## Free senior Water District facility day tours — with breakfast!

The Santa Clara Valley Water District is inviting Villagers to a free, informative tour on Friday, September 7, of the Silicon Valley Advanced Water Purification Center near the community of Alviso at the south shore of San Francisco Bay. The water district is making smart investments in new and innovative technologies like water recycling to make sure our water supply meets future needs. A safe, clean and reliable water supply is essential to sustain the local economy and the region's quality of life.

Opened in 2014, the purification center is the largest plant of its kind in northern California, and produces up to 8 million gallons per day of highly purified water. Using the latest and most advanced water cleaning technologies such as microfiltration, reverse osmosis and ultra-violet light disinfection, purified water is safe and clean enough for multiple uses.

Come see, touch and taste it for yourself and learn why purified water is the new wave of the future. A complimentary continental-style breakfast will be provided along with free tour gifts. Transportation via bus coach may be available with prior reservation. Breakfast tour reservations are required and space is limited. Departure will be from Cribari Center East Parking lot at 9 a.m. The event is free, however pre-registration is required in the Community Activities office by August 24.

## Library to host a used book sale open house on Wednesday, August 15

Forty-five years ago, on October 12, 1972 the Villages library was started to supply books to Villagers that didn't have easy access to a public library. It has developed into an asset that is available to all Villagers. Thanks to the donations of books by Villagers a book sale was created to utilize the excess books and to raise funds to help support the library. The wonderful donations keep the book sale filled with gently used newer books that can

## Matinee Theatre to perform 'The Foreigner'

Matinee Theatre will be 3 p.m. Friday, August 17 in the Cribari Auditorium. The show is free, refreshments will be available, and tickets will be given out to attendees for a 10 percent discount at the Clubhouse after the show Friday, August 17.

We will perform Larry Shue's hilarious "The Foreigner," which won two Obie Awards and two Outer Critics Circle Awards. This madcap, screwball comedy is guaranteed to leave audiences teary-eyed with laughter. Don't miss the chance to see what is described as "one of the funniest comedies ever written."

"The Foreigner" is set in Betty Meeks' Fishing Lodge Resort, Tilghman County, Georgia. "Froggy" LeSeuer, a British demolitions expert, has brought a friend, Charlie Baker, who is pathologically shy and overcome with fear at the thought of making conversation with strangers. So... "Froggy" tells everyone that Charlie is a foreigner and speaks no English. Once alone, the fun really begins as Charlie overhears more than he should—the evil plans of a sinister two-faced minister and his redneck associate, that the minister's fiancée is pregnant, and many other damaging revelations made with the thought that Charlie doesn't understand a word being said. That he does fuels the nonstop

## PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

5 Pulse letters received this week.

4 Pulse letters not meeting Pulse Letter Guidelines.

1 Pulse letters published this week.

At last Thursday's 18-Hole Ladies luncheon, Scott Steele made a presentation on upcoming 2020 golf rules. As an aside on the question of "goose poop," his position is that you must play your ball as it lies. Folks, we are not playing in a LPGA tournament for \$1,000,000. We play for camaraderie, a chance at low putts for the round, a chip-in every now and then and (hopefully) a score that will lower our handicap. I don't need goose poop on my cleats, a spray of goose poop clinging to my hair after a full swing nor a putt that must skirt goose poop on the green. Yes—Goosey Loosey (our potential goose poop savior) is on the horizon, but why continue with this goose poop idiocy? My proposed local rule: If goose poop impedes your stance, the path of the club to the ball or presents an obstacle to the path of a putt on the green, the member may drop the ball in a non-goose poop fouled area. Why is such a change so difficult to enact? Does it really affect the purity of the game?

—Barbara Swiontek

## Attention Pulse authors!

When you write your Pulse letters, don't forget to:

- Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.
- Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.
- Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.
- Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

**Note:** The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

Dear Readers of The Villager,

## WHAT I LOVE ABOUT THE VILLAGES

We had a mini estate sale after we did some major remodeling. Our friends and Villagers Barb Weiler, Sam Brown and Marion Whittaker helped us set up, stage and manage the shoppers the day of the sale. What I love about The Villages and Villagers, is that when one needs help, friends pitch in and that every shopper was respectful of our new home. They put on the booties at the door, handled our once prized possessions with care, shared experiences and helped one another selecting purchases. The day turned out well beyond expectations.

## ***Notice of Proposed Change to Association Policy APr 103-01 Board and Member Meetings – Study Sessions***

The following proposed change to The Villages Association Board of Directors Policy APr 103-01 Board and Member Meetings – Study Sessions was conditionally approved by the Association Board of Directors at its July 31, 2018, monthly meeting. However, before formal approval consideration, the proposed change must be noticed and published 30 days as required by California Civil Code 4360. To that end, the proposed change will be considered for formal approval at the September 25, 2018, monthly meeting. The Board will consider oral and written comments regarding the proposed change at both the August and also the September monthly meetings. Response to the proposed policy changes may be made by one or more of the following methods: 1) Participation in the discussion of the proposed changes at the Association Board of Directors monthly meetings and 2) via written comments delivered to the Board through Maria Hernandez (mehernandez@the-villages.com) in the General Manager's office.

Deletions are noted in strikethrough font, additions are underlined, and the purpose of the change is in italics.

Purpose: *The purpose of the change is to update the policy to reflect the current practice regarding study sessions.*

### **Study Sessions**

~~Regular monthly study sessions are generally held two Tuesdays before the formal board meeting. Exceptions to the meeting schedule are sometimes approved by the Board to avoid conflicts with holidays and scheduled events.~~

Study sessions will be called as needed.

A study session may be called by the President of the Association Board (Board) to discuss items of interest to the Board, Management or Members. In addition, two Board Members or the General Manager may request that the President call a study session. Upon that request, the President must call a study session within 14 days.

Except in the case of an emergency meeting or Executive Session meeting, notice of the time and place of a Board meeting including agenda items shall be posted at Cribari Center and via Fast Lane at least four (4) days in advance of the meeting and may also be posted on community television, and published in *The Villager*.

