## Congressman Jimmy Panetta visits The Villages

As a result of redistricting, The Villages is part of Congressman Jimmy Panetta's new congressional district. On Wednesday, February 22, Congressman Panetta came to our community to connect with Villages constituents and hear and address their concerns. He met with General Manager Theresa Ostrander, Association and Club Board directors and residents.

During these meetings, Congressman Panetta learned that The Villages is an active senior community and that residents are primarily concerned with maintaining social security and Medicare benefits. Additional concerns expressed by attendees included fire safety, water conservation, banning assault weapons and ammunition, charging stations for electric vehicles, hardening the electric grid with barriers and software protection, expanding cell phone coverage in our community, etc.

He said some of these concerns were state and local issues that are not within the scope of the U.S. Congress, but did say that one of the roles for Congress is to fund projects that are approved locally.

Congressman Panetta, serving his fourth term, has committee assignments including the House Ways and Means, Armed Services and Budget committees. Additionally, he meets weekly with the Problem Solvers Caucus, a bipartisan group of 30 Republican and 30 Democrat representatives to find common ground.

During Congressman Panetta's time in Congress, he has fought for affordable housing, immigration reform, the continued protection of our pristine coastline and environment, accessible health care, the reduction of gun violence, a fairer tax code, major infrastructure investment, sustainable conservation practices, our military installations, and the deserved and promised benefits to our veterans.

The Villages should anticipate continued periodic visits from Congressman Panetta to meet with Villagers.

## Book your tickets for Concert Band's 'Flights of Fancy'

By Pamela Pierson

Explore music evocative of travel and of visits to places rather foreign. On March 12, the Villages Concert Band will present its March 12 concert "Flights of Fancy" in Cribari Auditorium at 2:30 p.m. Suites, marches, folk and novelty songs will whisk you away to another place and time.

Tickets will be on sale in the Cribari Lobby from 10 a.m.-12 p.m. this Saturday, March 11 for \$20.

Buy your tickets in advance to claim your favorite seats as the doors open 30 minutes before the concert. Under the direction of Melson Varsovia, the band's 30 members include 10 scholarship students. Interested in the band? Join them next month starting Tuesday, March 21, from 7-9 p.m. in Cribari Auditorium, Contact Philip Renteria at [pwrsax@comcast.net](mailto:pwrsax@comcast.net) for information.

The Villages Concert Band is different and unique. First, band member and alto saxophone player Christy Reid arranged the music for this afternoon's featured piece "La Sabre March" by David Baskerville. In the late 50s at 13 years old she joined a unique band that toured Europe. Second, the band boasts a budding string section including Ken Cole, violin; Sunni Gibbons, cellist; and Mary Dee Dickerson, violin. Third, each musician has a unique story of past and present adventures. Ask Philip Renteria how The Villages has brought musical excitement in his life.

## Daylight Saving Time begins Sunday, March 12

Set your clocks forward one hour ("Spring forward!") when you go to bed on Saturday night.

## VMA accepts old glasses, hearing aids, cell phones

Please remember...the VMA accepts old prescription glasses, hearing aids, and cell phones. Your old or unused eyeglasses and hearing aids can be dropped off and collected at the VMA office (Monday -Thursday 9:30 a.m. to 2:30 p.m.) in Cribari Center.

They are then sent to a service organization for refurbishing and then delivered to the Lyon's Club for distribution to the people that need them the most.

Old cell phones that you are no longer using or need can be dropped off and collected at the VMA office also. They are then delivered to the Verizon Corporate office, where they are then repurposed for recycling or sold. The proceeds that are generated by this process go directly to help assist victims of domestic violence.

When you can, take some time to visit the VMA website at vmavillages.org. You'll be amazed at all of the helpful information that you possibly may not have been aware of.

## Leash rule for pets

Residents are reminded, as per Club Rule 1.51, that pets must be kept on a leash, under control, and attended to at all times. This also applies to the Hill Lands.

An increase in coyote aggression has created problems with small dogs, especially those that are unleashed. **Please always leash your pets. And keep leashes short; the Division of Wildlife recommends a leash no longer than 6 feet.**

Furthermore, accompany your leashed pet at all times while outside. Do not let go of the leash or tie your animal to trees or other objects. An unattended leash not only attracts the attention of coyotes, but is also a tripping hazard to other walkers.

## ABOVE & BEYOND

A huge Thank You to the many generous Villagers who donated warm clothing, tents, blankets, sleeping bags, gloves, many socks and so much more to the people in Turkey and Syria who are enduring the catastrophic earthquakes and very cold temperatures.

All of your thoughtful and truly amazing donations will no doubt, make a big difference in the many lives of those who are living in such precarious conditions.

We Villagers living in the comfort we have are once again, giving much so others can recover. Bravo!

