and benefits of membership.

The Villages Camera Club (VCC) is a member of the Northern California Council of Camera Clubs (N4C) and The Photographic Society of America (PSA). Organized into interest groups, the club offers programs on photographic interests from nature, wildlife, and travel to sports, action, and night photography.

June Artist of the Month is Colleen Mirassou

By Ruth Keiser

Colleen Mirassou has been voted Artist of the Month for June by the Villages Arts and Crafts Association. She received this honor for her impressionistic and emotionally moving painting titled "A Lazy Afternoon."

This oil painting was painted to capture memories of the private moments a mother shares with her daughter. The painting is of Colleen and her daughter, Celeste, feeding the ducks at a Bay Area lake.

Working from a photograph and applying her classical training, Colleen sketched her drawing on a canvas laying in the lights and darks in yellow ochre. Next, she covered the design with a wash and then placed the colors where she wanted them. She used both brushes and a palette knife. The palette knife was used to build color and texture especially in rendering the ducks.

Colleen said that while composition, shapes, line and color were important in this painting, "It was most important that I capture the feeling rather than have the piece be technically tight." She feels that she accomplished what she intended in this painting. "It conveys the feeling of an idea and the feeling of the moment," she said.

Colleen has had a very interesting professional journey. When her children began school, she decided to take some art lessons. It was an immediate match for her talent and it led to an art degree at the age of 38 followed by a Master's Degree. She has studied at the Academy of Art in San Francisco, has been an art therapist at UCLA, has done psychotherapy and family therapy in her private practice, and has used art therapy with a variety of populations including working in art and poetry writing with the homeless.

Colleen is a true San Jose native. She was raised on 200 acres of vineyards off Aborn Road. Her family has been producing wine since the founding of the Mirassou Winery in 1854. Her connection to The Villages goes back to her childhood when she hiked our rolling hills before any of us lived here. Her family knew the Cribari family and actually rented storage space from them for their wines.

Colleen has traveled all over the world with Paris and Dubai being favorite destinations. As a true adventurer, she left San Jose at age 60 and moved to Los Angeles as she wanted to try the total city experience. She called herself LA's "24 hour tourist."

Colleen has returned "home" now and we are fortunate to have her talent with us. Her favorite art format is assemblage in which she creates various objects using "the shelves and shelves of 'stuff' I have collected." She is hoping to teach a workshop here later in the year. In the meantime, please stop by to view her very beautiful and touching painting, "A Lazy Afternoon" in the Cribari Conference Room.

Again, my thanks and gratitude to all the wonderful artists here in The Villages who have participated in the Artist of the Month contests. Also, your continued support of the many available Arts and Crafts Association workshops and events and your participation in the General Meetings makes the Villages a glorious forum for art in all its varieties.

In a doctor's waiting room, a girl of about five or six stared up for a few seconds at the elderly woman sitting next to her and finally asked, "How old are you?" The woman said "87." The girl thought about that for a while, then asked, "Did you start from zero?"

COMMUNITY CHAPEL

By Pastor Bill Hayden

Happy Father's Day to the past and present fathers. After all that you have contributed to our world, you deserve Your Day!

One of the major challenges in life is to capture that illusive spirit called contentment. Life is ever changing as one day is overtaken by the next. Is it really possible to believe that we can find and capture contentment? Some would say that you are fickle to believe that anyone can achieve a state of contentment.

People believe that if they had a certain amount of money and no bills that they would be content. After they have purchased and accomplished all the things they had hoped to acquire with financial security, they suddenly discover that they have a major health problem.

Contentment comes out of gratitude especially when you know that everything is going to work out for your good. There are things that happen in life that, by all appearances, seem to be in question as to how "good" can result from a "major setback."

Contentment doesn't mean that you are in control and you can make things happen in your favor. Conversely, contentment is knowing that God surrounds you with His love even when storms and tragedy occur in life. People who have lost everything in floods, fires and storms have survived with strong resolve that things will work for their good.

Hold on to this thought Romans 8:28 NKJV "And we know that all things work together for good to those who love God, to those who are the called according to *His* purpose." Therefore, contentment and Godliness is great gain!

