Take the 'Italian for a Day' tour!

Join Craig Smith for another new tour, "Italian for a Day" on Monday, September 10. Departure from the Villages be promptly at 8 a.m. from Cribari Center's east parking lot with an estimated return time of 5 p.m. The cost is \$89 per person. Registration begins on Monday, July 23 in the Community Resource Center, Building B. This outing has quite a bit of walking so wear comfortable shoes.

Among the immigrants who came to start new lives in San Francisco, the Italians contributed a large part of what makes the city San Francisco—North Beach, Fisherman's Wharf, Joe DiMaggio, Tony Bennett song, love of Italian food, and Rice A Roni! The Italians were the first to rebuild after the 1906 earthquake. Learn more about the Italian heritage. We will visit St. Peter and St. Paul Church—the Cathedral for the Italians; Columbus Tower/Francis Ford Coppola's film headquarters and much, much more.

Enjoy lunch at Pompei's Grotto with entrée choices of Chicken Caesar Salad, Fish & Chips or Spaghetti with Fresh Basil Pesto. Lunch includes cup of New England clam chowder, dessert, coffee, tea or soda. Following lunch we will walk down and see the wharf boats as well as the Fisherman's Chapel and learn the history of Italian fisherman and restaurants.

'On Your Feet' — Emilio & Gloria Estefan

On Saturday, September 15, get ready for a real treat at the Golden Gate Theatre. You will be taken behind the music and inside the real story of this record-making and ground-breaking couple who, in the face of adversity, found a way to end up on their feet. Emilio and Gloria Estefan from their humble beginnings in Cuba came to America and broke all barriers to become the crossover sensation at the very top of the pop music world. The two won 26 Grammy Awards, but just when they thought they had it all, they almost lost everything!

Pick up your tickets at the Patio Room at 11:30 a.m. prior to boarding the bus. Bus will depart no later than noon and approximate return time of 9 p.m. Curtain time is 2 p.m. followed by a dinner at Pompei's Grotto. The cost is \$191 per person which includes all this fun, food and transportation. Register at the Community Resource Center in Building B.

Dinner menu includes: Cup of New England clam chowder or Caesar salad, coffee/tea/soda & dessert, glass of wine or draft beer.

Entrée choices: Grilled Salmon—Fresh grilled salmon, lemon-dill sauce, roasted potatoes and vegetables; **New York Steak**—10 ounce New York Strip Steak with oven roasted potatoes and vegetables; **Shrimp and Scallop Combo**—Jumbo shrimp and day boat scallops grilled with lemon butter, vegetables and potatoes; **Pasta Angelina (Vegetarian)**—Angel Hair Pasta with fresh tomatoes, basil, garlic and extra virgin olive oil.

Master Calendar available August 1

Ready or not—the 2019 Master Calendar will be ready to pick up beginning August 1 for organizations, committees and DACs. Please see Ruth DePonzi or Mary Tatum at the Community Activities office.

Cannabis presentation piques interest

Villagers turned out in big numbers to attend the VMA's "Getting Started With Cannabis" presentation about the medicinal benefits of cannabis, held July 12.

VMA to offer hearing screening

The Village Medical Auxiliary is sponsoring a free hearing screening on Thursday, July 26 from 10 a.m. to 1 p.m. at Montgomery Center. You must pre-register to attend. Please contact VMA Social Services Coordinator, Cristina Freyer at 408-238-4029 or e-mail her at csilva@ncphs.org.

The VMA urges you to take time to have your hearing screening, either at the July 26 free screening or with your own doctor.

VMA to offer Workshop on Hospice and Palliative Care

At some time in our lives many of us will have to deal with someone that will need hospice or palliative care. Do you know the difference between the two? The VMA is presenting a workshop to help you understand the differences and goals of each type of care. The workshop will be offered on Tuesday, July 24 from 10:30 to 11:30 a.m. in the Cribari Conference Room.

Grace Hospice will explain what qualifies for hospice or palliative care and how to acquire a consult for each type of care. There is no registration or cost for this presentation.

COMMUNITY NEWS

PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

2 Pulse letters received this week.

0 Pulse letters not meeting Pulse Letter Guidelines.

Kudos to the Villages Italian Club for a sensational, enjoyable Romantic Evening with Frank DiSalvo on July 7. This supper club event was outstanding. The decorations, food and three hours of entertainment, with music and songs from the likes of Frank Sinatra, Sammy Davis Jr., Steve and Eydie Gorme and Tom Jones, were top-notch. This was the best Italian Club function we attended and we look forward to the next event.

—Rita and Howie Blumstein

About the recent election of Board members, I find that none are from Cribari area.

Cribari Village is one of the bigger villages in number of persons in it, but over the last few years no one is elected from Cribari. All the current Board members are non-Cribari residents. I would like to make a request that one of the future members of the Board should be a Cribari Villager, so he or she can take care of our problems as he or she lives here.

Also about last Pulse letter about us attending Board meetings. The public address system is in bad shape. Most Villagers are old and many like me are hard of hearing. One cannot hear and understand what the persons on the dais are saying, so we stopped attending.

—Prakash Deshmukh

Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

Note: The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

BOUQUETS

Many thanks to the volunteers who opened the free "Children's Art Table" at the Independence Day Celebration at the Clubhouse circle.

Pam Thompson, Jane Hink, RaeMay Lai, Ruth Branch, Marcy and Rob Boyles, Judy Wessler and Nora Rutt provided art makings, paper airplanes, bubbles, origami, hula hoop, jacks and marbles to many grandchildren on a wild and windy day.

—Barbara Gottesman

On behalf of the Italian Club, a big thank you goes to John Yu, Albert Salcedo, and the rest of the Clubhouse staff for providing an enjoyable complement to our Supper Club performance of Frank DiSalvo on July 7. The menu fit the occasion, the food was delicious, and the service prompt and professional. The Supper Club concept put some extra pressure on the staff to serve the meal and pour wine after each course on a tight time schedule and while the performance was ongoing. And they responded admirably. We are very fortunate at the Villages to have a Clubhouse with the capability to produce special events like this. In addition, many thanks to all the volunteers who helped with the evening's festivities and with clean up, especially Pam McCarthy for the decorations and Anahid Gregg for reservations. Grazie!

