Our passion for “crafting” is only successful when it’s valued and appreciated by those with whom we share our craft—and that is you! Duo pianists to perform at Villages

John David Thomsen and his wife Xiaoshu Thomsen, duo pianists, will bring a program of French piano music to The Villages on Sunday, June 23 at 2:30 p.m. in Cribari Auditorium. This event is sponsored by the Villages Music Society. The audience may not have previously heard the pieces by Debussy, Faure, Poulenc and Milhaud that are featured on the program but will probably recognize the music as French because each of these composers uniquely expresses the soul of France. Furthermore, since music is the universal language, no translation is needed for the audience to enjoy a vicarious trip to France while attending this performance. Tickets for open seating are \$15 and can be purchased on Saturdays June 8 and June 15 from 10 a.m. until noon in the Cribari Center lobby and also at the door after 2 p.m. on June 23.

Annual Meetings of Members

The three Villages Corporations—Club, Association, and Homeowners’ annual meetings will be held

Wednesday, June 12
at 4 p.m. in the Clubhouse

Please plan on attending to hear the results of this year’s Director Elections, greet your new Board members, visit your neighbors, and enjoy a community celebration.

Famous Kings Brass ensemble to perform at Villages

The brilliant Kings Brass returns to the Villages for a concert at Cribari Auditorium on Saturday, June 15 at 2:30 p.m. Highly sought after, they rival other notable brass ensembles such as the famous Canadian Brass. “We’re in for great entertainment and masterful playing,” said VMS board member, Gary Hill.

Playing from memory, they move about the auditorium while never missing a note. “I once saw them enter in soulful procession playing ‘When the Saints Go Marching In’,” said Voices director, Ken Carter, “and it made me feel like I was in New Orleans...fabulous.”

Tickets are available this Saturday, June 8 from 10 a.m. to noon and at the door on June 15 for \$25 each.

COMMUNITY NEWS

PULSE

Dear Readers:

The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

2 Pulse letters received this week.
1 Pulse letters not meeting Pulse Letter Guidelines.
1 Pulse letters published this week.

Take politics out of the gym.

I, like many, go to the gym to raise my heart rate not my blood pressure. Why do I have to stay on one side of the gym to avoid seeing opposing political views? If people want to watch politics, they can do it at home. Take politics out of the gym by turning the two TVs currently playing political channels to some other programming preferably sports. Also, tune the third to the local teams. Why aren't I able to watch local team's while working out?

—Sherwin Bajao

Attention Pulse authors!

When you write your Pulse letters, don't forget to:

- Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

- Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.
- Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.
- Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

Note: The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

BOUQUETS

The Evergreen Villages Foundation (EVF) annually prepares a list of their donors referred to as The Honor Roll and published in The Villager. Thank you, Rick and Pam Casey, for your car donation to The Evergreen Villages Foundation (EVF). It also saved the Caseys the hassle of advertising, showing, negotiating and releasing their car to a new owner. Our "car donation" director, Greg Stewart, will help with all the necessary steps, making it quick and hassle free. Contact Greg Stewart at 408-531-1029 or grynn@comcast.net

HI NEIGHBOR

Help us greet **Margaret and James Handyside**, two Scotland natives who moved to Village Verano last August! Margaret was born in Scotland, raised in England, and has now lived in the U.S. for more than three decades. James moved to the U.S. with family in 1962 and has spent most of his years since in San Jose. Margaret is a business owner and entrepreneur and in her free time enjoys traveling, reading, hiking and swimming. James worked in electronic sales for more than 30 years and still works part-time for a local company. He loves soccer, ice hockey, travel and spending time with their two grandkids.

Please say hi to **John (Jerry) and Sandra (Sandy) Juracich** who moved to Hermosa Village last year from Los Altos. The two have been married for 53 years! Though Jerry was born in Oregon, his home has been Santa Clara Valley all but the first few months of his life. He grew up on the orchard belonging to his grandfather—who first arrived in the valley 101 years ago! After high school, Jerry joined the Air Force as an aircraft instrument repairman and later attended San Jose State University. He taught flying and flew cargo for a few years but mostly worked as a mechanical design engineer in the semiconductor industry until his retirement in 2001. Sandy was born in San Mateo and also attended SJSU. She is a retired registered nurse, specializing in cardio-thoracic and ophthalmic surgery. She currently volunteers at Deer Hollow Farm and the Humane Society of Silicon Valley. In their spare time Sandy enjoys reading, quilting and walking and Jerry likes golfing, hiking, computers and “fixing broken stuff.”

Say hi to **Stan and Marian Ecklund**, two of Village Glen Arden's newest residents. The two Minnesota natives moved here last December from Cupertino. Stan studied physics at the University of Minnesota and Caltech in Pasadena. He worked at SLAC National Accelerator Lab for 39 years, retiring in 2008. His work involved research in elementary particle physics and accelerator physics. Marian attended the University of Minnesota and worked as a nurse educator, patient care coordinator and a gerontology coordinator at a senior center. Much of her daily activities now are dedicated to keeping herself “in optimum health.” In their free time, Stan enjoys bicycling, electronics and volunteering at Foothill Covenant Church, and Marian enjoys walking with friends, going to the Fitness Center, and music—singing and listening.

More COMMUNITY NOTICES

(SRS) SENIOR RESOURCE SERVICES

SRS has much useful information

SRS has lots of useful information and a helpful team to assist you with questions.

The SRS office has 40-plus forms and handouts available for Villagers. They are free for the asking. Our four most popular handouts are:

1. What to do when your spouse or partner dies?

It lists the things to be done immediately and things to do down the road.

2. Important document locator.

A form you complete that shows where you keep your papers, passwords, etc. SRS has received thank you notes from children because of this list.

3. Obituary / Memorial outlines.

One form is facts for an obituary - for example, when were you in the military and what was your rank. The other form is your preferences for a memorial service.

4. Finances - Need to know.

What both spouses need to know about their family finances.

Other forms and handouts frequently requested include:

- Advance Health Care Directive
- Durable Power of Attorney
- "Running Out of Funds" Villager article
- Estate & Moving Sales
- Notary list
- PG&E Discount Application
- Statutory Will
- Transfer on Death (TOD) deed

And there is more. Record retention guidelines? Yes. Proposition 60 and 90 application for property taxes? Yes, of course. Information about reverse mortgages? Lists of tax preparers and estate/trust attorneys? It's all here. We hope to see you soon.

The first four handouts and some of the others are also available on The Villages website, www.thevillages.com, using the path Resident Portal, Clubs & Organizations, Service Organizations, Senior Resource Services.

SRS Comment:

Franchise Tax Board audits

Is it possible for the Franchise Tax Board (FTB) to audit your California individual income tax return? Yes—but it seldom happens.

Most FTB audit adjustments originate from IRS audits and California picks up the adjustment. So, if you agree to an IRS change, in due time you will receive a notice from California. If you are audited directly by the FTB, it most likely will be on:

- California residency and sourcing of income
- Head of household filing status
- Sale of real property, including like-kind exchanges
- Tax basis in partnership or other pass-through entity.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

A tip for all homeowners who have a water heater (not a tankless one).

The installation of all water heaters must comply with the local San Jose permit process and the Federal minimum Energy Factor standards. Those that meet the exact minimum shall be externally wrapped with insulation. The first 5 feet of hot and cold water pipes from the water heater must be insulated. In addition, a properly installed water heater must be raised at least 12 inches off the ground and have two earthquake straps (located on the top and bottom thirds of the tank). Finally, all interior water heaters must be properly vented. The size of the vent corresponds to the size of the water heater. These are some of the requirements associated with the proper installation of a water heater. If you have any questions concerning your own water heater, please consult with a licensed plumber.

Water-saving suggestions from the Water District

The Santa Clara Valley Water District offers several suggestions for county residents to cut their water consumption.

