'Welcome Yule' concert to join Band and Voices

The holiday special "Welcome Yule!" starts the midwinter season December 6-9 in Cribari Auditorium. Buy your tickets for open seating on Saturdays, November 17 and December 1, in the Cribari Lobby from 10 a.m. to 12 p.m.

Seating is limited with the Concert Band and Village Voices collaborating on this spirited concert to drive away the dark. Get your tickets early. Thursday and Friday night performances start at 7:30 p.m. and the Saturday and Sunday matinees start at 2:30 p.m.

The Villages Concert Band under the direction of Jacque Leonard, the Village Voices under the direction of Ken Carter, and the Villages Handbells Ensemble under the direction of Earl and Kathi Levin provide the musical magic with a holiday sing-along included. Besides "Welcome Yule," other music includes "Light the Candles of Freedom" and "I Want a Hippopotamus for Christmas."

Harp Extravaganza at The Villages—a very rare treat!

Dan Levitan

Ballerina Catherine Welsh

The 2018 "Harp Extravaganza" is coming to Cribari Auditorium on Saturday, November 17. Music, singing and dancing, youth and adults will join to give you a joyous two-hour program. Relax and enjoy great masterpieces being played by over 20 harps, such as "The Blue Danube Waltz," "Puccini Opera Themes," "Moonlight Sonata" and "The Swan" with our own beloved ballerina, Catherine Welsh.

Included in your ticket is a "Meet the Artists" reception following the concert in the Cribari Conference Room. Tickets (\$20) will be sold at the door on the day of the performance. Seating will be open.

Several soloists will enhance the program, including the Principal Harpist of the Symphony Silicon Valley, Dan Levitan. He will speak and perform a medley of Clair de lune and Meditation from Thais.

Enjoy 10 percent off your dinner at the Clubhouse on the same night as the concert. Be sure to make reservations and present your ticket at the dinner.

Villages honors veterans in ceremony on Saturday

Photo by Armand Guerrero, USMC

Honoring veterans for the 32nd year, the Villages Music Society in partnership with the Villages Veterans Club will commemorate Veterans Day this Saturday, November 10, at 2:30 p.m. at the LDS gymnasium on San Felipe just outside the villages. The event is free.

To open the ceremony, the United States Marine Color Guard from the Combat Logistics Battalion 453 Company in San Jose will present the colors. Lt. Colonel David K. Winnacker, Executive Officer, 23d Marine Regiment, will give the keynote address. Music will include "Under the Double Eagle," "I Love America," "America...the Dream Goes On," and "North and South."

The Villages Concert Band under the direction of Jacque Leonard, the Village Voices under the direction of Ken Carter, and the Villages Handbells Ensemble under the direction of Earl and Kathi Levin will provide the musical tribute to the men and women of the armed services. Presenters, in addition to the keynote speaker, will be Jerry Neece of the Villages Veterans Club and San Jose Councilwoman Sylvia Arenas.

Lt. Colonel Winnacker, the featured speaker, most recently served as exercise planner in 2017 at Marine Forces Pacific in the G-3. Later he was assigned as the executive officer, 23d Marine Regiment, with headquarters in San Bruno, CA. In civilian life he is the Chief of the Moraga-Orinda Fire Department.

In February 2018, the Villages Music Society and the Villages Veterans Club received medals of commendation for outstanding community service for their annual Veterans Day program from the City of San Jose. Over 600 people attend this annual event, said to be the second largest Veterans Day program in the city of San Jose.

COMMUNITY NEWS

PULSE

Dear Readers: The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication.

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words.

Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER. Submit to: shinrichs@the-villages.com.

3 Pulse letters received this week.

1 Pulse letters presented as a "What I Love About The Villages" item.

2 Pulse letters published this week.

Recently I received my Villages Financial Statement. I noticed that we spent \$1,215,038 on Comcast in 2018—about \$ 30 per month per household. We Villagers get the cable as an included item in our HOA. This covers basic (Non-HD) services and an old set-up box.

Most Villagers have to pay extra for HD service and X1 set-up box. Which adds up to almost \$90 per month if internet is added.

I would like to have two options—if possible: 1) Villages Board should negotiate with Comcast to add HD service, including the HD set-up box. 2) or, cancel this item from our HOA and let individual Villagers have the type of cable they want.

Either way we Villagers could save some money each month. (Like the telephone service we pay for.) I hope management looks at this suggestion.

—Prakash Deshmukh

The VMA is a unique organization that benefits all the Villagers based on the principle of "Villagers taking care of Villagers." I have found the same principle practiced in dozens of countries using time banking solutions. The concept is that people participate in a system where people "earn" and "spend" time credits. When they spend one hour helping others, they earn one hour credit. If people donate money to fund such a system, the money can be translated into time credits at a pre-determined rate conversion. To make the VMA sustainable and encourage participation and donations, I suggest the VMA adopt a combination of time banking and free care. In other words, people who never participate in volunteering or donating to the VMA still get the free four times a month care. But people who have accumulated credit through time banking or donations may obtain more care based on available resources at that time. The current VMA system treats volunteers and non-volunteers with the same benefits, which fails to reward volunteers and makes it hard to sustain the program.

WHAT I LOVE ABOUT THE VILLAGES

Recently, my husband, Mark, and I have been winding our way through Cribari on our walks. I usually don't go farther than the Library or the Fitness Center, but we started exploring and have now walked along every path. I think the beautiful grottos hidden throughout Cribari are some of the best kept secrets in The Villages.

People have made little hidden gems in some of the courtyards, with some incredible flower and rock gardens. There is a little redwood grove near the pool, which is so peaceful and powerful to walk through. Thank you to all of those who have made this area such a wonderful place for us to walk through!

—Anahid Avakian Gregg, Village Del Lago

The Villages Golf and Country Club Notice of Emergency Rule Changes to Rule 1.53 Disorderly

Conduct and the Rules Introduction – Enforcement of Rules

Under the authority of Attachment D to the Club Rules, "If the Board determines that an immediate Rule change is required to address an imminent threat to public health or safety or an imminent risk of substantial financial loss to the Club, it may make an emergency rule change. No previous notice is required."

The purpose of these changes is to safeguard employee and resident safety, and provide a safe work and living environment, pending a Board hearing on certain Rule violations.

At the October 30 monthly meeting the Board approved the following changes effective immediately:

Note: Deleted items are in ~~strike-through~~ font, inserted items are in underlined font.

RULE 1.53 DISORDERLY CONDUCT

Any individual or group, including all non-residents, while on The Villages Club property will abide by normally accepted standards of behavior; e.g. abusive, unruly, intimidating, or disruptive behavior, is or any threatening statement or action, are not permitted. Violations of the Rule, at the discretion of the General Manager or his or her designees, may be dealt with immediately and could include removal from any Club facility or, in the case of non-residents, removal from The Villages premises. Any violation of this Rule should be immediately reported to Public Safety unless there is a compelling reason to call 911.