BOARDS & COMMITTEES

FROM THE TAC

WOW! Are You Ready? (part two)

In the 25 years since the introduction of the Mosaic browser, many of us have made the World Wide Web an essential feature in our lives. We communicate with friends and family on-line, shop and bank on-line, perhaps even find a relationship on-line. The major reason it has become omnipresent, though, is that it provides convenience, real-time accessibility and instant communication.

But let's be honest seniors. One of the major reasons we use it is CONTROL. No more drives to distant stores, waits in line or holding queues on the telephone. Immediate satisfaction.

The Villages has a website that, if you're not aware of it, you should be. It's The Villages Resident Portal and it can be found at: <https://resident.thevillagesgcc.com/>.

Thanks to the work of staffer Ken Patterson, the Resident Portal has gone through a number of positive changes over the last year including a new, cleaner look and feel, simpler navigation and, here's the key part, a growing number of self-service applications that allow you, the resident, to TAKE CONTROL. You can now go on-line to make a Clubhouse restaurant reservation, pay your HOA dues, place a work order, or notify the Public Safety gatehouse of incoming visitors. No more waiting or uncertainty, no more long phone calls or email exchanges with staff, immediate gratification! General Manager Tim Sutherland is committed to adding additional self-serve applications to give you even more control and satisfaction in your dealings with Villages Management.

Are you unsure of how to use the web or these new Villager Portal self-service applications? Then WOW, are you in luck! On Monday morning, July 23 from 10 a.m. to noon in the Clubhouse ballroom, the Villages Technology Advisory Committee (TAC) and Villages Management will co-sponsor the first WOW event (Welcome to our Website)! Bring your laptop or smartphone. Fellow residents will provide demonstrations and clear take-home instructions to teach you everything you need to know about how to use these self-service apps to GAIN CONTROL. Watch for more details on WOW events in coming weeks.

Missed your Villager?

If you missed delivery of your weekly copy of *The Villager*, please call 408-223-4655 to report it. (Please do not call before 11:30 a.m.)

You may pick up a replacement copy of your paper at the newsstand at the entrance of Building B or go online to the Villages website—www.thevillagesgcc.com—and download the current and past editions to your computer.

FROM THE CLUB BOARD

Club's Three-Year Strategic Plan Development Workshop

Each year, the Club Board updates its Three-Year Strategic Plan. As part of that process a workshop is held to reach out to community leaders (Association, Homeowners' and Club committees) and those involved with the leadership of social organizations to gain their input and insight with regard to the update of the plan. This year's workshop is scheduled for Tuesday, August 14 at 9:30 a.m. at Foothill Center.

The Club Board has decided that 30 members in general (those who do not serve on committees or clubs) will be invited to the workshop. If you are interested in participating in this annual activity, please RSVP to the General Manager's office at 408-223-4430 or sschubert@the-villages.com before August 6, 2018.

The existing Club's Three-Year Strategic Plan can be accessed on The Villages website, thevillagesgcc.com (select Resident Info, Governance, The Villages Golf and Country Club, Three-Year Strategic Plan).

CBOD to form Ad Hoc Pickleball Facility Committee

The Club Board of Directors is planning to have a community vote on the proposed Pickleball Facilities Project this fall. To prepare for that event, the CBOD is forming an Ad Hoc committee to create all the necessary information and how best to disseminate it to the membership so that everyone is aware of the purpose, justification, cost and timeline for the project.

The committee will have seven members including representatives from the CBOD, the Pickleball Club, and Villagers-at-large. If you are interested in serving on the committee please complete the form found on the Villages web site: <https://resident.thevillagesgcc.com/club/ccom/ccomapp/>.

Please return the form to Julia Meadows in Building A by July 31.

Attention DAC publicity chairs:

To get the word out to your membership you may list your DAC meetings in *The Villager*, on Channel 26 and in Fast Lane e-mail blasts.

For two advance notices of your meeting in *The Villager*, please get your notice in at least three weeks prior to the meeting date. You may e-mail your meeting notices to Associate Editor Kory Tran at: ktran@the-villages.com (For questions, call Kory at 408-754-1341).

PUBLIC SAFETY

For emergencies, establish a new 'L.I.F.E. File'

The San Jose Fire Department recently provided Public Safety a new L.I.F.E. File, which stands for **Lifesaving Information For Emergencies**. This is a newer version of the VIAL OF LIFE. The file is a magnetic sleeve, which can be stuck on your refrigerator. There is a sleeve in which to put the form or other documents, such as a DNR.

Both the VIAL OF LIFE and the new L.I.F.E. File are acceptable.

If you are interested in these items, please come by Public Safety Administration. We have a limited supply on hand.

What is Vial of L.I.F.E.?

What is the Vial of L.I.F.E.? The Vial of L.I.F.E. is "Lifesaving Information For Emergencies." It's a place for you to store important medical information that emergency medical personnel (firefighters, paramedics, Public Safety officers and hospital staff) need in a time of crisis. By completing the Vial of L.I.F.E. form, you can provide the emergency personnel with vital lifesaving information even if you are unable. It is very important that you keep this information up to date, accurate and placed in a prominent spot in your refrigerator—an empty or incomplete form does little to help those who need your medical history. By the way, it is also advisable to have completed, up-to-date forms in each of your vehicles to assist EMS in the event of an accident.

The Vial of L.I.F.E. kit is available free as a public service from the San Jose Firefighters Union Local 230 and the San Jose Fire Department. It can be obtained by contacting Public Safety, the gate at 223-4665; Public Safety Administration at 239-5246 or San Jose Fire Department Emergency Medical Services Division at 277-4084.

Are you prepared?

When disaster strikes, it may be three or more days before assistance is available. EPC encourages you to read the information at the end of the Villages Phone Directory and in your red folder. Be prepared.