To follow are some suggestions for cutting your household water consumption:

- Shorten your showers by just five minutes and you'll save about 15 gallons per shower.
- Install faucet aerators and low-flow showerheads and save 16 gallons a day.
- Wait until you have enough laundry to wash full loads, and also wait until your dishwasher is full before you start it.
- Fix any water leaks and save up to 15 gallons per day, per leak.
- Install high-efficiency toilets and save up to 25 gallons a day.
- Install a high-efficiency washing machine and save 20 gallons per load.
- Turn off the faucet while shaving or brushing your teeth and save two gallons a minute.
- Install other water-efficient appliances to save water and you might qualify for rebates.

In addition to scheduled hikes, the following hikes occur regularly: **Every Wednesday** - Villages Hill Hike. 8:45 a.m. from Foothill Center. **Every Saturday** - Villages Hill Hike with Russ Glines 9 a.m. from Foothill Center

Saturday June 1: Rich Bainbridge will lead a hike to Mission Peak from Ohlone College. Hiking along the Peak Trail, about 7.5 miles out and back with an elevation gain of about 1500 ft. Bring water and a snack. Auto mileage is about 44 miles round trip. We will meet at the lower tennis courts, due to an event at Cribari Center, at 8 a.m. leaving at 8:15 a.m.

Saturday, June 8: Mt. Madonna County Park. Nancy Rumble at 408-238-7535 will lead a 7-8 mile hike for the long hikers with about an 800 ft. elevation gain on the various hilly trails. There are trails that the Ramblers can enjoy also with a leader of their choice. Bring lunch, water and sticks. Wear boots and layers. This is about a 60-mile round trip drive.

Wednesday, June 12 (Rambler): Alum Rock. Gary and Terry Holmquist (408-531-9779) will lead a Rambler hike to Alum Rock along the valley trail which is about five miles round trip. There is an elevation gain of 300 feet. It is almost all in shade which is a good thing for June. We will have an optional lunch at Lee's Sandwich shop on Berryessa. The round trip is 20 miles. Water is a must. We will meet at 9 a.m. at Cribari for a 9:15 departure.

Saturday, June 15: Rich Bainbridge will lead a hike up our hill starting from Foothill center, route and distance to be determined by weather and hikers.

Wednesday, June 19 (Rambler): Forest of Nisene Marks. Ramon and Marianna Reza (714-306-5333) will lead a hike in The Forest of Nisene Marks in Aptos. From the park entrance station parking lot, we will follow the Split Stuff Trail to the Terrace, Oak Ridge and Lower Loop trails which have us looping back to the entrance station. The hike is approximately 3.5 - 4 mile roundtrip and mostly level but with some moderate elevation in spots. Dress in layers and bring water. The entrance fee is \$8. Exact change required at self-pay at the entrance station. Optional lunch at a nearby location will be arranged. Round trip mileage is approximately 90 miles. Please arrive at Cribari Center at 9 a.m. for a 9:15 departure.

Wednesday, June 26 (Rambler): Johanna and Wate Bakker (408-223-2190) will lead a hike on trails in and around the University of California, Santa Cruz. This is a new hike: Johanna and Wate are pre-hiking selected trails in and around to determine which might be most appropriate and interesting for Ramblers. More information will be provided as soon as it becomes available. Round trip mileage is approximately 90 miles. Please arrive at Cribari Center at 9 a.m. for a 9:15 departure.

History of San Francisco Transportation Tour

Did you know the Cable Car was invented in 1873? Did you know that San Francisco has the largest collection of historic streetcars and trams in the world? Join our tour guide Craig Smith to learn a lot more about San Francisco's history of transportation on Tuesday, August 20. We will start out with a short walk from the Ferry Building to the SF Muni Museum. We will board the Hyde Street cable car to the Cable Car Museum.

Next on the agenda, we will enjoy a nice lunch at the Pompei's Grotto and depart for The Academy of Art University Automobile Museum. The museum presents a tantalizing glimpse into the history of art and design of automobiles. With the display of cars in this expansive collection, among the classics from Alfa Romero, Bugatti, Jaguar, Packard, Duesenberg and Cadillac...the museum preserves an integral piece of international automotive culture.

So much happened before Dorothy dropped in! Long before that girl from Kansas arrives in Munchkinland, two girls meet in the Land of Oz. One—born with emerald green skin—is smart, and fiery and misunderstood. The other is beautiful, ambitious and very popular. How these two grow up to become the Wicked Witch of the West and Glinda the Good Witch makes for “the most complete—and completely satisfying—musical in a long time.”

Orchestra seating for this wonderful show is a 1 p.m. matinee at the Broadway San Jose on Sunday, September 8. Please arrive by 11:15 a.m. in the Cribari Redwood Room to get your tickets. Departure from the Villages will be at 12 p.m. and estimated return time is no later than 4:30 p.m.

Fleet Week with the USS Potomac & Blue Angels

Sunday, October 13, is the day for the Villagers to go aboard FDR's Floating White House for 2019 Fleet Week at Jack London Square in Oakland. Departure time from the Village's east parking lot at Cribari Center is 10:15 a.m., with an estimated return time of 6:30 p.m. Limited tickets are available, one bus only! Register in the Community Resource Center, Building B. The cut-off date for registration will be on Thursday, September 6, with the final count and payment due to the Potomac at this time.

If you have witnessed the Blue Angels flyover, had goose bumps and felt your spine tingling and your heart racing...well we guess we don't have to tell you know how great they are, you already know!

The cost is \$201 per person and your ticket for the Potomac is tax deductible (retain your ticket for your 2019, \$50, tax return). Your donation is for a very good cause as it goes toward education and maintaining this historical vessel for events such as ours. Once aboard the USS Potomac we will enjoy a three-hour cruise on the Bay and an air show. We will enjoy sandwiches, fruit, chips, dessert, soft drinks, coffee, tea or bottled water, and there is a hosted wine bar aboard the Potomac.

We will arrive by 12:15 p.m. at Jack London Square where the Potomac is docked. Enjoy the Farmer's Market, shops, bookstore, antiques, novelty stores and much more. Any purchases made may be left at the Potomac's Visitor Center during our cruise and picked up prior to leaving that day (bring a pen to mark your bag.) We board the Potomac by 1:15 p.m. for the sail time of 1:30 p.m. for a three-hour cruise. The Potomac will be positioned underneath the Blue Angels' flight pattern for this awesome show.

The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra, and converted to the presidential yacht in 1936 by President Franklin D. Roosevelt, who had her re-commissioned as a U.S. Navy vessel. After the President's death in April 1945, the USS Potomac began a long and ignominious decline from her former role in world affairs. Falling into private hands and later seized in San Francisco Bay as a front for a drug-smuggling operation in 1980, the proud vessel's hull was pierced and she sank at Treasure Island. She was re-floated by the Navy two weeks later and sold by the U.S. Customs to the only bidder, the Port of Oakland, for just \$15,000. The Port of Oakland then spearheaded a cooperative effort with organized labor, maritime corporations and dedicated volunteers to complete a \$5 million restoration. The Association for the Preservation of the Presidential Yacht Potomac now operates this National Historic Landmark as an active memorial to Franklin Delano Roosevelt.

Remember—the deadline for registration is September 6! All sales are final.

June Art Film: ‘Robert Motherwell & The New York School’

On Tuesday, June 11 at 7 p.m. in the Vineyard Center, the Villages Arts and Crafts Association will present Catherine Tatge’s “Robert Motherwell & the New York School: Storming the Citadel.” This film covers a period of art history that is within our own lifetimes. Most of us can recognize the names Duchamp, Pollock, de Kooning and Rothko but how many know of Robert Motherwell? His story begins on the Pacific coast, reaches its greatest moments in New York City (NYC) and ends in Provincetown, Massachusetts. One critic said his color palette was based on the color of California summers, ochre for the hills and the blue of a San Francisco sky. But this story is also about the New York School, a group of American artists and artists fleeing WWII Europe who created a community between 14th Street and Washington Square in NYC. The American Abstract Expressionist movement’s primary spokesperson was Motherwell. He pulled together artists around the defining philosophy and the Guggenheim support. This put NYC at the center of Western art after Paris fell, and Motherwell at NYC’s art center.

