VAT: 'Honk Honk! Get on the bus!'

Finally, on Friday night at 7:30 p.m. on April 22, the Charlie Brown bus will arrive at Cribari Auditorium after a two-year wait. Nick Yannacone, the director, and all the cast and crew are very excited to present this fun play to audiences here this weekend. Not only will there be a Friday night show, but there will be two matinee performances Saturday and Sunday at 2:30 p.m.

Tickets will still be available at the door for \$15 or you can call 408-228-3246 and have them waiting at "will-call." **Remember—you must have proof of vaccination to attend.** Come one...come all. Don't miss this very joyous production!

Golf Cart Enter and Exit Poles

The Villages Golf Committee, PGA Director of Golf Scott Steele, and GMS Golf Course Maintenance are happy to introduce you to a new initiative regarding cart traffic control at The Villages. We will be installing on every hole of the 18-hole course two poles at the start of each hole and two poles at the end of each hole to define where all golf carts will be permitted to enter the fairway and exit the fairway of each hole. The poles will be white with a blue cap and will be very visible at 48 inches in height. The two poles will form a "gate" through which each cart will pass to enter and exit each hole at a defined location. See picture above. Very simply, cart drivers will drive away from each tee box and then enter the fairway through the "enter gate" and then proceed to play the hole keeping the cart on the fairway as much as possible during tee to green play, and then will exit the fairway through the

Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Hinrichs: shinrichs@the-villages.com. E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

As a life-long gardener, I have been concerned about the red colored bark we have been using in our plant, shrub and flower beds in the last few years here in The Villages. Three years ago, I called Maintenance because of the white mold I found in this mulch. At the time, I was told not to worry. We do not know the type of wood that is used for our mulch. (It looks like shavings, not bark.) I do know the mold comes every year.

Through research, I have discovered that the colored mulch takes many of the nutrients out of the soil that the plantings need. The mulch is put too densely around the plants giving no breathing space (6" - 12"). I also read this mold is harmful to animals; dogs and cats can become quite sick.

Why did we substitute artificial mulch for real bark?

Kudos to our GM and to the members of both the Association and Club Boards for the budget presentations via the recent zoom Special Study Sessions. Having attended a majority of Board Meetings since 2007, the information available now far exceeds what could have been done 15 years ago. Technology is a big help, of course, but the real thanks must go to all the people who worked countless hours to gather and confirm the details that were incorporated into the detailed pages. The Controller and Facilities Director have spent nights and weekends working with the consultants regarding our Reserves planning, and that's in addition to keeping up with all their day-to-day responsibilities. Hats off to the Comcast Contract Review Team—what a deal they negotiated for us! Budget requests and requirements have been addressed during monthly meetings since budget preparation began last fall. Yes, there will be increases in fees—costs are up everywhere! But never let it be said that our Boards aren't working hard to manage the finances or that they're keeping secrets. There's information galore; just read *The Villager* and check the Residents' Portal on our website.

—Vera Buescher

I have become friendly with a couple of our mail carriers. I was surprised when told how problematic mail delivery can be. Did you know carriers are instructed not to deliver mail if they are unable to reach the mailbox from their mail truck? Yet I constantly see people parked before, in front of, or just past the mailboxes. When talking to my carrier he told me that day 38 mailboxes were blocked by people parked improperly, extending his delivery time by having to park and get out. He said he's never followed the directive to bypass a blocked mailbox.

I promised I'd make sure I don't do that in the future, and I think that should be easy for all Villagers to do as well.

—Anahid Gregg

Geese abatement in The Villages is long overdue. I have been living in Village Montgomery near the 17th tee for over 12 years, and have seen it progress from a minor nuisance to a serious health hazard.

In addition to the squawking, which usually begins at 5 to 6 a.m., their droppings can be found everywhere. I will not even let my grandchildren outside on the patio without shoes on. We were able to manage the deer population, which was far less offensive than the geese. Surely there must be a solution to this problem as well.

Given our ever-rising HOAs, I ask that the Board implement an effective geese abatement program immediately.

2022 Annual Member Meetings and Elections

By Assistant General Manager Julia Meadows, CCAM, CMCA, AMS, PCAM

The three Villages Corporations (Club, Association and Homeowners' Corporation) are preparing for this year's elections and annual membership meetings (this year like last, via teleconference).

Elections will be conducted in May and June with election results announced at this year's annual membership meetings to be held on Thursday, June 9, 2022, with the Homeowners' Corporation to be at 3 p.m., the Association's at 4 p.m. and the Club's at 5 p.m.

Club: Elections will be held for two director positions (each for a term of three years) on The Villages Golf and Country Club (VGCC) Board of Directors. The Amended and Restated Bylaws of the Corporation provide that there shall be seven directors. Director terms expiring are for Jerry Neece and Del Yamaki, and the directors who will continue to serve during the ensuing year are Bob Wilk, Leslie Lambert, Bob Krattli, Richard Zahner, and Judy Owen.

The Club Nominating Committee has announced Howie Blumstein, Prakash Deshmukh, and Garry Ashby as its candidate nominations. In addition, per the Club Bylaws Section 6.1.2, any Member in Good Standing may place his or her name in nomination by filing with the Secretary of the Club (Bob Krattli) a notice of intent signed by at least two percent (51) of the Members in Good Standing. Self-nomination petitions must be received no later than 5 p.m. on May 1, 2022.

Association: The Villages Association will hold a vote this May and June to vote on The Villages Association Resolution, Excess of Membership Income Over Membership Expenses Refunded to Members.

The Amended and Restated Bylaws of the Corporation provide that there shall be seven directors. Those who will continue to serve during the ensuing year are David Cook, Diana Hallock, Richard Holmboe, Julie Wash, and George Paris. Director terms expiring are that of Garry Ashby and Noel Lanctot. Upon adjournment of the 2022 annual meeting, there will be two vacancies on the Association Board of Directors. As of the duly noticed Deadline of Nominations date of March 29, 2022, no qualified candidate nominations have been received by The Villages Association, so this year there will not be a director election for the Association.

Per Association Bylaws Section 5.8 Filling Vacancies, any vacancy occurring on the Board, except a vacancy created by the removal of a Director by a vote of the Members, may be filled by approval of the Board and Directors so chosen shall serve until the next general election.

Homeowners: The Villages Homeowners' Corporation will hold a vote to fill two director positions (each for a term of three years) and to vote on The Villages Homeowners' Corporation Resolution, Excess of Membership Income Over Membership Expenses Refunded to Members.

