## U.S. Army speaker added for Veterans Day celebration

The Villages Music Society and Veterans Club's 33rd annual celebration of Veterans Day will take place at 2:30 p.m. on Veterans Day, Monday, November 11. It will be held at the LDS Church gymnasium, 4977 San Felipe Road, San Jose CA 95135. In its 33rd year, it is the second largest annual event in San Jose on Veterans Day.

The speaker this year will be Sergeant Major Scott J. Holzerland of the 351st Civil Affairs Command. SGM Holzerland has served at every echelon within the human resources community from company to the U.S. Army Human Resources Command as well as broadening assignments including instructor, recruiter and detailee to the Central Intelligence Agency.

Sgt. Maj. Scott Holzerland

He is currently serving as G1 Sergeant Major providing oversight of human resources support to the 2000 soldiers and family members of the 351st Civil Affairs Command. SGM Holzerland's awards and decorations include the Bronze Star, the Joint Meritorious Service medal, and numerous other medals of merit.

All veterans will be recognized and presented with a rose.

Platform participants include the Village Voices; the Villages Concert Band; the Villages Handbell Ensemble, guest instrumentalists and Sgt KC Armstrong, this year's special musical guest who has just retired from the U.S. Army Chorus in Washington DC. He will be joined by the Village Voices in singing "God Bless the USA." He sang this stirring solo last July 4th with the US Army Band before millions of onlookers on the Washington D.C. Mall as the Blue Angels flew overhead.

A regular duty Marine Color Guard will present the colors and we will also be joined by San Jose Council person Sylvia Arenas and County Supervisor, David Cortese.

## PULSE

Dear Readers:

The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

4 Pulse letters received this week.  
1 Pulse letters not meeting Pulse Letter Guidelines.  
3 Pulse letters published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of all statements.

Fire liability concerns about Villages Solar Electric Power Station.

What liability does The Villages have pertaining to The Villages solar electric commercial power station? When PG&E turns OFF the electric grid, where does the power generated by The Villages solar electric generator go? Does that power stay on the grid and expose The Villages to local fire related lawsuits? If The Villages solar power station starts a fire outside of The Villages what is The Villages liability?

—William Swintek

We live in a world where we ALL make "risk vs. reward" decisions.

For example, do we buy a new car, using dollars from our depleting savings or risk repairs or worry of a break-down?

At the recent Board meeting, the Board, in an overabundance of caution, determined that the risks were too high to permit the AARP Tax-Aid program to continue to use Villages facilities to do tax assistance to lower income Villagers and local community members. The risks the Board considered are improbable, based on the history of the program. For the last 10 years, this program has assisted Villagers and non-Villagers alike. There have been no known problems with security issues from non-Villagers.

This program has assisted over 200 Village households (many more than 200 individuals) and posed little risk to the Villages.

I would urge Villagers to consider these facts and if they agree, to let the Board know that the program is a great outreach to the Villages and outlying communities and should be reinstated.

—Libby Nelson

Once upon a time, many, many, many months ago there was a fire at adjoining condominiums. Soon after the fire a green fence was put up with the unfriendly sign "Construction Zone, All Personnel Keep Out." And a huge rust and graffiti-covered dumpster blocked half of the street, an eyesore that made it difficult for the drivers in the opposite condominiums to enter and exit their garages.

Help! Help! Help!

—Thomas Roy Harney

## Attention Pulse authors!

When you write your Pulse letters, don't forget to:

- Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.
- Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.
- Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.
- Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

**Note:** The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

### ***Notice of Proposed New Association Architectural Rule Security Surveillance Camera's Installation, Maintenance and Removal***

After additional legal and Architectural Committee review, proposed new The Villages Association Architectural Rule *Security Surveillance Camera's Installation, Maintenance and Removal* was conditionally approved by the Association Board of Directors at its October 29, 2019, monthly board meeting. However, before formal approval consideration, the proposed new rule must be noticed and published 30 days as required by California Civil Code 4360. To that end, the proposed new rule will be considered for formal approval at the December 10, 2019, monthly board meeting. The Board will consider oral and written comments regarding the proposed new rule at the December 10, 2019, board meeting. Response to the proposed new rule may be made by one or more of the following methods: 1) Participation in the discussion of the proposed changes at the Association Board of Directors board meeting, and 2) via written comments delivered to the Board through Maria Hernandez in the General Manager's office at mehernandez@the-villages.com .

### **Proposed New AC Rule Security Surveillance Camera's Installation, Maintenance and Removal**

*The purpose of the proposed new rule is to provide a process for the installation of security surveillance camera systems.*

Installation of security surveillance camera systems may be permitted upon compliance with required conditions. The installation requires an Owner Alteration Request and approval of the Architectural Committee.

*(Continued on page 16)*

### ***Notice of Proposed Changes to Club Rule 1.40 Villages Board Recognized Clubs and Organizations***

At the October 29, 2019, Club board meeting, the Board approved to publish for 30-day notice proposed changes to Club Rule 1.40 Villages Board Recognized Clubs and Organizations prior to formal approval consideration at the December 10, 2019, board meeting.