— Toni Thunen

## Proposed Changes to Club Rule 1.10 Clubhouse (Restaurant Dinner Dress Code).

At the February 28, 2023, monthly board meeting, the Board approved for 30-day member notice proposed changes to Rule 1.10 Clubhouse prior to formal approval consideration at the April 25, 2023, board meeting.

As Rules Committee Chair Frank Langben reports, the committee was asked by Management and the Food and Beverage Department to consider changes to the Restaurant dinner dress code. The purpose of the changes is to adjust to changing fashions by many restaurant customers, while maintaining a distinction between the Bistro and the Restaurant at dinner.

~~Deleted text~~ is shown with strike through text.

Added text is shown with underlined text.

The proposed changes are as follows:

### C. Clubhouse Dress Code

- 1) All venues—no swimwear attire, ~~no metal spiked golf shoes~~. Shirts and footwear are required.
- 2) Bistro Patio: No further requirements.
- 3) Bistro: Dress is casual but clean and neat—~~no torn or soiled clothing~~.
- 4) Clubhouse Restaurant:
  - a. At all times—~~no clothing that is torn, ripped, soiled, or has holes~~ clothing must be clean and neat.
  - b. After 5 p.m. in the restaurant—~~No shorts, casual denim, jeans, flip-flops, sandals, sweatshirts, sweatpants, or t-shirts with graphics~~.  
No casual shorts, flip-flops, casual sweatshirts, casual sweatpants, or casual t-shirts. Dress sandals, and dress shorts, may be worn from May through October. Sports or casual shorts may not be worn.  
~~No hats, caps, or visors, except for medical or religious reasons.~~  
~~Dress denim is allowed.~~  
~~Shirts do not need to be tucked in.~~
  - c. The General Manager or his or her designee may apply the Bistro dress code to the Restaurant, when there is likely to be insufficient space in the Bistro to accommodate customers, such as during a pandemic. The Restaurant dress code may also be suspended for special events such as theme nights.

Response to the proposed rule changes may be made by one or more of the following methods: 1) Participation in the discussion of the changes at the March 28, and April 25, 2023, board meetings, 2) via e-mail ([jmeadows@the-villages.com](mailto:jmeadows@the-villages.com)) with comments sent to the General Manager's office at least seven days prior to the board meetings, or 3) via written comments to the General Manager's office (Business Administration Building A) delivered at least seven days prior to the aforementioned board meetings.

### Safety Vests available at VMA office

Have you heard the song “Dead Skunk in the Middle of the Road?” The skunk got that way because the oncoming driver could not see it until the very last second when the car was right on top of it. It was a tragedy. The skunk being **all dark** and taking a risk crossing the road at night—a recipe for disaster.

When walking at night, make sure you’re visible to oncoming drivers so you don’t become a statistic. Wearing bright or reflective clothing will help tremendously, or you could go to the **VMA** office and pick up a reflective **Safety Vest**. We can arrange to have a supply on hand during our office hours of 9:30 to 2:30 Monday through Thursday.

One size fits all, **and there is no charge**. (Please one vest per household member.)

Come on now. You really don’t want to be that skunk.

### Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

**Reminder to all small pet owners:** A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Coyotes are known to attack leashed dogs when the owner gets distracted. Please stay cautious and aware of your surroundings when cleaning up after your pet, talking to a neighbor, checking the mail, etc. Coyotes are opportunists and may make their attacks when you are not paying attention.

Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages, so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Please report all coyote sightings to Public Safety and Vector Control at the email addresses listed below.

### Report Coyote Activity

Please report all coyote sightings to Public Safety and Vector Control at the following email addresses:

- Director of Public Safety Steve Norden at snorden@the-villages.com and include in email the location day and time of the sighting.
- Contact for Vector Control is Vector.sccgov.org/home . Residents can use this to report coyote / wildlife incidents directly to the county.

## What are you going to do with that old golf cart?

You know you want to get a new cart, but what do you do with the old one? You don’t have the time or any interest to fix it up. You absolutely don’t want to put more money into it. You need to make room for the new one that’s arriving in a few days.

The answer is simple. Donate that beauty to the VMA!

The VMA takes donations of gas and electric golf carts (working or not). These carts are sold and the proceeds are used to support the VMA’s mission to assist residents and help them lead active, independent, and healthy lives.

Your golf cart donation qualifies as a charitable contribution under Internal Revenue Code 501(c)(3). You will receive a receipt that you can use when you are completing your taxes.

The donated carts are available for Villagers to purchase. Contact the VMA office (408-238-4230) to put your name on the waiting list.

And please remember that the VMA also graciously accepts donations of cars!

When you can, take some time to visit the VMA website. You’ll be amazed by all the helpful information that you possibly may not have been aware of. Go to vmavillages.org

## **(SRS) SENIOR RESOURCE SERVICES**

### Record retention handout available

On Saturday, April 15, a shredding truck will be in the Cribari Center east parking lot from 9 a.m. to 11:15 a.m. The organization for tax preparation is the ideal time to sort those ancient record files. Which financial records should you keep a while longer and which have served their purpose as reference or proof of a transaction?

