## Senior Academy to welcome Mayor Matt Mahan

Join us this Wednesday, February 15, at 7 p.m. in the Fairway Room to meet our new mayor in person. Please pre-register at VillagesSA.org.

When Matt Mahan won November's election for mayor, outgoing mayor Sam Liccardo had sage advice for him: "Tag. You're it. Don't screw up." Mahan is putting forth his level best to do just that in the two years he has to prove himself worthy of re-election in 2024.

He's got an ambitious agenda and not a lot of time; hence he's hit the ground running, maintaining an aggressive schedule. His first two weeks were filled with meetings, community events and media interviews on atmospheric rivers—even on the weekends, according to his daily calendar.

Mahan said the busy schedule during his first two weeks is just the beginning, adding it's his mission to meet with as many stakeholders and community leaders as he can. "During the campaign I promised to hit the ground running—but these days, I'd call it more of a sprint," Mahan told San José Spotlight. "Community engagement in government is a hallmark of a functioning democracy. I was elected to serve the people, and anyone who has a stake in how our city is run deserves my time."

Join us on Wednesday, February 15, at 7 p.m. in The Fairway Room to meet our new mayor in person. This event is open to all Villagers! Pre-registration at the Senior Academy website VillagesSA.org or by contacting by Susan Dooley on 408-528-8881. If you are responding by phone, please provide the name and date of the event, your name, email address, house number and names of any guests.

## VMA: 'Advanced Care Directives' presentation

Advance care planning involves discussing and preparing for future decisions about your medical care if you become seriously ill or unable to communicate your wishes. Having meaningful conversations with your loved ones is the most important part of advance care planning. Many people also choose to put their preferences in writing by completing legal documents called advance directives.

The VMA Health Programs proudly presents our next offering in the series: "Advanced Care Directives" in partnership with With Grace Hospice to be held on **Wednesday, February 15** at 10:30-11:30 a.m. in the Sequoia Room.

The speaker will be Sabine Haas, NP from With Grace Hospice. Sabine studied nursing in Germany before moving to the U.S. and has received her B.S.N. and Nurse Practitioner License. She started out as a volunteer for With Grace Hospice and then transitioned into her nursing role to join the team. In her spare time she enjoys reading, nature walks, and spending time with her family.

Talking Points will include: deciding who is your medical decision maker, going over POLST (physician orders of life-sustaining treatment), and what to think about when making your advanced care directives.

We all have questions and concerns regarding these sensitive matters, and with the knowledge and experiences that With Grace Hospice can provide us, we may find the answers to those questions that we need to assist us in making those informed and difficult decisions if and when the time arises. If you have questions about this event, please call 408-238-4029.

Sabine Haas, NP

## PULSE

Dear Readers:  
The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 4 p.m. on Thursday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Letter authors are limited to one published Pulse letter per month. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com. E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

3 Pulse letters received this week.  
0 Pulse letters not meeting Pulse Letter Guidelines.  
3 Pulse letters published this week.

**Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.**

All Pulse letters that are published are retained by the Communications Advisory Committee (CAC) for a period of 12 months. Rejected Pulse letters are not shared with anyone outside the CAC, management or Club Board and staff liaisons for the reason of confidentiality.

Regarding the Gingrich text (from The Villages Library) printed in the Pulse January 26, 2023 Villager: I'm glad the author did not insist on banning the book from our library! Instead, he just believes "... this kind of language should never be printed in our community newspaper..." The Villages have many restrictions we all need to follow and be aware of but I rue the day when the information in our Villager newspaper is censored or discounted because it's "offensive" to a different point of view.

Isn't that anti-American? Are we there yet?  
— Mary Jo Lyons

I am responding to comments made in the January 26, 2023 Pulse regarding a book written by Newt Gingrich, which is available in The Villages Library. The Villager who was offended by the book review is certainly entitled to his beliefs and values, but I do not want to be deprived of having access to information and books that may be of interest to me. Our library staff does an excellent job every week of providing an unbiased, wide selection of book topics and subjects.

Stating that this type of language should never be printed in our newspaper is known as censorship or suppression. It controls and manipulates what people are allowed to know and eliminates debate or discussion of differing opinions.

America is known for freedom of speech and press. We are one nation under God, indivisible with liberty and justice for all.

— Carolyn Scheppler

Where have all the benches gone? Once upon a time, pre-COVID-19 pandemic, I think, there were benches at each of the 18-hole tees on the golf course. They were all removed with the pandemic to encourage social distancing. With the pandemic receding into the distance, one wonders where those benches are stored. A suggestion: Rather than restoring them to the golf course, I believe we should install them along the various trails and roads here where our fellow Villagers walk. Many of our Villagers are older or maybe just tired and they might enjoy a place to sit as they walk, other than the ground or on the curb. Yes, there may be some minor expense to pour concrete pads for the benches but think of the satisfaction of those who would use them. In fact, it might encourage more Villagers to walk longer distances, which is good for their health, if they knew there were resting places along the way. Thank you.

— Richard Naftzger

## PUBLIC SAFETY

### Public Safety seeking owner of Thor Four Winds RV

The Public Safety Administration Office is looking to Villagers for assistance in locating the owner of an RV parked in space 37 of the RV lot. The RV in question is a Ford Thor Fourwinds (white, tan & blue) with California Disabled plates. If you are the owner, or know the owner, please contact the Public Safety Administration Office at 408-239-5246 option 2. Our office would like to identify the owner prior to having the RV towed from Villages property. Please contact Public Safety prior to February 15, 2023.

### Pedestrian Safety Reminder:

Rain or shine pedestrians in The Villages should be aware of the traffic in their surroundings. Please walk on the correct side of the road when getting some fresh air, and walk toward oncoming traffic. The arrows are painted on the main roads. You should also remain in single file when in groups to keep within the white lines as well as social distancing. When walking pets, be sure they, too, remain within the white lines, on a short leash away from traffic.

### Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

### Report Coyote Activity

Please report all coyote sightings to Public Safety and Vector Control at the following email addresses:

• Director of Public Safety Steve Norden at [snorden@the-villages.com](mailto:snorden@the-villages.com) and include in email the location day and time of the sighting.

• Contact for Vector Control is [Vector.sccgov.org/home](http://Vector.sccgov.org/home). Residents can use this to report coyote / wildlife incidents directly to the county.

### Traffic Safety Reminder

Villagers please keep in mind that the maximum speed within the Villages is 25 MPH. Some streets are slower than that. Please remind your visitors as well.

We continue to find drivers traveling far too fast. It's for everyone's safety, especially in inclement weather. Please obey all stop signs as well.

### Leash rule for pets

Residents are reminded, as per Club Rule 1.51, that pets must be kept on a leash, under control, and attended to at all times. This also applies to the Hill Lands.

An increase in coyote aggression has created problems with small dogs, especially those that are unleashed. **Please always leash your pets. And keep leashes short; the Division of Wildlife recommends a leash no longer than 6 feet.**

Furthermore, accompany your leashed pet at all times while outside. Do not let go of the leash or tie your animal to trees or other objects. An unattended leash not only attracts the attention of coyotes, but is also a tripping hazard to other walkers.