Come join us this Sunday at the Cribari Auditorium at 10 a.m. to be encouraged from the fellowship. Cookies and a cup of coffee. *The Chapel is a place for needs to be met, faith to be affirmed and people to love.* We would love to meet you. If you would like to schedule an appointment with Pastor Bill, please call the chapel office at 408-238-3079. To learn more about the Villages Community Chapel you can visit our website at www.villagescommunitychapel.com/rejoiceinthelord

SEARCH THE SCRIPTURES

Search the Scriptures class will continue in Revelation, and welcome all Villagers and Guests to join us. We meet the first and third Mondays of each month at 9:30 to 11:30 a.m. in the Foothill Center. Our next meeting will be on June 18. We would love to see you there. Need a Bible or have questions, contact Janet at janetstevenson68@gmail.com.

JEWISH GROUP

Friday night Shabbat Services will be held at 7:30 p.m. on June 15 at Foothill Center. We will have Rabbi Dana Magat and his Cantor. Rabbi will give his wonderful "Ask the Rabbi" discussion that is always entertaining. Following the presentation, we will have our usual Oneg Shabbat celebration.

All Villagers are welcome. In addition, one of the Jewish Group's goal is to support our San Jose community in its help with the needy. We will start by bringing non-perishable food cans and packages for the Second Harvest Food bank to our monthly services. Joyce Mendel will then deliver the items to the food bank each month.

If you are interested in membership in the Villages Jewish Group, please contact Joyce Mendel at 408-238-7316.

Peninsula Food Runners need volunteers

Are you looking for a satisfying but flexible volunteer opportunity? Peninsula Food Runners is a volunteer organization dedicated to alleviating hunger and reducing food waste. We are building our volunteer base in Santa Clara County and invite you to join us.

Peninsula Food Runner volunteers pick up excess perishable and prepared food from Donors (restaurants, caterers, corporate cafeterias, etc.), and then deliver the food directly to our Recipients (shelters, day centers for the elderly, Boys and Girls Clubs, etc.).

Surplus food is available, but we have too few drivers in San Jose to transport the food to local non-profits, which feed the hungry. Please join us as a volunteer!

Shifts normally take less than 90 minutes and can work around your schedule. Interested or curious? Please email Molly Rhine at m.rhine@comcast.net or call her at (408) 396-8705.

Donate used car to benefit VMA

Do you have a car that runs, but you no longer use? The Villages Medical Auxiliary (VMA) will sell it for you and you can deduct the selling price off your taxes as a donation to the VMA. The VMA will handle all the details including arranging to have your vehicle towed and sold at auction. Contact Volunteers Gary Walden (408-270-3492) or Dick Frey (408-532-6031) for more information.

SPORTS NEWS

SHONIS

The first Tuesday of the month is a big day for the Shonis; in addition to its being Captain's Trophy Day, new handicaps are posted. Twenty-six Shonis and two qualifiers huddled around the sign-in table with excitement and disappointment as members learned if their handicaps changed. For some members it's a sign of achievement if their handicaps drop, for others an increase in handicap means they are more likely to win sweeps.

The big winner for the day was Vivian Wilczak who went home with the Captain's Trophy. Vivian shot a net 20. Not to be outdone in the winner's category, after a week with no birdies, there were three. Qualifier Betty Hall on 8, Vivian Wilczak on 2 and Carolyn Hill chipped in a birdie from the fairway approximately 50 feet from the hole on 5. The Shonis were hot with Joan Wiseman making a 10-foot putt from off the green for a no-putt par. And 90-year-old Barbara Mayer walked the course and shot a net par. Perhaps the perfect golf weather had something to do with their success.

The Shonis bag lunch meeting is Tuesday, June 19 at noon.

TENNIS TALK

By George Beck

Scoring in tennis: No one can pinpoint exactly when and how the wording came into play, though there are several theories. Love being the term for zero is one of the most celebrated puzzles in tennis. L'oeuf means egg in French, and because an egg looks like a zero, some historians believe English mispronunciations corrupted the word. Another theory suggests that players competing for the "love" of the game had "nothing" to lose (yeah, right!). Others have traced the word to a Dutch or Flemish word, "lof," meaning honor. Oddly enough, the French, though known for romance, do not use "love" at all. They use zero. Obviously, the French use the word zero because they are eminently more sensible than the English. Also in France, the server would reportedly shout "tenez"—take heed, like "fore" in golf—which ultimately led to the sport's name.

The jump from love to 15, then to 30 seems to derive from the idea of a clock face. If four points were needed to win the game, then the first was at 15 and the second at 30. However, the next stop is not 45. Some people think it was simply because 40 is one syllable less and thus easier to announce than 45. Another historical theory is that when a game reached deuce a player needed two points to win. If the metaphorical clock hand, which might have been on the court in medieval France, moves first to 40, then at deuce it can proceed to 50 and then 60.

