SIR groups to host Murder Mystery Dinner on the Petulant Express

The Villages SIR Branches #114 and #38 invite all SIR members and Villagers to attend the Annual Murder Mystery Dinner at the Clubhouse at 5 p.m., Tuesday, August 14.

This year's mystery is Murder on the Petulant Express. Everyone will have the opportunity to solve the crime from the many characters involved and the mystery train scenario: The new streamlined train designed by Peter Petulant came to be known as the "Petulant Express." The train's regular journey between New York and Chicago constantly attracted a passenger list of the rich and famous. One night after a stop in Akron OH, someone made a permanent alteration to Peter Petulant's career. His dead body was discovered early in the morning, in his cabin, by a porter. Where would the trail lead that would eventually end up at the feet of a killer?

Come out and enjoy an evening of great food, and with your tablemates, be the sleuth that solves the mystery.

To sign up, contact either of these SIR members:

SIR 114—Bob Dando, bob@thedandos.com; 408-997-2975

SIR 38—Gary Hill, carngar@gmail.com; 408-274-8086

'On Your Feet' — Emilio & Gloria Estefan

On Saturday, September 15, get ready for a real treat at the Golden Gate Theatre. You will be taken behind the music and inside the real story of this record-making and ground-breaking couple who, in the face of adversity, found a way to end up on their feet. Emilio and Gloria Estefan from their humble beginnings in Cuba came to America and broke all barriers to become the crossover sensation at the very top of the pop music world. The two won 26 Grammy Awards, but just when they thought they had it all, they almost lost everything!

Pick up your tickets at the Patio Room at 11:30 a.m. prior to boarding the bus. Bus will depart no later than noon with an approximate return time of 9 p.m. Curtain time is 2 p.m. followed by a dinner at Pompei's Grotto. The cost is \$191 per person which includes all this fun, food and transportation. Register at the Community Resource Center in Building B.

Dinner menu includes: Cup of New England clam chowder or Caesar salad, coffee/tea/soda & dessert, glass of wine or draft beer.

Entrée choices: **Grilled Salmon**—Fresh grilled salmon, lemon-dill sauce, roasted potatoes and vegetables; **New York Steak**—10 ounce New York Strip Steak with oven roasted potatoes and vegetables; **Shrimp and Scallop Combo**—Jumbo shrimp and day boat scallops grilled with lemon butter, vegetables and potatoes; **Pasta Angelina (Vegetarian)**—Angel Hair Pasta with fresh tomatoes, basil, garlic and extra virgin olive oil.

New Glorious Golden Gate Park Tour

Are you ready for another tour led by Craig Smith? If so, this information is for you! On Thursday, October 18 we will meet Craig at the Conservatory of Flowers for tour. Following the Conservatory we will stop at the Dutch Windmill/Queen Wilhelmina Garden. Departure from the Villages will be at 8 a.m. with an estimated return time of 5 p.m.

We will enjoy a lovely lunch at the Beach Chalet, then enjoy the rest of the tour. You will have a choice of Caesar Salad with Grilled Chicken, Classic Carbonara or Chalet Cheeseburger and Fries. Your lunch includes New York Cheesecake, Coffee, Tea or Soft Drink. At registration, please know your choice of entrée.

After lunch we will depart for Murphy's Windmill and the Windmill Keeper's house built in 1905, recently restored to its full glory, great photo opportunity. Next stop is the Merry-Go-Round from the Panama Pacific International Expo in 1915. Hop on, take a ride and enjoy a remembrance of your childhood (ride it once for me) before going to the Shakespeare Gardens, established in 1928 and then the Japanese Tea Garden built in 1894.

There is moderate walking so make sure you wear comfortable walking shoes. The cost for this wonderful day is \$92. The price includes tour; carousel ride; lunch; transportation and your own private tour guide, Craig! Register in the Community Resource Center, Building B beginning Monday, July 30.

COMMUNITY NEWS

PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

4 Pulse letters received this week.

0 Pulse letters not meeting Pulse Letter Guidelines.

4 Pulse letters published this week.

Congratulations to everyone involved in the Evergreen Invitational. Under Jeff Buckingham's leadership, the volunteer organization performed brilliantly. The staff did an excellent job with the food service on the patio and later in the dining room. I understand 280 dinners were served and tables cleared within an hour and a half.

Personally, I was on the 11th green paying off players who bet they could hit their shots on the green. I didn't hear a single complaint from the 144 players who went through both days.

Well done everyone!

—Jac Fitzenz

Last night, July 17, the Cribari Bend carport storage units were broken into by thieves. This happened around 2:20 am, was spotted in progress by a resident, who called security. How much was stolen is not clear, but it was reported that a man and a woman used a truck to haul things away. This latest round of thefts strikes two chords in me. 1. Don't leave anything of real value in these storage units even with a sturdy lock. One unit had the fixed staple hasp broken off, probably with a crowbar. 2. Possibly we should consider allocating additional HOA fees on more security cameras—yes, a sign of the times—and less of it on study fees and permits for things which have not as of yet stood the test of time the way golf and tennis have. I know we all want to live the good life—and most of us do—but our fees have just risen, mostly for valid reasons. Statistically, however, the higher they go, the more our individual property values go down. We need to be judicious in our choices. But no matter what, we need to be safe.

—Heather Haven

My thoughts on how gym's layout influences our physical performance.

I don't know who deserves the credit, but credit is certainly due. Whoever is responsible for setting up the right-most TV monitor should be commended. You exercise in that area and notice reaching levels of physical endurance much higher than anywhere else in the gym. Here's my theory: vigorous exercise is fueled by endorphins. And it's known that our body's production of endorphins is stimulated by anger. And in this area almost everybody gets to metabolize—though through opposite mechanisms—a mighty dose of anger courtesy of Sean Hannity, Laura Ingraham, and Tucker Carlson. Sheer genius! Why isn't this done with the other two TV monitors?

—Leo Riener

For the past, almost 6 years, my husband and I have lived here at the Villages and have marveled at how beautiful and well-kept it is. Today, as I entered the Villages through the Security Plaza, I especially enjoyed gazing at the beautiful Diablo Mountain Range bordering the Villages on the east (I know, I better pay more attention to the arm going up and down), however, at this moment, the mountain range caught my eye and it made me happy. The Diablo Range looks different in every season and becomes more beautiful to me as I have become familiar with it in all seasons. I feel very fortunate to come home to such a strategically located place that is surrounded by beauty. Today, after running errands, a poem by John Howard Payne entered my mind as I drove through the entrance to the Villages property. This is just a small excerpt of the poem.