## **(SRS) SENIOR RESOURCE SERVICES**

### *Your income tax resolution list*

The December 31 Wall Street Journal suggested a New Year's Resolution List for your income tax filings in 2023. How many of these are good resolutions for you?

**1. I will e-file my tax returns, if possible.** E-filing is far more accurate and efficient. Paper returns risk an array of problems, such as key-punch errors, errors on name, or even a form getting dropped on the floor. Plus, paper returns cause you delays.

**2. I will check my W-2 wage forms and form 1099 income reports when I get them.** If there are mistakes, get a corrected form before filing your return.

**3. I won't blow off the IRS's April deadline.** Yes, you have a 6-month extension to file your return, but your tax payments are due this year on May 15, 2023.

**4. I will minimize my tax refunds.** A refund of more than a small amount means that you have made an interest-free loan to Uncle Sam. Now that interest rates have risen, that is costing you even more than before.

**5. I will save my receipts when making home improvements.** Capital improvements in a home increase the tax basis in the home used for calculating gain on sale. Many Villagers do not keep records of the cost of, for example, a new kitchen or bathrooms.

**6. I won't buy or sell an exotic investment without talking to a financial advisor first.** Have cryptocurrency, master limited partnerships, or an investment trust which may seem like a mutual fund but actually isn't? If you do not understand it, be wary. And be sure to check with a tax specialist before jumping in or out.

**7. I won't make my tax preparer want to strangle me.** The tax code is frustrating enough, so don't cause your preparer unnecessary trouble. Complete the requested organizer packet including answering the questions. Watch for envelopes marked "Important Tax Information." Don't give your preparer unsorted and incomplete records. Don't wait until May to waltz in with your information.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagesrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.*

**SRS Reminder:**

### *Charity value guide for donated property*

You may deduct the fair market value of personal property you donate to charity on your tax return as an itemized deduction. How do you determine fair market value? The best way is to estimate what it will sell for in a thrift shop. SRS has a handout titled "Noncash Charitable Contributions—Fair Market Value Guide 2022." The handout date of 2022 indicates it is for use in preparing 2022 returns.

The website for The Salvation Army has a list of the price range for items in its stores. Check out the valuation guide at [satruck.org](http://satruck.org); click on "View the Donation Value Guide" near the bottom of the first screen.

## *EPC welcomes Mike Ramer to Leadership Team*

**By Vera Buescher**

What a joy to extend a warm welcome to Mike Ramer, who joined EPC's Leadership Team recently as a Co-Director, working with Bob Dolci and Diane Finley. In that role, Mike will be taking on EPC's Training duties—designed to assure that all our Area Reps and Sector Chiefs are fully informed and ready to do what's required in an emergency.

Mike is one of those rare types—he's a California native, having lived here all his life. His career has been in the educational field—not in teaching, but in various positions, most of which were supporting the Assistant Superintendent of the Santa Clara County Office of Education. He moved to The Villages in October 2021 and shortly thereafter became an Area Rep in del Lago. Before long he agreed to serve as a Sector Chief with another del Lago friend, Paul Magruder. The goal of the two of them is to visit every home in del Lago to meet the residents, inform them about EPC and encourage as many as possible to become Area Reps. Mike said that they agree with EPC's adage that there can never be too many Area Reps. Read more about Mike at [thevillagesepc.com](http://thevillagesepc.com)

## Proposed Changes to Club Rule 1.14 Golf Facilities

At the January 31, 2023, monthly board meeting, the Board approved for 30-day member notice proposed changes to Rule 1.14 Golf Facilities prior to formal approval consideration at the March 28, 2023, board meeting.

As Rules Committee Chair Frank Langben reported, the purpose of changes to 6.1 and 9.A of Rule 1.14 Golf Facilities is to require that two riders be in each golf cart which follows the recommendation of the Villages Golf Committee, the Club Board, and will reduce wear on the golf course and save on maintenance costs.

The second inserted sentence to 9.A gives the Director of Golf the authority to make exceptions, such as a group of three golfers playing in two carts. The third inserted sentence to 9.A allows the Director of Golf to mandate single riders in each cart, if necessary, in the future without changing the rule again.

The purpose of adding Paragraph 14 is at the request of the Club Board Ad Hoc Policy Committee to take the identical language on golf tournament green fees from VGCC Board Policy CPO 312 and add it, instead, to Rule 1.14.

Response to the proposed rule changes may be made by one or more of the following methods: 1) Participation in the discussion of the changes at the February 28, and March 28, 2023, board meetings, 2) via e-mail (jmeadows@the-villages.com) with comments sent to the General Manager's office at least seven days prior to the board meetings, or 3) via written comments to the General Manager's office (Business Administration Building A) delivered at least seven days prior to the aforementioned board meetings.

~~Deleted text is shown with strike-through text.~~

Inserted text is shown with underlined text.

The proposed changes are as follows:

### 6. Golf Course Rules and Etiquette

1. The Pace of Play guideline at The Villages is 4-hours for 18-Holes and 2-hours for 9-Holes. Golfers are asked to play Ready Golf at all times. ~~Golfers are asked to use individual carts to assist in maintaining pace.~~

### 9. Golf Carts

~~A. It is recommended, to maximize pace of play, and to maximize the enjoyment of all golfers, that residents play with one rider per cart whenever possible. Residents are permitted to ride together in one cart if they so choose, but must maintain the daily pace of play.~~

A. Residents must play with two riders in each cart. The Director of Golf may grant exceptions. The Director of Golf may require one rider per cart for pandemic or health concerns. Residents must maintain the daily pace of play.

# COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

## ***Building B business hours***

The Community Activities office in Building B is open for walk-ins Monday to Friday 8:30 a.m. – noon and from 1 p.m. to 4 p.m.

## ***Sign up for trip to see ‘Great Compositions: Beethoven and Steinbeck’***

Join us on **Wednesday, March 29** as we visit the Ira F. Brilliant Center for Beethoven Studies and the Martha Heasley Cox Center for Steinbeck Studies, which are part of the Dr. Martin Luther King, Jr. Library’s special collections. The former is an extensive library and museum founded in 1985 and devoted solely to the life, works, and accomplishments of Ludwig van Beethoven (1770-1827). The latter, founded in 1973, is a research center dedicated to the author John Steinbeck (1902-1968) and is now the largest archive committed to his work in the world.

We will depart from Cribari East Parking Lot at 12:30 p.m. with an estimated return time of 4:30 p.m.

Both centers have personal items, historical artifacts, print media and other materials curated from their extensive individual collections on display. In addition to their exhibit the Beethoven Center will provide a demonstration of the historical 18th and 19th century musical instruments—which include a harpsichord, a fortepiano, and a clavichord. Then a member of the Steinbeck Center staff will provide a tour of their exhibit and be available for questions. Materials from other library special collections should be available to view as well.