In the United States, some club players have taken to shortening 15 to 5. Probably because it's deeply exhausting to actually say the entire word "fifteen."

SWINGERS

By Wendy Ledamun

On this day in 1983 (June 5), Fred Couples stroked a long iron shot within a foot of the flag on the par-3 16th hole at the Congressional Country Club, and tapped it to win the Kemper Open—his first victory on the PGA Tour.

Today, 72 Swingers teed off to vie for the June Captain's Trophy. And while it may not have been their first victory, the Captain's Trophy Winners for June are Carol Begley and Donna Kaplan with Net 32 on the front- and back-9, respectively. Congratulations, ladies!

Let's give a shout out to Barbara Miller for a chip-in on the par-5 16th hole...I'm thinking she was channeling Fred Couples! A big win too...she collects all the quarters in the chip-in jar!

Victoria Nourian was the Most Improved Player for the Month of May. Congratulations, Victoria!

Also, be sure to offer a warm welcome to Christine Zinn...the newest Swingers member.

Reminder: The rules mini-clinic is scheduled for the third Tuesday of each month. The next clinic falls on June 19. Please remember to send Betty Garcia your golf questions or anything you would like Scott to address at least a week before the clinic.

Hole-In-One/Eagles for May: There was one Hole-in-One reported by Mike Singleton on Hole #13 at Santa Clara GC on May 15! Congratulations, Mike!

The following members reported natural Eagles for May: Brad Baldinger on Hole #16 on May 3rd and David Gonzales on Hole #2 on May 25. Good job guys!

Executive Committee Meeting: The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the Cribari Patio Room. Our next meeting will be on Tuesday, July 3. The meetings are open to all members. Also, remember to visit our website at www.villagesgolfers.com for the latest information.

Check out your contractors and service providers

While everyone appreciates a great bargain, unfortunately there are those who tend to prey on the unsuspecting, particularly in a community such as the Villages.

Before engaging the services of any contractor, residents should be aware that California state law mandates any contractor bidding for a job more than \$500 in parts and labor must be licensed.

Call the Contractors State License Board at 1-800-321-2752 to ask any questions or express your concerns about a contractor.

The Landscape & Maintenance Department would also like to remind Villagers having construction or repair work done to inform the contractors or repair persons doing the work that district dumpsters are not available for the disposal of construction and repair-related debris. Contractors must dispose of construction waste properly, per Association Rule 2.13.

Thursday was partly cloudy and mild. A perfect day for golf. We had another great turnout. The results were as follows:

Net Sweeps Winners:

First place went to Jerry Weltzin with a net score of 26.

Second place was John Eige with a net score of 29.

There was a two-way tie for third place between David Hathaway and Tony Illich each with a net score of 30.

There were three birdies this week:

Jerry Weltziin on hole 1, David Hathaway on hole 1, and Victor Hong, one of our newest members, on hole 2.

Our deep thought and/or humor and/or history lesson for today:

From guy-sports.com is the story of the Richmond Golf Club (United Kingdom) that established some temporary Rules for golf play during the blitz in 1940:

1. Players are asked to collect bombs and shrapnel to save causing damage to the mowing machines.
2. In competitions, during gunfire, players may take cover without incurring a penalty for ceasing play.
3. The positions of known delayed action bombs are marked with red flags.
4. Shrapnel may be moved on the fairway, or in the bunkers, without penalty.
5. A ball moved or destroyed by enemy action, can be replaced without penalty provided it's not nearer the hole.
6. A player whose stroke is affected by a bomb exploding may play another ball from the same place. Penalty one stroke. [A little harsh?]

PINSEEKERS

By Jack Bindon

That was certainly a short Summer. Back to Winter golf... except, no "preferred lies." In the article that you read last Friday I cautioned everyone to look at the starting hole on your card and prepare yourself for it by "warming" the clubs that you will be using. But then, you didn't have the benefit of my questions since it won't appear until June 8. Word must have leaked out though but only a bit. Tak was the only one in the whole field that parred his first hole. Well done, Tak! (I bogied my first hole).

Here are your winners for June 5:

First place, a tie between Tak Okabi and Bob Iacopi with nifty net 31s.

Second place another tie between Jack Bindon and Phillip Robinson with net 34s.

Third place another tie between Frank Garcia and Tim Short with net 35s.

Fourth place went to Bob Gregg for his net 37.