The purpose of the study session is to allow a topic to be studied by the Board in open session, prior to a formal decision being made at the monthly board meeting. Formal Board decisions will not normally be made at the study session, unless timing is such that a decision must be made. Rather, agenda items the Board deems appropriate will be brought back to the formal board meeting for consideration.

The President of the Board at his/her discretion shall conduct the meeting, dispensing with the normal formalities of the board meeting following the order of the agenda, which was published four days in advance of the study session. The President at his/her discretion may limit resident participation during the discussion of agenda items.

An opportunity will be provided for audience members to address the Board on any Association-related matter. The time allotted to each speaker will be determined by the Chair. The Chair has sole discretion to permit response to questions and opinions.

## PUBLIC SAFETY

### Public Safety Report July 2018

### Time for your 2019 Telephone Directory updates

It is time for input for the 2019 Villages Telephone Directory. If you want to make a change or update your information, please contact Public Safety Administration (Building C) at **408-239-5246, option 2**, as soon as possible.

**The deadline for any changes for the 2019 Telephone Directory is Friday, September 14.**

### Open Flames and Barbecues

As we are in the middle of BBQ season and enjoying the evenings on the patios, please keep the following in mind for your safety and the safety of others around you.

The Villages Association Rule #2.08 section 9, states, "The use of open-flame cooking devices (for example charcoal or LPG-fueled barbecues) on limited common areas such as decks, patios and balconies is restricted by California Fire Code Sections 308.3.1 and 308.3.1.1 and San Jose City Ordinance 28167. These provisions generally require that such devices be operated at a minimum distance of ten feet from any combustible construction.

### Golf Cart Reminders

All golf carts/LSVs in The Villages MUST be registered with Public Safety. Carts registered for use on the golf course will carry the owner's house number in black numbers and carts registered for non-golf course use only, will carry the owner's house number in red numbers.

You may not place your own numbers on your golf cart. Black and red numbers will be ordered and affixed to all golf carts and LSVs by Public Safety.

Anyone that does not have Public Safety issued numbers on their golf cart is in violation of Club Rule 1.05 and the violation must be corrected immediately. Non-compliant golf carts will not be allowed on the golf course, and you may receive a citation!

See Club Rule 1.05 Golf Cart/LSV Registration, specifically black and red numbers will be ordered and affixed to all golf carts and LSVs by Public Safety.

Further, if you sell your cart and/or purchase a new or used one, it is your responsibility to notify Public Safety Administration in Building C. Public Safety Administration will reorder your house number for your new/used cart.

## SENIOR RESOURCE SERVICES

### Grandsons inherit Roth IRA?

Question: I have a seven-figure Roth IRA which I have had for many years. My wife is deceased, and I am considering naming two of my very young grandsons as the beneficiaries. I have three questions.

**1) Will each grandchild hold his share of the funds in his own individual Roth account?**

Answer: Yes. Your Roth account should be split into two separate accounts properly titled as inherited Roth IRAs. For example, John Villager (deceased 11/01/25) Roth IRA for the benefit of Joe Grandson, beneficiary. The split should be done as a direct transfer to two new accounts and must take place by December 31 of the year after your death. The grandsons could not transfer the funds to their own Roth even if they already had such accounts.

**2) Must each grandson begin taking distributions from his inherited Roth?**

Answer: Yes, each grandson must take a required distribution each year from the inherited Roth. The size of each annual withdrawal is based on the IRA Single Life Expectancy table found in the IRS Publication 590-B.

**3) Are distributions taxable to them?**

Answer: No. The annual withdrawals will be tax-free to your grandsons. Indeed, the grandsons could withdraw more than the required minimum each year and it will all be tax-free from their inherited Roth.

This leads SRS to a question for you.

SRS question: Both grandsons are inheriting at least \$500,000 from you. Do you truly want very young grandchildren inheriting a six-figure account to spend as they please? What will happen to the money when they are teenagers or young adults?

We suggest you consider naming a trust for each grandson's benefit. It must be a valid trust which complies with IRS requirements for IRAs. Your estate attorney can give ideas and guidance and, if you agree, draft documents.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.*

### SRS Request: Call back

HICAP (Sourcewise) folks are diligent and try their best to get back to you in response to your message or an email but due to a variety of reasons such as time off, illness, large volume of phone calls and emails and the limited manpower resource, sometimes your call or an email may fall through the crack and you may not receive a call back. On the other hand, these folks call you back, but you may not be near the phone and miss their callback. So regardless of the cause, when in doubt, call HICAP back on the issue of your concern. Please remember, most of the people who provide services are volunteers.

### FOUNDATION FOCUS

### *Your dollars work even when you don't*

By Vivian Brown, EVF Past President

Employee Matching Gifts are donations an employer makes to match its employees' charitable contributions.

Employee matching gifts often are dollar-for-dollar, but some companies will give double or even triple the original donation. Some companies will continue to match donations even after an employee retires. Others make a donation for volunteer hours, "paying" for time that people donate to charitable groups.

Our past president, Vivian Brown, worked for Intel. Vivian Brown has turned in her volunteer hours to Intel for several years and during the past year Intel contributed \$3,500 to EVF on her behalf. Retired, you say? Perhaps your working children would consider naming EVF as their beneficiary. For more information go to [www.evfsj.org](http://www.evfsj.org)

# CLUB CALENDARS

## HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks, poles and lunch as necessary. Wear layered clothing appropriate to the current weather.

In addition to scheduled hikes, the following hikes occur regularly:  
**Every Wednesday** - Villages Hill Hike. 8:45 a.m. from Foothill Center. **Every Saturday** - Villages Hill Hike with Russ Glines 9 a.m. from Foothill Center

**Saturday, August 11:** Amy Meier will lead an 8-mile perimeter hike at Point Lobos beginning at Hidden Beach. An alternate route is available for Ramblers. At 12:30 p.m. we will meet Docent Reg Henry at Whalers Cabin and Museum for a 0.75 mile narrated tour along the North Shore Trail to the Information Station. After the tour we will continue down the South Shore Trail back to the parking lot. Maximum elevation is 500 feet. Because of the distance from Villages and limited parking, we will meet at 7:45 a.m. at Cribari and leave at 8 a.m. sharp. Ramblers may elect to leave the Villages later, park on the road near the park entrance and meet at the Whalers Cabin at 11 a.m. for the docent tour. Round trip 154 miles.

