## Attention Residents:

Due to The Villages being a high-risk senior community, and to comply with State and County Health orders, all Villages amenities (including golf) are closed to guests until further notice. This includes outdoor seating at the restaurant.

The County of Santa Clara issued Shelter-in-Place Order Updates on June 5 that allow certain additional businesses and activities to resume, subject to restrictions to reduce transmission risk.

Included in those activities was: Outdoor dining at restaurants and other facilities that prepare and serve food, subject to limitations/social distancing, and all outdoor recreational activities that do not involve physical contact, with social distancing, including swimming pools, hiking, tennis, golf, etc.

## Boards select 2020/2021 officers

**The Villages Golf and Country Club Board of Directors** conducted its organizational meeting Friday, June 12 to select officers.

The 2020/2021 Club Board officers are:

President	Teddy Morse
Vice President	Mike Falarski
Secretary	Jan Champion
Treasurer	Rick Casey

**The Villages Association Board of Directors** appointed Tom McLaughlin to fill a director vacancy and elected its officers at its organizational meeting Tuesday, June 16.

The 2020/2021 Association Board officers are:

President	David Cook
Vice President	Diana Hallock
Secretary	Richard Holmboe
Treasurer	Julie Wash
Directors	Garry Ashby, Tom McLaughlin, and Noel Lanctot

**The Villages Homeowners' Corporation Board of Directors** elected its officers on Thursday, June 18, (past *The Villager* publishing deadline) and their names will appear on Fast Lane and in next week's *Villager*.

## Swimming Pool Report: Q&A on Villages Pools

By Valerie Smith

First the facts: As with most human activities, swimming has been substantially impacted by the Covid-19 pandemic. As of this writing over 110,000 Americans have died of Covid-19 and over two million are infected. The Villages residents are part of the high-risk population as defined by the CDC.

Villages management and Boards are following county and state public health orders with the restrictions that are currently in place and are prioritizing the health and safety of residents. It would be unimaginably negligent for The Villages to simply open its pools and allow them to be used the way we did before Covid-19.

**Q: Why weren't pools opened when the golf courses were opened a few weeks ago?**

**A:** It is easier to maintain social distancing and using masks while playing golf. Masks cannot be used in a pool, which makes social distancing more critical. These factors had much to do with the earlier lifting of restrictions on golf courses by the county and state. The Public Health Orders did not allow swimming in "public" pools when the golf course opened.

**Q: Why do we need pool monitors and why can't they be volunteers?**

**A:** Pools require monitors to ensure that social distancing is maintained at all times. Pool monitors are mandated by the Santa Clara County Public Health Order, June 5, 2020. If a pool monitor is not available, then the pool must close. The Villages is required to utilize paid pool monitors (because of labor law) who must be tested and trained before they can start work.

**Q: Why is Foothill the only pool open?**

**A:** Foothill was selected for opening first because it's our largest pool; it has marked lanes, which makes in-pool separation of people easier. Its size allows the maximum number of swimmers at any one time, which is seven persons.

Montgomery and Cribari pools remain closed as we build up our roster of pool monitors and gain experience in managing a pool with Covid-19 restrictions in place.

Vineyard Pool was closed earlier this year for resurfacing which has been significantly delayed due to Covid-19's impact on schedules for workers and County inspectors. The best guess now is that it will be completed in late summer, but that could change.

**Q: Can we go to Foothill and swim when we feel like it?**

**A:** No. Due to social distancing only seven people at a time can swim at this pool. Therefore it's necessary to make a reservation by calling 408-223-4636 between 9 a.m. and 3 p.m. Currently you are allowed to make reservations for three swims each week and for up to one week in advance. This may change as the reservation system is adjusted.

**Q: How long can we swim and what else do we need to know?**

**A:** At this time swimmers are allowed to swim for 45 minutes. You will have a defined pool lane where you can swim or exercise. You cannot leave your lane.

Why are we fussing about tickets for not making legal stops in The Villages.' Is running someone down here less of a concern than outside the gates? I should hope not.

When you leave The Villages do you ask the chief of police in San Jose to let you slide through a stop sign without legal consequences? You were told about the rules when you moved here.

—Jean Gillette

The contractual conflict between the CBOD and the ABOD is extremely troubling. About 10 years ago The Villages was consumed by a controversial proposal called the MBOR. Two members of the present CBOD were instrumental in its writing. MBOR was an alternative way for our three Corporate Boards to function. Among MBOR's concepts was the need for MORE TRANSPARENCY. For many reasons, the Villagers voted to defeat it. We are again in conflict involving these Boards and again these CBOD members are leaders in this massive contractual change. TRANSPARENCY, a KEY concept in the MBOR, has been reversed to NO-TRANSPARENCY in this conflict. The only written communication Villagers have received is from the ABOD. Villagers know nothing. The CBOD prepared a document in secret. After the 2020 budget was set by the ABOD, the CBOD presented its demands. We must require TRANSPARENCY. After the COVAD-19 shelter-in-place restrictions are lifted to allow large public gatherings, there must be LIVE public hearing(s) in Cribari's Auditorium (not Zoom) before this can be resolved. Leaders need to address all issues and define the necessity to have these issues implemented. END CHAOS! Demand a minimum one-year extension of the present agreement.

—Jack McCarthy

I wish to address one point the Club Board uses for the justification of their suggested changes and that is, staff is overworked due to the volume of office traffic generated by the Club and Association Boards, as well as the DAC Committees.

Originally, at the time The Villages was incorporated as a State-recognized Corporation, there existed contact guidelines, between the Club Board, the Association Board and the DAC committees. The Club Board would contact the Association, as needed, and the Association Board would make arrangements for any contact with the Club Board. DAC members had no avenue of contact with either of the two Boards, unless it was through the president of their individual DAC. It appears the current staff level is unable to maintain reasonable working hours. The General Manager, is complaining to the Club Board. This is part of the justification for their controversial proposals. There is an approach to lessen their work, while not hiring another Management firm, and that would be to revert to the original policy of no casual contact between the three levels of management. The current G.M. should draft a policy, returning the day-to-day operation with his office, as existed when The Villages was incorporated.

—Carm J. Grande

## FROM THE AD HOC PICKLEBALL COMMITTEE

### Proposed Pickleball Courts Project

By Howie Blumstein and Anahid Gregg

**Misconceptions:** There appears to be a misconception among The Villages community that if the Pickleball Courts Project is not approved there will be a savings of \$1 Million to the community

Funding for this project includes \$400,000 raised by the Pickleball Club and \$75,000 from the Evergreen Villages Foundation (EVF). If the vote does not approve building the Pickleball Courts, the \$475,000 will not accrue to The Villages Golf and Country Club to be used for other purposes. Additionally, \$142,900 (\$25,000 from the Pickleball Club portion referred to) has been spent on soft costs to date.