Activity Level: Light to moderate activity (elevator to exhibits, seating may not be available).

The cost of \$33.50 per person includes round trip transportation and donation to venues. Space is limited, please register early! Donations to both centers are included in the price; additional donations may be made at your discretion. Gratuity for driver is included in price, additional tipping is at your discretion. Register in Building B during business hours. **Registration ends Friday, February 24.**

After the trip, participants will receive a 10 percent discount at the Clubhouse restaurant. You will need to make a reservation for the main dining room and show your registration receipt to your waiter to claim the discount. This discount does not apply to alcohol and cannot be used with other discounts.

## ***Take our Community Activities Trip Survey***

Help guide our registration policy and trip programs! We would like feedback on whether to change the resident priority registration period. Because we have the same registration policy for all Community Activities sponsored trip, classes, and on-site events this issue affects all our programming.

We also need your input on the type and scheduling of trips we offer and what factors are most important to you when choosing to register. What are your interests? What days of the week are best? What criteria do you use when choosing to register?

The online survey is available through the following link: [surveyMonkey.com/r/S85NKK6](https://surveyMonkey.com/r/S85NKK6)

We will also have paper copies available in Building B. The deadline to complete the survey is Friday, February 10. The survey should take you less than 10 minutes.

To avoid duplicate entries, we are asking that only one survey per household be submitted. We hope to hear from as many households as possible, even if they have never attended any of our programs before, so start thinking about what activities you would like to do!

## ***Graton Resort and Casino trip sold out***

The Graton Resort and Casino trip scheduled for Tuesday, March 7 has no available tickets left.

## ***Sign up for Beginning Line Dancing with Nanci!***

Community Activities has hired new line dancing instructor, Nanci Pritchard! Hopefully you had a chance to attend Nanci’s free demo this past Tuesday.

Sign up for Beginning Line Dancing class with Nanci. This six-week class will take place Tuesdays 10 a.m. – 11 a.m. March 14 to April 25 (no class on April 4) in Cribari Auditorium. The fun line dances to traditional and more popular music will introduce you to basic moves and footwork.

The cost is \$25.50 per resident for each session. Register in Building B during business hours beginning Monday, February 13 and ending Friday, March 3.

Nanci has been dancing for over 30 years and has been teaching country line dance for the last 20 years. She teaches throughout the Bay Area including some of the largest country nightclub and winery venues. She has enjoyed working with all ages of dancers who have varying levels of experience.

## ***Chinatown trip coming soon***

Hop to it, it’s the Year of the Rabbit! Come explore the iconic architecture and traditional ambiance of San Francisco’s Chinatown. Experience culinary culture through tea tastings, lunch from the Far East, and fortune cookies. This walking tour, guided by Craig Smith, takes you through one of America’s oldest Chinatown’s in the U.S., and one of the city’s most popular attractions. More information will be in next week’s *Villager*.

## ***Woodshop access is keyless***

Woodshop access is now only available by resident ID card, just like the Fitness Center. If you wish to use the woodshop, please make the necessary arrangements to take an online equipment safety review, take an in-person quiz, read, and sign new paperwork and provide proof of ownership of safety glasses, hearing protection, and a dust mask.

The online safety videos are located on The Villages resident portal. Please watch them carefully and review Club Rule 1.20 regarding the Woodshop. You may access them both at <https://resident.thevillagesgcc.com/facilities/wood-shop-safety-videos>

When finished, please make an appointment with Mary Tatum in Community Activities to complete processing. She can be reached at 408 223-4643 or [mtatum@thevillages.com](mailto:mtatum@thevillages.com).

## **RESIDENT EXCURSION PARTICIPATION GUIDELINES**

The Community Activities office offers a wide variety of activities for the enjoyment of the Villages residents. *Please check your personal calendars prior to committing to an event, class or trip. Once registered for an activity, you are respon-*

*sible for the cost of the activity. All sales are final.*

Registration is limited to residents only for the first two weeks.

Management assumes residents and guests are able to participate in our sponsored

activities independently. We reserve the right to evaluate the participant’s ability to participate based on each individual’s physical abilities and/or demonstrated behaviors. You may always take a caregiver with you to help with your needs.

Employees are not permitted to provide physical assistance to participants. If personal assistance or a wheelchair is needed, the participant must arrange for a caregiver with paid reservation to accompany him/her.

Employees, residents and their guests represent the Villages Golf and Country Club off site. It is expected that all participants will conduct themselves in a dignified, cooperative and congenial manner.

## Shannon Bushey to present *‘Voter fraud: real or imaginary?’* Senior Academy: Learn how *‘Lady Lex’* lit up Tacoma in 1929!

By Arlene Versaw

As a large segment of the American public appears to believe in “voter fraud,” the issue of election integrity/security continues to be of significant importance. With our next election less than two years away, the battle for the hearts and minds of election deniers will persist.

**County Registrar of Voters Shannon Bushey**

In a Democratic Club Zoom presentation on Thursday, February 23 at 7 p.m., County of Santa Clara County Registrar of Voters Shannon Bushey will explain why our electoral process works and why fraud on any large scale cannot exist. She will take us behind-the-scenes in how mail-in ballots are handled, and how her office handles ballots that fall into gray areas of submission (i.e., missing envelope signatures) and other election security information.

The more we know about this topic, the better we can refute challenges to the system, and help those who are unsure of what to believe. A question-and-answer period will follow Shannon’s presentation.

Shannon has been our County Registrar since 2014. A 32-year veteran with the County, Shannon has been instrumental in implementing the state’s first satellite voting locations using Ballot-on-Demand technology and Remote Accessible Vote-by-Mail technology, expanding language assistance and voting opportunities, ensuring best practices in elections and security, and developing in-house employee training programs. She holds the election profession’s highest designation as a Certified Elections and Registration Administrator.

The presentation is open to all Villagers, but you must register by emailing [TheVillagesDemocraticClub@gmail.com](mailto:TheVillagesDemocraticClub@gmail.com)

Sometimes Mother Nature creates havoc and threatens the welfare of those caught in her path. That’s when creative solutions to crises can save the day. Join us for a Senior Academy Zoom webinar at 2 p.m. on Tuesday, February 21, as we hear about one very interesting story told by a speaker with lots of experience with natural disasters.

One such case happened in 1929, when severe drought tapped out the water resources of the city of Tacoma, Washington, incapacitating the local electric utility’s two power dams. In desperation, the city implored President Herbert Hoover for help. Enter “Lady Lex,” the U.S.S. Lexington, which steamed into port and provided power to the city for a month, creating a relationship between the city and the battleship that lasted through World War II.

Bill Lokey is a disaster management specialist, whose career in this area began with the Washington State Department of Emergency Management where his responsibilities included the development of the State Disaster Plan. He served as Assistant Director for Operations, responsible for Washington State disaster response, including the recovery from the 1980 eruption of Mt. Saint Helens; as Director of Emergency Management for Pierce County, Washington; Chief of one of 27 task forces that responded to the Northridge earthquake and the Oklahoma City bombing; and Assistant Chief of Special Operations of the Fire and Rescue Branch/California Governor’s Office of Emergency Services. In 1999 he joined the Federal Emergency Management Agency (FEMA) as a Federal Coordinating Officer (FCO).