"Mid pleasures and palaces though we may roam,
Be it ever so humble, there's no place like home;"

—Diane Carr

Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

Note: The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

BOARDS & COMMITTEES

Dear Readers,

We are introducing a new department to *The Villager*—*What I Love About The Villages*. It is a place where you can share your positive comments about The Villages community. If you have an uplifting comment to share please email your contribution to Villager Associate Editor Kory Tran: ktran@the-villages.com, Villager Managing Editor Scott Hinrichs: shinrichs@the-villages.com or submit it in the Villager Article Submission area on the Resident Portal: resident.thevillagesgcc.com/villager/artsub/

WHAT I LOVE ABOUT THE VILLAGES

What I love about The Villages is the Resident Portal on The Villages website and the ease of placing a maintenance Work Order Request. On the form I am able to describe the work to be done and to also attach a photo. Almost immediately after sending in the request, an email is sent that the work order request has been received and it is assigned a work order number. An additional email will be sent when the work is scheduled to be done. Lastly, an email will be sent when the work has been completed, with a phone number if one has any questions or concerns about the work. I love that I am kept in the loop of the work order request and that it is so easy and convenient to make the on-line request.

CBOD to form Ad Hoc Pickleball Facility Committee

The Club Board of Directors is planning to have a community vote on the proposed Pickleball Facilities Project this fall. To prepare for that event, the CBOD is forming an Ad Hoc committee to create all the necessary information and determine how best to disseminate it to the membership so that everyone is aware of the purpose, justification, cost and timeline for the project.

The committee will have seven members including representatives from the CBOD, the Pickleball Club, and Villagers-at-large. If you are interested in serving on the committee please complete the form found on the Villages web site: <https://resident.thevillagesgcc.com/club/ccom/ccomapp/>.

Please return the form to Julia Meadows in Building A by July 31.

Missed your Villager?

FROM THE CLUB BOARD

Club's Three-Year Strategic Plan Development Workshop

Each year, the Club Board updates its Three-Year Strategic Plan. As part of that process a workshop is held to reach out to community leaders (Association, Homeowners' and Club committees) and those involved with the leadership of social organizations to gain their input and insight with regard to the update of the plan. This year's workshop is scheduled for Tuesday, August 14 at 9:30 a.m. at Foothill Center.

The Club Board has decided that 30 members in general (those who do not serve on committees or clubs) will be invited to the workshop. If you are interested in participating in this annual activity, please RSVP to the General Manager's office at 408-223-4430 or sschubert@the-villages.com before August 6, 2018.

The existing Club's Three-Year Strategic Plan can be accessed on The Villages website, thevillagesgcc.com (select Resident Info, Governance, The Villages Golf and Country Club, Three-Year Strategic Plan).

Food & Beverage Committee to meet August 7

Villagers are cordially invited to the Food and Beverage Committee meeting to be held Tuesday, August 7 at 10 a.m. in the Montgomery Center. We will receive updates from John Yu on several topics and leave plenty of time for resident questions and concerns.

Association/Homeowners

documents available via e-mail

By Julia Meadows

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs that run about \$8,000.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to electronic delivery of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

For more information, call Julia Meadows at 223-4634.

MANAGEMENT

PUBLIC SAFETY

Open Flames and Barbecues

As we are in the middle of BBQ season and enjoying the evenings on the patios, please keep the following in mind for your safety and the safety of others around you.

The Villages Association Rule #2.08 section 9, states, "The use of open-flame cooking devices (for example charcoal or LPG-fueled barbecues) on limited common areas such as decks, patios and balconies is restricted by California Fire Code Sections 308.3.1 and 308.3.1.1 and San Jose City Ordinance 28167. These provisions generally require that such devices be operated at a minimum distance of ten feet from any combustible construction.

Parking in the Common Area

The Villages Association Rule #2.17, Vehicle Parking address's parking of resident's vehicle(s). Section 2, states, "No vehicle that is incapable of being parked within the entire boundary of the garage, carport or driveway may be parked within the Condominium Development. Temporary exceptions may be authorized by Public Safety."

Public Safety receives numerous calls from residents who advise us that all of the common parking is taken by residents. This is very common during holidays. This causes guests to park in the larger streets and have to walk great distances.

Thank you for attention to this matter.

—Fred Hink, Director of Public Safety

For emergencies, establish a new 'L.I.F.E. File'

The San Jose Fire Department recently provided Public Safety a new L.I.F.E. File, which stands for **Lifesaving Information For Emergencies**. This is a newer version of the VIAL OF LIFE. The file is a magnetic sleeve, which can be stuck on your refrigerator. There is a sleeve in which to put the form or other documents, such as a DNR.

Both the VIAL OF LIFE and the new L.I.F.E. File are acceptable.

If you are interested in these items, please come by Public Safety Administration. We have a limited supply on hand.

What is Vial of L.I.F.E.?

What is the Vial of L.I.F.E.? The Vial of L.I.F.E. is "Lifesaving Information For Emergencies." It's a place for you to store important medical information that emergency medical personnel (firefighters, paramedics, Public Safety officers and hospital staff) need in a time of crisis. By completing the Vial of L.I.F.E. form, you can provide the emergency personnel with vital lifesaving information even if you are unable. It is very important that you keep this information up to date, accurate and placed in a prominent spot in your refrigerator—an empty or incomplete form does little to help those who need your medical history. By the way, it is also advisable to have completed, up-to-date forms in each of your vehicles to assist EMS in the event of an accident

The Vial of L.I.F.E. kit is available free as a public service from the San Jose Firefighters Union Local 230 and the San Jose Fire Department. It can be obtained by contacting Public Safety, the gate at 223-4665; Public Safety Administration at 239-5246 or San Jose Fire Department Emergency Medical Services Division at 277-4084.

Help the VMA—donate your vehicle

Perhaps you are unable to support the Villages Medical Auxiliary (VMA) through a monetary donation, but you want to help. There is another way and that is through the VMA's vehicle donation program.