There is also a misconception that funds from the Capital Improvement Fund (Capital Fund) can be utilized for purposes other than a capital project. A Capital Project is the addition of an amenity that does not exist in our community.

As stated in several Ad Hoc Committee articles “It should be noted The Villages Bylaws (Article 8.2.5) has a provision stating that money in the Capital Fund can only be utilized for a Capital Improvement. Funds in this account cannot be used for any other purpose such as offsetting operating/reserve expenses.”

**Maintenance:** Maintenance costs include operating and anticipated reserve costs for amenities, structures, vehicles, etc. These costs will be minimal for the pickleball courts. The fiscal year 2020/2021 (FY21) operating and reserve assessments for our six tennis courts is less than \$1.45 per month for Villages Members. Four pickleball courts fit in an area a little larger than one tennis court. With the golf cart parking area, this project covers an area approximately the size of two tennis courts. Including the golf cart parking area, the monthly operating and reserve costs are expected to be less than budgeted for the six tennis courts. Furthermore, funds will be saved for landscaping and water expenditures that will not be required for the area replaced by the pickleball courts and golf cart parking lot.

**Conclusion:** Additional assessments will not be needed to construct the Pickleball Courts, as the entire cost (\$1,029,046) to complete the project is fully financed by donations (\$400,000) from the Pickleball Club and numerous Villagers, \$75,000 from EVF and \$554,046 from the Capital Fund.

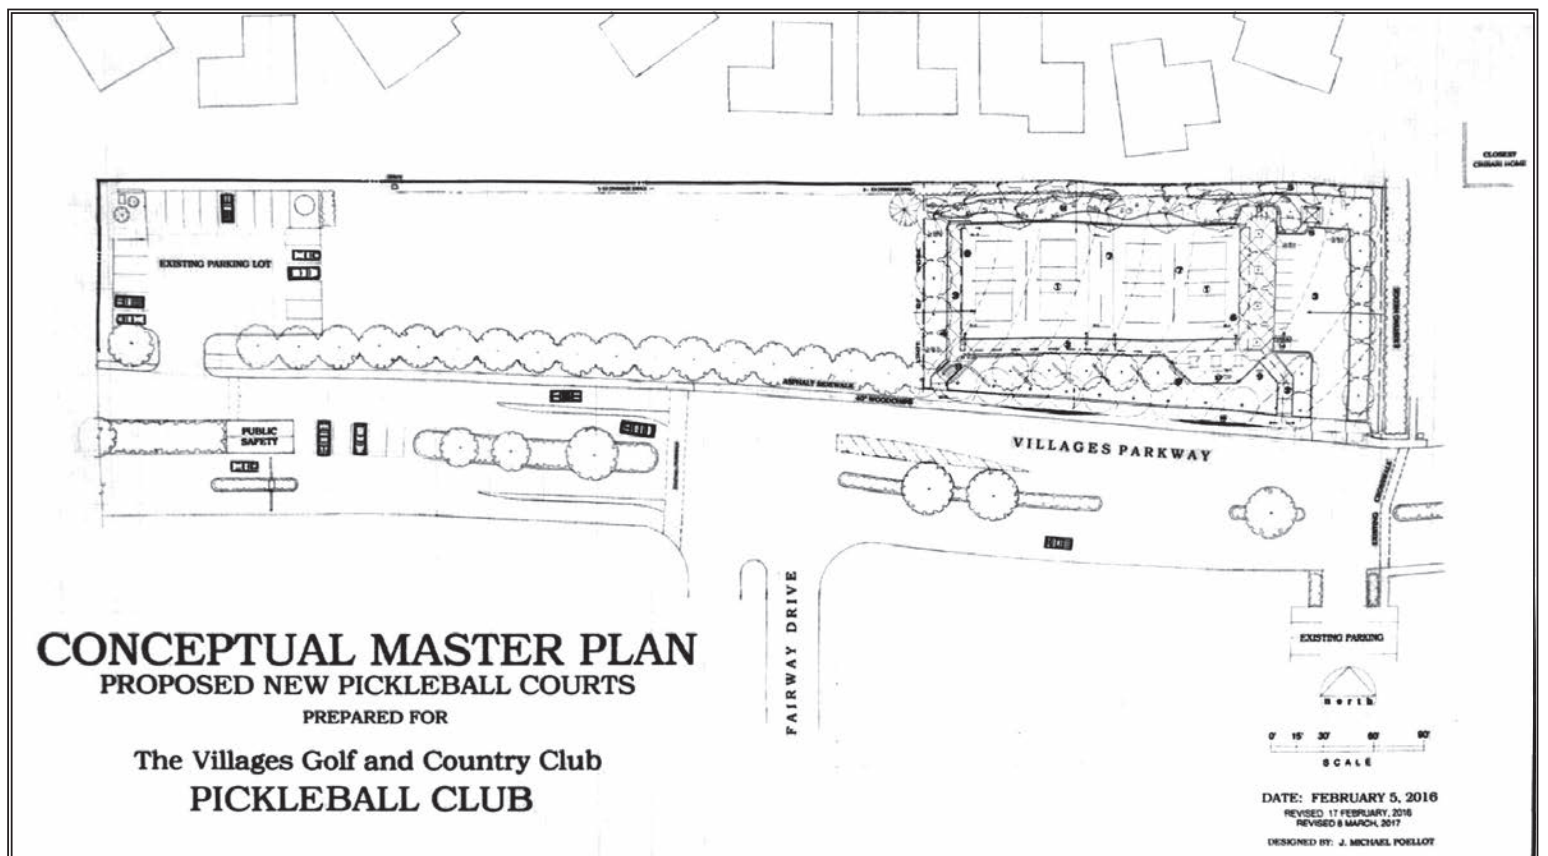

The following Pulse letter/Nextdoor post from two Villagers highlight the benefits to our community.

“When my parents lived here 20 years ago the Bistro Bar & Grille and the Fitness Center did not exist. Fortunately, ...there were groups of individuals that guided these improvements through to completion. It is my belief that these “new” facilities have helped keep The Villages a state-of-the-art retirement community unequalled in Northern California. I believe the same thing will be said in the future about the proposed Pickleball facility.”