**Wednesday, August 15 ( Rambler):** Johanna Bakker (408-223-2190) will lead a hike along Coyote Creek, going South to fish ladder and beyond. Depending on the weather, we can continue to Metcalf Rd and return the same way. Hike distance is about 4 miles. To reach the beginning point of the hike and the parking area from the Villages, turn left on San Felipe, right on Farnsworth, left on Silver Creek Valley Rd, left on Hellyer, right on Silicon Valley, immediately after crossing the bridge turn right on Eden Park. Park on the road next to the trail. Bring water and a snack. We will meet at the Cribari Center at 8:30 a.m. for an 8:45 departure.

**Saturday, August 18:** Rich Bainbridge (408-499-1789) will lead a hike up our hill, meeting at the circle at the top of Village View Dr. This hike will be mostly in the shade including Meadow, Thistle, Bay, Buffalo, Oak and Skyway trails. Bring water and a snack. Meeting time is 8:30 for an 8:45 departure.

**Wednesday, August 22 ( Rambler):** Sy Gelman (408-532-1239) will lead a hike on the Los Alamitos Trail. The "in and out" hike will begin at the south end of Almaden Lake Park and follow the Los Alamitos Creek Trail to the Camden parking lot, a roundtrip distance of approximately 3 miles. Hikers may also choose to hike around Almaden Lake, a distance of approximately 2 miles. Both trails are flat and paved. Afterwards, lunch at a local restaurant is an option. Meet at Cribari at 8:30 a.m. Round trip auto mileage is approximately 25 miles. Be sure to wear a hat and bring plenty of water. **Meet at 8:30 a.m.** at the Cribari Center for an 8:45 departure.

**Saturday, August 25:** Susan Brown (408-531-9750) will lead both long and Rambler hikers to Alum Rock Park. Since the South Rim Trail is closed before the Horse Bridge, the long hikers will go up to moderately hilly Sycamore Switch Back Trail to Inspiration Point. The Ramblers can hike as far as the start of Sycamore Switch Back Trail and then turn back. We will park the cars at Noble Library on 3355 Noble Ave which is a mile from the park. We will hike part of Penitencia Creek Park to Alum Rock Park and back. Total mileage for long hikers will be about 8.6 miles and about 5 for the Ramblers. Be sure to bring plenty of water, snacks and your poles are recommended. Round trip to Noble library is about 20 miles. (We will hike to South Rim and back if the trail is open by then.)

**See Jazz Duo—Holland & Coots!**

“Exciting, exhilarating, and exhausting!” is probably the best (and most alliterative) way to describe the jazz duo of Holland & Coots. Brian Holland and Danny Coots began performing together in 2010 after spending decades individually on the jazz and ragtime circuits honing their skills on piano and drums, respectively. Since joining forces, they’ve been on a mission to introduce audiences all over the world to their style of music and fun. With a delightful mix of jazz, blues, stride, boogie, pop, and ragtime, Holland & Coots have created something for every taste. This winning duo has been the driving rhythmic foundation for bands like the Titan Hot Seven and B.A.D. Rhythm, and has several recordings to their credit.

Having seen them before, I can’t wait to see them again watching them perform...obviously their enthusiasm is contagious. They enjoy performing and you’ll be thrilled to watch them perform. (Check them out on the link available on Fastlane and Channel 26.) Don’t miss this fun and joyful performance!

Brian and Danny will perform in the Cribari Auditorium on Saturday, August 18, beginning at 7 p.m. The cost for this fun evening is only \$10 per person. No reserved seating! Registration is at the Community Resource Center, Building B. The production boasts many exciting special effects including the show’s legendary chandelier. The beloved story and thrilling score—with songs like “Music of the Night,” “All I Ask of You,” and “Masquerade” will be performed by a cast and orchestra of 52, making this one of the largest productions now on tour.

## Fleet Week with the USS Potomac & Blue Angels

Sunday, October 7, is the day for the Villagers to go aboard FDR's Floating White House for 2018 Fleet Week at Jack London Square in Oakland. Departure time from the Village's east parking lot at Cribari Center is 10 a.m., with an estimated return time of 6:30 p.m. Limited tickets are available, one bus only! Register in the Community Resource Center, Building B. The cut-off for registration will be on Thursday, September 6, with the final count due to the Potomac at this time.

Get here early for this one! The world-famous Blue Angels will be performing this year and if you have never seen the flyover by the Blue Angels you truly don't know what you have missed. If you have witnessed their flyover, had goose bumps, your spine tingling and your heart racing...well I guess I don't have to tell you know how great they are, you already know!

The cost is \$201 per person and your ticket for the Potomac is tax deductible (retain your ticket for your 2018, \$75, tax return). Your donation is for a very good cause as it goes toward education and maintaining this historic vessel for events such as ours. Once aboard the USS Potomac we will enjoy a three-hour cruise on the Bay and an air show. We will enjoy sandwiches, fruit, chips, dessert, soft drinks, coffee, tea or bottled water, and there is a hosted wine bar aboard the Potomac.

We will arrive by 12:15 p.m. at Jack London Square where the Potomac is docked. Enjoy the Farmer's Market, shops, book store, antiques, novelty stores and much more. Any purchases made may be left at the Potomac's Visitor Center during our cruise and picked up prior to leaving that day (bring a pen to mark your bag.) We board the Potomac by 1:15 p.m. for the sail time of 1:30 p.m. for a three-hour cruise. The Potomac will be positioned underneath the Blue Angels' flight pattern for this awesome show.

