## Tree falls on Montgomery trash enclosure

As a result of our recent wet and windy weather, this large tree toppled onto Whaley Drive on Friday, March 10, damaging a trash enclosure. No one was hurt when the tree fell. The BrightView tree crew completed the cleanup on Saturday.

## VMA to sponsor free hearing aid clean and check

It's a common myth that hearing aids are just sound amplifiers that make things louder. Today's hearing aids are sophisticated, advanced communication devices that make sounds understandable, filtering out background noise and improving speech comprehension. When you have hearing loss, hearing aids can make listening easier, and greatly improving your quality of life.

Spend a little time to make sure that your very important investment is clean and working properly. And it's free!

Hearing Life will provide free clean and checks Tuesday, March 21 from 10 a.m. to noon in Montgomery Center. Call 408-238-4029 to make an appointment.

## Roll up your sleeves for Trail Maintenance Day!

The Hiking Club's Annual Trail Maintenance Day is Saturday, March 25 from 8:30 a.m. to 1 p.m. Meet at the Foothill Center at 8:30 a.m. where you can join one of the work parties. We'll start with a brief planning session and description of the work to be done. The Maintenance Department will supply two "mules" and drivers to drive us to the trail locations where the work will happen and bring us back to Foothill. Tools will be provided; however, you can bring some of your own favorites if you'd like. Work gloves, boots or sturdy shoes and a bottle of water are recommended.

There will be a free luncheon with a special dessert served at Foothill starting at 11:45 a.m. If you have questions relating to the trail maintenance contact John Petrin at 530-927-7024 or papetrin@yahoo.com. If you can't work

on the hill, we can also use help in serving the lunch and cleaning up afterward, contact Bibi Bruce at 404-226-5594 or mmebruce@hotmail.com, or Carmel Smith at 408-621-1467 or carmel.smith@att.net. Please note, much of the coordination for this effort is done in advance by Dan Kato. Feel free to contact Dan with questions about this project at 408-300-0759, or danieljkato@msn.com.

Let's be prepared for a great day of improving and celebrating our wonderful Villages trail system. All are welcome as you need not be a member of the Hiking Club to participate.

## THANK YOU

I've lived on Blauer Lane for nearly 20 very happy years. After many medical and other problems, the time has come for me to move to Livermore, to be near to my son and his family.

I was not able to say goodbye to all my lovely Villager friends. I will miss all the lovely walks we took and the beauty of The Villages. It really is a very special place.

If you are ever in the Livermore area, come and visit at Heritage Estates.

—Margaret Allvey

## Some helpful tips on writing a better Pulse letter

For some letter writers, the process of transferring thoughts to the printed page is nothing short of traumatic. Here are a few suggestions to make that process easier:

- Keep your letter as brief as possible. Organize your thoughts, jot down an outline of those thoughts and then fill out the outline in sentence form and that should result in the first draft of your letter.

- Edit, edit, edit! Please do not submit the first draft of your letter. Go through it at least once to get a word count (maximum 200 words), and correct

your spelling and grammar. Even then you're not done! Edit it one more time! The more you edit your letter the better it will read. To improve its eloquence, read it aloud to yourself or someone else to see if your sentences read gracefully and make sense. If English is not your first language, perhaps a friend, a half hour and a couple cups of coffee will result in a letter that your readers will understand. Don't be afraid to ask for a little help.

- Concentrate on one topic per letter—you can write a companion letter about a re-

lated topic.

- Cool your jets! Many letters are submitted in the heat of emotion. If you are angry, take a day or two to cool off, and, after you review the situation, you'll be able to write a better letter.

- Avoid personal attacks; don't resort to name calling in your letter. If your criticism is fair you should be able to respectfully criticize or disagree with someone.

- Think about the readers. The goal is to share your thoughts with your neighbors.

- Be positive. Even if you are offering criticism, you can still do it in a constructive manner.
- If you are offering thanks or recognizing others, don't forget that there are other ways besides writing a Pulse letter. There are the *Above and Beyond*, *Bouquets* and *Thank You* columns.

Any questions you have about the Pulse process can be answered by the staff in *The Villager* office. Still flummoxed? Call Scott at 408-223-4655, Kory at 408-754-1341 or e-mail: shinrichs@the-villages.com or ktran@the-villages.com

# BOARDS & COMMITTEES

## FROM THE HOMEOWNERS' CORPORATION

### Homeowners' President's Message, March 9, 2023

It's hard to believe that this is our last quarterly business meeting of the 2022/2023 Homeowners' Corporation Board. When we first met in June after the annual meeting and the announcement of the election results, we welcomed Verano resident Larry Versaw to the Board and I was reelected. We chose our officers and dug in right away setting a meeting for July to establish our goals and objectives for the year.

Since then, we've had a productive year concentrating on the needs of our homeowners. We participated in the general manager hiring process, and continue to meet with the Villages' three boards on issues of common interest to the community.

April is a busy month for us as we meet to set the budget for 2023-2024. These meetings, like our quarterly business meetings, are open to our homeowners and we welcome your input.

Board elections are in May. We encourage you to pay attention to the election information in *The Villager* and consider getting involved. A great way to learn about the Homeowners' Corporation is through participation on one of our advisory committees. We have the Estates District Advisory Committee that is comprised of those single-family homeowners in the Estates located in Village Olivas. The other advisory committee is the Architectural Control Committee. This committee approves all single-family homeowner applications for exterior home and/or property modifications.

Making our community the best it can be takes all of us and my hope is that you will consider getting involved.

—Teddy Morse, President  
Homeowners' Corporation Board of Directors

### Proposed Changes to Club Rule 1.10 Clubhouse (Restaurant Dinner Dress Code).

At the February 28, 2023 monthly board meeting, the Board approved for 30-day member notice proposed changes to Rule 1.10 Clubhouse prior to formal approval consideration at the April 25, 2023, board meeting.

As Rules Committee Chair Frank Langben reports, the committee was asked by Management and the Food and Beverage Department to consider changes to the Restaurant dinner dress code. The purpose of the changes is to adjust to changing fashions by many restaurant customers, while maintaining a distinction between the Bistro and the Restaurant at dinner.

~~Deleted text~~ is shown with strike through text.

Added text is shown with underlined text.

The proposed changes are as follows:

#### C. Clubhouse Dress Code

- 1) All venues—no swimwear attire, ~~no metal spiked golf shoes~~. Shirts and footwear are required.
- 2) Bistro Patio: No further requirements.
- 3) Bistro: Dress is casual but clean and neat—~~no torn or soiled clothing~~.
- 4) Clubhouse Restaurant:
  - a. At all times—~~no clothing that is torn, ripped, soiled, or has holes~~ clothing must be clean and neat.
  - b. After 5 p.m. in the restaurant—~~No shorts, casual denim, jeans, flip-flops, sandals, sweatshirts, sweatpants, or t-shirts with graphics.~~  
No casual shorts, flip-flops, casual sweatshirts, casual sweatpants, or casual t-shirts.  
~~Dress sandals, and dress shorts, may be worn from May through October. Sports or casual shorts may not be worn.~~  
No hats, caps, or visors, except for medical or religious reasons.  
~~Dress denim is allowed.~~  
~~Shirts do not need to be tucked in.~~
  - c. The General Manager or his or her designee may apply the Bistro dress code to the Restaurant, when there is likely to be insufficient space in the Bistro to accommodate customers, such as during a pandemic. The Restaurant dress code may also be suspended for special events such as theme nights.