“Not only will the Pickleball courts be a wonderful amenity for those who use them, but they will also enhance our home values. With people concerned about expenses and rising HOA fees, it is refreshing to see such a valuable project self fund. ...I do not play pickleball, but I believe that the pickleball courts will be a good addition to the amenities in our Villages. It will not raise our HOA costs, but it will certainly increase the desirability of living in The Villages, which will increase our property values.”

**Roundtable Presentation:** A Villages Pickleball Courts Roundtable presentation, in lieu of a Town Hall meeting, can be watched/viewed on Channel 27 (6:00 & 12:00 a.m./p.m.) or on the Villages Resident Portal at your leisure. It is also available on the Pickleball Club’s website at [villagespickleball.org](http://villagespickleball.org). The presentation includes the project summary, history of pickleball in our community, questions (asked by Villagers) and answers, project finances, contracting processes and wrap-up. Viewing time is less than 25 minutes.

For additional questions or comments to the Pickleball Ad Hoc Committee, please contact us at [pbahc@googlegroups.com](mailto:pbahc@googlegroups.com). Larry Martinson, Chairman, Howie Blumstein, Ken Brooks, David Cook, Garry Gray, Anahid Gregg, Bev Poellot

This is the Conceptual Master Plan view of the Pickleball Courts, showing that only a third of the Village Green will be utilized and where the golf cart parking will be located.

# MANAGEMENT

## PUBLIC SAFETY

### *Leash rule for pets*

Residents are reminded, as per Club Rule 1.51, that pets must be kept on a leash, under control, and attended to at all times. This rule also applies to the Hill Lands.

### *Owners responsible for cleaning up after their pets*

The Villages Rules and CC&Rs states it is the owner's/handler's responsibility for immediately cleaning and disposing of pet excrements in a sealed container. We are finding and hearing that some owners are not immediately cleaning up after their pets and assume that it is the responsibility of the landscaping crew, which it is not.

The pet poop should be picked up immediately and placed into the dumpsters in the trash enclosure near your home or in the designated pet poop stations in the center parking lots. Please do not place any pet poop in any restrooms or other containers at any of the various centers.

Please help us keep our beautiful community clean.

### *Don't feed the 'critters'*

The Villages is also home to a variety of wildlife. Many Villagers feel that being a good host necessitates feeding our four-legged or winged guests on a routine basis, which can be quite detrimental to our wild friends. Problems arise when animals have access to food and garbage left out by residents. They develop an appetite for easy pickings and return for more. When this happens, they often lose their natural fear of humans and can become aggressive. To prevent that, residents should not leave out any type of food in a manner that may become accessible to our wild friends. Please comply with Villages Golf & County Club Rule 1.51.4, which states: "Feeding of waterfowl and other wild animals on a routine basis is prohibited for the protection of both residents and the animals."

## COMMUNICATIONS ADVISORY COMMITTEE

### *Pulse Letter Report*

The Communications Advisory Committee (CAC) is responsible for processing all Pulse letters submitted by Villagers. The committee is a Club Board subcommittee and, in addition to receiving Pulse letters, it serves in an advisory capacity in relation to the various Villages media, including print and electronic communications.

To follow are the statistics for Pulse letters received between January 1 and June 12, 2020.

Total letters received for the period of January 1 to June 12	78
Pulse letters deferred for revisions	10
Revisions completed in time for publication	9
	(1 letter withdrawn by author)
Total letters withdrawn	6
Letters transferred to Above & Beyond or Bouquets column	5
Total letters rejected for this period	1

In most cases, letters in need of revisions do not comply with VG&CC Rule 1.30. The Communication Advisory Committee (CAC) values all opinions expressed in the Pulse letters and makes every effort to work with authors to bring letters into compliance with the guidelines. A letter is only rejected if there is no way to bring it into compliance with rule 1.30.

This year, most letters deferred for revisions were resubmitted in time for that cycle of publication. One author opted to withdraw a letter in lieu of editing. Occasionally, letters are withdrawn by authors for various reasons prior to publication. When letter authors or letter authors writing on behalf of groups want to publicly thank someone by name, the letters are recategorized as Above & Beyond or Bouquet items, with the permission of the authors.

## **(SRS) SENIOR RESOURCE SERVICES**

### *SRS Special Reminder: Record retention handout*

The May 28th Villager discussed the availability of an SRS handout titled "Record Retention: What personal documents should you keep and for how long?" This handout classifies things by length of time: What to keep for one year; four years, seven years, while still active, and to keep forever.

If you would like the handout, call the SRS office at 408-239-5253 and ask to have the handout e-mailed to you.

### *PG&E CARE program—save on your utility bill*

Budget stretched? Have low income? Save 30 to 35 percent on your electric bill and 20 percent on your natural gas bill by using the PG&E CARE program (California Alternate Rates for Energy). This program provides a monthly discount on energy bills for income-qualified households.

Qualification is based on two things: 1) the number of persons living in your home and 2) your total annual household income. The total gross annual income (based on the number of household members) must be at or below the amount shown below:

Size of Household	Income
1 or 2	\$34,480
3	\$43,440

This income limit is inflation indexed so you may now qualify even if you did not qualify in prior years. Or you may qualify this year because your work hours have been reduced or you are unemployed.

You should be aware that PG&E defines income as money from all household members and from any source including non-taxable as well as taxable income sources. Pensions, 100 percent of your Social Security benefits, disability payments and unemployment benefits are some examples of income.

You may also qualify for the CARE program if you participate in a public assistance program such as Supplemental Security Income (SSI) or Medicaid/Medi-Cal.

You may apply for this program online at [pge.com/care](http://pge.com/care) or you may ask for an application by telephone at 1-866-743-2273. The application is short; you give your account number, name, address, check a box to show you qualify by income or by a public assistance program and sign to certify that your information is correct. No documentation is required with the application.

After enrollment, some applicants are contacted by PG&E to provide proof of qualifying household income. PG&E will ask you to renew your eligibility every two years; four years if a senior on a fixed income.

The program should start the next month after you apply. The phrase: "CARE Discount" appears on the first page of your bill, under the heading, "Your Enrolled Programs." On your PG&E statement, below the line titled "Total Amount Due" is a line that will read "Current charges include a discount of \$xx.xx for CARE."

If you qualify for this program, act now. The sooner you apply, the sooner you will start to save. Call the SRS office at 408-239-5253 if you have questions for a volunteer.

## Swimming Pools Report...

(Continued from front page)

You may arrive at Foothill five minutes before your reserved time. You must wear a mask when you enter the pool deck and have your resident ID ready for the monitor to check. Bring your own hand sanitizer to use before entering the pools. Maintain 6 feet of distancing on the pool deck—there are painted circles located 6 feet apart on the deck. At your reserved time you will remove your mask and get in a vacant lane. When you are done swimming please gather your possessions and depart the pool area immediately.

