## Art in the Park to feature artist Mary Wolleson

By Stephanie Torres

Quilts, runners, and totes—oh my! At Sidewalk Sales, Home Studio Art Tour, Holiday Fair and Art in the Park, you will find Mary Wolleson and her lovingly embroidered quilts, table runners and fabulous totes. Mary is a 16-year resident of The Villages, active in the Quilters Group and The Arts and Crafts Association. She enjoys traveling and attending quilting shows. Quilting is quite intricate and detailed work. Hats off to all quilters for their love and commitment to their craft. Be sure to visit Mary's table and prepare to be dazzled by her work and the work of over 40 artists at Gazebo Park.

This is a *free* event for your family and friends. Art in the Park is Saturday, April 22 at the Gazebo Park from 10 a.m.-2 p.m. And don't forget about our *huge* Cookie Sale in the Gazebo.

## Pianist Larry Broderick to bring his talents to 'Spelling Bee'

The 25th Annual Putnam County Spelling Bee will be appearing very soon at Cribari Auditorium, but without the man whom we fondly call "Maestro," it would never happen. Larry Broderick came to The Villages after he tragically lost his home in the fires around Santa Rosa, and as sad as I know that must have been for him, his arrival here has been a "Godsend" to the Villages Amateur Theater.

Larry is a very talented pianist, which you can all see when he has his September 10th re-

## Something for everyone at 'Thrive ~ Together!' Health Festival on April 29

By Arlene Versaw

Yes, VMA's Thrive ~ Together! is billed as a health festival. Yet—it is so much more! Of course, you will learn how to improve your heart health, how to breathe away stress, steps to enhance brain health. Sure, there will be screenings for bone density, blood pressure and hearing. However, being healthy is only one component of living a good life. So VMA is including presentations and information on the other elements needed to be the best you.

**Golf for Life**, for example, will provide information on how to adjust your game for every stage of life. In **Write, Sing and Paint to Thrive**, you will learn to engage your creativity and sense of play to experience joy. You can get a chair

## Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

## More COMMUNITY NOTICES

### **(SRS) SENIOR RESOURCE SERVICES**

### *Your funeral, your way*

A presentation at The Villages was titled "Your Funeral, Your Way." This lighthearted presentation stressed several important areas to consider in planning for you—or a loved-one's—funeral.

Most important is the need for you to bring up the topic in discussions with your significant others or close friends. Most family members and close friends will not bring up this topic unless you, yourself, initiate the discussion. Your wishes and end of life care choices will only be honored if you have discussed them with those close to you and/or have them clearly written down.

The person you choose to be your agent in decisions regarding end-of-life care must be someone who you know will carry out your wishes and is competent to do so. The speaker's example was not having his wife as his agent came about because his wife would not be willing to "pull the plug" (which is his wish) if he were on machines keeping him alive. A booklet, "Before I Go, You Should Know" is available from the Bay Area Funeral Consumers Association (bafca.org).

Current choices available for disposition of a body following death were discussed. Beyond the traditional cemetery burial, options now include:

**Green Burial** – There is no casket, just a body shroud or bag and a shallow grave.

**Cremation** – Ashes can be scattered at any National Park with a completed form-NPS Form 10-930s. Additional choices for disposition of ashes: Sea Burial of ashes, Cremation with fireworks, Aquamation, Cryonics, Mushroom Shroud, composting of ashes, Ashes into Space (sign up with Elon Musk SpaceXFalcon 9 Rocket (Elysium Space). This is for real.

**Donation of Body to science** (Stanford University) is no cost to family of deceased.

The presenter also stressed that Funeral Homes and Mortuaries *must*, by law, give customers a printed, itemized General Price List along with a package-deal list. Know what you are paying for as there is often "soft" pressure to choose expensive urns or caskets. Costco also sells caskets.

SRS has a handout titled "Celebration of Life Preferences" and another handout titled "Obituary Data." As well, Bay Area Funeral Consumers Association (bafca.org) has information and price details on many options.

Now is not too early to begin getting your "ducks in a row," no matter your age.

*Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center. You may also leave a message at 408-239-5253 or e-mail SRS at villagessrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.*

### **SRS Reminder:**

### *Tax returns not due April 15*

Remember, both your Federal and State income tax returns are not due until October 15, 2023. However, you may file the returns whenever you wish. You can pay when you file or wait until October 15 to pay.

Some Villagers have indicated they prefer to pay on the regular payment schedule as a budgeting device. The government will love you. Rather than mailing a check to the IRS, SRS suggest you use the online Direct Pay Service. Go to [www.irs.gov](http://www.irs.gov) and click on the box labeled "Make a Payment." There is no fee to use the online Direct Pay service.

There is also no fee to use the online Web Pay service to pay your Franchise Tax Board California tax. Go to [ftb.CA.gov](http://ftb.CA.gov) and click on "Make a Payment" and then "Bank Account."

# Association Members – Request for Annual Notice of Information Updates

By Julia Meadows, Assistant General Manager, CCAM CMCA, AMS, PCAM

As you know, The Villages Association is a common interest development (CID) subject to California Civil Code Sections 4000-6150 (also known as the Davis-Stirling Act). Civil Code Section 4041(a), requires all CID owners to annually and in writing provide the HOA (The Villages Association), their contact information for sending HOA notices, and to inform the association whether the residence is owner-occupied or rented.

Associations are required to solicit these notices at least 30 days prior to the annual association disclosures. For The Villages Association, that is the Annual Budget Report and Annual Policy Statement that is distributed in May. If an owner does not annually provide this notification, the association must deem the last address provided in writing by the owner, or if none, the property address, shall be deemed to be the address to which notices are delivered.

To inform the Association of changes to preferred delivery method for receiving notices from the Association, please complete the form on this page below and return it to the Association no later than May 12, 2023. Completing this form will not discontinue electronic distribution of Association documents if you have signed up for that program.

To save postage, paper, and copy costs, we are publishing the request for information in *The Villager*, see form below. Non-resident owners will receive form via US mail.

You may return the completed document:

**Via US Mail:** The Villages Association, 5000 Cribari Lane, San Jose, CA 95135

**On Site:** Return to the locked Drop Box located in the parking lot up the stairs from Business Administration, Building A.

**Via Scanning & Email:** VillagesAssociation@the-villages.com (with CONTACT FORM 4041 in all caps in the subject line).

Disregard this request if there are no changes to your information. If you have any questions or concerns, please contact the General Manager's office at 408-223-4634.

## Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

**Reminder to all small pet owners:** A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Coyotes are known to attack leashed dogs when the owner gets distracted. Please stay cautious and aware of your surroundings when cleaning up after your pet, talking to a neighbor, checking the mail, etc. Coyotes are opportunists and may make their attacks when you are not paying attention.

Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages, so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Please report all coyote sightings to Public Safety and Vector Control at the email addresses listed below.

### Report Coyote Activity

Please report all coyote sightings to Public Safety and Vector Control at the following email addresses:

- Director of Public Safety Steve Norden at [snorden@thevillages.com](mailto:snorden@thevillages.com) and include in email the location day and time of the sighting.
- Contact for Vector Control is [Vector.sccgov.org/home](http://Vector.sccgov.org/home). Residents can use this to report coyote / wildlife incidents directly to the county.

# COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

## ***Building B business hours***

The Community Activities office in Building B is open Monday to Friday 8:30 a.m. – noon and from 1 p.m. to 4 p.m.

## ***Total Body Conditioning class***

**Note: Due to instructor availability schedule for the next Total Body class has been shortened. (See schedule below.)** Community Activities has reached out to all current registrants to notify them of the change.

The next Total Body Conditioning class will take place **Monday, 10 a.m. – 11 a.m. May 8 to June 19** (four classes, no class on May 15, 22 and 29) in Cribari Auditorium.

The updated cost is \$45.50 (equipment purchased independently as needed, see below).

Sign up in Building B by Friday, April 28. Taught by instructor Terri Brown, Total Body Conditioning focuses on various components of fitness – muscular strength, flexibility, posture, breath, and balance. After a light cardiovascular warmup, the class will use a resistance band (light or medium strength) and hand weights (1-5 lbs) or water bottles to achieve total body conditioning. Equipment is not necessary the first week of class and modifications will be offered for more or less intensity.

## ***New Fitness Trainer special***

Register in Building B during business hours. Registration begins Monday, April 17 and ends Friday, May 5.

## ***Join us for day at Golden Gate Fields***

On Saturday, June 10, join us for a day at Golden Gate Fields, Northern California's only remaining thoroughbred racetrack, set on 225 acres overlooking the San Francisco Bay. Experience this view from the fabulous Turf Club, situated at the top of the grandstand, where you will be given a Champagne Welcome. The three-hour all you can eat multi-stationed buffet of California-inspired cuisine comes with a non-alcoholic beverage of your choice and an all-day coffee station. A full-service bar with cocktails and more is available for individual purchases.

The cost per person of \$202 includes admission, buffet, escort, and round-trip transportation. We will depart from Cribari East Parking Lot at 10:30 a.m. return at approximately 7:30 p.m.

Our visit includes a daily racing program for each participant and screens at every table for close-up viewing of the racing action. Golden Gate Fields encourages contactless wagering; you can download their betting app at [www.1st.com/bet/golden-gate-fields](http://www.1st.com/bet/golden-gate-fields). Limited live tellers and self-service wagering machines will be available to place bets.

The dress code is derby themed attire, which means collared shirts, dresses, skirts, and dress slacks preferred (no torn denim, athletic shorts, sweatpants, t-shirts, windbreakers, flip flops, tank tops, baseball caps, or visors). Please remember to dress for Bay Area weather.

Activity Level: Light Activity (stairs/elevator to top floor, possible jumping when you win!)

Gratuity for driver and buffet servers is included in price, additional tipping is at your discretion.

Register in Building B during business hours. Registration begins Monday, April 17 and ends Friday, May 5 or sooner if tickets sell out. Race on down to register so you aren't jockeying for an open space! **Please note:** this is not the same trip as the Golden Gate Park trip on May 24.

Register in Building B. Registration begins Monday, April 17 and ends Friday, May 5.

## ***Take survey on classes you would like offered***

Help guide our class programming! If you saw the results from our previous survey, then you know that Villagers have a variety of interests and opinions, and it is interesting to discover what "wants" you agree on and are passionate about. Would you like to help influence what Community Activities has to offer for residents? We would like feedback on the type and scheduling of classes we offer and what factors are most important to you when choosing to register. What are your interests? What days and times of the week are best? What criteria do you use when choosing a class?

The online survey is available through the following link: [surveyMonkey.com/r/NW5D8NS](https://surveyMonkey.com/r/NW5D8NS). We also have paper copies in Building B. The deadline to complete the survey is Friday, April 28. The survey should take you less than 10 minutes (it is shorter than the previous survey).

To avoid duplicate entries, we are asking that only one survey per household be submitted. For your survey to be considered complete you must go through all the survey pages. We hope to hear from as many households as possible, even if they have never attended any of our programs before, so start thinking about what classes you would like to attend!

## **RESIDENT EXCURSION PARTICIPATION GUIDELINES**

The Community Activities office offers a wide variety of activities for the enjoyment of the Villages residents. Community Activities programs are conducted in English unless otherwise noted. *Please check your personal calendars prior to committing to an event, class*

*or trip. Once registered for an activity, you are responsible for the cost of the activity. All sales are final.*

Registration is limited to residents only for the first two weeks.

Management assumes residents and guests are able to

participate in our sponsored activities independently. We reserve the right to evaluate the participant's ability to participate based on each individual's physical abilities and/or demonstrated behaviors. You may always take a caregiver with you to help with your needs.

Employees are not permitted to provide physical assistance to participants. If personal assistance or a wheelchair is needed, the participant must arrange for a caregiver with paid reservation to accompany him/her.

Employees, residents and their guests represent the Villages Golf and Country Club off site. It is expected that all participants will conduct themselves in a dignified, cooperative and congenial manner.

## SATE holds insightful ChatGPT demo for Villagers

On April 3, 2023, Senior Academy Technology Explorers ran a Zoom meeting to demonstrate the capabilities of ChatGPT, an AI language model designed to provide insightful suggestions and assist with a wide range of tasks. The meeting began with a brief introduction of the ChatGPT tool with explanatory videos, highlighting its user-friendly interface and simple navigation. Participants were then given a live demonstration of the tool's various functionalities, including its ability to generate human-like responses and assist with tasks such as email writing, organizing minutes and creating polished messages to authorities.