If the Board reasonably believes that a person's alleged rule violation is likely to recur, and presents a risk of intimidation, abuse, threat, or property loss or damage, to residents and/or employees, the Board may immediately suspend any or all of the person's rights to use or enter the Club's recreational and other facilities, including Club business offices, pending a hearing by the Club Board.

ENFORCEMENT OF RULES

The Bylaws establish the Board's authority to enforce Club Rules, including the imposition of a monetary penalty (fine) and the suspension of the right to use the Club's recreational and other facilities, ~~not to exceed thirty (30) days for each violation.~~ After an adequate investigation of an alleged violation, the resident and non-resident Owner, if applicable, will be notified and a hearing held, in accordance with the procedures outlined in the paragraph of Club Rule 1.02 titled Enforcement and Penalties for Traffic Violations, and Club Rule 1.71, Enforcement of Non-Traffic Rules.

These Emergency Rule changes expire on April 30, 2019, unless modified through the regular Rule changes provisions.

WOW! Are You Ready?

The World Wide Web has grown in the past 20 years to become an integral part of life in the 21st century: it provides convenience, up-to-date information, accessibility and instant communication. That convenience hasn't gone unnoticed here at The Villages. The Villages now has a superb website that you should be taking advantage of! It's called "The Villages Resident Portal" and it can be found at: <https://resident.thevillagesgcc.com/>

Thanks to the work of staffer Ken Patterson, the Resident Portal has gone through a number of positive changes over the last year including the addition of a growing number of self-service applications that allow you, the resident, to communicate with Villages services easily and effectively. You can now go on-line to make a clubhouse restaurant reservation, pay your HOA dues, place a work order, or notify the Public Safety gatehouse of incoming visitors. Interacting via the Web means no more waiting, no more long phone calls or email exchanges with staff, no more uncertainty about confirmations or replies.

Are you unsure of how to use the web or these new Resident Portal self-service applications? Then WOW, are you in luck!

On Monday morning, November 19, from 10 a.m. to noon in the Clubhouse ballroom, the Villages Technology Advisory Committee (TAC) and Villages Management will co-sponsor the first "Welcome to Our Website" (WOW) event! Bring your laptop or smartphone; fellow residents will provide demonstrations and clear take-home instructions to teach you everything you need to know about how to use these Villages self-service apps.

General Manager Tim Sutherland is committed to adding additional self-serve applications to give you even more control and satisfaction in your dealings with Villages Management and Staff.

Watch for more details on the kick-off WOW events in coming weeks.

Club Rules Committee positions open

The Club Rules Committee advises the Club Board on new and revised Rules – primarily crafting the language to ensure that proposed changes are fair, understandable, and enforceable, and also substantive suggestions. The concepts for new and revised Rules generally come from the Board or community as needs change and new situations arise.

Meetings are the first Tuesday at 10 a.m. The time commitment is just two to three hours per month. The term is two years, renewable once. Your participation is appreciated and welcome!

Please contact Julia Meadows at jmeadows@the-villages.com or complete the on-line application at <https://resident.thevillagesgcc.com/club/ccom/ccomapp/>.

PUBLIC SAFETY

Holiday courtesy rides

To many people, the holidays are synonymous with parties and drinking. While this is a time to celebrate with family and friends, it is also a time when some may overindulge. An error in judgment could mean that someone might not survive to see the New Year. For those who may have celebrated a little too much, Public Safety officers will provide courtesy rides home to residents who reside within the Villages. Public Safety will additionally assist residents' guests in obtaining commercial means of transportation. Remember, you as a Villager are responsible for your guests while they are in the Villages.

The Department of Public Safety wishes you a joyous and safe holiday season.

EPC to offer free CPR/AED Class

The Villages Emergency Preparedness Committee (EPC) will offer a free American Heart Association CPR/AED class to residents on Saturday, November 10 from 1 to 4 p.m. in the Cribari Conference Room. Register now for this class because class size is limited. To register, contact Simon Cintz at training@thevillagesepc.org or 408-274-4549. In addition to adult CPR, this class will also teach procedures for giving CPR to children and infants.

AED (Automatic External Defibrillator) devices are available at eight locations throughout The Villages—at the pools, gym, and Clubhouse. They are designed to be used with CPR to help heart attack victims.

Correction: Although a major contributor to the Piano Club Recital, Bruce Gehman was responsible for designing the printed program, but not the entire program as was reflected in a page-one caption in last week's Villager newspaper.

The Villager regrets the error and would like to direct your attention to the Bouquet item below, which lists the other contributors.

BOUQUETS

The Villages Piano Club would like to thank the following members for their contributions to the "Autumn Treasures" fall recital, held Sunday, November 4: Performance Director Estelle Kabbani; Publicity Chair Caroline Cooper; post-concert reception organizers Karen Carlson and Charlotte Dickson; and, of course, Bruce Gehman for preparing the printed program. Thanks also to the Piano Club board officers Estelle Kabbani, Larry Broderick and Karen Carlson.

SENIOR RESOURCE SERVICES

When should I begin taking my Social Security?

Many people are unsure of when to begin taking their Social Security benefit. At age 62? 66? 70? According to a recent Wall Street Journal article, a new website is now available to help you with this decision.

The website is www.opensocialsecurity.com. The site was developed by Mike Piper. Mike, who writes the Oblivious Investor blog, has authored many books such as "Investing Made Simple," "Social Security Made Simple" and "Can I Retire?"

This free calculator helps individuals and couples decide when to claim Social Security benefits to generate "the most total spendable dollars over your lifetime." Users enter their marital status, gender, date of birth and "primary insurance amount" — the amount of your monthly benefit at full retirement age as defined by the Social Security Administration. That figure can be found on your Social Security Statement or from the Retirement Estimator at www.socialsecurity.gov.

With that information, the calculator recommends a specific filing strategy, including the date and age when you should first claim benefits, and provides a chart with year-by-year benefit amounts. The website includes a good description about how the calculator works.

Of course, the calculations do not include personal information such as your expectation of a large inheritance within a few years or your having a disease which is expected to substantially shorten your life.

To quote the Wall Street Journal: "Overall, Open Social Security does a great job of simplifying one of the toughest and most important financial tasks in later life. Well worth your time."

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Notice:

To schedule a one-on-one appointment at the SRS office, call Sourcewise at 408-350-3200, select option 2 and tell them you want an appointment at The Villages. If all appointments for November 15 are full, ask to be put on the wait list for The Villages. You will be contacted when additional days are added.