## Come to LSAL’s Walking/Chair Dancing class to improve gait

As people get older, they often develop gait problems that create foot shuffling, loss of balance, and falling. Impaired nerves, joint issues, and other medical conditions can significantly affect walking habits. Our Walking/Chair Dancing class works to help you improve your gait by encouraging you to lift your feet as you walk. The class enables you to stretch joints to minimize tension and tightness and strengthen your muscles to help you cope with life changes as you age.

The LSAL Fitness Club features three great classes to help you grow your fitness level: Two classes on Tuesdays and one on Thursdays. Tuesday Classes are for **members only** and feature two sessions. The first session, held in the Cribari Conference Room 11 – 11:45 a.m., is a progressive, Higher Energy, moderate intensity class. Participants should be able to walk and move freely without mobility aids. The second class, held in the Cribari Conference Room 12 – 12:45 p.m., is an intermediate, high energy, variable intensity class appropriate for all fitness levels, including those who need to walk slower due to balance challenges. Thursday’s class is held in the Cribari Auditorium 10 – 11 a.m. and is suitable for all fitness levels. **All visitors are invited to attend our Thursday class.**

## FROM THE VILLAGES LIBRARY

The Villages Library is open Monday through Friday, 9 a.m. to 3 p.m., and Saturday 9 a.m. to 1 p.m.

By Sherle Frost

**“Shrines of Gaiety” by Kate Atkinson:** London 1926. Roaring Twenties. Corruption. Seduction. Debts due. In a country still recovering from the Great War, London is the focus for a delirious nightlife. In Soho clubs, peers of the realm rub shoulders with starlets, foreign dignitaries with gangsters, and girls sell dances for a shilling a time. There, Nellie Coker is a ruthless ruler, ambitious for her six children. Niven is the eldest, his enigmatic character forged in the harsh Somme. But success breeds enemies. Nellie faces threats from without and within. Beneath the gaiety lies a dark underbelly, where one may be all too easily lost. Mystery, 2022.

**“The Naked Don’t Fear the Water: An Underground Journey with Afghan Refugees” by Matthieu Aikins:** In 2016, a young Afghan driver and translator named Omar makes the heart-wrenching choice to flee his war-torn country, saying goodbye to Laila, the love of his life, without knowing when they might be reunited again. He is one of millions of refugees who leave their homes that year. Matthieu Aikins, a journalist living in Kabul, decides to follow his friend. In order to do so, he must leave his own passport and identity behind to go underground on the refugee trail with Omar. Their odyssey across land and sea from Afghanistan to Europe brings them face to face with the people at heart of the migration crisis: smugglers, cops, activists, and the men, women and children fleeing war in search of a better life. As setbacks and dangers mount for the two friends, Matthieu is also drawn into the escape plans of Omar’s entire family, including Maryam, the matriarch who has fought ferociously for her children’s survival. Harrowing yet hopeful, this exceptional work brings into sharp focus one of the most contentious issues of our times. It is a tale of love and friendship across borders, and an inquiry into our shared journey in a divided world. Afghanistan, 958.1, 2022.

**“Long Shadows (Amos Decker #7)” by David Baldacci:** Memory man FBI agent, Amos Decker, returns in this action-packed thriller to investigate the mysterious and brutal murder of a federal judge and her bodyguard at her home in an exclusive, gated community in Florida. Things are changing for Decker. He’s in crisis following the suicide of a close friend and receipt of a letter concerning a personal issue which could change his life forever. Together with the prospect of working with a new partner, Frederica White, Amos knows that this case will take all of his special skills to solve. As darkness falls, evil comes to light. Judge Julia Cummins seemingly had no enemies, and there was no forced entry to her property. Close friends and neighbors in the community apparently heard nothing, and Cummins’ distraught ex-husband, Barry, and teenage son, Tyler, both have strong alibis. Decker must first find the answer to why the judge felt the need for a bodyguard, and the meaning behind the strange calling card left by the killer. Someone has decided it’s payback time. Mystery, 2022.

**“Tom Clancy Red Winter (A Jack Ryan Novel)” by Marc Cameron:** 1985: For Jack Ryan, the Cold War is burning hot. A top secret F117 aircraft crashes into the Nevada desert. The Nighthawk is the most advanced fighting machine in the world and the Soviets will do anything to get their hands on its secrets. In East Berlin, a mysterious figure contacts the CIA with an incredible offer: invaluable details of his government’s espionage plans in return for asylum. With the East German secret police closing in, someone will have to go to behind the Berlin Wall to investigate the potential defector. It’s a job Deputy Director James Greer can only trust to one man—Jack Ryan. Ryan is a former Marine and a brilliant CIA analyst, but this time he’s in enemy territory with a professional assassin on his tail. Can he get the right answers? Fiction, 2022.

## Village Dancers to bring back the ‘50s!

Let’s turn Monday nights into a Sock Hop! In February, Village Dancers will learn a fun ‘50s inspired choreography to Elvis’s “Jailhouse Rock.” Join the Vil-

lage Dancers on Monday nights from 5:30-6:30 p.m. in the Cribari Auditorium. Questions? Send email to Bernice Toy at [Bernice.Toy@gmail.com](mailto:Bernice.Toy@gmail.com).

## CATHOLIC COMMUNITY

### ‘Beyond the Law’ — 6th Sunday of Ordinary Time

By Deacon Joe Cabrido

Jewish society at the time of Jesus was shaped by the law of Moses and the traditions passed down from generation to generation. When Jesus appears in Galilee he announces that the kingdom of God is at hand. He begins challenging conventional wisdom through his teachings, although he is not known to be a scripture scholar or teacher of the law. Jesus encourages people to respond to this new situation by living in a different way.

Loving God and neighbor is the way to follow God’s will. For example, he teaches that those who do not kill are fulfilling the law, but if we do not root out aggression against another person, we are not following God’s will. Love must take us beyond what the law says.

In these times of much division in our church, are we unknowingly becoming like the self-righteous Pharisees whom Jesus had a combative relationship with? Do we look upon others as if they are not Catholic enough? Have we forgotten that God’s love, mercy and kindness permeates through Catholic teachings that have been imposed on us and we impose on others? If what we teach is not derived from love or goes against love, it is meaningless. Jesus challenges us today to look deep in our hearts and discern what it means to be faithful to the God of love and compassion in today’s world.

## COMMUNITY CHAPEL

### ‘Going Through The Maze’

By Pastor Bill Hayden

Life is an ever-increasing adventure because our plans seem to always turn in different directions. For example, you probably have a navigational system that you use on your phone or in your car to locate a point of interest. It may include several roads, the number of miles and estimated time to arrive at your destination. Your navigational system may not give you up to the minute conditions as you approach your destination. While in a rainstorm, it may divert you to avoid a flooded street with potholes or may take a detour to avoid a crime scene but it will not tell you to avoid a certain person or organization that will delay your progress for several years.