Are you replacing your old golf cart with a new one? Perhaps you no longer use a golf cart. The VMA will take your cart off your hands, working or not.

Do you have a car that you no longer use? The VMA will sell it for you. The VMA will handle all the details including arranging to have your vehicle towed and sold at auction.

Accepting vehicle donations would not be possible without the help of Villagers Gary Walden, Dick Frey, and Noel and Betty Lanctot. These dedicated VMA volunteers spend countless hours preparing the vehicles for sale. If you've got a golf cart to donate contact Gary Walden (408-270-3492). For car donations contact Walden or Dick Frey (408-532-6031).

Golf cart and car donations qualify as a charitable contribution under Internal Revenue Code 501(c) (3). When your vehicle is picked up you'll receive a receipt for tax purposes.

Thank you to all those participating in this program supporting our VMA.

Please return unneeded equipment to VMA

The loan of medical equipment is one of the services offered to Villagers by the VMA. If you have equipment you are no longer using, particularly wheelchairs and four-wheel walkers, please call the VMA office (408-238-4230) Monday through Thursday between 9:30 a.m. and 2:30 p.m. to schedule a pick up. Please do not drop off equipment at the VMA office.

Attention all publicity chairs!

Get the word out!

Now you've got your Board-Recognized Organization's (BRO) events in the Master Calendar, what can you do to get people to attend?

Why not publicize your events? The Villages offers several "publications" for BROs to talk about their activities:

The Villager

The Villager is our very own community newspaper. Every residence has it delivered each Friday. BROs may submit a weekly article to *The Villager* with an optional photo or graphic. Articles should be as brief as possible in order to share the space with other organizations. Please put all important details in the first paragraph—if cut, articles are trimmed from the end.

Please submit only one article per topic. Also, BROs may submit thank-you items to individuals or other organizations in the "Bouquets" column.

Channel 26

Every home comes with Comcast's basic cable service, which includes two channels exclusively for use by The Villages. Channel 26 is the billboard channel with announcements of upcoming events and board agendas. BROs are entitled to run a 15-second slide promoting their events for 14 days. Articles should be kept to Who, What, Where, When and How Much.

The Fast Lane

The Fast Lane is The Villages weekly email newsletter sent to our more tech savvy residents each Wednesday. BROs can promote their event over two consecutive weekly editions. Articles should be kept to Who, What, Where, When and How Much with a brief description of the event.

The Resident Portal resident.thevillagesgcc.com

The Resident Portal is the place on the internet for all things about The Villages. The Portal has an events calendar where your event can be listed. Also articles about your BRO can be added to the Fast Lane online. BROs also have their own dedicated page for information about their organization on the Portal.

All contributions are subject to the rules of The Villages and the policies of the individual "publication".

How to deliver your article or information to the various "publications":

The Villager

The Villager is delivered to homes every Friday, and is available online starting at 6 p.m. the evening before. Deadlines for articles are on Thursday the week before. Submissions may be e-mailed to Associate Editor Kory Tran at: ktran@the-villages.com, taken directly to The Villager office in Building B, faxed to 408-223-4673, or through the Resident Portal at resident.thevillagesgcc.com/villager/artsub/

Channel 26; The Fast Lane; The Resident Portal

Article/event information submissions for the three electronic "publications" can be done through the Resident Portal at resident.thevillagesgcc.com/resource-files/forms/elisting/

If your event occurs on a predictable schedule, select "This event is recurring" and it will be listed up to two weeks prior to each event (in the Fast Lane or on Channel 26) or for the whole year on the Resident Portal's event calendar. Organizations are responsible for alerting the Communications Department if there are any changes to the event schedule.

CLUB CALENDARS

HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks, poles and lunch as necessary. Wear layered clothing appropriate to the current weather.

In addition to scheduled hikes, the following hikes occur regularly:
Every Wednesday - Villages Hill Hike. 8:45 a.m. from Foothill Center. **Every Saturday** - Villages Hill Hike with Russ Glines 9 a.m. from Foothill Center

Saturday July 28: Gary and Terry Holmquist (408-531-9779) will lead a hike to Elkhorn Slough in Watsonville. This area has marine influenced weather most of the year so summer heat should not be a problem. We will combine several of the park trails to get a good cross section of the areas various ecosystems. The total mileage will be approximately 5 miles on mostly flat trails. There will be an optional lunch afterwards at The Whole Enchilada restaurant in Moss Landing. The drive is about 100 miles round trip.

Wednesday, August 1 (Rambler): Randy Cisneroz (408-529-3253) will lead a loop hike from the Villages to/across the nearby Bel Air and Hillstone Estates via Shadow Ridge Way (Larkspur/Stony Creek Place/Bently/Canyon Hills/Shadow Ridge/Hillstone/Yerba Buena). We will stop at the Starbucks/Le Boulanger on the corner of San Felipe and Yerba Buena for coffee and snacks. Hike length is about 5 miles with modest and gradual elevation at the beginning of the hike. Bring plenty of water. We will meet at the Cribari Center at 8:30 a.m. for an 8:45 departure.

Saturday, August 4: Akiko Giordono (408-238-5437) will lead long hikers on a 7-8 mile hike in Stevens Creek County Park. Please meet at the Cribari Center at 8:15 a.m. for an 8:30 a.m. departure. Parking permit is \$6—get it at Chestnut parking area (must use debit/credit card). We'll hike on Stevens Creek/Tony Look Trail to Madrone picnic area (restrooms), then up on Lookout Trail into Fremont Older Open Space to Nob Hill, where you can enjoy a panoramic view of Silicon Valley and lunch. We'll take the same trails back to our cars in case of hot weather. Bring water, snack, lunch and poles. A round trip to the park is about 50 miles.

Wednesday, August 8 (Rambler): Ramon and Marianna Reza (714-306-5333) will lead a hike to the Sawyer Camp Trail. This 11.3-mile trail runs through Redwood City, San Mateo, and Burlingame. We have charted a 5-6 mile "in and out" hike on a flat paved portion of the trail. The trail runs along the Crystal Springs Reservoir and provides some tree shade. An optional nearby local dining option will be recommended. Bring plenty of water. Roundtrip driving distance is approximately 44 miles. We will meet at the Cribari Center at 9 a.m. for a 9:15 a.m. departure.