FOUNDATION FOCUS

November is National Giving Month

By Maxine Amundson, EVF president

Does your company match your donations or volunteer hours grant programs to non-profits? We are very appreciative of Villagers who submit their donation to their company's matching gifts or volunteer hour grant programs. Not all corporations have this policy but if yours does, we would appreciate you taking the next step and identifying The Evergreen Villages Foundation as your designated charity to your company. Villager Anahid Gregg has doubled her EVF contribution by submitting her monetary donation to her current employer (Motorola). The past president of EVF, Vivian Brown, has submitted her volunteer hours to her past employer (INTEL) who continues to support her contributions to society and non-profits.

SRS Alert:

Change in Stanford Advantage plans

HICAP is calling attention to changes in Stanford Advantage Gold and Platinum Plans. Starting January 1, 2019, the most important change is the dental and vision coverage under these plans.

Beginning 2019, unlike 2018 plans, dental and vision coverage are not included in the plans and the current members of these plans must sign up for dental and vision coverage separately for an additional premium of \$20/month. If the existing Stanford Gold or Platinum plan members do not take any action, beginning January 1, 2019, they will be dropped from dental and vision coverage.

Stanford has sent Change of Annual Coverage notices to all members, but the notice does not call attention to this subtle change and members may miss it.

An independent dental plan, similar to what Stanford offers, costs about \$141/quarter or \$564/year; vision may cost another \$500/year.

By paying \$240/year (\$20/month) for the Stanford Plan, the plan members get both the coverages at a better price.

If you wish to continue dental and vision coverage for an additional \$20/month, please call Stanford member services at 855-996-8422 before December 7, 2018.

CLUB CALENDARS

HIKING CLUB SCHEDULE

Unless otherwise indicated, all hikes meet at Cribari Center at 8:30 a.m. and depart at 8:45 a.m. Bring water, snacks, poles and lunch as necessary. Wear layered clothing appropriate to the current weather.

In addition to scheduled hikes, the following hikes occur regularly: **Every Wednesday** - Villages Hill Hike. 8:45 a.m. from Foothill Center. **Every Saturday** - Villages Hill Hike with Russ Glines 9 a.m. from Foothill Center

Saturday, November 10: Akiko Giordano (408-238-5437) will lead long hikers on Mayfair-Catamount Big Loop Trail in Rancho Canada Del Oro Open Space Preserve. We will start on an 8-mile hike from the Mayfair Ranch Trail and take the fork for Longwall Canyon/Bald Peaks Trail. This 2-mile trail takes you to the summit with panoramic views of Almaden Valley, Diablo Range and surrounding ridges. We will have lunch at a picnic table and then continue on the 1-mile Bald Peaks Trail to the 1.7 mile Catamount Trail with steep and moderate stretches as it rejoins the Longwall Canyon Trail. The hike continues with a 0.5 mile stretch on the Longwall Canyon Trail, which crosses over into Calero Park and takes you back to the parking area. Bring water, lunch and snack, and poles. Approximately 30 miles round trip.

Wednesday, November 14 (Rambler): Al Girolami (209-531-6553) will lead a hike overlooking Calero Reservoir. The route will be just less than 4 miles with less than 500 ft. elevation gain. The majority of the time will be on the Los Cerritos Loop Trail overlooking the Lake part of the time. After the hike there will be an optional lunch at Sweet Tomatoes on Bernal Rd. Round-trip distance from The Villages is about 15 miles. We will meet at Cribari at 8:30 a.m., arrange carpools, and depart by 8:45 a.m. Poles and water are recommended.

Saturday, November 17: Rich Bainbridge (408-499-1789) will lead a hike up our hill starting at the upper garden. Route and length to be determined by the weather and participants. We are meeting at 8:45 a.m., and leaving at 9 a.m.

Montalvo Art Center Light Show

Montalvo Arts Center is proud to announce an astonishing new exhibition by artist Bruce Munro, featuring 10 light-based works ranging in scale from immersive to intimate. “Bruce Munro at Montalvo: Stories in Light” will utilize multi-hued waves, clusters, cascades, flocks, and seas of illumination, transforming Montalvo’s historic Villa and its extensive public areas into a breathtaking spectacle of light. The exhibition will be the first time Munro’s work has been publicly on display on the West Coast, and it will represent the largest number of his works ever on view at a single venue. It is made possible in part through the generous support of The Valley Foundation.

“Bruce Munro at Montalvo” blends the highly personal with the poignantly universal, aiming to transcend time and space by inspiring moments of awareness, and inviting viewers to contemplate a world larger and more mysterious than their own existence. Works on view are inspired by Munro’s experiences reading C.S. Lewis’s “Chronicles of Narnia” as a child, drawing on imagery that stayed with him over the years. They also reflect on personal recollections and society’s collective memories.

Let’s go see the new “Light Show at Montalvo Art Center” on Wednesday, November 28. Bus will depart at 4:30 p.m. for tour at 6 p.m. so it will be dark! Bring a small flashlight. Wear comfortable walking shoes and dress warm! You will have approximately ½ mile walk with inclines and declines and dark outside! The bus will drop and pick you up at the base of the property line as no vehicles are allowed on the grounds; there are shuttles that will take you up to and down from Montalvo. Please eat prior to leaving The Villages and maybe take a snack for bus and bottled water for your walk. The estimated return time to The Villages is 8 p.m. Remember it will be dark for your walk, so docents will accompany our group. The cost of this outing is \$41 per person. Registration begins Monday, November 12 in the Community Resource Center.

The repertoire will include music from cultures and faith traditions from around the world. Highlights include Randal Thompson’s beautiful “Road Not Taken,” Joshua Shank’s breathtaking arrangement of the Basque carol “Gabriel’s Message,” and Gabriel Faure’s sublime “Cantique de Jean Racine” long considered one of the loveliest choral works ever penned. Works from Buddhist and Judaic faiths balance out the program, which concludes with Ola Gjielo’s incredible “Song of the Universe.” Come be part of this acclaimed winter tradition!

‘Come From Away’ — an inspirational musical!

“Come From Away” is the true story of the small town that welcomed the world, on 9/11, the day the world stopped. On 9/12, their stories moved us all.

Seventeen years ago, this small Canadian town on an island in the North Atlantic Ocean took in nearly 6,700 people—almost doubling its population—when the September 11, 2001, terror first attacks in New York and Washington forced 38 planes to land there. Their simple hospitality to the unexpected house guests drew worldwide accolades and even inspired a Broadway musical.

“Everyone looks at us and says that’s an amazing thing that you did, and the bottom line is I don’t think it was an amazing thing, I think it was the right thing you do,” said Diane Davis, 53, a now-retired teacher who helped 750 people housed at the town’s elementary school.