The bylaws of the Homeowners' Corporation provide that there will be five directors. Those who will continue to serve during the ensuing year are Rob Kirschbaum, Brooks Fuller and Jeannie Omel. The two directors for which terms expire are Teddy Morse and Martin Hoek.

Any Member in Good Standing may place his or her name in nomination for election to the Board by giving written notice to the President (Rob Kirschbaum) or Secretary (Brooks Fuller) of the Corporation no later than 5 p.m. on May 1, 2022.

To date, Larry Versaw and Teddy Morse have declared their candidacies.

Watch future *Villager* and *FastLane* editions for continued updates on this year's elections.

Association/Homeowners documents available via e-mail

Per an amendment to California Civil Code, homeowner associations are permitted, with owner's written consent, to distribute annual disclosures, (like the pro forma budget summary) and other specified association documents to owners via electronic mail, facsimile, or other electronic means (such as posting on the association's website) instead of sending those documents out by regular mail or personal delivery. This has the potential to provide cost savings to The Villages. Delivery and postage costs for the Villages' annual distribution of the pro forma budget summary alone are close to \$1,000, not to mention the paper and printing costs.

In order to transmit association documents via e-mail or by posting on the homeowners association's website, 1) the homeowners association must first receive the owner's written consent, and 2) the homeowners association sends a separate notice to the owner that the documents have been posted and are available for viewing.

Consent forms for owners to request delivery of documents have been developed for both The Villages Association and Homeowners Corporations. These forms provide an owner's consent to electronic delivery of documents that are capable, under current laws, of being distributed electronically. Owners have the right to revoke this request and receive "hard copies" of the documents by sending a written revocation signed by the owner, to the applicable corporation.

Forms of owner's written consent are available in Business Administration Buildings A and B, and on The Villages web site, <http://www.thevillagesgcc.com> (Click on *Resident Info* and then Click on *Resource Files*.)

Missed your Villager?

If you missed delivery of your weekly copy of *The Villager*, please call 408-223-4655 after 11:30 a.m. to report it.

You may pick up a replacement copy of your paper at the newsstand at the entrance of Building B or go online to the Villages website—www.thevillagesgcc.com—and download the current and past editions to your computer.

FROM THE CLUB BOARD

General Manager Search Update

Excellent progress is being made in the search for a new Villages General Manager.

The Club Board of Directors (CBOD) has established a seven-member ad-hoc committee to perform the search process. The General Manager Search Committee is made up of four Club Board Directors, headed by Vice-President Leslie Lambert, including Judy Owen, Robert Krattli, and Richard Zahner, two Association Board (ABOD) Directors, President David Cook and Director Richard Holmboe, and Teddy Morse, representing the Homeowners Board. The committee is assisted by The Villages Senior Human Resources Manager, Mary Mehr.

This week, the Club Board has finalized the General Manager Job Description and approved it for posting on relevant job sites. After an initial cost/benefit analysis and review of previously performed similar work, the CBOD has decided against exploring an outside management services company at this time. The Search Committee will focus on finding a replacement General Manager.

The CBOD will continue to issue periodic updates from the ad-hoc search committee to keep Villagers clearly informed of our progress in this important endeavor.

BOUQUETS

On behalf of Alan Waltho and the rest of the Villages Tax Team we wanted to express our thanks to the Club Board for their support of the 2021 Tax season of the AARP Tax Preparation Program. The assistance provided by John Yu, Albert Salcedo and the Clubhouse Staff was very much appreciated.

This year, with their help, we were able to assist over 240 taxpayers.

This program has had a significant history of helping the local community for many years. We ran into a "rough patch" with the Covid pandemic significantly reducing the numbers of people we could assist. But this year we were able to get our local program nearly back on track. The use of the Clubhouse provided a safe, comfortable location for the both the tax clients and volunteers, as well.

Again, we appreciate being able to use the facility and the warm welcome and assistance all the staff provided.

(SRS) SENIOR RESOURCE SERVICES

Water District property tax exemption

If you are a low-income senior, you may qualify to have one of your parcel taxes removed from next December's property tax bill. If you qualify, act quickly. You must apply by June 30, 2022.

First, dig out your tax year 2021-2022 property tax bill. Look at the list of Parcel Tax / Special Assessments on the second page. Is there a line labeled "1023 Santa Clara Valley Water District – Safe, Clean Water"?

This means you are currently paying the parcel tax and, if you qualify as low income, you may request an exemption from this assessment beginning with your 2022/2023 property tax bill.

To qualify you must be 65 years or older by June 30, 2023—i.e., the end of the fiscal 2022/2023 property tax year. The qualifying senior or his/her revocable living trust must be listed as an owner on the deed and the senior must live in the property as his/her primary residence. Rentals units you own do not qualify. Only one owner needs to be age 65.

Your 2021 total household income must have been less than \$62,292. Social Security and other nontaxable income are included in your calculation of total household income. You are not required to send in any proof of income, but you sign the application under penalty of perjury that you meet the income requirement.

This income limit is based on 75 percent of California's Median Household Income, so it changes every year. The income limit started at \$32,850 in 2000 and has now increased to \$62,262 – a measure of inflation in California in 22 years.

You do not have to complete an application every year. Once you have qualified for this exemption, you will receive a verification postcard by mail each April. You must verify that the address is still your personal residence and that your income does not exceed the new period's income limitation. Remember, you know you are receiving the exemption as long as the Safe, Clean Water is not listed in your Parcel Tax Assessments.

The application form is available online at valleywater.org. Enter "senior exemption" in the search box. You will need to attach a copy of your driver's license or some other document to prove your age. The address to mail the application is at the bottom of page 2 of the form. You may also submit the application and proof of age by email at SeniorExemption@valleywater.org.

If you do not have a computer to print the application, stop by the SRS office and a volunteer will print a form for you to complete.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagersrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

Senior Academy: Charles Freer's Exceptional Egyptian Art Collection

Egypt, an ancient and beautiful country, produced art that reflects that beauty, which is why we are inviting you to a Senior Academy lecture focused on Charles Lang Freer and his collection. Freer was the founder of the Smithsonian Freer Art Gallery in Washington D.C. Between 1906 and 1909 he made three trips to Egypt and acquired exceptional artifacts, including valuable biblical manuscripts, glazed ceramics, glass, and sculptures. Gretchen Welch, a volunteer docent, will share these treasures with us on April 22.

Join us on April 22, 2 p.m. via Zoom to explore Freer's vision, retrace his travels, and look carefully at the objects he acquired during his visits. Register for this lecture at the Senior Academy website at VillagesSA.org

VMA: Did You Know?