I hope you all remembered, there is no Pinseekers play June 12. The ladies will be playing the entire course. This will be a good time to practice. Check out the short 9 for a change of pace and finetune your short game. I have played with the Ironmen twice now and the course isn't a pushover. Especially watch the downhill putts.

PICKLEBALL

Spring Fling Tournament

By Terry Holmquist

On a blistering hot day, 38 players turned out to heat up the courts even more. The annual Spring Fling was held at 1 p.m., June 3 on the tennis courts. The audience and participants called it a resounding success. We had plenty of wonderful snacks with water and Gatorade to cool everyone down and supply the players with energy.

In spirit of the spring theme we had three divisions—Cosmos, Adonis and Protea, named for varieties of flowers. The division winners were:

- Cosmos** - First Place: Larry Martinson and Trish O'Neill
Second: Charlie Bougapoulis and Sherry Benz
Third: Frank Houghton and Anna Hewitt
- Adonis** - First Place: Leo Ruth and Sheryl Ruth
Second: John Stratakos and Dennis Cullen
Third: Ralph Lentz and Melinda Dobbs
- Protea** - First Place: Norm Krishna and Alex Shtarker
Second: Mark Gregg and Anahid Gregg
Third: Mike Walias and Dave Roberts

The Pickleball Club would like to acknowledge the Tennis Club's help in their growth and development by allowing use of the tennis courts. Hopefully we will see dedicated pickleball courts in the not too distant future. Debbie Champion, Club Board President, came to find out first hand what's with all the "pickleball fuss." She said she was amazed at the amount of participation and camaraderie.

FROM THE PRO

By Scott Steele, PGA Head Golf Professional

Golf Rule 1.14—The new and updated version of Golf Rule 1.14 in the Club bylaws was approved by the Club Board. Rule 1.14 encompasses everything golf, including the daily play schedule and schedules for our six golf clubs, but also our rules and regulations for the golf course. This is an important rule because it creates a clearly defined code of conduct for all of us who play golf, which will ultimately maximize our golfing experiences. We will be formally launching the new Rule 1.14 along with an educational campaign on golf course conduct. Once disseminated and understood by all, we will begin enforcing the rules so everyone understands proper protocol when playing golf at The Villages.

Posting Room Computers—We will be installing new touch screen monitors on the NCGA score posting computers in the Posting Room. This will eliminate the need for a mouse and keyboard. Scores will be posted in the same way, but instead of using a keyboard, mouse and pointer, we will simply touch the screen to navigate and post. We hope this will eliminate the issues we have had with personal use on these computers, which has been invariably taking the entire system out of the NCGA score posting mode.

Golf Course Lakes—An aggressive algae abatement program for our golf course lakes will be starting Thursday, June 7. We will start on the irrigation lake on holes #6 & #7. This lake is experiencing a "perfect storm" for algae as it is our new irrigation lake - so each night we are filling this lake with recycled water to irrigate the course the next day, and recycled water is rich in phosphorus and nitrogen which is what algae eats and survives on. So it makes for a constant challenge.

We will first scrape the surface on the lake, then remove some of the sub-surface algae and weeds. We will then add biological algae abatement products to the lake to help prevent future bloom and change the chemical composition of the lake. We are limited to what chemicals we can use because the water in this lake is what we use to irrigate our tees, fairways and rough; so we must use products that will abate algae and at the same time not kill our turf. It is a fine balancing act, but one we are on top of.

Once the lake on #6/7 is complete, we will move on to the other six lakes on the golf course. The goal is to have clean looking lakes for all of our member-guest invitational tournaments.

Summer Golf Schedule—Here is a little known fact: 75 percent of the golf tournaments at The Villages take place in the months of June, July and August. What that means is that the next three months are extremely busy on the golf course. It is a good idea this time of year to plan ahead and make a reservation to play golf. As a reminder, residents can book tee times two weeks in advance. Also, walk-in play can be difficult to accommodate this time of year. If you like to play Twilight or Super Twilight golf, please check the golf calendar for possible tournaments, or better yet call the Pro Shop for the day's golf play schedule and availability. We will always do our best to accommodate and get you on the course as quickly as possible. But please understand if we have a large shotgun event, sometimes walk-in golf, Twilight golf and Super Twilight golf is unavailable. Thank you for your cooperation!

Golf Course Walkers—Golf Course walkers please remember that on every Monday in June the golf course will be unavailable for walking from 8 a.m. to 6 p.m. We apologize for any inconvenience. Thank you for your cooperation.

