The Club and Association Boards Agree to Extend Management Agreement

Our two Boards have agreed to extend the existing Management Agreement until September 30, 2020 to allow additional time to continue discussions. Both Boards are committed to working together to create a new Management Agreement. We apologize for the stress this has caused our community. The Association does not have a plan to change Management Agents on July 1.

Both boards appreciate the talented and hardworking staff that serve us all!

If you miss the meetings on Tuesday, please contact your DAC representative or any Association Board member for an update.

If you have additional questions, please email to villages.abod@gmail.com

This year's July 4th to be celebrated by special edition

The Villages has postponed this year's community July 4 celebration. *The Villager* will publish a July Fourth special edition. We would love to hear from you about your special Villages July Fourth memories. Select memories will be published in the July 2 *Villager*.

Some residents have enjoyed the community celebration, some neighborhood celebrations, and some special

times with family and friends. Please share your special memory in no more than 75 words. If you prefer you may also submit a photo with a caption if you are able to scan it. Electronic submissions please. Please email print memories or photos with captions to Mary Tatum at mtatum@the-villages.com by June 15.

Santa Clara County Shelter-In-Place updates

Updates to the May 22 Order of the Health Officer of the County of Santa Clara go into effect Friday, June 5. This revision to the existing order permits additional outdoor activities provided the proper social distancing and other requirements are met.

The Villages staff is reviewing the order as it relates to reopening tennis, pickleball, bocce and swimming pools and will report in a future Fast Lane our plans to re-open these outdoor amenities mid to late next week.

The Villages Clubhouse will be resuming outdoor dining on Saturday, June 6 at 7 a.m. — subject to the following limitations in addition to those required elsewhere in the Order:

- Outdoor seating arrangements shall limit the number of patrons at a single table to no more than six individuals, all of whom must be

COMMUNITY NEWS

PULSE

Dear Readers:

The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

11 Pulse letters received this week.
3 Pulse letters withdrawn by authors.
8 Pulse letters published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of all statements.

Note: Pulse letters are still being accepted through the "Shelter-In-Place" order in digital form only. You may take a picture of your hand-written letter and e-mail it as a JPEG attachment to: shinrichs@thevillages.com.

I am not sure why we stopped printing "Where in the World" articles in our Villager but now more than ever we need uplifting stories of where people have traveled, even if it is their own neighborhoods, etc. We need to start planning future travels; probably in 2021 and residents who have been on past trips give us good ideas and help us plan for our future destinations.

Please start refocusing on the future; "Where in the World" is a good beginning. Thanks to whomever puts this weekly newspaper together, good content, news we all need in our neighborhood. You all deserve a lot of credit for your work.

—Carolyn Hopkins

Nothing is Free in Life

You moved to The Villages but you do not play golf, tennis, bocce, swim, etc. Well good for you because you retired and decided "I get to do nothing...I deserve it"! You just take walks, enjoy the beautiful hills, the golf course, gardens, lakes, wild animals, the horses and so much more. A restaurant you can go to and relax (the Bistro), or a dining room where you can have a more formal setting and nicer meal. And let's not forget you can even order food to take out or have it delivered. So what's to complain? The COST, increased HOA fees!

Well don't forget, all of this has to be kept up and maintained. It takes MANY people to make this happen for the enjoyment of us all—and that costs money!

—Margot Paoli

I recently received a notice which I cannot authenticate in my mail tube from the The Villages Association Board regarding a change in the existing Management Agreement. I have reviewed all the agendas and minutes since November 2019 and did not find any mention of this as an item at issue. This seems in clear non-compliance with the transparency policies of the board meetings. Also, it is not apparent that this supposed "Management Agreement" is readily available to residents on the Residents Portal. Before this agreement is allowed to expire I believe the residents are entitled to the complete ramifications to the residents.

—George Muller

Something very wrong has happened in the Villages. The decision to NOT renew the Management Agreement has been made without any VOTE by either the Club Board or the Association Board.

How can a decision of such importance be made in total secrecy? Something is very wrong in the Villages.

The Management Agreement should be renewed for another year, and any discussion to end it should take place in public. This is not a contract with an outside party, it is an agreement between two sets of elected boards who supposedly represent substantially the same constituency. Any petty bickering between these boards is not in the best interest of the members, and represents a failure of the boards to look after the best interest of the members.

The ABOD has made the decision to hire an outside company to take over management for the Association, without any public discussion on alternative courses of action. The Association could choose an alternate course and hire a Manager and management team. However that is another decision that has been made in secrecy, and sprung on us at the last minute.

SOMETHING IS VERY WRONG IN THE VILLAGES

Ad Hoc Pickleball Committee Proposed Pickleball Courts Project

By Howie Blumstein and David Cook

The voting package for the Pickleball Courts Project has been distributed to all Villages Golf and Country Club Members. The deadline to vote and submit ballots is 8 a.m. Monday, June 29, 2020. Ballots will be counted later that day (in open via teleconference; time to be determined and noticed).

Project Costs: The Club Board of Directors (CBOD) announced, at its May 26 Board Meeting, that three bids were received from qualified contractors and Saviano's bid was the lowest and was the winning bid. Their bid to construct the four pickleball courts, surrounding landscaping, and golf cart parking area was \$760,996.

A portion of the total project cost has already been spent on soft costs necessary to obtain the City of San Jose's planning permit. These costs totaled \$142,900, which included noise, soil, and drainage studies, the permit fees from the city, design, construction drawings and bid specifications. In addition to these initial soft costs there is a) a 10-percent contingency of \$76,100 (spent only if needed) and, b) additional soft costs to complete the project are estimated to be \$74,050 for the building permit and project management. The total project cost is \$1,029,046.

After permits from the city are obtained, construction will commence. Completion timeframe is expected to be around three months.

Project Funding: At the May CBOD meeting, the Villages Golf and Country Club (VGCC) Board of Directors approved \$436,146 (not to exceed \$450,000) from the Capital Improvement Fund towards the completion of the project. When the project is completed approximately \$160,000 will be in the Capital Improvement Fund. The remaining funding required will be provided by \$400,000 raised to date by the Pickleball Club, and \$75,000 from the Evergreen Villages Foundation (EVF) and the total Capital Improvement Fund contribution of \$554,046. Consequently, no additional assessment from Members will be required to build the Pickleball Courts Project.

2020 Director Elections Ballot Deadline is Monday, June 8, 8 a.m.

By Julia Meadows, Assistant General Manager

As you may have read in previous editions, for all three Villages Corporations (Club, Homeowners' and Association), elections will be conducted in May and June and this year's annual meetings will be held on Wednesday, June 10 via teleconference.

All ballot packages were distributed beginning May 6 with the deadline of Monday, June 8, at 8 a.m. for the return of ballots. You may deposit your sealed ballot envelope in the locked box located in the parking lot of Building A. Ballot counting will take place in an open teleconference meeting on Tuesday, June 9 at 9:30 a.m. Results are to be announced the following day, Wednesday, June 10 at the annual meetings—all via teleconference meetings, with the Association's to be held at 4 p.m., the Homeowners' Corporation at 4:30 p.m. and the Club's at 5 p.m. Specific meeting information is on page 1 of this edition of *The Villager* and is included in annual meeting notices distributed to all members in their ballot package.