*The purpose of the proposed changes is to provide clarity and direction to clubs, and potential clubs, by listing reasonable requirements for clubs to meet to gain Board Recognized status and listing the benefits of Board Recognition.*

The Board will consider oral and written comments regarding the proposed changes at the November 12, and December 10, 2019, monthly meetings. Response to the proposed rule changes may be made by one or more of the following methods: 1) Participation in the discussion of the changes at the November 12 and December 10 board meetings, 2) via e-mail with comments sent to the General Manager's office at least seven (7) days prior to the meetings (jmeadows@the-villages.com), and 3) via written comments to the General Manager's office delivered at least seven (7) days prior to the meetings.

Note: Because the proposed rule changes required rewriting and reformatting of the current rule, and highlighting specific additions and deletions would make the rule difficult to read, proposed Rule 1.40 as rewritten, is presented for review. You can find current Rule 1.40 in your Club rules document, on The Villages website, or in Building A.

#### **1.40 Villages Board Recognized Clubs**

The Club Board (Board) encourages residents to form resident clubs (club) among themselves to share their interests. The following benefits (1) are available to those clubs which meet the listed required minimum standards (2).

##### **1. Benefits of Board Recognition for a club:**

- B. Fast Lane for announcements
- C. Channel 26 for announcements
- D. Resource Guide listing
- E. Telephone Directory listing
- F. The Villages website listing
- G. New Resident Orientation

##### **2. The Board requires these minimum standards be met by each club:**

- A. The club must not engage in any illegal activity, or violate any rule of the VGCC, Association, or Homeowners Corporation.
- B. The club must be open to all residents who meet membership requirements.
- C. Only residents can be members of clubs. Non-residents may be invited guests of a resident club member at all club activities, subject to any club restrictions on guests. Non-residents cannot vote, be directors, or hold office.
- D. A club must have written operating rules (or Bylaws) which must include these provisions and be approved by a majority of the membership:
  - 1) If the club requires election of directors, the election must be open to all members, and each member must be given an equal opportunity to run for such position. Directors can only be removed by vote of all members.
  - 2) The club must notify all members of all meetings.
  - 3) All meetings must be open to all members unless an executive session is required for reasonable purposes as specified in the operating rules.
- E. The club must have at least 20 active members attending a minimum of 80 percent of the clubs functions because of the high demand on our limited facilities.
- F. The club must register annually with VGCC Community Services in Building B with a written list of their current officers and directors (if any), and the names and addresses of every current active member.
- G. No club, nor any club member, shall by any means whatsoever invite the general public to any club activity.
- H. Clubs may not obtain bids or estimates from contractors for suggested changes to Club facilities.

**3. The club must be fair and reasonable in all matters. Clubs are prohibited from political opinions or endorsements with the exception of the partisan political clubs' political activity within their own club. If the Board determines the club has not acted fairly or reasonably in any particular matter or has not complied with any section of this Rule, the Board may revoke its Board recognition status and cancel all benefits.**

**4. To receive Board recognition as a club, submit an application to the Community Activities Office with a list of members and addresses, proposed operating rules or Bylaws and expected facility use. A set of model Bylaws is available in the Community Activities Office.**

## Community meeting on County's New Voting System

Please plan on attending a meeting on Santa Clara County's new voting system on **Thursday, November 14**, from 3:30 to 5 p.m. in the Cribari Auditorium. This event is hosted by Supervisor Dave Cortese, the Santa Clara Registrar of Voters Office, and Senior Academy.

Supervisor Cortese and the Registrar of Voters will provide valuable information on how the county is modernizing voting and providing voters with greater flexibility and convenience after the passage of the Voter's Choice Act in 2016.

Beginning with the March 3, 2020 Presidential Primary Election, voters in Santa Clara County will choose where, when and how to vote. This new change will bring enhanced voter assistance, new equipment, and more days to vote. Attend the presentation to learn more about how these changes will be implemented, how you will be able to vote in the next election, and what you can do to get your voice heard. Refreshments will be served.

**Correction:** Last week's *Villager* erroneously listed the day of this event as Monday—it is **Thursday, November 14**, as noted in the above article.

## WHAT I LOVE ABOUT THE VILLAGES

My wife Madelaine and I attended the Piano Open Studio Silver Anniversary Concert on November 3. While I was sitting there listening to the beautiful music coming from the pianos and from an accordion, I thought how blessed we are to live in The Villages with such talented people. I am sure those performing at the concert that day had practiced many hours just to give us, the attendees, a memorable and joyful experience through the sound of their music. Madelaine and I have been to many Piano Club concerts here at The Villages, and we are always impressed by them. Being a stage actor myself, I know how hard it is, even with practice, to be in front of a group of people and perform for them. And they do it gratis, for just the applause. The Piano Club concerts are just another reason Madelaine and I enjoy living in the Villages.

## **(SRS) SENIOR RESOURCE SERVICES**

### *Long-term insurance costs continue to rise*

Long-term care insurers have been imposing significant rate increases for nearly a decade now, and the rate increases continue.

The problem has the attention of the insurance regulators in each state, who must approve premium increases. The regulator's national group has created a task force to address the issue, although it is doubtful the effort will provide much relief.

The chairman of the task force reminded consumers there is an inherent tension as a regulator. You want to protect consumers against rate hikes, but you also want to make sure the insurance carriers remain solvent and able to pay future claims.

Why are premiums swelling so much? There are several factors, but two of the more serious problems involve the predictions insurers made about two decades ago. 1) Insurance carriers underestimated how long policyholders would live, and 2) they overestimated the number of people who would drop their policies, which would mean insurers would not have to pay claims.