In a world today seemingly fraught with division, terrorism and hate, they’d do it all over again. Kindness is woven into the very fabric of their nature—they don’t know any other way to live.

The New York Times Critics’ Pick takes you into the heart of the remarkable true story of 6,700 stranded passengers and the small town in Newfoundland that welcomed them. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships. Don’t miss this breathtaking new musical written by Tony® nominees Irene Sankoff and David Hein, and helmed by Tony-winning Best Director, Christopher Ashley. Newsweek cheers, “It takes you to a place you never want to leave!”

Bring tissues with you on Saturday, January 26! Please arrive at the Patio Room in Cribari Center at 11:30 a.m. to receive your tickets. The bus will depart at 12 p.m. for Golden Gate Theatre. “Come From Away” will begin at 2 p.m. with orchestra seating. We will be going to Delancey Street Restaurant on the Embarcadero for dinner. Your choices of entrées at registration are Bourbon Glazed Rib Eye Steak; Grilled Salmon Filet; Slow Braised Lamb Shank or Chicken Piccata. Your dinner includes appetizers, homemade soup of the day, Focaccia bread, Warm 3 Ginger Gingerbread with whipped cream, coffee/tea/soda choice.

Register beginning Monday, November 12 in the Community Resource Center, Building B. The cost per person is \$209, which includes performance, marvelous dinner and transportation.

See Cirque du Soleil’s Volta

Cirque du Soleil’s new show, “Volta,” is a captivating voyage of discovery. It’s about finding oneself, and unveiling one’s personal powers. Inspired in part by the adventurous spirit that fuels the culture of street sports, the show weaves acrobatics in a visually striking world driven by a stirring melodic score. “Volta” is a story of transformation. It is about being true to oneself, fulfilling one’s true potential, and recognizing one’s own power to make it possible. Ultimate freedom comes with self-acceptance, and with liberation from the judgment of others.

The story centers around Waz, a gameshow contestant who has lost touch with himself. He is ashamed of who he is because of his difference. Follow him as he enters the show in search of fame, thinking that this will bring him love and acceptance from others. What he will find is something else, and he discovers that fame is not the answer. If fame doesn’t provide freedom and acceptance, then what does? Will Waz reconnect with his true self—and stand up for all that makes him truly unique? Will he realize that his difference is what makes him extraordinary?

Living with Parkinson's

Parkinson's is a neurological disease in which the brain stops producing the chemicals it needs to control movement, balance and coordination. It is a disease that affects every person differently. Once a person is diagnosed with the disease, it is their attitude, lifestyle, medication management and things they do to contribute that determines the direction their life takes. Research shows that a person living with PD can slow the progression of the disease when they exercise three times per week. The Villages Parkinson's Exercise Program offers three classes: ADL Class in the Auditorium on Tuesdays 10 to 11 a.m., Tai Chi in the Vineyard Center on Wednesdays 10 to 11 a.m., and Walking for Better Balance class Tuesdays 11:30 a.m. to 12:30 p.m. and Thursdays 10:30 to 11:30 a.m. in the Auditorium. Lorraine Ochsner to turn 100 on Veterans Day

By Carm Ackmann

When she was younger, it was called Armistice Day. On November 11, 1918, the armistice was signed, and afterward the region of Alsace-Lorraine was returned to France. That is why her mother named her Lorraine. She grew up in Stockton, California, and later married Fred Ochsner, and they were married 66 years before he died in 2006. They lived in Sacramento, San Diego, San Francisco, Walnut Creek, and San Jose. Fred retired from Wall Street and then they moved to Strawberry, California. Previously, they traveled all over the USA including Alaska and Canada. Lorraine never learned to sit still, so when she was 80 years old, she learned to play golf in the Desert at El Central because she didn't want to shovel snow. Lorraine moved to The Villages after her friend, Pauline invited her over and showed her around. Soon after that she was happily playing golf with the Shonis at age 94. Lately, she is still active, walking her dog, Bella Mia, who was a rescue dog, three times a day. Sometimes, when she doesn't have a ride to the Episcopal Church at Montgomery Center, she walks there. She doesn't want to be 100 years old, so last year she hosted a birthday party for herself, inviting her family, at the Clubhouse. A 99th Birthday Party. She has one sister, two brothers and also several grandchildren and a great grandchild. Never one to stay put, she took up oil painting at age 90. What next, Lorraine?

CLUBS & EVENTS

Opera Lovers: Mozart's 'Cosi Fan Tutte' today

One of Mozart's most humorous/buffo works will be viewed today, November 9 at 1:30 p.m. in the **Foothill Center**. Considered Mozart's most nearly perfect opera, "Cosi fan tutte" is often written as "Women are like that." It is the story of two sisters whose faithfulness is ruthlessly tested by their two Italian army officer lovers. When Ferrando and Guglielmo go off to join their military unit they are picked up by a nice three-masted ship that sails in from the wings. They had been arguing whether their loves would be truly faithful to them and had come up with a plan to test this question. They made a bet with Don Alfonso that the girls would be true and the Don then introduces the girls to two attractive Albanians (who are Ferrando and Guglielmo in disguise). The marvelous cast of six singers are good actors and vocally in top form—farical, of course, but that's part of the fun. All in all, this is a delightful production.

Our opera will be 2 1/2 hours long and is open to all, so if you enjoy great music, plan to come and bring a friend to share the joy of opera. Questions? Call Bonnie Preston at 408-531-1513.

Senior Academy: How much do we owe the Greeks?

Dr. Patrick Hunt

Join us for this fascinating two-session course as we explore the impact of Greek civilization on our modern world. Europe may be aghast at the current Greek economy, but the Greeks owe far less than they are owed if their long legacy is examined! Even the very word "economy" is Greek, as is about 25 percent of our English vocabulary. Greek contributions to philosophy, politics, and democracy (three more Greek words) are immeasurable, ever since Plato and Aristotle laid the foundations of philosophy and politics. Music, poetry, and drama (even more Greek words) inspire the arts that the Greeks formalized and which we follow today. These are just a few Greek contributions to civilization—we will be looking at many more.

This event is a two-session course held on the Fridays of November 9 and 16, at Vineyard Center, at 2 p.m. Senior Academy is hosting one of our most popular speakers, Dr. Patrick Hunt of Stanford University, author of "Ten Discoveries that Rewrote History."

Note: You must pre-register for this course: the fee is \$25 for Senior Academy Members and \$30 for non-members. To register, call Jo Ryalls at 408-274-9032, or Susan Dooley at 408-528-8881. Or you can register online at <http://VillagesReggie.com>

Patrick Hunt believes the perceived boundaries between academic subjects are too often arbitrary and artificial, and thus he explores junctions between many intersecting areas of interest across the broader humanities, sciences and the arts. Patrick has followed several of his lifelong dreams—archaeologist, writer, composer, poet and art historian—for the last 20 years at Stanford University.

