## Villages General Manager Tim Sutherland receives 2020 Vision Award

The California Association of Community Managers (CACM) honored nominees and winners of the 2020 Vision Awards at a special award program held Thursday, February 6, during the Northern California Law Seminar and Expo—where General Manager Tim Sutherland received the Vision Award for Educational Excellence.

The Educational Excellence Award recognizes managers for their integrity, reliability and the ability to interface with managers, service providers and other industry professionals.

As reported in CACM's press release, the Vision Awards are the highest distinction bestowed upon California community managers. The awards identify those who exemplify the very best in the profession of community management; honors their contributions to the profession; and recognizes the positive difference they make in the lives of their colleagues, homeowners and the communities they serve. Nominees included community managers, management companies and industry partners who exceed the highest standards of professionalism and skill, display a commitment to excellence and exhibit high ethical standards. This year was the largest pool of nominees the association received since its inception, making Tim's award that much more significant.

Many congratulations to Tim! (See page 13 for more pictures.)

## See 'Book of Mormon' at Golden Gate Theatre!

"The Book of Mormon" is returning to San Francisco at the Golden Gate Theatre. This outing will be on Saturday, April 4 with a 2 p.m. matinee. Please arrive at 11:15 a.m. at the Cribari Patio Room to get your tickets. Departure from the Villages east parking lot at Cribari Center will be at 11:30 a.m. The cost for this outing is only \$223 per person. The cost includes theatre, transportation and dinner at Pompei's Grotto. Register in the Community Resource Center, Building B. Dinner choices are Chicken Parmesan, Filet of Sole, Dungeness Crab Louie Salad or Pasta Angelina. Your dinner includes cup of New England Clam Chowder or Mixed Green Salad, glass of wine or pint of beer, coffee/tea/soda and incredible dessert.

The Book of Mormon follows two young missionaries who are sent to Uganda to try to convert citizens to the Mormon religion. One missionary, Elder Price, is an enthusiastic go-getter with a strong dedication to his faith, while his partner, Elder Cunningham, is a socially awkward but well-meaning nerd whose tendency to embellish the truth soon lands him in trouble. Upon their arrival in Africa, Elders Price and Cunningham learn that in a society plagued by AIDS, poverty and violence, a successful mission may not be as easy as they expected.

Composed by South Park creators Trey Parker and Matt Stone and Avenue Q's Robert Lopez, "The Book Of Mormon" is an old-style musical with a modern sensibility. This blockbuster show features several big song-and-dance numbers accompanied by some old-fashioned Broadway belting. An equal opportunity offender, the show playfully pokes fun at religion, sexuality, poverty and race, while inspiring an after-the-show discussion of religion in general.

## Astrid Morales to join Violinist Gabriel Maffuz-Anker

Violinist Gabriel Maffuz-Anker will present a concert this Saturday, February 15 in Cribari Auditorium at 2:30 p.m. Newly added to the concert is accompanist Astrid Morales, the brilliant Mexican pianist whose January concert received such rave reviews. She is a great bonus and all who heard her last month will be thrilled to hear her again. Featured works are Bach Partita No 1 BWV 1002 and the Tchaikovsky Concerto (for violin and piano) op 35.

Gabriel was born in San Juan, Puerto Rico and raised in Houston. He is an avid orchestral, chamber, and solo interpreter of various styles and genres. He graduated from Rice University's Shepherd School of Music earning a Bachelor's in Violin Performance with Distinction. In recent summers, Gabriel has attended Aspen Music Festival, Encore Chamber Music, Le Domaine Forget, and Madeline Island Chamber Music as a scholarship recipient and fellow. Gabriel now lives in Los Angeles where he performs regularly with local ensembles Kaleidoscope Chamber Orchestra, Delirium Musicum, and the Mixtape Series. In May of 2020 Gabriel will graduate from USC with a Master's degree in Violin Performance in the studio of Pamela Frank and Midori Gotō.

Astrid is finishing her doctoral studies at Arizona State University and, due to the success of last month's concert, is already scheduled for a Villages concert next year. "We are thrilled with this concert bonus," says concert director Ken Carter.

The concert is sponsored by the Village Voices. Tickets are \$20 and available in the Cribari lobby at 1 p.m. Saturday, the day of performance.

## PULSE

Dear Readers:

The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

1 Pulse letters received this week.  
1 Pulse letter withdrawn by author.  
0 Pulse letters published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of all statements.

## Attention Pulse authors!

When you write your Pulse letters, don't forget to:

• Include your name, address and telephone number at the end of your letter. Your contact information is important in case the Communications Committee members have questions or need to verify your identity.