Response to the proposed rule changes may be made by one or more of the following methods:

- 1) Participation in the discussion of the changes at the March 28, and April 25, 2023 Board meetings,
- 2) via e-mail (jmeadows@the-villages.com) with comments sent to the General Manager's office at least seven days prior to the board meetings, or
- 3) via written comments to the General Manager's office (Business Administration Building A) delivered at least seven days prior to the aforementioned board meetings.

## **(SRS) SENIOR RESOURCE SERVICES**

### *How to get senior exemption for school district parcel tax*

You may file for exemption from the annual \$125 Evergreen School District parcel tax on your principal residence if you are at least age 65 or will be age 65 by July 1, 2023. If there are joint owners of your principal residence, only one owner needs to be age 65.

If you had the exemption from the parcel tax for 2022/2023, your exemption has been automatically renewed by the School District. There is nothing more you need to do. This article is about new exemption requests.

If you would like to apply for the exemption for the 2023/2024 tax year, you may file online at eesd.org. Click on "Community" and then click "Senior Parcel Tax Exemption." You will need to upload documents to prove three things:

1. Proof of ownership: Your current property tax bill
2. Proof of residence: Your current PG&E bill
3. Proof of birth date: Your driver license, passport, or birth certificate

You may also apply in person for the exemption at the School District Office at 3188 Quimby Road, Monday to Friday from 8 a.m. to 4 p.m. through May 31, 2023.

Contact Ly Ablao at LAblao@eesd.org or Patty Maciel at MMaciel@eesd.org to schedule an appointment. Their phone number is 408-270-6822.

If you are new to The Villages and the address on your driver's license does not match your property tax statement, please schedule an appointment at the district office. Bring your Villager residency card and a second bill to substantiate your residency.

Also, if you do not yet have a property tax statement, take your escrow purchase statement and related papers to the district office. Before the appointment go to sccassessor.org and enter your address in the Property Record Search box. The district needs the assessor's parcel number for your application.

Not sure whether you have the exemption? Go to your last property tax bill. Look on the back page under the section labeled "Parcel Tax / Special Assessments." If a line item is "Evergreen Measure EE 2018 \$125" you are paying the tax. If you can't find this listing, it means you are currently exempt from the tax.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagesrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.*

## *Check your 2023 RMD*

March is a good time to check your 2023 Required Minimum Distribution (RMD). By now, your IRA trustee has made your calculation.

Chances are your retirement portfolio ended 2022 down by 15 percent or more.

While this is bad news for seniors who depend on their retirement assets to provide income for everyday expenses, there's a silver lining if you don't currently need your RMDs to live on or you want to reduce your RMD impact on your taxable income.

That's because your RMD for 2023 will be calculated based on your IRAs value when the market closed on December 30, 2022. That means your RMD this year is likely less than it was in 2022.

# COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

## Building B business hours

The Community Activities office in Building B is open for walk-ins Monday to Friday 8:30 a.m. – noon and from 1 p.m. to 4 p.m.

## Survey results are in: Days Available

In the recent Community Activities Survey we asked participants the following: “What day(s) of the week would generally work best for you to take a trip? Please choose all that apply. Some venues are subject to limited date availability.” Below you will find the breakdown of responses.

Total Respondents: 133 (119 online surveys and 14 paper surveys)

Respondents Who Skipped this Question: 2

Actual Responses for this Question: 131

Thursday = 91

Saturday = 90

Wednesday and Friday = 87

Tuesday = 84

Monday = 81

Sunday = 61

Based on these results it appears that residents are mainly available later in the week (Wednesday through Saturday) and that Sundays should be avoided if possible. Please note that trip dates can vary based on venue availability and other factors, for example the Sunday Giants games are less likely to have their time changed based on television broadcasting. Thank you to all participants in the survey.

## See Ansel Adams exhibit at De Young Museum

Join us as we explore the legacy of photographer and environmentalist Ansel Adams (1902-1984) at the de Young Museum in San Francisco on **Thursday, May 11!** The exhibit of over 100 works traces Adams’s artistic development and features some of his most-loved photographs, including images of Yosemite, San Francisco, and the American Southwest. Adams’s works are shown alongside prints by 19th-century landscape photographers as well as contemporary artists. Their work engages anew with the sites and subjects that occupied Adams throughout his life—from national parks to the use and misuse of natural resources. Adams’s legacy continues to inspire and provoke, influencing how we envision the landscape and serving as an urgent call to preserve our environment.

We will depart from Cribari East Parking Lot at 8:30 a.m. with an estimated return time of 3 p.m.

Activity Level: Considerable walking and standing; benches may or may not be available.

The cost per person is \$65 and includes round trip transportation, exhibit tickets, and escort. Optional audio tours of the exhibit are available at registration for the group rate of an additional \$6 each. They can also be purchased individually at the regular rate in the museum, based on availability. Gratuity for driver is included in price, additional tipping is at your discretion.

Lunch is purchased individually at the de Young Café after viewing the exhibit. The cafeteria style menu offers a fresh interpretation of American and European classic cuisine. A sample menu is available for review in Building B.

Register in Building B during business hours. Registration begins Monday, March 20 and ends no later than Friday, April 7. Register early, as most trips fill up very quickly!

## Red, White and You—volunteers needed

## Music Society Talent Showcase: ‘Mr. Conductor, if you please!’

By B. Brown

“One and two and, ready, go!” the band director called out from the podium, baton in hand. An 11-piece ensemble from the Villages Concert Band will belt out music tunes for the talent showcase on April 1 and 2 at 2:30 p.m. in Cribari Auditorium. “Let us entertain you!” is this year’s theme. And talent we have!

Sponsored by the Villages Music Society (VMS), the talent showcase includes a selection of groups and individuals. Ticket sales begin March 18 and 25 for \$20 from 10 a.m. to 12 p.m. in the Cribari Lobby. For more information on the show, email B. Brown at Tahiti\_blue@yahoo.com.

Speaking of talent, the “intermediate” Ukulele Club will play three lively songs to captivate you. They affectionately call themselves “John’s Jam,” after member John Laws who has played the ukulele for about six years and says he’s been singing his whole life. According to Roberta Wolfe, “The goal is to challenge ourselves by playing more difficult music, but still have fun,” says Roberta Wolfe. No doubt, the music for the talent showcase will do just that.

Stay tuned for features on other performers in future Villager articles leading up to the show. The “Let Us Entertain You” talent showcase includes members from VMS Villages Concert Band, Ukulele Club, VMS Piano Open Studio, VMS Forever Young Dancers and Sunshine Dancers, Wicked Dolls, and a Flamenco soloist. For more information on VMS and its member groups, visit [villagesmusicsociety.org](http://villagesmusicsociety.org)

## Come to Camera Club’s next meeting

By Ernie Murata

Hey, camera nuts, the next program of the Villages Camera Club is one you won’t want to miss. It’s live and in-person on Monday, March 20, at 7 p.m. in Foothill Center. The night will feature two fun segments that require some planning. All Villagers welcome.