Parking in the Common Area

The Villages Association Rule #2.17, Vehicle Parking address's parking of resident's vehicle(s). Section 2, states, "No vehicle that is incapable of being parked within the entire boundary of the garage, carport or driveway may be parked within the Condominium Development. Temporary exceptions may be authorized by Public Safety."

Public Safety receives numerous calls from residents who advise us that all of the common parking is taken by residents. This is very common during holidays. This causes guests to park in the larger streets and have to walk great distances.

Thank you for attention to this matter.

—Fred Hink, Director of Public Safety

Service Animal vs Comfort Animal

Service Animals as defined by Title II and Title III of the Americans with Disabilities Act (ADA).

Service animal is individually trained to do work or perform tasks for the benefit of an individual with a disability, including physical, sensory, psychiatric, intellectual, or other mental disability. These tasks may include, pulling a

wheelchair, picking up dropped items, reminding a person to take medication, or alerting a person of a sound.

Service animals are allowed to accompany the handler to any place where members of the public are allowed, even if the facility has a "No Pets" policy.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions:

Is the animal required because of a disability?

What work or task has the animal been trained to perform?

Emotional support animals are not covered under ADA. A doctor's note does not make an emotional support animal a service animal.

FOUNDATION FOCUS

Gifts for the Un-Giftable!

By Diana Hallock, EVF Communications Director

My dad is 95 years old, Mom is 87 and both have June birthdays. Add Father's Day and Mother's Day...whew! I am out of gift ideas. They don't need another tie or a new blouse. Travel is a bit beyond them and going out to dinner is not as good as a great dinner at home but I do want to do something nice. Wait! Mom loved to play golf and Dad was an avid tennis player for over 50 years. I'm going to remember their sporting years with a donation in their names to the Foundation to be used for tennis projects and golf needs. This idea can be repeated for years but I can't take credit for this great idea. A non-Villager son gave a pickleball donation in honor of his pickleball-playing Villager dad for Father's Day. If you are in need of a great gift for a special family member or friend, consider an honorary donation to EVF. For more information go to www.evfsj.org

SENIOR RESOURCE SERVICES

Help your favorite charity and pay less income tax

Recently two of the charities at The Villages received gifts of stock rather than cash. This type of donation is a very smart, well thought-out move on the part of the Villager donors. Let us explain: In recent years the stock market has been at record highs. Even with the market down a bit, many people still have huge gains that will be taxable when sold. If this is your situation, you have a golden opportunity to make a gift to your favorite charity and at the same time put yourself in a position to save money on your income tax. This wonderfully simple technique can work for you if you have stock, bonds or real estate you have owned for more than one year, and if these assets are currently worth more than you paid for them.

Here is how it works. Suppose you would like to give a gift of \$1,000 to your favorite charity. And, suppose you own stock worth \$1,000, which you purchased several years ago for \$100. If you directly sell the stock to give the \$1,000 to charity, you will have to report and pay taxes on the \$900 long-term capital gain. Presuming your combined Federal and California tax rate for long-term gains is 20 percent, you will pay \$180 tax leaving you only \$820 to give to charity.

Now, if you make a gift of the stock directly to the charity, you get to claim the \$1,000 fair market value of stock as a charitable contribution deduction, and you will not have to report the stock disposition as a gain nor pay tax on the \$900 of capital gain. The charity will most likely sell the stock, but it will not have to pay any income tax on the stock sale because it is tax-exempt.

Frequently the charity has a brokerage account at a bank or financial house, so your gift can

CLUB CALENDARS

HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks, poles and lunch as necessary. Wear layered clothing appropriate to the current weather.

In addition to scheduled hikes, the following hikes occur regularly:
Every Wednesday - Villages Hill Hike. 8:45 a.m. from Foothill Center.
Every Saturday - Villages Hill Hike with Russ Glines 9 a.m. from Foothill Center

Saturday, July 21: A hill hike with Rich and Wendy (408-499-1789). Starting at the upper gardens, meeting at 8:30 a.m. leaving 8:30 distance and route will depend on the expected high temp for the day.

Wednesday, July 25 (Rambler): Brad Hinckley (408-274-2616) will lead a hike at the start of road 236 going into Big Basin from Hwy 9. There is no restroom or picnic table along this trail, which is in the redwoods which makes it cooler. Bring a sack lunch, water and poles. This is about a 4-mile hike. On the way home, we will stop for a snack. Round trip driving distance is 70 miles. We will meet at 9 a.m. at Cribari Center for a 9:15 departure.

Saturday July 28: Gary and Terry Holmquist (408-531-9779) will lead a hike to Elkhorn Slough in Watsonville. This area has marine influenced weather most of the year so summer heat should not be a problem. We will combine several of the park trails to get a good cross section of the areas various ecosystems. The total mileage will be approximately 5 miles on mostly flat trails. There will be an optional lunch afterwards at The Whole Enchilada restaurant in Moss Landing. The drive is about 100 miles round trip.

Wednesday, August 1 (Rambler): Randy Cisneroz (408-529-3253) will lead a loop hike from the Villages to/across the nearby Bel Air and Hillstone Estates via Shadow Ridge Way (Larkspur/Stony Creek Place/Bently/Canyon Hills/Shadow Ridge/Hillstone/Yerba Buena). We will stop at the Starbucks/Le Boulanger on the corner of San Felipe and Yerba Buena for coffee and snacks. Hike length is about 5 miles with modest and gradual elevation at the beginning of the hike. Bring plenty of water. We will meet at the Cribari Center at 8:30 a.m. for an 8:45 departure.

Saturday, August 4: Akiko Giordono (408-238-5437) will lead long hikers on a 7-8 mile hike in Stevens Creek County Park. Please meet at the Cribari Center at 8:15 a.m. for an 8:30 a.m. departure. Parking permit is \$6—get it at Chestnut parking area (must use debit/credit card). We'll hike on Stevens Creek/Tony Look Trail to Madrone picnic area (restrooms), then up on Lookout Trail into Fremont Older Open Space to Nob Hill, where you can enjoy a panoramic view of Silicon Valley and lunch. We'll take the same trails back to our cars in case of hot weather. Bring water, snack, lunch and poles. A round trip to the park is about 50 miles.