There is no pool furniture at Foothill. If you need to sit and wait before your time to swim please do so in your car or golf cart. There is no sunbathing or resident onlookers allowed on the pool deck.

**Q: What temperature is the water at Foothill?**

**A:** 83 degrees.

**Q: Can we use the spa?**

**A:** No, the spa is closed until further notice.

**Q: Can we shower at the pool?**

**A:** The outdoor shower is available for rinsing only. (Please do not use this shower for a full-on shower experience, i.e., soaping/shampooing). The indoor shower is not operating. Toilets and hand-washing sinks are available for use.

**Q: Are there any restrictions on who can swim?**

**A:** Yes, there have always been restrictions. You cannot go into any of our pools or spas if you have an open wound of any sort, have an active illness, or have or have had diarrhea within the past 14 days. Swimming is prohibited if you have any symptoms of Covid-19—mild to severe respiratory illness with fever, coughing, difficulty breathing or other symptoms identified by the CDC. Also we are not allowing children or other guests to swim at this time.

**Q: What about other risk factors?**

**A:** Here's what Santa Clara County defines as other risk factors for swimmers: high blood pressure, chronic lung disease, diabetes, obesity, asthma and compromised immune system from chemotherapy.

**Q: Don't pool chemicals kill all viruses, including Covid-19?**

**A:** Most experts agree that chlorine and other pool chemicals do kill viruses. However, other people and "touch points" around the pool area present the possibility of viral transmission.

**Q: When will we go back to "normal" swimming?**

**A:** When Covid-19 is no longer a threat to the health of our residents. This will be come in the form of health orders from the county and the state.

**Q: Where can we find more information about the Villages pools?**

Good sources of information are Fast Lane, the resident portal at [villagesgcc.com](http://villagesgcc.com), and this newspaper.

**Curbside Grab-and-Go Menu has expanded:** The Curbside Service is now using the expanded Clubhouse menu. (See menus on pages 7 and 8.)

**Some Outside Seating Now Open:** With the opening of Bistro Patio seating, our menu has expanded.

**Attention Golfers:** The Foyer of the main Clubhouse is opening at 7 a.m. offering coffee with "Quick Serve" breakfast items.

Lunch, beginning at 11 a.m., will include Quick Service Hamburgers, Cheeseburgers and Hot Dogs. Other curbside menu items will take 15 minutes to prepare.

Beverages will also be offered, such as water, sodas, Gatorade, and alcoholic beverages are available as well.

Alcoholic beverages sold through any of the Clubhouse food and beverage services may only be purchased in conjunction with a food order.

## Senior Academy: Free

### 'Earthquakes' online lecture

Senior Academy will present "Earthquakes at The Villages: What's Our Risk?" in a two-session Zoom webinar on Tuesday and Thursday, June 23 and 25, from 3 to 4 p.m. Our presenter, Bob Iacopi, is a Villager and author of the successful book "Earthquake Country." This is a free event and open to all Villagers. Pre-registration with Zoom is required, however the link for that can be found at the Senior Academy website at [VillagesSA.org](http://VillagesSA.org)

Earthquakes have been on the minds of Californians ever since the great 1906 San Francisco earthquake. How likely are we to have another earthquake of that size in the Bay Area and on the San Andreas fault? What exactly is the San Andreas Fault, anyway, and how close is it to The Villages? When "the big one" happens, how are we going to deal with the aftermath? Bob Iacopi will explain all of it in laymen's terms, to help us understand California's seismic history and future.

Bob is a native Californian and a graduate of Stanford University. He retired to The Villages in 2000 after a long career in the publishing industry. Bob continues writing on a variety of subjects, and stays abreast of current research efforts to understand our state's complicated fault system and the possibilities of earthquakes during our lifetimes. Please join us on June 23 and 25 for this very informative presentation!

## Introducing MLK Society, new Villages club

By Lee Thompson and Sam Brown

At the end of this past February (Black History Month), several Villagers got together and formed a new club here at The Villages—The Martin Luther King Society. The stated purpose of the Club is to "celebrate Black and African-American culture and traditions and to give all members and guests an opportunity to meet and share the Black American culture, customs, music, and various forms or activities and celebrations, including games and events associated with the Black American experience."

At the Club Board meeting of March 31, 2020, the MLK Society received formal and official approval and recognition as a Villages Board Recognized Club. The shelter-in-place and social distancing restraints prevented advertising or recruiting members, but now as The Villages open up and begin to emerge from the covid-19 driven restrictions, the Villages' MLK Society can also open up and emerge.

Even more fitting is that the MLK Society may serve to further discussions and activities that address what we in The Villages can do to bring about societal changes following the murder of George Floyd.

With that in mind, while still a work in progress, the MLK Society website: [ferret-trombone-9mde.squarespace.com](http://ferret-trombone-9mde.squarespace.com) - contains further information, including a link to download a paper suggesting useful and meaningful next steps. You are encouraged to visit the website and consider joining the MLK Society, and engaging in the national dialogue on a local level. Email us at [MLKSocietyVillages@gmail.com](mailto:MLKSocietyVillages@gmail.com) if you want to join the club, or have any questions or suggestion for activities that might be appropriate in recognition of the fourth of July.

## Villagers vote for favorite online art

Voters in the Arts & Crafts Association and in The Villages have chosen their favorites in three categories: Landscape, Water, and Spring Time. For "Art Challenge 1: Landscape," they voted Kathy Tanaka's poem about COVID-19 and hope, "Amid Chaos" as their favorite. Kathy's poem came with a photograph of our hillsides blooming with poppies.

"Art Challenge 2: Water" produced a favorite in a watercolor by Sharman Watkins called "Let's Get Our Toes Wet."

Terri Ford's pastel "Blossoms" was the favorite in "Art Challenge 3: Spring Time."

All Villagers are encouraged to enter their art works in the online "Art Challenge 4: Summer Time" by sending a photo of the art work to our Webmaster at [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com)

**The Evergreen Villages Foundation  
2019/2020 Annual Report Summary \*\***

May 1, 2019 Through April 30, 2020

The Evergreen Villages Foundation (EVF) has funded 27 projects since its founding in 2009. This year, through your continued support, three new projects were completed. These projects included the Clubhouse foyer project which enhanced the entrance to the Bistro and the Dining Room, new workout equipment in the Fitness Center, and new signage on our hill trails.