Up first, a small meet-and-greet and a swap meet. For the swap meet, bring along any old or unused photo equipment. Someone in the club may want your stuff or you may want someone else’s stuff. You can sell it, swap it or just give it away. You can also donate it to the Evergreen College photography program. I’ve already found a tripod, camera backpack, filters and a few other things to bring.

Second is the show and tell. This is the fun part for Camera Club members only. Find one or two images you’d like to show the group and tell us why or where or how you shot it. If it’s for an upcoming competition you can ask for critique to help you make it even better. Check your email to club members for more details. For information on membership, contact Ray Blinde at 408-406-6054 or [rwblinde@earthlink.net](mailto:rwblinde@earthlink.net).

## Learn Multi-Media Painting with Doug Canepa

Doug Canepa is offering a new painting class to Villagers who are interested in exploring different tools and media to enhance their basic painting skills. He will explore strategies beyond traditional painting by adding acrylics to make images pop. Textured paste, colored pencils and charcoal pencils will be used for texture. Burnishing and blending tools will be introduced as will pen and ink.

Join Doug for this interesting class on Wednesdays, March 29 to May 3, from 10 a.m. to noon in the Art Room. The fee is \$60. Bring your own materials and Doug will furnish burnishing tools, charcoal, colored pencils, texturing paste, charcoal pencils and ink. A wide range of subject matter will be based on student interest during the class.

Join the fun and explore the possibilities by registering at [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com)

## Domingo Candelas to speak at Democratic Club meeting

By Howie Blumstein

When Sylvia Arenas recently won her seat on the Santa Clara County Board of Supervisors, the District 8 City Council seat she occupied was vacated. Domingo Candelas, local government affairs director for Stanford University, was appointed to fill her seat for the balance of her term until December 2024. Candelas will be the guest speaker at the Villages Democratic Club’s in-person meeting on Thursday, March 23 at 7 p.m. at Foothill Center.

Council Member Candelas will discuss District 8 constituents’ concerns ranging from homelessness, affordable housing and crime/police recruitment. He will answer questions after his presentation.

Domingo is off and running quickly setting up his office. He said engagement with the community is one of his priorities. Besides his previous position at Stanford University, he worked for State Senator Jim Beall and for Valley Water.

Refreshments will be provided at the meeting. All Villagers are welcome.

## Sonata celebrates 25 Years in The Villages

To celebrate Sonata's 25 years as a district within The Villages, a dinner was held in the Fairway Room at the Clubhouse with 60 residents of Sonata in attendance. And while the event celebrates the district itself, Kathleen Benz said the focus of the event should be on the residents of Sonata. Of the 60 who attended, 24 were original owners who moved into Sonata in 1998, 1999, and 2000 as the development was being completed. Residents also took this opportunity to thank Kathleen for her service to Sonata. Based upon the follow up comments received, it was a great time for all who attended! Hosts for the evening were Kathleen Benz, Christa Boyce, Sally Dubbin and Mary Ann Lewis.

## Meet local ranchers at Hiking Club meeting

By Michelle Breslin

Come join the Hiking Club March Meeting scheduled for March 27 at 7:30 p.m. at Foothill Center to meet the local ranchers. California has a long history of ranching. We are fortunate to live amid three beautiful ranches that represent the archetype of ranching remaining in Santa Clara County. Two of the rancher managers, Richie Vargas and Harlan Wittkopp have agreed to introduce themselves and discuss land management and resilience in the age of drought, fires, climate change and the pressures of urban development. Also joining the meeting is University of California Agricultural Cooperative Extension, Director for Santa Clara County, Sheila Barry to share her insights on land management and stewardship.

Situated to the north of us is Rancho Yerba Buena, established in 1910. The boundary runs from the third hole on the golf course to the top of the ridge. We have a bird's eye view from most of the hill into the activities on this ranch. If mindful, we can observe the cadence of ranching, from the birthing of calves toward the end of the year to the roundup from just weeks ago. Peg Thompson is a third-generation rancher. This ranch appears to have been the cornerstone of activity in this area as both the district and the grange hall share their name with the ranch. Unfortunately, Peg will not be able to join us as she will be participating in a search and rescue drill. (How cool is that!) She recommended we invite Sheila Barry in her place.

The ranch we border along the top of the ridge is the San Felipe Ranch. This ranch is the largest ranch in Santa Clara County, being over 44 square miles and bridges the distance between Henry Coe and Grant Ranch. Current conservation thinking is that 50 contiguous miles are needed to ensure biodiversity in a wildlife population and the SF is a significant link in that chain. It is owned by the Hewlett and Packard children and is under a conservation easement with the Nature Conservancy. This ranch, besides the expected cattle, provides an area for elk to roam. The elk are frequently seen along both sides of Silver Creek Valley Road. The San Felipe has access to analytic tools, thought leaders in both conservation and land management, and the skills to pull it all together.

To the south lies the Richmond Ranch managed by Richie Vargas. We have most of our interactions with Richie as the boundary fence runs on a north facing slope heavy with trees. The drought has taken a toll on these trees, they fail and damage the fencing allowing cows to explore our hill. The Richmond Ranch changed hands in 2017. Although zoned agricultural there is the potential of another Silver Creek like development. This ranch is 3653 acres or 5.5 square miles. The Richmond Ranch provides cattle for grazing to the city of San Jose. You may have seen the cows on the abandoned golf course near Carl's Jr on White Rd.

Farmers and ranchers manage drought, rain, fire, and climate change to nurture and feed the rest of us. Come meet them on the 27th.

## Senior Academy: Thomas Jefferson's Grand Tour

Thomas Jefferson, our third President, was the drafter of the Declaration of Independence, our nation's first Secretary of State, and founder of the University of Virginia.

One of America's most colorful Presidents, Jefferson enjoyed exploring. He savored new experiences: food, wine, architecture, inventions, and, most of all, speaking with the people who produced them. From 1784 to 1789, Thomas Jefferson, succeeding Benjamin Franklin, was the American ambassador to France. During his tenure, he made a series of business and pleasure trips through France, the Netherlands, England (with John Adams), and to what is now Germany and Italy. Experience Mr. Jefferson's travels, how he prepared for them and recorded them, and learn about his advice to other Americans abroad.

One of Senior Academy's favorite lecturers, Susan McGough, will lead us on Jefferson's Grand Tour in a two-part course on April 4 and 18 at 2 p.m. at Foothill Center. Susan McGough received her master's degree in American Studies from the University of Hawaii.

She has taught both American history and literature at the college level, for retirement communities, and for the Osher Lifelong Learning Institute in California and Ohio.

For the first time, Senior Academy is providing a zoom option for participating in this course. You may register to view both sessions on zoom if you prefer to watch remotely. There is a zoom registration link at VillagesSA.org.

Please register at VillagesSA.org, or by calling Karen Kosmala at 408-223-2620. Be prepared to leave your first and last name, email address, the name and date of the event and your house number. Also state if registration is for in person or via zoom.

## Help VMA's Recycling Team

Please don't throw those aluminum cans in the dumpsters. The VMA can sincerely use them! The VMA currently has barrels that are labeled for "Aluminum Cans Recycle Program" in most trash enclosures (right next to the dumpsters) and they have a team of volunteers that do the pickups.

This program directly benefits The Villages because the recycling funds The VMA receives go directly back into our community.