His story runs through the halls of Stanford and Harvard, and Columbia University where his academic career redirected into painting. Along the way, his interests were influenced by Southwestern Native American artists, Duchamp, Kerouac, Jungian analysis, and much more.

The best part of this film is that Robert Motherwell, a true public intellectual, narrates his own story.

Plan for medical decisions in the future

By Barbara Miller

The Villages Medical Auxiliary (VMA) is sponsoring an Advance Care Planning Workshop on Wednesday, June 12, at 10:30 a.m. to Noon, in Cribari Conference Room. Grace Hospice will be facilitating the workshop designed to encourage completion of an Advance Health Care Directive.

An Advance Health Care Directive is a legal document which appoints one or more individuals you trust to make medical decisions for you when you are unable to do so. It sets forth the types of medical treatment you want to receive and the types of medical treatment you do not want.

Everyone needs an Advance Health Care Directive. An unexpected accident, severe illness or old age could prevent you from selecting your own healthcare treatment. Without a legal record of your preference, the choice of your treatment could be put in the hands of distant family members or unsympathetic doctors. Without an Advance Health Care Directive your doctors and other medical providers will have no idea how you want to be treated. With an Advance Health Care Directive, you can ensure that your treatment wishes are honored.

This workshop not only addresses creating an Advance Health Care Directive, but in addition, if you already have a directive bring it to the workshop for updating.

There is no registration required. For further information contact Cristina Freyer at 408-238-4029.

Tuesday Art Night returns on June 18

By Michael Sunzeri

Hey Artisans. Let’s make another great piece that your friends wish they had.

Our upcoming Third Tuesdays **Free Art Night** event on June 18 is less than a couple weeks away.

In the Art Room, we will supply you with wood panels, wood pieces of different cuts, paint, glue, and a little food and wine to go with that. Create your piece for your wall or table while your host gives you some direction and encouragement.

If you want to make your work a little more personal, look around your home for trinkets. Bring them in and attach them to your piece for more flavor. Those fun objects could be almost anything that is plastic, metal, glass, cloth, shiny, or dull. We will have a couple kinds of glue to use.

So bring yourself, your imagination, and few items that you want to use and the rest will be there already. We only have room for 30 people who want to do something a little different, just like all of our Third Tuesdays **Free Art Nights**.

It’ll be too much fun. You must RSVP to Monita Bowman at monita.bowman@gmail.com or call her at 408 440-8591. All Villagers are welcome. See you at 6:30 p.m. June 18 in the Art Room and we’ll share some wine, water, and something to munch too.

Pinochle Group offering free lessons

The Fun Loving Pinochle Group is offering **free pinochle lessons** to anyone who is new to the game or wants to brush up on their skills.

If you are interested in learning the game and joining our group, we meet every Wednesday and Friday in the Terrace Room at 1 p.m.

The lessons will be held every Wednesday and Friday at 11 a.m. in the Terrace Room.

Please call Duane Sagen at 408-223-8760 or Phyllis Ogden Sagen at 408-799-4557 if you would like to discuss more details and so we can set up times to meet.

Theodora 'Teddy' Morse

8063 Chardonay Court

I am dedicated to serving the Villages as shown by my past service: chairperson of the General Manager's Search Committee and the Club Board's Nominating Committee; Villages Medical Auxiliary vice president, acting president, communications director, volunteer medical appointment driver and desk volunteer; representative on the Six Clubs Golf Committee; Emergency Preparedness Committee sector volunteer. I am currently serving my second term as president of the Homeowners' Corporation Board of Directors, and treasurer for the Women's Par 3 Course Golf Club.

Community service is my passion. During my 25 years with the Santa Clara Valley Water District, I served as the public information officer acting as spokesperson, writing press releases and community outreach materials and arranging community meetings and events. I managed the community relations unit comprised of public relations and marketing professionals. My professional training in this field included public relations and journalism studies at San Jose State University.

After retirement, I continued following my passion by volunteering in the community: commissioner City of San Jose's Traffic Appeals Commission, member SCVWD Guadalupe Watershed Advisory Committee, president Association of SCVWD Retirees, information desk volunteer for the San Jose Convention and Visitor's Bureau and the Santa Clara County Board of Supervisors, member/secretary T.J. Martin Park Neighborhood Association.

My husband Tom and I are 41-year San Jose residents and moved to the Villages in 2013. We both belong to Villages golf clubs and appreciate all the Villages activities available to residents. I strongly believe an active community is a healthy community.

J. Richard 'Rick' Casey

I believe my experience, as a Club Board member the last three years, Treasurer, Vice-President and now President and my experience as Controller of The Villages from 2007 to 2014 will help us maintain the value of our assets and enhance our lifestyle in the most cost-effective manner. As Controller, I was in charge of managing The Villages' budget process, which takes about 6 months each year. I worked with the DACs, Directors of all three corporations, and all department heads to prepare a balanced budget. I know The Villages' finances in detail, and I know how to find, interpret, and apply The Villages' financial information that the Directors need to make the best decisions.

I was a Controller for major corporations for 35 years. A Controller is the primary officer in charge of the daily financial operations of the company. I have a Bachelor of Science degree from San Jose State in Accounting and Finance.

I volunteer for SRS (Senior Resources Services). I am a member SIRS 114, and am an avid golfer and member of the Men's Golf Club. I was a member of the Villages General Manager Search Committee in 2017.

My wife Pam and I have lived in Highland Village since 2001. I am a California native and was raised in the East Bay.

I promise to listen to Villagers, use my best judgment to benefit all Villagers, and to be as open as possible.

I have the skills and knowledge to benefit the community by serving as a Club Board Director. I have been a Villages volunteer for nearly six years. I've attended 90 percent of the Club Board meetings since moving to the Villages in 2013. Through my Village involvement I've gained the knowledge necessary to be an asset to the board and the community. In my Village leadership roles, I've lead committees and boards to resolution on issues and successfully instituted new ideas and methods of operation.

As Homeowners' Corporation Board President for two years, I started a yearly work-study session where the Board establishes goals and objectives. We now use these to measure our accomplishments and to direct our efforts to areas that are important to our homeowners. We completed a two-year effort to update our governing documents, involving extensive reviews and public meetings.

As chair of the General Manager's Search Committee I worked with members of the community and board directors to establish a method for finding and evaluating candidates, resulting in the hiring of our current general manager.

In my roles with the Villages Medical Auxiliary (VMA), I assisted in marketing the VMA, lead meetings and programs in the absence of the president, and helped problem solve issues.

I've spent most of my professional life in the com-

I have spent the last three years as Club Board Treasurer, Vice-President and now President. I have prior employment experience in helping manage the financial operations of businesses. That prior experience and my specific knowledge of the Villages financial operations will allow me to continue being a significant contributor to the Club Board's responsibility of maintaining and enhancing the value of the amenities that we all enjoy here.

I have 35 years of financial experience as a Controller for major corporations and 10 years, 7 as Controller, experience here at the Villages and now three years experience of being a Club Board Director. I believe I will bring continuity to the Board and can continue to help the Club Board ensure that we get full value for the money we spend on our existing amenities and that any new spending is thoroughly evaluated, including resident input, before any significant financial commitments are made.

Despite increases in water, labor, insurance and other costs I was able to work with the General Manager, Staff and Board to successfully keep this coming year's Club assessment increase to less than 5 percent.

I believe in openness in financial transactions and will do my best to promote transparency in all matters as a Director.

My wife, Kathleen, and I have lived, worked, and raised our family in San Jose for 50 years. We are in our twelfth year of residency in the Villages.