During the year we welcomed 110 new Sustaining Members to the EVF. Many joined as a result of our “Welcome to Tomorrow” campaign which kicked off in October. We welcome our new colleagues and look forward to working with them and the entire community to enhance our beautiful amenities here at The Villages.

We increased our communication outreach to our members and the community by unveiling our new website and launching a semi-annual newsletter. We also kicked off our first Sustaining Member events with our new “Flights and Bites” evenings in the Clubhouse.

Our sincere appreciation to you all. We look forward to another year working with you to support projects that will enhance our lives and living environment in The Villages. For the full report\*\* visit our website at [evfsj.org](http://evfsj.org)

### Kiki visits The Villages

By Tony Berg

On Tuesday, June 9, Mita Yun brought Kiki to The Villages—virtually, sponsored by the Villages Technology Explorers club.

Mita's company, Zoetic AI, has developed a robot pet that makes extensive use of Artificial Intelligence to learn about its owner and respond to their moods. Webinar attendees were given a chance to hear a little more about how Mita came to have developed her family of Kikis and how she has used her experience in many high-tech jobs to pull together the skills needed to create Kiki.

As with real pets Kiki has a personality and sometimes ignores her owner and does her own thing. It was an interesting opportunity for more than 60 Villagers (and their partners and friends) to get a glimpse of where technology is heading in offering comfort to seniors living alone.

The new experience of a webinar was challenging for the VTE team and also for the audience, but it helped break the routine of living in lock down. Watch for our next program!

## CATHOLIC COMMUNITY

**Reflection:** Celebrating the 15th Sunday in Ordinary Time gives us the opportunity to reflect deeply on God's influence in our lives. The Scriptures convey that God's presence in our lives enables us to overcome negative influences and work for the good of others. The ongoing protests occurring throughout the world clearly demonstrate the presence of racial injustice/racism in our communities. This reality is often based on fear, distrust, hatred and oppression. The Prophet Jeremiah dealt with this directly and moved from his own insecurity and self-doubt to greater faith in God's presence in him and his community so that his enemies would fail and the poor would be rescued from the wicked. St. Paul tells the community in Rome that living in relationship with God enables us to experience greater life. God can guide us out of racist attitudes and onto the path of goodness, justice and peace. St. Matthew inspires us to move beyond fear to realize that God protects, enlivens us all.

How are we to respond to God's word today? Here are three possible ways: (1) Ponder ways to be more inclusive of others; (2) Talk to another person about this issue; and (3) Connect with others to promote goodness in our community.

In conclusion, even in the midst of ongoing strife/racism, we can and must make a difference because God is in us, working through us to create a better community, one not marked by fear, ignorance and disrespect, but one that reveals goodness, justice and peace for all. — Robert A. Dolci, M.Div., M.A.

**Update on Sunday Mass Reopening:** In a recent communication from Bishop Cantu, he said: "We will follow the directives of the Santa Clara County Public Health Officer, who at this time is permitting outdoor worship in groups no larger than 25 persons. We will insist that all persons over the age of 6 attending these in-person celebrations wear face coverings, practice physical distancing of 6 feet between non-family members, and sanitize their hands when entering the worship space and immediately before receiving Communion.

It is essential that our in-person worship not be the cause of further outbreaks of infection, and so we will insist on these safety measures. If infection rates and hospitalizations do not spike, then we can expect the limitations on numbers and place of worship to be modified in due time.

I ask the faithful to follow specific instructions from their parish regarding Mass schedules and how to participate in in-person liturgies. The general dispensation from the obligation to attend Sunday Mass remains in effect for all Catholics in the Diocese of San Jose until further notice. Parishes will continue to livestream Masses."

## EPISCOPAL

**By The Rev. Julia McCray-Goldsmith**

May God bless you with a restless discomfort about easy answers, half-truths and superficial relationships, so that you may seek truth boldly and love deep within your heart. May God bless you with holy anger at injustice, oppression, and exploitation of people, so that you may tirelessly work for justice, freedom, and peace among all people. May God bless you with the gift of tears to shed with those who suffer from pain, rejection, starvation, or the loss of all that they cherish, so that you may reach out your hand to comfort them and transform their pain into joy. May God bless you with enough foolishness to believe that you really CAN make a difference in this world, so that you are able, with God's grace, to do what others claim cannot be done. And the blessing of God the Supreme Majesty and our Creator, Jesus Christ the Incarnate Word who is our brother and Savior, and the Holy Spirit, our Advocate and Guide, be with you and remain with you, this day and forevermore.

This blessing, penned by Benedictine Sister Ruth Marlene Fox, reminds me that all of our feelings in this complicated time—discomfort, anger, tears—can be used by God for the healing of the world. Since we can't move around much anyway, what if we were to sit still with our feelings and let God teach us through them? I confess, I'm the worst at this discipline. But I'm learning from sisters and brothers of color that this is a time to listen to voices from the margins, even when they make us uncomfortable. God has given us the power to make a difference... in our homes and communities and indeed in the world. But first we may need to let ourselves really feel its pain.

And we can do that in good biblical company! From Psalm 18: "In my distress I called upon the LORD; to my God I cried for help." Or from Psalm 40: "Be pleased, O LORD, to deliver me! O LORD, make haste to help me!" And of course, Jesus himself found words for his suffering in Psalm 22: "My God, my God, why have you forsaken me? Why are you so far from helping me, from the words of my groaning?" The rich Biblical tradition of lament reminds us that even in distress, we are not alone. Trinity Cathedral is on this journey of sorrow and healing with you: we are none of us ever alone.

## COMMUNITY CHAPEL

**By Pastor Bill Hayden**

We have been in such a state of unrest around the globe, with many of us wrestling with the pressing thoughts of what's next. Every day it seems that the world is getting smaller with mounting pressure to change and adapt at the dawn of each sunrise. It reminds me of being on a merry go round, going up and down, riding in circles and exiting a few feet from where you entered.

Every so often a wave of protest, demonstrations and riots return to our shores because we have failed or neglected to respond to some pressing needs of the people. Many of us have endured the decades of unrest in the United States and abroad. Here we are in 2020 dealing with some of the same issues compounded by layers of new issues such as Covid19 with all of its complications.

In the '80s and '90s I worked in Silicon Valley as an EEOC/AA (Equal Employment Opportunity/Affirmative Action) Human Resources Manager for a major company, training managers in hiring procedures and developing a diverse work force. As a minister I developed a team of racially diverse Christians to facilitate workshops for schools, non-profits and churches to understand and embrace each other's differences. It was a time of enlightenment in understanding the different views that were passed down and practiced by those who saw the world as open.