Can you recall an event that happened in your life that really tested your beliefs like the loss of a loved one, loss of your physical ability to earn a living or a divorce that ended badly? You may say that you believe in God...if things happen the way you think they should. When it doesn’t work out according to what you hoped for, then what? Who do you blame for things not working in your favor?

Sometimes events that appear to go awry and spiral out of our control can be the best thing to get you back on track in achieving your ultimate purpose. Our first response is usually to blame it on something or someone other than thanking God for His providence in your life.

We have been conditioned to think and believe that nothing good can come from bad things happening. From your perspective you can’t comprehend how and why it’s happening to you. The answer may not be forth coming but if we stay open minded and pray the answer will become crystal clear after we have stopped playing the blame game.

People of great promise have had to deal with many hardships to arrive at their desired destination. There are untold stories of individuals who are very successful in life today despite the many hardships and misdirection their journey took them in. In our mind, they appear to have suddenly arrived at a point of overnight success. When they have achieved success despite failure, sickness, betrayal and the desire to give up is praiseworthy.

Through the hardships they discovered the one thing needed was.... a fully restored relationship with the God, who created them. God is not satisfied until we are confirmed into the image of His Son. “For those whom He foreknew He predestined to be conformed to the image of His Son.” {Romans 8:29 NKJV} It is then that we bring Him the greatest joy and the greatest glory.

If you need friendship, you can find it in our Chapel. Please join us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word and enjoy a cup of coffee and cookies with friends. *The chapel is a place for needs to be met, faith to be affirmed and new friends to embrace.*

## VILLAGES JEWISH COMMUNITY

By Barbara Tommaney

The Villages Jewish Community will host Sabbath services on Friday, February 17 at Foothill Center beginning at 7:15 p.m. Our Rabbi Annette Koch will lead us in Worship. Our distinguished speaker for the evening is Santa Clara County District Attorney, Jeff Rosen. As you may recall, District Attorney Rosen was scheduled to speak at our January services, but due to a scheduling problem, had to postpone his appearance. Now we are honored to have him speak on February 17 on the timely subjects of Hate Crime, Elder Abuse, and Scams. Mr Rosen is a nationally recognized leader in criminal justice reform. Crime in Santa Clara County is at its lowest level in decades. The DA’s office has 620 employees, including 190 deputy District Attorneys. Under Mr. Rosen’s leadership the office is more diverse than ever before. He has taken prosecutors and investigators to The Museum of Tolerance in Los Angeles to learn about the Holocaust, racial profiling, implicit bias and the duty of law enforcement to safeguard the rights of all people. Especially in light of recent events in California, this is a program you do not want to miss. All Villagers are invited to join us.

## EPISCOPAL

### ‘Here I Stand’

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

In January of 1521, German theologian and priest Martin Luther was summoned before the Holy Roman Emperor Charles V to account for his heretical teaching. He had already been excommunicated for his criticism of the Catholic Church and his insistence on the primacy of the Bible. He was asked to recant his many writings, whereupon he would be allowed to return to the Church. The alternative was to be branded a heretic and subject to execution. He chose the latter, famously saying to the Emperor’s Council “I neither can nor will retract anything; for it cannot be either safe or honest for a Christian to speak against his conscience. Here I stand. I cannot do otherwise. God help me.”

## TENNIS TALK

### The Phil Prescott story—Part 2

By Betty Olsen

Phil Prescott lived in The Villages from 1979 at least until 2006 when he wrote his 300-page “Family History” book...and that is 27 years. 150 of those pages are photos of family and his many trips to Europe, Asia and South America. He must have been a meticulous note taker to remember such detail to write his book at the age of 87. He also included his many fishing trips.

In August 1997, Phil wrote a letter to Glen Hamilton, President of the Tennis Club, stating that “Two members have received quotes of \$60,000 for two additional tennis courts. I would like to have the members of the club join me in raising \$60,000 to finance the project. I will match dollar for

Left to right: Andy Nishimura, Phil Prescott, Glenn Hamilton, Phyllis Mueller, Shig Murao

dollar the contribution of others until our combined contribution (i.e. my contribution of \$30,000 plus \$30,000 from others) reaches \$60,000.” He suggested a cutoff date of December 1, 1997 for raising the funds, however I am told it only took two weeks to raise the funds.

A little bit of trivia: (1) A copy of the letter was sent to Art Lind and (2) a p.s. “I have talked to Jack Kuzia re: the addition of one court. I prefer two, but I would work with the club if that is the preference of the members.”

And here is a photo of Phil cutting the ribbon on July 13, 1998 at the opening ceremony of new courts 5 & 6. Also here is a photo of the folks responsible for raising the funds, along with the photo of the plaque commemorating the event at courts 5 & 6.

Since then, the Tennis Club has held a tournament every year titled “The Prescott.” In his honor and the proceeds from the tournament go to our Villages Medical Auxiliary (VMA). Mitzi Macon, President of the VMA is the Prescott Chairman, so please give her all your support.

## BOCCE NEWS

By Barbara Orlando

Boot Camp is now finishing its second week, and everyone attending is having fun learning how to play bocce. Our Boot Camp organizer, Helen Paris, has been busy with beginners. Many vol-

unteers are helping with sign-in, assisting new players and providing instruction on how to play this casual or competitive game. We’ve been lucky the weather has held; it may be a little chilly, but it’s dry.

On Wednesday, February 22, our Beginner’s Tournament and Championship game will take place. New boot camp beginners, that have become members will experience competitive play followed by a Championship game. Lunch will be provided by the club to all those who have participated in the Beginners Tournament.

The Palentine Dinner takes place tomorrow at Cribari Auditorium, starting at 5 p.m. This event is **sold out**, but if you’re one of those who has reserved your spot, this is a reminder. This should be a great event as new Social Director Wendy Ledamun and her eager volunteers put on their first of many social events this year for the Bocce Club.

It’s not too late to sign up for the Spring Mixer. Tournament coordinators are ready to start putting the teams together and assign each team a captain. Signup is easy; just use the form in the kiosk, at the courts, and place your name, contact information and three choices for day and time. You can also call Jeanne Anne at 650-493-3638 or George Paris at 510-396-2925 and they’d be happy to help you with any questions. Want to be a captain? It’s not too late to add your name to the list.

We’re one week closer to the start of Bash on Friday, March 3, from 3 to 5 p.m. Come join us for some social time and casual play. You needn’t be a member to attend, just a desire to have fun. Bring a snack to share, if you’d like to eat, along with your favorite beverage.

**Every Friday from 3 to 5 p.m.  
Starting on March 3 through October 27**

Join us at Bash each Friday! Bring along a snack to share if you’d like to join in the eating and your favorite drink.

Bash volunteers, Karen Carlson, and Joan Maxwell will assist you in signing up for the ½ hour play times and answer questions.