Board of Directors Elections

Candidate Information, Candidates' Night and *Villager* Questions. As detailed in the information that follows below, the candidates for the Association and Homeowners' Boards have been elected by acclamation per their corporation's governing documents. Only Club candidates participated in this year's Villager Candidate Questions and Candidate's Night (a virtual program) sponsored by the Club's Communications Advisory Committee. Candidate's Night can be seen on Channel 27 at noon, 6 p.m., midnight and 6 a.m., as well as on the Villages Resident Portal. (See pages 10 and 11 for all candidate information.)

Association: On the Association's Board, there will be two director vacancies. As with the Club, the Amended and Restated Bylaws of the Association Corporation provide that there shall be seven directors. Those who will continue to serve during the ensuing year are Garry Ashby, David Cook, Diana Hallock, Noel Lanctot, and Julie Wash. The two directors for which terms expire are Matthew Giordono and Frank Veloz.

Pursuant to The Villages Association Rule 2.25 Voting and Election Rules, Richard Holmboe is a candidate for the annual election of Directors. In addition, pursuant to Article 2.3 of Rule 2.25, because the number of people nominated is not more than the number of Directors to be elected as of the published and duly noticed deadline for nominations (March 31, 2020), Richard Holmboe is declared elected by acclamation and shall take office at the first Board meeting following the annual meeting.

Homeowners: The Bylaws of the Homeowners' Corporation provide that there shall be five Directors. The Directors previously elected by the owners who will continue to serve are: Mary McBride, Ron Steckel, and Greg Stewart. As of the deadline of May 1 at 5 p.m. there have been two candidates nominated and qualified, Rob Kirschbaum and Richard Zahner, and per Section 7.3 of the Second Amended and Restated Bylaws of The Villages Homeowners' Corporation they are declared elected by acclamation and will begin their terms as Directors on June 10, 2020, upon adjournment of the Annual Meeting of the Members.

Club: The Amended and Restated Bylaws of the Corporation provide that there shall be seven directors. Those who will continue to serve during the ensuing year are Rick Casey, Jan Champion, Mike Falarski and Teddy Morse. The two director terms that expire are that of Bob Wilk and the late Jim Neill, and with the resignation of Frank Langben, there will be three director vacancies, two directors to fill three-year terms and one director to fill the one-year term that completes the remainder of Frank Langben's term.

There are three candidates for whom nominations have been qualified for the ballot, Bob Wilk, Jeannie Omel, and Howie Blumstein. Pursuant to the Bylaws Section 6.2, the persons receiving the largest number of votes shall be elected and, of those persons elected, the two receiving the largest number of votes shall be elected to three-year terms and the candidate receiving the lowest number of votes shall be elected to the shortest position term, a term of one year.

Message from the EPC Food Committee

By Ann Berg, EPC Food Director

The leaders of the Emergency Preparedness Committee (EPC) and its Food Service Committee have been giving serious thought to the best way to be of value in the inevitable earthquake or other catastrophe that might visit us in The Villages. We understand that any outside first responders will be fully equipped to take care of residents' needs without our help. The question of how we, as Villagers, should be planning is where we are going to be focused in the coming months. So, what should we do? It is our recommendation that Villagers prepare themselves as follows:

1. Have enough long-life food supplies for a minimum of three days.
2. Have enough water to last for at least a week. This means at least six pints of all kinds of liquid per day per person.
3. Develop a plan with your immediate neighbors to support each other's state of health, need for any help, sharing of any needed supplies, including food.

EPC encourages all Villagers to review the comprehensive article "Surviving the Next Earthquake" in the back section of the Villages Telephone Directory. It is a valuable source of helpful and sensible information on planning for the next earthquake—or other emergency. Finally, more detailed information on disaster preparedness can be found in the Red Folder that is given by EPC to all new residents. If your folder is lost, or more than a few years out of date, a new copy may be obtained by calling the Public Safety Administration office in Building C at 408-239-5246, option 2. Thanks for your part in "Neighbors Helping Neighbors."

PUBLIC SAFETY

Walkers, hikers take warning: Warm spring and summer temperatures bring out the snakes

One of the real joys of being a Villager is the opportunity to be close to nature and observe all the marvelous critters that abound in and around the community. Some of nature's wonders require a little extra caution, especially this time of the year. This is especially true of our local rattlesnakes. We are now seeing these animals coming out of hibernation. They are often disoriented, hungry and seeking a mate. After a long, wet winter, they are now emerging with the warmer temperatures and may be present throughout The Villages, not just in the hill land. If you encounter a snake during normal working hours, call the Customer Service Desk at 408-223-4670; after 4:30 p.m. weekdays and on weekends, call Public Safety at 408-223-4665.

Please submit Pulse letters in digital form only

Since Building B is closed during the "Shelter-In-Place" order, Pulse letters are only being accepted in digital form.

In the event of a staffing shortage occurring among employees of *The Villager*, publication may be temporarily suspended until the subsidence of the illness. Residents are encouraged to sign up for electronic messaging through Fast Lane in case of emergency.

MORE PULSE

(Continued from page 2)

I am startled in disbelief after I read the notice from the Association Board. Without any transparency/warning, a huge change came at the eleventh hour. No matter how you cut/spin it, this will increase the cost of doing business forever.

This fiasco is infighting between the Boards. I don't care who threw the first punch, who was slighted, who is bluffing, or who is playing hardball. You are only protecting the self-serving interest of your Board and not the Villages as a whole. You pledged, and we elected you to "work together" to control the cost/expenses within The Villages. Both Boards have failed at that!

I don't understand California's rules and regulations on condos. But I challenge you to take a deep and thorough look at combining the two boards into one. You'll decide what portion of the HOA is fixed and what is prorated to our AFA. Eliminating this petty infighting. WE ARE IN THIS TOGETHER! Don't disappoint us!

The very least you "should" do is a 6-12 months cooling period; make compromises and come to a solution that will not increase our HOA. Please discontinue the path of legal consults and consultants. It is not acceptable to us!

—Ed Ng

The Villages Association Board's flyer dated May 26, 2020 is very sad to read. The Management Agreement between the Association Board and the Club Board probably deserves some adjustment, but should both boards be using separate legal firms to resolve their differences? We all share the cost of hiring lawyers to deal with this issue via our HOA fees (which continue to increase). Why not hire a private arbitrator and let the person help resolve the problem with less cost to Villagers.

—Wayne Weiler

I was surprised to read the notice from the Association Board regarding the decision to not renew the contract between the Club Board and the Association Board and to go with the hiring of a for-profit outside Management Agent. I was surprised that money has already been spent on the hiring of attorneys by both boards to reach an unsuccessful conclusion. The issues noted in the notice were vague. The notice stated that "The pathway to this decision has been arduous, but well studied and unanimous.", yet there have been little prior communication and discussion among homeowners regarding the issues and alternatives.

A decision such as this should only be made with full awareness to the community. This decision will definitely affect every homeowner as a new Management Agent added to the existing management will substantially increase costs. I suggest that any/all decisions be deferred and a short extension of the existing contract be made so that steps towards better communication of these issues be given to all the members (our village community) and hopefully a more cost-effective solution can be achieved. Such a decision should not be made by the board alone, but with the support of all homeowners.

—Delbert Yamaki

I was dismayed to see that the Association Board is considering bringing in an outside management company. Alternatively, the Association Board needs to negotiate a fair and equitable management agreement with the Club Board, based on today's reality.