One of the main advantages of ChatGPT is its ability to act as a reliable companion, always available to help and never getting tired or frustrated. This feature was demonstrated during the meeting, showing how ChatGPT can assist users in simplifying navigation of the complexities of modern life.

The meeting also allowed for interactive discussions, with participants posing questions and receiving real-time answers from ChatGPT. This feature was particularly useful for those who were unfamiliar with the tool, as it allowed them to gain a better understanding of its capabilities and user-friendly interface.

Overall, the ChatGPT Zoom meeting demonstrated how technology can simplify our lives and make our work more efficient. As an AI language model, ChatGPT is poised to become a vital tool in our digital toolkit, helping us navigate the complexities of modern life with ease.

## PFC Roy Earle speaks at Veterans Club meeting

At the Veterans Club meeting of members Tuesday, April 4, the featured and honored speaker was Mr. Roy Earle, WWII veteran of the 4th Marine Division. PFC Earle fought in every island campaign of the Division, always landing in the very first waves, including its last island battle, Iwo Jima. When Club president Bob Semple, who had developed a friendship with PFC Earle over many years, claimed that he is the luckiest person he has ever met, PFC Earle smiled and said he was actually only one of two such Marines, the other being his foxhole buddy.

## Montgomery hosts fun, 'bee-utiful' luncheon

**Beekeeper Steve Demkowski with Clare Ferry.**

The Montgomery social committee (including Chair Marie Dillon and Members Pam Watson, Carol Hoffman, Celia Schiffner, Arlene Holmboe and Susan Howe) hosted the annual Montgomery Village Women's Luncheon on Saturday, March 18. Approximately 75 guests attended the event held at the Clubhouse.

Our guest speaker, beekeeper Steve Demkowski (pictured here with Clare Ferry), shared an educational presentation about his passion (over the past 30 years) of learning and teaching about bees. The luncheon also included a fun ice breaker and bee themed games.

Complimentary mimosas greeted the guests as they entered the decorated yellow and black bee inspired Fairway room. A delicious vegetarian or non-vegetarian luncheon was created and served by Albert Salcedo and his staff. Pam Watson designed and created beautiful (bee friendly) centerpieces that adorned each table.

As a token of appreciation, the Montgomery Social Committee gave each guest an adorable bear bottle filled with locally crafted honey.

Sabrina Malcolmson took fabulous photographs of the luncheon. These photographs and more may be viewed on the bulletin board at the Montgomery Center in a charming collage, fashioned by Arlene Holmboe. Arlene also designed all the print material for the event.

A special afternoon of presentations, dining, chatting and meeting new neighbors and friends was enjoyed by all.

## Villages Dog Club Luncheon a big success

By Barbara Sunseri

Members holding the specialized gift baskets.

The Villages Dog Club would like to thank the members and the guests who attended our first annual Spring Fling Luncheon. It was a great success and after donations, ticket sales, and basket auction the total proceeds came to around \$3,000 toward our goal for a dog park in the Villages. The

Dog Club has submitted a project request for dog park on March 7, 2022.

The Dog Club has monthly activities and whether you have a dog or just love dogs, you are welcome to be a member. Our next activity will be a picnic on May 6 at 1 p.m. at Evergreen Park, behind the Senior Center. We will have games, and prizes. Bring your own lunch and beverage.

## Hiking Club: Human Impact of the War in Ukraine

The Villages Hiking Club is meeting at Vineyard Center on April 24, 2023 at 7:30 p.m. This month's program will focus on the human impact of the war in Ukraine. Two Hiking Club members are sharing their personal knowledge and experiences. Rose Eagan, retired from a teaching and sales career, traveled to Siedlice, Poland with Global Volunteers and spent a week working with Ukrainian refugees. Mira Dytko has a scientific background and has worked in high tech. She is a native of Ukraine and will be sharing her firsthand knowledge on the war's impact on friends and relatives.

The meeting is free and all Villagers are welcome. The program will commence after a brief business meeting and a break for socializing with snacks and beverages. Please note we're meeting at the Vineyard Center rather than the usual location.

## Walking/Chair Dancing may help lower dementia risk

A Harvard University study indicated cognitive decline and dementia may be prevented by walking regularly. The study found that people who walked 9,800 steps per day were 51 percent less likely to develop dementia, and those who walked 3800 steps daily saw a 25 percent drop in the risk of developing dementia. The Live Stronger and Longer Club's Walking/Chair Dancing class may be a great way to reduce your risk of cognitive decline and dementia.

In addition, by joining LSAL Fitness Club, you may help strengthen your heart and circulation and improve your overall health and mental well-being. LSAL Fitness Club features three great classes to help you grow your fitness level: two classes on Tuesdays and one on Thursdays. Tuesday classes are for **members only** and feature two sessions. The first session, held in the Cribari Conference Room 11 a.m. – 11:45 a.m., is a progressive, Higher Energy, moderate intensity class. Participants should be able to walk and move freely without mobility aids. The second class, held in the Cribari Conference Room 12 – 12:45 p.m., is an intermediate, high energy, variable intensity class appropriate for all fitness levels, including those who need to walk slower due to balance challenges. Thursday's class is held in the Cribari Auditorium 10 a.m. – 11 a.m. and is suitable for all fitness levels. **All visitors are invited to attend our Thursday class.**

## Sign up for Julie Cline's Yupo on Watercolor Workshop

By Barbara Gottesman

Using Yupo for Watercolor is a very different experience that can lead to some interesting paintings! Julie Cline is offering a "Yupo on Watercolor" workshop to Villagers on Saturday, April 15, beginning at 10 a.m. in the Art Room in Cribari Center. The fee is \$85 with a \$10 discount for VACA and EVA members.

Yupo is a waterproof, synthetic "paper." Therefore, watercolor paint sits on Yupo's smooth surface rather than soaking into it. Realistic depictions take on a wavy, impressionistic aura like this frog by Barb. Abstract designs are easily created by placing found objects in flowing paths of liquid watercolors applied using spray bottles or creating dams with strings or drawing water away from pigment using substances like cat litter.

Loss is minimal because a trip to the sink is all it takes to wash away an unsuccessful experiment and begin again with the same sheet of Yupo.

In a more permanent process, layers of color can be created using a clear sealer to create a second or third waterproof layer on top of the paint applied to the original Yupo base. Lifting pigment to create spaces for a more traditional painting within a loosely painted background is also possible.