Bash Director, Bill Masching will be there to greet you and help in any way you might need assistance.

Bash is for casual play and meeting new and old friends for social time. You needn’t be a member to attend, just a desire to have a good time.

Our courts are ADA compliant, and bathrooms are adjacent to the courts. The bocce courts are located next to Gazebo Park.

Come join us for a good time!

# IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are now in afternoon play currently gathering every Thursday afternoon at 2 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin. This past Thursday, February 2, 2023, the weather was cloudy but warm; another great day for some golf.

On February 2, 2023, 12 Ironmen played.

First place went to Bob Lapidus with a net 24; second to Al Bruno with a net 28; and third place went to Mike Schwerin and Bill Travis with net 29s.

Closest to the flag was won by David Cook on hole 2 at 11 feet 2 inches.

The greens were fast and it was windy, resulting in only 1 birdie by Jerry Juracich on hole 8.

Low gross went to Al Bruno with a 2 over par 29.

**Deep thoughts:**

# SHONIS

By Betty Hall

What a chilly morning for our four new Shonis to have their first qualifying rounds. We welcomed MaryAnn Haggerty, Manoli Kelly, Leslie Robinson and Karen Rooney to the Shonis last Tuesday. They each received a new sleeve of balls to start their golf “careers” and we pitched in a quarter for each of them into our birdie pot.

Good thing we did as Karen Rooney got a birdie on one of our toughest holes, Hole #8. Money and a birdie pin on your first day. Congratulations, Karen. See our list of scores on the Scoreboard page.

The last Tuesday of every month is our birthday game. Shonis with a birthday in that month get to drop their worst hole score and it usually helps them in that days ‘sweeps as well. The 31st was the birthday game for Bonnie Evans. Not only did she get a birdie on that hard Hole #8, she also got first in her Flight. Happy birthday, Bonnie.

# TABLE TENNIS

By Peter Groot

The nets were replaced, and a new table has arrived.

On January 29, Ali Goksel moved up to #2 by beating Jianxin Zhang, now #3.

Sheng Chen moved up to #9 by beating Kevin Prest, now #10, and dropping one place for the others in between.

Albert Chan for example dropped from #10 to #11.

There is a new item in the schedule on YourCourts, Sunday 2 to 4 p.m., Ladies Lessons.

# SWINGERS

By Jeannie Omel

It was clear and sunny when 69 women headed out to the course this week. Although the temperature was 41 degrees at tee time, it started warming up nicely by the third hole. Flo Southland had a chip in for birdie on Hole #4 and Song Cho had a birdie on Hole #6. Wonderful job, ladies!

Do golfers need to be concerned about conserving resources and sustainability? The LPGA says “yes.” The LPGA has an initiative focused on sustainability and hopes to engage golfers and raise awareness of how clubs can make a difference. Part of the plan is to minimize the use of unnecessary plastics or use other means to protect our environment and maintain our natural resources.

New member Patti Bell

New member Donna Quartaro

Recently, at a meeting of the Women’s Long-Nine Invitational Committee, Chairman Valerie Dimmick proposed to the committee that we look for a way to eliminate the use of water bottles at our upcoming tournament in June of this year. She also suggested the group look for other ways we can support sustainability. As we plan other events this year, we should continue to consider environment impact.

# PICKLEBALL

## Let’s warm up, Pickleballers!

By Joyce Kludt

It is a fact here at the beautiful Villages that most of us are not spring chickens anymore. I certainly have had my share of enjoying playing a few games and then “feeling it” the next day... or that night. So today our topic is injury prevention to keep us healthy and happy on our courts.

What are the major injuries sustained as a PB player, you might ask. If it extends, flexes, rotates or twists, we can injure it. Most injuries are musculoskeletal and joint-related issues: strains, sprains, and tears of the wrists, elbows, shoulders, back, quads, hamstrings, knees and ankles.

So, how can we avoid body trauma while playing our favorite sport?

Two words: Warm up!

I read of a doctor who would tell his senior patients that they were a mint condition old school car. They might be worth a million dollars, but their parts had seen better days. Like that car, in order for our bodies to purr like a kitten, it needs to be warmed up first for 5 to 10 minutes.

We must do Dynamic Stretching, which is actively moving our joints and muscles with PB-specific motions for 10-12 repetitions, with a focus on certain muscle groups.

- Arm Swings: horizontal, circular, and forward
- Trunk Twists: twist side to side
- High Knees: alternate bringing your knees up to your chest
- Side Shuffling
- Slow Jog

Hopefully you will incorporate some of these exercises into your pre-PB routine. But...if it hurts, don’t do it!

Wishing you all Happy, Safe, and Healthy Pickleballing....and a Happy Valentine’s Day!

# 18 HOLE WOMEN

Bev Poellot, Low Putt winner

Captain's Trophy winners Renee Woolard and Donna Quartaro with James Rogers

By Diana Hallock

Fifty-two wonderful women ignored the cold and had a fabulous first round in February, including our second Captain's Trophy of 2023. Sharing the trophy for February were Donna Quartaro and Renee Woolard who both shot a net 67. Bev Poellott was our low putt winner, needing only 31 putts. Birdies were shot by Lyn Strong (Hole 2), Monica Saneholtz (Hole 4), Cindy Fuller (Holes 6 & 8), Vicki Krattli (Hole 11), and Betty Sharps (13). Chip-in were shot by Anne Bassford, Suzanne Fazzio, Kathy Kyne, Bev Poellot, Judy Rodriguez, Monica Saneholtz, Betty Sharps, Mary Wagle and Geri Wilk. Great job, ladies!

Phyllis Mueller reminded members that we want to recognize great golf with pins for birdies, eagles, holes-in-one, and breaking 100, 90, 80 and 70...yes, our members break 70! Be sure to record those amazing shots in the Chip In book! Dianne Doughty has our 2023 Ringer Competition ready. Members wanting to participate in this year-long competition need to put \$5 into an envelope and give it to Dianne any Thursday. The Ringer will start in March.

Fun events for February include the Past President's luncheon on February 9 and our Valentine's Play Day on February 16. March 2 will be a *big* day with Captain's Trophy, our General Meeting, and the Invitational Theme reveal...it will be a very memorable luncheon on March 2...don't miss it!

Finally, our weekly results are now posted on our website at [villageswomesngolf.vgcc.club](http://villageswomesngolf.vgcc.club). Members and prospective members are encouraged to visit the website often. It is a treasure trove of great information including a club application for Villages women who would like to join.

# PINSEEKERS

By Jim White

"Enjoy the Game. Happy golf is good golf." - A wise thought from the winner of nine major PGA championships, Gary Player.

As promised, the technical problem with the scoring for January 27 has been resolved. Coming in at number one, our newest Pinseeker, Choo Kim with a net 32 earning 4 Champion points and \$4 in sweeps credits. In the second position was Martin Hoek, shooting a net 34 good for 3 Champion points and \$3 in sweeps. Third place was Larry Chin. Larry had a net 37 grabbing 2 Champion points and \$2 in sweeps. Rounding out the point winners was Jim White with a net 38 taking 1 Champion point and \$1 in sweeps credits. No putting champion was declared.