The Villages Medical Auxiliary (VMA), the wonderful organization that supports the lives of Villagers, has a monthly meeting on the second Monday of the month in the Cribari Conference Room at 10 a.m. All are welcome to attend the meeting to hear about the activities the VMA supports and learn how you might be able to contribute. You don't have to sign up. Just come!

Hiking Club: Jim Koski's cross-country RV trip

The Villages Hiking Club's April program will be presented by club member Jim Koski about how he spent his solo five-month, 10,690-mile RV trip last year. He visited Death Valley, Carlsbad Caverns, Big Bend, Everglades and Great Smoky Mountains National Parks, as well as some major cities along the way including Washington, D.C. and New York.

Parking in the driveways of friends and relatives were favored overnight stays. Other nights were at Elks Lodges, government campgrounds, store parking lots, a few commercial RV parks and "boondocking" for free on public land. Stays at breweries, farms and private homes were arranged through online apps.

Jim's love of photography started at age 11 and he photographed his first wedding professionally at age 16. After earning a geography degree at UCLA, he was a full-time, self-employed photographer in the South Bay for 46 years before retiring in 2017. After 29 years in Sunnyvale, he and his wife Linda moved to The Villages in 2018. Linda is also an accomplished photographer but with Covid looming decided to stay home with their cat.

Note: this will be a different meeting location than usual. The meeting will be held at the Vineyard Center on Monday, April 25 at 7:30 p.m. All Villagers are welcome. Masks are encouraged but not required.

SATE: Technology to prevent, heal pressure injuries

By Barry Sardis

Maintaining quality of life as we age is a universal goal that presents unique challenges. While we would hope not, finding yourself immobile and in a wheelchair may be in your future. Not something one would look forward to, but it does give us the opportunity to get around and continue with life's enjoyment. Comfort in a wheelchair is not something we often consider, but technology has given dedicated engineers a chance to address this often-overlooked challenge.

Sitting for long hours ensures the development of pressure points that could be very uncomfortable hour after hour, day after day. But they are not inevitable. Now, thanks to technology, a "smart cushion" senses pressure points and automatically redistributes pressure. A mobile app allows users to adjust the cushion's support themselves.

The company, Kalogon, was founded by Tim Balz, who worked on a long list of successful wheelchair innovations, landing his name on a patent and leading a project endorsed by renowned physicist Stephen Hawking. The company includes engineers from NASA, Space X and Northrup Grumman.

Join us on Monday, May 2 at 1:30 p.m. to find out about new technology that alleviates this problem at our next S.A.T.E. meeting. Register to receive the Zoom link at VillagesSA.org and go to the S.A.T.E. Registration page.

Opera San Jose comes to The Villages

By Bonnie Preston

The Opera Lovers and Senior Academy are pleased to sponsor "Springtime Serenade," an evening of music with artists from Opera San Jose on April 27 at 7 p.m. in the Auditorium. Fresh from their current production of West Side Story, these young rising stars showcase their glorious voices in a captivating concert of favorite opera arias and duets.

Performers include Teresa Castillo, Natalie Rose Havens, Noah Stewart, Trevor Martin and Veronika Agranov-Dafoe. Now in its 38th season, Opera San Jose specializes in serving as an artistic incubator for established and emerging artists. Next season the company will perform "The Marriage of Figaro," "Falstaff," and "Tosca."

Tickets are \$10 and will be on sale in Cribari Center on Saturday, April 16 and 23 from 10 a.m. to noon. Conversely, tickets can also be purchased by registering online at VillagesSA.org and billed to your house number. If you have questions, you can call 408-531-1513.

Camera Club meeting to highlight Richard James' 'Macro in Bloom'

By Pamela Pierson

To learn techniques in floral photography, visit Master Photographer Richard James' "studio" which he will have set up in Cribari Auditorium on Monday, April 25, from 7 to 9 p.m. for his program "Macro in Bloom." The Villages Camera Club (VCC) welcomes all new members and visitors to this first in-person meeting of the year.

Richard competes in contests as a VCC Master photographer. He has won many awards for his macro photography of flowers at our Villages competitions and at the Northern California Council of Camera Clubs (N4C) and the Photographic Society of America (PSA). Taking macros and editing them becomes easier with specific workflows, Richard believes. In his Cribari

Auditorium studio next Monday night, Richard will demonstrate his personal techniques and share his passion for photography.

A long-awaited ceremony highlights the evening, as VCC recognizes members for their photography awards from N4C for 2020 and 2021. Richard, who lives in the Highlands, has been a club member for three years. "If it were not for the Villages Camera Club I would not be exploring my love of photography as I do now," Richard said. "Workshops, competitions, learning materials, etc., have opened a new world to me. If you have even the slightest photo bug, this club is the place to be."

"Determine the things you love and photograph them!" Richard said. "Show the world something they haven't seen before, through your eyes. Second piece of advice, use your camera every day, if just for five minutes." Finding flowers that are "pose ready" is his biggest challenge. Using macro techniques, you see the flaws: bugs, holes, spots. "The second biggest challenge is not being caught when I 'steal' a blossom from someone's front yard!" he teased.

Contact Ray Blinde at rwblindej@earthlink.net for membership information. Winners from monthly VCC competitions are automatically submitted to N4C. For more information on activities and programs of the Camera Club, see the club's website at villagescameraclub.com and go to the Activities tab.

David Mejia to demo at Arts & Crafts meeting

By Michael Sunzeri

The next Arts & Crafts Membership Meeting and Demonstration will be at 1:45 p.m. on May 2 in the Cribari Conference Room. This will be the most fun. It will bring back memories. Our featured artist is David Mejia. David Mejia is a lifelong San Jose resident. He has been drawing since the age of 6, and focused his talents on painting in 2011. He is known for his skills in watercolor and ink. His greatest inspirations are Joseph Campbell, R. Crumb, and the artists of the Italian Renaissance. He enjoys discussions on philosophy, art, mythology, politics, and the vast realm of the human psyche. He lives in downtown San Jose with his wife Lisa, and their ridiculously cute pet rabbit. We will begin our normal business part of the meeting at 1:45 p.m. and near 2 p.m. David will begin his demonstration for our viewing pleasure. See you then.

Come to the Cabaret! The Village Voices, an affiliate of the Villages Music Society, will present a music performance with dance called "Why We Sing—The Power of Music" on Saturday and Sunday, May 7 and 8, from 2:30 to 4 p.m. on the Cribari Auditorium stage. Buy your tickets for \$15 in the Cribari Lobby on Saturdays, April 23 and 30 from 10 a.m. to noon.