Saturday, August 11: Amy Meier will lead an 8-mile perimeter hike at Point Lobos beginning at Hidden Beach. An alternate route is available for Ramblers. At 12:30 p.m. we will meet Docent Reg Henry at Whalers Cabin and Museum for a 0.75 mile narrated tour along the North Shore Trail to the Information Station. After the tour we will continue down the South Shore Trail back to the parking lot. Maximum elevation is 500 feet. Because of the distance from Villages and limited parking, we will meet at 7:45 a.m. at Cribari and leave at 8 a.m. sharp. Ramblers may elect to leave the Villages later, park on the road near the park entrance and meet at the Whalers Cabin at 12:30 p.m. for the docent tour. Round trip 154 miles.

Fleet Week with the USS Potomac & Blue Angels

Sunday, October 7, is the day for the Villagers to go aboard FDR's Floating White House for 2018 Fleet Week at Jack London Square in Oakland. Departure time from the Village's east parking lot at Cribari Center is 10 a.m., with an estimated return time of 6:30 p.m. Limited tickets are available, one bus only! Register beginning Monday, July 30, in the Community Resource Center, Building B. The cut-off for registration will be on Thursday, September 6, with the final count due to the Potomac at this time.

Get here early for this one! The world-famous Blue Angels will be performing this year and if you have never seen the flyover by the Blue Angels you truly don't know what you have missed. If you have witnessed their flyover, had goose bumps, your spine tingling and your heart racing... well I guess I don't have to tell you know how great they are, you already know! Below is a brief synopsis on the USS Potomac.

The cost is \$201 per person and your ticket for the Potomac is tax deductible (retain your ticket for your 2018, \$75, tax return). Your donation is for a very good cause as it goes toward education and maintaining this historic vessel for events such as ours. Once aboard the USS Potomac we will enjoy a three-hour cruise on the Bay and an air show. We will enjoy sandwiches, fruit, chips, dessert, soft drinks, coffee, tea or bottled water, and there is a hosted wine bar aboard the Potomac.

We will arrive by 12:15 p.m. at Jack London Square where the Potomac is docked. Enjoy the Farmer's Market, shops, book store, antiques, novelty stores and much more. Any purchases made may be left at the Potomac's Visitor Center during our cruise and picked up prior to leaving that day (bring a pen to mark your bag.) We board the Potomac by 1:15 p.m. for the sail time of 1:30 p.m. for a three-hour cruise. The Potomac will be positioned underneath the Blue Angels' flight pattern for this awesome show.

The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra, and converted to the presidential yacht in 1936 by President Franklin D. Roosevelt, who had her re-commissioned as a U.S. Navy vessel. After the President's death in April 1945, the USS Potomac began a long and ignominious decline from her former role in world affairs. Falling into private hands and later seized in San Francisco Bay as a front for a drug-smuggling operation in 1980, the proud vessel's hull was pierced and she sank at Treasure Island. She was re-floated by the Navy two weeks later and sold by the U.S. Customs to the only bidder, the Port of Oakland, for just \$15,000. The Port of Oakland then spearheaded a cooperative effort with organized labor, maritime corporations and dedicated volunteers to complete a \$5 million restoration. The Association for the Preservation of the Presidential Yacht Potomac now operates this National Historic Landmark as an active memorial to Franklin Delano Roosevelt.

The deadline for registration is September 6! All sales are final.

Join Yoga with Harini Madhavan

Her aim is to give everyone a fun, safe and accessible yoga experience. The cost is \$9 per class for full-time enrollment, billed monthly. The classes are held Tuesday and Thursday, 11:15 a.m. to 12:15 p.m. in the Montgomery Multi Purpose Room. Register in class! For more information, call Jane at 408-315-1179. This class is sponsored by the Community Activities Office.

See Jazz Duo—Holland & Coots!

"Exciting, exhilarating, and exhausting!" is probably the best (and most alliterative) way to describe the jazz duo of Holland & Coots. Brian Holland and Danny Coots began performing together in 2010 after spending decades individually on the jazz and ragtime circuits honing their skills on piano and drums, respectively. Since joining forces, they've been on a mission to introduce audiences all over the world to their style of music and fun. With a delightful mix of jazz, blues, stride, boogie, pop, and ragtime, Holland & Coots (otherwise known as one of the best pianists and drummers in the business) have created something for every taste. This winning duo of pianist Brian Holland and drummer Danny Coots has been the driving rhythmic foundation for bands like the Titan Hot Seven and B.A.D. Rhythm, and has several recordings to their credit.

Having seen them before, I can't wait to watch them perform again...obviously their enthusiasm is contagious. They enjoy performing and you'll be thrilled to watch them perform. (Check them out on the link available on Fastlane and Channel 26.) Don't miss this fun and joyful performance!

Brian and Danny will perform in the Cribari Auditorium on Saturday, August 18, beginning at 7 p.m. The cost for this fun evening is only \$10 per person. No reserved seating! New fees related to Club facility use

The Club Board of Directors approved fees in the budget process that may affect Board Recognized Organizations' and private uses of Club Facilities beginning July 1. The intent of the fees was to diversify The Villages revenue stream. In May a letter was sent to all Board

Recognized Organizations indicating the upcoming changes related to fees. The changes include labor charges for custom room setups and a service charge for some events. It is very labor intensive to provide a custom room setup for every facility use. There are 38 facilities available and it is not uncommon to have 28-32 different facility uses in a single day. The Community Activities office has been working toward standard setups for more than two years. Together with the janitorial supervisor, we developed several "standard" setups that most organizations and private users are already using. This means we now offer a choice of generic setups that are available for an event. These are provided at no cost. These sample setups are available in the Community Activities office. Custom setups are still available, but labor charges will prevail.

Some organizations hold events that rely on the community (beyond their club membership) for a customer base and use the event to generate revenue for their organization. The Club Board felt that those types of events should help defray the cost The Villages incurs to support the event.

Service Charge Fee - An event support service fee will be charged for fee based and/or fundraising events. These events are open to the Villages Community at large (not a membership oriented event) and are revenue generating for a specific organization.

Custom Setup Fee - Four to six standard set-ups will be offered for each center at no charge. Departure from a standard set-up will be billed as a labor charge. The charge is based on the size of the facility.