• Sign your letter if you are bringing a paper copy to the Pulse mailbox in Building B.

• Put the word count of the letter at the end of the letter—Remember, it's 200 words or fewer.

• Put "PULSE" in the subject line of your e-mail if you are sending it in electronically. (E-mail your Pulse letters to: shinrichs@the-villages.com)

Forgetting to follow the Pulse guidelines may result in your letter being delayed.

**Note:** The Communications Committee is now verifying the authorship of submitted Pulse letters. If a Pulse Letter is dropped off in Building B, we will call the author to make sure that person wrote and submitted the letter. If we cannot reach that person we will hold the letter until we can reach them. This means we may reject the letter for a week or more if we are unable to verify the authorship.

# BOARDS & COMMITTEES

## *Association/Homeowners documents available via e-mail*

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to electronic delivery of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

## *Club Nominating Committee seeks candidates*

The Villages Golf and Country Club Board Nominating Committee is actively seeking candidates for election to the Club Board of Directors. The Club governing documents provide that there shall be seven directors, and election will be held during May and June for two director positions to serve three-year terms. The Club Board is responsible for the management of Club operations including, but not limited to, all recreational, social, and cultural events in operation at the Villages, maintenance of the streets, the community centers and adjoining swimming pools, the Clubhouse/Pro Shop complex, the two golf courses, and tennis courts.

It's a rewarding experience to participate in the governance of this vibrant community. The Nominating Committee urges all Villages property owners to consider involvement in community decisions through service on the Villages Golf and Country Club Board of Directors.

If you are interested in being a candidate, and/or need additional information, please contact any of the Club Nominating Committee Members: Bill DeVincenzi at 408-531-1031, Nancy Fodor at 408-528-0476; Rick Jiloty at 408-528-8116

### Who is responsible for cleaning up your pet's poop?

The Villages Rules and CC&Rs states it is the owners/handlers responsibility for immediately cleaning and disposing of pet excrements in a sealed container. We are finding and hearing that some owners are not immediately cleaning up after their pets and assume that it is the responsibility of the landscaping crew, which it is not.

The pet poop should be picked up immediately and placed into the dumpsters in the trash enclosure near your home or in the designated pet poop stations in the center parking lots. Please do not place any pet poop in any restrooms or other containers at any of the various centers.

Please help us keep our beautiful community clean.

### Questions about new IRA law

Here are some of the questions SRS received after our January 9 article about the recent IRA law changes.

**Question 1:** I turned 70 ½ in 2019 and took my first Required Minimum Distribution (RMD). The age is now 72 before you are required to take an RMD. May I skip my RMD in 2020 and start again in 2021 when I turn 72?

**Answer:** No such luck. The new law applies only to those who turn 70 ½ after December 31, 2019. If you turn 70 ½ in 2020, you would not be required to take an RMD until you are age 72. Therefore, since you turned 70 ½ in 2019, you are governed by the old law and must take an RMD in 2020.

**Question 2:** I will become 70 ½ during 2020. I was almost looking forward to it because I plan to make our church, VMA and EVF contributions from my IRA. We take the standard deduction so making contributions does not reduce our taxes. Making the charity contributions from my IRA would allow me to withdrawal from my IRA tax-free. Will I now have to wait until I am 72 to use this technique?

**Answer:** The new law—even though it changes the age for required withdrawals from IRAs, does not change the age for which people first qualify to make Qualified Charitable Distributions (QCD) from IRAs. This age remains at 70 ½. The law states you can make QCDs of up to \$100,000 each year from your IRA accounts. The new law does make one slight change. Because the new law allows a working senior to contribute to their IRA regardless of age, the \$100,000 limit is reduced by any IRA additions made during the year. Consequently, if you contribute \$7,000 to your IRA for 2020, you can only contribute up to \$93,000 to charity tax-free from your IRA. We doubt many Villagers will have a problem with this limit.

**Question 3:** I inherited an IRA several years ago from my father and receive a distribution from it each year based on my life expectancy. Since this is a non-spouse IRA, do I now need to complete the distributions in 10 years based on the new law.

**Answer:** No. Only inherited IRAs from individuals who died after January 1, 2020 are required to be depleted in 10 years. You may continue to use your original IRS life distribution table.

Did you miss the article published on January 9? Stop by the SRS office and the office volunteer can print a copy for you.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.*

### SRS Reminder:

### Eight months to REAL ID requirement

Beginning October 1, 2020, the Federal government will require your driver license or identification card to be REAL ID compliant if you wish to use it as identification to board a domestic flight or to enter military bases and many federal facilities.