As a former Club Board Director (2014-2016), I chaired the committee, with Association Board representation, that looked at outside management companies after the resignation of former GM Darren Shaw. I am familiar with their cost structures. It is my strong opinion that bringing in an outside firm will inevitably lead to a significant increase in the Association operating assessment at a time when many of us condominium owners are already seeing massive increases.

At one time The Villages had just one board. Given the fact that this year they could not find enough residents to run for the Association Board, I think The Villages needs to seriously consider returning to this model. The Club Board should be this one board since they are already the managing agent for all three corporations and are familiar with the processes and personnel.

—Jerry Neece

ABOVE & BEYOND

With elections coming up for Board of Directors and other matters I wanted to use this opportunity to encourage everyone to vote. I have never been involved with the Board and the things they deal with so I have taken them for granted. But, just recently, I had problems with my unit that seemed unsolvable. Then I remembered that I do have a DAC representative, Duane Johnson, and a Board President, Garry Ashby. I contacted them hoping they could give me some guidance. And they did! I am so relieved that I wasn't just left hanging with the problem. It is so reassuring to know that knowledgeable people are here to help us. So, vote, vote, vote!

(SRS) SENIOR RESOURCE SERVICES

June 30 is final date to pay property tax

Question: I couldn't pay all of my property tax due April 10, 2020. My neighbor told me if I couldn't pay it all, I might as well not pay any of it because I would be charged penalties on the entire amount. Now a friend just told me there are no penalties at all this year. Those are two vastly different statements. What is correct?

Answer: First, your neighbor's comment was once true, but the law has changed. The County used to return any amount that was less than the full amount stated on the first and/or second installment tax bills. You would have been assessed a 10 percent penalty, plus any applicable fees and charges, on the full amount of the tax installment.

This changed three years ago. The County now accepts partial payment and only the unpaid amount on the first and second installment bills will be treated as delinquent tax on December 10 and April 10 of each year. The County will add a 10 percent penalty and applicable costs only to the unpaid tax amounts on the delinquency dates.

But wait, this year there is even better news. Your friend is correct. On April 21, 2020, the County of Santa Clara Board of Supervisors voted to waive penalties and costs on the property tax bill that was due April 10, 2020. There are no penalties or fees if the property tax is paid no later than June 30.

You can pay your property tax in any number of payments and can pay online at taxpayment.sccdtac.org. The amount due for the first installment must be paid in full before the Department will apply any payments to the second installment. The entire amount for the county's fiscal year ending June 30 must be paid by June 30 or the ten percent penalty and additional fees will apply.

Note: The Senior Resource Services (SRS) office is currently closed for drop-in assistance. You may still leave messages at 408-239-5253 as we monitor phone messages every day and can still answer questions by phone. We can also e-mail handouts. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Alert:

Special charitable deduction in 2020

You may now take a new deduction for up to \$300 in charitable contributions if you don't itemize on your 2020 tax return. This means you can deduct the \$300 and also take the standard deduction of \$12,400 (single) or \$24,800 (married). This law could be used by you to benefit a food bank, your church, a university, or a Villages charity such as EVF or VMA.

The contribution must be in cash. Donations of clothing, household goods, etc. are not eligible for the new deduction.

If you itemize deductions, the amount to charity will be included in your itemized Schedule A as in prior years.

WHAT'S COOKING?

theclubhouse@the-villages.com

The Clubhouse Restaurant and Bistro are closed until further notice.

Until Coronavirus concerns are reduced, The Clubhouse will offer the Clubhouse To-go Grab & Go program for seven days a week.

For Curbside Service: First call in your order to **408-370-8553** and call us again when you get to the Clubhouse curbside and we'll bring it out to your vehicle. (See menu and details on page 7.)

Home Meal Delivery notice: We are delivering to all Villages six days a week—Tuesday through Sunday. There will be no deliveries on Mondays. Orders must be in by 11 a.m. before the next delivery day.

You will get a confirmation either by email or by phone for each order.

If you do not get a confirmation, please email or call back. This is just an assurance to make sure we have not missed your order.

Attention Curbside customers: Due to the increased volume of orders at dinner time, we are recommending that you call and place your order between the times of 3 p.m. and 4:30 p.m. We will take your order and coordinate a pickup time later that evening. While this is not required, it should help alleviate any wait times during the peak dinner time hours of 5 p.m. to 7 p.m.

Attention Golfers: The Foyer of the main Clubhouse is opening at 7 a.m. offering coffee with "Quick Serve" breakfast items.

Lunch, beginning at 11 a.m., will offer Quick Service Hamburgers, Cheeseburgers and Hot Dogs. Other curbside menu items will take 15 minutes to prepare.

Beverages will also be offered, such as water, sodas, Gatorade, and alcoholic beverages are available as well.

Alcoholic beverages sold through any of the Clubhouse food and beverage services may only be purchased in conjunction with a food order.

Notice: No entry into foyer without facemask.

EVF FOCUS

EVF and Pickleball

By Diana Hallock

Since February, 2009, the Evergreen Villages Foundation (EVF) has raised funds to provide Villages amenities and enhancements. Ironically, the Foundation volunteers provide very little input on the project choices! First, all projects must be approved by the VGC Club Board. Second, since most project requests come from a Villages organization or group, the Foundation provides matching funds or partial funding in partnership with that group and the Board. Five years ago, the Pickleball Club attained preliminary approval from the Club Board and began fundraising. The EVF has been holding those funds for them and has offered to contribute an additional \$75,000 from EVF. They also have additional pledges if the project gets the go-ahead from our community. If your group has a project, EVF would love to hear about it! Contact us at www.evfsj.org

WHAT I LOVE ABOUT THE VILLAGES

Lois and I want to thank all of our dear neighbors and friends for their emails, phone calls, visits, prayers, and food gifts during my recent illness and recovery. The outpouring of concern and support was overwhelming. It is that kind of support from our community during difficult times that defines what The Villages is all about and is another thing that I love about living in The Villages.

- All tables must be separated to ensure that six-foot minimum social distance can easily be maintained between all members of separate households or living units at all times. For clarity, patrons who are members of the same household or living unit and seated together at a table do not need to be six feet apart. Alcohol may be sold to patrons in conjunction with a meal, but it may not be sold independently.
- Bar areas must remain closed to customers.
- Entertainment events are not allowed at this time.
- Outdoor dining, placement of outdoor seating arrangements, and food service must be in compliance with local laws, regulations, and permitting requirements.
- Facilities that open for outdoor dining must offer curbside pickup, takeaway, and/or delivery service alternatives.

Seating on the patio will be limited, with tables set at least six feet apart. Patrons will be able to sit two from the same household to a table, and will be issued single-use paper menus.

For your safety, Clubhouse staff will be working with gloves and face masks. We request that patrons, while not eating, please use their face masks as well.

Villages Technology Explorers: *Meet Kiki the Robot*

On Tuesday, June 9 at 3 p.m., the Villages Technology Explorers will host our first Webinar during which we will introduce Kiki the companion robot and Kiki's creator Mita Yun. Joining this Webinar will be the next best thing to meeting Mita and Kiki in person. It is an opportunity to hear from a bright young entrepreneur and to see, on screen, the robot companion she has created.

The webinar format will accept questions from our audience, typed in during the session and presented to Mita at the end of her presentation.