The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra, and converted to the presidential yacht in 1936 by President Franklin D. Roosevelt, who had her re-commissioned as a U.S. Navy vessel. After the President's death in April 1945, the USS Potomac began a long and ignominious decline from her former role in world affairs. Falling into private hands and later seized in San Francisco Bay as a front for a drug-smuggling operation in 1980, the proud vessel's hull was pierced and she sank at Treasure Island. She was re-floated by the Navy two weeks later and sold by the U.S. Customs to the only bidder, the Port of Oakland, for just \$15,000. The Port of Oakland then spearheaded a cooperative effort with organized labor, maritime corporations and dedicated volunteers to complete a \$5 million restoration. The Association for the Preservation of the Presidential Yacht Potomac now operates this National Historic Landmark as an active memorial to Franklin Delano Roosevelt.

The deadline for registration is September 6! All sales are final.

## Improve your Balance with Jazzercise

By Barbara Tommaney

Life is all about attaining balance we are told. That becomes literally true as we age. Our balance can begin to erode in our 50s. Sometimes that's the result of losing strength in our legs and core. Equilibrium also tends to decline as we age. Health experts estimate that one-third of all seniors slip and fall each year. Sometimes we are lucky and stand up, brush ourselves off, and suffer nothing more than a couple of bruises. Other times the consequences are more severe including broken bones and concussions.

So how do we reduce the likelihood of a dangerous fall? One of the answers to improve balance through regular exercise. Leg strength and balance are crucial, and Jazzercise provides a program for strengthening bones, improving coordination and increasing endurance. Committing to a regular routine of physical exercise with Jazzercise is one of the healthiest decisions you can make.

You can participate in Jazzercise three days a week, year round. The only breaks we take are for major holidays. Monday, Wednesday and Friday we meet in the Cribari Auditorium from 8:30 to 9:30 a.m. Each class is taught by a CPR certified Jazzercise instructor who has received training in dance, anatomy, and exercise physiology. The cost is not expensive and is flexible. A full month of classes is \$35, and but you have the option of signing up for eight classes or six classes at a reduced monthly rate.

Try out your first class at no cost. Wear a good pair of tennis shoes and if you own hand weights and a floor mat bring them with you. Oh, and one more thing, Jazzercise is fun. If you have any questions, call Herito at 408-238-7511 or Kay at 408-223-7948.

## SIR groups to host Murder Mystery Dinner on the Petulant Express

The Villages SIR Branches #114 and #38 invite all SIR members and Villagers to attend the Annual Murder Mystery Dinner at the Clubhouse at 5 p.m., Tuesday, August 14.

This year's mystery is Murder on the Petulant Express. Everyone will have the opportunity to solve the crime from the many characters involved and the mystery train scenario: The new streamlined train designed by Peter Petulant came to be known as the "Petulant Express." The train's regular journey between New York and Chicago constantly attracted a passenger list of the rich and famous. One night after a stop in Akron OH, someone made a permanent alteration to Peter Petulant's career. His dead body was discovered early in the morning, in his cabin, by a porter. Where would the trail lead that would eventually end up at the feet of a killer?

Come out and enjoy an evening of great food, and with your tablemates, be the sleuth that solves the mystery.

To sign up, contact either of these SIR members: SIR #114—Bob Dando, bob@thedandos.com; 408-997-2975 or SIR #38—Gary Hill, carngar@gmail.com; 408-274-8086.

## August Group Meditation for Universal Peace

You've probably seen increasing numbers of studies about the benefits of meditation—stress reduction, lowered blood pressure, increased energy, greater clarity of mind, a sense of well-being. The list is long. If meditation sounds like something you'd like to try, the Global Village organization invites you to join us in our weekly guided meditations. There is no commitment required and no fee for participating.

We meet Wednesday evenings from 7 to 8 p.m. in the Cribari Conference Room. Our meditation dates this month are August 15, 22 and 29.

Our members include new meditators and experienced ones. If you're new, you'll find the group is very supportive. If you're experienced, you know how a group magnifies the experience. We usually meditate for about 20 minutes, preceded by light relaxing stretches and brief discussion about meditating. All Villagers are welcome to join us!

## Plan for future medical decisions

The Villages Medical Auxiliary (VMA) is sponsoring an Advance Care Planning Workshop on Wednesday, August 15 from 10 a.m. to noon in the Redwood Room. Karen Story from Hospice of the Valley will be facilitating the workshop designed to encourage completion of an Advance Health Care Directive.

An Advance Health Care Directive is a legal document that appoints one or more individuals you trust to make medical decisions for you when you are unable to do so. It sets forth the types of medical treatment you want to receive and the types of medical treatment you do not want.

Everyone needs an Advance Health Care Directive. An unexpected accident, severe illness or old age could prevent you from selecting your own healthcare treatment. Without a legal record of your preference, the choice of your treatment could be put in the hands of distant family members or unsympathetic doctors. Without an Advance Health Care Directive your doctors and other medical providers will have no idea how you want to be treated. With an Advance Health Care Directive you can ensure that your treatment wishes are honored.

This workshop not only addresses creating an Advance Health Care Directive, but in addition if you already have a directive, you can bring it to the workshop for updating.

Registration is required. To register, contact Cristina Freyer at 408-238-4029. This information is also on the VMA website at vmavillages.org.

He earned his Master's of Science in Audiology and his Doctorate in Audiology from Salus University in Pennsylvania. ## FROM THE BOOKSHELF

By Wate Bakker

**“Florida” by Lauren Groff:** The stories in this collection span characters, towns, decades, even centuries, but Florida—its landscape, climate, history and state of mind—becomes the gravitational center: an energy, a mood, as much as a place of residence. After reading these short stories you may be glad you live in California. Fiction, short stories, 2018.

**“The Perfect Couple” by Elin Hildebrand:** It’s Nantucket wedding season. The Otis-Winbury wedding promises to be an event to remember. The groom’s wealthy parents spare no expense to host a lavish affair at their oceanfront estate. But then a body is found in the harbor just hours before the ceremony and everybody at the wedding party is suddenly suspect. Chief of police Ed Kapenash interviews everybody in the party and discovers every wedding is a minefield—and no couple is perfect. Fiction 2018.