FROM THE BOOKSHELF

By Wate Bakker

“Hippie” by Paulo Coelho: From the author of “The Alchemist” comes the story about the journey of a Brazilian hippie, Paulo, with a goatee and long flowing hair, who wants to become a writer and sets out on a journey in search of a deeper meaning for his life. First on the famous “death train” to Bolivia, then on to Peru and later hitchhiking through Chile and Argentina Finally he ends up on the famous Dam Square in Amsterdam, filled with young people burning incense, playing music and searching for inner truths and the meaning of life. There he meets Karla, a young Dutch woman looking for the ideal companion to go with her on the famous hippie trail to Nepal, traveling across Europe and central Asia to Kathmandu on the magic bus. The decisions they make will set the course of their lives for ever after. Fiction 2018

“Every Breath” by Nicholas Sparks: Another classical Sparks novel. A woman dissatisfied with her life after dating an orthopedic surgeon for six years retreats to her family’s cottage on a North Carolina beach to take stock of her life. She does not find a message in a bottle but meets a safari guide, born and raised in Zimbabwe. Their connection is as electric as it is unfathomable. The question is “how long can a dream survive?” Fans of Nicholas Sparks can probably guess the answer. Fiction 2018

“The Judge Hunter” by Christopher Buckley: London 1664. Charles the Second is on the throne. The hunt is on for the few remaining people involved in condemning his father to death. Baltasar “Baldy” de St Michel is tasked with tracking down and capturing two of the judges, who now reside in Puritan New England. When he lands in Boston he finds himself in a strange country filled with fundamental Puritans, saintly Quakers, warring Indians and profit minded Dutchmen. Will he ever find the judges? This enchanting new novel by Buckley spins adventure, comedy, political intrigue and romance in 17th century London and new England. Brimming with authentic detail and Buckley’s signature wit this novel is an immersive adventure told by a master humorist. Fiction 2018

Leadership in Turbulent Times by Doris Kearns Goodwin: Pulitzer prize-winning Goodwin focuses on the four presidents she has studied most closely—Abraham Lincoln, Theodore and Franklin D. Roosevelt, and Lyndon B. Johnson (civil rights)—in this illuminating exploration of the emergence, growth and exercise of leadership. These men shared common traits: ambition, resilience, a sense of moral purpose. At moments of great challenge, they were able to summon their talents to create opportunities benefitting all Americans and change the course of American history. Nonfiction, 352.23, 2018

“Harry” by Katie Nicholl: Aficionados of the British royal house rejoice, Katie Nicholls, the widely recognized authority on British royal affairs has finally written a book on Harry, the most colorful living member of the royal family. It is an in-depth look at the wayward prince turned national treasure, whose military service inspired him to create his legacy, the Invictus games. All this topped off by his romance, engagement at marriage to American actress Megan Markle, now pregnant. Non-Fiction, 920, 2018

November Art Film: *Norman Rockwell*

By Pam Oliver Lyons

On Tuesday, November 13 at 7 p.m. at the Vineyard Center, the video “Norman Rockwell: An American Portrait,” produced by View Video 2004 will be shown. The event is presented by the Villages Arts and Crafts Association.

I have so many memories of this artist. Do you? This video shows not only many of his most popular illustrations but also includes the methods he used to create them. For example, in his work “Freedom From Want,” the last of the four part series “The Four Freedoms” inspired by Franklin Roosevelt’s 1941 State of the Union Address, Rockwell positioned our viewer’s perspective facing the head of a family table as the Thanksgiving turkey arrives. This technique draws us into the visual story.

The other three Freedoms in this Saturday Evening Post series were Speech, Fear and Worship. These works are considered by many to be Rockwell’s most successful. In 1977 he received the Presidential Medal of Freedom. President Gerald Ford said, “His (Rockwell) affectionate portraits of our country and ourselves have become a beloved part of the American tradition.” Indeed. Rockwell’s 4,000 original pieces including 320 Post magazine covers had brought over 12-14 million Americans through everyday life, WWI & II, the Great Depression, Korea, Vietnam, Civil Rights, plus to the moon and back!

Join us on Tuesday, November 13 in the Vineyard Center at 7 p.m. as we begin the holiday season reliving the works of the American Icon Norman Rockwell.

Investment Club: *Stock Market Correction*

The next meeting of the Investment Club will be held Thursday, November 15, from 10 to 11:45 a.m. at the Foothill Center. The Topics addressed will deal with recent price and technical changes to the U.S. Stock market, and potential withholding tax requirements for Villagers who may choose to take 2017- and 2018 market profits or losses.

The format for the meeting is in two parts:

- 10 to 10:30 a.m. - Edward deJong, will present a short fact sheet on the new 2018 federal taxes. The major changes and impact on required estimated tax payments to avoid penalties, will be addressed. Items such as eliminating personal deductions, and limits on itemized deductions, capping the mortgage interest and property tax deductions, in California, and short- and long-term capital gains and losses will be highlighted.

- Next 30 minutes to 1 hour - The significance of the October market correction, the effect of changes to the prices of the “FANG” stocks, and possible upside and downside effects of November 6 election results on the market will be addressed in preliminary fashion. Present plans are to use short video segments of market analysis taken from market expert commentary on CNBC and Bloomberg television. This will include member questions, comments and discussion.

The investment club meets monthly and maintains an online library of investment newsletters that are available over the internet 24/7 to members with a password. The annual dues of \$30 per year pay for subscriptions to the newsletter, refreshments, and costs of meeting projectors and setup. The club itself does not make investments or give investment advice. Many members find the comrade of meetings, and the insight into different financial services organizations valuable and entertaining. Newcomers are welcome. Coffee and refreshments are served.

Take steps to plan for future medical decisions

The Villages Medical Auxiliary (VMA) is sponsoring an Advance Care Planning Workshop, Thursday, November 15, from 1 to 3 p.m. in Montgomery Center. Grace Hospice will be facilitating the workshop designed to encourage completion of an Advance Health Care Directive.

An Advance Health Care Directive is a legal document that appoints one or more individuals you trust to make medical decisions for you when you are unable to do so. It sets forth the types of medical treatment you want to receive and the types of medical treatment you do not want.

Everyone needs an Advance Health Care Directive. An unexpected accident, severe illness or old age could prevent you from selecting your own healthcare treatment. Without a legal record of your preference, the choice of your treatment could be put in the hands of distant family members or unsympathetic doctors. Without an Advance Health Care Directive your doctors and other medical providers will have no idea how you want to be treated. With an Advance Health Care Directive you can ensure that your treatment wishes are honored.