It's so easy to do and only takes a second to separate the cans from your recycled waste, and the benefits received are immeasurable.

Speaking of the team of volunteers, we could always use more help in collecting the cans. If you could spare some of your valuable time to assist in this very important program, we would welcome you with open arms.

Please give back by either recycling your aluminum with us, financial donations or volunteering. Please contact the VMA office at 408-238-4230. **We thank you for recycling!**

## Senior Academy Tech Explorers discuss ChatGPT

ChatGPT is an exciting new technology that is revolutionizing the way we interact with computers. It is a large language model trained by OpenAI that can generate human-like responses to a wide range of questions and statements. On March 6, the Senior Academy's Technology Explorers group held a meeting to discuss ChatGPT and its potential applications.

The meeting was well-attended and well-received, with live demonstrations of ChatGPT and some products that have integrated it into tools we all use frequently. If you were unable to attend the meeting, don't worry! A recording is available along with a web page, [villagesa.org/chatgpt](http://villagesa.org/chatgpt) with much more information.

At the web page, you can learn about the capabilities of ChatGPT and see examples of how it can be used. You can also explore products that have integrated ChatGPT, such as chatbots and virtual assistants. Many organizations will likely implement this technology to make our interactions with them much better.

Overall, ChatGPT is an important new technology that is worth exploring. If you want to see how you can use ChatGPT, look for the next SATE program on April 3. If you missed the March 6 meeting, be sure to visit [villagesa.org/chatgpt](http://villagesa.org/chatgpt) to learn more about this exciting new technology and its potential applications.

## Villages Amateur Theatre to perform April Musical

By Sherle Frost

Ooops! Did I say musical? Well, there certainly is a lot of singing. And some fancy footwork. But really what the audience is going to experience most is LOL (laughing out loud).

## Muslims in The Villages mark Ramadan by fasting

The Islamic holy month of Ramadan—the month when Muslims fast from dawn to dusk (no food or drink, not even water) to learn patience, humility, kindness, compassion, generosity, and gratitude for God's blessings—begins March 23 this year and ends April 20. The Evergreen Islamic Center (EIC), about a mile from The Villages (Address: 2486 Ruby Ave) is the mosque that Muslims in the Evergreen Area attend to pray and reflect on their lives to serve God and their fellow Americans of all faiths. "So, where are you going?" asks a verse in the Quran, the Islamic Book of Divine Guidance. Where, indeed, am I going with my life? Is it aligned with God's expectations of me, or am I going astray from a combination of ego, ingratitude, impatience, greed, and other failings? The blessed month of Ramadan comes to remind us of our duties to God and to all human and sentient beings who share planet Earth with us.

Every Saturday during Ramadan, EIC will host the Iftar—breaking the fast at sunset—for the local community of all faiths. Anyone from The Villages who wants to experience the Iftar (dinner is served following the Iftar) may contact Hasan Z. Rahim at 408-613-5978 or email Hasan at [hasanzr@msn.com](mailto:hasanzr@msn.com).

**“Livid” (Kay Scarpetta #26) by Patricia Cornwell:** Chief medical examiner Dr. Kay Scarpetta is the reluctant star witness in a sensational murder trial when she receives shocking news. The judge’s sister has been found dead. At first glance, it appears to be a home invasion, but then why was nothing stolen, and why is the garden strewn with dead plants and insects? Although there is no apparent cause of death, Scarpetta recognizes telltale signs of the unthinkable, and she knows the worst is yet to come. The forensic pathologist finds herself pitted against a powerful force that returns her to the past, and her time to catch the killer is running out. *Mystery, 2022.*

**“Racing the Light” (Elvis Cole and Joe Pike #19) by Robert Crais:** Adele Schumacher isn’t a typical worried mom. When she hires Elvis to find her missing son, a controversial podcaster named Josh Shoe, she brings a bag filled with cash, bizarre tales of government conspiracies, and a squad of professional bodyguards. Finding Josh should be simple, but Elvis quickly learns he isn’t alone in the hunt—a deadly team of mysterious strangers are determined to find Josh and his adult film star girlfriend first. With Elvis being watched and dangerous secrets lurking behind every lead, Elvis needs his friend Joe Pike more than ever to uncover the truth about Josh, corrupt politicians, and the vicious business cartels rotting the heart of Los Angeles from within. And when Elvis Cole’s estranged girlfriend Lucy Chenier and her son Ben return, Elvis learns just how much he has to lose...if he survives. *Mystery, 2022.*

**“Clive Cussler’s The Sea Wolves” (Amos Decker #7) by Jack Du Brul:** Detective Isaac Bell battles foreign spies, German U-boats, and an old nemesis to capture a secret technology that could alter the outcome of World War I in the latest adventure in the #1 New York Times bestselling series from Clive Cussler. As New England swelters in the summer of 1914, Detective Isaac Bell is asked to investigate a cache of missing rifles—only to discover something much more sinister. Whoever broke into this Winchester Factory wasn’t looking to take weapons, they wanted to leave something in the shipping crates: a radio transmitter, set to summon a fleet of dreaded German U-boats. Someone is trying to keep American supplies from reaching British shores, and if Bell doesn’t crack the conspiracy in time, the Atlantic Ocean will run red with blood. Bell must hunt down a new piece of technology that is allowing the Germans to rule the seas from New York to England. With the outcome of the war at stake and Franklin Roosevelt’s orders on the line, Bell will risk everything to stop the U-Boats before they strike again. *Fiction, 2022.*

**“The Maze” (John Corey #8) by Nelson DeMille:** Nelson DeMille introduced readers to NYPD Homicide Detective John Corey in “Plum Island,” who we first meet sitting on the back porch of his uncle’s waterfront estate on Long Island, recovering from wounds incurred in the line of duty. Six novels later Corey is on the same porch, having survived new law enforcement roles and romantic relationships—wiser and more sarcastic than ever. Corey is restless and looking for action, so when his former lover Detective Beth Penrose appears with a job offer, Corey has to once again make some decisions about his career—and about reuniting with Beth. Inspired by and based on the actual and still-unsolved Gilgo Beach murders, we are taken on a dangerous hunt for an apparent serial killer who has murdered nine—and maybe more—sex workers and hidden their bodies in the thick undergrowth on a lonely stretch of beach. As Corey digs deeper into this case, he comes to suspect that the failure of the local police to solve this sensational mystery may not be a result of their incompetence—it may be something else. Something more sinister. *Fiction, 2022.*

## VMA has plenty of free medical equipment

We know you have read this before, but we still need to put it out there because we are busting at the seams. We are overflowing with equipment at this time, and it needs to find its way to the people who can really use it.

The VMA lends many types of medical equipment for **free** to any Villager who may need it.

The VMA has all types of equipment including walkers, wheelchairs, shower chairs and knee scooters. Some equipment that you may not realize we have are over-the-bed tables, ice therapy machines and hand/foot exercisers. Come on, you didn’t know we had those, did you?

Don’t hesitate any longer; simply call The VMA office at 408-238-4230 and one of our more than 50 trained drivers will deliver it to you (yes, delivered to your house). You may keep the equipment as long as you need and when you are done with it, we will pick it up—it’s easy and there is no paperwork involved.

If you would like to pick out your own equipment, we can easily make arrangements for you to meet one of our outstanding volunteers at our storage shed in the RV lot. We will get you loaded up and on your way.