SRS has a handout titled **"Record Retention: What personal documents should you keep and for how long?"** This handout classifies things by length of time: What to keep for one year, four years, seven years, while still active, and keep forever.

The federal income tax statute of limitations for making changes to your tax return by either you or the IRS is three years after filing. However, if the IRS determines your gross income was under reported by more than 25 percent, the IRS then has six years to change your return. For your state income tax returns, the California Franchise Tax Board adds one more year to these two limitations, i.e., four or seven years. Consequently, many professionals recommend saving your tax data and a copy of your tax returns for seven years. You may decide four years is adequate.

Purchase records of assets, such as your home or financial investments, should be kept until the asset is sold to document the cost and consequent gain. If you receive an asset as a gift, the giver should include a copy of the giver's federal gift tax return (form 709) for you to keep until the asset is sold. If you inherit an asset, you should also receive IRS form 8971 or a worksheet listing your basis in inherited assets.

Because of the risk of identity theft, shred any records that contain your Social Security number or bank account number. Place your documents in cardboard boxes, paper bags or plastic bags and take them to the shredding truck on April 15. The cost is \$10 for each 20 pounds. The minimum fee is \$10.

The shredding event is sponsored by the Villages Evergreen Foundation (EVF).

Stop by the SRS office for the document retention handout and get ready for Shred Day at The Villages.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at [villagesrs@sbcglobal.net](mailto:villagesrs@sbcglobal.net). The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.*

### **SRS Alert:**

### Age for mandatory IRA distributions changed

In 2022 if you had a traditional IRA and were age 72 or older, you had a Required Minimum Distribution (RMD) to withdraw. In 2023, the age has changed from 72 to 73. If you are turning 72 this year, relax. You do not have a RMD until next year when you become 73.

The law also states that beginning in 2033, you won't have a RMD until you reach age 75. But, of course, any law that doesn't become effective until 2033 might be changed before it is implemented.

### Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

### VMA offers free medical equipment

Did you know that The VMA lends many types of medical equipment for *free* to any Villager who may need it?

We currently have much equipment and appliances that you may never have considered, which will help reduce the stress and improve your comfort and quality of life.

The VMA can lend you walkers, wheelchairs, shower chairs and knee scooters. Some equipment that you may not realize we have include over-the-bed tables, ice therapy machines and hand/foot exercisers.

To get equipment, call the VMA office at 408-238-4230 and one of drivers will deliver it to you. You may keep the equipment as long as you need and when you are done with it, we will pick it up—it's easy and there is no paperwork involved.

If you would like to pick out your own equipment, we can arrange for you to meet one of our volunteers at our storage shed in the RV lot. We'll get you loaded up and on your way.

There are certain items that we have too many of—right now, we have an excess of two-wheel walkers. You are welcome to take any of the extra ones to give to friends and relatives that may need them.

We have way too many different items to list here, so to see a complete list of what is available for loan, check out the updated Equipment Catalog on the VMA website at [vmavillages.org/services](http://vmavillages.org/services) or visit the VMA Office to look at it.

The purpose of the proposed CC&Rs Amendments are deemed non-discretionary, but necessary to conform certain outdated sections with recent changes in the law and to correct typographical errors. Specifically legal counsel has made changes to Sections 2.5, 3.2(c), 6.13, 7.1(d), 9.3, 10.12 and 11.5.

The Board will consider approval of the changes at the March 28, 2023, monthly meeting. Response to the proposed changes may be made by one or more of the following methods: 1) Participation in the discussion of the proposed changes at the Association Board of Directors March 28, 2023, monthly board meeting, or 2) via written comments delivered to the Board through Maria Hernandez in the General Manager's office at: mehernandez@the-villages.com.

Deletions are noted in ~~strikethrough font~~; additions are in **bold italics font**.

NOW, THEREFORE, the Association hereby declares that notwithstanding anything to the contrary in the Declaration, the Declaration is hereby amended as follows (words with a ~~strike through~~ are deleted and in **bold italics** are added).