Through my involvement in Golf, Sirs, EPC, the Verano DAC, and the Association Board, I have acquired a keen appreciation for the reliance our community places on the "Volunteerism" of its residents to manage our affairs.

I offer a wide background in Engineering Management gained from a 40 year career in the computer industry. My assignments have included extensive management and budgetary responsibilities. Since being seated on the Association Board of Directors, I have completed a California Common Interest Development Law Course and ECHO Board Member Basic Training.

I am a fiscal conservative who will work diligently to contain costs while preserving and maintaining our assets. The forthcoming years promise to present many complex issues. It is more important than ever for your Association Directors to demonstrate a consideration for all points of view, a knowledge based approach to decision making, the courage to make tough choices, and the resolve to follow through on courses of action.

I know that continuing service as a director on your Association Board will present many challenges and I pledge to apply my full talents to maintain your trust that I will meet these challenges with the best interests of the Villages Community held foremost in my actions.

I am 77 years old, and have lived in The Villages 7 years. I have been married to Betty for 47 years. We have 3 children and 4 grandchildren. I was born and raised in Oakland and went to Oakland City College and then to San Jose State in 1961 and stayed here.

I worked for 30 years for the San Jose Police Department and retired in 1993. Since then we have traveled, and I play a lot of softball.

Past President of Santa Clara Valley Senior Softball and Northern California Senior Softball Associations.

I am a Villages VMA Volunteer, Treasurer of the Deer Wildlife Club, leader of the deer counters, member of the Bocce Club, on the Italian Club Board and member of the Men's Golf Club and have worked on the Evergreen Invitational Golf Tournament for the past 5 years.

Help Us Keep Your Vote a Secret

By Claudia Evans Nicolai

Do you wonder if your vote is really a secret? If so, you're not alone. Some Villagers do not fully understand our two-envelope secret ballot system, so here are some answers.

The Villages' elections are governed by California Civil Code requiring our voting system to safeguard the privacy of our residents' votes.

Three Election Inspectors, Vera Buescher, Jeanne Filice and Claudia Nicolai, have been appointed by The Villages Association, Homeowners and Club Boards of Directors.

Once your ballot is placed in a locked ballot box, it is kept under lock-and-key at all times. Only the Election Inspectors have access to the ballot boxes.

The Inspectors remove and sort the ballot envelopes according to color (blue for Association, green for Homeowners, and buff for Club).

The bar codes are scanned, which registers and validates that the envelope was received from a member in good standing who is eligible to vote. The bar code must remain intact for the ballot to be valid.

Following registration, the barcoded envelope is opened and the secret envelope is removed. Barcoded envelopes are sent to storage while secret envelopes are bundled for counting.

On counting day, only the secret envelopes are given to the Tellers for counting. These envelopes contain no names, bar codes or other identifying marks. They remain sealed and under lock-and-key until the Inspectors and Tellers meet at an open Board of Directors meeting to begin the counting process.

This entire process is in accordance with California Civil Code.

The counting process is closely directed and monitored by the Election Inspectors. All ballots are counted by two different Teller teams to ensure accuracy.

The Inspectors present the election results to the Boards of Directors at the annual membership meeting on June 12. Mark your calendar now and plan to attend!

Villagers can rest assured that the Election Inspectors follow the Civil Code for every election so your vote remains a secret. You can help us keep your vote valid and a secret by carefully following the instructions included with your ballot package.

If you have further questions or if you'd like to witness the entire process, please contact one of the Election Inspectors. And please...cast your vote before the deadline!

Mary McBride

Mary and John discovered The Villages in 2016. They were stunned by the championship golf course, the beautiful grounds, and the peace and quiet, even though it is in the heart of the Silicon Valley. After renting for a year to make sure living in The Villages was actually as good as it looked, they jumped in with both feet and purchased a single-family home in 2017 in Verano Village.

Mary moved to California from Minnesota in 1989. She earned a B.S. in Biochemistry and a Ph.D in Analytical Chemistry at UC Davis, while raising her young daughter as a single parent. She worked for a decade at Lawrence Livermore National Laboratory, ultimately managing a \$40M portfolio of biodefense-related projects. She currently works for Agilent Technologies, directing a global team of very talented marketing professionals, developing strategic marketing plans to grow market share and drive revenue.

In her free time, she enjoys spending time with her daughter and three grandchildren, golfing, hiking, gardening, home improvement projects, and traveling with John.

Mary has been active in the ACC for almost a year. She is excited to bring her energy and ideas to serve The Villages community – especially the single-family homeowners – by joining the HOC, and serving as liaison between the HOC and the ACC. The Villages community is such a wonderful place to live; by working together, we can continue to foster and improve the quality of life in this very special place.

munication business. Whether it is an interview with a reporter, presenting at a community meeting or meeting one-on-one with a resident; I enjoy community interaction. I thrive on listening to others and helping to communicate information.

I also love working on a team. There's nothing like the satisfaction of working with a group of individuals with different experiences and backgrounds. With the exception of passing a test, or the occasional good golf game, my accomplishments in life have come from working as a team member.

As a leader, a problem solver, a communicator and a team player, I believe my skills can be utilized for the good of the community through my service as a director on the Villages Golf and Country Club Board. I ask that you vote for me as one of your choices for Club Board Director.

“The Malta Exchange” by Steve Berry: The pope is dead. A conclave to select his replacement is about to begin. Cardinals are arriving at the Vatican, but one has fled Rome for Malta in search of a document that dates back to the fourth century and Constantine the Great. Former Justice Department operative Cotton Malone is in Italy, on the trail of letters between Winston Churchill and Benito Mussolini that could rewrite history. But someone else is after the same letters and, when Malone obtains and then loses them, he’s plunged into a hunt that draws the attention of the legendary Knights of Malta. The knights are the only warrior-monks to survive into modern times. Now they are a global humanitarian organization, but within their ranks lurks the Secreti—an ancient sect intent on affecting the coming papal conclave. Malone races the rogue cardinal, the knights, the Secreti, and the clock to find what has been lost for centuries. Meanwhile, the election of the next pope hangs in the balance. Mystery 2019.

“Finding Dorothy” by Elizabeth Betts: Behind the most famous movie ever made is a tale of love, magic, and one incredible woman in Hollywood, 1938. As soon as she learns that M-G-M is adapting her late husband’s masterpiece, “The Wonderful Wizard of Oz,” for the screen, Maud Gage Baum decides to visit the set. Since Frank’s passing, she is the only person who can help the producers stay true to the spirit of the book because she is the only one left who knows its secrets. This richly imagined novel tells the story behind the book that inspired the iconic film through the eyes of author L. Frank Baum’s intrepid wife, Maud. Large Print.

“The Chief” by Joan Biskupic: John Roberts was named to the Supreme Court in 2005 claiming he would act as a neutral umpire in deciding cases. His critics argue he has been anything but, pointing to his conservative victories on voting rights and campaign finance. Yet he broke from orthodoxy in his decision to preserve Obamacare. Joan Biskupic contends that Roberts is torn between two, often divergent, priorities: to carry out a conservative agenda, and to protect the Court’s image and his place in history. Biskupic shows how Roberts’s dual commitments have fostered distrust among his colleagues, with major consequences for the law. Trenchant and authoritative, “The Chief” reveals the making of a justice and the drama on this nation’s highest court. Non-fiction 920, 2019.

“Wolf Pack” by C. J. Box: The good news is that Joe Pickett has his job back. The bad news is that a drone is killing wildlife and it belongs to a mysterious and wealthy man whose son is dating Joe’s daughter, Lucy. When Joe tries to lay down the rules for the drone operator, he is asked by the FBI and the DOJ to stand down, which only makes him more suspicious. Meanwhile, bodies are piling up in shocking numbers. He begins to fear the cause is a pack of four vicious killers working on behalf of the Sinaloa cartel known as the Wolf Pack. Teaming with a female game warden (based on a real person, one of the few female game wardens at work in Wyoming today) to confront these assassins, Joe finds himself in the most violent and dangerous predicament he has ever faced. Mystery 2019.