This requirement is waived if you have a valid U.S. passport, passport card, military ID, or another form of Transportation Safety Administration (TSA) approved identification.

The length of both hikes can be extended or shortened, depending on the desire of the participants. Due to the low elevation of the park we expect to see some early spring flowers. We will also view remnants of old mining sites. A visit to the quick silver mining museum afterward is also possible. Dress seasonably, bring water and a light lunch (long hikers) or snack. Round trip car mileage is 30-40.

Bathroom at trailhead, bathroom and picnic tables at lunch stop. Due to very limited parking we will meet at 8 a.m. at Cribari and depart at 8:15. Bring lunch. Rain or muddy trail conditions cancels. 68 miles round trip. Optional coffee/snack stop following hike.

**Wednesday, February 26 (Rambler):** Gary Lohr will lead a hike to Montgomery Hill park and then onto Falls Creek Dr. and back thru the park ending up at La Boulanger for coffee. The round trip is approximately 3.5 miles.

## Prime Rib a natural choice

The prime rib being served every Friday and Saturday evening comes to us from the Brandt Farms.

The Brandt family has been in the livestock and farming business since the early 1900s and started feeding cattle commercially in 1945. With the onset of consumer concerns regarding hormones and antibiotics in the early 1990s, the Brandt family made a decision to go against the industry standard and raise their animals naturally. Today, Brandt Beef is proud to be feeding its animals a vegetarian corn-based diet for more than 365 days without hormones and antibiotic free.

**BRANDT BEEF**  
THE TRUE NATURAL™

The Brandt family is passionate about producing the most consistent, highest quality, 100-percent source verified natural beef on the market. By exerting complete control over the process, Brandt Beef has created a true natural "farm to fork" operation.

The cattle operation in Brawley, California is where alfalfa is grown and mixed with the corn to create a natural diet for Brandt Beef's animals. As stewards of the land, the Brandt family also employs several other sustainable methods to raise their animals naturally and preserve the land for future generations.

With this background, the prime rib served at your table is an unsurpassed dining pleasure.

On Thursday, April 2, bring a friend and spend the day shopping at Union Square in San Francisco, the epicenter of Bay Area shopping. Start your day with lovely breakfast from one of the many places to eat in Union Square. This is also the time of year that Macy's has its spectacular flower show. This year's theme is "Ocean."

Experience the unique character of San Francisco's Union Square District, where the best names in fashion, dining and theater have resided for over a hundred years. After the great earthquake of 1906, Union Square became San Francisco's premier shopping district and, by the 1930s, the site of the world's first underground parking structure. It's a great place to meet, enjoy coffee, or just watch the world go by.

We will leave from the Cribari Center's east parking lot (hobby room side) at 8:30 a.m. and return no later than 5 p.m. The best part is...you don't have to drive, find a parking spot and pay for parking; just get on the bus and leave everything else to the Royal Coach driver. The cost is only \$45 per person for a great day with your friends. Register in the Community Resource Center, Building B beginning Tuesday, February 18.

The plan for congenial evenings, talking, laughing, and sharing recipes, homemade food, and wine, abruptly changes one night when one of the women reveals something startlingly intimate. The supper club then becomes Confession Club, and the women gather weekly to share not only dinners but embarrassing misdeeds, deep insecurities, and long-held regrets. They invite Iris Winters and Maddy Harris to join, and their timing couldn't be better. Iris is conflicted about her feelings for a charming but troubled man, and Maddy has come back home from New York to escape a problem too big to handle alone. The club offers exactly the kind of support they need to help them make some difficult decisions. Fiction, 2019.

President Ryan is desperate to rescue his old friend, but he can't move officially against the Indonesians. Instead he relies on the Campus team to find out who is framing the priest. There's one other twist to the story when President Ryan discovers a text on his private cell phone from the priest warning about a coming attack against America. Fiction, 2019.

**“The Water Dancer” by Ta-Nehisi Coates:** Hiram Walker is born into bondage on a Virginia plantation. But he is also born gifted with a mysterious power that he won't discover until he is almost a man, when he risks everything for a chance to escape. One fateful decision will carry him away from his makeshift plantation family and into the covert heart of the underground war on slavery. Hiram joins their ranks and learns fast, but in his heart he yearns to return to his own still-enslaved family to topple the plantation that was his first home. But to do so, he must first master his unique power and reclaim the story of his greatest loss. Fiction, 2019.