Under the direction of Susan Ahlgrimm, the "Why We Sing" performance will present a collage of uplifting songs such as "Fascinating Rhythm" and "Don't Let the Rain Come Down" in a spirited cabaret motif. For creative interpretations of some of the melodies, Villager Bernice Toy, dancer and choreographer, will join with the Voices to showcase the Village Dancers and her dance troupe Wicked Dancers. Music and its interpretation through dance have the power to spark joy in life! Smile and let your eyes sparkle to the tunes.

What other songs do we have to cheer you? "Gimme a Little Kiss, Will Ya, Huh?" is the perfect piece for long-time members of Voices Gary Hill, tenor, and Carolyn Hill, soprano. Tamara Welsh, accompanist for the Voices, will play a piano solo based on a Lithuanian folksong. Music of our cabaret will heal you, entertain and support you, and spark joy for the coming spring. Bring your friends and enjoy the power of music.

Village Voices is one of six affiliates of The Villages Music Society (VMS), Inc., a 501 (c) (3) corporation. Donate or volunteer today at our website at villagesmusicsociety.org. The VMS provides residents of The Villages with opportunities to sing in a choral group or play a musical instrument and promotes a high standard of performance and appreciation of music and the arts.

New Beginning Watercolor class

By Barbara Gottesman

"Watercolor has an undeserved reputation for being very difficult," said watercolorist Ciel Duke. "Not so—it's all about learning the tricks to control the medium. Water, after all, wants to do its own thing!"

This four-session series of classes begins at the very beginning: discussing paper, paint, and brushes. From there, participants will create at least one painting per class, exploring watercolor tricks and techniques to produce the wonderful fresh and spontaneous look of a true watercolor.

Starting with a discussion of basic materials and vocabulary, participants will continue with projects designed to gradually familiarize them with watercolor. Various techniques such as wet-on-wet, dry brush, and dragging color, along with the all-important aspect of timing, will result in a finished painting each session. This class is designed for absolute beginners as well as those who are struggling to make watercolor work.

Register by emailing barb.gottesman@gmail.com. The sessions are in the Art Room, 10 a.m.-12:30 p.m. on Mondays, May 2, 9, 16, and 21. The fee is \$85 for members; \$95 for non-members. All materials (watercolor set with brush, palette, foam brush, and paper) are included. Participants who already work in watercolor are welcome to bring their own supplies, such as a favorite brush.

The Villages Democratic Club has set up a Town Hall meeting for the candidates on Friday, April 29 from 2 to 4 p.m. at Vineyard Center.

The candidates, who share a wealth of experience in the public service arena, are: **Sylvia Arenas**—City Councilmember; **Rich Constantine**—Mayor of Morgan Hill and former City Council member; **Denelle Fedor**, longtime political staffer, currently a case manager for a federally funded nonprofit providing affordable federal housing; **Johnny Khamis**—(Termed out) San Jose City Councilman, and **Claudia Rossi**—Registered Nurse and President of County Board of Education.

Global Village: Art of Living Workshop Part 3: 'Optimizing Health with Daily Routine'

By Pradeep Sonawala

"Adding Years to life, Life to Years," this series of three presentations by experts from the Art of Living Foundation, and sponsored by the Global Village Club, will conclude on Wednesday, May 4 in the Cribari Conference Room from 7 to 8:30 p.m. with the third workshop, "Optimizing Health with a Daily Routine." There is no fee for this in-person meeting. As per VGCC and SCC guidelines face masks are not mandatory, but are encouraged.

In the first workshop, "Beyond Breath," we learned two techniques that can quickly release stress and lower anxiety, consequently improving blood circulation, which activates parasympathetic nervous system and relaxes the brain and makes a person feel calm and centered

In the second workshop, "Beyond Meditation," we learned that during the stage when the mind transcends the barrier of time and space, we experience a state of blissfulness. A lot has been written about this, suggesting that by deploying mindfulness and concentrating or focusing on breathing, one can experience that state. After attending "Beyond Meditation," one resident, Kumar Shah of Village Verano said, "The Guided Meditation by the presenters was truly transcendental and enlightening. It was a unique and exceptional experience for me."

The third and final workshop will be on "Optimizing Health with Daily Routine." The experts will discuss what is an unhealthy lifestyle and how we can, with simple daily practices, increase a sense of well-being and promote peace and happiness. We will be introduced to basics of Ayurveda, an ancient Eastern Science of life which emphasizes importance of connection with nature and connecting to rhythms of nature. Do not miss this presentation.

About the Speakers: Ashwani Dhall and Sunanda Gadagottu, advanced yoga and meditation teachers with Art of Living Foundation (AoLF), personally present interactive and thought-provoking ideas. AoLF is a non-profit organization established in 1986 in Bangalore, India. It is now proliferated in 156 countries offering educational and humanitarian services. Since 2004, both speakers have taught beginner and advanced meditation workshops to varied audiences in San Jose. They champion the use of meditation as a tool for leading a purposeful and dynamic life, guiding people towards stress-free living and self-fulfillment.

Senior Academy: Rediscover SFMOMA

One of the best collections of modern contemporary art in the country is in our own backyard. Rediscover the San Francisco Museum of Modern Art with us in an in-person presentation by Diane Levinson on May 6 at 2 p.m. in Foothill Center.

It is truly an exciting time for modern art in the Bay Area as SFMOMA now hosts the highly anticipated relocation of Diego Rivera's Pan American Unity mural, a masterpiece that has been hidden for 50 years. You will also be introduced to myriad works that explore diverse approaches of abstract art since 1950.

Additionally, the course will include a brief history of the Museum from its 1935 home in the War Memorial Veterans Building to its newly expanded 10-story building. We are fortunate to have such a jewel in the Bay Area: join us to see why.

This event is open to all Villagers. Preregistration is required and can be achieved at the Senior Academy website at VillagesSA.org, or by phoning Diane Taylor at 408-912-5594 or Victoria Nourian at 408-667-1589 or William Jacobson at 408-440-0262.

Diane Levinson, a prior Senior Academy presenter, is an artist, an art instructor and an arts advocate. She received her B.A. in Sculpture from the University of New York at Binghamton and her M.F.A. from San Jose State University.

Join the Folksters—Villagers who enjoy Folk Music

By Harriet Fernandez

Come and join a group of Villagers who enjoy singing Folk Music. Our group has been around in The Villages for about 14 years, meeting to sing folk songs. We have a group of instrumentalists that play and sing with us—guitars, bass ukuleles, harmonicas, piano and more! And lots of enthusiastic singers as well as Villagers who just enjoy coming to listen.