“The Last Romantics” by Tara Conklin: Perfect for fans of Lauren Myracle and Rainbow Rowell. Gael Brennan is about to have his heart broken when his first big relationship crumbles on the heels of his parents’ painful separation. Love intervenes with the intention of setting things right, but she doesn’t anticipate the intrusion of her dreaded nemesis: The Rebound. Love’s plans for Gael are sidetracked by Cara, Gael’s hot-sauce-wielding “dream girl.” The more Love meddles, the further Gael drifts from the one girl who can help him mend his heart. Soon Love starts breaking all her own rules—and to set Gael’s fate back on course, she has to make some tough decisions about what it means to truly care. Fiction 2019.

Jen Lee to speak at SIR #38 meeting

Jen Lee will be the speaker at the SIR 38 luncheon meeting on Tuesday, June 18 in the Fairway Room at the Clubhouse. Non-SIR members wishing to attend the presentation should arrive at the Clubhouse at 12:30 p.m.

She will present “The Elephant in the Room: How Financial Stress is Destroying Productivity, Relationships, and Health.”

There is a problem that is taking over all generations in America. It’s the elephant in every room, on every social media page, and in every workplace. No one wants to talk about debt, credit, or financial problems but it is creating problems in all areas of life. Jen, along with her elephant, Bernadebt (Burn-A-Debt), brings this topic to the forefront so that we can all understand why not talking about it is the biggest problem.

Employees spend over 150 hours a year of company time working on their own personal financial issues? Financial stress costs companies \$7,000 per year, per employee. Money is the leading cause of divorce and relationship problems. One of the biggest problems? No one talks about it. We’re going to talk about it! 70 percent of illnesses are caused by stress. Finances are the number one cause of stress. Your debt and credit problems are literally making you sick. Let’s talk about solutions. This talk is an innovative approach that examines several typical financial situations and points out a glaring disconnect in our society. Let’s talk about the elephant in the room.

Jen Grondahl Lee is a debt and credit strategy attorney. She helps her clients examine their financial situations and provide long-term solutions for reducing debt and stress in their lives. Sometimes, the solution is bankruptcy, but oftentimes, there are other solutions we can work through to get back on track. She has been featured in articles in Consumer Affairs, US News & World Report, and various websites relating to credit, debt, and bankruptcy.

Veterans Club Profile: Ed Cavanaugh

By Dr. Jac Fitzenz

Ed Cavanaugh, Chief Petty Officer, U.S. Navy (Ret) was born in Boston in 1931 and raised in Somerville, Massachusetts.

He joined the Navy in May 1947 and served 30 years before retiring as a Chief Petty Officer in August 1977. Over the course of his long career he was stationed in Jacksonville, Florida, Quonset Point, Rhode Island, Memphis, Tennessee, San Diego and San Jose, California, Adak, Alaska, Iwakuni, Japan, Guam and the most interesting station, Antarctica.

Ed had several special assignments. In 1950, he was involved with the recommissioning of the aircraft carrier, USS Wasp (CV-18) in the Brooklyn Navy Yards. The CV-18 was named to honor the original USS Wasp (CV-7) that was sunk in the western Pacific in 1942. CV-18 was originally commissioned in November 1943 and sent west. She participated in several battles including Palau, Okinawa, Formosa, The Philippines and later supported the battle of Iwo Jima. She was decommissioned in 1947, then modernized and recommissioned in 1951.

Ed claims the most interesting assignment he had was as leading chief petty officer at the Antarctic Naval Station on McMurdo Sound. He wintered over there in 1961-62. This is the permanent American station in Antarctica. The Navy’s mission is to provide support and transportation of U.S. personnel in Antarctica.

In 1971 to 74 he was assigned to his home town, Boston, as Chief Recruiter.

Ed received several decorations for duty in Korea, Vietnam, and the Antarctic tour.

After retiring from the navy Ed worked at the General Electric Nuclear division in San Jose for 15 years. Ed arrived in The Villages in 1989 and, as he said, is still smiling. One of the most interesting notes about Ed is that he can still fit into his uniform, something few of us can claim.

News Junkies: Darlene Elliot’s speech rescheduled

On **Monday, June 17**, Villager and former Clinical Psychologist Darlene Elliot will be the presenter at the News Junkies meeting at 1:30 p.m. at Cribari Conference Room. She was previously scheduled to speak in May, but an emergency caused her to postpone the talk.

Many of us have been experiencing a pervasive level of anxiety due to the many disturbing trends in our society today—both politically and socio-culturally. We continue to see in the news cycle the killing of worshipers in synagogues, mosques, and Christian churches. We need to look at what the psychopathology is behind the perpetrators, as well as what is the psychopathology that concerns both prominent Republicans and Democrats to want to invoke the 25th Amendment. To what extent, if any, does certain political rhetoric inspire these perpetrators? Taking a clinical psychology perspective, we will discuss the increase in anti-semitic activity over the last two years, as well as increases in white supremacist group membership. We will examine the components of violence and religion, as well as the differences between a personality disorder and mental illness. The two major personality disorders involved in religious/ethnic violence and the calls for invoking the 25th Amendment will be covered, along with how they develop in the first place.

Our presenter has a Ph.D. in Clinical Psychology and a master’s degree in Industrial and Organizational Psychology. At Stanford University Medical Center, as part of a research team, she selected and administered a battery of neuropsychological tests to assess changes in cognitive deficits in patients with Neuropsychiatric Lupus. At the North Bay Regional Center she provided psychological and neuropsychological evaluations of children and adults with autism, AD/HD, mental retardation, and other developmental disabilities. And at the Veterans Administration Clinic at Fort Ord, Dr. Elliott conducted neuropsychological assessments of patients with brain injuries, memory disorders, and depression/dementia screening.

These individuals, businesses and organizations gave generously to support the mission of The Evergreen Villages Foundation (EVF) between May 1, 2018 and April 30, 2019. We are grateful to all. Your funds are used to support projects that benefit the community. If there are any errors or omissions, please accept our sincere apology and notify us so that we may make the correction. Please note that names in **bold lettering** also signify Sustaining Donors.

Notice of Proposed Changes to Club Rule 1.40 Villages Board Recognized Clubs and Organizations

At the May 28, 2019, Club Board meeting, the following proposed changes to Rule 1.40 Villages Board Recognized Clubs and Organizations were approved by the Club Board of Directors for 30-day notice publication prior to formal approval consideration at the July 30, 2019, monthly board meeting. The Board will consider oral and written comments regarding the proposed changes at the July 16, 2019, study session (1:30 p.m. at Foothill Center). Response to the proposed rule changes may be made by one or more of the following methods: 1) Participation in the discussion of the change at the Club Board of Directors study session at which the proposed rule change will be considered, 2) via e-mail with comments sent to the General Manager's office at least seven (7) days prior to the Club Board of Directors study session (jmeadows@the-villages.com), and 3) via written comments to the General Manager's offices delivered at least seven (7) days prior to the Club Board of Directors study session.

Note: Deleted items are in ~~strike-through~~ font, inserted items are in underlined font, and the purposes of the proposed changes are in *italics*.

1.40 Villages Board Approved Clubs and Organizations

The purpose of the proposed changes is to provide clarity and direction to clubs, to require exiting clubs without bylaws to adopt bylaws, to require that club board meetings be opened and noticed, and to conform policy to practice. Some sections are renumbered.

1. The Club Board encourages the formation by residents of clubs and organizations for educational, ~~Villages Services (Villages Medical Auxiliary, Senior Resource Services, Evergreen Foundation); service,~~ recreational, cultural, supportive, and social purposes. Hereafter, the term "club" refers to "club or organization."