See Jazz Duo—Holland & Coots!

“Exciting, exhilarating, and exhausting!” is probably the best (and most alliterative) way to describe the jazz duo of Holland & Coots. Brian Holland and Danny Coots began performing together in 2010 after spending decades individually on the jazz and ragtime circuits honing their skills on piano and drums, respectively. Since joining forces, they’ve been on a mission to introduce audiences all over the world to their style of music and fun. With a delightful mix of jazz, blues, stride, boogie, pop, and ragtime, Holland & Coots (otherwise known as one of the best pianists and drummers in the business) have created something for every taste. This winning duo of pianist Brian Holland and drummer Danny Coots has been the driving rhythmic foundation for bands like the Titan Hot Seven and B.A.D. Rhythm, and has several recordings to their credit.

Having seen them before, I can’t wait to watch them perform again...obviously their enthusiasm is contagious. They enjoy performing and you’ll be thrilled to watch them perform. (Check them out on the link available on Fastlane and Channel 26.) Don’t miss this fun and joyful performance!

Brian and Danny will perform in the Cribari Auditorium on Saturday, August 18, beginning at 7 p.m. The cost for this fun evening is only \$10 per person. No reserved seating! Registration will be at the Community Resource Center, Building B. John Yu is offering a 10 percent discount at the Clubhouse evening of performance; please have your confirmation receipt available to show servers. Call for reservations!

CLUBS & EVENTS

Italian Club scores big hit with Supper Club show

On July 7, The Villages Italian Club transformed the Clubhouse banquet rooms into a supper club out of the '50s and '60s with black and white colored table settings and centerpieces, and hanging banners, which provided an elegant look and feel. The 200 guests in attendance enjoyed an excellent sit-down meal prepared and served by the Clubhouse staff. The three-course dinner was accompanied by complimentary wine service with each course.

The highlight of the evening was a three-hour performance by Frank DiSalvo, a headliner from the Indian Wells Resort in the Palm Springs area. In true supper club style, food and wine service occurred while the performance was underway. Frank enthralled the audience with music from the late '40s, '50s, and

early '60s.

Much to the delight of the sold-out audience, Frank encouraged singing along to the music of Sinatra, Dean Martin, Sammy Davis J., Nat King Cole, Louis Armstrong, Bobby Darrin, Frankie Valli, and a host of others including Neil Diamond (which prompted the audience to wave their phone flashlights). Born and raised in an Italian family in San Jose, Frank performed a number of Italian songs he heard around the house and the audience responded with singing, clapping, and napkin waving. There was no dance floor provided for this performance but that did not stop the audience from spontaneously rising and dancing in the aisles.

It was a unique evening of food, drink, and music that left the audience singing, dancing, and wanting more.

Group Meditation for Universal Peace—July

Have you thought about learning to meditate? Or been wanting the experience of meditating in a group? If so, please join Global Village's Group Meditation for Universal Peace on Wednesday evenings from 7 to 8 p.m. in the Cribari Conference Room. Our next meditation dates this month are July 18 and 25.

We usually start with a short introduction and some light stretches, followed by about 20 minutes of guided meditation. There are beginners who have never meditated and others with years of experience. Meditating in a group raises our awareness, brings healing to everyone who attends, and promotes world peace by embodying and simultaneously sending out vibrations of peace and love. All are welcome, and there is no fee for participating.

Mike Lella to speak at Foothill Center

By Don Fernandez

Please join us at the Villages Jewish Group meeting on Friday, July 20 at 7:30 p.m. at Foothill Center.

"Beneath a Scarlet Sky" is one of the best books my wife and I have ever read. We had the pleasure of meeting Mike Lella, the son of Pino Lella, the main character in the book, at the Saratoga Library a few weeks ago. Mike was talking about his father, the book, how it came to be written and many fascinating details. Pino is still alive, in his 90s and living in Italy. Mike says that they can prove at least 80 to 90 percent of the story although the dialogue is certainly not completely accurate. But it is basically a true story. I would encourage all of you to read the book, then attend the Villages Jewish Group meeting on July 20 where Mike Lella is scheduled to speak! I encourage everyone who has read the book to try to come and hear Mike Lella!

Any questions contact Don Fernandez at Don@sequoia-partners.com.

Better Living Club to meet Monday

The Better Living Club will meet this Monday July 23 at 1:30 p.m. in Montgomery Center.

We'll be reviewing our other active projects as well, and we'll get an update on the success of the WOW (Welcome to Our Website) event to be held earlier that day.

Please join us on Monday, July 23 for this exciting meeting!

'Color Fields for Land Sea and Sky' painting class

Jeff Bramschreiber, president of the board of Triton Art Museum in Santa Clara, assistant manager of University Art and popular Bay Area art instructor is offering to Villagers a six-week series of painting classes in acrylics. Classes will be held in the Cribari Center Art Room on Tuesday afternoons, from noon to 2:30 p.m., July 24 to August 28.

This series of classes will explore underpainting with a purpose, creating a color field that could stand on its own as an abstract painting; then using that field to pull imagery out of the field to create a unified representational painting!

We will be doing three paintings; each painting will be two sessions long. Jeff will provide reference for the first painting, the dune-scape which appears simple but is quite challenging. Students will provide their own meaningful imagery for the next two paintings: the seascape and the skyscape.

Jeff will be providing handouts, some supplies, tips, brief demos and anecdotes throughout. Details and a materials list are posted on our website: www.villagesartsandcrafts.org on the web page "Acrylics Class."

Class fees are \$60 for Villagers who are members of Arts and Crafts; \$65 for non-members. Register with Barb at barb.gottesman@gmail.com

Audition for Matinee Theatre's 'The Foreigner'

Matinee Theatre auditions and casting for one of the funniest comedies ever written, "The Foreigner" will be 1 p.m., Monday, July 30 in the Cribari Auditorium. There will be rehearsals at 1 p.m. on August 1, 3, 8, 10, 13, and 16 in the Auditorium (maybe not all these will be needed), and the performance will be 3 p.m., Friday, August 17 in the Auditorium. There are two or three female parts, four or five male parts, and a narrator part.