(c) The right of the Board, as more particularly addressed in the Bylaws, to suspend an Owner's rights and privileges as a Member, including ~~voting rights and~~ **the** right to use Association recreational facilities, if any, for any period during which any Assessment against such Owner's Condominium remains unpaid and/or for infraction of the Governing Documents of the Association;

4. Article 7, Section 7.1(d) ("Types of Coverage"), is hereby deleted in its entirety and replaced with the following:

(d) ***In accordance with Civil Code section 5806, unless the Governing Documents require greater coverage amounts, the Association shall maintain crime insurance, employee dishonesty coverage, fidelity bond coverage, or their equivalent, for its directors, officers, and employees (if any) in an amount that is equal to or more than the combined amount of the Association's reserves and total Assessments for three (3) months. 5. Article 9, Section 9.3 ("Association Liability"), is hereby amended to read as follows:

9.3 Association Liability. Except as expressly provided in this Article 9, the Association shall not be responsible or liable for any Maintenance, Repair, or Replacement of a Unit or Exclusive Use Common Area or any part thereof, except to the extent that the need for such Maintenance, Repair, or Replacement results from the negligence or fault of the Association, its employees, contractors, or agents. # COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

## *Building B business hours*

The Community Activities office in Building B is open for walk-ins Monday to Friday 8:30 a.m. – noon and from 1 p.m. to 4 p.m.

## *Survey Results are in: Activity Levels*

In the recent Community Activities Survey we asked participants the following: “Trips can include a variety of activity levels; please indicate below which activity level you prefer. These categories include the venue(s) only and not travel to the destination.” Five possible choices were provided, below you will find the breakdown of responses.

Total Respondents: 133 (119 online surveys and 14 paper surveys)

Respondents Who Skipped this Question: 2

Actual Responses for this Question: 131

Moderate activity (some elements of the trip require physical activity to participate) = 51

No preference, interested in all kinds of activity levels = 45

Light activity (mostly on bus or seated, light walking) = 29

Heavy activity (most of the trip requires physical activity to participate) = 3

Decline to state preference = 3

Based on these results the Community Activities department will focus more on trips with moderate to light levels of activity. While we understand not every trip is suited for all Villagers, we hope that by doing so more people will be able to enjoy our trips. Thank you to all participants in the survey.

## Come to Camera Club's next meeting

By Ernie Murata

Hey, camera nuts, the next program of the Villages Camera Club is one you won't want to miss. It's live and in-person on Monday, March 20, at 7 p.m. in Foothill Center. The night will feature two fun segments that require some planning. All Villagers welcome.

Up first, a small meet-and-greet and a swap meet. For the swap meet, bring along any old or unused photo equipment. Someone in the club may want your stuff or you may want someone else's stuff. You can sell it, swap it or just give it away. You can also donate it to the Evergreen College photography program. I've already found a tripod, camera backpack, filters and a few other things to bring.

Second is the show and tell. This is the fun part for Camera Club members only. Find one or two images you'd like to show the group and tell us why or where or how you shot it. If it's for an upcoming competition you can ask for critique to help you make it even better. Check your email to club members for more details. For information on membership, contact Ray Blinde at 408-406-6054 or rwblinde@earthlink.net.

## Take Beginning Drawing class with Ciel Duke

Have you always wanted to be able to draw? Are you thinking that The Villages is the perfect place to take up Art as a hobby? Well, here's your opportunity to get in on the ground floor! Popular art teacher Ciel Duke is offering a Beginning Drawing class starting Thursday, March 16. "All art is based on the ability to draw. This four-week series of classes will cover all the basics, preparing you to continue in Art with a good foundation," according to Ciel. "As you advance to watercolor painting, ceramics, oils or acrylics, a solid drawing foundation is a must."

Ciel refutes the claim that art ability is a talent. "It is a skill," she said, "that requires hours of practice, like all other acquired skills. The trick is to start at the very beginning, honing your natural ability to see, along with experimenting with a variety of subject matter and mediums."

This Beginning Drawing class will cover Contour Drawing, Pencil Techniques, using Line and Negative Space, Creating Realism, and Basic Portraiture.

Classes will be March 16 - April 6 on Thursdays, 10:30 a.m. - 12:30 p.m. in the Art Room in Cribari Center. All materials are included. Fee is \$110. Register at barb.gottesman@gmail.com. Ciel's classes are popular and fun...and they fill up quickly, so register soon!

## Join LSAL's Walking/Chair Dancing class to help build stronger bones

Being an older adult may increase the risk of falling, and those with osteoporosis (loss of bone strength) may be susceptible to injury.

Recent studies have found that walking is a weight-bearing exercise that increases the load on bones causing them to grow harder and stronger. LSAL Fitness Club is here to help you build strong bones, improve your strength, balance, and coordination, prevent falls, and help you maintain a high quality of life as you age. The class is open to everyone, so bring friends and join us. LSAL Fitness Club features three great classes to help you strengthen your bones. Two classes on Tuesdays and one on Thursdays. ## From melody comes joy in Music Society's April talent showcase

By B. Brown

"Let Us Entertain You!" turns melody to joy on April 1 and 2 at 2:30 p.m. in the Cribari Auditorium. This talent showcase, sponsored by the Villages Music Society (VMS), is on track for an edge-of-your-seat performance of melody, dance, and flair.