2. The Villages Medical Auxiliary (VMA), Senior Resource Services (SRS), and Evergreen Villages Foundation (EVF), are exempt from the provisions of this Rule, except for Paragraph 3. They may participate in the Master Calendar process, reserve Club facilities, and have access to The Villages media.

~~3. Non-residents may attend and participate in club activities as invited guests but cannot be members.~~

3. Residents and clubs may not use public media to invite members of the public to attend ~~club~~ meetings, and events, or sales, to join the a club, or to attend other classes at The Villages. In this context, "public media" includes the internet, social media, such as Facebook and Twitter, which will be seen by non-residents, and publications which circulate outside The Villages such as the *Evergreen Times* and *Spotlight*.

Residents ~~and clubs~~ may post ~~club activities and notices on Nextdoor regarding future meetings, events, and sales, at The Villages,~~ but must use the "Choose Neighbors: The Villages [only]" option if they do so.

Club officials may post notices of upcoming club meetings and events in The Villager, on Channel 26, and Fast Lane, subject to their guidelines.

The restrictions listed in this Paragraph 3 also apply to the VMA, SRS, and EVF.

4. Residents do not need to be members of a Board approved club to use Villages amenities such as the tennis and bocce courts, pools, woodshop, billiards, pottery room, table tennis, fitness center or golf course. Some restrictions may apply. The stables and gardens are reserved for those clubs' members and their guests.

5. Villagers may invite guest non-resident guests to attend club meetings and events, subject to that club's own rules and other Club Board Rules. A list of the names of the guests must be provided to Public Safety. Non-residents may not be members, or associate members, of a club. The person clearing the guest for entry is responsible for any Rules violations by the guest.

6. Clubs may not solicit bids or estimates from potential contractors for changes to Club facilities.

7. The Villages Club Board has set the criteria for recognizing clubs ~~and organizations~~ as follows: Organizers must submit a written request for recognition to the Club Board. The request must include:

A. Bylaws, including, at minimum, the purpose of the club, the titles of officers, number of meetings, annual or biannual elections, quorum of general meeting, and nomination procedure for club officers including the right of self-nomination without a "petition" requirement, with equal inclusion of self-nominated candidates on all candidate list distributions. A set of model bylaws is available in the Community Activities Office.

B. Names and addresses of organizing members

C. Statement of anticipated facility or property use needed, such as expected

membership total, frequency of meetings and activities, and special activity support needed.

8. Clubs must maintain a minimum active membership of 20 residents. ~~must be maintained except for Villages Service Organizations. Non-residents may attend activities as guests by invitation.~~ "Active membership" is defined as those residents attending events and meetings, or who play the associated sport on a monthly basis (such as tennis, bocce, table tennis). Smaller groups are considered on a case-by-case basis. Clubs which have Villages space assigned for their exclusive use, such as the Riding Club, Garden clubs, and Villages Amateur Radio Club, do not need to maintain 20 members. Clubs which have Villages space assigned for their exclusive use may limit "voting members" to those with an assigned space.

9. Club membership must be open to all residents who meet the requirements for membership. Clubs may set requirements for continued membership, such as dues payment; these requirements must be listed in the Bylaws. Clubs with a size limit must maintain a waiting list in chronological order of the resident's application.

10. On an annual basis, in August, ~~clubs and organizations~~ shall provide an up-to-date resident membership roster, recent and future election dates, and a list of elected directors and officers with their election date and terms, to the Community Activities Office. Non-compliance could lead to the Club Board withdrawing recognition of the organization. Copies of a club's Bylaws are in Building A.

11. No illegal activity, or publication spreading of false or misleading information or activity that ridicules, defames, slanders, libels, insults, or degrades The Villages, any resident or employee of The Villages, or an a club, organization, or group within The Villages is permitted. Such activity may be a cause for termination of recognition status.

Remembering the 75th Anniversary of D-Day

On June 5, 1944, Dwight D. Eisenhower, Supreme Commander Allied Expeditionary Forces, addressed the following message to the men who would attack Fortress Europe the next day, D-Day 1944:

“Soldiers, Sailors and Airmen of the Allied Expeditionary Force! You are about to embark upon the Great Crusade, toward which we have striven these many months. The eyes of the world are upon you. The hopes and prayers of liberty-loving people everywhere march with you. In company with our brave Allies and brothers-in-arms on other Fronts, you will bring about the destruction of the German war machine, the elimination of Nazi tyranny over the oppressed peoples of Europe, and security for ourselves in a free world.

Your task will not be an easy one. Your enemy is well trained, well equipped and battle hardened. He will fight savagely. But this is the year 1944! Much has happened since the Nazi triumphs of 1940-41. The United Nations have inflicted upon the Germans great defeats, in open battle, man-to-man. Our air offensive has seriously reduced their strength in the air and their capacity to wage war on the ground. Our Home Fronts have given us an overwhelming superiority in weapons and munitions of war, and placed at our disposal great reserves of trained fighting men. The tide has turned! The free men of the world are marching together to Victory!

I have full confidence in your courage and devotion to duty and skill in battle. We will accept nothing less than full Victory! Good luck! And let us beseech the blessing of Almighty God upon this great and noble undertaking.”

—Dwight D. Eisenhower

The next day more than 5,000 vessels from England landed 175,000 men in Normandy: 75,215 British and Canadians, 57,500 Americans, plus 20,000 airborne.

The Germans had fortified the bluffs above the beaches with bunkers whose walls were concrete and steel, as much as 6' 6" thick. Surrounding them were barbed wire and mine fields. From the bunkers the Germans had full view and field of fire over the beaches on which the Allied soldiers would land. Casualty estimates for this operation were: 2,700 British, 946 Canadians, 6,603 Americans, and 4,000 to 9,000 Germans.

Nevertheless, within a week the beaches were secured and 325,000 troops, 50,000 vehicles and 100,000 tons of equipment had landed.

After breaking out of Normandy Allied forces moved rapidly across northern France. By August they had reached the Seine River and on August 25th liberated Paris.

The next spring, on March 23 and 24, American, British and French troops crossed the Rhine River and invaded the German homeland. On May 2 Berlin formally and unconditionally surrendered. General Jodl signs for the defeated Germans and Generals Bedell Smith and Suslaparov for the Allies. Hitler's forces were defeated and the end of the European War came officially on May 8, 1945, less than one year after D-Day.

COMMUNITY CHAPEL

God answers every prayer!

By Rev. Peter Unruh, Villages Chapel

Everybody prays...well, just about everyone. Even one of the popular Hollywood stars said, "Of course I pray. I only wish I knew to whom I was praying!" I understand that since that statement was made, she discovered the God who hears and answers every prayer. I view God's answers to our prayers from three different perspectives: He says, "yes." He says "no." And often he says, "not yet."

I have experienced all of these options. I struggle with distinguishing between "no" and "not yet." My tendency is to put a time limit on God's response. If He doesn't come through within my time frame, I begin to conclude that it's a "no" answer. As I look back, I notice that some of these prayers which didn't show up on my time schedule, arrived later. I made the mistake of thinking that delay means denial. Don't give up too soon. Another discovery I have made is that delay in answering, my prayer can mean God saying: "Wait, I have something better for you!" There have also been occasions when I have looked over an old prayer list and thanked him for saying "no."

The Apostle Paul gave the Christians a challenging assignment: "Always be joyful. Never stop praying. Be thankful in all circumstances. For this is God's will for you who belong to Jesus Christ." I Thessalonians 5:16-18.

We have a Prayer Team of about 75 who welcome prayer requests and praises. Call the office at 238-3079 or email villageschapel@sbcglobal.net

Women & Men's Christian Fellowship: "June Bloom" - Please join us on Friday, June 14 at 1:30 p.m. in the Cribari Auditorium. Please come along and bring your friends to join in the fun. A speaker, songs, quizzes/games and prizes to be enjoyed by all. Pick up an invitation from the Chapel office to give to your friends.