We are meeting twice a month on the second and the fourth Thursdays from 7 to 9 p.m. No masks but proof of vaccination is required to attend. Our next meeting is Thursday, April 28 at Foothill Center. It is very informal. We have a song book of about 50 songs that we have chosen over the years, and we always have extra song books for newcomers. And...we are always looking to add new songs—as well as delete ones we have grown tired of! Several of our talented instrumentalists lead us. More instrumentalists always welcome!

We welcome newcomers! No singing talent is needed—please do not be intimidated. Consider stopping by and see if you would enjoy being part of the group. No dues—just relaxing fun with fellow Villagers. Any questions? Call me, Harriet Fernandez—my phone number is listed in the directory or email harriet@sequoia-partners.com

RELIGION

COMMUNITY CHAPEL

'Top Shelf'

By Pastor Bill Hayden

When you hear the expression, "This is Top Shelf" ...what comes to mind? If someone told you about a famous restaurant that served Top Shelf Kobe Beef Steaks, wouldn't you expect it to exceed a regular steak? When the expression is used concerning people or services that are offered, your expectations can range from excellent...to over the top.

There are some individuals who have experienced the full range of Top Shelf, from things to people to places. Rarely, does the average person experience or receive 'Top Shelf' in any aspect in life.

I remember when Gloria and I celebrated one of our Wedding Anniversaries in our thirties with a Caribbean Cruise to different Islands. During our evening dinners, we shared a table with two older couples who had traveled together for years receiving Top Shelf service. They were rude and demanding to our servers which made it very uncomfortable for us and we avoided dinners with them, whenever we could. This was our time to experience a little Top Shelf on a cruise! The servers became annoyed with their behavior and slowed down their request, while we received Top Shelf Service.

Everyone should have the opportunity to experience Top Shelf in their lives, regardless of their financial or social status in life. People don't realize that God has provided a Top Shelf experience for everyone through the death, burial and resurrection of Jesus Christ. The Easter Celebration for those who have accepted the gift of eternal life through Jesus Christ will receive God's Top Shelf of a lifetime and beyond.

The Scriptures make us aware of His grace and plans for us to have a relationship with Him. Ephesians 1:7-10 NKJV 7 In Him we have redemption through His blood, the forgiveness of sins, according to the riches of His grace 8 which He made to abound toward us in all wisdom and prudence, 9 having made known to us the mystery of His will, according to His good pleasure which He purposed in Himself, 10 that in the dispensation of the fullness of the times He might gather together in one all things in Christ, both which are in heaven and which are on earth—in Him.

The Bible boldly declares that Jesus Christ didn't just die for our sin's past, present and future but His grace covers all things that we face now and in the future. In Christ, we all can experience and enjoy Top Shelf living. He is in you. He is with you. He is for you. His grace welcomes us to Top Shelf living.

Join us in the Cribari Auditorium at 10 a.m. when Pastor Bill will deliver his Sunday Morning Sermon Message to you, then enjoy fellowship afterwards with some coffee, cookies with friends. Please visit our Villages Community Website at Villagescommunitychapel.org for more information.

EPISCOPAL

'Things Seen and Unseen'

By The Very Rev. Julia McCray-Goldsmith

The victorious season of Easter begins in mystery—with an unexpectedly empty tomb—comes into focus in various accounts of the resurrected Jesus—and ends with Jesus ascending to heaven. The unseen Lord is seen, only to return again to the unseeable state wherein Christians (mostly) encounter him, even now. What gives with this annual game of post-Easter hide and seek?

Then again, our Jewish antecedents (including Jesus himself) have known about this all along. When the prophet Elijah was on the run, God came to him not in the cataclysms of wind or earthquake or fire, but in the sound of sheer silence (1 Kings 19:11-13). And with just this kind of small revelation of God's presence (sometimes called a theophany) the prophets and their followers did courageous things. What small revelation of God might you have experienced recently? How did it encourage you, or set you on a new path?

Hide and seek may be a peculiar metaphor for God's appearing, but it's not entirely wrong. I don't think that God is actually ever hiding from us (after all, every sunrise is a cause to remember our creator), but it is our job to keep seeking God. The more we seek, the more of God we will find. In the sunrises, yes, but also in the shady places of shame and loss. Easter reminds us that God came to dwell among the least, the last and the lost... and teaches that God doesn't give up on them, or on us.

SEARCH THE SCRIPTURES

Search the Scriptures is meeting at **10 a.m., April 25 at Vineyard Center**. We are meeting on the second and fourth Monday of each month. Any questions, contact Everett Jacobson at 408-629-7210 or Ron Speer at 408-223-2025.

CATHOLIC COMMUNITY

'Locked Doors'

By Sr. Pat Galli, R.S.M.

A reflection on the Gospel of John 20:19-31 - Second Sunday of Easter

In John's Gospel for the Second Sunday after Easter we find the disciples, women, children and men, who had been Jesus' closest companions, twice gathered behind locked doors. They were afraid. They had a right to be afraid. Jesus had just been executed by crucifixion. Although he had appeared to several groups of the followers since his burial, it was still unclear what the outcome of the situation was going to be.

The mercy of God comes to all of them through the locked doors bringing mercy and courage. God's mercy is given through the action of the Holy Spirit and the appearance of Jesus. Through the doors to those confused and afraid Jesus appears and they hear, "Peace be with you" and "Receive the Holy Spirit."

This is our faith, this is what we believe. Through any locked door or obstacle, we might be experiencing we can know what the Psalmist proclaims, "God's mercy endures forever" (Psalm 136).

Historical footnote: The religious service we Catholics call the "Mass" is ancient. It dates back to apostolic times. For example, on Easter Sunday, Jesus, appearing as a stranger, walked with two of his disciples to Emmaus (Lk 24:13-35). "Beginning with Moses and all the prophets, (he) expounded on all the Scriptures that concerned himself." In these words we have the nucleus of the Liturgy of the Word, the first half of the Catholic Mass. At the end of the journey, the trio ate an evening meal where Jesus revealed his identity when he, "Took bread, blessed, and broke it and gave it to them." In this scene we have the essence of what developed into the Liturgy of the Eucharist, the second half of the Mass we have today. Come to Mass this Sunday so you, like the disciples, can meet Jesus in his Word and Eucharist.

Masses at Cribari: Sundays - 8:15 a.m. **First three Fridays** each month; Rosary 8:30 a.m., Mass 9 a.m. **St. Francis of Assisi Masses:** 1-408-223-1770 or parish website (sfoasj.com) for times. **Communion for the homebound**, Marilyn Rodman 408-274-4521. **Mass intentions**, Jean Gillette 408-270-5723.