I was recently asked by my former pastor to have a chat about "Reconciliation" and what advice I could give people like himself (white) since I have a background in ethnic reconciliation with churches and communities. My response was that people should examine their hearts and look at the world from the injured person's perspective, because you will never understand until you see yourself in their shoes.

As life would have it, that same day I had to pick up a few items from Safeway and a lady approached me in the bread and pastry aisle. She asked me if I could give her money for a \$4 cake; I said, "OK" and placed it in my cart. I told her that I had two items to pick up and she followed me to the checkout. When we walked outside I gave her the cake, placed my hand on her shoulder and prayed for her and her family. By the way, I had \$4 in my wallet which I could have given her without sharing my heart for God's protection and provision in her life. She thanked me and we parted.

That day I met a stranger but not a stranger to God for she was my sister and our Father had allowed our paths to cross.

John 13:34-35 NLT So now I am giving you a new commandment: "Love each other. Just as I have loved you, you should love each other. 35 Your love for one another will prove to the world that you are my disciples."

As per the CDC and the Villages Management, all congregational meetings have been cancelled until we receive clearance to assemble due to the possibility of Coronavirus spreading. **Good news!** Pastor Bill will still deliver his Sunday Morning Sermon Message on audio. You can listen to his sermon via our Villages Community Website at Villagescommunitychapel.org later in the day.

## JEWISH GROUP

**By Rabbi Laurie Matzkin, MAEd**

Do you remember the famous scene at the Burning Bush? While tending to the sheep in the desert of Midian, Moses finally sees a bush on fire, hears God's voice, and begins to understand that he is being called to the most challenging leadership task imaginable. He tries over and over to thwart God's efforts to choose him, giving all sorts of excuses—many of which I would probably have used too! At one point, Moses begs for a pass due to his stutter, claiming "I am not a man of words!" He doesn't feel the physical or mental confidence to convey God's message of freedom and justice to Pharaoh, the Torah's archetype of a cold, dictatorial ruler. I can empathize with Moses' fear—who would feel ready to take on this job?!

Fast forward to the opening sentence of Deuteronomy, the fifth and final Book of the Torah. It opens with the phrase, "These are the words that Moses spoke." Upon reading this verse, the ancient rabbis imagine the Israelites raising their eyebrows and saying to their leader, "Yesterday you said, 'I am not a man of words', and now you speak so much?!"

The mellifluous speeches of Deuteronomy are a definite shift from Moses' early years of stuttering self-doubt. Over these 40 years of desert moments, Moses has struggled, reflected, and grown into a leader who is ready to speak words of beautiful and yet painful truth to his people, to amplify God's values of creating a holy community built on justice and compassion.

Like Moses at the bush, I do not feel I have adequate words for leadership in this moment. I do know that as a Jew and as an American, I cannot stand by and stay silent. I must enter the desert of facing my biases, and learn how my financial, social, academic, and even spiritual behaviors have impacted others.

As a new guest columnist for the Villager on behalf of the Villages Jewish Group, I hope to share words from the Jewish wisdom tradition with you, creating another bridge between communities. May the exchange of ideas on these pages lead to a deepening of relationships in the wonderful community of The Villages, and may the words flowing from our many faiths help us come together for the greater good.

## SHONIS

By Tom Zades

Our 2020 "When the world hands you lemons" section this week includes: new Shonis in qualification, contests with prizes (prizes that weren't used for tournaments), getting to know other Shonis better, and getting spouses and other non-Shonis out onto the course, forming new, fun habits. Sandy and I played together for the second time (in our lives!) We may be one of a number of couples forming this new 9-Hole habit.

While out on the course we saw Shonis playing with Villagers who were quite interested in becoming Shonis. We met Uina (pronounced "Weena") Kubota, taking the opportunity to qualify by playing with a Board member during this time of recreational golf. Former long nine golfer Bonnie Preston has been playing the Par-3 Course with Johanna Bakker and is currently in qualification, playing with a Board member. There are probably others. An expanded Shoni roster would certainly be a silver lining.

We took the accompanying photo and used it for a fun contest we have dubbed "What is it?" Most of us have walked past it and wondered about it. Some Shonis knew what it was and how it is supposed to be used, so the contest is to give it a comical or clever name and description of how it is used. Captain Bonnie Evans says that she is the "new repository" for sleeves of golf balls that were intended as prizes for cancelled events, such as the Twilight golf series. So those have become available as prizes for winners of the "What is it?" contest.

Can you guess what this is?

While highlighting lemon bars this week, our comfort food person, Fran Schumaker, has changed it up a bit and is encouraging other Shonis to share their favorite comfort foods. Meanwhile, she shares that the first full moon in June, according to Native American tradition, is known as the Strawberry Moon. This is the time when the tribes would go out and look for wild strawberries, pick them and bring them back to eat. This is truly living by the seasons.

## 18-HOLE WOMEN

By Phyllis Mueller

Meet Mary Wagle and Laura Swenson, sisters who moved to The Villages with their husbands six years ago. They've enjoyed all the amenities of the Villages, especially the golf programs offered here. You may know, we have six golf groups and like to boast "something for everyone." The men have 18 Hole, Pinseekers and Ironmen. For women, it's 18 Hole, Swingers and Shonis. Like many of us, they didn't know which end was up on a golf club. Tim Flanagan convinced Laura that she would enjoy the Shonis and that started the girls' love of golf. Their husbands also have discovered the sport and are "hooked."

Mary Wagle

Laura Swenson

Though Mary and Laura started on the Par 3, they are now both active with the Swingers and 18 Hole Ladies group on the long course. Mary was Invitational Chair this year for the Swingers. Like so many golf events, that was cancelled this year due to the Pandemic. Mary is secretary of VGC and she and Laura are anxious to get back to playing with our group. Say "hi" to the Sister Act when you see them!

Thanks to collaboration of Bev Poellot and Diana Hallock for this article!

## SWINGERS

By Wendy Ledamun

I had been looking forward to the Swingers Annual Invitational, Roaring 2020s, since February when the Invitational Committee decided on this year's theme. I scoured vintage clothing shops and websites looking for 1920s women's golf attire. I wanted to recreate our tournament logo look. I found a long, polka-dot pleated skirt, a soft, chiffon blouse that ties at the hip, a perfect cloche hat, and a pearl necklace, of course, to complete the look! Alas, our 2020 Invitational was a casualty of the pandemic. Pshaw!

Although we will have to wait until 2021 for our next Invitational, Mary Wagle has graciously stepped up to chair next year's event again. Thank you, Mary!