Standard Setup on website

The Community Activities department offers standard setups at each of the Club Facilities. There are several floor plans to select from. For those who prefer to access this information electronically, they are available on www.thevillagesgcc.com. The path to find them is as follows: Resident Portal, Facilities, Center, Room, Setup 1, 2, 3, etc. As an example to find standard setups for the Auditorium, the path would be Resident Portal, Facilities, Cribari Center, Auditorium and then Setup 1, 2, 3, etc. Hard copy versions are available in the Community Activities office. For additional information please contact the Community Activities office at 408-223-4643.

CLUBS & EVENTS

Audition for Matinee Theatre's 'The Foreigner'

Matinee Theatre auditions and casting for one of the funniest comedies ever written, "The Foreigner" will be 1 p.m., Monday, July 30 in the Cribari Auditorium. There will be rehearsals at 1 p.m. on August 1, 3, 8, 10, 13, and 16 in the Auditorium (maybe not all these will be needed), and the performance will be 3 p.m., Friday, August 17 in the Auditorium. There are two or three female parts, four or five male parts, and a narrator part.

In "The Foreigner," Charlie Baker is pathologically shy and overcome with fear at the thought of making conversation with strangers. So everyone is told that he is a foreigner and speaks no English. Charlie overhears more than he should with the thought that Charlie doesn't understand a word being said. Winner of two Obie Awards and two Outer Critics Circle Awards, this madcap, screwball comedy is guaranteed to leave audiences teary-eyed with laughter.

Matinee Theatre is our new and exciting format for theatre productions between our major shows. When we did our first Matinee Theatre production, "Lend Me a Tenor" by Ken Ludwig in May, there were some props, some costumes, and some set. Refreshments will be available before the play, during the intermission, and after the play. Attendees will be presented a ticket with a 10 percent discount for dinner at the Clubhouse that evening (reservations should be made). The play and refreshments are free! Don't miss the chance to try out for what is described as "one of the funniest comedies ever written."

If you are interested in participating please come to the Cribari Auditorium 1 p.m., Monday, July 30 or contact Larry Miller at 408-238-1030 or larry.wm.miller@sbcglobal.net.

Global Village: Graceful Aging - Joyful Living

Aging of the body is inevitable, but that doesn't mean we can't have a healthy body in our golden years. Mind actually grows with age, and science now recognizes that mind impacts our well being physically, emotionally and spiritually.

The Global Village group is sponsoring an interactive discussion with Ram, the head of the Art of Living Foundation in San Jose. He will help us explore factors that impact our mind and body favorably and adversely; tips that lead to sustained health of our body and mind; and how yoga and meditation practices can help us to age gracefully and live joyfully.

During the meeting, there will be a guided meditation, for which the Art of Living Foundation is well known.

Don't miss this unique opportunity. You are invited to attend our Global Village discussion on Wednesday, August 1 from 7 p.m. to 8:30 p.m. in the Cribari Conference Room. There is no fee to attend and no need to sign up. Join us!

You can help Dress A Girl Around the World

Villagers are sewing dresses and donating them to the organizations Hope 4 Women International (Dress a Girl Around the World) and Transformation Love whose goal is to help prevent human trafficking.

On July 31, a few Villagers are planning to get together to complete ready-to-sew dress packets. The packets will contain all that is needed to complete a simple dress and matching doll. You can pick up a completed sewing packet or join us to make up the sewing packets so someone else can complete the dress. Monetary donations are welcomed. Riding Club: Learn about Herd Dynamics

Horses have sophisticated emotional connections with each different member of their family, just as we do, and these relationships can change and evolve over time. The herd has a pecking order from the highest-ranked horse to the lowest-ranked horse. When a horse is introduced into the herd, they initially begin at the bottom of the ranks. It is up to them to work their way up (or not!) by challenging and gaining the respect of the horse above them. They do this by claiming the higher-ranked horse's space. A good opportunity for a social climber presents itself when the higher-ranked horse is not paying attention. If the lower-ranked horse chooses to take this opportunity, he sneaks up on the other horse, trying to physically make them move away from that particular space of land. If successful, the lower-ranked horse claims that space and therefore a higher position in the herd. It is interesting to note that, although the dynamics and pecking order are constantly changing, it is rare for individual horses to make big leaps in the ranking. A higher-ranked horse will typically have a more dominant personality and will stay near the top, while a lower-ranked horse will generally be more passive and accept a lower place. New members gradually climb from the bottom to the rank that fits their personality and from there regularly climb or fall one or two "notches," hovering around the same general level. A good time to watch herd dynamics is when we bring them in from the pasture at 5:30 each afternoon. We look forward to seeing you there soon.

Brandeis: 50 years, oh my! What's it all about?

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research university founded by the American Jewish community. Its membership is connected to the University through fundraising and through activities that reflect the values on which the University was founded: academic excellence, social justice, non-sectarianism, and service to the community.

More than 50 years ago, friends banded together to raise money for the Brandeis University Library Fund. The group met regularly, gathering books and selling them. Through this common mission, lots of sweat and laughter, the friends formalized its group into the Santa Clara Valley Chapter of Brandeis National Committee. This group added fun activities they called study groups. The library was built and new philanthropic opportunities came about. Our favorite Brandeis Research is focused on the mind. Brandeis Researchers have already had some preliminary success in the treatment of Gaucher Disease and the prevention of Parkinson's and Alzheimer's Disease. It is no wonder why this

whose tireless efforts made the SCV Chapter such a success over the past 50 years. BNC will also be showcasing new and current study groups the chapter has to offer. The event includes a delicious sit-down dinner and musical entertainment.

Please mark your calendar and plan to attend to celebrate this "golden" milestone of the chapter's history. If you have any questions, call Janet Atkins at 408-270-6127.

SENIOR RESOURCE SERVICES

Post Card Form 1040

Yes, Washington has delivered on its promise of a post-card tax return. For tax year 2018 there will not be a choice among forms 1040EZ, 1040A and 1040. All taxpayers will file the new 1040 postcard size return for 2018. The postcard size is a half-page of a standard 8 1/2 x 11 size paper with printing on both sides. The print is small so get out your reading glasses.