JEWISH GROUP

Friday night Shabbat Services will be held at 7:30 p.m. on June 21 at Foothill Center. Cantor Amanda Edmonson will be conducting services. At the end of services, Cantor Edmonson will be presenting some information regarding Jewish music, and will perform and ask for some sing along participation. We are sure it will be an enjoyable evening.

All Villagers are welcome. In addition, one of the Jewish Group's goal is to support our San Jose community in its help with the needy. We will start by bringing non-perishable food cans and packages for the Second Harvest Food bank to our monthly services. Joyce Mendel will then deliver the items to the food bank each month.

If you are interested in membership in the Villages Jewish Group, please contact Joyce Mendel at 408-238-7316.

SWINGERS

By Pamela McCarthy

Tuesday, May 28 brought cool air and overcast skies to our beautiful course. Sixty Swingers joined the celebration of nice weather and “Burned the Breeze” with their golf carts and golf clubs as they ventured out on to our delightful course. It turned out to be a great day for “Chipping.” Caryl Swinyard and Sherry Benz each had a Chip-in on the first hole! A glorious start to the day! Two more chip-ins were achieved one by Joyce Mukuno who put her magic touch to work on the 8th hole and Carol Trenholme followed suit on the 9th hole. They ended the day in a joyful championship style. Congratulations, ladies! You get to share the bounty of our weekly contributions to the “chip-in” jar.

Swingers Invitational

Our Swingers Invitational “Rhinestone Cowgirl” June 11 promises to be an “Aces’ High” event. Boy Howdy is it ever! We have 131 participants this year. 45 percent of the participants are from off our ranch. We are rounding up the details and putting a branding mark in the books for this year’s Invitational. “Well Done!” For the second year in a row Karen Kosmala has done an incredible job of leading a group of remarkable volunteers to make this event an enormous success. The proceeds from the silent auction will go to The 1st Tee of Silicon Valley. We need to be “getting’ a wiggle on” and donate items for gift baskets...like wine, chocolate, gift cards, merchant items, services, etc. or put your creative talent to work, or make up a gift basket yourself and donate it. Donations should be given ASAP to Sheryl Driskell 408-656-1241 or for more information or questions give her a call. “Git” yourselves “fired up” for a sporting good time! What do you call a cowboy with bad gas? (Darn Tootin!)

Rules clinics are starting up once again at 8 a.m. on Tuesdays. Mark your calendars and send questions or comments to Betty Garcia, rules chair.

TABLE TENNIS

By Tony Berg

Fun, exercise and hand-eye coordination are valuable parts of a healthy lifestyle. But getting into a routine takes a lot of effort. It is much easier to get that workout we all need if it is a shared experience and fun as well. Ping Pong is the perfect indoor solution especially in our comfortable and air-conditioned playing room!

Some of the current Ping Pong players had never played before—but with little experience (or just fond memories of games played many years ago) everyone quickly gets the hang of things, joining in the fun and getting some useful exercise too.

Why not drop in and join us and find out more about playing Ping Pong to keep fit? Drop in to the Montgomery Multipurpose Room any Wednesday afternoon between 3 and 5 p.m.

Find out how Ping Pong can be a good way to meet people, get a gentle fun workout and make new friends.

The M and M Tournament on June 20 and 27 will not have a general theme but suggest that you use the colors of M and M’s to dress accordingly! Thank you Reine Fedor and Jean Beattie for organizing this two-week event. Don’t forget to sign up for your lunch in the Posting Room!

June 4, 11 and 18 will finish up the Village Challenge and am sure the weather will hold.

SHONIS

Nineteen Shonis played Tuesday, May 28. No birdies this week. Birdies and pars are what the Shonis were shooting for as they continued their quest to win the Eclectic. Look for results at the Shoni bag lunch meeting, June 18.

Shoni Twilight Chair Vivian Wilczak is going to have hand surgery and had Assistant Pro Thomas Cowie put wider grips on her clubs to make it easier for her. “They’re magic.” Vivian said, “I was in the money this week.”

Nine players gathered outside the Pro Shop at 5 p.m. Tuesday, May 28 for the first of the summer Shoni Twilight games: Bonnie Evans, Betty Hall, Delma Juarez, Teddy Morse, Nancy Newell, Jonna Robinson and Vivian Wilczak. Joining the Shonis were two Ironmen, Dave Cook and Mike Kane. The game was followed by dinner in the Bistro and presentation of prizes for low gross scores. Nancy Newell won first place and was stunned to find that the prize was a tiny toy golf cart. Just that very morning she’d been looking at them online to use for a centerpiece she was making. Jonna’s second place prize was a golf bag pencil holder. Bonnie won third place receiving a sleeve of golf balls. Bonnie was pleased because in the Clyne Soley Tournament, Bonnie and Jonna tied for third place, but Jonna won the sleeve of golf balls based on a tie breaker.

Vivian is responsible for organizing the Twilight games the last Tuesday of the month May through September. She spends considerable time and thought picking original and fun prizes. Twilight games are free if you’ve played in the morning on Tuesday. Spouses are invited to attend the optional dinner after the game.

Winners of Handicap Match Play Tournament. Flight 3 - Maxine Amundson. Flight 1 - Vicki Krattli. Overall Champion - Helen Varenkamp. Flight 2 - Bev Poellot.

PICKLEBALL

Is it in or is it out?

By Linda Eige

Line calls can be difficult and can look very different depending on the viewer's position on the court. A ball that contacts any line, except the no-volley zone line on a serve, is considered "in." A ball contacting only the surface outside the court, even though the ball overlaps the line, is considered "out." The contact surface of a pickleball is much smaller than the ball itself.

Rules to play by:

1. Call balls you clearly see "out" on your side of the court quickly and decisively.
2. Don't call a ball "out" when you are looking across the line unless you can clearly see the space between the line and the ball.
3. If you ask your opponent, who was in a better position to see the ball land, you should accept their answer.
4. Spectators should not be consulted.
5. If no one clearly saw the ball or if it is too close to be certain, it is considered "in." The benefit of the doubt goes to the opponent.

Bottom line, if you are not certain, keep playing!

Keep an eye out for information coming soon on our second annual Pickle Up program starting mid-July, Tuesday and Thursday evenings. More info at villagespickleball.org

Sign up granddaughters, nieces for Corena Green Jr.

It is that time again when our Women's Long Nine Golf Club begins its search for young women golfers between the ages of 8 and 17 to play in this year's 29th annual Corena Green Junior Girls Golf Classic. This is a great event planned and sponsored by WNHGA. It will be held this year at Lake of the Pines Country Club in Auburn on July 30.

There are two age groups, 8-13 and 14-17. They do not have to be terrific players but must have played enough to know the rules and proper etiquette of the course. Prizes and scholarships will be awarded.

So, ladies and gentlemen of the Villages, if you know of a young lady—granddaughters, nieces, friends—who might qualify and would

like the experience of playing in a 9 Hole Golf Tournament, application forms are now available. Spots do fill up very quickly, particularly in the 14 to 17 age group, so if you have someone who is interested, please contact Mary Stowers, Swinger Representative, at 408-440-2856.

FROM THE PRO

By Scott Steele, PGA Head Golf Professional

Pro Shop Staff Update—Starting June 10, Hannah Summerhays will be transitioning out of her Pro Shop Assistant position into a full time Teaching Professional position here at The Villages. You might miss her in the Pro Shop, but she will still be here, now providing her excellent golf instruction to even more members. Our goal with this transition is to provide more golf instructional programs to a greater cross-section of Villages residents. More instructional programs will create more involvement with golf and ultimately more golf play. Hannah is a superb ambassador for golf here at The Villages, and her teaching full time will allow her to flourish in her career and expand on her true passion, which is teaching golf and promoting golf to all Villagers. Please congratulate Hannah the next time you see her, and be sure to sign up for a golf lesson or clinic soon. We have some great plans for growing golf and golf instruction here at The Villages, so stay tuned!