There are certain items that we have too many of—right now, we have an excess of two-wheel walkers. You are welcome to take any of the extra ones to give to friends and relatives that may need them.

Please check with the VMA desk for what is available and we will gladly deliver what you need.

We have way too many different items to list here, so to see a complete list of what is available for loan, check out the updated Equipment Catalog on the VMA website (vmavillages.org/services) or visit the VMA Office to look at it.

## Next Afternoon Bingo is April 5

If you missed the last Bingo, make sure to be here for this one.

Six simultaneous “black-out bingos!” What? “Never happened before,” claimed some long-time VMA bingo players in Cribari Auditorium March 1. With 75 players, the winning payouts were more than usual.

All money paid to purchase cards is returned to the players. Cards are \$1 each or six for \$5.

Daytime bingo is one of the many free services provided to residents by the VMA. The next daytime bingo will be **Wednesday, April 5** at 3:30 p.m. Doors open at 3 p.m. with free coffee, tea, and treats.

Don’t miss your chance to be one the next winner! Join in on the fun! See you there.

## Safety Vests

Have you heard the song “Dead Skunk in the Middle of the Road?” The skunk got that way because the oncoming driver could not see it until the very last second when the car was right on top of it. It was a tragedy. The skunk being **all dark** and taking a risk crossing the road at night—a recipe for disaster.

When walking at night, make sure you’re visible to oncoming drivers so you don’t become a statistic. Wearing bright or reflective clothing will help tremendously, or you could go to the **VMA** office and pick up a reflective **Safety Vest**. We can arrange to have a supply on hand during our office hours of 9:30 to 2:30 Monday through Thursday.

One size fits all, **and there is no charge**. (Please one vest per household member.)

Come on now. You really don’t want to be that skunk.

Reminder: Articles are due by 4:30 p.m. Thursday, one week before publication

## CATHOLIC COMMUNITY

### 'Feast of St. Joseph' — Evviva La Festa di' San Giuseppe

By Larry and Kathy Lohman

This Sunday commemorates the life of St. Joseph, the foster father of Jesus and husband of the Blessed Virgin Mary. Our city of San Jose was named in his honor. St. Joseph is beloved by Catholics worldwide, and by none more than the Sicilians who developed the tradition of the St. Joseph Altar in his honor.

During the Middle Ages, there was a famine in Sicily during which people were reduced to eating fava beans (cattle food). As they considered themselves lucky to have at least favas to eat, the bean became known as the "lucky bean."

Sicilians prayed to their patron, St. Joseph, for rain and an end to the famine. St. Joseph eventually answered their prayers. In his honor, they erected altars and filled them with their most precious items, food.

By the 1800s the tradition of St. Joseph Altars spread from Sicily to the United States. The altars were typically elaborately decorated with figurines, medals and candles. Today's typical Saint Joseph's Day altar includes flowers, figurines, candles, specially prepared cakes, breads, and cookies.

For decades, San Jose's Italian community has celebrated St. Joseph's Day on March 19, both in their homes and at the Italian American Heritage Foundation where there is a beautiful and bountiful altar, a Catholic Mass, and a meatless dinner, free to all who come through the door, (including any Villagers who'd like to come). St. Joseph's Table represents the tradition of sharing with the poor and hungry. Each person who comes is given a "take home bag" containing a prayer card to St. Joseph, an orange, a bread or cookie item, and fava beans. The fava beans are often kept on a kitchen cabinet shelf and considered representative of good luck. They are generally believed to help keep our pantries full.

We invite Villagers to join San Jose's Italian Catholic Community on March 19 at the Italian American Heritage Foundation, 425 N. Fourth Street, San Jose, CA 95112 (Parking at Salvation Army). Doors Open: 10:30 a.m., Mass: 11 a.m., Lunch: noon – 3 p.m. Please help us to celebrate La Festa di' San Giuseppe and partake of the abundance of St. Joseph's Table. Questions? Kathy Lohman: 408-238-4467

**Cribari Masses: Sundays** – 8:15 a.m. **First three Fridays** each month; Rosary 8:30 a.m., Mass 9 a.m. **St. Francis of Assisi Masses:** 1-408-223-1770 or parish website (sfoasj.com) for times. **Homebound communions:** Marilyn Rodman 408-274-4521. **Mass intentions:** Jean Gillette 408-270-5723.

**Sacrament of Reconciliation.** There are three opportunities at St. Francis of Assisi for Confession during Lent: 1) Every Saturday, 11 a.m.-12 p.m., 2) Lenten Penance Liturgy, Wednesday, March 22, 7 p.m., and 3) Good Friday, April 7, 9 a.m.-11 a.m. Take the opportunity for confession while it's available. In this sacrament, God not only forgives your sins but heals your soul by offering the graces needed to help conquer sinful tendencies.

### 'Shamrock Theology'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

Never have I ever found a four-leaf clover. Really! I just don't seem to have the eyes for that kind of leafy detail: it all looks green to me. But St. Patrick wasn't looking for four-leaf clovers either, despite the popular Irish lore. Rather, he is said to have used the much more common three-leaf shamrock as a means to illustrate the Christian doctrine of the Holy Trinity. One God in three persons, as our theology teaches. It's not an easy concept to grasp, so little wonder that Patrick used something common to explain one of the great mysteries of God. In the beauty of Irish flora and fauna, he found an example of the triune nature of God.

Patrick, the 5th century missionary credited with bringing Christianity to Ireland, initially came there as a slave. After escaping, returning to his family in England and being educated as a priest, Patrick returned to the island of his captivity as a free man, passionate about teaching local people freedom in Christ. Such was his evangelical success that he became the (informal) patron saint of Ireland. The clover had already been a symbol with a long history in Ireland: the druids believed the clover had magical powers, and used them for their protective abilities. The shamrock, however, became associated with the Irish people through Saint Patrick, and it has maintained its pride of place in Irish culture ever since. Four leaves or three, wear the green with gratitude... it is a sign of God's good news!

## COMMUNITY CHAPEL

### 'Struggles Bring Out the Good'

By Pastor Bill Hayden

Many successful individuals have their stories about how they had a hard life before they achieved measurable success. Especially if you are a God-fearing person who believes in living a good life and that good things will ultimately happen to you.

Even when your life is messy and hard in your different seasons of growth, you learn to bear down in prayer. Situations will happen and it's not the way you may think about God's love and grace. Having so many difficulties can cause you to wonder if God is really for you and maybe you should be doing something else. You had imagined that your life would be easier, more predictable and more comfortable because you dedicated your life to be a child of God. Instead, the Bible reveals that struggles are a part of God's plan for you. As a believer, you must never think that the hard things that you are going through are failures and are not part of the plan God made for your success. You must not buy into your feelings that God is not as trustworthy as you thought Him to be.

We live in a fallen world and God plans to use the difficulties to build our faith to complete His work in us for His glory. This means that those struggles and difficulties, which we see as interrup-

## SWINGERS

By Nancy Carson

We were lucky with the weather today. After 3 or 4 holes the heavy jackets came off and the sunglasses came on. Twenty-nine Swingers played today.