Kiki is designed as a companion. Computer scientist Mita Yun, CEO and founder of Zoetic AI gave Kiki ears, eyes and tactile sensors to provide her with inputs from her environment and then uses powerful self-teaching Artificial Intelligence to recognize faces and assess the moods of people she knows. At our meeting, Mita will introduce us to Kiki and explain some of the self-reinforcing AI technology that allows Kiki to learn how to be the most winsome companion Artificial Intelligence can create. Kiki responds to being petted and loved just like an animate family pet (Kiki most closely resembles a cat). But Kiki never needs feeding or cleaning up. An occasional battery charge will do nicely. Stroke Kiki and she will purr as she watches you for signs of pleasure (or not!). As she learns what pleases you she reinforces that behavior. Put the date and time in your diary and come take a look at some breakthrough robot technology. Go to our website at VillagesTechnologyExplorers.club to register for this event.

The del Lago/Sonata Ice Cream Social scheduled for June has been cancelled due to Covid-19.

Vote for artwork online

All Villagers are invited to vote for their favorites online in the current Arts & Crafts online Art Challenges Exhibits. The Art Challenges are a way for artists and crafters to exhibit their work during shelter in place while the Conference Room, Patio Room and Art Room exhibits are not available.

We have Art Challenge 1: Landscapes, Art Challenge 2: Water, and Art Challenge 3: Spring Time. Paintings, crafts and photographs are entered, all touching on the theme somewhat. Our Advisory Board will award a \$50 cash prize in each category.

If you want to vote for your favorite, review the entries on our website at villagesartsandcrafts.org on the webpages, Art Challenge 1, Art Challenge 2 and Art Challenge 3. Choose one in each category by listing the artist and the art work. Add your name. Email your votes to VACAartsandcrafts@gmail.com or directly to the Webmaster at barb.gottesman@gmail.com

Dear Oh Deer—Spring 2020

From the Villages Deer and Wildlife Club

Springtime in The Villages usually means lots of action for both residents and the wildlife that abide here. However, this year, as we all know, Covid19 has forced Villagers to change gears a lot....no golf or limited golf for a while and lots more walking, for instance.

Ordinarily the Deer and Wildlife Club conducts a Spring count of the deer in The Villages, but social distancing would have made this a difficult task, so we will not ask Villagers to help us count this year. However, thanks to the wonderful efforts of Villagers who contact us to tell us about the deer (and other wildlife) that they see as well as the efforts of one Villager in particular who has been photographing and reporting the does by numbers as well as the bucks; we believe that we have a very accurate count. The total amount of deer seen in The Villages in April is 39 does and 11 bucks. There are two more does that have been seen during other months that were not seen in April and so they are not included in our total.

Sad to say, two bucks were killed during the period of end of April into beginning of May. Both of these animals appeared to have been killed by predators—either coyotes or mountain lions.

During the spring months, bucks typically shed their old antlers and grow new ones, so there is usually a period when it might be difficult to recognize a buck without its antlers. There is one buck, however who doesn't seem to lose his antlers and whose antlers are particularly grotesque in appearance. The cause of this "condition" is not known for sure.

Spring is also the time when fawns may make an appearance. While the majority of the does are sterilized, we have had two known fawns born to them during the last four years or so. Unfortunately, both of these little deer did not make it, however there are two other fawns that were spotted last fall—twins—who may still be alive and may have been assimilated into the herd.

You may wonder why we count the deer. This is done partly for our own interests and partly in the hope that some wildlife organization may at some point agree to introduce orphaned fawns into The Villages.

Villagers also can contact us if they have concerns about wildlife welfare or send us photos of animals here. You can notify us of sightings by contacting Noel Lanctot at noelbetty@comcast.net or at 408-833-3925. You can also contact Louann Partridge at louannpartridge@comcast.net. We are happy to hear from Villagers anytime during the year.

Club Board Candidates

Robert 'Bob' Wilk

7337 Via Laguna

My mother lived in The Villages for 30 years (Cribari). For us, the move to The Villages was an easy decision.

I was born in Detroit, attended the University of Illinois where I received a Mechanical Engineering degree and directly accepted a job in San Francisco with the Bechtel Corporation (a large international engineering/construction company). It was there where I met my wife, Geri. We raised our three children in Walnut Creek and now have four wonderful grandchildren.

During my career (all with Bechtel) I did design work for five years and then moved into the commercial side of the business and managed the Estimating, Scheduling, and Cost Control Department for refinery and chemical projects. I was also in project management with assignments on some very significant projects domestically as well as internationally. It was as interesting career.

Before moving to the Villages (seven years ago), we lived in a gated community with a golf course in Genoa, NV. There, I was on the HOA Board for seven years with two years as president. While a much smaller community, many of the issues are similar.

Currently, I am in the Men's Golf Club, the Bocci Club, the Italian Club, Senior Academy, the Village Amature Theater (I help build sets) and the Catholic Community (my wife and I set up Cribari for church services).

I would like to see The Villages remain the community of choice. Having served on the Association Board for three years and currently on the Club Board, I have tried to serve the community well. I look forward to the work ahead and your support.

Jeannie Omel

7946 Caledonia Drive

Since moving into The Villages five years ago, I have been involved with both governance and community activities. My experience with the Homeowners' Corporation (HOC) Board for three years (currently Vice President), participation and voting at the Three-Board (Club, Association, Homeowners) Meetings for three years, and two years as a member of the HOC Architectural Control Committee has given me insight to the overall management of The Villages.

I am a member of the Swingers 9-hole and Villages Women 18-hole golf groups and am currently secretary of the Swingers' Board. I'm also a member of the Evergreen Villages Foundation.

My 10 years of experience as general manager for Gilroy Premium Outlets, a 54-acre property, brings an informed understanding of physical operations and financial management. As general manager, I successfully negotiated and managed contracted services for landscaping and security. I also managed capital expenditure projects such as roof replacement and understand the importance and planning of these projects.

I think one of The Villages' biggest challenges is finding the balance of controlling operating costs in order to minimize fee increases to our fixed-income population while continuing to provide new property amenities that make living at The Villages attractive to new residents.

I believe that the Club board's responsibility is to assure that The Villages has an executive with the expertise to manage this unique property and then support the management team. I have the experience to provide the support needed to maintain The Villages as a vibrant, beautiful place to live.

CLUBS:

Bocce Club, Chinese Club, Democratic Club, Italian Club, Jewish Group, Men's Golf Club, Senior Academy for Education, Tennis Club

Rita and I were born in the Bronx, NY and moved to California in 1974. We have two sons and daughter-in-laws, and six grandchildren 10 to 24 years old. We moved to The Villages in 1999 and love living in our wonderful community.

Rita took up golf after moving to The Villages. I am an active member of the Tennis Club, played pickleball and we have actively participated in the Bocce Club's tournaments.

In the early 2000s I was on the Valle Vista DAC, Tennis Club President in 2011, and a member of the Tennis Club's Scholarship Committee.

We are Villages Ambassadors.

I participated in Valle Vista's turf reduction program and canvassed Valle Vista residents to participate in the water company's Water-Wise Program.

With my education, Club Board and work experience, years of volunteering and commitment to The Villages, I will continue to work hard to represent our community to maintain and enhance our health, property values and the lifestyle we enjoy.