Tips from the Pro – Scott Steele

Play Smart Golf; 2 Quick Tips...

1. Know when to leave the driver in the bag. Maybe you've heard this tip before, but are you actually putting it to use? The key is to remember that the goal of hitting a drive is not only to maximize your distance, but to put yourself in the best possible position for your next shot. By thinking about each drive in this way you will be able to make much better decisions, reduce the amount of costly mistakes you make, and set yourself up for success more often. Think of holes like #1, #7, #13, #15 where distance off the tee might not be as important as placement.

2. Play golf, not swing. When you're out on the driving range working on improving your swing, focusing on mechanics is exactly what you want to be doing. The problem many golfers have is that they carry this focus over to the golf course where it doesn't do them any good. The moment you step foot onto the tee box your focus should shift away from swing mechanics to playing the game. If you are hitting the ball great you can play the game in a certain way. If your swing is off and you are struggling to hit the ball well you will need to play the game a slightly different way. Trying to perfect or fix your swing while you are out on the course will usually only make things worse.

Remember that golf is a game, and just like any game the players who will get the best results and have the most fun are the ones who play it smart.

Let us know if this tip helps. See you at the course!

What do I do with this?

Do you have an item you want to get rid of but you are not quite sure what to do with it? Often wonder if it should be donated, recycled or thrown away and how or where to do that? Each week we will highlight a particular item and give you suggestions for the best way of recycling or disposal.

If you have any questions about what to do with an item, please call Maintenance Services at 408-223-4670.

Wood – Not part of household recycling (Do not place in garbage or recycling containers)

Although wood is a recyclable product, it should not be placed in your recycle bin for a couple of reasons: Nails, screws or even large splinters can be hazardous to the people at the recycling plant who must handle each piece by hand. Secondly, pieces can obstruct the flow of the bin contents, not allowing the container to empty fully into the truck. Wood should be recycled properly and not placed in the garbage bins.

Bring lumber or wood to the Corporation Yard dumpsters for a fee of \$25 per cubic yard.

Take offsite to a local recycling/landfill facility.

Dealer: South
Vulnerability: None

Bidding: South	West	North	East
1 Spade	2 Hearts*	3 Spades^	Pass
4 NoTrump^^	Pass	5 Hearts	Pass
6 Spades	All Pass		

Contract: 6 Spades by South
Opening Lead: King of Hearts

Dealer has maybe a Spade loser and a Club loser.
Strategy: Take out trumps, play some of the top winners in the minors, then run the Spades and hope the opponents save the wrong suit.

West leads the King of Hearts, South, the Ace, switches to a low Spade to the Ace on the board, continues with the Queen, and then a Spade to the King in his hand. He plays a Club to the Ace on the board, then leads the King of Diamonds, plays a Diamond to the Ace in his hand, and then uses his King of Clubs. He next leads a Spade, continues with two more of them hoping the opponents will sluff the wrong cards. He plays the Queen of Diamonds and leads his last card, a Club, which West wins with the Queen. Great. The contract is made exactly, and West wasn't fooled by South's scheme and kept his Queen of Clubs. By the way, 6 NoTrump could also be made giving North/South 10 more points, but most South players would not bid this due to their singleton Heart.

* Some West players with this hand would pass. While others, seeing that they are non-vulnerable and help their partner in leading, would bid a Heart at the 2 level.

^ North has too many HCP to just bid 2 Spades, jumping to game would be a close out, and that leaves 3 Spades showing support in the suit and the possibility of a game or more.

^^ South has a hand that is better than minimum and thinks a slam is possible. So he uses the Blackwood Convention, 4 NT, to find out how many Aces his partner has. Five Clubs = 0 Aces, 5 D = 1 Ace, 5 H = 2 Aces, 5 S = 3 Aces. He is very happy to hear 5 Hearts showing 2 Aces and bids 6 Spades. There are also some South players missing the Ace and Queen of their trump suit wouldn't even try for a slam and be happy with game and even an overtrick.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

New residents Karin Bogliolo and Judy Rickard spent a week on Easter Island, Rapa Nui, Isla de Pascua in April. They got close to moai, visited the quarry where they were carved, and got to photograph Rapa Nui people in native costumes and performance outfits.

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

Robin Williams was asked one time whether he would rather be a comedian or an actor. His round-about answer boiled down to the idea that "comedian" is what he was, while "actor" is what he did (or also did). He seemed to be saying that he was a comedian by nature; that he could be a comedian without being an actor, but he could not be an actor without being a comedian.

It brought to mind a contestant on "The Voice" who said that early in her high school career she knew that she wanted to be a singer; a year or two later she knew that was all she wanted to be. A few years earlier I had heard a contestant on American Idol (during the Harry Connick, Jr./Jennifer Lopez/Keith Urban era) say that she was either going to be a wealthy performer or a poverty-stricken performer, but that either way, she was going to be a performer. That is what she was born to.

People who reach the top levels in professional sports or the arts aren't only hard workers. They aren't even just "gifted" hard workers. They just are. Many government and business leaders of today were born to poor, ignorant parents—maybe in the inner-city projects or out in the back woods somewhere. Yet here they are as top leaders and role models in society. I like the analogy of the little green sprout that comes up through a crack in the concrete—completely unexpected, but determined to be what it is supposed to be. Along the way, each of us, it seems, regardless of our starting points, becomes what we were born to be.

They're Not Wrinkles, They're LAUGH LINES

A comedian announced recently that he was going to start calling his bathroom the Jim, instead of the John. Then he can tell people "I went to the Jim this morning."

Planning an estate, moving or garage sale?

Residents, or those working on the behalf of residents, are advised to call the Public Safety Administration office at 239-5246 before planning or opening a sale at the Villages. All sales on Villages property are subject to Association Rule 2.02 Residence Use and Occupancy Restrictions.

Homeowner Rule 3.2.10, Estate and Garage Sales states:

3.2.10 Estate and garage sales are permitted subject to the following:

A. A permit for the sale shall be obtained from the Public Safety Office prior to holding the sale and placement of advertising.

Also, effective July 1, 2012, all estate and garage sales in the Association will require a permit. The owner of the property must request the permit from Public Safety Administration in Building C.

The Villages Association Rule 2.02. 5., Residence Use and Occupancy Restrictions applies:

5. Estate and garage sales are permitted subject to the following:

A. Public Safety will not allow entry to anyone who is not authorized by name in advance (Club Rule 1.01, Access to the Villages).

B. All sales activity and sale items must be contained with the residence or garage.

C. Sales maybe held only between 9 a.m. and 4 p.m.

D. Sales period may not exceed two days.

E. Only one sale per resident household per year will be permitted. In the event of the death of a resident of the unit, a subsequent estate sale will be permitted. A permit is required and can be obtained from Public Safety.

F. Residents may not use public media to invite members of the general public to attend estate or garage sales at The Villages.

In this context, "public media" includes the internet, social media such as Facebook and Twitter which will be seen by non-residents, and publications which circulate outside The Villages such as the Evergreen Times and Spotlight. Residents may post activities and notices on Next Door but must use the "Choose Neighbors: The Villages [only]" option.

Note: When placing classified ads for estate or garage sales in The Villager, you will need to attach proof of the permit to your Classified Advertising form.

THANK YOU

Our recent shred and e-waste event was a huge success! Thank you to everyone who attended - all proceeds raised helped us to purchase many toys and pet supplies for Tailchaser Rescue and Sacred Heart, two organizations who are helping those in need in our community!

KEEP YOUR EYE OUT FOR OUR SECOND COMMUNITY EVENT IN 2019!

CONGRATULATIONS!

A big congratulations to Saroj Kapoor, the lucky winner of our raffle at the Spring Bash!

Saroj won dinner for 2 at The Villages Bistro, sponsored by Anita McCullough from EQ1. *Bon appétit!*