Today was Captains' Trophy Day. Sally Nichols (pictured on the left) won the trophy for the front nine. She is standing with good friend Jan Ehrhardt. They have played together since 2018 and moved over from the Shonis in 2022. Sally said, "We encourage each other due to erratic play but can cart share and finish in two hours!" Flo Southland won the trophy for the back nine. We'll have to catch up with her next week for a picture. Thank you, Marcia Hembree for taking the picture for us.

Congratulations Jennifer Chen, you took home the quarters today with your chip in on #6!

Coming up – April 11, is the Shoni/Swinger Mixer. Play the par 3 in a fun tournament with lunch and prizes, \$25. This is a good opportunity to get to know each other.

We hope you're getting your team together for "Plaids & Pars in the Highlands", the Swingers Invitational, June 13. \$110 includes breakfast, lunch, Mulligan Bags and prizes. Look for sign up information next month.

## SHONIS

By Betty Hall

Our first of the month sweeps and Captains trophy got kicked off last Tuesday with a very nice breakfast in the Clubhouse before golf. John Yu set us up with a great table by the fireplace that was enjoyed by 19 Shonis.

Our Captain's Trophies are going to be shared this month with lots of different Shonis. Our low gross winners were Marty Blinde, Sharon Lingofelter and Teddy Morse with a gross of 39.

The low net winners, with a 24, were Fran Schumaker, Sharon Lingofelter and Teddy Morse. One of our newcomers, Rose Loy, gets our special newcomer trophy with a net 22. Newcomers don't have their 20 games in yet but deserve special recognition for great games. Stuck in nowhere land was another newcomer, Joyce Baptiste, with a net 23. Beat out of both the newcomer trophy and the low net trophy.

Our birdie pot got split between Kathy Tanaka who had a 30-footer drop in on hole 8 and Jonna Robinson on hole 9.

## 18-HOLE WOMEN

By Chris Leisy

This week the rain came back again. It was a cold miserable day, but we had 27 brave women that completed all 18 holes, even with rain on the last 3 holes. We all are ready for that warm spring weather.

Birdies: Kerry Besmehn #6, Camille Giuliodbari #11. Birdie and Chip in: Bev Poellot #10.

Our first guest day, Spring Fling, is on March 30. This might be a good time to invite your invitational guest or a friend that you haven't played with in a while. If not, ask a fellow villager and join in on the fun. The game will be best ball of the foursome.

A huge thank you to John Yu for allowing us to play cards in the dining room each week after lunch. Former members can continue enjoy camaraderie through our Associates Program. The friendships formed on the golf course extend into decades of laughter, fun and support. Thursday's bridge players include Kathy Apgar, Mary Chaboya, Auralie Citrigno, Margaret Davies-White, Dianne Doughty, Suzanne Fazzio, Alice Glazer, Diana Hallock, Nancy Miller, Bev Poellot, Carol Quakenbush, Mazie Rice, Shirley Roberts, Sylvia Rozewicz, and Barbara Weisend. Remember, there are still a number of positions that remain to be filled and we would sincerely appreciate your help.

**Just a Refresher:** One of the simplest ways to keep our course looking green and pristine for years to come is to use "the gates" to enter the fairways. For those who hit it longer off the tee and who do not enter the fairway early, remember that it is always okay to use the cart path until you are parallel with your ball, and then enter the fairway using the 90-degree rule—staying on the cart path until you reach your drive – then proceed down the fairway, from shot to shot, avoiding driving in the rough as much as possible. It's just that simple. And one of the best observations ever: "If it's brown, don't drive on it." Thanks for that one Scott.

## Golf Thoughts

- Paddy O'Furniture was frustrated because he has hit numerous fat shots. In his frustration, he told Murphy, his caddy, "I would move heaven and earth just to make a hundred." To which Murphy replied, "Try heaven, Paddy. You have already moved most of the earth."

- After hitting the ball with little to no success, Ben O'Drill asked his caddy what the problem was with his game. The caddy answers, "It's simple, really. You are standing too close to the ball after you whack at it."

**MGC E-mails**—Are you receiving notification emails from the Men's 18 Hole Golf Club? If not, there is a simple fix. You may have accidentally **unsubscribed** from the scheduled emails. Please just let me know if you think you are one of those and I will send you an email to reconfirm you and get you back on track.

**Executive Committee Meeting:** The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the **Montgomery Center**. The next meeting will be April 4, 2023.

Also, remember to visit our website at **villagesgolfers.com** for the latest Men's Golf Club information. **Kyle Finley** does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

# PINSEEKERS

By Jim White

The weather was back to our 2023 "normal" with Atmospheric Rivers continuing to rush through the Bay Area. In anticipation of another day of heavy rain, the Men's Club Member-to-Member tournament was postponed, and the tee slots were opened to Pinseekers and other Villagers. It was no surprise when Thursday and Friday evenings became some of the wettest in our community since the January deluges. This caused another washout for the Pinseekers.

Given another idle week, I take this opportunity to report on the Year-to-Date status of the Pinseekers 2023 race to our annual "Sweeps Championship." Eleven weeks left until the end of May and the determination of this year's winner; top rankings: Martin Hoek, 54 points, Don Lee, 41 points, Patrick McMordie, 35 points, Mike Falarski, 32 points, Lee Thompson, 27 points, and 25 of our 34 other members have earned at least one point.

When we finally get back to the course, remember to hit 'em long and hit 'em straight, no three putts, and the most important shot is your next shot. Above all else, have fun.

Our Tennis Club's professional, Brett Foreman, is planning an exciting afternoon. He describes it as "Tennis Olympics with a Carnival Theme." Intriguing? Join in to meet the challenges he has created for us. Tennis Anywhere will be providing demos of some of the newest racquets for you to try. Come shod in tennis shoes for "on the court" fun. There will be prizes, games and strawberry shortcake! No reservations required. Questions? Email Harry Soin (harrysoin@gmail.com) or Nancy Spisar (nancy.spisar@gmail.com).

Jump Start kicks off at the Tennis Club Open House. Whether you are a beginner or just "rusty," our Villager "experts" are ready to help you learn and improve your strokes. Jump Start will meet on successive Tuesday afternoons beginning April 1 for 10 weeks from 5 to 6 p.m. Don't have a racquet? No worry, we have racquets donated by our members and would love to give you one. This is a wonderful opportunity to learn, meet others at your playing level and... all free of cost! The only requirement is to join the Tennis Club. Questions? Contact Sherry Benz (408-223-6882 or sabenz@sbcglobal.net.)

Don't forget ... the Prescott tournament is March 18 from 9 a.m. – 1 p.m. and the courts will be busy with this fun, round robin event. All registration fees (\$15) and donations benefit the VMA, which provides much needed services to our residents. Register on the website or contact Mitzi Macon (408-605-8134 or mitzimacon@yahoo.com). No partner needed! Cheerleaders welcome in the stands!

The VTL (Villages Tennis League) is off to a great start. Thanks to Roy Pennington, Jim Murphy and Peggy Seidel for organizing this program. It has been such fun to be on the courts with lots of different players. If you are interested in being a sub, give Roy Pennington a call (505-410-3449 or rpenn1700@aol.com). We just need the rain to stop on match days!