"Did You Know?" There have been differences of opinions about what to do when a golf ball lands on the cement ledge around the water features. The question is, may I take a free drop? The answer is **no**. All lakes are lateral red penalty areas, and the streams are yellow penalty areas. Therefore, the appropriate red or yellow penalty rule must be followed for your unplayable lie. In conclusion, a golfer standing at a tee box overlooking a river sees a couple of guys fishing and says to his partner, "Look at those two idiots fishing in the rain."

18-HOLE WOMEN

By Barbara Weisend

What a difference a week makes! It went from *hot* to cool and drizzly in just seven days. It never really rained thank goodness, so 48 ladies played for sweeps and 36 stayed for lunch in the Sunset room.

We had a special format on April 21—Ts & Fs. We played a regular round for posting but for the game, only those holes that begin with a "T" or an "F" counted—2, 3, 4, 5, 10, 12, 13, 14, and 15. In addition, that was a day that we celebrated our past Captains.

Applications have been accepted to play in the Invitational.

We are a "little" oversubscribed with 148 players, but everyone will be accommodated.

Diana interviewed two of our new members and sent the following:

We are delighted to introduce two new members of the Women's 18 Hole Golf Association. Pam McCarthy has lived at The Villages since 2010 and prior to retiring, helped her husband, Jack, run their custom estate homes business for 35 years. Helen Paris has lived at The Villages since 2015 with her husband, George, and prior to retiring was The Activities Director at Washington High School in Fremont. Both Pam & Helen are also members of the Swingers and we are excited to welcome them as dual golf members!

Birdies: Barbara Weisend (#8), Helen Varenkamp (#12), Annie Bassford (#9), Monica Saneholtz (#14 & #15), Sheryl Driskell (#18), Renee Woolard (#11), Jay Lee (#13), Jane Smith (#2 & #15)

Chip-ins: \$2.25 each—Barbara Weisend from the sand, (#8), Donna Quartaro (#1), Jay Lee (#13), Renee Woodard (#11), Shirin Shirazi (#4)

PICKLEBALL

By Joyce Kludt

I'm sure you've frequently heard the saying "Forehand takes the middle." The problem with this logic is that with two players at the net, if the forehand person takes the middle shot they frequently leave themselves wide open for a shot down the sideline to their backhand side. At the back of the court, the person with the forehand can and usually should take the shot because:

- You have enough time to get in position for the current shot and get back into position for the next shot.

- It's more difficult to hit a backhand shot from the back because of the power needed to cover the longer distance to the net.

But for now, we're talking about when your team is at the kitchen line, at mid-court or in between.

The "Two-Thirds, One-Third Strategy"—means that you and your partner focus on only covering 2/3 of the court at a time. With this strategy:

- The middle third is **always** being covered.

- You and your partner form an impenetrable **wall** on the 2/3 of the court that you **are** covering.

- You're mentally prepared to cover that extra 1/3 if the shot comes to that area.

- You're in a position to pounce when your opponents get out of position.

So, you and your partner should position yourselves just 6'-7' apart from each other. Therefore, instead of it being "Forehand gets the middle," if you and your partner are positioning yourselves well, then whoever is in the middle gets the middle.

Also, remember **no lead feet**. After every shot hit...you must shift your position.

We hope to see a lot of our members at our first Social Drop-in April 29 at 4:30 p.m. Please sign up on our website.

Hope you had a nice Easter! Here is Chester Stay-cationing with his favorite paddle.

FROM THE PRO

By Scott Steele, PGA Head Golf Professional

Golf Rule 1.14—In March, the Club Board of Directors approved an updated version of Golf Rule 1.14. Due the recent changes to this rule and also due to the major influx of new resident golfers over the last 3 years, we will be disseminating the new Golf Rule 1.14 to all resident golfers and asking that everyone reads the new rule and then signs a compliance agreement form so that all golfers understand and agree to follow these rules and regulations when playing golf at The Villages. Very simply, Golf Rule 1.14 is a document containing the rules of conduct for all golf play at The Villages. We will provide various means through which each resident golfer will be able to receive a hard copy of Golf Rule 1.14 and the compliance agreement form. We will provide these documents through the website resident portal, through a link in the Golf Fast Lane every Tuesday, through the 6-Clubs Captains, and we will have copies available at The Pro Shop. Having a copy of Golf Rule 1.14 and turning in the signed compliance agreement form to the Pro Shop will be mandatory for all resident golfers; and after 3-months anyone who has not returned the compliance agreement will be unable to play golf until it is received. Distribution and availability for Golf Rule 1.14 will start immediately. Please ask the Pro Shop if you have any questions.

IRONMEN

By Bill Travis

The Ironmen have changed over to spring morning play, currently playing every Thursday morning at 10 a.m. with a shotgun start, sweeps, birdie pool, and closest to the pin. This Thursday, April 14, 2022, was cool with just a few sprinkles. It turned out to be quite a nice day for some golf. We also welcomed a new member to the Ironmen, Walter Lucas. Welcome to our club, Walter. There was a good turnout and the results are listed below.

The results of today's play are as follows:

First place went to Mario Silva with a net score of 24.

Second place went to Frank Beltran with a net score of 25.

Third place there was a three-way tie among Chuck Benjamin, Dave Hathaway, and Roger Pyle, each with a net score of 27.

Lowest gross score for the day: Dave Hathaway each with a gross score of 30.

There were two birdies today: Dave Hathaway on hole 3; and Chuck Benjamin also on hole 3.

Closest to the pin on hole 7: Dave Hathaway was closest to the pin at a distance of 7' to the edge of the cup.

Deep thoughts: Two quotes from Sam Snead, winner of 82 PGA tournaments including seven majors:

"Grip the club as if you were holding a baby bird."

"I give the ball some sweet talk. I tell it that this isn't going to hurt a bit. I'm a friend and all I'm going to do is give it a nice little ride."

PINSEEKERS

By Jack Bindon

OK, everyone, how do you unscramble a scramble? Quite simply you schedule a bunch of Bocce matches in the middle of the Pinseekers tee times. Since several of our players enjoy both sports, you end up with several conflicts. Before doing that, it would have been nice to get some communication from the bocce folks. As a result, the Pinseeker scramble had to be cancelled just before the first group began play at 8:03 am. This, after many hours of work in balancing the scramble teams. **Not happy about that, folks!**

A few cards were turned in however so those who did play the front nine are responsible for posting their own scores. Since it was to be a scramble the putting contest was removed from that day's competition. There are enough Fridays in April so there still will be putting competition for the month. You are all lucky since I recorded 5 one-putt greens with a total of 11... won't count though.