Register by emailing [barb.gottesman@gmail.com](mailto:barb.gottesman@gmail.com) for this interesting workshop!

## Senior Academy: Exploring Mind and Consciousness

The human mind is an enigma, for sure, although less so to those who study and explore it. Now Senior Academy is presenting a two-part course on Exploring Mind and Consciousness to help us understand a bit about how the Mind functions.

This two-session course will explore the operation of the human mind, ranging from healthy mental activity to dementia. In part 1 we will explore some of the limits of consciousness and our own experiences, focusing on perception, attention, and awareness. We'll look at how the brain is different from computers and, conversely, how computers are becoming more like the brain.

We will build on this to develop a functional model of Mind to show the various kinds of mental activity that make up Consciousness and other mental experience, and how all these are interconnected and interrelated. We will build our model in part by looking at mental capacities from animals to early humans, to ourselves, to see how the functions of Mind have developed. We will also look briefly at some of the areas of the brain that implement certain features of Mind and Consciousness.

In part 2, we will use our functional Model of Mind to show how mental degradations develop with normal aging and how symptoms of dementia are differentiated from normal aging, including a discussion of the diagnosis of Mild Cognitive Impairment. We will look at how dementia impacts the functions of Consciousness, specifically at the impact of the three major categories of dementia—Alzheimer's Disease, Lewy-Body Dementia and Frontotemporal Dementia.

In a departure from most Senior Academy presentations, the two-part course will hold both sessions in the same week on Tuesday, April 24 and Thursday, April 26 from 2 p.m. to 4 p.m. in the Foothill Center. It will be taught by two Villagers: Frances Leili, Ph.D., a retired licensed clinical psychologist for 40 years whose most recent interest is in the diagnosis and treatment of dementia; and John Trudeau, Ph.D. in Transpersonal Psychology and who did research into functional brain imaging as related to mental activity and psychiatric symptoms.

We hope this course will provide a useful model of Mind and Consciousness to help in understanding your personal experiences and mental development. We will be providing important information about our aging minds and how we can recognize signs of dementia in ourselves and our loved ones and possibly avoid or delay onset of serious symptoms.

It is encouraged that attendees wear masks as covid is popping up more frequently in The Villages. Registration is recommended and may be arranged via our website at villagessa.org or by calling Susan Dooley at 408-528-8881. Be prepared to leave a voicemail message and spell your name(s), guest name(s), email address, and house number.

## CATHOLIC COMMUNITY

### 'Jesus Appears to the Apostles' (Jn 20:19-31)

By Sally Brandt

Do you ever take the words of the Gospel personally? I do, and sometimes feel the Word is speaking directly to me. I had that reaction when reflecting on a phrase in this Sunday's Gospel Reading. In John 20, after the resurrected Jesus appears to the apostles, saying to them, "Peace be with you!" And breathing on them, He says, "Receive the Holy Spirit. Whose sins you forgive are forgiven. Those you retain are retained."

That statement about forgiveness took my breath away. It echoed Mt. 6:14, "If you forgive those who sin against you, your heavenly Father will forgive you." I took it to heart, asking myself, "Is that true for me?" Do I have that power? The power to forgive or not forgive? Do I have that responsibility? As a confirmed Catholic (Oakland 1954) I'm afraid I do.

Forgiveness is part of the heart of Jesus' ministry. In His miracles He, the God-man, offers one person after another forgiveness, sometimes boldly as in the healing of the paralytic and sometimes gently as in the woman caught in adultery. Even on the cross, dying in agony, He asked forgiveness for those who were murdering Him.

In welcoming all, Jesus opens the door to forgiveness and healing for those he encounters. Jesus does not hold back. He forgives and offers a chance to start anew. Let us follow His example, asking for the grace to forgive others, to free ourselves from pettiness and bitterness and to experience the joy of walking closely with Jesus the Christ.

Lord, please help me to forgive freely. Release me from those grudges and hurts that gnaw away at the goodness you created in me. Make me whole again, freed to love you more deeply to follow in your way.

#### Five Thoughts on Old Age:

"Though outwardly we are wearing out, inwardly we are renewed day by day. Our suffering is light and temporary and is producing for us an eternal glory that is greater than anything we can imagine." (2 Cor 4:16-17)

"He (God) will renew your life and sustain you in your old age." (Ruth 4:15)

"I (God) will still be carrying you when you are old. Your hair will turn gray, and I will still carry you. I made you, and I will carry you to safety." (Isaiah 46:4)

"Wisdom belongs to the aged, and understanding to the old." (Job 12:12)

"The godly will flourish like palm trees and grow strong like the cedars of Lebanon... Even in old age they will still produce fruit; they will remain vital and green."

## COMMUNITY CHAPEL

### 'God is on your side'

By Pastor Bill Hayden

Life can sometimes have a way that makes us question whether God sees and cares about our personal being. Perhaps one of your parents was abusive, divorced, raised by a single parent or lived in foster care, which affected your self-worth. You may have grown up in a family where you were made to feel that you were not good enough or you were bullied by siblings and others. Yet, you kept hoping and moving forward to live the best way that you could. Life is very challenging and you learned how to survive by understanding that life isn't fair.

You may find some semblance of success in education, having a career, finding a mate of your dreams and raising a family. Then suddenly the curse of death visits a dear family friend and you are reminded that you can't take anything for granted. You learn that each day is a gift to be appreciated and to make each day count because tomorrow is not promised.

Many times, our ideas of what the "Good life" is doesn't take into account that life can turn upside down and we will need God's help to get through it. We may not see the "good" in having a relationship with Jesus Christ and being criticized by others as having a crutch. We may think there is no need for God's grace and provisions because most of our lives we have had to make the best out of what life brought our way. Over time, that belief can develop a subtle assumption that somehow, some way, money will be the savior. Then we fall into the trap of deciding what is right, good, important and valuable, until we are confronted with a death and separation of a loved one.

The menu of the "Good Life" is not written by us because we are not the Creator... we are the created. We assume that we know what is best for ourselves and lack the knowledge of the next day or the number of our days. God has provided us the "Good Life" through His Son, Jesus Christ. **John 10:10 NKJV** *The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.*

The Good Life is for the receiving... Do you have the Good Life?