Also, there are six possible schedules that might need to be attached to your postcard return. And these schedules require additional forms be attached to the schedules. Below are some examples.

For example, if your income is only wages, interest, dividends, IRAs and Social Security you don't need Schedule 1. But if you have any stock sales, rental property, unemployment income or commissions you will need to attach Schedule 1 and the other traditional schedules such as D or E.

If you have commission income on Schedule 1 you fill out Schedule C. You must also attach Schedule 4 (other taxes) to show your self-employment tax and the accompanying form SE.

You would complete Schedule 3 for residential energy credits such as your new solar system.

If you itemize deductions you still attach Schedule A.

You get the idea. So yes, the basic form is smaller, but your return may also be larger than prior years with the possible six additional schedules coupled with the requirement for the same supporting forms.

Even though the IRS is saying it's a postcard, it is still not like a postcard from vacation. You will need to send it in an envelope because there is no room on the postcard 1040 to include the IRS address. Also, you need an envelope to protect your private information on the document, such as your Social Security number.

The IRS has recently announced that 89 percent of households have filed electronically so far this year. The IRS expects this percentage to continue to grow and believes electronic filing is cheaper, faster and safer. Consequently, many taxpayers are greeting this new tax return with a yawn. If you are filing electronically, you don't really care about the size of the paper or how many schedules are attached to your return. You care only that the tax preparation programs are updated before you work on your own return.

If you are curious about the form, go online and enter "draft federal tax forms". Click on the suggestion for the IRS site. This method will get you there more directly than winding through the IRS.gov site.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Notice:

Letter from IRS is OK

A Villager recently received a letter from the IRS alerting him he would receive a letter from an independent research company in a few days. The IRS letter did not include his SS number. He asked SRS if this was a scam. We contacted a Fraud Agent at the IRS.

The Agent said the taxpayer must have ordered a tax form or publication during tax season. The IRS has contracted with an independent firm to do a survey of consumer satisfaction with the IRS ordering process. The taxpayer will not be asked for his SS number in the survey.

FOUNDATION FOCUS

Your community needs your help...and that's why I'm personally appealing to you!

By Morton Cordell, EVF Director

There are many ways that the wellbeing of The Villages affects your daily life. The obvious ways are a safe place to call home in a friendly and relaxed atmosphere. Additionally, we have swimming pools, tennis courts, golf courses, bocce courts, hiking trails, stables, a new fitness center, plus a recently renovated Club-house and Bistro, and hopefully, we could soon have pickleball courts, the fastest growing sport in North America with over 2.8 million players, many of them seniors.

Frequently working behind the scenes, the Foundation partners with the Club Board to determine what Villagers want and select the most desirable projects. Here is where you can help. For less than the cost of a glass of wine, you can become a sustaining donor. If every household gave just \$10/month, we could have those pickleball courts and many other great amenities! We are here for the community. Can we count on you? For more information go to www.evgf.org or attend an EVF meeting on the second Wednesday of the month from 3:30 to 5:30 p.m. at the Patio Room.

COMMUNITY CHAPEL

By Pastor Bill Hayden

A house filled with laughter is like a wellspring of cold water in the desert. Each day I have the opportunity to drink from that well many times. There is so much depressing news and events that occur each day which can make life a little bitter. If we dwell on all the things that have a negative effect on our lives we can go into a state of depression which can then lead to unhealthy behavior. We avoid people, stay in bed, eat the wrong foods and look for things to feed our brokenness.

Many times, during the course of the day Gloria and I discover something to laugh about. We tease each other, tell jokes and make up expressions of statements that people make on the television. I would say that ninety percent of the time we can find something that brings us to tears of laughter. As any couple living in close quarters, we have our moments where we don't agree about something but before the day is over we have found something to laugh about.

I visited a friend in the hospital who was involved in an accident that resulted in some broken bones. Within moments I had him laughing in spite of his discomfort and pain. He was laughing deeply as if nothing had happened. The complexion of his skin became rosy with the fresh flow of blood that filled his face. Those moments I spent with him lifted his spirit and changed the entire atmosphere of the room.

It is well known that laughter decreases stress hormones and increases immune cells and infection-fighting antibodies, thus improving your resistance to disease. Laughter triggers the release of endorphins, the body's natural feel-good chemicals. Endorphins promote an overall sense of well-being and can even temporarily relieve pain.

Each time I have had to under go surgery, I found something to laugh about with the care team and surgeons. I know how important it is to release any stress that everyone might have to face during the process. As they say, "Attitude is everything" and I tend to believe that. It seems the older I get the more things I try to find to laugh about because there are so many things that we can take too seriously that can affect our health in a negative way. "A merry heart does good, like medicine, but a broken spirit dries the bones." Proverbs 17:22 NKJV

If you are in need of some good laughs, please join us at the Villages Community Chapel in the Cribari Auditorium each Sunday from 10 a.m. to 11 a.m. *The chapel is a place for Needs to be Met, Faith to be Affirmed and People to Love.* We would love to meet you. If you would like to make an appointment with Pastor Bill call the office at 408-238-3079 9 a.m. to 3 p.m. Monday thru Wednesday. To learn more about the Villages Community Chapel visit our website at <http://villagescommunitychapel.org/> You can hear previous and current Sunday sermons.

Once again, a lovely morning. It's Northern California, I expect nothing less. We are a spoiled lot and our Tuesday morning golf just adds to our "good life." Fifty-seven of us showed up and four ladies managed to get chip-ins after a drought of three weeks: Joyce Mukuno, Sandi Jones, Giselle Barber and Adele Ratcliff on hole 4 for a par. Unfortunately last week, Kathy Warren stole the largest pot in four years with \$28. Hopefully, with so many players there was enough in the pot to share.

On Thursday July 12, eight ladies woke up in the dark, got ready and left for Stanford at 6:15 a.m. to play in an exchange. We are lucky to have so many opportunities to play at other clubs and experience different golf courses (see below in upcoming events).

Don't forget to sign up for the Swingers Club Challenge with Linda Lamanno and Charlotte Waugh to be held August 14, 17 and 21. Last year we awarded money to winners first through fourth place in each flight totaling \$275! The winners have the privilege of playing in regional finals at Peninsula Golf and Country Club.