On to this week's golf. The Swingers were well represented on the course Tuesday with 64 golfers teeing it up! Susan Sunzeri had a 90-yard chip-in on Hole #1. Susan was sure she had hit into the back bunker! And, according to Judi Falarski, her par on Hole #6, was a first for her! Good golfing, ladies.

As a reminder, we will start play on Hole #10 during the following weeks: June 15-21, June 29 – July 5, July 13 – 19, July 27 – August 2.

And, for this week's burning question, might anyone know who Walter Wesley Bower was and the significance of the sundial globe next to the putting green?

## PICKLEBALL

### Then and now

By Nancy L. Keane

In 1983 I moved to Saratoga, CA from New Jersey, and lo and behold, my neighbor had a pickleball court in his backyard. So, for 37 years, I have had the privilege of playing this great sport here and in my beloved state of Tennessee where I spend the summers.

I moved to The Villages in December 2013, and when I returned from Tennessee in the summer of 2014, I began to search for a way to play pickleball here. After meeting with the Tennis board, the general manager, and some people who lived here already and were interested in playing pickleball, we had a demonstration of how to play the game and then started playing a couple of times a week.

As you watch the video done by the ad hoc Pickleball Committee, you will know the rest of the history. I had the honor of being the first pickleball president with a wonderful board, and we decided as a board to pledge money to the EVF for the future of designated pickleball courts for Villagers.

As you have been told many times, pickleball is the fastest growing sport for seniors in the nation. It is fun, social, easier to play and learn than tennis or golf, and inexpensive. I wanted to write this article because the time is now for people in this community to make the final vote about the Pickleball project. I planted a seed five years ago, but so many very hard-working people have been so diligent since then. To try to publish all the names of those people, who have made this project a reality over the last five years, is impossible, as there are so many and each of them has worked tirelessly. People donated paddles and balls and fundraisers have been great event.

**Golf Champion:** Lee Trevino (b. 1939)  
 US Open Champion 1968; 1971  
 PGA Champion 1974; 1984  
 British Open Champion 1971; 1972  
 World Golf Hall of Fame 1981

Associated Press and Sports Illustrated Athlete of the Year 1971

To say that Lee Trevino rose from incredibly humble beginnings to become a great champion would be a vast understatement. As a boy, Trevino lived with his family in a three room shack in East Dallas Texas. He developed his game and killer instinct by hitting hundreds of balls after a day of caddying and then hustling games of golf where he would bet everything he had earned that day. As a professional, Trevino was the first player ever to shoot under 70 in each of the four rounds at a US Open (1968).

Recreational bocce is back to all club members and Village residents, with some new rules for playing because of Covid19. Check out our website at [villagesbocceclub.com](http://villagesbocceclub.com) for reserving court space and for the guidelines outlined by the County and Public Health Office, enforced by the VGCC. Remember—no playing by anyone without reserving the courts first online. Court monitors are required to be present during play. Since this column is written ahead, please check out the club’s website (listed above) for the latest updates.

Please remain safe and healthy by practicing distancing.

## Pickleball...

(Continued from page 14)

In the beginning, many people spent hours taping the courts every time we wanted to play. I will mention that Mike Walias, an extraordinary teacher with patience and knowledge, has been very responsible for the increase in the number of players of this sport here at the Villages.

So, please make sure you send those ballots in to vote for the pickleball project. It will be an enhancement to this beautiful paradise that we are already lucky to live in!

Because the Pro Shop is closed to foot traffic, the best way to communicate with the Pro Shop Staff is to call the Pro Shop at 408-274-3220 extension 1, as attempting to talk with each other with masks on through the Pro Shop window while trying to make a tee time is not necessarily the best-case scenario. So please call us. We thank you for your cooperation.

**Tips from the Pro—The Short Way to Success...**

With over 60 percent of your strokes coming from inside of 100 yards, it is essential that you spend a proportionate amount of time on your **short game** as you practice. You should devote most of your short game practice to putting and pitching. These two shots make up the majority of your short game strokes. And lucky enough, it just so happens that here at The Villages we have ample areas to practice your short game. So as I have said before, spend 10 minutes per day putting...use 1 ball and simulate real golf. Then go spend another 20 minutes chipping and pitching at one of our fine practice greens. When putting, practice 25-35 foot putts, which is the proximity of the average approach shot...try to 2-putt using 1 ball from multiple spots. When pitching, practice shots from 10 yards to 40 yards and everything in between. Focus on the feel of a shortened swing and try to always land the ball just past the edge of the green. And finally, for the best short game “practice” of all, put both pitching and putting together and go play our wonderful Par-3 Course which is probably the best way to practice your 100 yards & in game... it has nine holes ranging from 60-134 yards, with greens that perfectly simulate our long course greens; and once you are out there, you can play as many holes as you like. Let the Pro Shop know if these tips help.

**Pro Shop Merchandise**—The Pro Shop can now sell merchandise via curbside delivery. Please call the Pro Shop at 408-274-3220 X1 to place your order. We have an online catalog listing all sale items, etc. on the Villages website Golf Portal. Start shopping today!

# TENNIS TALK

## Opening Day

By Roy Pennington

After three months of quarantine, The Villages tennis courts opened for play on June 8. While there are still some restrictions for the safety of all, it is good to see activity return to the courts.

The first groups on “Opening Day” are pictured in these photos. Mohan Aiyagari and D.P. Vu rallied with each other in an attempt to cure the months of rust. Gloria and Sandy Fernandez played some singles after warming up. While the score was not revealed we all know that Sandy better *not* claim victory.

It is great to see tennis balls taking flight again.

Dealer: South  
 Vulnerability: Both sides

Bidding: South West North East  
 1 NoTrump Pass 3 NoTrump\* All Pass

Contract: 3 NoTrump  
 Opening Lead: 5 of Spades

Dealer has 1 Spade winner, a Heart winner, 2 Diamond winners, and at least 3 Club winners.

Strategy: With only one stopper in each of the majors, need to develop the Club suit immediately and hope East does not have the Jack with three other Clubs.

West leads the 5 of Spades, South wins with the Ace on the board, switches to a low Club to the Ace in his hand, leads the 10 of Clubs, covers with the Queen from the board, and East sluffs a Heart. South then gets back to his hand with a Diamond to the Ace, then plays the 6 of Clubs, West, the 8; now South knows he can finesse the 9 with no ramifications. He then leads the King of Clubs and captures the Jack. He continues with the last Club, next plays a heart to the Ace in his hand and then leads the King of Diamonds. Now it doesn't matter what he leads as the opponents will take the rest of the tricks. However, he is successful in making his contract. South has to be careful with the 10 and 6 of Clubs. If he had led the 6 of Clubs on the second round of Clubs then he couldn't finesse the 10 as he couldn't get back to the board to run the rest of the Clubs.