What should you do if you receive a large increase in premiums? A recent Wall Street Journal article had the following suggestions. If you can afford the increased premium, it may make sense to pay the higher rate. Buying a similar policy would likely cost far more now and you may no longer be considered insurable.

If you are uncomfortable absorbing the full increase, look at continuing the policy but reducing the benefits. If your policy pays benefits for more than five years, consider shaving the length of time the policy pays, statistically few people need coverage for that long. Most people will only need assistance for less than two years.

Alternatively, you could reduce the inflation rate of the increase in daily benefits. Or, if that is not enough, freeze the daily benefit amount.

If you simply cannot afford to pay any longer, you might not have to walk away with nothing. You may be able to convert your old policy to a new one that is worth the amount of premiums you already paid.

Your insurer might have given you several options with your invoice. Don't be shy about calling and asking if there are other options and suggesting some of the above.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.*

### *Food & Beverage Committee meetings suspended*

For the foreseeable future, the Food and Beverage Committee is suspending its meetings.

### *It's that time again!*

As we get ready for the fall and winter seasons, let's not forget to check our smoke alarms, carbon monoxide detectors and furnace filters.

First, test the alarms to make sure they are in working order. If in doubt, replace them with new alarms. Second, replace all existing batteries with new ones. The exception to this is if you have just installed an alarm that uses a lithium (8-10 years) battery. Third, change the filter in your heater, it will give you cleaner air and help extend the life of your heater.

Remember, the time it takes to check your alarms and furnace filters and keep them in working order could save your life.

### **SRS Alert:**

### *Warning about PG&E program*

Last week's article was about PG&E's Energy Savings Assistance Program. This is an excellent program for low income people. We have been told by several Villagers that a contractor is assuring them that the only qualification for the program is to be on social security. This is not true. You must meet a total income pre-taxed limit of \$33,820 or less. Income for qualifying includes all sources of income – interest, dividends, social security, pensions. Do not sign an application stating that social security is your only source of income unless it is a true statement.

## Lock box placed on light and fan switches in Fitness Center

The Fitness Center is a popular amenity with more than 47,000 user accesses annually. The facility is a temperature-controlled environment. Many Fitness Center users have taken it upon themselves to adjust the fans for personal comfort. This resulted in some users being too warm and some users being too cool. Sometimes the television on and off switches were mistaken for the fan controls or turned off due to personal television broadcasting preferences. After many, many complaints, management determined the controls needed to be put under lock and key. Since the lock box has been installed the fan speeds have held steady at medium speed and the televisions have not been accidentally turned off.

## Walking for Health & Balance

People who are inactive in general have a higher incidence of falling and chronic health problems. Researchers suggest that sitting for long periods of time is equivalent to smoking a pack of cigarettes a day. This class helps restore confidence and develops the renewed standing and walking skills needed to move safely. Chair Fitness is also offered: Don't let your health conditions, cane or walker stop you! Talk to your doctor and join the class. Whether you use a walker or wheelchair, need post-surgery re-habilitation or just want to get some good exercise, this class is for you. The first class is *free!* Start any time! Register in class! The cost is \$90 for a class card, issued and punched in class. This ongoing class is held **Tuesdays 11:30 a.m.** and **Thursdays 10 a.m.** in **Cribari Auditorium**. ## November Art Film Double Feature: *Arcimboldo* & *Grandma Moses*

By Pam Oliver Lyons

On Tuesday, November 12 at 7 p.m. in the Vineyard Center, the Villages Arts and Crafts Association will present “Arcimboldo: Nature & Fantasy” (2010), produced by the National Gallery of Art. This will be followed by “Grandma Moses” (1950) from The Museum of Modern Art Library. With the first, we conclude our 2019 art film year and with the second we give a glimpse into our upcoming 2020 American Artist series.

Both of these artists have a hint of the festive in their work. High Renaissance painter Giuseppe Arcimboldo was a favorite of Hapsburg and Holy Roman Empire rulers Maximilian II and Rudolph III. Arcimboldo poked fun at these high court subjects in his allegorical portraits. Each showed scientifically accurate foods, botanicals, animals, tools and insignia assembled into each person’s likeness. He was wildly popular for 35 years until his death and then forgotten. In the 1920s he was rediscovered. Picasso and Salvador Dali were influenced by Arcimboldo’s work. In 2011, the Louvre reported his exhibit received the most visitors.

American Primitive painter Grandma Moses speaks for herself, in this one of a kind recorded interview. Anna May Robertson Moses began painting at the age of 78 because her arthritis prevented her from doing farm chores. She painted 1,500 canvasses showing loving scenes of rural farm life.

At the start of your holiday season, we hope Arcimboldo will give you a chuckle and Grandma Moses a smile.

## Democratic Club to meet next Friday

The next meeting of the Villages Democratic Club is on Friday, November 15 at 6 p.m. in the Vineyard Center. Yes, we are meeting on a Friday! Scheduling issues have meant a change from our usual Wednesday meeting time. Please mark your diary for the next meeting to meet and hear from Ann Ravel. As Director of Maplight’s Digital Deception project, she is a leading light in the development and promotion of policies that tackle online disinformation in politics.