Remember, "If you think it's hard to meet new people, try picking up the wrong golf ball." - Jack Lemmon

Upcoming Events for August:

7—Corena Green (Contra Costa Golf Club, Pleasant Hill)

16—Stanford Women's 9-Hole Open Day

21—Rules Mini Clinic

22—Saratoga Country Club Invitational. Deadline for rsvp:

28—Peninsula Exchange

What a wonderful opportunity to throw out 9 of your worst holes! We did that and needed a few more here and there. This was the game to play today and it takes the pressure off those water or 4 putt holes. Wish we could do that more often but then you hear of Charlotte Dickson's best ever score of gross 86 and wonder if she had many bad holes!

From now on Happy Birthdays will be acknowledged and even singing to at lunch!

Betty Buchanan announced winners of the Associates Putting Tournament. Bev McClellan LowPutts. Hole In Ones: Jeanne Bettencourt and Barbara Knight!

Bev Poellot announced signups for Sunday Partners Golf Mixer on July 29 at 11:30 a.m. Call Mary Wagle for more information.

No Birdies today but four Chip Ins: Susan Dooley #8. Charlotte Dickson #10. Nancy Miller #3. Cindy Fuller #16.

Getting ready for our Invitational, Married To Golf? August 9 and 10 are just around the corner and all last-minute preparations are under way! Check your garters!

SHONIS

The Shonis played putts only Tuesday, July 17. Nineteen Shonis and one qualifier put their normal game aside and concentrated on arguably the most difficult aspect of the game of golf, putting.

The winners were:

First Flight Betty Hall 15 putts, Barbara Karayn 16 and Joan Wiseman, Maggie Winters and Pauline Robertson tied with 18.

Second Flight Meg Rogers 15 putts, Tahera Kahlil 16 and Tricia Hardt 17 and Kamini Patwari tied with 18.

Third Flight Carol Strong 14 putts, Rosemarie Stocky 18, Ursula Gibson, Carole Griffin and Julianna Wahlgren tied with 21.

Two Shonis shot birdies: Co-Captain Bonnie Evans on Hole 2 and Captain Meg Rogers on Hole 9. Meg wowed the Shonis last year winning the prize for the most birdies, so it's not a surprise to see her in the birdie category again.

Despite the hot days of summer, Thursday 3 p.m. practice play continues. There's usually an afternoon breeze, which helps make play more comfortable and the Par 3 course has shade at every tee box. The cost is only \$6 for Village residents.

**LIBRARY BOOK SALE

TENNIS TALK

By Dolores Escobar

I recently attended the Villages Luncheon for residents who have lived here 25 years or more, and I was surprised to see how many Tennis Club Members were there. Now, some of them don't play tennis anymore, but they are still dues paying members. What does that say? I'd say they have been pretty loyal to their tennis mates and still think of themselves as part of the club. For me the experience of seeing these long-time tennis friends sent me down memory lane...to the contributions they made, the types of players they were, the tournaments they coordinated. Who could forget when the Scholarship Tournament was played in costume—each team with a carefully guarded theme revealed on tournament day and each set of costumes crazier than the other. Then there was the memorial for Ted Thomas (the drop shot king) at courtside when a plane flew over pulling a sign, "Ted's practicing his drop shot in heaven." Perhaps these are the things that keep folks paying dues when they no longer play.

Of course, change is inevitable and I started to think about the evolution of the club, itself. For example, what started in 2010 as an idea to grow members with a simple "open house" and a recruitment visit to the New Residents' Orientation Meeting has evolved into several events. Of those who gathered at my home that year, Carolee Ferguson suggested we invite Brad Baldinger to demonstrate some rackets and, perhaps, serve some refreshments. We might even get some TC member to spend time helping beginners try the game and "rusty" players get back into the game. New leadership took those ideas and developed them into something bigger and better. That's what makes the Tennis Club a growing, vital organization.

Special thanks to those who take time to coordinate tournaments, supply the refreshments, and provide leadership for this dynamic organization. The "Jump Start" teachers deserve special recognition. Believing that "old dogs can learn new tricks," I joined "Jump Start" and was amazed at how hard they work (right through cocktail hour). That kind of dedication ensures a bright future for our club and substantial representation at future Villages luncheons honoring 25-year residents.

IRONMEN

2018 Ironmen Picnic attendees

By Bill Travis

Saturday was our annual Ironmen picnic held in Foothill Center. This is always a special time for club members and spouses/significant others to get together for some good barbecue and fellowship. Ironmen club members truly enjoy playing golf with one another, and that camaraderie was also in evidence at our yearly get-together. One thing we always try to do is commemorate those past members who are no longer with us; this year we remembered Jim Cramer, Jim Crownover, and Jim Cairns. We will certainly miss them. Finally, I would be remiss if I did not mention that we also raffled off a selection of the finest wines that Costco (Kirkland) can produce. We all held our collective breath as Dave Hathaway, our President, announced the winners. OK, maybe we didn't hold our breaths. Many thanks to Don Willey for organizing the collection of the grub and drinks, to Dave Cook and Jerry Weltzin for doing the actual barbecuing, to Herb Rogers for manning the check-in table, and Dave Hathaway for emceeding the event and taking the photos.

Thursday was sunny and warm, another beautiful day for golf. It's great to get out and walk the course on days like these. **The results were as follows:**

First place there was a tie between John Eige and Bill Travis each with a net score of 25.

Second place there was a three-way tie among Tom Rossi, Dave Cook, and Dave Hathaway each with a net score of 26.

Third place went to Jack Bindon with a net score of 28.

There were three birdies today:

Dave Hathaway had two of them, on hole 5 and on hole 7; Mike Kane had the other birdie on Hole 1.

Our deep thought and/or humor and/or history lesson for today:

"It is true that my predecessor did not object, as I do, to pictures of one's golf skill in action. But neither, on the other hand, did he ever bean a Secret Service man." - John F. Kennedy, 35th President of the United States.

"The problem with golf is that I have to deal with the humiliation factor." - George W. Bush, 43rd President of the United States.

PINSEEKERS

By Jack Bindon

It was a *great* day for golf! All of our winners were sub-par. These guys have been practicing a lot. Your winners are:

First place by himself Roy Wash with a great 31. Way to go Roy!

Second place, again by himself with a nice 32, Gary Holmquist.