As part of the showcase, Bernice Toy choreographed four pieces, including an original dance called "Woman." This dance features "a sassy jazz style with Latin and flamenco influences," said Bernice. The Wicked Dolls dance group, in existence for 25 years, will debut this piece at the Villages. Karen Sudre, a member of Wicked Dolls, said, "Music is a creative outlet for me; whether I'm dancing or singing or just listening. It can be a refreshing escape from mundane day-to-day work life."

The producer of the showcase, Bernice Toy, also directs the VMS Forever Young Performance Group (FYPG). Barbara Moore, an original member of this group, takes nine dance classes a week! Barbara said, "I will keep dancing; as long as I'm physically able to." The FYPG and its 14 members will perform "All That Jazz" and "Sway." The camaraderie, teamwork and absolute love of music is apparent in the FYPG. They rehearse endlessly to bring a little piece of Broadway to the Villages.

Dance creates an important layer in the lineup of the talent showcase that includes a variety of seasoned musicians, dance styles, and talents. Stay tuned for features on other performers in future Villager articles leading up to the show. The "Let Us Entertain You" talent showcase includes members from VMS Villages Concert Band, Ukulele Club, VMS Piano Open Studio, VMS Forever Young Dancers and Sunshine Dancers, Wicked Dolls, and a Flamenco dancer.

Ticket sales begin the mornings of March 18 and March 25 in Cribari Center for \$20. The Villages Clubhouse offers a 10 percent discount in the dining room to ticket holders on the day of the show. Reservations are recommended. For more information on the show, email B. Brown at [Tahiti\\_blue@yahoo.com](mailto:Tahiti_blue@yahoo.com). ## March Art Film: 'Gauguin: The Full Story'

By Roz Zinns

On Tuesday, March 14 at 2:30 p.m. in the Cribari Conference Room, The Villages Arts and Crafts Association will present "Gauguin: The Full Story." This is the first full-length biography of one of the world's most popular yet controversial artists. Gauguin is best known for his gorgeous paintings in Tahiti in which beautiful native girls disport themselves enticingly on perfect South Pacific beaches. But have these celebrated portrayals of an earthly paradise been misunderstood? And has the fame of Gauguin's Tahiti pictures blinded us to the bigger truth about his achievements?

Waldier Januszczak, the writer, presenter and director of this film will take you through the countless twists and turns from an idyllic childhood in Peru to the horrific and notorious death on the Marquesas Islands.

"The Full Story" features a stunning collection of Gauguin's masterpieces shot in museums and galleries around the world. Running time is approximately two hours with short break. **Free** to all Villagers and their guests.

Spend a little time to make sure that your very important investment is clean and working properly. And it's free!

Hearing Life will provide free clean and checks Tuesday, March 21 from 10 a.m. – noon in Montgomery Center. Please call to make an appointment at 408-238-4029.

## Afternoon Bingo is back!

April will be coming in like a lamb, and with it another VMA afternoon bingo! Be there on Wednesday, April 5, in the Cribari Auditorium. We had 68 players show up in February, which was a fabulous turnout. We're looking to get more.

The first evening Bingo of 2023 was a complete sellout. For those 216 of you who registered and attended, thank you so much. The donated gift baskets generated a lot of interest for the prize drawing, and the proceeds went to a great cause—the VMA!

If you missed this one, we will do it again on Wednesday, April 19.

Come for complimentary treats, coffee, and a chance to yell "Bingo"! Cards cost \$1 each or 6 for \$5. All money is awarded to winners. The VMA offers Bingo as a free service to all Villagers. Don't miss your chance to be a winner, join in on the fun! See you there.

**"Shrines of Gaiety" by Kate Atkinson:** London 1926. Roaring Twenties. Corruption. Seduction. Debts due. In a country still recovering from the Great War, London is the focus for a delirious nightlife. In Soho clubs, peers of the realm rub shoulders with starlets, foreign dignitaries with gangsters, and girls sell dances for a shilling a time. There, Nellie Coker is a ruthless ruler, ambitious for her six children. Niven is the eldest, his enigmatic character forged in the harsh Somme. But success breeds enemies. Nellie faces threats from without and within. Beneath the gaiety lies a dark underbelly, where one may be all too easily lost. Mystery, 2022.

**"The Naked Don't Fear the Water: An Underground Journey with Afghan Refugees" by Matthieu Aikins:** In 2016, a young Afghan driver and translator named Omar makes the heart-wrenching choice to flee his war-torn country, saying goodbye to Laila, the love of his life, without knowing when they might be reunited again. He is one of millions of refugees who leave their homes that year. Matthieu Aikins, a journalist living in Kabul, decides to follow his friend. In order to do so, he must leave his own passport and identity behind to go underground on the refugee trail with Omar. Their odyssey across land and sea from Afghanistan to Europe brings them face to face with the people at heart of the migration crisis: smugglers, cops, activists, and the men, women and children fleeing war in search of a better life. As setbacks and dangers mount for the two friends, Matthieu is also drawn into the escape plans of Omar's entire family, including Maryam, the matriarch who has fought ferociously for her children's survival. Harrowing yet hopeful, this exceptional work brings into sharp focus one of the most contentious issues of our times. It is a tale of love and friendship across borders, and an inquiry into our shared journey in a divided world. Afghanistan, 958.1, 2022.