Your consideration of my candidacy to serve another term and VOTE of support as a Club Board Director is appreciated.

STAY HEALTHY—STAY SAFE

Question 4: In conclusion, can you persuade us that you are the best candidate to handle the complexities and demands of being a Club Board Director?

Robert 'Bob' Wilk

Why am I qualified to be a Director? I have direct relevant experience. I was on the Association Board and am now completing my third year on the Club Board. Before becoming a Villager, we lived in Genoa where I was on the Homeowners' Board and served as president for two years.

Living in other states and in other gated golf course communities; and working in a variety of locations within the USA as well as other countries has given me valuable experience towards making informed decisions.

These experiences together with my education provide with me with the qualifications to represent the residents as a Director. I would like to continue in that role.

Jeannie Omel

As a newcomer to the board, I bring enthusiasm and energy along with a fresh perspective on current issues.

My ten years of experience as general manager for Gilroy Premium Outlets, brings an informed understanding of physical operations and financial management. This experience, along with my communications and marketing background gives me a solid platform to understand the complexities of managing The Villages as well as the skills to work with people from varying backgrounds.

I enjoy living at The Villages with all of you and I will work with each of you to make sure that we have a financially secure, vibrant, beautiful place to live.

Howie Blumstein

Experienced Club Board Director

My core responsibility will be to look after your HOA contribution as well as to bring fresh ideas to the Board.

As a previous Club Board Director (2015 - 2018), I understand the complexities and challenges the role demands and appreciate the obstacles directors confront. I have the skills and experience to build consensus, resolve issues, think outside the box and make difficult decisions in the best interests of Villagers.

Quotes from Club Board Directors

Last year fellow Club Board candidates said "I worked with Howie on the prior Board. Howie does a great job of doing his homework. He is well informed on any of the issues. He listens to other directors, and particularly to residents, and makes a decision based on all that input, and does a good job of convincing other Board members why it's a good decision."

"...Howie is always talking to people and trying to find out how he can help them, whether it's driving them somewhere or just helping them with their issues. He has a compassion for the community, and I think that's a real strength."

Association Board Candidate

Richard Holmboe

6285 Blauer Lane

Education: AA Degree, Electronics Technology

Work Experience: Support Engineer, Manager, Technical Writer, Electronics Technician (Hewlett-Packard Co, Agilent Technologies, Verigy, KLA-Tencor), US Navy Reserve Retired (Chief Petty Officer)

Other Experience: Village Montgomery DAC (including chair), Echo HOA University & Expo 2019, Emergency Preparedness Committee (including sector chief)

Length of Time in Villages: 11 years

Villages Activities: Villages Amateur Theatre, Villages Medical Auxiliary, SIR-38 (including official story teller), Volunteer pumpkin/snowman putter-upper

I have attended both DAC and board meetings

Why Do You Want to be a Board Director: I believe in paying my dues. That is, I want to serve while I can. I also believe that I have years of applicable experience especially as DAC chair and as an Echo attendee.

Vision of Association: As I walk around The Villages, I am comforted by its beauty. I know that it is not free. In fact, it is pretty expensive. I want the Association to maintain our surroundings while keeping costs as low as possible.

Strengths of Association: Villas and common areas are beautiful. Staff is extraordinary. Board needs to be effective in maintaining our plant, keeping staff efficient, and providing direction to Staff, DACs and residents.

Improvements: DACs and ABOD working better together. Better communications.

Howie Blumstein Answer to Question #4

(Continued from page 10)

Commitment

As your Club Board Director, I will work hard for you to protect the value of your financial investment in your home and our community.

I am committed to:

- Protect what is best in The Villages
- Evaluate options with an open mind
- Always be available to listen to Villagers
- Proactively seek comments and opinions
- Think outside the box to Control Assessments
- Promote Board and community communications
- Collaborate to bring people and ideas together for Win-Win solutions

A Vote for Experience

I am an experienced previous Board member running for a second term. I seek your support for my candidacy **and** your **VOTE** to serve another **three-year term** as a Club Board Director.

Homeowners' Board Candidates

Rob Kirschbaum

When our daughter moved to California to work at Stanford and then had our first grandchild, Marilyn and I knew we wanted to live closer to them and be a part of their lives.

While we are both New York born and raised, when we moved here in 2015, we knew it was the right decision. After finding The Villages, we purchased a house knowing it would be a great place to live and so it has been.

Marilyn is a retired nurse from University of Pennsylvania with an MBA from Wharton and helps many of our dear friends with medical issues. She is also President of the Villages Jewish Group.

I have been an industrial sales and operations executive for over 40 years, in charge of several distribution and manufacturing facilities. I know how to manage a business and solve problems. I have worked with executives in Fortune 500 companies and smaller businesses around the world creating and supplying products that are used by all of us.

As a past Chairman and a current voting member of the Architectural Control Committee, I have gained the experience and knowledge required for this next step to the HOC board. I am committed to working with homeowners to help them navigate the requirements that keep our Villages community beautiful and safe.

Richard Zahner

I am honored to be considered for the position of Director of the Homeowners Board of Directors. I currently serve as Chair of the Architectural Control Committee and look forward to serving the Homeowners of The Villages as Director.

Barbara and I raised our family in the Almaden Valley of San Jose. After 44 years we moved to a well-tended home with garden in Verano. I am a member of the Men's Golf Club, Veteran's Club and Hiking Club. We enjoy life here and plan to contribute to the governance of the Corporation to maintain and enhance the quality of life at The Villages and to the value of our home.

After serving six years on active duty with the Navy, I spent over 40 years in the electric power business with Bechtel Company and Calpine Corporation, developing, building and operating nuclear, gas-fired and solar power plants. I also served as President of Gilroy's Economic Development Corporation and consulted to power and industrial clients.

I have served on the San Jose Clean Energy Advisory Commission, and Santa Clara Valley Water District's Resources and Environment Commission and on the Santa Clara County Civil Grand Jury. Currently, I serve on the St Francis of Assisi Finance Committee and Mental Health Ministry and a member of Presentation High School's Board of Regents. I am a retired Captain USN Reserve.

I welcome the opportunity to serve The Villages community.

Voting Tips:

Want Your Vote To Count?

Use both envelopes and keep the barcode intact!

Why Use Two Envelopes to Vote?

The inner one keeps your vote a secret!

The outer one registers you as a member in good standing who is eligible to vote!

Is My Ballot Secret?

Yes, if you seal both matching colored envelopes!

Why Are Ballots in Different Colors?

- Blue is for the Association election.
 - Buff is for the Club election.
 - Green is for the Homeowners' election.
- Don't get them mixed up!

Don't Mix Up Ballot and Envelope Colors

The colors have to match for your vote to be valid!

RELIGION

CATHOLIC COMMUNITY

Mass: Until Public Masses resume, here are a few options: EWTN can be found on Comcast Channel 229; Check the SFOA website which has links to daily and Sunday Masses at www.sfoasj.com

The Diocese of San Jose website and Facebook page have links to daily and Sunday Masses at www.dsj.org

When Will Public Masses Resume?

From St. Francis of Assisi Parish: There has been significant media coverage about the reopening of churches, and SFOA wants to provide you with some clarity. Presently, the County of Santa Clara Public Health Department Order restricts the reopening of houses of worship. The County has not yet provided us with a date, a determination of the size of gatherings, or other guidance for public Masses. The Governor released state guidance on Monday, May 25; however, it will still be up to the County to determine how and when to implement them in this jurisdiction.