**“The Night Tiger” by Yangsze Choo:** They say a tiger that devours too many humans can take the form of a man and walk among us. In 1930s colonial Malaya, a dissolute British doctor receives a surprise gift of an 11-year-old Chinese houseboy. Sent as a bequest from an old friend, young Ren has a mission to find his dead master's severed finger and reunite it with his body. Ren has 49 days, or else his master's soul will roam the earth forever. Ji Lin, an apprentice dressmaker, moonlights as a dancehall girl to pay her mother's debts. One night, Ji Lin's dance partner leaves her with a gruesome souvenir that leads her on a crooked, dark trail. As time runs out for Ren's mission, a series of unexplained deaths occur amid rumors of tigers who turn into men. ## February Artist of the Month is Deborah Edwards

By Michael Sunzeri

Arts and Crafts Artist of the month for February 2020 is Deborah Edwards, secretary on our A&C board.

At our Membership meeting on February 3 she was selected as the winner with her piece called “Music Box.” This piece is a full-size depiction of the body of a guitar. This ceramic piece is glazed, colorfully, and the edges are glazed representing a wood grain side and back panel. As it sits, it is a large vase. But, originally it was slated to be a waste basket. Seems functional in either case. Deborah moved to The Villages a couple years ago and soon thereafter she joined the Arts and Crafts Club. Her former art background is in silver smiting, and now, under the tutelage of Diane Finley, Deborah embarked in the direction of hand building with clay. Some of her work is familiar to residents, but she is now expanding to show more of her talents with clay. Look for her new work coming to the next event that Arts and Crafts presents.

## June Gilliam to speak to Republican Club

By Gary Hill

The Republican Club at the Villages is pleased to announce we are featuring a very special guest speaker at our February 27th dinner meeting in the Clubhouse Fairway Room. She is June Gilliam and she has a very interesting story to tell about her experiences, especially those emanating from her time living in China.

Ms. Gilliam will give us a chilling look into life inside China, raising our awareness of China's human rights issues that continue today. She is business operations manager for a Fortune 500 company in the Bay Area, a wife, and “supermom” of two young children.

The evening starts with the Social Hour at 5:30 followed by a short business meeting, dinner at 6 p.m., then our featured speaker. Menu choices are: Short ribs (\$39), Stuffed Fillet of Sole (\$38) and, Vegetable Pasta Primavera (\$30). Each meal is accompanied by salad and cherry cheesecake dessert. ## Join Democratic Club's Super Tuesday party!

By Tony Berg

2020 sees the first primary season where California will be voting early enough to have an impact. But Super Tuesday is quite a major event this year. Fourteen states from across the country and American voters abroad will be casting votes on March 3, 2020.

It is probably fair to say that at the end of this day the country will have a pretty clear idea of who the most likely Democratic contender for President is likely to be. But in addition, the multitude of down ballot nominees will have been sorted out as well.

The Democratic Club will be holding a Super Tuesday election party at the Foothill Center from 5 p.m. with large screen TV streaming live as the results come in. Plan to join your neighbors as we watch, eat and drink together on March 3. More details a little closer to the day!

## VMA announces the Mr. Villages Pageant

The VMA invites all Villagers to attend the Mr. Villages Pageant at 5 p.m., Saturday, March 21 at the Clubhouse. This event is a fundraiser that will help the VMA continue its good work for the benefit of our residents. The tab is \$50 per person, charged to your house number, for which you will receive dinner, libations, dessert and entertainment. Here's how it works: The VMA has qualified eight contestants. These enthusiastic gents will compete based on their general knowledge, philosophy, attire and talent. They will be judged by a panel of three judges, one man and two women. (Do you see the irony here?)

Reservations for this enjoyable evening will be taken beginning February 21 at The VMA office in Cribari Center and on the VMA website ([www.vmavillages.org](http://www.vmavillages.org)). You'll get a lot for your money and the good feeling that comes from helping those in need of the valuable services provided by the VMA. The evening will culminate with the crowning of Mr. Villages 2020.

## Free Advanced Care Planning Workshop

The VMA is sponsoring an advanced care planning workshop on Wednesday, February 19 from 10:30 a.m. to 11:30 a.m. in the Cribari Conference Room. The workshop is designed to encourage completion of an Advanced Health Care Directive. There is no registration required.

An Advanced Health Care Directive is a legal document which appoints one or more individuals you trust to make medical decisions for you when you are unable to do so. It sets forth the types of medical treatment you want to receive and the types of medical treatment you do not want.