**“The Pharaoh Key” by Douglass Preston and Lincoln Childs:** Another thriller about Gideon Crew and Effective Engineering Solutions. He still has only a few months to live. (How long will this go on?). A code breaking machine at EES has cracked the long-awaited translation of a centuries old stone tablet, the Phaistos disk, dating back eons to a completely unknown ancient civilization. The message of course hints at incredible treasures and perhaps even a world altering secret. Fans of Preston and Childs rejoice, the beat goes on. Mystery 2018.

**“Spymaster” by Brad Thor:** A rumor, a remote cabin in Norway, and an American intelligence operator, charged with stopping the next world war before it begins (single handedly?). Scot Harvarth’s mission is one of the deadliest he has ever undertaken. He must do everything to keep the U.S. and its NATO allies from being dragged into war. Will he be able the thread this perilous needle, or will it be the downfall of America and the West? Mystery 2018.

**“Clock Dance” by Ann Tyler:** The defining moments in Willa Drake’s life are: 1967—her mother disappears; 1977—She is a college coed considering a marriage proposal; 1997—She is a young widow trying to piece her life back together again; 2017—She yearns to be a grandmother. Then she receives a phone call from a stranger asking her to fly across the country to Baltimore to take care of a young woman, she’s never met, her 9-year-old daughter and their dog, Airplane. Will she find solace and fulfillment in unexpected places? Will Pulitzer prize winning author Anne Tyler be able to do it again? Fiction 2018.

## See Karen Honaker on Home Studio Art Tour!

By Laurie Porges Truman

Karen Honaker, who is a real pro and one of our top sophisticated master painters at The Villages, will have her home gallery and painting studio open for the popular Home Studio Art Tour on Saturday, August 25 from 10 a.m. to 3 p.m. This is where our resident artists and crafters open their home for you to see their works, both finished and perhaps some in progress. Meet the artists and even discuss art or craft items you are looking for. A map will become available to pick up in the Art Room and Ceramics Studio a week before the event so you can plan your self-guided tour. This is a free event.

As I met with delightful Karen, I sat on the love seat in front of her drafting table, where she works in her very modern 300 square foot studio. I was immediately accompanied and snuggled in by her schnauzers, Schnitzel on my left and Dixie on my right. Like Karen says, “Love Me, Love my dogs!”

What is so intriguing is Karen’s sophisticated mastery over water, liquid, fluidity, reflections. So I asked for a little demonstration and she prepared herself to do that. First order of business, a roll of toilet paper goes over her left thumb. (I said she was sophisticated, right?!) Actually, she is, but in a very welcoming and delightfully down-to-earth way. You will even catch glimpses of her Nebraskan charm. The roll of toilet paper is quite a brilliant tool when doing water color.

She loves to go inside (on paper and her mind), to study and translate, say a jar of brine and olives, a cocktail, water drops, wine, or any liquid. Your brain will find itself asking, “Is that real, or a reflection?” Several admirers of Karen’s talent are amazed at how vivid she creates in water color.

Karen graduated with her Master’s in the Arts 55 years ago. Faculty recognized and followed her talent early on during her studies. Upon graduation, they handed her a set of keys for her own exclusive studio on campus. She met her husband Carl at a military gala. He was the M.C. and smoothly swooped in to steal a dance. After they married, they traveled together on Carl’s various assignments. Karen, being very adventurous, only had to board a military plane for \$10 and off she went to travel.

Karen has gone on to receive several more professional accreditations in her field. Annually, she still attends the intercontinental and global professional conferences that keep her apprised of upcoming design themes, color palettes, trends, etc. for residential and commercial design. Karen continues her passion while simultaneously reinventing herself. Karen is a watercolour painting instructor, and her work appears in several books and magazines including “Splash 3,” “Best of Flower Painting,” and “Watercolor Magic.” Come see Karen and her luxury studio on August 25. You will likely see Carl helping on the tour, and Schnitzel and Dixie will find you. Enjoy the tour!

Attention Artists and Crafters! Please go online at [www.villagesartsandcrafts.org](http://www.villagesartsandcrafts.org) (and look for the Home Studio Art Tour), or contact Judy Wessler at [judywessler@gmail.com](mailto:judywessler@gmail.com) to get a contract in order to be in the tour and get on the map. Contracts are due by August 10.

## Learn to Draw from the Beginning

Think you can’t draw a straight line with a ruler? Well, you’re in luck...because there are no straight lines in art!

Good drawing is fundamental to all branches of art. Ciel Duke is offering a Beginning Drawing Class to Villagers to learn the basics of drawing: line, texture, shading, positive/negative space, proportion, and composition. She uses a variety of art mediums and subject matter while she explores all these elements of art. Additionally, this five-week class will introduce you to a drawing exercise that guarantees success in the elusive concept of translating three-dimensional subject matter into two-dimensional art. All drawing materials and papers are included...just bring your desire to learn how to draw!

A basic drawing class is a pre-requisite to taking Ciel’s watercolor classes.

Join us on Monday mornings from 10 a.m. to 12:30 p.m. in the Art Room, September 10 to October 8. All materials are included: \$75 for members, \$80 for non-members. Checks are due August 30. Register with Barbara at [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com)

Matinee Theatre is our new and exciting format for theatre productions between our major shows. Refreshments will be available before the play, during the intermission, and after the play. Attendees will be presented a ticket with a 10 percent discount for dinner at the Clubhouse that evening (reservations should be made). The play and refreshments are free! ## COMMUNITY CHAPEL

### By Pastor Bill Hayden

The question that is asked to all young children is: "What do you want to do when you grow up?" They respond with just about every profession that they have been exposed to. They respond with I want to be a doctor, nurse, professional athlete, police officer, lawyer, fireman, etc.