Ann brings a wealth of experience to this project. She was appointed by California Governor Jerry Brown in February 2011 to serve as the Chair of the California Fair Political Practices Commission (FPPC) where she sought to leverage technology to “enhance efficiency, improve governance and repair the relationship between the public and their government.”

As Chair she pursued a year-long investigation into the methods used by anonymous donors to influence political campaign. Ravel was appointed by President Obama to the Federal Election Commission (FEC) in 2013, and became Vice Chair in 2014 and Chair in 2015.

In May 2015, Ravel told the New York Times that it is “unlikely that the FEC will be able to regulate the coming 2016 presidential election.”

We are fortunate indeed that Ann is a local native and will be in The Villages sharing her views on how we, as citizens, can fight to take back the control of our government - to minimize the impact of money in our system.

This event is sponsored by The Villages Democratic Club and is open to all Villagers and guests.

## Villages Technology Explorers to meet November 18

The second Villages Technology Explorers (VTE) meeting will be held **Monday, November 18 at 1:30 p.m. in Vineyard Center.** It will take a deeper dive into ways we can guard our privacy and stay safe online.

It can seem like a losing battle. We continue to hear of new ways commercial firms, advertisers, governments, criminals and assorted other players have discovered to put our financial and personal data at risk. But taking risks is part of life. Driving is risky, eating is risky, drinking is risky. But sensible people take reasonable precautions to minimize their risks.

**Tools For Minimizing Risks Online**—There is good news for those who want to limit the dangers while continuing to reap the enormous rewards on life online. Our second meeting will focus on how to use some of the tools computer scientists are developing to keep us safe. These tools include: Password managers, Virtual Private Networks, New privacy and security features of the latest mobile operating systems, encrypted data.

Mark your calendars. For more information, contact Michael Clurman at mclurman@msn.com or 978-415-9116.

The authorities are desperate to find the doctor who has vanished. One month later, the serenity of a sunny Sunday afternoon is shattered by the boom of two ground-shaking blasts in one of Atlanta’s busiest neighborhoods. Medical examiner Sara Linton and her partner, Will Trent, an investigator with the Georgia Bureau of Investigation, rush to the scene, and into the heart of a deadly conspiracy that threatens to destroy thousands of innocent lives. ## ‘Tis the season...for watercolor!

Stunning Fall colors, pristine winter landscapes...there’s no finer time of the year than now to capture all this beauty in Watercolor! Ciel Duke will be leading you through (at least) four watercolor landscapes that capture the essence of both fall and winter. “Since watercolor has the ability to translate scenic beauty into fresh, spontaneous, sparkling paintings, I find that these two seasons offer a wonderful opportunity to capture it all on paper,” Ciel said, “...and add to that the possibility of gifting that special person on your holiday gift list with one of your very own paintings, or even reproducing your art for your holiday cards...it’s perfect!”

Classes are Monday mornings, November 18, 25, December 2, 9 from 10 a.m. to 12:30 p.m. in the Art Room. The cost is \$75 with all materials included. Participants need to have some experience in using watercolor, as this is not a beginning watercolor class. Ciel’s classes fill up quickly, so don’t delay!

Class fees are \$75 for members; \$80 for non-members; \$75 plus \$10 to VACA for non-resident guests. All materials are furnished. Register at [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com) as soon as possible.

## SIR 38: Personal computing—then, now, and in the future

By Al Lumas

During the SIR 38 luncheon in the Fairway Room at the Villages Clubhouse on Tuesday, November 19, Bill Pomerantz, a Villages resident, will speak about the evolution and future of personal computing and its impact on our daily lives. Non-SIR members wishing to attend the presentation should arrive at the Clubhouse at 12:30 p.m.

The way we live today has changed significantly due to the development and availability of Personal Computing and really smart cell phones, new applications and features that are being released every day. In this talk Mr. Pomerantz will take us through the history, the items that are changing our lifestyles today, and a guess as to what’s next. Those of us who live in The Villages grew up in a totally different time. We had a Sears catalog. We made our calls on a dial telephone. We wrote our letters on paper in cursive.

Mr. Pomerantz is a retired aerospace executive who has followed the advancement of technology for many years. He has 45 years’ experience in the organization, business development, marketing, project finance, international negotiation and management of high technology products at increasingly senior levels.

## Save the Date: Republican Club’s Holiday Party

Please save the date for The Republican Club Holiday Party on December 4 at 5 p.m.

We will gather in the Fairway room for special appetizers, champagne and a no host bar. Bring a friend, a children’s book and enjoy the entertainment.

## Library volunteers needed

The Villages Library needs new volunteers to keep the library open to accommodate all the villagers who enjoy coming every day. You do not have to have past library experience. All you need is free time and we will give you appropriate hands-on training. You have to be physically able to work as there is reshelving required. There is a small amount of walking and lifting. We ask that you be available a minimum of two hours a month to work.

If you are interested, please contact Jim Beyer at [jimb390@comcast.net](mailto:jimb390@comcast.net) or 408-645-0876. You can also come into the library and leave your name and phone number.