Everyone needs an Advanced Health Care Directive. An unexpected accident, severe illness or old age could prevent you from selecting your own healthcare treatment. Without a legal record of your preferences, the choice for your treatment could put you in the hands of distant family relatives or unsympathetic doctors. Without an Advanced Health Care Directive your doctors and other medical providers will have no idea how you want to be treated. With an Advanced Health Care Directive you can ensure that your treatment wishes are honored.

This workshop not only addresses creating an Advanced Health Care Directive, but in addition, if you already have a directive bring it to the meeting for updating.

## COMMUNITY CHAPEL

### 'Living Beyond Regrets'

By Pastor Bill Hayden

Every person at some point in life has experienced regrets about how they handled a situation. Regrets can bring about deep sorrow to your soul and cause destructive behavior that can spread out of control. A son gets upset with a father, a daughter gets upset with a mother or you and a longtime friend for the way a situation damaged the relationship. In retrospect the incident could have been managed with more wisdom and grace had you known what you've come to understand years later.

If you, as a parent or a friend could foresee the future and were able to assess the damage that would occur you may have chosen a different approach rather than repeatedly asking to be forgiven. They may have said, "Forget about it!" but in your heart you know that they are still hurt and they can't let it go and neither can you. Each time you happen to meet or speak there are flashbacks of the rift that damaged your relationship with the other person. So, you question yourself, "Should I bring it up and ask to be forgiven again?" which could drive another nail into your coffin.

Look, whether you or the other person were at fault for the rift, when you have asked the person's forgiveness with a repentant heart that is as good as it gets. You can't make the person forgive you because at this point it is no longer in your hands but theirs to accept or refuse.

As relationships go people are at different stages in their life cycle. Teenagers act out because of the struggle with developing into young men and women. Adults can experience different changes that are happening in their lives whether it's their lively hood or something physical. Just imagine, all of these stages happening in households across the country. To be honest we do not know what is really happening in a person's life if they don't tell us. We run the risk of assuming that everything is honky dory until we hit a brick wall in the relationship and we end up saying to our surprise, "Where did that come from?"

Let's face it, we are all imperfect and broken people who are just trying to manage each day's challenge with the least amount of stress. When we have done all that we can to mend the broken relationships give each other grace (unmerited favor) and in time that same grace will return to you. Ephesians 4:32 NKJV "And be kind to one another, tenderhearted, forgiving one another, even as God in Christ forgave you."

If a person or persons refuse to forgive you, when you've asked from a repentant heart, let it go, be at peace and live your life with the number of days you have been granted.

You are cordially invited to join us at the Villages Community Chapel in Cribari Auditorium at 10 a.m. to be encouraged over the Word, a cup of coffee and cookies. **The chapel is a place for needs to be met, faith to be affirmed and people to love.** We would love to meet you and establish a lasting friendship. If you would like to make an appointment with Pastor Bill please call the office at 408-238-3079. ## SWINGERS

By Caryl Swinyard

It was a beautiful sunny day...*really* cold, but sunny. Actually, the 45 of us who braved the brisk day were OK until the wind came up the last couple of holes. But starting at 9:30 a.m. makes a huge difference in the temperature. It was great to be out there and even if the golf isn't quite what we want, the company is always pleasant.

What? Five?! Yes, five ladies tied for Captain's Trophy with a net 35. They don't even get to keep the trophy for a week apiece. This is probably a new record. Hearty congratulations to Nancy Carson, Jane Hoff, Janet Knapp, Pam Leonard and Joyce Mukuno. Wow, impressive! Congratulations are also in order for Janet Knapp and Berta Escamilla who scored chip-ins on #9 and #15 respectfully.

Lots of us are playing from the #2 tees now. It makes the game more fun if you have a chance at a par now and then. Even a bogey sounds good, eh?

We didn't get printed handbooks this year, but our website is very efficient. You can use it to find members info, tournament dates, away dates and courses, and just about anything you want to know about our group. The website is [swingers9.org](http://swingers9.org). Check it out and see how easy it is.

I don't know how many of you read Scott's tips in the Villager every week, but you might consider it if you haven't already. You all know how much the world has changed in the past five years. Well consider the past 70 years. I learned to play golf over 70 years ago and it amazes me that with all the things that have changed in that time, the basics of golf are still the same. I was taught, almost word for word, the same techniques. Granted they don't always work, because I don't use them properly. But the idea is still there. Of course, the most common and important thing to remember in golf, as in most sports, is look at the ball. Also the easiest to forget. I understand the clinics being conducted now are well received. We are going to be so good, we will be getting calls from the tour. Do they have a women's senior group?