When I was asked that same question as a child, I would draw a blank because I didn't have any male role models in my life to inspire me. I knew one thing, I didn't want to be like my father, who I never knew because he deserted our family. I would say to myself that if I ever married and had children, I would never leave my family fatherless.

Some children have had such a hard time in their lives. There are some, sadly to say, who wish that they were of another ethnicity. They observed how they were being treated as opposed to how others were being treated from other ethnicities. This could also apply to those who are poor and those who are privileged, in fact it applies to all sorts of families all over the world.

As I reflect on my life, there were many challenges that tested the very fabric of my soul. I started out with one direction in life and over time that changed. Throughout the twists, turns, hills and valleys of life we never stop growing in one way or another. In retrospect some of my steps weren't self-directed, as I learned later in life. There are limits to our growth in the natural realm but there are no limits in growing in the wisdom that life offers you.

If asked today the question, "What do you want to be when you grow up?" I would say a person who has fulfilled his purpose in life. Wherever your path leads you in life you can be true to yourself. You can pursue a career or several careers in life that brings satisfaction and fulfillment.

"A man's heart plans his course, but the Lord determines his steps." Proverbs 16:9 NLT

Be determined and join us at the Villages Community Chapel in the Cribari Auditorium each Sunday from 10 a.m. to 11 a.m. **The chapel is a place for Needs to be Met, Faith to be Affirmed and People to Love.** We would love to meet you. If you would like to make an appointment with Pastor Bill call the office at 408-238-3079 9 a.m. to 3 p.m. Monday through Wednesday. To learn more about the Villages Community Chapel visit our website at <http://villagescommunitychapel.org/>. You can hear previous and current Sunday sermons.

## EPISCOPAL

### 'Why do we do it that way?'

#### By Leslie Bailey

Have you ever been in church with a young person, perhaps a grandchild, when he or she looks up at you asks, "Grandma, why do we do it that way?" Perhaps you have found yourself falling back in the age-old "because we have always done it that way."

Coming up on Sunday, August 19, we will celebrate an Instructional Holy Communion service at the Montgomery Center at 8:30 a.m. Fr. Gerard Flynn, AHC, will celebrate and rather than a sermon, the service will include background information on church traditions, liturgical practices, even vestments and customary. Any questions not answered during this unique service may be addressed afterward, as all are invited to join the congregation for breakfast at the Clubhouse. Mark your calendars and be prepared to be able to finally answer the question, "Why do we do it that way."

Fr. Gerard Flynn was ordained in the Anglican Church of Aotearoa (New Zealand) where he served the Parish at the Mount for four years. He has a Master of Divinity degree as well as a Bachelor of Arts in Religion. He currently assists at Trinity Cathedral, San Jose and conducts services here at the Villages on the second and third Sundays of each month.

All Villagers are welcome to join us for this or any service.

August 19 will offer you an opportunity to learn more about our traditions as well as meet a friendly group of fellow Christians!

## SHONIS

By Ann Campbell

With the hours winding down on the month of July, 25 Shonis and one qualifier, Delma Juarez, met in the morning of the 31st, set to enjoy a pleasant game of golf. The haze of the nearby horrendous fires gave the horizon a somewhat eerie look but by the time you read this article, hopefully, they will all be well controlled. Even though shouts of joy could be heard in many areas of the play, no birdies were logged in when the final tally arrived at the scorers table. The rule of thumb to getting a birdie is getting on the green in one shot. "Get out there and hit 'em like a man, ladies."

### Upcoming events to mark on your calendars:

August 21: Bag lunch and meeting after sweeps at Montgomery Center. If any Shonis have any questions or concerns concerning golf lurking in the back of their minds, this is the time to address them.

August 28: Twilight Game with optional dinner following play.

### Chuckle of the Day!

I was playing with this 85-year-old man recently on a course that I was unfamiliar with. I asked him what's the best part of the fairway to be on and he replied, "the top."

## SWINGERS

By Terry Holmquist

I hear many cheers of delight (and sometimes even some profanities) living on the green at hole 16. I was lucky enough to take part in one of those cheers when Susan Sunzeri chipped in for par on hole 17. Arlene Bing and Karen Kosmala also had chip ins on holes 5 and 17, respectively. With play and practice (and maybe some luck), people continue to improve. Kudos to Carol Begely for most improved player for June.

Although it was a little smoky thus reminding us that although not all is always perfect elsewhere, we still have little to complain about on a sunny summer Tuesday morning. We had 50 ladies show up to play, which seems average for a nice July day.

Many years ago, we had team play and then there was none. Renee Woolard has stepped up and is taking the lead for resurrecting Team Play. In order to better understand what team play entails, Carol Jaques, of WNHGA, will join us on August 28 to help us get organized. She'll meet with us between 7:45 and 8 a.m., play a round and then stay for lunch. Renee Woolard is our Team Play chairperson, and anyone that is interested can sign up on August 28 or contact Renne. We already have people signing up.

Good luck to all the ladies taking part in the Swingers Challenge and remember—"The mind messes up more shots than the body." - Tommy Bolt.

### Upcoming Events for August:

7 - Corena Green (Contra Costa Golf Club, Pleasant Hill)

16 - Stanford Women's 9-Hole Open Day

21 - Rules Mini Clinic

22 - Saratoga Country Club Invitational. Deadline for RSVP is August 10, 2018

24 - Twilight Golf

28 - Peninsula Exchange

## LIBRARY BOOK SALE REMINDER

The Villages Library Book Sale is open for business all year long on Wednesdays and first Saturday of the month at 10 a.m. to noon.

## 18-HOLE WOMEN

By Barbara Travis

My first foray in writing this column for a long time so I thought I would take the liberty of sharing my feelings coming "home" after my six-month hiatus in the Desert. As I drove through the gate and saw the Welcome Home sign, I was assured that I was back where I belong. Once again, I was struck by the sheer natural beauty of The Villages, the clean orderly arrangement of the condos against the backdrop of the hills, and its calm, serene, bucolic atmosphere. What a joy! Each year, my awareness and appreciation for all The Villages affords is renewed and refreshed. So easy to take for granted but for me, the experience of returning home accents what a beautiful place to call home.