## Grateful Garment Project needs toiletry donations

By Gayle Kludt

As a member of the San Jose Host East Valley Lions Club, I collect the eyeglasses, cell phones and hearing aids each month from the VMA. In the last two years, working with the VMA, local churches and other community groups, we have collected and distributed over 10,000 items to Lions in Sight, local veterans’ groups and domestic violence abatement programs. This year we have added the Grateful Garment Project to our service partners. The group works with victims of sexual assault, providing them with new clothing after their medical screenings as their clothing is used for DNA testing. They have asked if we can secure the small bottles of shampoo, conditioner, lotion, plus soap, toothbrushes and paste that are given to guests at hotels. Items should be new and unopened. They can be used by the assault victims to shower and clean up after their screenings are completed. If you have such items, you may call me at 408-531-1063 and arrange for delivery/pickup of these items. With holiday travel coming up, we would certainly appreciate you saving these items for the Grateful Garment Project. Thanks for your help.

**EVF Focus...**

*(Continued from page 12)*

Our Masters of Ceremony were Maxine Amundsen, Larry Martinson, Leo Ruth and Diana Hallock with music donated by Ed Knott. Our Keystone Kops were Jack McCarty, Noel Lanctot, and Hal Hallock. Of course, donations from John Yu of our Food and Beverage Department and Scott Steele from the Pro Shop delighted all our raffle winners!

While the end result was a great party and lots of fun, the purpose was to raise money for Pickleball. Pickleball courts mean more of our residents will be up, out, and active. EVF is proud to partner with many Villages organizations to enhance the facilities we all enjoy. For more information about EVF, go to [www.evfsj.org](http://www.evfsj.org). More party photos will be posted on the Pickleball webpage soon at [www.villagespickleball.org](http://www.villagespickleball.org). Thanks all for a great event!

Following Shabbat Evening services with the Villages Jewish Group, she will share a slideshow about her trip as well as background about this very unique Jewish community in Africa. Following the program we will have our usual Oneg Shabbat celebration.

All Villagers are welcome. In addition, one of the Jewish Group's goals is to support our San Jose community in its help with the needy. ## COMMUNITY CHAPEL

### What you do counts

By Pastor Bill Hayden

*What have you done with what I have given you?* The thought occurred to me that we have all been given gifts or talents in life to make this world a better place.

Some time ago, I met a mother and child at the market and the child was enjoying a piece of candy and I asked if I could have a bite. He looked at me and shook his head, while turning away from me. His mother tried to encourage him to share, knowing that I was kidding and looking for a response from her child. Yes, I know that we are living in a different age when children are being abducted but "the grandpa" kicks in every now and then and I cross that threshold. When you love families you want to add a little joy into their lives. So, I take the risk of being rejected and misunderstood by a few so, for the majority, it is a welcomed interaction with adult and child.

It's all too easy to walk through life with blinkers on and indifference in your heart concerning people. I asked myself, why does it have to be this way? Well, it really doesn't have to be that way, if we would only put ourselves in that person's shoes. If we would humbly walk with eyes wide open, we would see and hear the depth of others loneliness and sadness.

Take it upon yourself to be the first person to bring a little value and worth into another person's life. How much will it cost you? Five seconds to make a difference. Living in a caring and close-knit community makes it easier to reach the hearts of others who desire love, acceptance, and forgiveness.

Let each day remind you of the great opportunity and privilege we have been given to make this world a little brighter. Regardless of your abilities or inabilities, you can make a big difference in a person's life. Will you help me to make a difference with the opportunities that we have been given?

*"A man's heart plans his course, but the Lord determines his steps."* Proverbs 16:9 NLT

Please join us at the Villages Community Chapel in the Cribari Auditorium each Sunday from 10 a.m. to 11 a.m. The chapel is a place for Needs to be Met, Faith to be Affirmed and People to Love. We would love to meet you. If you would like to make an appointment with Pastor Bill call the office at 408-238-3079 9 a.m. to 3 p.m. Monday thru Wednesday. To learn more about the Villages Community Chapel visit our website at [villagescommunitychapel.org](http://villagescommunitychapel.org). You can hear previous and current Sunday Sermons.

## SHONIS

Teddy Morse

Kacy Walden

### By Tom Zades

By our 9:30 tee off time on Tuesday, October 29, the sun was shining, the wind was still, the air was warming, and 17 Shonis and one qualifier enjoyed a round of golf on the beautiful Villages Short 9 course. We welcomed our newest Shoni, Deborah Edwards, and were pleased to have qualifier Barb Sunseri with us. Barb has played four games, including today's round. Her fifth game will be free, if she pays her dues, and she'll be a Shoni!

At the pre-game Halloween breakfast, the ladies, whether in costume or not, were glad to be socializing indoors while the weather warmed up. In the costume contest portion of the breakfast: First place went to Teddy Morse as a wacky, wavy blue Air Person (see photo). Second place went to Kacy Walden, the all black Headless Pumpkin Head, also pictured. Honorable mentions went to butterfly Kathy Tanaka and a devilish Vivian Wilczak.

There must be something special about hole #2. Last week there were two birdies on that hole: Lorrie Scott and Sally Nichols. Today hole #2 was the scene of two more birdies: Kathy Tanaka and Tricia Hardt. Bonnie Evans had a birdie on hole #5, and Julianna Wahlgren had a nice chip-in on hole #8. Butterfly Kathy was "on another planet" today with her net 18, 7 strokes ahead of the next best net score of 25 (Kacy Walden.)