## 18-HOLE WOMEN

By Nancy Keane

As Mr. Rogers would say, "It was a beautiful day in the neighborhood" on February 6 for the women's 18 hole Captain's trophy day. About 50 women came out to play, dressed quite warmly, from earmuffs to many layers of clothing, but soon the weather was quite lovely and warm enough to discard some of those garments. The course looked great and the greens were their usual challenging selves.

Our captain welcomed us to lunch by announcing that there were many birthdays in the month of February, including her own on leap year day the 29th. Our ringer competition will not start until the beginning of March due to some of the changes still being discussed about tee placements.

Dual membership with the Swingers is most likely going to be in a trial period starting as soon as a positive vote is taken by the nine-hole membership.

Birdie pins were distributed and the chip ins and birdies for today were announced.

Chip ins: Bev Poellot #10 & #17, Miyo Shigemoto #2, Carol Zaccheo #14, Patti Bell #6

Birdies: Annie Bassford #10, Loanne Rube #11, Miyo Shigemoto #4, Geri Wilk #11

For the second month in a row, our captain's trophy winner was Helen Varenkamp (Left picture with Thomas Cowie) and low putts goes to Bev Poellot. Congrats, ladies!

## SHONIS

By Tom Zades

It was like the calm after the storm on Tuesday, February 4. We think it had something to do with that groundhog thing on the 2nd. The wind calmed down, the sun came out, and so did 18 Shonis, plus one qualifier. Competition for the Captain's Trophy was intense. A net score in the low 20s has often been enough, but this day Vivian Wilczak needed a net 17 to edge out an 18 by Linda McCarley and a 19 by Jonna Robinson—all marvelous scores!

There were also two birdies and a 20-foot chip in. Betty Lanctot had a birdie on hole #8 and Julianna Wahlgren had one on hole #5. Teddy Morse had the chip-in on hole #9. Qualifier Michelle Prest, with her third round this day, is getting close to being our next full-fledged Shoni. The winners in this week's pregame putting contest were Tricia Hardt, Tahera Khalil and Betty Lanctot.

News from the Pro Shop: Starting March 1, the cost of a bucket of range balls will increase from \$2 to \$3 for 25 balls and from \$4 to \$5 for 50 balls. You will no longer be able to take your sweeps money on a Bistro gift card, but the money can still be taken on range ball cards and for Pro Shop merchandise. The monies may also be applied against the costs of lessons and greens fees! Per Club Captain Bonnie Evans, discounted range cards will be sold through March giving everyone a break on the price as the new pricing goes into effect.

Please note: February 18 is the Shoni General Meeting ("Bag Lunch") in Montgomery Center after golf. Social members are cordially welcome to attend.

SHONI stands for "Short Nine." If you'd like to find out more about the Short Nine Women's Club and what fun it is to play our wonderful 9-hole par-3 course, please contact Captain Bonnie Evans. All Villager women are welcome and encouraged to come join us on Tuesday morning or any morning. Check the practice schedule on the Shoni Bulletin Board in the Posting Room, or contact Bonnie Evans to schedule a practice round on our beautiful course.

**Chip shot:** Overheard on the first tee last weekend: "Sorry I'm late. This being Sunday, I had to flip a coin to see whether I should go to church this morning or play golf. I had to flip the coin 15 times!"

## PICKLEBALL

By Linda Eige

**Save the date!** Our spring Villages Pickleball tournament is scheduled. It will be on Saturday, April 4, from 1 to 4 p.m. More information will follow.

**A pickleball tip:** Help out your partner when they are receiving the ball by making the tough line calls. It is very difficult to keep an eye on the ball and on the court line. Always watch the ball, including the serve to your partner. Call *in* or *out*, as soon as it is clear that it will be in or out, so your partner can focus on the shot. Just remember, if you are not certain, it is good!

We play on tennis courts 5 and 6, the smaller pickleball courts are marked with yellow tape. Weather permitting, Mike Walias volunteers his expertise every Wednesday and Friday from 1 to 1:30 p.m. to introduce and instruct new players on the basics of the game. No need to sign up, just show up! Wear comfortable clothes and court shoes. More info at [villagespickleball.org](http://villagespickleball.org)

Happy Valentine's Day!

## IRONMEN

By Bill Travis

The Ironmen play every Thursday afternoon. Check-in time is at 1:30 p.m. and tee off at 2 p.m. Thursday, February 6, 2020, was sunny and warm; really a perfect day for golf. We welcomed a new member to our intrepid group: Tracy Scott. Good to have Tracy on board. We had a great turnout this week, and the results of this week's play are as follows:

First place there was a two-way tie between Mario Silva and Al Bruno each with a net score of 25.