This workshop not only addresses creating an Advance Health Care Directive, but in addition, if you already have a directive bring it to the workshop for updating.

Registration is required. To register, contact Cristina Freyer at 408-238-4029. This information is also on the VMA website, vmavillages.org

News from the Riding Club

Thanks to Joyce Dorsey’s creative training ideas, we’ve been introducing some of our horses to a unique, innovative way of improving their balance, confidence, movement and performance. This revolutionary approach allows the horse to experience his own habitual patterns of movement and provides the horse with an opportunity to explore and learn new ways of standing on his feet and utilizing the ground for greater ease, comfort and confidence. Using a variety of stability and balance pads, horses discover how they are habitually standing. The pads give under the horse’s weight bringing his attention to where he is placing his feet and providing new information to the balancing part of his nervous system. With this awareness the horse explores, shifts and alters his habitual patterns of standing and moving by himself, ultimately choosing a more secure and effective way to stand and move.

Explore what makes a great photograph with the entertaining and informative, veteran photographer Alison Brooks. Come enjoy this creative program sponsored by the Villages Camera Club (VCC) on Monday, November 19, from 7 to 9 p.m. in the Cribari Conference Room. What takes a photo to the next level?

Get ready to have a fun evening exploring photography. According to club member Mary Miller, "Alison would like to have as much audience participation as possible, so bring a photo and be prepared to talk about such things as composition and story line." Members should send their images (4MB Jpeg or larger only) for critique as an email attachment to peter.nicholls1@gmail.com by Friday, November 16.

How does your entry align with the N4C Rules for the specific Category? Submissions for the December 3 competition end on Sunday, November 25, at 2 p.m.

Judge Alison Brooks, owner/operator of Negative Space Photography, is a primarily self-taught artist of 25 years. "I have continually produced my own artistic images during this time, and plan to pursue fine art photography indefinitely. My 'tools of the trade' include everything from 35mm to 4x5 field cameras. I have photographed with microscopes, telescopes, kaleidoscopes and pinhole cameras, and I have often said that if anyone can figure out how to attach a lens to a kitchen sink, I will doubtless try that also."

The VCC welcomes all Villagers to its programs on the first and third Mondays of the month. After you attend one program as a guest, you can join the club for \$30. For membership information contact Ray Blinde at rwblinde@earthlink.net. The club website contains information on activities, meetups, competitions, and benefits of membership. Service Animal vs Comfort Animal

Service Animals as defined by Title II and Title III of the Americans with Disabilities Act (ADA). Service animal is individually trained to do work or perform tasks for the benefit on an individual with a disability, including physical, sensory, psychiatric, intellectual, or other mental disability. These tasks may include, pulling a wheelchair, picking up dropped items, reminding a person to take medication, or alerting a person of a sound.

Service animals are allowed to accompany the handler to any place where members of the public are allowed, even if the facility has a "No Pets" policy.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions:

Is the animal required because of a disability?

What work or task has the animal been trained to perform?

Emotional support animals are not covered under ADA. A doctor's note does not make an emotional support animal a service animal.

COMMUNITY CHAPEL

By Pastor Bill Hayden

Some say, "The older you get, the wiser you become" or "Wisdom comes with age." I'm sure there is some truth in those statements, however some people never learn.

Situations occur in life whereby we can hopefully learn and gain wisdom, but not all experiences lead to that.

If a person or something isn't good for you, why put up with that person or whatever it is? But we do, over and over again. There was a young man that came into my life during the late '70s. His personality was over-the-top, and when he went home, it was as if all of the blood running through my veins was drawn from my body. I had to go to a quiet place to recuperate. My two young children did not require the amount of energy that he withdrew from my wife and me. He made it his business to come over around dinner time, full of complaints and hungry for my wife's cooking. He was a young, single man requiring a lot of attention. Eventually, we had to wean him from his weekly visits.

Now that I'm older with some health issues, like some of us living here, I have learned to give people who are hyper a limited amount of my time in order to maintain a healthy balance for myself. I have to take care of myself so I can take care of others and not waste the little time I have on this planet.

If stress is contributing to your well-being, you have to take the appropriate action to protect yourself and it doesn't matter if people don't understand. It may appear to others, who disregarded the amount of your time you gave them in the past, that you have become apathetic.

Let's be wise and value each other's time because no one knows how much time the other person has. "Therefore, as we have the opportunity, let us do good to all, especially to those who are of the household of faith." (Galatians 6:10 NKJV)

We will always value your time and not waste it! Please join us at the Villages Community Chapel in the Cribari Auditorium each Sunday from 10 a.m. to 11 a.m. Our chapel is a place for **Needs to be Met, Faith to be Affirmed and People to Love.** We would love to meet you. If you would like to make an appointment with Pastor Bill please call the office at 408-238-3079 between 9 a.m. to 3 p.m. Monday thru Wednesday. To learn more about the Villages Community Chapel visit our website at <http://villagescommunitychapel.org/> You can hear previous and current Sunday Sermons.

Let's remember our veterans on Veterans Day.

SPORTS NEWS

SHONIS

The Shonis celebrated Halloween on Tuesday, October 30 starting with a costume breakfast at the Bistro. A panda, a bobcat, a cowgirl, Raggedy Ann, a witch, Disney's character Maleficent from the movie Frozen, Castiel from the TV show Super Natural and even Wonder Woman were among the breakfast bunch.

Following breakfast 26 Shonis played and the scores were low, perhaps because of the costumes. Wonder Woman was seen on the course with cape flying. However, Jan Ehrhardt was the only one able to snag a birdie, which she did on Hole 5. Delma Juarez shot her record low score for a net 13.

The next event for the Shonis is the Turkey Shoot, Tuesday, November 13. The Shoni with the lowest score receives a \$25 gift certificate to Lucky supermarket.

TABLE TENNIS

Try your hand at Ping Pong

By Tony Berg

Feel like a little exercise? Need to meet that "steps" target? Why not try your hand at Ping Pong?

Join us in the Montgomery Multipurpose room between 3 and 5 p.m. on Wednesday afternoons, where you will be shown how to play the game by friendly enthusiasts. This is a time slot offered by the Table Tennis Club for newcomers who want to see what this sport is all about in a non-competitive and friendly, air-conditioned environment.

Often a patient and experienced member of the Table Tennis Club drops in to offer friendly advice. So don't hold back in fear of being out of your depth. Drop in to the Montgomery Multipurpose Room any Wednesday afternoon between 3 and 5 p.m. to see how Ping Pong can be a good way to meet people, get a gentle workout and make new friends. See you next week?