Please join us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word and enjoy a cup of coffee and cookies with friends. *The chapel is a place for needs to be met, faith to be affirmed and new friends to embrace.* You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

## EPISCOPAL

### 'Love Wins'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

I have always loved an Easter egg hunt, and now that I have a new granddaughter taking her first steps and grabbling at every colorful thing, the egg-hunting stakes are higher than ever! I am as aware as any Christian of the pagan roots of Easter eggs (think fertility), and don't always appreciate how much it confuses the joyful message of the Resurrection of Jesus Christ. But the life that Spring heralds has always brought good news to people in multiple ways. And to the extent that the messages and the rituals of the season convey love—as a good Easter egg hunt does for children—they all point to the central truth of God's nature.

The cross and resurrection of Jesus Christ accomplished so much good for humanity. According to the multiple theologies of atonement held by the Christian church over millennia, it paid a debt for human sin, it freed us from spiritual bondage, it modeled the self-giving nature we are all called to, and it demonstrated that God's power for good is stronger than the most violent human power of evil. Christians have often argued in unseemly ways over which of these is the correct understanding of Jesus' purpose, while the rest of the world denies the Resurrection entirely. Myself, I think we can hold multiple understandings of Easter; trusting that the triumph of love over hatred may be the greatest miracle of all.

## SWINGERS

By Pat Smith

We had beautiful sun-filled skies for golf today, although the temperature was still a little chilly. It was so nice to see the emerald green of our course and hills after all the rain.

Judi Falarski

Congratulations to our three chip-in ladies. Linda Schlageter had a chip-in on Hole 5 and Betty Garcia had one on Hole 16. I know that Sue Bacigalupi was playing her first golf game after six months and she started off with a bang! She had a chip-in and a par on Hole 16 and another par on Hole 11. Welcome back, Sue!

Today was Captain's Trophy Day. Judi Falarski won on the Front 9 with

a net 33. On the back nine, Auralie Citrigno won with a net 30. Great golfing, ladies!

Twelve Swingers attended the SJCC Neuf Troux Exchange Day on April 4. The theme was the '80s and participants were encouraged to wear appropriate '80s attire. Most of the attendees showed up wearing bright neon colors, tie-dye, and, of course, leg warmers. Sally Nichols' team was in a two-way tie on the Front 9 and ended up in first place with a net 24! Wendy Ledamun's foursome was in a three-way tie on the back nine and ended up taking second place with a net 30! There was even a hula hoop contest. Jan Ehrhardt, Jeanne Duce, Delma Juarez, and Kay Gray showed off their moves!

Auralie Citrigno

I want to send a big thank you to the foursome that followed my group. They found the tee I had left on Hole 16 and asked the Marshall to deliver it to me. If you have not seen the tees I use, they are a little unique and I am very fond of them. Thank You!

## TENNIS TALK

Tennis Club Open House attendees.

Well the rains stayed away and the sun finally came out and the postponed Tennis Club Open House finally happened Tuesday, April 4. All Villagers were invited to experience meeting club members, trying out demo racquets with the ball machine and participating in the drills and thrills run by tennis pro Brett Foreman and his member helpers.

Villagers signed up for the club's Jump Start program that begins Tuesday, April 11 at 5 to 6 p.m. The Jump Start program is free and runs for 10 weeks run by Mike and Gail Tuft and their helpers. The program is for "rusties" to get back into the game and take advantage of our 6 beautiful tennis courts. Questions about the program email Sherry Benz at [sabenz@sbcglobal.net](mailto:sabenz@sbcglobal.net).

At the conclusion of the court activities, strawberry shortcake with whip cream was served and raffle prizes were given out to those who registered and held the lucky numbers.

For our next tennis club activity, mark your calendars and be sure to sign up for the Tennis Club's Scholarship events on **Saturday, April 29**.

The "handicap" Tournament starts at 8:30 a.m. You'll play with three different partners on 3 different courts. It sounds crazy, we know, and it's crazy good fun.

Following the crazy tennis tournament, there will be a catered Mexican Dinner that includes margaritas or beer and starts at 5:30 p.m. at Foothill. You'll meet and hear from the Silver Creek High Scholarship winners and have a chance at the now famous Wine Locker. The evening promises to be a lot of fun. So be sure to sign up for both events.

# MEN'S GOLF CLUB

By Doug Moore website, [villagesgolfers.com](http://villagesgolfers.com)

**Upcoming Events**—Hopefully all of the atmospheric disturbances we have realized over the past few months are finally coming to an end and allow the tournaments of 2023 to resume.

**2023 Men's 18 Hole Golf Club Member/ Member**—This has been rescheduled for May 12-14. Signups have started up again with the Pro Shop. Three-Day Match Play and Horserace among two-man teams. Catered lunch at Foothill Center Coffee/Donuts (three days).

**May 13 - Memorial Day Tournament** has been cancelled. We will reengage again next year.

**Men's 18 Hole Golf Club "Club Championship - Match Play"** This is just a heads up reminder...We want to make sure that all of you that are planning to participate in this year's event have enough advanced notice so that you may mark your calendars accordingly. This will be held September 16 through September 24, 2023. Play will be conducted over two consecutive weekends. Tee times will be assigned by the Pro Shop. Rescheduling tee times will not be permitted. This is always considered to be an "MGC Major." See you there!

**2023 Evergreen Invitational** - This year's event is scheduled for July 13-15. This is a MGC Major, so plan accordingly to be there for the fun and festivities! All of the planning and preparation for this event is coming along really well, and this promises to be one of the best ever! Also, should you know a club member who may be interested in helping out, please direct them to Bill Morefield, the Evergreen Chairman at [bill\\_morefield@yahoo.com](mailto:bill_morefield@yahoo.com). There are still a number of positions that remain to be filled and we would sincerely appreciate your help.

**Hole In One for March**—The air was clean and crisp, the day of March 18. The same could be said of the swing that **Rick Kuhle** applied to his golf ball. It flew straight and true toward the green of #11, where it landed on poana like a butterfly with sore feet, only to gently release and find its way to the bottom of the cup. Our only HIO for March! Good on you Rick... Nice shooting! If you see Rick out and about please be sure to congratulate him, no matter how jealous you may be.

Rick Kuhle

**Eagle Shooters for March!** It was still fairly wet in March, but these guys danced their way through the raindrops and made some magic happen. On March 3, on Hole #9, **Clay Wahlgren** dropped his ball in the cup on his third shot for an Eagle 2! Very cool, Clay!