Upcoming events include: Turkey Shoot November 19, where the low net scorer, using just two clubs and a putter, will receive a \$25 gift card towards purchase of their Thanksgiving bird; and the holiday party and installation of officers, December 10. The new winter schedule went into effect November 5: Sign-ups between 9:30 and 10:15 a.m. and tee off at 10:30.

For practice days and times on the Par 3 course contact Bonnie Evans (bhe52371@yahoo.com) or Teddy Morse (theodoramorse@outlook.com). Some of our Shonis are interested in practice rounds on the Long 9. Contact Barbara Karayn or Tricia Hardt if you'd like to try the long course for a change of pace.

**Chip shot:** A young unaccompanied guest was paired with a long-time Villager. At one point, the youngster finds his ball behind a pine tree, blocking his access to the green. The Villager tells him "When I was your age I'd hit that ball right over the tree." Accepting the challenge, the young man hits the ball right into the tree. The Villager then says "Of course, when I was your age, that tree was only three feet tall."

## Winter Golf Course Walking Schedule

Here are the days and times that walkers may enjoy walking on the golf course this winter:

Mondays until 11:30 a.m. and after 5 p.m.

Tuesdays until 8:30 a.m. and after 5 p.m.

Wednesdays until 6:30 a.m. and after 5 p.m.

Thursdays until 8 a.m. and after 5 p.m.

Fridays-Sundays until 6:30 a.m. and after 5 p.m.

Walkers please enter/exit the golf course at the above-mentioned times. Please be safe. We appreciate your cooperation!

## SWINGERS

### By Marcy Boyles

A lot of ladies turned out for our annual Halloween Breakfast and Tourney. Thanks to Wendy Ledamun and her crew for delicious casserole breakfast. You outdid yourselves. The first place winner of the Costume Contest was Christine Zinn in an amazing homemade golf cart that actually beeped when she backed up. Coming in second, and not to be outdone, was Cynie Jackson in a Hershey's Chocolate outfit complete with bribing Allen, the judge, with chocolate. Format was using an orange ball provided by Scott. If lost, add 2 strokes. Ouch. Must have used orange ball score and one other low score. See the results on the Scoreboard page. Shout out to Karen Carlson with a chip-in on 2. Ended with a 6. Very hard to do. No birdies reported.

### Halloween Tournament Results

#### Front 9 Flight:

1. Murphy /Curyea/Pierson/Reed 74

## TABLE TENNIS

### Tournament time!

#### By Tony Berg

In the summer the responsibility for the table management in the Montgomery Multipurpose Room was taken over by the maintenance staff leaving dedicated time for Club members to enjoy using them rather than setting them up and putting them away.

This new regime is working well and is much appreciated by Club members.

Don't forget our fall Tournament on Saturday November 16 starting at 10 a.m.

This is a Tournament welcoming all skill levels and, whilst competitive, is also a social and fun event for our members.

Please be sure to sign up on the list in the MMR to help us plan for light refreshments for all participants and supporters.

For practice, the playing times are, as usual, in the Montgomery Multipurpose Room:

Wednesdays, Thursdays & Fridays: 1 p.m. to 10 p.m.

Saturdays & Sundays: 9 a.m. to 10 p.m.

(Wednesday 3 p.m. to 5 p.m. for newbies and social Ping Pong players.)

# PINSEEKERS

By Jack Bindon

Some scores were a bit higher this week but not all. We have a new player and a new first place winner.

First place, with a fine net 33, Greg Stewart. Good score, Greg!

Second place with a nearly as good a score was Bob Iacopi with a net 34.

Third place we had Mr. Consistency Martin Hoek net 36.

Fourth place we had a tie between Don Lee and Frank Garcia, both with net 37.

Bragging rights for low gross goes to our first place winner Greg Stewart for his 45.

Keep an eye on this guy, I think you will be seeing his name fairly frequently in the win column.

The temperatures are running a bit cooler now so bundle up, guys. It sure was a short summer!

# TENNIS TALK

By Roy Pennington

The origin of tennis scoring is uncertain, and several theories exist. One dates back to medieval France where it is thought that the clock face was used to keep score on the court with a quarter move of the minute hand indicating scores of 15, 30, and 45. When the hand was moved to 60 the game would be over. However, to ensure that a game would not be won by a difference of a single point between the players, the idea of "deuce" was introduced to keep the scoring within the 60 minutes of the clock. Furthermore, a score of 40 was adopted instead of 45. If both players had 40, the first player to score would receive another 10 points, and the clock hand would move to 50. If that player scored again the clock was moved to 60 and the game ended. If a player failed to score two consecutive times the clock would move back to 40 and establish another deuce, and the game continued. This sounds very plausible, but the first reference of this method of tennis scoring dates to the 15th century. However, it was not until 1690 that clocks had minute hands so this theory of tennis scoring raises some doubts. Regardless of the origin, the scoring system gives all of us an excuse for not knowing the score. Some blame it on our memories—No way.

**Your Tennis Partners**—Who is that lady racing from one corner of the tennis court to another and then back again? Yes, it seems exhausting for all of us to watch but apparently not for her as she continually chases down balls and deftly sends them back across the net. Of course, before taking the court she has unloaded food and coolers of liquid refreshments, set the line-ups for league matches, and then she will post the scores afterwards. She serves on numerous committees and performs countless other tasks. You have already guessed that this lady is Akiko. With a smile and greeting for all, Akiko Giordono makes everyone feel welcome and special. Researching the name Akiko reveals that it means sparkle, bright, or peaceful. Funny how some things just work out as Akiko is aptly named.