In "The Foreigner," Charlie Baker is pathologically shy and overcome with fear at the thought of making conversation with strangers. So everyone is told that he is a foreigner and speaks no English. Charlie overhears more than he should with the thought that Charlie doesn't understand a word being said. Winner of two Obie Awards and two Outer Critics Circle Awards, this madcap, screwball comedy is guaranteed to leave audiences teary-eyed with laughter.

Matinee Theatre is our new and exciting format for theatre productions between our major shows. When we did our first Matinee Theatre production, "Lend Me a Tenor" by Ken Ludwig in May, there were some props, some costumes, and some set. Refreshments will be available before the play, during the intermission, and after the play. Attendees will be presented a ticket with a 10 percent discount for dinner at the Clubhouse that evening (reservations should be made). The play and refreshments are free! Don't miss the chance to try out for what is described as "one of the funniest comedies ever written."

If you are interested in participating please come to the Cribari Auditorium 1 p.m., Monday, July 30 or contact Larry Miller at 408-238-1030 or larry.wm.miller@sbcglobal.net.

Global Village: Graceful Aging - Joyful Living

Aging of the body is inevitable, but that doesn't mean we can't have a healthy body in our golden years. Mind actually grows with age, and science now recognizes that mind impacts our well being physically, emotionally and spiritually.

The Global Village group is sponsoring an interactive discussion with Ram, the head of the Art of Living Foundation in San Jose. He will help us explore factors that impact our mind and body favorably and adversely; tips that lead to sustained health of our body and mind; and how yoga and meditation practices can help us to age gracefully and live joyfully.

During the meeting, there will be a guided meditation, for which the Art of Living Foundation is well known.

Don't miss this unique opportunity. You are invited to attend our Global Village discussion on Wednesday, August 1 from 7 p.m. to 8:30 p.m. in the Cribari Conference Room. There is no fee to attend and no need to sign up. Join us!

He finds the money to visit Yemen, where his grandfather still lives and tours the highlands of Yemen to meet the few remaining coffee farmers and obtain coffee samples. In the meantime civil war breaks out and it becomes very difficult to export anything, while the Saudis bomb anything in sight. Nevertheless, he succeeds to bring high end coffee to market and now lives in the apartment complex, where he was once the doorman (nobody recognizes him). The book ends a few years ago. We wonder if his business still thrives, since the Yemeni civil war has intensified. 920, Biography, Alkanshali, Moktar, 2018

"The Temptation of Forgiveness" by Donna Leon: This the 27th detective novel about Guido Brunetti, Commisario of Police in Venice. No big crimes or bloodbaths here, Venetian life continues in all its blissful and sordid aspects. Truth is never straightforward, but reading the old latin classics spreads light on present behavior, both good and bad. In the end, when the criminals are brought justice they all go out, drink delicious Italian wine and consume some exquisite Venetian delicacies. Mystery 2018.

"Down the River into the Sea" by Walter Mosley: King Oliver was once one of NYPD's finest investigators, until he got framed for assault of a car thief by his enemies within the force. Now, many years later he runs a detective agency with help of his teenage daughter. When he receives a letter from a woman, who admits she was paid to frame him years ago, King decides to find out who on the force wanted him disposed of and why. A pattern of corruption and brutality against blacks is discovered. King must outrun dirty cops and outsmart craven lawyers and above all protect his daughter. Mystery 2018.

**Local artist's work is part of
Clubhouse restaurant collection**

Tom Carlos and his wife, Patty, were recently hosted for dinner in the Villages Clubhouse by Jan and Debbie Champion and Mike and Bev Poellot.

Tom Carlos, a longtime resident of East San Jose, is the artist who created the two beautiful new paintings of the East Bay foothills that adorn our newly-renovated Clubhouse restaurant.

In keeping with the historical theme of the new Clubhouse restaurant, the selection of Tom's paintings was especially significant. Tom is the son of migrant farm workers who settled in this area a generation ago—an agricultural area that would later become known as Silicon Valley. As a teenager, Tom would pick and sort fruit at local orchards.

Without question, Tom's artworks dramatically capture the spirit and beauty of the east foothills that embrace the Villages community and add both warmth and excitement to our new dining experience.

The Poellots and the Champions host Tom and Patty Carlos.

Tom Carlos' paintings compliment the new Clubhouse decor.

JEWISH GROUP

Friday night Shabbat Services will be held at 7:30 p.m. on July 20 at Foothill Center. We will hear from Michael Lella, son of Pino Lella, who is the main character of the historical fiction novel, "Beneath a Scarlet Sky." It is a wonderful book. His son, Michael, is a very good speaker. Following the presentation, we will have our usual Oneg Shabbat celebration. Please email Don Fernandez at don@sequoia-partners.com, so that the Jewish Group can get an idea of how many people to expect.

All Villagers are welcome. In addition, one of the Jewish Group's goal is to support our San Jose community in its help with the needy. We will start by bringing non-perishable food cans and packages for the Second Harvest Food bank to our monthly services. Joyce Mendel will then deliver the items to the food bank each month.

If you are interested in membership in the Villages Jewish Group, please contact Joyce Mendel at 408-238-7316.

COMMUNITY CHAPEL

By Pastor Bill Hayden

We may lie down to sleep at night thinking about the activities of the day and our plans for tomorrow. There is no doubt in your mind that you will arise in the morning with all of our physical abilities to meet the day's desire to accomplish a few, if not all of your plans. Being accustomed to one day running into the next day, we seldom give any thought that we may not be here on tomorrow, unless we are gravely ill.