Clay Wahlgren

This had to be an absolutely incredible shot, but March 11, **Ted Escobar** nailed his second attempt on #5 for an Eagle 2. He what... yes he did? We couldn't be happier for you, Ted! Way to go!

Ted Escobar

If I just got on in two I would want my picture taken. Just sayin'.

"I accidentally got an eagle on March 8 on hole #14, 130 yards with a 9 iron with Dimmick's group, two days after my 68th birthday and still celebrating!" I have seen **Lisi Bettencourt** play and he is as graceful with his 9 iron as he is double fisting two bells of chardonnay! You're awesome, buddy!

Lisi Bettencourt

**Age Shooter for March! "Mr. Automatic" Jim Valenti** lit it up big time on March 15 when he went lights out and documented an 85 on his scorecard. You're amazing, "Mr. Age Shooter" but we are not telling you anything you didn't already know. Don't ever stop.

Jim Valenti

**MGC E-mails**—Are you receiving notification emails from the Men's 18 Hole Golf Club? If not, there is a simple fix. You may have accidentally **unsubscribed**

from the scheduled emails. Please just let me know if you think you are one of those and I will send you an email to reconfirm you and get you back on track.

**Executive Committee Meeting:** The Men's Golf Club Executive Committee meets the first Tuesday of the month at 8:30 a.m. in the **Montgomery Center**. The next meeting will be May 2, 2023.

Also, remember to visit our website at [villagesgolfers.com](http://villagesgolfers.com) for the latest Men's Golf Club information. **Kyle Finley** does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

# PINSEEKERS

By Jim White

What an amazing day for golf on April 6. The weather was fine, the fairways and greens were better than they have been for the last several months. It is always a surprise that the course can get back to its magnificence with just a few days of nice weather. The downside, for us high handicappers, is we cannot blame the condition of the course for our shots in the ponds, the traps, or in the rough. As I tend to say when someone asks me, "What is your handicap?", my usual response is, "Me!"

Once again, our top leading scorers finished the day with net scores at or below par. At the top, with his lowest round as a Pinseeker, our newest member, Choo Kim scored a net 33. Choo gets four Championship points and \$4 in sweeps. In a tie for second, Don Lee and Jim White, with net 34s, earned three Championship points and \$3 in sweeps. Chuck Benjamin recorded a net 36, claiming two Champion points and \$2 in sweeps. Rounding out our leader board was another tie. In fourth place, Mike Falarski and Lee Thompson each receive one Champion point and \$1 in sweeps.

Reminder—get your tee time bookings made early. If you haven't booked a time by the Wednesday before we play, we may lose one of our five tee times. Also, our bylaws state that members may bring guests only on dates chosen by the board. History shows that there once was a monthly, "guest" day but that has not been active since before COVID. If we want to reactivate that event, we should plan to add that to our annual membership meeting in June.

Don't forget to keep it in the short grass, some of us are not as skilled at that as others; and, have fun.

For those golfers who enter the fairway early, just after the tee box, we stress that you should please use the Cart Enter Gates located at the start of each fairway. Then proceed down the fairway from shot to shot avoiding driving in the rough as much as possible. For those who hit it longer off the tee and who do not enter the fairway early, remember that it is always okay to use the cart path until you are parallel with your ball, and then enter the fairway using the 90-degree rule staying on the cart path until you reach your drive. Then proceed down the fairway from shot to shot avoiding driving in the rough as much as possible. At the green, please remember to not drive your cart past the 30-foot Yellow Lines in front of each green, and to never drive inside the perimeter of the greenside bunkers or on the greenside slopes. When exiting the hole, please use the Exit Gates located at the end of each hole and stay on the cart path until you reach the next tee box. Let us know if you have any questions. Thank you for your cooperation!

## Tips from the Pro – Five Reasons Why Practice is Good

I find it ironic when giving a lesson to an avid golfer and I ask them if they ever practice, and nine times out of ten, the answer is “no”. I need to let that person know that practice will

help, it always does, but the key is to make that practice count. I will say this – do not expect to improve if you do not practice – unless you are playing four or more times per week, at that rate of play you can learn a lot and improve also.

### So here are 5 good reasons to practice:

**1. Self awareness** – the only way to learn about yourself and your tendencies is off the course when the focus is not on score. For instance, when you practice, make lots of full swings and see where the club brushes the ground most of the time so you can learn your swing radius and predict ball contact more effectively. When hitting balls determine your natural ball flight – is it left to right or right to left – once determined you can apply that knowledge on the course where it matters.

**2. Confidence** – what goes on between the ears matters in golf as much as the physical act of golfing. Your mind can either lead you in the right direction or send you spiraling. Practice will help you attain success. Repeated success results in confidence. And then that confidence in turn leads to more repeated success. The first aspect to this matrix is practice.

**3. Yardages** – golf is a game of managing distance and direction. Practice will help you understand your game better. The more you practice, the better you know your clubs and your limitations. That leads to proper decision making on the golf course which leads to lower scores. So the next time you hit balls, always aim at a target and always pay attention to how far your ball goes.

**4. Check & Roll** – if you practice your short game properly, you should use the same golf ball that you use on the golf course. This will help you understand your game and how your ball reacts when you chip and pitch. Every short game shot has an element of check and roll, and it's necessary to be able to predict how much your ball will check and how much it will roll. For instance, we tested a Titleist ProV1 versus a Titleist Velocity, and on the same mid-length pitch, the Velocity rolled and average of 7 feet more than the ProV1. Practice can result in interesting and useful data, if you pay attention.

**5. Repeat-Repeat-Repeat** – we all know that the best way to become good at something is to do it often. Golf is no different. So in order to become a good golfer, one needs to golf often. That means playing golf, and also practicing golf by hitting balls, chipping, pitching, hitting bunker shots and putting; all of this done in small increments can make huge differences. Spending 20 minutes pitching and chipping will do wonders for your shorts game, and help you learn a lot about yourself in the process. Spend 10 minutes putting with only one ball. Spend five minutes in the backyard swinging and learn where the club brushes the ground relative to your stance. All of these small additions to your golf routine will result in major improvements over time. To sign up for a lesson with me, email [sssteel@the-villages.com](mailto:sssteel@the-villages.com)

## 18-HOLE WOMEN

By Reine Fedor

At last a beautiful day for golf and a hearty welcome back to Patty Hayes who entertained us with her joke of the day last week.

And a big thank you to Monica and Susie Q for the Bunker Rules seminar they presented for us after lunch. It was most helpful and we look forward to learning more from them in the future.