However, to assume this tranquility translates into inactivity couldn't be farther from the truth. Playing golf with the 18-Hole Women on Thursday is but one example of the energy, spirited conversations, the laughter, the sharing, the enjoyment of the game and each other that truly demonstrates "life" in The Villages. Today was no exception. Busy, busy, busy! Not only was it Captain's Trophy Day, and our General Meeting Day but also a Golf presentation by our Pro, Scott Steele.

Scott opened the session by very clearly outlining a number of areas concerning future improvements and maintenance of our golf course, new golf rules, a new system of handicapping beginning in 2020 and other pertinent information. The discussion, question and answer exchange helped all of us understand what is in the future.

Captain's Trophy, the day when we all hope to play our "A" game and putt well since we count our putts. But, am I the only one that finds it easy to putt successfully on days other than Captain's Trophy day? No problem for Helen Brandon, though, with an outstanding 23 putts. Our Captain's Trophy winner was Rosemary Kelley with a net score of 64! Congratulations to you both! Beautifully done!

Chris Leisy, our captain, conducted our general meeting beginning with updated reports from various members of the Board. Several revisions to our By-Laws were presented and approved by the members. A nominating committee was appointed with Judy Rodriguez as Chair. Meeting was then adjourned. With the Invitational coming next week, Cindy Fuller and Linda Schlageter provided changes in procedures, and the packets were distributed to all those participating.

Ingrid Gregg joined the Putting Group this week and promptly had two hole-in-ones! What a beginning! Jeanne Bettencourt, Maureen Lewis, Bey McClellan and Marilyn Johnson each hit a hole-in-one. Winners indeed!

Kudos to the five women who placed in the County Tournament at San Jose Country Club, Monica Saneholtz, Annie Bassford, Kitty Ohtaka, Kathy Apgar and Bonnie Hagen. We are all so proud of all of you. And finally, it was so special to have Patti Hayes join us and once again hear her tell a joke! May we hear many more from her!

Feel like a little exercise away from the afternoon heat of summer? Want to try your hand at Ping Pong?

Join us in the Montgomery Multipurpose room between 3 and 5 p.m. on Wednesday afternoons, where you will be shown how to play the game by friendly enthusiasts. This is a time slot offered by the Table Tennis Club for newcomers who want to see what this sport is all about in a non-competitive and friendly, air conditioned environment.

Serious players with partners are urged to use the other six days of playing time to leave this time slot for the more casual Ping Pong group.

Drop in to the Montgomery Multipurpose Room, any Wednesday from 3 to 5 p.m.

Thursday was sunny and mild, another beautiful day for golf. Turnout was good as usual and the results were as follows:

First place went to Mike Kane with a net score of 26.

Second place went to Don Bookwalter with a net score of 27.

In third place there was a three-way tie among Lee Thompson, Bill Travis, and Jack Bindon each with a net score of 29.

**There were three birdies today:**

Dave Hathaway, John Eige, and Don Bookwalter, all three on hole #9.

**Our deep thought for today:**

"Golfers find it a very trying matter to turn at the waist, more particularly if they have a lot of waist to turn." - Harry Vardon

"Although golf was originally restricted to wealthy, overweight Protestants, today it is open to anybody who owns hideous clothing." - Dave Barry, writer/humorist

"Baffling late-life discovery: golfers wear those awful clothes on purpose." - Herb Caen, columnist

# PINSEEKERS

By Jack Bindon

The good weather has brought out the golfers and provided 11 winners out of 24 players. Here they are:

First place, we had a tie between Richard Petroski and a new guy Steve Gilbert, both with net 34.

Second place, we have a four-way tie between Ron Speer, Bob Iacopi, Dennis Cullen and Frank Garcia at net 35.

Third place, another tie between Jack Bindon, Bob Gregg, and Lee Leonard at net 36 (even par).

Fourth place we had another tie between Lawrence Chin and Martin Hoek at net 37.

Scoring at or near par is good golf. Keep it up! Not quite ready for the pro tour but getting there.

**Flight One Winners Arnold Bernal and Dennis Conway**

**Flight Two Winners Bob Spoor and Paul Swinson**

**Flight Three Winners Larry Gonzales and Jess Martinez**

# TENNIS TALK

By Melinda Dobbs

On occasion active tennis players retire from tennis due to bad joints, aches and illness (rarely age!) but they don't retire from their Tennis Club membership. The friends they have made over the years are still active parts of their lives and many continue to participate in the Club's social activities. Some move away because they need more care than available but they still maintain friendships from The Villages.

Not this time! The Villages Tennis Club is losing two very healthy, active enthusiastic members to move closer to their children and grandchildren! Cathy and Dennis Vaillancourt are actually moving away to begin another life of family, new friends, new tennis courts and maybe golf. We know they are doing what is best for them but we are devastated! They are leaving us with a huge hole on the courts—Dennis heads up a weekend tennis group, is Secretary of the Tennis Club, supports every event and helps wherever he can at any time—and in our lives. Cathy has been one of the very few singles players who would take on a challenge and usually come out the winner and her support of her USTA teams has led them to many play-off tournaments. The two of them were active designers and participants in the Fourth of July parades. Cathy and Dennis have a great time together and spread their laughter wherever they are.

We are sad to see them go but know they will enjoy their family and the new life they are creating. We also expect to enjoy their returns when visiting friends and some of the Tennis Club special events. We won't forget them!

## FROM THE PRO

**By Scott Steele, PGA Head Golf Professional**

**18-Hole Ladies Member-Guest Invitational!** Thursday, August 9 and Friday, August 10. Friday, August 10 - 8:30 a.m. Shotgun – Long Course Opens at 3 p.m.

**Men's Guest Day**—Due to this weekend's Member-Member, August Men's Guest Day has been moved to Sunday, August 12. Men may bring up to three guests for just \$45 on August 12!