## Halloween Tournament

By Nancy Keane

What a glorious Halloween day for our tournament on October 31! It was freezing when we started but by mid-morning, the sun was shining and it was warm. Many ladies turned out with their Halloween costumes and carts decorated for the occasion. Karen Harseny and Patti Bell did a wonderful job with planning a fun day of golf with witches, cats, ghosts and pumpkins all over the place. It was good to have our Patti Hayes at lunch today to tell us a joke.

Judy Rodriguez thanked everyone for the great support in the cancer tournament. We raised about \$12,000 for the Cancer Foundation.

The winners of the golf tournament were reported in three flights:

Flight Three Winners: Linda Schlageter, Barbara Swiontek, Gloria Landry, and Alice Affourtit

Flight Two Winners: Nancy Keane, Judy Owens, Jay Lee, and Gwen Bindon

Flight One Winners: Lyn Strong, Janis LeCompte, Sue Daughtrey, and Janelle Salvatierra

The list of women who made Birdies today is quite lengthy: Helen Varenkamp #15, Monica Saneholtz #16, Lyn Strong #13, Jungwha Kim #15, Sachiko Coleman #11, Ann Crews #11, Auralie Citrigno #15, Colette Johanson #3, Janet Gonzales #3, Jan Kiernan #11, Julie Henig #18, Brigid Moreton #15, Janelle Salvatierra #1, #12 and an eagle on #18.

Ladies with chip-ins: Lyn Strong #1, #2 and #13; Nancy Miller #12; Geri Wilk #16; Linda Schlageter #10 and Colette Johanson #14.

## FROM THE PRO

By Scott Steele, PGA Head Golf Professional

**New Driving Range Targets for your enjoyment!** We have installed six new Bullseye Target signs...two each at 25 yards, 50 yards and 75 yards. These are great *visual* targets that provide *audio* feedback as well when hit. Add fun to your practice session and work on those all-important scoring clubs!

**Winter Golf Schedule**—Now that DST has ended, we are following our Winter Schedule. What does this mean?

On Mondays the Open Shotgun will move to 12 p.m.

On Mondays the Driving Range will close at 2 p.m.

You will need to check the status of carts on the golf course via the Flag System at the range or by calling the Daily Maintenance Hotline at 408-223-4663.

The first tee time of the day will be later depending on the Sunrise time. Twilight Rates will start at 2 p.m. instead of 3 p.m. Sunset will be earlier at 5-6 p.m. Please plan accordingly.

**Let's all help to grow the game of golf!** Do you have any old golf clubs in your garage or storage unit that you do not use anymore? If so, I'd like to ask for your help...We are trying to get new golfers into the game at The Villages and equipment is one of the obstacles. My goal is to have a large stock of used golf clubs for men and women that our new golfers can use when they go play or practice—and you can help! So if you are interested in getting rid of those old clubs that are taking up space and gathering dust, let the Pro Shop know and please bring them in...we will re-purpose them in a positive way and you will know that you made a valuable impact toward bringing new golfers into this wonderful game we all love.

**Fall Aeration**—Fairway aeration on the long course and the Par-3 course is complete.

**Due to fairway aeration...until further notice, you may play "Lift, clean and place in the fairways, defined as 6-inch free relief, no nearer the hole."** We have started fairway & rough inter-seeding with Rye Grass and should finish within the next 10 days.

**Tips from the Pro – Scott Steele**

**Course management...if you're going to lay up, then lay up!**

As I drive around The Villages golf course on holes #9 and #18, I see countless members hit their ball into the creeks in front of these two greens. It's tough to watch as I know if the golfer had just strategized a bit more and had layed up 10 yards short of the creek, they would have most likely saved two strokes on that hole. Course management involves taking a few more seconds during your pre-shot routine to make sure the shot you're playing is the right shot for the circumstance. Don't take laying up for granted...a layup should be strategized just as any other shot should. When laying up on holes #9 & #18, try these tips and they should help...First you have to know how far you hit your clubs. Secondly, know how far it is to the creek. Thirdly, take into account that both #9 & #18 are downhill so the ball will roll more than usual. And lastly, chose the appropriate club that will stop ten yards short of the creek. Don't push it any closer than that as if you do your ball will most likely find the water. This course management will save you strokes next time you play these two holes, I guarantee it! Sometimes being conservative saves strokes. Let us know if these tips help.

Flight One Winners: (left to right) Lyn Strong, Janis LeCompte, Sue Daughtrey, and Janelle Salvatierra.

## PICKLEBALL

A great time at the Pickleball Prohibition Speakeasy & Casino Night!

By Linda Eige

The Villages Cotton Club(house) was packed on Halloween night with 1920s glamour. Flappers, stars and gangsters danced the night away. Bankrolls were cashed in for chips at "Pickle's Place" and there were rumors of bootleg cocktails.

A great time was had by all at the Pickleball Prohibition Speakeasy & Casino Night, organized with the joint efforts of the Villages Pickleball Club and the Evergreen Village Foundation. An event of this size requires many hours of planning and many volunteers. A huge thank you to all that made this successful fundraiser happen!