From the Diocese of San Jose: Parishes are now working to implement the many adaptations, train their liturgical ministers, and have the necessary equipment required in anticipation for when the County Health Department lifts the current restrictions. Until the public Masses take place again in our Diocese, our parishes will continue to livestream Masses and provide online ministry in response to the spiritual needs of their communities. Even after the public Masses resume, livestreaming and online ministry will continue for the high-risk parishioners, who will need to continue to stay home for their own safety.

Stay up to date with the latest information by checking the websites for SFOA and the Diocese listed below. If you are not already receiving daily emails from SFOA, please call or email Rosie Olivas at 408-223-1562, or rolivas@dsj.org to request to be added to the daily emails.

Mass Intentions: If you would like offer a Mass for someone, contact Jean Gillette at 408-270-5723. Please submit your request at least four weeks in advance if you want it listed in the Church bulletin.

Friday Mass at 9 a.m.: These Masses have been canceled until further notice.

Recently my wife and I had the pleasure of working with Jeanette Campa Broker of JABEZ Realty. We found her to be a professional realtor and very experienced. We had two transactions with her, one with selling a property, one was buying a property. Both processes went very smoothly due to her attention to detail. Her experience really shows in how she interacts with all parties involved. We have used many realtors in the past after being involved in 22 real estate transactions, Jeanette Campa is the only realtors we would use in her region. Bill T. 5/28/2020

COMMUNITY CHAPEL

'Fathomless Love'

By Pastor Bill Hayden

The question is relevant today as it was many years ago when a man or women asks, "Do you love me?" It is a question that is asked to determine the level of a person's commitment to another person. You want to know if that person loves you with the same fervor and passion that you love them with.

Many people respond positively to the question in a moment of heated passion but when the ambers have cooled and the winds of adversity blow, the yes turns to "I don't know?" It is effortless to say that you love someone when everything is easy, like a gentle breeze on a Sunday afternoon. Couples have stood before an officiant and witnesses to confess their love for each other in marriage only to end in separation or divorce.

We are broken people who live in a broken world with imperfection in every human being. We all have idiosyncrasies whether it's physical, intellectual, socioeconomical, ethnical, political, religious or our disposition... just to name a few that can test our love. Any one of these characteristics, if negative, can fester into a sore that turns into a deep wound that can destroy a person's love for another and end a relationship.

After asking that question once to my girlfriend (wife today), it is without question that her love and commitment to me is unconditional after over 52 years of marriage. Yes, she has the same commitment from me! There is no love without sacrifice! If we are unwilling for our love to overcome each other's imperfections the relationship doesn't have a chance to survive over time.

Today, God is asking that same question, "Do you love me?" God's love for you has been tested and proven by His gracious sacrificial gift of His one and only Son. After all, He died that we could live eternally in His divine presence and fathomless love. It is His love and grace that enables us to love beyond each other's human imperfections.

If your response to that question is yes and I pray that it is, you are ready to be a conduit of His love. So, let our love be without limits just as God commended His love toward us while we were His enemies.

John 14:21 NLT "Those who accept my commandments and obey them are the ones who love me. And because they love me, my Father will love them. And I will love them and reveal myself to each of them."

What a day of rejoicing it will be, when we join in worship and celebration of His Fathomless Love at the Village Community Chapel before we reach Heaven's Gates.

As per the CDC and the Villages Management, all congregational meetings have been cancelled until we receive clearance to assemble due to the possibility of Coronavirus spreading. **Good news!** Pastor Bill will still deliver his Sunday Morning Sermon Message on audio. You can listen to his sermon via our Villages Community Website at Villagescommunitychapel.org later in the day.

May God bless all of you with good health and reach out to someone!

EPISCOPAL

'Sheltering in Summer'

By The Rev. Julia McCray-Goldsmith

Ugh. It's a hot one today and I just snapped at my husband for no good reason. I'll apologize and we'll be fine, but it's probably equally important for me to examine what I did and why. It's been a long season of marital togetherness (we both work mostly at home) and if I'm not careful, I'll unthinkingly project whatever discomfort I'm feeling (which may have to do with the virus, the weather or the state of the unwashed dishes...) onto the person closest to me.

Believe it or not, Christian community is formed out of everyday challenges just like this. That is, out of the inevitable tension of being close together, committed to one another's wellbeing and—for much of the history of the early church—contending with external stress and even threats. This was the context in which the Letter to the Colossians was written in the mid-first century, likely by Paul or one of his close associates when he was in jail. But even in captivity, the Apostle was imagining the new humanity we are made to be in Christ. In Colossians 3:12-15 he wrote:

"As God's chosen ones, holy and beloved, clothe yourselves with compassion, kindness, humility, meekness, and patience. Bear with one another and, if anyone has a complaint against another, forgive each other; just as the Lord has forgiven you, so you also must forgive. Above all, clothe yourselves with love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in the one body. And be thankful."

And there we have it. Compassion, kindness, humility, meekness, patience, forgiveness and thankfulness. These simple rules of self-discipline have never been more important, and become more important as the days get warmer and sheltering gets longer. Followers of Jesus are sometimes called to heroism and extraordinary sacrifice, but more often we are called to bear with one another and actually do such holy acts as being kind and forgiving. I'd have lots more to say about this, but right now I have to humbly ask my husband's forgiveness. What holy act of Christian community are you called to today?

18-HOLE WOMEN

By Phyllis Mueller

This week Asako Nakamura was out playing golf after recovering from hip replacement. She amazed her foursome by shooting 89, not bad for a young lady soon to celebrate her 93rd birthday. How many times have we heard people hoping to one day shoot their age? Well, Asako beat that by 4. Today as she was coming in on the 9th hole we were advised she shot 43 on the front nine, looks like she was trying to improve on her 89. Asako, thank you for inspiring us all to be better and never say never.

SWINGERS

By Wendy Ferguson

Forty-eight Swingers showed up to play on the Tuesday after Memorial Day. While we can't hold regular sweeps tournaments or enjoy our shotgun start, it was great to see so many familiar faces.

Team Play Captain, Renee Woolard, reported that WNHGA has decided to cancel all Team Play events for the 2020 season. I'm waiting for updates from the Peninsula Area WNHGA clubs (Almaden CC, Palo Alto Hills G&CC, Peninsula G&CC, San Jose CC, Saratoga CC, and Stanford University GC) about the status of upcoming events at their clubs due to on-going COVID-19 restrictions. Hopefully, we will be able to hold an exchange day or guest day by year-end!

Seven Fun Facts About Golf:

#1) Longest Recorded Drive Was 515 Yards—English-American pro golfer and kinesiology expert Michael Hoke Austin is credited with making the longest drive. While playing in the U.S. National Seniors Tournament in 1974, Hoke drove the ball a mind-boggling 515 yards.

#2) First 18-Hole Course Was on a Sheep Farm—America's first 18-hole golf course constructed on a sheep farm in Downer's Grove, Illinois in 1892. The Downer's Grove Golf Course is still operating, although it's now 9 holes only.

#3) Golf Balls Were Originally Made of Wood—Some of the first golf balls were made entirely of hardwood, such as beech and box trees. These balls appeared during the 14th century and remained in use until the 17th century.