Together with the prospect of working with a new partner, Frederica White, Amos knows that this case will take all of his special skills to solve. As darkness falls, evil comes to light. Judge Julia Cummins seemingly had no enemies, and there was no forced entry to her property. Close friends and neighbors in the community apparently heard nothing, and Cummins' distraught ex-husband, Barry, and teenage son, Tyler, both have strong alibis. Decker must first find the answer to why the judge felt the need for a bodyguard, and the meaning behind the strange calling card left by the killer. Someone has decided it's payback time. ### Concert Band...

(Continued from front page)

This concert's music will take us to faraway lands and fanciful fantasies. "The English Folk Song Suite," a concert band standard, is considered one of the great works of the medium, like a Beethoven symphony might be for an orchestra. Much of the music will feature solo passages in the brass section. For fantasy, listen to "Zeus: King of the Gods" by Rob Romeyn, and then smile to the tunes of "Oklahoma!" by Richard Rogers and then maybe onto "Chicago" by Fred Ebb and John Kander.

## IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are now in afternoon play currently gathering every Thursday afternoon at 1 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

On Thursday, March 2, 2023, eight Ironmen played. We were two short of the number required to play our official weekly mini-tournament, so all reported results are unofficial. It was sunny and clear and, when in the sun, it was quite warm, but in the shadows it was cool. All in all it was a great day for golf.

**Unofficial Results:** **Third place** went to Doug Herring with a net 30, **second place** to Al Bruno with a net 29 and **first place** was a tie between Bill Travis and Jerry Juracich with net 28s.

**There were four birdies** won by Al Bruno, David Cook, Jerry Juracich and Sang Nam.

**Al Bruno won low gross** with a 3 over par 30.

**Golfer of the day** was Al Bruno with second place, a birdie and low gross. Way to go, Al.

If any of you reading this are considering joining a men's 9 hole, par 3 group we would love to add new members. We are a very sociable group, and don't put much emphasis on being great golfers. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

**Deep Thoughts:**

Walter Hagen, winner of multiple major championships, thrived on attention and pressure. At the 1919 US Open, trailing Mike Brady by one stroke on the final hole, Hagen called for Brady to come out of the clubhouse and watch Hagen's attempt at a tying putt. Hagen made the putt, then beat Brady in a playoff.

## PINSEEKERS

By Jim White

A pleasant, sunny afternoon greeted the Pinseekers on March 3. It was a slightly bi-polar day as the sunshine was warm enough for us to remove our jackets, until the cool breeze reminded us that there is still nearly three weeks before winter will give way to what we hope, is a warm spring.

Only a dozen Pinseekers teed off from the first tee. I'm guessing that several of our members were watching the weather forecasts and didn't expect our small window of sunshine. The podium was overflowing as we saw a four way tie for first, place at net 39, three over par. Martin Hoek, Mike Falarski, Don Lee and Lawrence Chin each came away with four championship points and \$4 in sweeps. In a two-way tie for second at a net 40, Larry Milligan and Jim Keane each snagged three Championship points and \$3 in sweeps. In third place, alone, Jerry Juracich receives two Championship points and \$2 in sweeps. Finally, alone in fourth place at net 42 was our Pinseeker treasurer, Jack Bindon. Jack's finish was worth one Championship point and \$1 in sweeps.

As mentioned last week, no Pinseekers outing today, March 10, as we step aside for the Villages Annual member to member golf tournament. We wish all of the competitors long strikes and good putts as they compete for "Top Dog," 2023, of The Villages.

The Pinseekers will return to play weather allowing, on Friday March 17. We are one of six golf clubs in the Villages, all are excited to invite interested Villagers to join us. We, the Pinseekers, are the Men's Championship Course nine-hole club. The Swingers are the women's nine-hole golf club. The Shonis (women) and the Iron Men play the par three course, and the Village's Men's Golf Club and the Women's 18 Hole Association play the full eighteen holes. They officiate and keep the game moving, provide answers to questions regarding rules and etiquette during a game. Thank you all for joining the referee group of volunteers.

Spring Mixer starts on Monday, March 13. Captains already have contacted their players this past week. Any questions can be directed to Tournament Director, George Paris at 510-396-2925. A big thank you to George and Jeanne Anne in putting teams together.

## Golf Cart Yellow Lines Initiative

As part of the Villages continuing Culture of Care initiative for our 18-Hole golf course, in January of 2023 we will begin the installation of yellow ground paint lines in front of the green complexes to clearly define the 30-foot golf cart restriction area at each green as prescribed in Golf Rule 1.14 Section 8-J:

8-J. Carts are to be kept on the cart path around all green complexes and teeing grounds. Carts must be kept a minimum of 30-feet from the green apron and are not permitted within the perimeter of greenside bunkers.