As a teenager in junior high school, during the summer break some of us guys with idle hands would think of things to do to terrorize the neighborhood several blocks away from our homes. We would raid the neighbors' fruit trees, grapevines, throw eggs, turn garbage cans over and knock on people's doors and run away out of sight. We knew all the ins and outs of the surrounding neighborhoods so we could get away fast. I'm sure when some of the neighbors saw two or three of us walking together they probably knew we were the hooligans causing all the problems.

Other times we would stand under the corner street light and sing songs together. We were just being teenage guys with nothing better to do after sundown. The only jobs available were cutting grass and pulling a few neighbors' weeds.

After a fun filled evening, the next day, one of the older teenagers took his stepfather's boat to a lake nearby. Most of the guys who went along knew how to swim so they didn't worry. Needless to say, that evening Butch (who was not a swimmer) did not return, he had drowned. As the story goes, he had jumped into the water even though he was very uncomfortable around lakes. My first thought was that they had been horsing around and because he had a fear of water they may have pushed him. To this very day my thought remains the same. Whenever the subject comes up in our class reunions the conversation goes into a different direction.

Though we lay down to sleep each night, we are not certain what awaits us tomorrow. So, live each day with a grateful heart that you have the opportunity to be present and accounted for. "This is the Day that the Lord has made, we will rejoice and be glad in it!" Psalms 118:24 NKJV

Desiring to be around positive people, please join us at the Villages Community Chapel in the Cribari Auditorium each Sunday from 10 a.m. to 11 a.m. *The chapel is a place for Needs to be Met, Faith to be Affirmed and People to Love.* We would love to meet you. If you would like to make an appointment with Pastor Bill call the office at 408-238-3079 9 a.m. to 3 p.m. Monday thru Wednesday. To learn more about the Villages Community Chapel visit our website at <http://villagescommunitychapel.org/> You can hear previous and current Sunday Sermons.

CATHOLIC COMMUNITY

We have an 8:15 a.m. Mass every Sunday in the Cribari Auditorium. All are welcome. You may have noticed some changes with the seating at Sunday 8:15 Mass. This is due to the fact that The Villages will now charge for custom setup. Ours was a custom setup and we want to avoid those additional expenses. I know that everyone can adapt to the new setup even though we really aren't fond of change. So bear with us as we work out Communion distribution as it was not only confusing but congested on our first go around. Those of you who sat in the back or on the sides, this is your opportunity to find a new seat and maybe meet some new parishioners.

We are still in need of two ushers for Sunday Mass. If you can please help out contact Joe Civallo for more information at 408-532-2620.

If you are new to the Villages and would like to find out more about our Ecclesial Community, contact Karen Kosmala at 408-223-2620.

If you would like to have a Mass said for someone contact Jean Ghiossi.

There is Friday Mass at 9 a.m. the first three Fridays of every month in the Conference Room. It is preceded by the Rosary at 8:30 a.m.

Home Communion: For home communion, call Shirley Roberts at 408-238-1543, and we would like you to know that if you are homebound, a priest is available to come to you for home Reconciliation. Please contact the parish office to make arrangements.

SWINGERS

By Terry Holmquist

Another nice day in the Villages, a little breeze and good company. We don't really need to mention that we also played golf. As Mark Twain once said "Golf is a good walk spoiled." I am happy to say that was not true for all, especially for Kathy Warren who managed a chip in on hole 16: Good hole to skip putting.

Judy Frey, Kay Gray, Nancy Carson, JoAnne Utne and Mary Stowers had the "privilege" of playing with five of the girls we are sponsoring in the Corena Green event held in August at Pleasant Hill. I put privilege in quotes because playing with quiet little 11-year-old Belinda who had a 39, could be a double-edged sword. Belinda is wearing the First Tee shirt and hat, our charity of choice this year.

The Swingers Club Challenge is a three-day event to be held on Tuesday August 14 and 21 with our regular 8:45 a.m. start and on Friday, August 17 at a designated Tee Time start. Entrants must be available to play all three days. This is a fun event with a chance at winning some big bucks. You are also eligible for regular Tuesday sweeps, yes, we are allowing "double dipping." Charlotte Waugh and Linda Lammano will be at the outside table with the sign-up sheet starting July 3. This writer challenges everyone to make this one of our largest turnouts and most fun in years. Participants will be grouped into foursomes by handicaps, so you have no fear of being intimidated but can play with a partner of your choosing, so no excuses.

Rules, Rules, Rules. Must we abide by them and what are they? In September, we will be voting on the By-Laws and Standing Rules. If you have any thoughts or ideas about needed changes, send them to Kathy Warren or Betty Garcia. The By-Laws are available for review in the posting room. If you have any questions please submit them to the two ladies above and they will pass them on to Scott so he can address them during our regular third Tuesday of the month rules clinic at 8 a.m.

Stay Healthy, and Keep on Truckin'.

18-HOLE WOMEN

By Phyllis Mueller

Wednesday Play Day was something we do once a year and at our age it seemed to cause all sorts of problems. Our clubs, balls, tees and brain were thinking Thursday, at least in some cases. We do Wednesday to accommodate the Men's Invitational. The best part was seeing our course in pristine shape and watching a familiar worker putting on red stripes that turned out to be our own Pro, Scott Steele! Will be glad to get back to Thursdays!

Saturday Players continue to meet at 10:30 a.m. every Saturday unless there is a tournament. You can sign up on Chelsea or call the Pro Shop or Diana Hallock for further information. You must be a member of the 18 Hole Women's Golf group. Great opportunity for ladies who work during the week.

Don't forget about your wedding gear for Married To Golf Invitational August 9 and 10. Committee members working hard to make this the best wedding yet.

No birdies today but four chip-ins: Janet Gonzales #16. Bev Poellot #12. Edie Herbst #14 and first birdie ever since moving here-Patti Bell #16. Keep your head down and eye on the ball!

TABLE TENNIS

Play Ping Pong any Wednesday!

By Tony Berg

The Ping Pong group was formed at a meeting on July 11 with the blessing of the President of the Club, Alan Waltho. The Montgomery Multipurpose room will be dedicated to the Ping Pong group from 2 to 5:30 p.m. every Wednesday.