April's Captain's Trophy winner is Holly Magowan, shooting a net 64 and Vicki Krattli had only 28 putts to win low putts.

Don't forget to sign up on Chelsea for the "Beat The Pro" tournament on April 20. It's always fun to compete against our Pro using our well-earned handicaps!

The Handicap Tournament is coming in May. The qualifying Tournament was moved back to April 27 but the Tournament itself begins May 11, 18 and 25. With this less intimidating Handicap format you compete against players in your own handicap range.

If you are in the Handicap tournament and cannot play on the regular Thursday, there is an option to find a compatible day for you and your opponent to complete your match before the upcoming Thursday playday.

If you do not want to participate in the tournament but want to follow the field, that option is available as well. Just sign up via Chelsea and post your own score. Any questions? Call Vicki Krattli.

Birdies were made by Vicki Krattli on #9 and 14, Helen Varenkamp on #1, 2, 9, 18, Monica Saneholtz #11, Annie Bassford on #6 and 9, Cindy Fuller #5, Janis LeCompte on #7, Susie Daughtrey on #7, Bev Poellot on #6, Mary Wagle on #15 and Sylvia Rozewicz on #11.

Chip-ins were made by Gloria Landry on #2, Janis LeCompte on #18 and Bev Poellot on #6 and 10.

April Captain's Trophy winner Holly Magowan with James Rogers and Low Putts winner Vickie Krattli.

## SHONIS

By Betty Hall

Our first Tuesday of April last week was a crisp sunny day. 19 Shonis showed up for our daily sweeps and our monthly Captain's Trophy.

One of our co-captains, Marty Blinde, got our only birdie last week on Hole #4. Good job, Marty.

Pictured with her two trophies is Joyce Baptiste. She captured the crystal net trophy with a net 21. And she will be sharing the trophy for gross with Jini Kang (not pictured) for their scores of 36. They each get two weeks of the trophy until May's game.

Also pictured is one of our recently qualified Shonis, Lesley Robinson. She was awarded our newcomer trophy for her net 18. This trophy is awarded for a low net to a Shoni who doesn't have 20 games yet but had a great game.

This week we are playing the Annual Shoni/Swing-mixer. It's our year to host. There are nine foursomes playing the Par 3 course and then we will enjoy lunch while giving out the awards and prizes. More info about the winners next week.

Newcomer Trophy winner Lesley Robinson

Captain's Trophy co-winner Joyce Baptiste

## Ron Burke Memorial Golf Tournament

Join us for 18 holes of golf on the championship course, two best ball format, to celebrate the life and times of Ron Burke. Men from the #3/#4 combo tees, women from the #2 tees.

Ron has been missed tremendously, and this is a way to further celebrate his contributions to the golf community at The Villages and beyond.

After golf, gather in The Bistro for cocktails and/or food.

Sign up by contacting Mary Wagle, marylwagle@gmail.com, or 408-829-4021 talk or text – provide either your name and house number for residents or your name, GHIN number, and handicap index for non-residents. Sign up as a single or a foursome. The only cost is for your greens fees/cart fees.

## PICKLEBALL

### 'What?! That's a rule?'

By Joyce Kludt

"I didn't know that was a rule!" Well, yes it is. It's just not as common as the rules we're more familiar with. Here are a few different rules you may or may not be aware of.

**1. Player Equipment Problem:** Rally continues if a player loses or breaks a paddle or loses an item, unless the action results in a fault.

**2. Items on the Court:** If any item a player is/was wearing or carrying lands on their end of the court, (unless the item lands in the Kitchen as a result of a volley), the ball remains in play even if it hits the item.

**3. Double Hits:** Balls can be hit twice, but this must occur during an unintentional, continuous single-direction stroke by one player. If the stroke made while performing the serve or during a rally is deliberately not continuous or not in a single direction, or the ball is struck by a second player...it is a fault! Sorry, that was quite wordy!

**4. Switching Hands:** You may switch your paddle from hand to hand at any time. (I've tried and it never works for me! But other people are masters at it!)

**5. Two-handed Shots:** Holding the paddle with two hands is allowed.

**6. Missed Shot:** If a player completely misses a ball when attempting to strike (Yes, I've done that), it does not create a dead ball. The ball remains in play until it bounces twice or until any other fault occurs. (Partner to the rescue.)

Well, that's it for now. There will be more "other" rules covered in upcoming articles.

Have a wonderful, hopefully very sunny week, PB friends!

## IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen have now begun their morning play, gathering every Thursday morning at 10 a.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Thursday, April 6, 2023, was sunny and warm, a great day for some golf.

We were pleased to announce and to welcome a new member, Jay Deimling.

Fifteen Ironmen played on freshly aerated and sanded greens, so the two-putt rule was in effect, hence the unusually low scores.

**Third place** was shared by Prakash Deshmukh, Doug Herring and Lee Thompson with net 26s. **Second place** went to Jerry Juracich with a net 24. And **first place** was shared by Bob Lapidus and Bill Travis with net 22s.

The day's only **birdie** was sunk by Prakash Deshmukh on hole 4.

**Closest to the flag** on hole 7 was won by Victor Hong at 9 feet 7 inches.

**Low gross** of 30 was shared by three golfers: Doug Herring, Sang Nam and Bill Travis.

**Golfer of the Day** recognition was shared by: Bill Travis with a first place finish and low gross, Doug Herring with a third place finish and a low gross, and Prakash Deshmukh with a third place finish and a birdie.

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

**Deep Thoughts:**

On being asked before the final round what he needed to shoot to win the tournament – The rest of the field." - Roger Maltbie, PGA Tour & TV Commentator

"My favorite shots are the practice swing and the conceded putt. The rest can never be mastered." – Lord Robertson of Port Ellen, UK Politician

## Golf Cart Yellow Lines Initiative

As part of the Villages continuing Culture of Care initiative for our 18-Hole golf course, in January of 2023 we began the installation of yellow ground paint lines in front of the green complexes to clearly define the 30-foot golf cart restriction area at each green as prescribed in Golf Rule 1.14 Section 8-J:

8-J. Carts are to be kept on the cart path around all green complexes and teeing grounds. Carts must be kept a minimum of 30-feet from the green apron and are not permitted within the perimeter of greenside bunkers.