The yellow lines will take the place of stakes and ropes and serve as a visual reference point defining where golf carts cannot advance any closer to the green apron according to the 30-foot perimeter mandate in Rule 1.14, Section 8-J.

The former use of stakes and ropes for this purpose proved to be a challenge due to the following factors: Visually and aesthetically unappealing - Unsightly

- Physical hindrance to golf shots - Formed an obstruction for advancing golf balls
- Labor intensive - stakes and ropes were constantly moved, removed, and knocked down
- Expense - the cost of attaining enough stakes and rope for each hole is very high

**The yellow ground lines will serve as a better option than stakes and roping for the following reasons:** Less Obtrusive - yellow ground lines will not create an above ground obstruction to golf shots approaching the green

Aesthetically Subtle - yellow ground lines will be more visually appealing than above ground stakes and roping

Permanence - yellow ground lines cannot be moved, knocked over or completely removed

**It is important for the condition of the green complexes and associated turf to keep cart traffic a minimum of 30-feet from each green apron and outside the perimeter of the greenside bunkers. Cart traffic allowed too close to the greens damages turf, creates unsightly tire ruts and results in unfavorable playing conditions as the turf becomes thin, compacted, compressed and, in some cases, permanently damaged.**

# TABLE TENNIS

## Table Tennis Rules

By Peter Groot

**Serving:**

Your toss and service contact must be behind the server's end line and above the level of the playing surface.

From a flat palm you must throw the ball up straight, without imparting spin, rising at least 16cm (6.3 inches), and it must then be falling before it is struck.

You cannot hide the ball from the ball toss to contact, with any part of your body.

The ball must be struck so that it touches the server's court and then the receiver's court (right half court for doubles).

If the ball hits the net during service, but is otherwise good by hitting the receiver's court, it is a let, the point is replayed. There is no limit or point deductions for let serves.

# SHONIS

By Betty Hall

Mother Nature sure hasn't been very nice to us Tuesday golfers lately. Last Tuesday's weather caused another Shoni cancellation. But we just can't golf when it's 38 degrees with winds 12 mph and 95 percent chance of rain. Brr. That is not golf weather.

But all is not lost. Some of us golfed last Thursday to help our new qualifiers finish their five games, which gives them a provisional handicap.

We're looking forward to getting together for breakfast on March 7 before golf. The Bistro is opening for breakfast again and the Shonis are going to take advantage of a great time to socialize. Then next week we go back to our daylight saving time hours of sign in at 8:30 a.m. and tee off at 9:30 a.m. Spring ahead.

**Tips from the Pro—Feel the Need for Speed**

Many golfers think the key on long putts is speed and shorter putts are more about line. Actually, your speed is the most critical aspect on ALL putts. The pace of the ball dictates the size of the hole. If you hit a putt firmly, the effective width of the cup might be two inches, but if the ball is rolling slowly, the cup might play twice as wide. You want your ball rolling slowly as it approaches the cup, and this is called “hole speed”.

Simply put, the data shows that the faster your ball approaches the hole, the more likely it's going to lip out. The slower the ball is traveling as it approaches the hole, the bigger the effective size of the hole actually becomes.- Why? Because gravity will take over. A slow-moving ball entering on the side of the hole will simply drop down in, whereas a fast-moving ball will use its forward momentum to catapult around the lip.

**A couple statistics:**

A putt that is traveling fast enough to end 1.5 feet past the hole will make the effective size of the hole about 25 percent smaller. A putt that is traveling fast enough to end about 5 feet past the hole will makes the effective size of the hole 63 percent smaller.

So to putt with hole speed and make the effective size of the hole as large as possible, think of a putt that is traveling fast enough to end only 6-12 inches past the hole.

**To work on your hole speed, try this putting drill...**

Set up an imaginary box on the putting green using four tees, 2 feet wide and about 12-inches deep. Drop three balls 5 feet from the center of the box and try to roll all three into the box. If a ball doesn't come to rest inside the boundaries of the box, start over. Once you get all three in the box, move back two feet, and do it again. Then go back another two feet, and so on, until you're about 15 feet out. Remember, a miss means you must start over from that distance. This isn't an easy drill, but when you get good at it, you'll have distance control and will have mastered hole speed...and believe me, you'll make a lot more putts. To sign up for a lesson with me, email ssteele@the-villages.com

## COMMUNITY CHAPEL

### 'He Knows and Cares'

By Pastor Bill Hayden

How many times in life have you said to yourself... "I didn't see that coming?" There are situations that seem to come out of nowhere and catch us unguarded and unprepared. You try to think about where you went wrong and what you did to contribute to the dilemma that you have found yourself in.