Group Captains were identified at the meeting and two from these volunteers will set up and take down the tables every Wednesday afternoon to allow drop in playing between 3 and 5 p.m. This is a serious attempt by the Club to encourage a new round of less experienced players to find like-minded people to play with, get to know, and enjoy a chance to exercise and generally have fun.

The Ping Pong group is open to all Table Tennis Club members but also extends a hearty welcome to anyone who wants to drop by on a Wednesday afternoon to find out what Ping Pong is all about. Drop by and be assured that our volunteer Court Captains will be there to welcome you and get you started in a healthy and friendly sport.

SHONIS

By Ann Campbell

A lovely summer morning greeted 23 Shonis on July 10 for our much-anticipated Tuesday round of golf. It was a bit toasty but just a hint of a breeze kept the heat in check, making it a very comfortable outing. Two qualifiers joined us on this day, Delma Juarez and Jan Ehrhardt. Delma wowed her threesome with a beautiful birdie on hole 5 and Jan completed her fifth game, making her an official Shoni. Congratulations, Delma and a big welcome to you, Jan. Last week, July 3, this writer was remiss in reporting an awesome birdie by Kamini Patwari. She sank a 30-foot chip in on hole 2. Keep up the good work, Kamini. Last but not least, our Captain, Meg Rogers, shot her personal best game of 33, making her the top winner of the day by a large margin. Way to go, Meg!

TENNIS TALK

By Caryl Swinyard

Tennis anyone? Yes, we have nice new surfaces, new wind screens, and summer is here, at least on the calendar. One can hardly prepare for the weather. We live in an ideal place, but lately, it seems to go from hot to cold while we are practicing our serve. And the wind of late was definitely not my idea of a summer breeze.

During the winter months there were some good articles on tennis skills, strategy and etiquette. Now we can go out there with confidence and have fun while showing off that we actually absorbed some of that good stuff.

The women's USTA 55+ team is playing again. Some awesome skills out there. No, they don't win every match, but they give a good showing. And often against women considerably younger than our team. You go, girls. We are so proud of you. Come out and watch them play.

By the time you read this, our Mixer Tourney and luncheon will be in the books, certainly yet another success.

I, personally, wish to thank all the people who make our club work. Not just the officers, but all their helpers. We are so fortunate to have great courts, plenty of organized play as well as volunteers who keep everything working. If you would like to help with anything, or everything, contact someone on the board and they can direct you to those who are looking for assistance. We all need to help out now and then to keep things at the high level we all expect. My mom taught me, if I want to participate in the fun activities, I have to do my part to keep them fun. Please take your turn so our great reputation as the place to live and play will continue.

And there was a Hole in One Victor Kong on hole 2. Victor is one of our newest members. Congratulations, Victor.

Our deep thought and/or and/or humor and/or history lesson for today:

"Because golf exposes the flaws of the human swing, basically a simple maneuver, it causes more self-torture than any game short of Russian Roulette." - Grantland Rice.

"Shall the married man play golf? Certainly! Of all the plagues to a woman in the house is a man during the day." - Dr. Proudfoot, 19th century physician.

Victor Kong scored a hole in one!

PINSEEKERS

By Jack Bindon

The weather was absolutely perfect this Tuesday morning and we witnessed a grouping of scores. Martin needs to get a firm grip on the treasurey, lots of ties.

Our winners were:

First place went to Jack Bindon with a nice 32 net.

Second place resulted in a three-way tie between Chet Purcell, John Eige, and Roy Wash with sub par 35s.

Third place provided another three-way tie between Frank Garcia, Tim Short, and Horio Leighton with even par 36.

Fourth place provided a four-way tie Between Richard Petroski, Tak Okabe, Bill Crill, and Bob Gregg with one over par 37.

When you have 11 winners out of a field of 26 players it means the competition is getting fierce, and the season is only about half over...Good going, everyone!

Geese Chasers—As we have all seen, there are many geese on the golf course this season. Although many residents like geese and ducks, geese can actually damage our golf course. Geese can eat the turf and create turf damage around the green complexes and on the tee boxes. Geese also defecate on highly sensitive turf, like our greens, which can cause turf damage on the greens. The geese droppings are also unsightly and get in the way of golfers and maintenance mowers. Therefore, we will be contracting Loosie Goosey Dog Service once the mulching season is over and it's allowable to abate geese. We feel returning to the dog service will go a long way toward moving the geese off the golf course.

Tips from the Pro—Set up for success...Putting: Your setup when putting is just as important as your set up on your full swing. Setting up to succeed means setting up with your angles square to the target line, especially your putter face; and also setting up with your eyes in line and over the ball. To help you set up properly when putting, a carpenter's chalk-line and a CD disc are great putting aids to have in your golf bag. The chalk-line is useful to help you with your alignment and stroke. Find a straight six to 10-foot putt on a practice green. Snap a chalk-line from the hole back to desired distance. Put a ball on line and make sure your putter and body are lined up properly. Try to roll the putt right up the chalk-line. Use the CD as a mirror. Lay the disc on the green and place a ball in the hole. Take your stance until your eyes are either directly over the ball or just inside. Let us know if these practice tips help your putting. See you at the course!

be transferred directly from your brokerage account to the charity's account. Just ask the charity for the institution's name and account number and give your broker the transfer instructions.

The charity needs to send you a receipt for the name of the stock, the number of shares and the date the stock was received. You will use the stock market information to determine your contribution dollar amount. Your charitable deduction will be the average of the high and low price of the stock on the day it transfers out of your account to the charity.

All in all, as long as it is a 501(c)(3) qualified charity it's one heck of a deal. You get the income tax deduction of \$1,000, you never pay the \$180 tax on your gain, and your Charity receives an asset worth \$1,000 – the amount of contribution you would like to make. Now increase your tax rate or add another zero to the numbers in the example and the law is even more exciting!

Ask your broker or financial advisor about this possibility as a way to help a favorite charity.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

& Sour Notes

Operatic puns:

Swam Lake: Triathlon-er's favorite opera

Becoming a famous soprano is a great opera tunity

Why was the soprano obsessed with songs that had both length and width? Because she wanted to sing an area.