\* North has no 4-card major and enough points to bid game and not enough points to suggest something more than game.

# How are you passing the time?

**Here's how it works:** Since travel is significantly restricted during the shelter-in-place order, Villagers and their neighbors are finding creative ways to amuse themselves while at home. If you would like to share an interesting situation or activity, please submit a picture with a brief caption describing what you do to keep the monotony to a minimum and help your neighbors with some good ideas about using your time creatively while sheltered in place. You may e-mail your caption and picture (in Jpeg format) to [shinrichs@the-villages.com](mailto:shinrichs@the-villages.com). Please do not portray yourself or others in the photo breaking any of the health department's restrictions or the Villages closure rules. Non compliant photos, irrelevant or questionable material will not be considered and captions are subject to editing at the discretion of the editors and publisher.

Rialto Bridge - Venice

Phyllis and John Mueller are avid world travelers, who, along with many Villagers, have had to put their travel plans on hold during the Covid-19 shelter-in-place order. In an effort to control their wanderlust, they have discovered [Skylinewebcams.com](http://Skylinewebcams.com), a website that offers live webfeed video from various locations around the world. Every day, as they add another day to their open-ended staycation at The Villages, the Muellers view their favorite webfeeds from Kenya and Venice for a travel fix! The website is free with the only price of entry being the inconvenience of having to watch advertisements. Incidentally, according to Phyllis, the best time to watch elephants in Kenya is between 9:30 and 10:30 a.m! She says, put your volume on high for effect!

## Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: [tomzades@gmail.com](mailto:tomzades@gmail.com))

Her: "Turn the coffee off. How can you drink it when it gets so old and strong?"

Me: "It tastes fine to me."

Her: "But it stinks."

Her: "Take the garbage out."

Me: "But the bag is not full yet."

Her: "Well, it reeks! I can't stand it!"

Her: "Don't leave old dried food on the burner."

Me: "Why not?"

Her: "Because when I turn the burner on the next time, it creates an awful smell."

In all cases I hadn't noticed, and it took many years before I did. Evidently, women have a keener sense of smell, on average, than men do. Certainly, my wife's sense of smell is far keener than mine. The same goes for my sense of taste, compared to hers. Who knew?

"You ate some of last night's leftovers for lunch today. Are you really going to have them again for dinner tonight?" "Sure, why not?" "Don't you get tired of it?" "No. Why should I?" It turns out that my taste buds are below average for men, and hers are above average for women. I had no idea. Growing up with no sisters, women were—and in some ways still are—a mystery to me. I tell people that my wife had to raise me along with our three children. That may be true for many men who married young. Maybe the marriage vows include "until death do ye part" because it is going to take most of that time for the husband to understand the woman he is married to.

## OBITUARY

### Leland "Lee" Wade June 12, 1934 — May 25, 2020

Leland Lee Lemar Wade passed away at Oakmont of San Jose on May 25, 2020 due to poor kidney function. Lee was born in Keota, Iowa on June 12, 1934. He signed up to join the Air Force at age 17 while still in high school. He used his G.I. Bill to go to college attending the University of Iowa. After college he joined Westinghouse and trained as a computer programmer. He spent 40 years working in the computer software industry and ended up owning his own consulting business. After retirement, he moved to The Villages. Lee was the first resident to move into Sonata Village in 1998. He lived an active life, among which he served as chair of Sonata DAC, held board positions in the Bocce Club, and was president of the Hiking Club in 2000 and 2001. For many years he organized the annual Fourth of July parade in Del Lago/Sonata and assisted in installing the annual Christmas displays in their village. He was a member of the Italian Club, Arts and Crafts, and a former member of the Ironmen golf club. He liked traveling, hiking and bocce. He loved life in The Villages and could be found in the Clubhouse or Bistro almost any day.

Lee is survived by his sisters Elaine Hendrickson and Donna Staves; his sons and their wives: Eric and Jennifer, Greg and Violet, Brian and Jesse; his grandchildren Selina, Fei, Logan, Aaron, Peace and Joy; and his best friend, Judy Gergurich. He was predeceased by his wife, Jocelyn "Joy" Fei Westphal Wade in October 1997. Lee was a good husband, father, grandfather, friend and most of all a good example. He will be missed.

Obituary notices may be placed in the Classified Advertising section for a fee. For more information, please call Kory Tran at 408-754-1341 or Scott Hinrichs at 408-223-4655.

## OBITUARY

### Thomas Roy Harney July 17, 1929 — February 29, 2020

Longtime San Jose resident Thomas Roy Harney passed away peacefully after a short illness. He was 90 years old.

Born in Aberdeen, South Dakota, Thomas grew up in Shaker Heights, Ohio. He graduated from Seton Hall Preparatory School in New Jersey in 1948 and received a B.A. in Business Administration from San Jose State University in 1952. After serving as Captain in the Air Force for two years, he returned to SJSU to earn an M.A. in School Administration in 1964.

Thomas married Carol (Pace) Harney in 1958, and they had three daughters. Thomas' education career spanned more than 30 years, beginning at South Tahoe High School where he coached football and track. He was a vice principal at Riverbank High School and later taught English, math, and driver education at Aragon and Hillsdale High Schools in San Mateo. Among his most satisfying achievements, he said, was developing an English course devoted solely to California authors.

Thomas also earned a J.D. from the USF School of Law in 1981. After he retired from teaching, he became a Realtor in Foster City and later practiced law in Denver.

In his later years, Thomas donated many scholarships to middle and high schools. He was active in his community, acting in local dramas, serving as lector at his church, and contributing articles to *The Villager* and *The Evergreen Times*. A lifelong athlete, Thomas competed in Senior Olympic events—pole vault, high jump, and swimming—well into his 80s.

Thomas had a natural flair for storytelling, injecting his well-timed humorous anecdotes, especially at family gatherings. He held strong opinions on politics and cared deeply about social justice. He also had an incurable soft spot for animals. His kind and passionate spirit will be missed.

Thomas is survived by his daughters, Kimberly Harney (Bruce), Katherine Houghtby, Patricia Harding (Barry), and six grandchildren. His wife, Carol, and son-in-law, Michael Houghtby, preceded him in death.

A private burial was held at Oak Hill Memorial Park. A memorial mass will be celebrated at St. Francis of Assisi Catholic Church once shelter-in-place restrictions have been lifted.