SWINGERS

By Donna Kaplan

Tuesday, October 29 was a spooky day as Swingers turned out for the Halloween breakfast and tournament. The morning was off to a delicious start with a breakfast buffet at Vineyard Center served by Wendy Ledamun and Renee Woolard. Kudos to Wendy and Renee and their committee for a job well done.

Alan and Scott from our Pro Shop had the challenging task of choosing winners from among the many clever and creative costumes. Karen Kosmala's amazing hospital patient in bandages, splint, sling and bruises complete with hospital gown exposing a generous bare bottom prosthesis took first prize. Second prize was awarded to Christine Zee wearing a handmade golf bag fully loaded with clubs. Congratulations, ladies!

Following the breakfast, 60 Swingers participated in a fun-filled tournament and sweeps play. Tournament results are posted in the posting room.

We had five players who aced the chipping contest with 2 for 2 shots! They were Kim Christiansen, Aileen Nishimura, Marlyn Unger, Carol Trenholme and Joy Rem. Each will receive a sleeve of golf balls.

Karen Kosmala shot a birdie on Hole #4. Julie Sherman had a chip-in on Hole #7. Nice work, ladies!

Upcoming Event: November 13 - Turkey Shoot

Reminder: Articles are due by 4:30 p.m. Thursday, one week before publication

18-HOLE WOMEN

By Julie Henig

On November 1, a gorgeous fall day, we had a good turnout for golf. Afterward, the even bigger General Meeting could be summed up by three words: Awards, Announcements, and Changes.

Awards: Marky Olsen and Camille Giuliodibari tied at net 71 for Captains Trophy Day; Karen Harsany won Low Putts with 27. Birdies were made by Annie Bassford #15, Monica Saneholtz #11, Lyn Strong #16, and Barbara Nilsen #16. Chip-ins: Annie Bassford #15, Kathy Apgar #11, and Jay Lee #12. Cathy Struck announced winners of the WGANC Medallions, determined by averaging three low net scores out of six Captain's Trophy Days. Kathy Apgar was first place winner; all winners will be noted in the Posting Room. Trophy Days Low Putts winners will be announced next week—be there!

Announcements: We celebrated the 2018 Board of Directors, and Captain Chris Leisy announced the 2019 BOD, with Vivian Brown as Captain! We voted in the new BOD and approved changes to by-laws. Tournament Director Judy Rodriquez announced that the Cancer Tournament raised over \$8,000 (wow!) and she thanked all chairs of 2018 tournaments. *Please* make a nomination for the Outstanding Service Award—applications are in the Posting Room and due by November 15.

Bev Poellot relayed a request from the Villages Golf Committee: they are inviting a member of the 18-Hole Women to join the Golf Analysis sub-Committee, dealing with the golf budget, and recommendations for the golf course and program. Who will raise her hand? Contact Julia Meadows in Building A for an application.

Changes: New in 2019 will be a simpler format for the Handbook, compiled by Cindy Fuller. Pat Sear asks that any additional updates for the new handbook be given to her ASAP.

In the 2019 handbook be sure to note the date you've been assigned as a Starter (set your alarm early!). Vicki Kratti gave us an overview of some upcoming rules changes for golf—they should speed up play and reduce some dreaded penalties on every course. Inge McQuiddy reminded us to sign our scorecards properly and turn them in on time—if we don't it won't count—and be sure to take advantage of Saturday Play with Diana Hallock and crew.

The meeting ended with a wonderful tradition: Patti Hayes joined us for lunch and told a joke with a hilarious twist. Thanks, Patti!

Player of the Year Tournament: The Player of the Year (POTY) Tournament was held last Saturday, November 3. Fifteen of the top 20 players by points competed and the title of 2018 Player of the Year goes to Arnold Bernal! Arnold is pictured here receiving his trophy from one of our tournament chairmen, Ray Blinde, and will also have his framed picture hanging in the posting room for the next year. You can see all the results of the tournament and the final POTY standings on the front page of the Men's Club Website at www.villagesgolfers.com. Make sure to congratulate Arnold when you see him.

Arnold Bernal, 2018 Player of the Year, with Ray Blinde.

Veterans Day Tournament: Our next Men's Golf Club Tournament is the Veterans Day Tournament this weekend! Four-man teams will compete in a two (2) BB Net format, with 6 holes played from each of the #2, #3, and #4 tee boxes. This is *not* a POTY tournament for 2019. Look for the results in the Scoreboard section in next week's Villager.

Executive Committee Meeting: The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the Cribari Patio Room. Our next meeting will be on Tuesday, December 4. The meetings are open to all members. Also, remember to visit our website at www.villagesgolfers.com for the latest Men's Golf Club information.

TENNIS TALK

By George Beck

Wow! Here is a...never seen before...Flashback of a Flashback. [- Adrien]

Tennis Talk for distribution 11/1/2013 by George Beck & Bill Parkhill:

Bill Parkhill passed away September 22, 2013. He was a long time Tennis Club member and Tennis Talk column writer. The Tennis Talk column that follows was included in the "Welcome" packet of every new Villages resident when I moved here in 1988. Except for names and \$'s, note how little changes over 26 years! Enjoy!

Tennis Talk for distribution 12/17/1987 by Bill Parkhill:

Dues and Questionnaires: Please send 1988 dues and questionnaires completed with the pre-Christmas spirit of generosity to Hal Weeks, 8426 Beaujolais Court. Dues for members with tennis rackets

and elbows are \$5 and for associate members such as spouses, live-ins, house-boys, etc., \$2.50-certainly the south bay's greatest bargain!

Men's Drop-In Doubles: Revelations: On any given Tuesday, Thursday or Saturday morning you can count on from 10 to 15 men to show up for drop-in doubles. This is where they come to work, to punch the time clock and to get out of some housework. As soon as a set is over, waiting players are invited to play. They move from court to court and no one waits very long. Some arrive dragging great bags of ivory rackets with heads as big as hula-hoops. Others have one little bitty wooden racket that has been in the rafters for 40 years.

Most have enough leg, elbow, wrist and head bands to

tie up an elephant. Black knee supporters are the "in" fashion item of the moment. Most wear loose-fitting, non-matching comfortable outfits. They leave home too early for their wives to dress them funny.

Most have had long and illustrious athletic careers. They played touch football until their knees gave out, basketball until their lungs collapsed. Now they'll play tennis until their brains no longer work, after which they will be ready for golf.

There are strokers and smashers, groaners and two-fisted lobbers. They all play to win with sometimes staggering determination. Their motto is "Play tennis-it's better than a shrink." They've all had their share of tennis elbows, torn rotator cuffs, acupuncture, sound treatment and rehabilitation for Achilles tendons and assorted muscle problems. Most rely on their shots, not their legs, although some of the younger ones in their 60s are still fleet-of-foot. They call their shots as they see them-although some can't see so good anymore. The mis-calls usually even up before day is done. Anyway, at our age good companionship with a bunch of laughs is more important than being eagle-eyed. Showing up several times a week is more important than being able to jump over the net. Any of you men who haven't tried it-come on down. Matches start at 7:30 a.m.