Our February 3rd outing was, once again, canceled due to the weather. By our scheduled tee time of noon, the skies had cleared and eight Pinseekers hit the course for a fun, non-competitive day. No scores were posted as we require a minimum of 10 players for a valid "mini tournament."

There is some concern for the next several weeks as, on Ground Hog Day, Punxsutawney Phil predicted another six weeks of winter weather. However, we are hoping that the long-range weather reports are accurate and we will be playing at least the next two Fridays.

## Golf Cart Yellow Lines Initiative

As part of the Villages continuing Culture of Care initiative for our 18-Hole golf course, in January we began the installation of yellow ground paint lines in front of the green complexes to clearly define the 30-foot golf cart restriction area at each green

The golf course yellow lines

as prescribed in Golf Rule 1.14 Section 8-J:

8-J. Carts are to be kept on the cart path around all green complexes and teeing grounds. Carts must be kept a minimum of 30-feet from the green apron and are not permitted within the perimeter of greenside bunkers.

The yellow lines will take the place of stakes and ropes and serve as a visual reference point defining where golf carts cannot advance any closer to the green apron according to the 30-foot perimeter mandate in Rule 1.14, Section 8-J.

The former use of stakes and ropes for this purpose proved to be a challenge due to the following factors: Visually and aesthetically unappealing - Unsightly

Physical hindrance to golf shots - Formed an obstruction for advancing golf balls

Labor intensive - stakes and ropes were constantly moved, removed, and knocked down

Expense - the cost of attaining enough stakes and rope for each hole is very high

**The yellow ground lines will serve as a better option than stakes and roping for the following reasons:** Less Obtrusive - yellow ground lines will not create an above ground obstruction to golf shots approaching the green

Aesthetically Subtle - yellow ground lines will be more visually appealing than above ground stakes and roping

Permanence - yellow ground lines cannot be moved, knocked over or completely removed

**It is important for the condition of the green complexes and associated turf to keep cart traffic a minimum of 30-feet from each green apron and outside the perimeter of the greenside bunkers. Cart traffic allowed too close to the greens damages turf, creates unsightly tire ruts and results in unfavorable playing conditions as the turf becomes thin, compacted, compressed and, in some cases, permanently damaged.**

## Golfers' Adopt-A-Green Initiative

At The Villages we pride ourselves in maintaining excellent golf course playing conditions. And the greens are a major focus of course conditions.

Toward that end, in January we are starting an "Adopt a Green" initiative for all resident golfers as a part of our continuing Culture of Care initiative.

The premise is simple - each resident golfer will be assigned a green(s) according to the first letter of their surname. Whenever you play, you will be asked to repair as many ball marks as possible on the green(s) to which you are assigned.

*And remember to always repair your personal ball marks on every green played as well.*

**We encourage you to start repairing your assigned green(s) as soon as possible.** We thank you for your efforts...This will make golf at The Villages more enjoyable for all!

## FROM THE PRO

By Scott Steele, PGA Head Golf Professional

**Two Riders Per Cart – 2 Cart per Group**—The Covid-19 Pandemic caused many courses to adopt a single rider golf cart policy to follow social distancing guidelines. The Villages was among those courses that instituted this parameter. Unfortunately, the increased cart traffic resulted in more wear and tear and cart damage to those golf courses, especially on courses with a clay soil base such as The Villages. The short term effects of the increased cart traffic are thin lies and worn out turf in high traffic areas; the long term effects can be more significant such as large bare spots. While a single cart driving down a fairway might have minimal effects on the health of the turf, the cumulative effect of many carts inevitably takes a heavy toll on the turf health. Imagine a busy day at The Villages with 40 plus groups playing golf with single cart riders; that can add up to more than 160 golf carts each day driving on every hole, quite an amazing number when you think about it. The average weight of a golf cart with acid batteries, one set of clubs and a single rider is approximately 1,150 pounds. Traffic across a Villages fairway where let's say 50 percent of the golfers will drive their carts adds up to 92,000 pounds of weight on the turfgrass in that fairway each day. That is almost 46 tons daily. Over the course of one month that equates to the weight of six Statues of Liberty (225 tons) or 1,380 tons compacting the grass in the fairway. The astounding amount of weight, soil compaction and resultant turf damage can be incredible. In order to mitigate these negative effects on our turf health resultant from so many golf carts traversing our fairways, and potential high costs to remedy, the Villages Golf Committee (VGC) and the Club Board have approved for review a change to Golf Rule 1.14 returning to the pre-pandemic paradigm of 2-riders per cart and 2 carts per group maximum. This proposed rule change will be published in the Villager in February for all to review and provide feedback. All golfers are encouraged to review this proposed rule change and provide their feedback per the policies in place regarding any rules change at The Villages.

**Hole #8 Turf Reduction Project**— You will see that the turf reduction spray out has started around the teeing ground

complexes on Hole #8. There is yellow caution tape surrounding the sprayed out turf areas so please do not cross through the caution tape. We have sprayed the turf to ultimately kill the turf around the tee boxes starting the process of installing the drought tolerant landscaping as the initial phase of the turf reduction beta site. All of the tee boxes on Hole #8 will still be open for play as the spray out is occurring around the perimeter of the #5, #4 and #3 tee boxes. Let us know if you have any questions.

**Downed Tree Removal**—We have started the process of removing the four large Eucalyptus trees that fell as a result of the recent torrential storms that hit us at the beginning of January. We lost one tree on Hole #9, two trees on Hole #11, and one tree on Hole #15. This process will require the use of large equipment and trucks, saws, wood-chippers and stump grinders. Please be safe when playing golf and navigating around the work crews and their equipment. Please avoid these areas and keep a large breadth. Thank you. Let us know if you have any questions.

**Upcoming Golf Schedule**—Saturday, February 11. Men's Club President's Tournament – 8:30 a.m. Shotgun. 1 p.m. Open Play Shotgun

**Maintenance Hotline and Daily Flag System**—It's a good idea to stay informed now that the weather is more unpredictable. The Golf Course Maintenance Hotline and our colored Flag system is available for just that purpose. Each morning golf course maintenance will update the Maintenance Hotline to let you know about course conditions, cart access status and any maintenance going on that day. Please call 408-223-4663 to access the daily Maintenance Hotline. Also, each day the colored flag at the driving range will be updated to reflect each day's course conditions according to the following color codes:

**Green Flag** – carts are permitted on the golf course as normal

**Red Flag** – carts are restricted to the cart paths only

**Yellow Flag** – frost delay – golf play suspended until further notice

**Black Flag** – all golf facilities closed due to dangerous conditions

**Tips from the Pro— This or That - Fairway Woods versus Hybrids**

We all know there are lots of clubs out there to use, but how often do we truly evaluate our set of clubs based on our age, skill level and mechanics. For instance, do you know if your swing matches up better for a fairway wood, or a hybrid? There are hybrids of every loft, but there are also fairway woods of every loft as well...all the way up to a 9-Wood which has about 26 degrees of loft, and an 11-Wood which has about 30 degrees of loft. If you tend to lack turn in your swing and tend to scrape the ground a bit prior to impact, a high lofted fairway wood will be a better option for you...due to its larger mass and sole and lower center of gravity, you will get more distance and trajectory with a fairway wood. If you tend to be a good iron player and you take a divot, than a lofted hybrid will be a better option for you due to its sharper leading edge and lower profile which will allow you to more easily compress the ball for loft and spin. So try the club that matches your swing profile, and see if it helps! Let us know if these tips help. ### Golf Thoughts:

"I once played a course that was so tough, I lost two balls in the ball washer!"