#4) Other Golf Balls Were Made of Feathers—An alternative type of golf ball, known as a feathery, also appeared around the era of the wooden ball. A feathery was a leather pouch filled with chicken or goose feathers.

#5) Golf Was Played on The Moon—Golf is one of the two only sports to be played on the moon. Do you know what the other sport is that was reportedly played on the moon? Find the answer in next week's column.

#6) It's a Good Workout! Golf is an excellent workout that burns calories while promoting greater muscle mass. According to ShapeFit.com, a typical golfer will burn 431 calories per hour — assuming he or she is walking across the course instead of riding a golf cart.

#7) Development of New Golf Courses Is Banned in China—China's government placed a ban on all new golf courses several years ago. However, this hasn't stopped cities and local communities from building them. To get around the ban, developers conveniently avoid mentioning the fact that they are building a golf course in the proposed plans!

SHONIS

By Tom Zades

The Shonis are taking full advantage of the flexibility of playing the Par-3 Course "any day of the week." They seem to be saving the Tuesday morning time slot for when sweeps resume. Betty Stednitz and Linda McCarley have reportedly been the only ones playing in the usual Tuesday morning time slot recently. Bonnie Evans and Michelle Pres were "the only ones out there" one Monday afternoon, right before the predicted heat wave in late May. But Bonnie says that she plays the Par-3 Course "whenever we feel like it," during the week and that she sees Shoni twosomes out there whenever she plays. "I've ... seen just about all of our golfers at one time or another," she says.

Marlene Wilde

Determined to return to some sense of normalcy, Bonnie announced June 1 that Shonis may resume tracking their handicaps. Each golfer may place her scorecard in Handicap Chair Delma Juarez's mail tube, as long as she golfed with another Shoni. And be honest about your putts, the announcement said, so that handicaps reflect real games: "If the ball hits the cup straight and would have gone in, it's a one-putt; if it grazes the cup and probably wouldn't have gone in, it's a two-putt."

Also, Qualifiers will be able to get qualifying rounds in during this time if they golf with a Shoni Board member or former Board member. "And please be *careful* that the cards are accurate," said Bonnie. "There's no rush! Take your time and add and subtract correctly."

Fran Schumaker continues to offer weekly comfort food recipes and recommendations. This week she shared a number of wonderful ideas for lunch ("The orphan meal of the day," she called it.) She was going to write about baking, she said, but "it was too hot to turn the oven on!" For a number of great recipe ideas, send an email request directly to Fran (ftschumaker@gmail.com) or through Bonnie (bhe52371@yahoo.com)

Our featured Shoni this week, in a photo snapped Tuesday, May 19, is social member Marlene Wilde. (No relation to Oscar.)

MEN'S GOLF CLUB

By Kyle Finley (kylefinley@outlook.com), website www.villagesgolfers.com

Message from the GCC (courtesy of Ron Burke): All our restrictive roping is now in place and despite the increase in cart traffic many of our sensitive turf areas are not showing signs of significant damage. This is good news. However, there are four specific areas that require some special care.

1. The mouth of the 14th fairway. This is one of the most damaged areas. Many of our members are ignoring the horizontal roping which is intended to direct cart traffic to the left and are entering the fairway right of the rope. This has created a defined cart path trail resulting in a hard pan area that continues to expand.

2. The #1 fairway. It is also beginning to show cart trail wear since many members are ignoring the directional roping and entering the fairway on the right-hand side. When we hit our drives to the right-hand side of these fairways our instinct is to follow our brain's instruction that the shortest distance between two points is a straight line. We need to override our brain's wiring and follow 90-degree rule by staying on the path until we are well beyond the #2 tees on these and other fairways.

3. The green complex on #3. This is also showing excessive cart wear. This green is surrounded by steep mounding and has special exemptions for Handicap carts. These designated carts can park on the left side of the green below the mound peak but must return to the cart path before proceeding to the next hole. Naturally, all able-bodied cart drivers are expected to remain on the cart path.

4. The green complex on #5. There is significant abuse on the left side all the way to the bocce ball courts. This area was almost healed after the pause in play but is now becoming a cart path trail. Handicap carts should follow the same procedure as on #3, and able-bodied cart drivers should remain on the cart path.

Let us all try to follow these golf cart etiquette guidelines to keep our course as beautiful as it can be.

PICKLEBALL

By Linda Eige

Pickleball turns 55 this year! There is no question (there never really was) that pickleball now fully qualifies to be here at The Villages! Pickleball was invented in 1965 and has been played enthusiastically here at The Villages since 2014.

The popularity of the game continues to grow nationwide. One of the biggest obstacles we have is having enough court space for everyone that would like to play.

The Villages Pickleball Club volunteers pounded the pavement last week to hand out flyers regarding the proposed new pickleball courts. Please be sure to vote promptly!

I'm looking forward to seeing everyone back on the courts!

Pickleball Club president Bill Pomeranz distributing flyers.

TENNIS TALK

By Betty Olsen

After attending three Zoom meetings on Tuesday, May 26, this is the news I have to report to Villages Tennis Club!

First, the TC Board is switching tennis court reservations to online when we are finally allowed to play. Also, pickleball will be using the same online system (courtesy of TC member M.A. Sridhar) to make their PB reservations on courts 5 & 6. When PB have their new courts built, they will have their own online reservation system, and courts 5 & 6 will be for tennis only. No more dashes down to the tennis shack to either make a reservation or to cancel a reservation. That will now be available with a click of a button from your computer, iPad, iPhone, android phones, tablets, etc.

The question is when will we be allowed to play tennis? Your guess is as good as mine! But when we are finally given the green light, you will have a clear calendar to view and make your reservation. All the same reservation rules apply as if you are signing from the shack.

Please take some time now to try out the online reservation system. Go to our website: Villagestennisclub.org. and click the "book a court" button and the calendar will appear for you to use. This is available now for you to try and make a few trial reservations and for us to find any problems so they can be worked out before tennis is open. If you have problems, please call Phyllis Seeger.

Second, the CBOD approved the financing of the pickleball courts yesterday, and now the ballots will be sent out around June 1st to vote on the project. The Tennis Club Board voted yesterday to strongly support a "YES" vote for the pickleball courts. Also the TC/PBC joint committee is another Board that supports this project.

And thirdly, the Pickleball Board yesterday outlined their campaign to educate Villagers using fliers, newspaper articles, Town Hall Zoom meetings, etc. Bringing the pickleball courts to a vote has been a five-year project with a lot of thoughtful work and fundraising. I hope you all agree with me that this will be a wonderful additional amenity to the Villages community.

Villages Pedestrians' Golf Course Access

As we return to golf play safely at The Villages, we want to honor those Villagers that have become accustomed to walking on the golf course during these times of limited allowable physical activity.

Therefore, we will be limiting golf play with the last tee time at 3 p.m.

Golf Course Allowable Walking Times:

Mondays	Before 1pm After 7pm on all Holes
Tuesday-Sunday	Before 7am After 5pm on Holes #1-#9 After 7pm on all Holes

IRONMEN

Golf Champion: Tommy Bolt (1916-2008)

US Open Champion 1958

15 PGA Tour victories

US Ryder Cup Team 1955; 1957

World Golf Hall of Fame 2002

Tommy Bolt was nicknamed "Terrible Tommy," and it was seemingly deserved. He was known for his temper and for throwing his golf clubs. But he was also an excellent golfer. Bolt spent much of his early life as a carpenter while pursuing the game. He finally joined the PGA tour at the age of 34, and had a great career.