Our pickleball club is a supportive and inclusive group. Come join us. We play on tennis courts 5 and 6, the smaller pickleball courts that are marked with yellow tape. The wonderful Mike Walias volunteers his expertise every Wednesday and Friday from 1 to 1:30 p.m. to introduce and instruct new players on the basics of the game. No need to sign up, just show up! Wear comfortable clothes and court shoes.

Dealer: East  
Vulnerability: None

Bidding: East	South	West	North
1 Diamond	1 Heart	1 Spade	Hearts
Pass	4 Hearts	All Pass	

Contract: 4 Hearts by South  
Opening Lead: 5 of Diamonds

Dealer has 1 Spade loser, maybe 2 Heart losers, and 1 in Diamonds.

Strategy: Take out the trumps and play the Clubs.

West leads the 5 of Diamonds, King from the board, East, the Ace, switches to the King of Spades, then the Jack, and South trumps. He plays a low Club to the Queen on the board, next leads a Heart, East ducks, South, the King, continues with a Heart, and East wins with the Ace. He leads a Diamond, South takes the trick with the Queen on the board, plays a Club, and precedes to run the Clubs. After that his last two cards are trumps and that is the same number the board has, and claims. Great! The contact is made exactly. Some North players might just bid 2 Hearts due to the HCP, but North does have 4 Hearts and 2 honors in South's first bid suit.

# WHERE IN THE WORLD IS THE VILLAGER?

**Here's how it works:** Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). We'll publish your smiling face with your favorite local paper for all to see.

Ray Tedesco and wife, Arlyn, recently moved to the Villages and just love it. Arlyn surprised Ray with a 10-day trip as a way to put his recent surgeries to rest. She thought a few days at a beach hotel in Thailand would do wonders for the patient. Ray is shown on the beach and at Pattaya's largest restaurant—an Italian place that seats 700. He was the guest of the owner and chef Luca. Ray walked a total of 41 miles the first week and never felt better. (Pattaya is a city on Thailand's eastern Gulf coast known for its beaches.)

## Public Safety Tips to Avoid Scams

Many scams are aimed at senior citizens, and the reasons are obvious. Senior citizens are, in general, more trusting than younger persons; often live alone; and often have cash on hand, or other assets that can easily be converted into cash. While senior citizens make up approximately 12 percent of the population, they account for approximately 33 percent of all fraud victims. There are a few key things that you can do to avoid being a victim of a scam:

1. Let common sense be your guide. Do not let greed influence your decision-making process. Sleep on it. There is no need to rush into a decision. A reputable offer will wait (fraudulent offers won't).
2. Remember, there are very few things in this world that are free. So beware of any offer that says it is free.
3. Look out for "You Have Won" solicitations. These are common practices to lure you in. You cannot win a contest that you did not enter.
4. Seek the opinion of others. Have someone review the offer with you. Reputable offers will withstand the scrutiny of others.
5. Keep your vital information to yourself. Be very wary of anyone asking for your date of birth, Social Security number, credit card numbers, or PIN (personal identification number).
6. Some scams target your emotions, supposedly coming from a friend or family member in trouble. Think rationally before you make a snap decision based on emotion.

Also, be very wary of products or services that have a delayed delivery. The dishonest con artist could be in another state by the time the promised delivery date arrives.

## Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: [tomzades@gmail.com](mailto:tomzades@gmail.com))

I guess I was a word nerd long before I knew it. I remember, for example, how amused and/or amazed I was about some of the "words" and terms I was hearing during my Army stint back in the early '60s. I may have written elsewhere about the "word" "onliest." I never saw it spelled but it derives from the word "only." It would be similar to the word "best" becoming "bestest." My favorite context was the young soldier staggering down the hall in the barracks saying that the bartender told him he was the onliest man to ever drink an "octopus" and an "old tennis shoe" in one night and still be able to walk.

One of the phrases I never forgot was "Get you a good Airborne holt to it." He was telling us to get a good grip on something. We were all "Airborne" (having completed jump school) and were supposed to believe that if something was "Airborne," it was better than anything else. In this case, the strength of our grip was better than anyone else's grip. The phrase popped out of my mouth just recently, quite of its own volition, it seemed, when Sandy asked me to do something that she didn't have the strength for. As I took over, I told her "You got to get you a good Airborne holt to it!" I was stunned that the phrase was still lurking in my brain somewhere waiting to come out when least expected.

Other words and phrases I picked up along the way may or may not be appropriate for *The Villager*. We shall see.

# OBITUARY

## Celebrating the Life of Raymond Townsend Sr. July 10, 1939 – October 22, 2019

Born in Apollo, Pennsylvania to Howard and Jean Townsend.

Faithfully married to Virginia Townsend for 48 years. Father to his beloved children: Raymond Jr., Kurtis, Michelle, Patrice, Wendy, and adopted daughter Samiah Brock. Cherished grandfather to fourteen grandchildren and great-grandfather to ten beautiful babies.

Ray dedicated his life to teaching and inspiring through coaching. His life's passion was rooted in his love for sports. It was quite clear, whether he was on the baseball field or in the gym, Ray was destined to be a coach. He mentored countless athletes including his children and grandchildren. His honest feedback and high expectations made him someone everyone respected. He brought the best out of every single person he was around, and he will be greatly missed on and off the court.

Memorial service already held.