A little boy was at his first golf lesson when he asked an interesting question...

Q: "Is the word spelled P-U-T or P-U-T-T?" He asked his instructor.

A: "P-U-T-T is correct," the instructor replied.

"P-U-T means to place something where you want it. "P-U-T-T means merely a futile attempt to do the same thing."

**Executive Committee Meeting:** The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the **Montgomery Center**. The next meeting will be March 6, 2023.

# Episcopal...

(Continued from page 16)

Luther was indeed judged heretical, but he escaped punishment because—by that time in late medieval Europe—his ideas were gaining popularity, and he was also protected by the princes of Germany. The Episcopal Church owes a great debt to Martin Luther, whose ideas about Holy Scripture, human free will, and God's grace were influential among reform-inclined clergy and theologians in England. But many other Christian reformers of his day were not spared punishment: taking a stand like Luther's came at a high cost. Remembering his bold witness reminds me that you and I stand—and pray and think for ourselves and thank God for grace—because of Luther's courage. When our own faith calls us to stand with courage, let us not do otherwise.

Please join us for worship on Sundays at 9 a.m. at Montgomery Center. You are welcome whether you are a lifelong Episcopalian, someone who is seeking or someone who is church-curious!

**Stephen Craig Webb**  
December 18, 1944 - December 23, 2022

Steve was born in Oakland, CA to William Webb and Kathryn. He grew up from age 5 in Fresno, CA. During college he worked summers as a firefighter and firetruck driver for the State of California. In college he fell in love with Linda Barcus and they married in 1966. Following their marriage he served in the Navy during the Viet Nam War on an aircraft carrier repairing the guidance systems on torpedos. Steve and Linda had 58 years together, and 56 loving years married. During those years they had a son, Brad, and a daughter, Stephanie. Steve worked for IBM in San Jose for 30 years where he worked as a Senior Engineering Manager. He retired in 1997 and went to work for Celestica, a company based in Toronto, Canada for 7 more years as a Marketing Account Manager.

Steve and Linda moved to The Villages in 2016. Steve loved to walk around Glen Arden and met many of the neighbors. He will always be remembered for his kindness, big smile, and a twinkle in his eyes! Steve passed away from Advanced Alzheimer's Disease. He is survived by his loving wife Linda, his son Brad (Danielle), daughter Stephanie (Charley), and two wonderful grandchildren. There will be a private interment and a celebration of life at a later date.

# OBITUARY

## Dr. Thomas H. Eves

November 24, 1930 — January 23, 2023

Dr. Thomas H. Eves, 92, passed on January 23, 2023. He was born in Portland, Oregon on November 24, 1930. After a stellar high school basketball career in Anchorage, Alaska, Tom turned down a scholarship to the University of Alaska and moved to California. He married his high school sweetheart, Diane K. Coleman. They celebrated their 62nd anniversary before she died in 2014.

In 1954, Tom earned a doctorate from UC Berkeley and opened his optometric practice in Sunnyvale. He was a leader in Jaycees, Lions Club, Sunnyvale Chamber of Commerce, and California Optometric Association. After 42 years, he retired and moved to The Villages, where he incorporated his hobbies of golfing, poker, and traveling.

Tom recruited Villagers to join pre-retirement friends in golf tournaments. What started in 1980 as MacEves weekends in Carmel became Greenhorn tournaments, which have outlived him. Gambling for Tom began at an early age when he played Monopoly for money, then taught his children how to play poker as soon as they could hold cards. Poker games he instigated at his Sunnyvale office building came with him to The Villages, as did his love of travel. Tom and Diane visited 60+ countries together.

Tom will be remembered for his generosity and cheerful optimism. He will be missed by his children, Valery Garrett, Mark Eves (Debra) and Terri Eves Knudsen (Mark); three grandchildren, and four great grandchildren. Tom's son, David Eves, preceded him in death. There will be a private ceremony to scatter his ashes in the San Francisco Bay.

**Club Nominating Committee seeks candidates**

The Villages Golf and Country Club Board Nominating Committee is actively seeking candidates for election to the Club Board of Directors. The Club governing documents provide that there shall be seven directors, and election will be held during May and June for two director positions to serve three-year terms.

The Club Board is responsible for the management of Club operations including, but not limited to all recreational, social, and cultural events in operation at The Villages, the community centers and adjoining swimming pools, the Clubhouse/Pro Shop complex, the two golf courses and tennis courts.

It's a rewarding experience to participate in the governance of this vibrant community. The Nominating Committee urges all Villages property owners to consider involvement in the community decisions through service on The Villages Golf and Country Club Board of Directors.

If you are interested in being a candidate, and/or need additional information please contact any of the Club Nominating Committee Members: Andrew Altman at 207-210-8210 or Andy@ASAltman.com ; John Laws at 408-532-7954; Vivian Brown at 408-274-5850 or vivianbrown1328@comcast.net ; Beverly Poellot at 408-300-1009 or bpoellot@gmail.com ; and Mohan Rao Aiyagari at 408-828-3709 or mvaayagari@sbcglobal.net .

**The Homeowners' Corporation needs you**

Did you just move to The Villages and are looking for a way to meet people and be involved in the community? Are you recently retired and ready to join the many volunteers that help make The Villages the community we all enjoy? Have you lived in The Villages for some time, but haven't found a volunteer job that interests you?

The Homeowners' Corporation Board of Directors has a volunteer opportunity for you. The Architectural Control Committee (ACC) has openings for associate members. This committee is comprised of single-family homeowners and has the responsibility of reviewing homeowner applications to make changes to the exterior of their property. Serving on the committee is a great way to get to know all five Villages that contain single-family homes and to help your neighbors through the process of applying to the ACC.

The committee consists of three voting members and an unspecified number of associate members. The committee meets once a month on the first Thursday of the month at 3 p.m. The next meeting is Thursday, February 9, 3 p.m., in the Cribari Conference Room.

If you are interested in learning more, contact ACC Chair Morton Cordell, 408-622-4469, morton@sra-usa.com, CFO/ACC Liaison Rob Kirschbaum, 261-960-4820, newadventure@comcast.net, or Homeowners' Corporation Board President Teddy Morse, 408-394-5229, theodoramorse@outlook.com.