Second place went to Floyd Boyer with a net score of 26.

Third place there was a three-way tie among Bill Crill, Roger Pyle, and Bill Travis each with a net score of 28.

**There were four birdies:** Mario Silva had two of them, one on hole 1, and one on hole 8; Bill Crill on hole 5; and Al Bruno on hole 5.

**Closest to the pin on hole 8:** Bob Lapidus.

### Deep thoughts:

"The only thing that would give him away were the eyes. Gray-blue, they had a piercing quality. They were the eyes of a circling bird of prey: fearless, fierce, the pupil no more than a dot in their imperious center. They were not the eyes of a loser." - The great sportswriter Jim Murray describing Ben Hogan, who won the British Open, the PGA Championship twice, the Masters twice, and the U.S. Open four times.

## PINSEEKERS

By Tim Short

Jack Frost was in the wings as five Pinseekers braved temperatures in the 30s to take the big bucks on Tuesday, February 4. Captain Hook (aka Martin Hoek) won first place with a net 33, followed by Gus Warmerdam at net 36. President David Cook and Frank Garcia tied for third with net 40s, and Roy Wash finished fourth at net 41. Congratulations to all!

## TENNIS TALK

### Your service toss is key

By Bill Leonard

Back in the day when playing tennis at UCLA with teammates like Connors (played #3 on our UCLA team—the rest is history), Jeff Borowiak (national hard court champion, played #1, accomplished pianist), Haroon Rahim (Asian champion, played #2), and other very accomplished players, I quickly discovered that 1) these guys were simply a cut above everyone else, and 2) I would never make a dime on any circuit. And this was despite everyone on our team having our share of tournament wins.

So...I turned to teaching tennis for a few years after graduation. What I want to briefly talk about today is how your service toss is key in turning your serve into a consistent shot and weapon.

What I see too often are players with fair to good mechanics, but a service toss that is all over the lot. Players flip the ball up with their hand. Players roll the ball off their fingers. Players toss the ball too far to the side or even behind them. Players toss the ball too low...and then still attempt to hit it. It's no surprise that an inconsistent toss kills your serve and game. What can you do about developing the same consistent service toss time-after-time giving you a better opportunity to get the ball in and ace your opponent?

Try this drill. Think of your service toss hand as an ice cream cone and the ball as the ice cream. Hold the ball in the middle of your fingers, not in your palm. When you release the ball by opening your fingers up, the ball should have very little spin. If the ball does have a lot of spin when you release it, that means you are rolling the ball off your fingers and virtually guarantees a toss that will never be uniform and in the same strike zone.

Next time I will touch on in general how high you should toss the ball, your ball toss release point, and give you a simple drill that with repetition can help you toss the ball in the same spot every time.

## FROM THE PRO

By Scott Steele, PGA Head Golf Professional

**World Handicap System Update**—With the change to the new World Handicap System came a change to how the system rates par for each hole according to its length. This is new so it has affected us in a few ways. Our women play their #3 tees as a par 73 with hole #3 being a Par-5...well the new World Handicap System does not value our hole #3 as a Par-5 for women due to the fact that according to their formulas, it is not long enough to be considered a Par-5. The same is true for our par values on the #2 and #1 tees...the World Handicap System has reduced our total par to 70 from the #2 and #1 tees because two of the Par-5's are not long enough to be Par-5's in their formulas. So we are working with the NCGA to attempt to rectify this situation. We would prefer that the women's course be a Par 73 and that the #2 and #1 tees be at Pars of 72. We will see what transpires and I will keep you informed.

**Golf Course #2 Tees Project**— The #2 Tees project is moving along very well! The weather has been very cooperative and GMS is doing a wonderful job constructing the new tees. Keep in mind that there will be temporary tees set up on the holes they are working on in front of the construction crew...so please locate and play from the temporary tees if you see the crew on any given hole while you are playing. We should be completed with the construction of the new #2 tees this week. Then we will place the new sod and start the grow in and grooming process. This will take the better part of March to complete. If the weather stays cooperative, we should be able to re-open all of the new #2 tees in early April!

**Driving Range Prices**— Starting March 1, our prices for driving range baskets will increase by \$1. A Warm-Up Basket will go from \$2 to \$3. A Regular Basket will go from \$4 to \$5. The number of balls in each basket size will remain the same...25 balls in a warm up basket, and 50 balls in a regular basket.