Bidding: North	East	South	West
Pass	Pass	1 Spade	Pass
2 Hearts	Pass	3 NoTrump*	Pass
4 Spades	All Pass		

Contract: 4 Spades by South
Opening Lead: 8 of Diamonds

Dealer has 1 or 2 losers in Spades, a Diamond loser, and a possible Club loser.
Strategy: Take out trumps and run the Hearts and sluff the Diamond and Club losers.

West leads the 8 of Diamonds, 10 from the board, East, the Queen, South covers with the Ace, switches to a low Spade, and West wins with the King. He plays the 10 of Hearts, low from the board, South uses the Ace, follows with a Spade to the Queen in dummy, and continues with a Spade to the Ace in his hand. He then leads the King of Hearts, next a Heart to the Queen on the board, plays the last two Hearts and sluffs a Club and a Diamond from this hand. He next leads the King of Diamonds, then a Club to the Ace in his hand, and claims since his last two cards are trumps. Well done, the contract is made with two extra tricks. This is a difficult slam to find. Also the contract of 6 NoTrump could be made by South and again it is a hard bid to find.

* South has 19 HCP and jumps to show he has a great hand, and North bids again to show support in Spades.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your *Villager* picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

John and Phyllis Mueller took a Royal Princess 28-day cruise from Rome to Los Angeles in October and November of 2017. One of the places they visited was Gibraltar. Some travelers are surprised to find the only wild monkey population on the European continent waiting to grab and make off with any food or personal items that are not nailed down. These Macaque monkeys are a special breed unique to Gibraltar.

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

My father and grandfather worked for the Morey Machine Co of New York. The in-house publication of June 1944 announces my birth. Under a picture of me the announcement reads: "Thomas Peter Zades was a Leap-Year Baby, opening his eyes to the world on February 29. Father is Tom Zades of the Turret Lathe Dept., and proud Grandpa is Pete Zades, Turret Lathe foreman." The copy was kept because it announced my birth, but I treasure it also for the pictures and articles relating to the war, including a description of an impromptu meeting in celebration of "D" Day, June 6th, 1944.

Per the article, one of the executives closed the meeting with a prayer and all joined in singing the Star-Spangled Banner. Work was suspended at 5 p.m. that day (June 6) so that all could go to Madison Square Garden to join Mayor LaGuardia's official celebration. Can you imagine an executive of a modern U.S. corporation leading the workers in prayer? It has been said of America that "the great melting pot" has become more like a tossed green salad, where the various ingredients maintain their individuality, but combine to make an attractive dish.

Water-saving tips

The Santa Clara Valley Water District offers several suggestions for county residents to cut their water consumption.

To follow are some suggestions for cutting your household water consumption:

- Shorten your showers by just five minutes and you'll save about 15 gallons per bath.
- Install faucet aerators and low-flow showerheads and save 16 gallons a day.
- Wait until you have enough laundry to wash full loads, and also wait until your dishwasher is full before you start it.
- Fix any water leaks and save up to 15 gallons per day, per leak.
- Install high-efficiency toilets and save up to 25 gallons a day.
- Install a high-efficiency washing machine and save 20 gallons per load.
- Turn off the faucet while shaving or brushing your teeth and save two gallons a minute.
- Install other water-efficient appliances to save water and you might qualify for rebates.

Public Safety: Don't Feed the 'Critters'

One of the many attractions of The Villages is the variety of wildlife that can be encountered on a daily basis. Many Villagers feel that being a good host necessitates feeding our four-legged or winged guests on a routine basis, which can be quite detrimental to our wild friends. Most wild animals naturally fear humans and keep their distance. Problems arise when animals have access to food and garbage left out by residents. They develop an appetite for easy pickings and keep coming back for more. When this happens, they often lose their natural fear of humans and can become aggressive. To prevent that, residents should not leave out any type of food, including canned food, in a manner that may become accessible to our furry friends. Please comply with Villages Golf & County Club Rule 1.51.4, which states: "Feeding of waterfowl and other wild animals on a routine basis is prohibited for the protection of both residents and the animals."

**Remember someone
with a memorial gift**

Honor the life of your friend or loved one by funding the services to extend the quality of life for other Villagers. A memorial gift to the Villages Medical Auxiliary (VMA) honors the loved one lost and promotes the work of the VMA. If you have any questions on how to give, call the VMA office at 408-238-4230. All donations to the VMA are tax deductible.