IRONMEN

By Bill Travis

Closest to the pin on hole 2: Tom Rossi

Turkey Shoot Winners: Rob Boyles, Patrick McMordie, Roger Pyle, Tom Rossi and Charlie Wilson. Congratulations!

Our deep thought and/or humor and/or history lesson:

"Obviously a deer on the fairway has seen you tee off before and knows that the safest place to be is right down the middle."
- Jackie Gleason

BOCCE NEWS

By Barbara Orlando

Friday Halloween Bash: The last Bash of the 2018 season was well attended and everyone was in the spirit of Halloween with lots of great costumes. First Place costume winners were a very scary Michael Sunzeri for the men and the women's winner was Loanne Rube as a clumsy cleaver wielding Julia Child and her unfortunate bunny. Check out the club's website, www.villagesbocceclub.com, for more photos. I know I'm looking forward to the 2019 Friday afternoon bashes.

Membership/Elections Meeting will be held on Monday, November 12 at Foothill Center from 1 - 3 p.m. Lots of candidates this year for board positions, so don't miss your opportunity to help select the board of directors for the Bocce Club for 2019. Thank you to all the candidates for stepping forward to volunteer and help our club grow and move forward into the 2019 season.

"Even" if you don't want a board position, there are plenty of jobs for volunteers. Helping is so welcome and appreciated throughout the year and it makes the directors' jobs so much easier. At the meeting on November 12, Marion Logie, our club's president, will reflect on the club's 2018 accomplishments and what plans 2019 will bring. A copy of the 2018 Review will be provided to each member. You can take the opportunity to fill out a small form if you'd like to volunteer, which will be attached to the ballot with the names of the candidates for your selection. Following voting you are cordially invited to a Wine and Cheese Reception. The Bocce Club Board hopes you'll all come out and cast your vote and then enjoy your afternoon with a glass of wine with friends.

Tournament Season for 2018 has ended and awards were presented at the Awards Dinner this past Saturday, November 3. Congratulations to all the Captains and team members for a season well played. Over \$1,300 in prize money was presented, along with Achievement Certificates to each first and second place winner of each tournament. Lots of teams sat together and enjoyed the evening with good food, music and great company. Thank you to Candy Stonehouse Social Director, her assistant Elaine Murphy and her committee for a splendid evening. Also, thank you to Marion Logie, David Cook and Barbara Orlando for helping coordinate the Awards portion of the evening.

Tips from the Pro—Sometimes it's OK to "choke"...

Chipping is a bit like putting—it's built around feel and confidence—and if you can find a method that works for you, you should stick with it, no matter how strange it may seem. Still, there are a few undeniable laws of the short game, and one of them is to choke down on the club. Once I'm within about 60 yards of the hole, I start choking down on my grip—the shorter the shot I'm facing, the shorter the grip I take—sometimes right down to the bottom of the grip.

Two reasons:

First, it improves touch. By choking down on the club you put your hands closer to the clubhead and the ball, and that enhances your feel for the shot—it's almost as if you're tossing the ball. Second, by shortening the distance between your hands and the clubhead, you shorten the arc of the swing. This automatically shortens the shot without you having to make big adjustments in your swing length or pace. You can make a crisp, authoritative swing without worrying about hitting the ball well past the pin. Let us know if these tips help. See you at the course!

Dealer: North
Vulnerability: North/South

Bidding: North	East	South	West
1 Club	Pass	1 Heart	Pass
2 Hearts	Pass	4 Hearts*	All Pass

Contract: 4 Hearts by South
Opening Lead: Jack of Spades

Dealer has 1 loser in Spades, at least 1 or more Diamond losers, and 1 or 2 Club losers.

Strategy: Try to prevent more than 1 loser in Diamonds and in Clubs.

West leads the Jack of Spades, South wins with the King, switches to a low Heart to the Ace on the board, continues with a low Heart to the 9 in his hand. So far, South surmises that West has Spades and his first discard of the 7 of Clubs usually means he likes the suit and has at least an honor in it. Now South plays a low Diamond to the Queen on the board, East takes the trick with the Ace, then leads a Club, South, the Ace, and follows with the King of Diamonds. He then plays a Diamond, trumps it on the board with the Queen, continues with the Jack and overtrumps with the King in his hand, in order to lead his last Heart and pick up the outstanding trump. He proceeds to lead a Spade to the Ace on the board, continues with a Spade, West takes the trick with the 10. He now has two cards left—the King and Jack of Clubs. West plays the King and then the Jack, and South wins with the Queen. Great! The contract is made exactly. This is not an easy contract to make. South has to be careful in order to just lose one trick in Diamonds and in Clubs.

* South has a good hand and feels with his HCP plus at least 12 HCP by the opener that they have enough points for game and bids it.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of The Villager on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

Eve Gebhardt is shown above atop Half Dome, in Yosemite National Park, with the Clouds Rest Peak and Tenaya Canyon in the background. An 18-mile round trip hike in September took her from the Yosemite Valley floor to the top of Half Dome and back—just shy of a 5,000-foot elevation gain for the hike. Her route followed the Mist Trail to Vernal Falls then on to Nevada Falls through "Little Yosemite Valley" and up to the shoulder of Half Dome. She negotiated the notorious cables that help hikers get to the top.

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

Retirement can be a time of self-discovery. Through my involvement with music groups here in The Villages I have come to realize that many of the songs from generations before my time have somehow lodged themselves in my psyche. I won't remember ever having heard a particular song before, and yet seem to know it. I am rather astonished as I wonder how in the world that melody and those lyrics ever took up residence in my brain. My best guess is that as a pre-kindergartener (who ever heard of pre-school in those days?), I was home when my mother played her favorite radio stations and her old 33-1/3 rpm records. The lyrics of what we now call "the standards" and the sounds of the "big band" era quietly became a part of who I am.

It is almost as mysterious to me as the way in which humans are able to conceive of the perfect circle, for example, or the straight line or the concept of infinity. Mathematicians and philosophers tell us that these things cannot be created in reality, yet we are able to conceive of them. Many concepts are taught to us as children, but some cannot be taught. They just are. More than one theologian has made the stretch to the idea that humans similarly know the difference between right and wrong: just as we innately know what a perfect circle is, we innately know right from wrong. Others would argue that we are taught right from wrong - that culture and environment have a lot to do with it. I suppose that is how these old songs slipped in and took up residence in my psyche while I wasn't paying attention. Or maybe they "just are."