Beginning on the 29th of this month we will be getting 6 tee times set aside for us beginning at 7:54 a.m. Get on it guys, we need to make sure that we make use of this or it will be withdrawn. (Book two weeks ahead on Chelsea)

Also, watch your email for sign-ups for mixers headed your way from Dick Frey. There will be a chance to play with the ladies and operate from the #2 tees. Go for it!

SHONIS

By Fran Schumaker

After a two-year hiatus due to the pandemic, we were once again able to have our annual mixer with the Swingers. This past Tuesday, April 12, rebooted the event. We alternate the event between the two clubs. This year it was held on the long 9. Twelve Shonis participated in the event. Afterward we all had box lunches at Vineyard Center. A big thank you goes to Mary Wagle and Judy Frey for coordinating the event.

Our game for the day was one best ball. The winning teams were awarded sweeps based on their gross scores. Congratulations to the following winning teams:

First Place: Sally Nichols, Jonna Robinson (Shoni), Anka Hoek, Mary Wagle

Second Place: Marcy Boyles, Joyce Mukyno, Kay Gray, Tahera Khalil (Shoni)

Third Place: Laura Swenson, Betty Garcia, Marcia Hembree, Doris Bates (Shoni)

We also had regular play on the Par 3 Course for those Shonis not playing in the mixer. Due to the very cold weather in the morning, we only had the Frostbite Four play the short course. Since we need a minimum of eight Shonis for sweeps consideration, they played as a foursome for handicap consideration, fun play and hot chocolate. All in all, it was a good day for golf, just very, very cold.

Men's 18 Hole Golf Club Spring Open Results: Congratulations to all participants and the winners of the 2022 Spring Open Tournament! All had a great time. Thanks to Tom Morse, Larry Dorsey, Scott Steele and the Pro Shop for making this possible. Great job!

Golf Thoughts: Very classy... Hideki Matsuyama's caddie, Shota Hayafuji, removed his hat and bowed his head after returning the pin. This was last year right after Hideki won the Master's. He said, "I bowed to the course mainly because I was thankful."

Bored with nothing to do? Mosey on down to the courts to watch the annual Scholarship Tournament this Saturday morning. You'll be entertained, for sure and certainly you'll have some rollicking good fun, either playing in the tournament or watching others play. It all starts at 8:30 a.m. with men's doubles and 10:30 a.m. with women's doubles. The format is round-robin with handicap scoring, which evens out play. And, if you've worked up an appetite either playing or watching, Linda Dumont and her committee are sure to provide delicious court-side delicacies.

Tennis players are a fun group, and even more fun is in store for all those who signed up for Saturday night's catered Mexican Feast. The dinner, of course, will be wonderful as Betty Olsen and Adele Ratcliff and their dedicated committee are festively preparing for your dining pleasure. The Scholarship winners will be wowed by the festivities and will share plans about their upcoming educational endeavors. Then the rowdy auction happens with auctioneer extraordinaire, Adrien Fournier, who plans to entertain folks as well as raise funds for scholarships. Finally, the piece de resistance (accents missing): the wine locker will go home with a lucky wine connoisseur. All of the proceeds go directly toward the scholarships.

Much of the scholarship money is raised by direct cash contributions from donors, as well as by the auction held during Saturday's dinner. Items are generously donated by establishments such as The Villages Pro Shop and the Clubhouse, as well as our own Tennis Club members. Also, other businesses and individuals in our community provide auction items.

So much to do and so little time, what with Easter, Mother's Day, and graduation around the corner, as well as Jump Start and Rusties, Rossmoor, and Spring Fling just a hop, skip, and jump away.

Tips from the Pro – A few things to remember when playing uneven lies:

Downhill lie – the ball will come out low so take a club with more loft; choke down on the grip, play the ball back in your stance so you strike the ball before the ground, feel like you are swinging down the slope

Uphill lie – the ball will come out higher so take a club with less loft; choke down on the grip, tilt your shoulders with the slope, feel like you are swinging up the slope

Ball below your feet – Take 1-2 more clubs and grip at the end of the handle, bend your knees more like a squatting position, maintain knee flex and keep body still, lean back into hill for stability

Ball above your feet – choke down on the handle / play 1 more club / aim a bit to the right / lean into the hill for stability. Let me know how these tips work. To sign up for a lesson, email me at ssteele@the-villages.com

Association Members – Request for Annual Notice of Information Updates

By Julia Meadows, Assistant General Manager, CCAM CMCA, AMS, PCAM

As you know, The Villages Association is a common interest development (CID) subject to California Civil Code Sections 4000-6150 (also known as the Davis-Stirling Act). Civil Code Section 4041(a), requires all CID owners **to annually and in writing** provide the HOA (The Villages Association), their contact information for sending HOA notices, and to inform the association whether the residence is owner-occupied or rented.

Associations are required to solicit these notices at least 30 days prior to the annual association disclosures. For The Villages Association, that is the Annual Budget Report and Annual Policy Statement that is distributed in May. The bylaws of the Homeowners' Corporation provide that there will be five directors serving on the board. There will be two vacancies on the Board for 2022 with Teddy Morse's and Martin Hoek's terms expiring.

If you would like to find out more about serving on the Homeowners' Corporation Board of Directors, please contact any current board member, President Rob Kirschbaum, (201) 960-4820; Vice President Teddy Morse, (408) 394-5229; Secretary Brooks Fuller, (630) 740-5542; CFO (Treasurer) Martin Hoek (408) 274-7957; and Jeannie Omel Director (408) 677-6530.

Notice of Proposed Changes to Association Rule 2.24 Outside Holiday Decorations

Proposed changes to The Villages Association Rule 2.24 Outside Holiday Decorations were approved for publication and member comment period prior to formal approval consideration at the May 31, 2022, regular monthly meeting.

The purpose of proposed changes is to update the rule to allow a district to apply to the Association Board of Directors for temporary non-political decorating during another time or in another area in their district for up to a three week period once per year.

Deletions are noted in ~~strikethrough font~~; additions are underlined.

Response to the proposed rule changes may be made by one or more of the following methods: 1) Participation in the discussion of the proposed changes at the Association Board of Directors board meetings (April 26, and May 31, 2022), or 2) via written comments delivered to the Board through Maria Hernandez in the General Manager's office at mehernandez@the-villages.com.