**Golf Course Trees**—We have started the process of trimming some of the more top-heavy Eucalyptus trees on the golf course. This process of identifying trees that need trimming and then trimming them will continue throughout the summer and fall. Please stay safe when golfing near these areas. The trees will be coned off so if your ball comes to rest in or near one of these areas, please be careful and play from the nearest equitable place with no penalty.

**Golf Course Lakes**—We hope you have noticed and will enjoy the re-activation of the fountain on the lake on hole #1. It will add some nice aesthetics to that lake, plus it will keep the surface rippling so that algae is less apt to form. Throughout the next year, we will be installing fountains on every stagnant lake on the golf course to create a consistent look throughout the golf course, and to upgrade the overall look and appeal of our golf course lakes. Although the irrigation lake on holes #6 & #7 is a continual challenge, we are making progress through continual applications of biologicals and scraping the surface algae bloom. We do plan to add more subsurface bubblers as well as multiple fountains to that lake to help abate the algae. Our long-term goals are to enhance the visual look of each lake on the golf course and to rid them of unsightly algae through several different year-round strategies.

**New in the Pro Shop:** New Titleist Tour Mesh Snapback Caps! New Callaway tour caps and visors! Men's golf long sleeve light weight sun-protection shirts from Horn Legend! Bando cooling neck bands – get them wet and they stay cool all day and so will you! Ice Rays sun protection arms sleeves in multiple colors! New Antigua summer wear for men! New Footjoy premium golf wear for men and women! New women's wear from Jamie Saddock, JoFit, Swing and San Soleil!

### Tips from the Pro—Is newer better?

The answer is yes...Can you buy more distance...the answer is yes. Highly forgiving, supersize drivers used to pay a penalty for slightly higher spin, but that compromise no longer exists. These new drivers give you higher launch with less ball spin, which means more carry and overall distance.

How much farther will one of these new drivers get you today compared to four or five years ago?

Golf Digest's robot testing at Golf Laboratories showed that at average golfer swing speeds, there's a gain of six yards on center hits, nine yards on heel and toe mis-hits, and 11 yards on low-face impacts. At the extremes, we saw some new drivers that were nearly 10 yards longer for on-center hits and 13 yards longer on off-center hits than older models.

Does that 10-13 yards make a difference...Yes it's a 1-2 club difference on your approach shots which means more greens in regulation. So if you are hitting clubs that are more than 5 years old, it's time to look at some newer and better performing equipment. As a testimonial...I recently changed from a PING G driver (4 years old) to a PING G400 driver with the same shaft; and I changed from a ProV1x to a Taylor Made TP5x; and I literally gained 10-15 yards off the tee...and I know my swing speed is not increasing as I get older! See you at the course!

Two dufuses found three hand grenades and decided to drive them over to the nearest police station. One asks, "What if one explodes before we get there?" The other says, "No problem. We'll just tell them we only found two!"

Dealer: East

Vulnerability: North/South

Bidding: East	South	West	North
Pass	1 Heart	Pass	1 Spade
Pass	2 Spades	Pass	3 Hearts
Pass	3 NoTrump*	All Pass	

Contract: 3 NoTrump by South

Opening Lead: 7 of Clubs

Dealer has 3 winners in Spades, maybe 2 in Diamonds, and 3 winners in Clubs.

Strategy: Once South has the lead, he tries to take as many tricks as possible before letting in the opponents to run the Hearts.

West leads the 7 of Clubs, East, the Jack, South, the Ace, switches to the Ace of Diamonds, and then a low Club to the Queen on the board. He then plays the King and Queen of Diamonds, leads a Club to the King in his hand, continues with the 8. He now leads the King and Queen of Spades, follows with the last Spade in his hand to the Ace on the board, next the 9 and then has to lead a Heart, which West takes with Ace and plays his last card, the good Jack of Diamonds. Great! The contract is made with 2 overtricks. By the way, 4 Hearts could be made if South doesn't play any trumps and takes 3 Spades, 3 Diamonds, 3 Clubs and finally gets a trick in Hearts because he has 5 of them.

\* South doesn't like his Heart suit; he feels he and his partner can take some Spade tricks and hopes his partner has some Diamond tricks and bids game in NoTrump. As it turns out NoTrump is easier to make and acquires more points at the five level.

# WHERE IN THE WORLD IS THE VILLAGER?

**Here's how it works:** Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your *Villager* picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). We'll publish your smiling face with your favorite local paper for all to see.

The Marchants in Sirmione on the southern end of Lake Garda, the largest lake in Italy, enroute to Stresa on Lake Maggiore, the second largest lake.

In April, Bob and Diane Marchant began a 24-day transatlantic Mediterranean cruise from Ft. Lauderdale to Rome. Bob and Diane live on Lake Garda Drive in Village Del Lago (The Lakes), where all the streets are named after Italian lakes. The Marchants were off to visit the originals! Their 45-day cruise/tour ended with a return from Southampton to New York on the Queen Mary II.

## Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: [tomzades@gmail.com](mailto:tomzades@gmail.com))

Boys in my day played very low-cost games such as pitching pennies and flipping baseball cards. The girls played hop scotch and jump rope. We played stick ball with a sawed-off broom handle. Games at early birthday parties included dropping clothes pins into milk bottles (all materials readily at hand) and pin the tail on the donkey. The latter was also very inexpensive to buy or set up with materials on hand. We had cake and soda, the birthday boy or girl opened their presents, and we each went home with a balloon or noise-maker as a party favor.

Birthday parties for our children, just one generation later, had greatly expanded menus and more elaborate party favors. The games had progressed to hula hoops, face painting, various other store-bought games, and sometimes trips to Happy Hollow or a local park. Two generations later, our grandchildren were having parties at bowling alleys, gymnastics facilities and other places that specifically cater to parties. The food is often catered, and the kids go home with valuable goodie bags. Watching the birthday boy or girl open their presents used to be the central focus of the party. These days the presents may well be opened at home, away from the chaos, after the party is over. The young birthday child may well wonder what in the world just happened.