There are days that you are just trying to keep one foot in front of the other as you walk through the maze of life. You make plans... to make plans that keep changing due to things that you have no control over. Some days nothing seems to go as planned – the bottom falls out; you spilled your coffee all over, have flat tire, discover that you made two appointments at the same time. The list goes on and on like a busted bag of marbles.

Well, the challenges you face in life may be more difficult than chasing loose marbles, especially when you are aware that you have limitations. You can't be all things to all people, everywhere at the same time and knowledgeable when certain things are beyond your control.

Overnight your world can change and suddenly you find yourself at a loss and unprepared. You cry out to God in wonderment, walking through a revolving door of "whys and I should haves." Then over time, He answers and makes a way for you to succeed and understand His wisdom in your dilemma.

Our Sovereign God, who knows every detail of your life from the moment of conception until you see Him face to face, is with you in all your troubles.

**Luke 12:7 ESV** *Why, even the hairs of your head are all numbered. Fear not; you are of more value than many sparrows.*

In this season of your life... weeping may endure in your nights but joy will surely return in your mornings.

**1 Thessalonians 5:23 GNT** *May the God who gives us peace make you holy in every way and keep your whole being—spirit, soul, and body—free from every fault at the coming of our Lord Jesus Christ.*

If you need friendship, you can find it in our Chapel. Please join us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word and enjoy a cup of coffee and cookies with friends. *The chapel is a place for needs to be met, faith to be affirmed and new friends to embrace.*

You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

### 'Woman at the Well' (John 4:5-42)—3rd Sunday of Lent

By Margaret Lam

Perhaps the most iconic encounter of a public sinner with Jesus was the Woman at the Well (John 4:5-42). This was the Samaritan woman whom Jesus asked for a drink of water at Jacob's well, who reacted with great humility when the Lord revealed her sinful life, and she found redemption through the Living Water of God. With an open heart, she saw Jesus as the Savior, as Jesus said, "the water that I shall give you will become in you a spring of water welling up to eternal life." Overjoyed with salvation, she immediately ran into town to spread the good news to her people.

According to tradition, her name was Photina. Photina became a tireless evangelist of the early Church, bearing witness to Jesus with her impactful testimony. Photina and her sons are said to have moved to Carthage in North Africa to escape the tyranny of Roman Emperor Nero. When reports of her widespread preaching reached Emperor Nero, Photina and her family were arrested and imprisoned in Rome for refusing to renounce Christianity. Emperor Nero brutally tortured them by blinding their eyes, flaying off their skins, beating and poisoning them, but miraculously they suffered no pain. Meanwhile, Photina converted Nero's daughter, hundreds of her servants and many prisoners into the Christian faith. In 66 AD, Photina was thrown into a dry well where she surrendered her soul to God.

What possessed Saint Photina to persevere under such unimaginable adversity? Fortitude! With fortitude, we stand up for what is right in the sight of God, despite rejection, abuse, or risks of harm. Fortitude provides the firmness of mind and inner resolve that enable saints like Photina or Joan of Arc to endure evil in the face of death. Fortitude gives us the never-ending strength for perseverance. Fortitude provides the energy that powers faith, hope and charity. Jesus is the epic model of fortitude. As followers of Christ, we receive the Gift of Fortitude from the Holy Spirit through the Sacrament of Confirmation. Today, with unprecedented social tyranny, moral assault, violence against humanity, instead of feeling hopeless and fearful, we are called to act with fortitude, to overcome obstacles to peace, in defense of what is right in the sight of God. Believing that, no matter how dark things are, there is good in this world that is worth fighting for.

## EPISCOPAL

### 'Befriending Grief'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

When I am honest to God and to myself, Lent leads me down paths of grief. Our scriptural readings during this season follow Jesus towards his lonely and violent death. Despite our cultural preference for the happy ending—which our Gospel story does have—it's hard to appreciate the enormity of God's resurrection grace unless we risk our hearts in grief for Jesus' shameful death. When I do that—by the grace of God—I find myself more openhearted toward other experiences of loss.

Have you experienced loss or death this past year? Have people you love been hurt or mistreated? Have your life circumstances changed in ways that bring sorrow? Much though we prefer not to talk about these things, Lent is a season to cry in church, and to grieve in loving community. Grief denied does not disappear, but risks returning in the form of depression or reactive anger. So during Lent, I try to think of grief—for Jesus' suffering, and for all the loss and change of the past year—as a friend who comes to heal me. I spend time with my grief. She's not the easiest friend to be around, but she warms up with tears and a cup of tea. And when I listen to her voice, which I can hear in Psalms and Lamentations, I realize that grief binds me to humanity throughout history. And indeed, binds me to God's very self.

The novice golfer was closer to shooting his weight than his age. In the middle of the fairway, he asks aloud, "Do you think I can reach the green with a 5-iron?"

Came a polite reply: "Eventually."