Third place, we had a tie between Dennis Cullen and Tak Okabe with 33s.

Fourth place another tie between Lonny Ishihara, Richard Petroski, and Leighton Horio with (still sub-par) 35s.

I have approached Scott Steel, our Head Pro, that we might either attend the short rules/play clinic ahead of our Tuesday round with the ladies or alternate weeks with them if it might be easier with a smaller group. Need your feedback, Pinseekers.

Tips from the Pro—Low Rider: After witnessing some awkward chipping and pitching in the men's Evergreen horserace, I thought it pertinent to cover chipping and pitching. I saw many chips left not only short of the hole, but short of the green...I'm sure nerves had a lot to do with it, but also I saw some technical flaws. First think of your chips and pitches coming in lower...loft is not always your friend. I strive to hit every chip and pitch as low as possible. I saw many members and guests "flipping" the club through impact trying to create loft unnecessarily. Here are some tips to keep those chips and pitches lower, so they release to the hole: Set up with the ball further back and your hands further forward. Keep the clubhead low to the ground, no lifting or flipping with your wrists. Keep your weight in your left hip and don't let it go right. Accelerate into the ball with conviction. Through impact keep the club pointed to the ground not the sky. And lastly Johnny Miller's tip I like is post impact, the shaft and left arm are in a straight line, no bending the wrist upward. Let us know if these tips help you chip and pitch it closer. See you at the course!

Drop in and play Ping Pong!

By Tony Berg

Club President, Alan Waltho gave a safety and rules training for the Group Captains of the Ping Pong group on Wednesday July 18, and at 3pm the first session was opened. After all the planning we were pleased to see how many Villagers turned out in support and we were at last able to share the fun of Ping Pong with Club members and Villagers.

Drop in and play Ping Pong—every Wednesday between 3 and 5 p.m. "Drop In and Play Ping Pong" will be open to all, thanks to the volunteer Group Captains, working on a Rota to cover the sessions.

If you have fond memories of Ping Pong from yesteryear or just wonder if this might be a good way to get exercise, improve motor control and meet fun people then drop in on one of our weekly Wednesday afternoon sessions and find out! Be assured there will be like minded Villagers keen to play as well! We look forward to sharing our enthusiasm (and limited skills) with all of you!

Structural Pest Control Companies are registered and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the state finds that, based on existing scientific evidence, there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

Dealer: West
Vulnerability: North/South

Bidding: West	North	East	South
Pass	Pass	Pass	1 Spade
Pass	2 NoTrump*	Pass	3 Spades
Pass	4 Spades	All Pass	

Contract: 4 Spades by South
Opening Lead: Jack of Diamonds

Dealer has 1 or more losers in Spades, and 2 in Clubs.
Strategy: Try to get 1 loser in spades and attempt to run the hearts sluffing a club from dealer's hand.

West leads the Jack of Diamonds, Ace from the board, South switches to a Spade to the Ace in his hand, and continues with the King. He plays the Ace, then the King of Hearts, leads the last Heart in his hand to the Queen on the board, then the Jack, East sluffs a Heart, South sluffs a Club, and West trumps with his last Spade. He leads a Diamond, South takes the trick with the King, follows with another Diamond, East, the Queen, and South trumps. He plays his last three Spades, and next his last card, a Club, which West wins with the Ace. Great! The contract is made with an overtrick.

* North has 10 HCP and only 4 Hearts; therefore, he bids 2 NoTrump (1 NoTrump would only be showing 6 to 9 HCP). After South rebids his suit showing at least 6, then this allows North to bid game with 2 Spades and 10 HCP. Some players might pass 3 Spades but still make 5 Spades.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of The Villager on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

The Villager meets The Little Mermaid in Copenhagen, Denmark, home of Hans Christian Andersen. Joining the mermaid is Ken Rem, cruising the Baltic Sea with wife Joy.

They're Not Wrinkles, They're LAUGH Tom's LINES

Collection Dept.: "We installed your double-paned windows months ago. Why haven't you paid for them?"

Customer: "Your salesman distinctly said that the windows would pay for themselves within a year."

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

Some of our driving laws make so much sense that it is bizarre to think they took so long to evolve. We used to pile our three children into the back seat of our VW Bug – no seat belts – and speed down the freeway to visit relatives. We would lay the port-a-crib across the little trunk in the front and tie down the lid with rope to hold it in place. The car looked for all the world like a mouse racing down the road with a sandwich sticking out of its mouth. On the way home, if I had way too much to drink, I might let Sandy talk me out of driving, but not necessarily. I'm sure there were plenty of people who had more sense than that, but perhaps just as many who didn't.

Sandy might be nursing the baby in the front seat while the older ones were fighting in the back seat and I was trying to reach back and swat them. We used to say, "Children in the back seat cause accidents; and accidents in the back seat cause children!" It truly is amazing that so many of us made it to senior citizenship and so many of our children survived to witness it.

Planning an Estate, Moving or Garage Sale?

Residents, or those working on the behalf of residents, are advised to call the Public Safety Administration office at 239-5246 before planning or opening a sale at the Villages. All sales on Villages property are subject to Association Rule 2.02 Residence Use and Occupancy Restrictions.

Homeowner Rule 3.2.10, Estate and Garage Sales states:

3.2.10 Estate and garage sales are permitted subject to the following:

A. A permit for the sale shall be obtained from the Public Safety Office prior to holding the sale and placement of advertising.

Also, effective July 1, 2012, all estate and garage sales in the Association will require a permit. The owner of the property must request the permit from Public

Safety Administration in Building C.

The Villages Association Rule 2.02. 5., Residence Use and Occupancy Restrictions applies:

5. Estate and garage sales are permitted subject to the following:

A. Public Safety will not allow entry to anyone who is not authorized by name in advance (Club Rule 1.01, Access to the Villages).

B. All sales activity and sale items must be contained with the residence or garage.

C. Sales may be held only between 9 a.m. and 4 p.m.

D. Sales period may not exceed two days.

E. Only one sale per resident household per year will be permitted. In the event of the death of a resident of the unit, a subsequent estate sale will be permitted. A permit is required and can be obtained from Public Safety.

Note: When placing classified ads for estate or garage sales in The Villager, you will need to attach proof of the permit to your Classified Advertising form.