Holiday spirit is encouraged at the Villages. However, some residents do not remove their decorations for extended periods of time. Here are the rules to follow:

1. December Holiday Season Decorations.

Each Village should exercise common sense in the Common Areas to keep the decorations from being a problem. The committees should arrange for their displays to be removed no later than January 15.

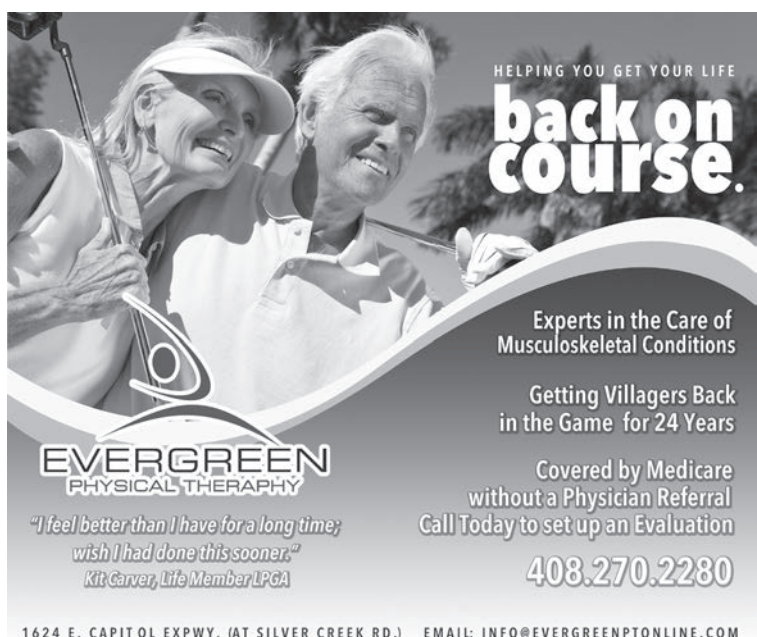

Residents must remove lights (colored, plain, icicle or flashing) and other decorations by January 15.

2. Other Holiday Decorations.

These are to be removed from Villas and Common within seven days after the holiday. This includes lights (as mentioned above) and other decorations such as, but not limited to, inflated objects, pumpkins, posters, baskets, large eggs, statues and streamers.

3. Decoration Location

While decorations provided by individual districts through DAC Decorating Committees are typically limited to regularly celebrated holidays and in the areas adjacent to the specific Village signs, any district may apply to the ABOD to allow for temporary non-political decorating during another time or in another area in their district for up to a three week period once per year. No decorations may impede traffic on roads, cart paths or walking paths.

Hiking Club Schedule...

(Continued from page 12)

Long Hike, April 27: Amy Meier (409 799-4274) will lead long hikers on a 7-8 mile hike in Purisima Creek Redwoods Open Space Preserve. This hike is in the western section of Purisima Creek Redwoods Open Space Preserve. Directions to hike: Hwy 280 North, left turn on Hwy 92 toward Half Moon Bay. Left turn on Hwy 1, 4.5 miles. Left on Purisima Creek Rd to parking and trail head. If no spots in parking lot, park on Purisima Creek Rd. up to the No parking beyond this point sign. No fee for parking. There are bridges whenever the creek is crossed by the trail. There are no designated lunch areas, no picnic tables and the only bathroom on this hike is the porta-potty at the trailhead. **Start at the Higgins-Purisima Trailhead on Purisima Creek Trail**, going past the porta-potties. Keep going straight on Purisima Creek Trail following the creek. Look for banana slugs! At the fork turn left onto **Craig Britton Trail** (formerly Soda Gulch Trail), which is signed as a hiking only trail but does get bicycle traffic. Craig Britton Trail winds along canyon walls through a deep redwood forest then dips back under the redwoods, crossing Soda Gulch Creek. At the next open, grassy area, look to the west for views to the ocean on a clear day. As Craig Britton Trail climbs uphill through a series of switchbacks, the vegetation shifts to chaparral. At the junction with North Ridge trail continue to the left on Harkins Ridge trail. At the junction bear right toward the bridge and trailhead. Elevation 1800 ft. Hiking distance approximately 8 miles. Optional snack or lunch is available, on your own, at multiple locations in Half Moon Bay. We will stop for lunch or snacks on the trail. Meet at 8 a.m. at Cribari for 8:15 a.m. departure. Temperature above 70 degrees cancels unless another hike leader volunteers. 114 miles round trip.

Rambler Hike, April 27: Santa Teresa County Park Rich (408-499-1789) and Wendy will lead a hike on the Hidden Springs and Mine Trails, a 3.8 loop trail with moderate elevation. The hike will begin from the Pueblo Day Use Area and follow the Hidden Springs and Mine Trails. A credit card is required to secure a parking permit (\$6). After the hike, Hikers may choose to participate in an optional lunch at Panera on Cottle. Elevation gain: 600 feet. Round trip driving distance ~16 miles. We will meet at 8:45 a.m. at Cribari for a 9 a.m. departure.

Rambler Lite Hike, April 27: Bonnie Preston will lead a hike towards the Community Collage then to the lane behind Cribari and the 2nd and 3rd tees. Park at the Villages parking lot next to the entry gate at 8:50 a.m. and leave at 9 a.m. Info: 408-531-1513.

Enter and exit poles...

(Continued from front page)

“exit gate” and proceed on the cart path to the next hole. Carts will still be permitted no closer than 30 feet from the front of the green surface, but when exiting the hole will be required to pass through the exit gate. To lessen wear and tear at any enter and exit area, the poles will be moved periodically to a slightly different location on each hole.

The goals of this initiative are as follows:

1. To create a constant and consistent flow of cart traffic onto and away from each hole
2. To mitigate cart traffic and resultant turf damage around the tees and green complexes
3. To eliminate the current need for excessive greenside stakes and roping to control cart traffic

This initiative will be a rule of cart usage and will be included in golf Rule 1.14. Therefore compliance will be mandatory for all cart users on the 18-hole golf course. We ask for your immediate assistance with this new cart usage rule and although we understand that this initiative is new and different, we expect everyone to cooperate and to help to enhance our golf course culture of care for the betterment of our golf course conditions and enjoyment of all golfers. Please let the Pro Shop Staff know if you have any questions. Thank you.

Slice of Humor

Wise guy: “You know how geese fly in that V formation?”

Friend: “Yes.”

Wise guy: “Have you ever noticed that one side of the V is always longer than the other?”

Friend: “Yes, I have.”

Wise guy: “Do you know why?”

Friend: “No, I don’t.”

Wise guy: “Well, it’s because that side has more birds in it!”