# Golf Cart Yellow Lines Initiative

As part of the Villages continuing Culture of Care initiative for our 18-Hole golf course, in January of 2023 we will begin the installation of yellow ground paint lines in front of the green complexes to clearly define the 30-foot golf cart restriction area at each green as prescribed in Golf Rule 1.14 Section 8-J:

The golf course yellow lines

8-J. Carts are to be kept on the cart path around all green complexes and teeing grounds. Carts must be kept a minimum of 30-feet from the green apron and are not permitted within the perimeter of greenside bunkers.

The yellow lines will take the place of stakes and ropes and serve as a visual reference point defining where golf carts cannot advance any closer to the green apron according to the 30-foot perimeter mandate in Rule 1.14, Section 8-J.

The former use of stakes and ropes for this purpose proved to be a challenge due to the following factors: Visually and aesthetically unappealing - Unsightly

Physical hindrance to golf shots - Formed an obstruction for advancing golf balls

Labor intensive - stakes and ropes were constantly moved, removed, and knocked down

Expense - the cost of attaining enough stakes and rope for each hole is very high

**The yellow ground lines will serve as a better option than stakes and roping for the following reasons:** Less Obtrusive - yellow ground lines will not create an above ground obstruction to golf shots approaching the green

Aesthetically Subtle - yellow ground lines will be more visually appealing than above ground stakes and roping

Permanence - yellow ground lines cannot be moved, knocked over or completely removed

**It is important for the condition of the green complexes and associated turf to keep cart traffic a minimum of 30-feet from each green apron and outside the perimeter of the greenside bunkers. Cart traffic allowed too close to the greens damages turf, creates unsightly tire ruts and results in unfavorable playing conditions as the turf becomes thin, compacted, compressed and, in some cases, permanently damaged.**

## Tips from the Pro - Experimentation Leads to Results

A round of golf is very dynamic and will throw many different scenarios at you. Your ball might be stuck behind a tree, on a steep uphill lie, or catch an awkward lie in the greenside rough. This is exactly why you need to make experimentation a part of every practice session. Do you ever practice recovery shots? Well, you should...You see, golf is the only sport in which you do not practice and play on the same field. In baseball, you practice on the same diamond you play games on, in swimming you practice in the same pool that you swim meets in, and in football you practice on the same field on which you play the games. But in golf, we practice at a driving range off fake grass, and we chip and putt on a green with a dozen holes cut into it. And we usually have many, many golf balls when we practice, which we all know is not the reality of golf. Therefore, in order to make golf practice truly useful, we need to experiment a bit. So try different things when you practice to simulate those scenarios you will ultimately have to face on the course. Tap in to that experimental and creative side that you have. And although we do not practice golf on the golf course that we play on, experimenting will go a long way.

## Here are some examples of things you can try:

1. Try hitting low punch shots with your 4-iron (like hitting from under a tree), or try hitting hooks or slices with your 6-iron (like hitting around a tree), or try hitting a very high shot with your 9-iron (like hitting over a tree).
2. Throw some balls in the deepest part of the rough around the practice green and try to dig them out and chip them close.
3. Bury a ball in the face of a bunker and climb in and hit it out onto the green.
4. Practice putting with only one ball - one try per putt.

Figuring out how to alter your technique and adapt to difficult scenarios will prove invaluable during your rounds! And you can accomplish this by practicing and experimenting on them first. Most golf tips don't discuss what happens when things go wrong on the course, but all great golfers know how to deal with all kinds of adversity. So the next time you practice, experiment a little, think outside the box, and practice things you can actually use on the golf course to help you score better. The purpose of the change is because single-family homeowners are responsible for maintenance of their property and chose to own homes in a country club community and have significant interest in the agent's responsibility of maintaining and enhancing the country club amenities; this interest should be an equal factor in the hiring of a general manager and expressed in the Management Agreement.	\$0

## OBITUARY

### Kathleen Ashby

March 1, 1947 – March 6, 2023

We regretfully announce the passing of Kathleen Ashby on March 6, 2023. Kathi was surrounded by her family as she passed.

Kathi was one of the most courageous, brave, generous, and adventurous women to walk this earth. Our family was blessed to call her wife, mother, and Nana. Marching in a parade as a champion baton twirler at just 15, her soon-to-be husband Garry fell in love with her at first sight. With over 57 years together, they built a wonderful life traveling the world, working hard, and raising three children, Corrine, Brandon, and Steffanie, and three grandchildren, Apple, Isabella, and Garren.

Kathi was a homemaker for many years before pursuing her dream to become a teacher. Kathi graduated from San Jose State University in 1993, with a Bachelor's in Environmental Science. She then pursued a career in public elementary school education. She took great pride in her education and went on to earn her Master's in Education Administration and Supervision in 2001. Kathi treasured her years as a teacher and touched the lives of many young people.

Kathi always looked forward to her next adventure. She and Garry visited every continent except Antarctica—which was next on her list. Kathi loved being an active member of the Villages community. She was in a bridge club, played pickleball and mahjong, attended events, and was involved in committee work. Above all other activities, however, Kathi treasured her time with her grandchildren.

Kathi was at every dance recital, cheerleading competition, gymnastics meet, and all the sports games! She always showed up to cheer on her grandkids. "Nana" was always up for a road trip or a fun excursion. She is survived by her husband, Garry, their children, grandchildren, her brother Melvin Van Huss, and many nieces and nephews. She was deeply loved and cherished. She will be greatly missed by all her knew her.

Kathleen's Celebration of life will be held at the Villages Clubhouse, 2800 The Villages Fairway Drive, San Jose, CA on Friday, March 31 at 4 p.m.

Please remember Kathi by wearing bright colors—a pink and orange combo was one of her favorites.

## OBITUARY

### Lillian Jean Mantia

April 23, 1936 – February 9, 2023

Lillian Mantia passed away peacefully at her home in San Jose, California, on February 9, 2023, at the age of 86. Born on April 23, 1936, to Manual and Jean Sanchez, Lillian was raised by her mother and stepfather Joe Caporusso in Pleasanton, California, alongside two siblings.

Lillian graduated from Amador Valley High School and, following a brief period living in San Francisco, landed a job at Lawrence Livermore National Labs. Together with her first husband, Jim Byrd, she settled in Sunnyvale, California. Following eldest daughter Jennifer's birth, the young family spent a year in Europe, sightseeing and visiting relatives in Spain. After returning to the States, Lillian gave birth to daughters Tiphonie and Kimberly, and when they reached school age, decided to return to the workforce. She accepted a part-time position at Epic Food Services, then transitioned to a Medical Records Specialist position at Kaiser Permanente. She later retired with her second husband, Bob Mantia, to the scenic foothills of San Jose, California.

Many knew Lillian by her fondness of dancing and endearing personality. She loved to travel, enjoying cruises with family and friends alike. She was a friend to animals, often walking her neighbors' dogs in the warm California sunshine. She was an avid Giants and 49ers fan, an incredible bingo player, and much, much more.

Lillian is survived by three daughters (Jennifer, Tiphonie, and Kimberly), seven grandchildren (Kyle, Alyson, Trace, Taryn, Ryan, Jordan, and Shannon), five great-grandchildren (Tristen, Aiden, Harper, Ashton, and Zachary), brother Bobby, and sister Joanne.

A private service was held March 9, 2023. A Celebration of Life will be held on April 29, 2023, from 1 p.m. – 4 p.m. For details contact Jennifer at 408-691-1514 or jennifer.deneve@britelab.com.