In March, we will be offering a discount on range cards for those of you that like to practice a lot. March 1-31 Driving range cards will be on sale with added value:

- \$25 range card for \$20
- \$50 range card for \$40
- \$75 range card for \$60
- \$120 range card for \$100

Limited to ONE range card per customer!

### Tips from the Pro— Small muscles can supply power too...

As we age, we all lose strength and flexibility. So our ability to turn and extend diminishes. Here are some tips to help you swing longer...

Narrow your stance, flare your toes out a minimum of 45 degrees, stand a bit taller at the waist.

If you cannot swing with your left arm straight (few of us can), then go ahead and let it bend, just limit the bend...you never want your right hand too close to your right shoulder on the backswing...push it away as far as you can, given your degree of flexibility.

Another tip is to use your hands and wrists more. When big muscles and joints become less elastic, a good thought is to try to hinge your wrists more on the backswing and to make sure that your swing arc is narrower on the downswing than on the backswing (ala Sergio Garcia).

Lastly, try swinging with the club more in front of your body, like Inbee Park and Shanshan Feng and Henrik Stenson; so the arms do not turn behind your shoulders, but rather swing above them in a steeper position...this allows for maximum club swing with minimal turn.

Let us know if these tips help! See you at the course!

Dealer: East  
Vulnerability: None

Bidding: East	South	West	North
Pass	1 Club	Pass	1 Heart
Pass	1 Spade	Pass	3 Spades
Pass	4 Spades	All Pass	

Contract: 4 Spades  
Opening Lead: 8 of Hearts

Dealer has a possible Spade loser, a Diamond loser, and at least a Club loser.

Strategy: Take out a couple of rounds of trumps and maybe ruff the Diamonds or perhaps set up the Hearts and sluff the Diamonds with that suit.

West leads 8 of Hearts, Ace from the board, continues with the King, then a low Heart, East, the Queen, and South trumps it in his hand. He plays the Queen of Spades, low from the board, East covers with the King, switches to a Club, South, low from his hand, and West wins with the King. He then leads a Diamond, South trumps it on the board, follows with the 9 of Spades, takes it his hand with the 10, continues with the Jack and plays his Ace from the board. He now leads the 10 and 9 of hearts, sluffing 2 Diamonds from his hand, then plays the Jack of Clubs, continues with a Club to the Queen in his hand and now leads his last card, the Ace of Clubs. Great, the contract is made with an overtrick.

# WHERE IN THE WORLD IS THE VILLAGER?

**Here's how it works:** Take along a copy of The Villager on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). We'll publish your smiling face with your favorite local paper for all to see.

## Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: [tomzades@gmail.com](mailto:tomzades@gmail.com))

Early in my career I heard a motivational speaker on the subject of the mind/body connection. He began with a rather comical story from his own youth. In his mid-teens the speaker had greatly admired a young man who made smoking a cigarette look like the coolest thing in the world. He described how the guy could pull his pack out of his pocket, pop one cigarette up above the others in the pack and place it between his lips all in one fluid movement. The Zippo lighter would then almost magically appear in his other hand, the flame seeming to jump up and light the cigarette, again in one fluid motion.

The speaker then described how his body rebelled in horror when he took his first drags on a cigarette. But he persevered. He used his mind to overcome the protestations of his body. But eventually his body took over, prompting him to have his next cigarette not when he decided, but when it decided. Finally, his body would scream at him: "Hey, dummy, it's light up time!" If that sounds familiar, you may be remembering the TV advertising slogan of one of the cigarette manufacturers of the day: "It's light up time!" Our speaker then went on to describe how he used his mind to overcome the dictates of his body and quit smoking.

He also told the story of a traveling salesman, off in a town by himself, who was having no luck with prospective customers. His boss decided to help the man by convincing him that he had just inherited \$1 million. In those days of prop engine planes and telegrams, that was a lot of money. The salesman felt so secure and good about himself that he approached prospective customers with a confidence and a swagger that won them over. He had his best sales trip ever, not because of reality, but because of what he believed.

I was able to quit at the age of 34 after 18 years of smoking. At the time we were told (and I believed) that after about 10 years of not smoking, our lungs would be restored to normal and be as pink and healthy as if we had never smoked. Well, a few years ago, after not smoking for 35 years, pulmonary tests at Kaiser showed that I have mild COPD. I was informed that the old theory was wrong. We can never undo the damage we've done.

I wonder whether I would have, or even could have, quit smoking if I believed, at age 34, that the damage had already been done and could never be reversed. Nearly all of us, I'll bet, can look back and see where a belief, perhaps later shattered, enabled us to achieve some wonderful things in life.