Did you hear about the mezzo-soprano who had quite a range at the lower end of the scale? She was known as the deep-C-diva!

Dealer: North
Vulnerability: East/West

Bidding:	North	East	South	West
	Pass	Pass	1 Spade	Pass
	1 NoTrump	Pass	3 Spades	Pass
	4 Spades*	All Pass		

Contract: 4 Spades by South
Opening Lead: 2 of clubs

Dealer has 1 loser in Spades, 2 losers in Hearts, and at least 1 Diamond loser.

Strategy: Since West initially led a Club, cover with the Ace and finesse the 10 of Diamonds before pulling out trumps.

West leads the 2 of Clubs, South, the Ace from the board, switches to the 10 of Diamonds, East covers with the Queen, and now South has to play the King, which prevents South from getting 4 Diamond tricks. He plays the King of Spades, West ducks, continues with the Queen, still West ducks, South then leads the Jack, and West takes the trick with the Ace. He plays the King of Clubs, South trumps, follows with the 10 of Spades to take out the last trump. He leads a Heart, West uses his Ace, continues with a Club, South trumps, plays a Heart to the King on the board, and then leads a Diamond to the Jack in his hand, continues with the Ace, and leads his last card, a Diamond, which East wins with the 9. Great! The contract is made exactly. If East had not covered the 10 of Diamonds with his Queen, South would have made an extra trick since he would sluff his 7 of Diamonds on the 10 from the board.

* Quite a few players would not bid game due to their HCP but others give themselves an extra point for having a 5-card suit plus their honors were a King and an Ace rather than a couple of Queens or Jacks, which makes their hand stronger.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

My mother and her 12 siblings were raised in abject poverty in New York City during the 1930s. She carried that poverty mindset into raising my brother and me on Long Island in the 1950s. The culture of poverty is a way of thinking that says, "We have very little; we will always have very little; this is our lot in life." It is about expectations as much as ambitions – rather like the line in the chimney sweep song from *Mary Poppins*: "Now that the ladder of life has been strung, I find that I am on the bottom-most rung," or words to that affect. In hindsight, leaving that environment for three years in the military (before Vietnam) made all the difference. My fresh start in California began with meeting my future wife in 1965. I was an uneducated blue-collar worker, so her expectations in marrying me couldn't have been very high...but they were higher than mine!

California was a land of opportunity back then. My job loading airplanes at Pan Am, plus Sandy's meager clerical job at the bank enabled us to buy our first home. I started junior college in 1967, we bought our first home in 1968, and our first child was born in 1969. Our second and third children were also born while I was a full-time student and the sole breadwinner. We were able, on our single paycheck, plus an employee benefit from Pan Am and some help from the GI Bill, to put me through two years of junior college, two years at Stanford University, and two years at Cal Berkeley. A young blue-collar couple could probably never pull that off in today's economy. But attitude is still everything, and where there's a will there's still a way. Or as more than one motivational speaker has said, "I have been broke many times in my life, but I have never been poor!"

OBITUARY

James G. Cairns
November 19, 1927 — May 25, 2018

James G. Cairns, 90, passed away, surrounded by his family on May 25, 2018. Born in Glasgow, Scotland, Jim's father served in WWI and an older brother was a member of the RAF during WWII. Once he was of age, after WWII, Jim also served in the RAF.

Jim and his family immigrated to the United States in February of 1968, settling in the Blossom Valley area of San Jose. Jim held positions at Fairchild Semiconductor and Memorex before partnering with colleagues to co-found their own company.

In retirement, Jim and Moira moved to The Villages, which after decades of hard work provided them with a new lease on life and socializing. Jim joined the Iron Men golf group, which was a great way to indulge his love of the game and make new friends, and took advantage of the many excursions and events available to Villagers.

Jim is preceded by his loving wife of 57 years, Moira; he is survived by his son Paul (Liz), daughter Lindsay and was a loving grandfather to his grandchildren, Christina, Samantha, Andrew and Madison.

A Celebration of Life will be held at Jim's home, 6311 Blauer Lane, at 2 p.m. on Saturday, July 21. Friends are invited to drop by to reminisce and raise a glass.

In Memoriam and Obituary notices

In Memoriam notices are run free of charge.

Notices include name of deceased, date of birth and date of passing. Brief notices of memorial gatherings may be included with the notice, providing event is held in a Villages' facility.

Obituary notices may be placed in the Classified Advertising section for a fee. For more information, please call Kory Tran at 408-754-1341 or Scott Hinrichs at 408-223-4655.

Planning an Estate, Moving or Garage Sale?

Residents, or those working on the behalf of residents, are advised to call the Public Safety Administration office at 239-5246 before planning or opening a sale at the Villages. All sales on Villages property are subject to Association Rule 2.02 Residence Use and Occupancy Restrictions.

Homeowner Rule 3.2.10, Estate and Garage Sales states:

3.2.10 Estate and garage sales are permitted subject to the following:

A. A permit for the sale shall be obtained from the Public Safety Office prior to holding the sale and placement of advertising.

Also, effective July 1, 2012, all estate and garage sales in the Association will require a permit. The owner of the property must request the permit from Public Safety Administration in Building C.

The Villages Association Rule 2.02. 5., Residence Use and Occupancy Restrictions applies:

5. Estate and garage sales are permitted subject to the following:

A. Public Safety will not allow entry to anyone who is not authorized by name in advance (Club Rule 1.01, Access to the Villages).

B. All sales activity and sale items must be contained within the residence or garage.

C. Sales may be held only between 9 a.m. and 4 p.m.

D. Sales period may not exceed two days.

E. Only one sale per resident household per year will be permitted. In the event of the death of a resident of the unit, a subsequent estate sale will be permitted. A permit is required and can be obtained from Public Safety.

Note: When placing classified ads for estate or garage sales in The Villager, you will need to attach proof of the permit to your Classified Advertising form.