In lieu of flowers, a donation can be made to the Alzheimer's Association or The Humane Society in memoriam.

Obituary notices may be placed in the Classified Advertising section for a fee. For more information, please contact Kory Tran at ktran@the-villages.com or 408-754-1341 or Scott Hinrichs at shinrichs@the-villages.com or 408-223-4655.

It is with profound sorrow that we announce the passing of Olga de la Serna of Cribari Bluffs. Olga died peacefully at her home surrounded by her family on March 7, 2023.

Her family and friends, who loved her dearly, will always remember Olga for her generosity, sunny demeanor, elegance, and kindness that knew no limits. During her life, Olga was an interior decorator, taught children with special needs, volunteered at hospice, and continued giving of herself until her final days.

Olga is survived by her children, Carolina, Pedro, and Martín, her daughters in-law Sandra and Luisa, her grandchildren Justin and Nolan, her granddaughters in-law Madeline and Sydnie, and her

great-grandson Cirus. Olga's family would like to thank all those Villagers who made Olga's time here so special and happy.

### *Community Chapel...*

*(Continued from page 17)*

tions or failures, are an important part of His plan. They cause us to cry out to Him for His grace to quickly release and revive us and He does deliver us in His time and not ours.

We discover that His grace which He so faithfully bestows upon us is not always pleasant. For His grace is working patience in our souls, which is needful in our conformity to His image and witness in the journey. If we were in control of our destiny there would be things and lessons that we would totally avoid. As we live with eternity in view, God's grace comes to us in uncomfortable situations that His power is made greater in our weakness. You may be at a stage in life that was not a part of your plan but according to God's plan it's precisely where you need to be. The goal is to be transformed into the image of Jesus Christ.

**Philippians 2:13 ESV** "For it is God who works in you, both to will and to work for His good pleasure."

If you need friendship, you can find it in our Chapel. Please join us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word and enjoy a cup of coffee and cookies with friends. *The chapel is a place for needs to be met, faith to be affirmed and new friends to embrace.*

You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

### *VMA accepts old glasses, hearing aids, cell phones*

Please remember...the VMA accepts old prescription glasses, hearing aids, and cell phones.

Your old or unused eyeglasses and hearing aids can be dropped off and collected at the VMA office (Monday -Thursday 9:30 a.m. to 2:30 p.m.) in Cribari Center.

They are then sent to a service organization for refurbishing and then delivered to the Lyon's Club for distribution to the people that need them the most.

Old cell phones that you are no longer using or need can be dropped off and collected at the VMA office also. They are then delivered to the Verizon Corporate office, where they are then repurposed for recycling or sold. The proceeds that are generated by this process go directly to help assist victims of domestic violence.

When you can, take some time to visit the VMA website at [vmavillages.org](http://vmavillages.org). You'll be amazed at all of the helpful information that you possibly may not have been aware of.

### *Remember someone with a memorial gift to VMA*

Honor the life of your friend or loved one by funding the services to extend the quality of life for other Villagers. A memorial gift to the Villages Medical Auxiliary (VMA) honors the loved one lost and promotes the work of the VMA. If you have any questions on how to give, call the VMA office at 408-238-4230. All donations to the VMA are tax deductible.

### *Remember your loved one with a memorial gift to EVF*

Please remember the Evergreen Villages Foundation (EVF) when you are considering a memorial gift in honor of a loved one. The EVF sends a lovely acknowledgement from you. [www.evfsj.org](http://www.evfsj.org)

### *In Memoriam and Obituary Notices*

In Memoriam notices are run free of charge.

Notices include name of deceased, date of birth and date of passing. Brief notices of memorial gatherings may be included with the notice, providing event is held in a Villages' facility.

Obituary notices may be placed in the Classified Advertising section for a fee.

### Club Nominating Committee seeks candidates

The Villages Golf and Country Club Board Nominating Committee is actively seeking candidates for election to the Club Board of Directors. The Club governing documents provide that there shall be seven directors, and election will be held during May and June for two director positions to serve three-year terms.

The Club Board is responsible for the management of Club operations including, but not limited to all recreational, social, and cultural events in operation at The Villages, the community centers and adjoining swimming pools, the Clubhouse/Pro Shop complex, the two golf courses and tennis courts.

It's a rewarding experience to participate in the governance of this vibrant community. The Nominating Committee urges all Villages property owners to consider involvement in the community decisions through service on The Villages Golf and Country Club Board of Directors.

### Techniques and tips for driving in the rain

Rain is blamed for thousands of accidents every year—many of which can be prevented. To follow are a few tips that apply to driving in adverse weather on Villages streets, as well as on highways and local throughfares.

- Allow more travel time. Plan to drive at a slower pace than normal when the roads are wet. Keep in mind that traffic is likely to be moving at a slower pace than normal.
- Brake earlier and with less force than you would normally. Not only does this increase the stopping distance between you and the car in front of you, it also lets the driver behind you know that you're slowing down.
- Turn on your headlights, even if it is only spinkling lightly. It helps you see the road, and more importantly, it helps other motorists see you. Furthermore, California law requires that when you use your windshield wipers, your headlights must be on.
- Defog your windows. Rain will quickly cause your windshield and windows to fog up. Switch on both front and rear defrosters and be sure the fan is turned on.
- Watch out for pedestrians. An ordinarily observant pedestrian may become distracted by adjusting an umbrella or raincoat. Plus raindrops deaden sounds so that auditory clues for measuring car distances become skewed—be extra observant of pedestrians walking in groups or with their dogs.

While most people slow down in the rain, others don't. Always drive defensively and be aware of those around you at all times—you can help prevent accidents by being a careful driver.

#### Designer headline: "Look more luxurious" and "Drab to Delightful"

We all know that the design world has to constantly change to keep sales up. Like hair styles and fashion, it gets to a point where styles are in and out so fast that you can get away with any and all styles. I believe we have hit that point in the home interior design arena. Design articles are covering a multitude of design styles all at once now. The designer I quoted above talks about 2 different designs concepts in one statement and has a third design that I will talk about in a future article.

#### Look more luxurious is not just for the "look"

A "Wellness" bathroom is a place is where you spend alone time pampering yourself, not just your body. The concept is that your bathroom should become a spa, a place where you lounge in a luxury tub, play soft music, read a good book etc. The look includes large showers and tubs, radiant heated floors, beautiful chandelier lighting and luxurious lounge chairs and tables. Piped in Music or TV is also on the menu. The problem is that most people do not have large enough bathrooms to accommodate the Luxury "wellness" experience. In reading the description I thought of the old bath soap commercial. "Calgon...take me away". It is all of that. (You can Google it)

#### For those that can't afford the "Luxury" look, there is the "Delightful" look

Now this is a real new one for me. We are now naming a room overstuffed with your favorite items as "*maximalist Décor*". Why not! We have had Minimalist décor for a few years, let's make it a style to have a room full of your favorite eclectic items. For those of us who never get around to declutter your home, you will love this "new décor". A room stuffed full of happy bright, fun stuff. Lots of stuff! The picture they gave was of a very bright, colorful room full of stuff. I guess a Maximalist doesn't have drab belongings. I think this style will never go away. It will only be expanded to incorporate old duller stuff that may still "delight" your maximalist taste. Go for it I say!