BOCCE NEWS

By Barbara Orlando

Last week was Memorial Day and a day for remembrance. On that weekend, bocce friends made a final toast to Joe Pulis, at an impromptu gathering (distancing) to say farewell to a wonderful man. So many kind words from teammates and friends. Anybody who knew Joe, could tell you he spent hours at the courts practicing, coaching and playing the game he loved. His friends will miss him at the bocce courts and in their lives, and remember him each and every time they play bocce. Joe, you will be missed!

Please see Joe's obituary in this week's Villager. Check out our website at villagesbocceclub.com for more photos of our dear friend.

Until we play bocce again, the courts are closed to all bocce play. Please stay safe and healthy.

Remembering our dear friend, Joe Pulis.

Scott Steele's Tips from the Pro:

What speed is the right speed?

Many golfers think the key on long putts is speed and shorter putts are more about line. Actually, speed is critical on *all* putts. The pace of the ball dictates the size of the hole. If you hit a putt firmly, the effective width of the cup might be two inches, but if the ball is rolling slowly, the cup might play twice as wide. You want your ball rolling slowly as it approaches the cup, this is called "hole speed".

To work on your hole speed, try this putting drill...

Set up an imaginary box on the putting green using four tees, three feet wide and about 18-inches deep. Drop three balls five feet from the center of the box, and try to roll all three into it the box. If a ball doesn't come to rest inside the boundaries, start over. Once you get all three, move back two feet, and do it again. Then go back another two feet, and so on, until you're about 15 feet out. Remember, a miss means you have to start over from that distance. This isn't an easy drill, but when you get good at it, you'll have distance control and hole speed...and believe me, you'll make a lot more putts.

In Memoriam and Obituary Notices

In Memoriam notices are run free of charge.

Notices include name of deceased, date of birth and date of passing. Brief notices of memorial gatherings may be included with the notice, providing event is held in a Villages' facility.

Obituary notices may be placed in the Classified Advertising section for a fee. For more information, please call Kory Tran at 408-754-1341 or Scott Hinrichs at 408-223-4655.

Maintenance Emergencies and/or Advice

The Maintenance Services Department's general work hours are Monday through Friday, 8 a.m. to 4:30 p.m. If you experience a maintenance emergency during those hours, please call the office right away at 408-223-4670. Even if you are certain the emergency is your responsibility, Maintenance Services can provide a list of contractors that are familiar with The Villages and may be helpful for the repair.

If a maintenance emergency occurs outside of the general work hours or during a holiday, please call Public Safety at 408-223-4665. The Public Safety Department will contact the Maintenance Area Supervisor and/or the appropriate contractor. Together, they will all help to resolve your maintenance emergency.

Dealer: West

Vulnerability: North/South

Bidding: West	North	East	South
Pass	1 Diamond	Pass	1 Heart
Pass	1 Spade	Pass	1 NoTrump
All Pass			

Contract: 1 NoTrump

Opening Lead: 9 of Clubs

Dealer has a Spade winner, 1 in Hearts, 2 in Diamonds, and 1 Club winner.

Strategy: Hope to develop an extra trick in Diamonds and maybe 1 in Clubs.

West leads the 9 of Clubs, and South wins with the Jack. At this point South is aware that the opposition has tricks in both black suits. His only hope is developing tricks in the red suits. He leads the 10 of Diamonds, West, the Queen, covers with the King on the board, and continues with a Diamond to the Jack in his hand. He switches to the King of Hearts, East takes the trick with the Ace, follows with a Diamond, and South uses his Ace. South then plays a Heart to the Queen on the board, leads the Ace of Clubs, follows with the Ace of Spades, and next leads a Spade. East takes the trick with the Queen, follows with the Jack of Spades, and West overtakes the trick with the King. West now plays the Queen of Clubs, then the King and uses his last card, the good Jack of Hearts. Great. The contract is made exactly. However, if South had decided to take a chance and hope the Queen of Diamonds is a singleton, then he could have led the Ace of Diamonds instead of the 10 and capture the Queen, and make an overtrick.

our loyal customers 'Roll With It !'**

**Complimentary
roll of Scott 2-ply
toilet paper**

**For every home delivery
order of \$20**

Two rolls with any \$40 home delivery order.

With social distancing orders in place, it is difficult to go to stores without feeling a little anxious. And even with grocery delivery services, one thing that seems to be in short supply is toilet paper.

As a token of our appreciation for supporting the Food Delivery Program, the Clubhouse is offering one roll of Scott two-ply toilet paper for every \$20 in delivery charges. For \$40 spent on food delivery you can get two rolls.

This offer may seem unusual, but we think Villagers can appreciate this until inventories are back to normal at stores. This offer of complimentary toilet paper for your food delivery order began Tuesday, April 14.

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

Household formation is a statistic that economists and others watch and report on. We hear that a significant number of people in their mid-to-late twenties these days are still living in their parents' homes. In our day, people were married in their early twenties, in many cases, and they were parents themselves by their mid-to-late twenties. And, of course, they were part of the household formation statistics.

If households were formed predominantly by married couples in our day, they are increasingly formed these days by groups of people or by unmarried couples. Most of these households will dissolve and reform over time. Households formed by married couples are much more likely to be permanent, although the couple will relocate a few times in their lives. The "life expectancy" of a household formed today is necessarily shorter than in days gone by.

We see that in the furniture, too. Sandy and I bought the best quality living room and dining room furniture that we could afford. We felt it had to last a lifetime. (It didn't, of course. Resources and requirements change over time.) Today we see the "big box" stores selling light-weight, inexpensive "assembly required" furniture to accommodate the formation of temporary households. But most young people today will eventually find high-quality, more or less permanent love in their lives, even if there is some assembly required.

OBITUARY

Joseph Pulis

March 15, 1927 – May 23, 2020

The world welcomed a very special guy when Joe was born in Malta on March 15, 1927, the first of four children. He grew up in the capital city of Valletta, and as a young teenager, experienced firsthand the violence of WWII. He and his family managed to survive the many air raids and bombings that occurred daily.

In 1950, at the age of 23, he emigrated to the U.S., sponsored by his aunt and settled in San Francisco. He pursued a very successful career in sales. Those of us who know him can understand why he was so successful.

In late 1999 Joe moved to The Villages. Here he became an early morning pool user and amassed a number of "pool buddies," swimming and schmoozing with gusto. In recent years he embraced bocce with a passion, as he did soccer in his younger years. He was a life-long lover of opera.

Joe is survived by two children, 2 grandchildren, 3 great-grandchildren, a brother and his wife Francesca. He left us on May 23 but is alive in our memories.

Remember your loved one with a memorial gift to EVF

Please remember the Evergreen Villages Foundation (EVF) when you are considering a memorial gift in honor of a loved one. The EVF sends a lovely acknowledgement from you. www.evfsj.org

Remember someone with a memorial gift to the VMA

Honor the life of your friend or loved one by funding the services to extend the quality of life for other Villagers. A memorial gift to the Villages Medical Auxiliary (VMA) honors the loved one lost and promotes the work of the VMA. If you have any questions on how to give, call the VMA office at 408-238-4230. All donations to the VMA are tax deductible.