The golf course yellow lines

The yellow lines will take the place of stakes and ropes and serve as a visual reference point defining where golf carts cannot advance any closer to the green apron according to the 30-foot perimeter mandate in Rule 1.14, Section 8-J.

The former use of stakes and ropes for this purpose proved to be a challenge due to the following factors: Visually and aesthetically unappealing - Unsightly

Physical hindrance to golf shots - Formed an obstruction for advancing golf balls

Labor intensive - stakes and ropes were constantly moved, removed, and knocked down

Expense - the cost of attaining enough stakes and rope for each hole is very high

**The yellow ground lines will serve as a better option than stakes and roping for the following reasons:** Less Obtrusive - yellow ground lines will not create an above ground obstruction to golf shots approaching the green

Aesthetically Subtle - yellow ground lines will be more visually appealing than above ground stakes and roping

Permanence - yellow ground lines cannot be moved, knocked over or completely removed

**It is important for the condition of the green complexes and associated turf to keep cart traffic a minimum of 30-feet from each green apron and outside the perimeter of the greenside bunkers. Cart traffic allowed too close to the greens damages turf, creates unsightly tire ruts and results in unfavorable playing conditions as the turf becomes thin, compacted, compressed and, in some cases, permanently damaged.**

*Did You Know?*

***Golfer who trained at Villages now on PGA Tour***

If you have been watching the PGA Tour this year you might have recognized a familiar name on the leaderboards: The Villages' own Justin Suh. For four years, Justin called The Villages his home course while playing No. 1 for Evergreen Valley High School. Consistently a dominant player, Justin won the regional Central Coast Section championship in 2014 and 2015 and won the statewide California Interscholastic Federation high school championship in 2014. The EVHS boys' golf team placed first in its league for three of the four years that Justin competed.

After his high school graduation in 2015, Justin bid farewell to The Villages and moved down to Los Angeles to play golf for USC. His success continued as he became a two-time PING First-Team All-American selection in 2018 and 2019 and snagged Pac-12 Golfer of the Year in 2018. While playing for USC, Justin maintained the No. 1 position in amateur world rankings for 26 consecutive weeks.

In 2019, Justin graduated from USC and turned professional. He went on to win the 2022 Korn Ferry Tour Championship and ranked No. 1 in the season-long points race, earning Korn Ferry Tour Player of the Year. After this phenomenal showing, he gained his PGA Tour card.

Justin's older sister Hannah Suh also had great success playing for EVHS at The Villages, winning the CCS championship in both 2010 and 2011 as well as the Northern California championship in 2010. She played college golf for Cal and qualified for the 2013 U.S. Women's Open.

The EVHS boys' and girls' golf teams have been fortunate to call The Villages home since 2009. They've collectively won an impressive 11 Blossom Valley Athletic League seasons during this time. Students, teachers, and visitors alike can admire the many victory banners adorning the walls of the school's main gym.

Coach Bradley Hanson, Coach Dave Kettmann and all the young EVHS golfers continue to be grateful for the incredible support from The Villages community and staff.

**“The Light We Carry: Overcoming in Uncertain Times” by Michelle Obama.** There may be no tidy solutions to life's big challenges, but Michelle Obama believes that we can all locate and lean on a set of tools to help us better navigate change and remain steady. She opens a frank and honest dialogue, considering the questions many of us wrestle with: How do we build enduring and honest relationships? How can we discover strength and community inside our differences? What tools do we use to address feelings of self-doubt or helplessness? What do we do when it all starts to feel like too much? Michelle Obama offers readers a series of fresh stories and insightful reflections on change, challenge, and power, including her belief that when we light up for others, we can illuminate the richness and potential of the world around us, discovering deeper truths and new pathways for progress. Drawing from her experiences, she shares the habits and principles she has developed to successfully adapt to change and overcome various obstacles—the earned wisdom that helps her continue to “become.” She details her most valuable practices like “starting kind,” “going high,” and assembling a “kitchen table” of trusted friends and mentors. With trademark humor, candor, and compassion, she also explores issues connected to race, gender, and visibility, encouraging readers to work through fear, find strength in community, and live with boldness. 158.1, Personal Improvement and Analysis, 2022.

**“A World of Curiosities” (Chief Inspector Armand Gamache #18) by Louise Penny.** It's spring and Three Pines is reemerging after the harsh winter. But not everything buried should come alive again. Not everything lying dormant should reemerge. But something has. As the villagers prepare for a special celebration, Armand Gamache and Jean-Guy Beauvoir find themselves increasingly worried. A young man and woman have reappeared in the Sûreté du Québec investigators' lives after many years. The two were young children when their troubled mother was murdered, leaving them damaged, shattered. Now they've arrived in the village of Three Pines. Gamache and Beauvoir's memories of that tragic case come rushing back. Have those terrible wounds, buried for decades, festered, and are they now about to erupt? As Chief Inspector Gamache works to uncover answers, his alarm grows when a letter written by a long-dead stonemason is discovered. In it, the man describes his terror when bricking up an attic room somewhere in the village. When the room is found, the villagers decide to open it and the villagers discover a world of curiosities. But there's more in that room than meets the eye. There are puzzles within puzzles, and hidden messages warning of mayhem and revenge. In unsealing that room, an old enemy is released into their lives. And into the very heart of Armand Gamache's home. Mystery, 2022.

**“The Book Woman's Daughter” (The Book Woman of Troublesome Creek #2) by Kim Michele Richardson.** In the ruggedness of the beautiful Kentucky mountains, Honey Lovett has always known that the old ways can make a hard life harder. As the daughter of the famed blue-skinned, Troublesome Creek packhorse librarian, Honey and her family have been hiding from the law all her life. But when her mother and father are imprisoned, Honey realizes she must fight to stay free, or risk being sent away for good. Picking up her mother's old packhorse library route, Honey begins to deliver books to the remote hollers of Appalachia. Honey is looking to prove that she doesn't need anyone telling her how to survive, but the route can be treacherous, and some folks aren't as keen to let a woman pave her own way. If Honey wants to bring the freedom that books provide to the families who need it most, she's going to have to fight for her place, and along the way, learn that the extraordinary women who run the hills and hollers can make all the difference in the world. Fiction, 2022.

## Your Weekly Words of Wisdom

When you take your shoes off, leave all the problems of the world on the floor with them.  
Have no fear, they'll return to you when you put your shoes back on.

## Slice of Humor

There was one lad in Ms.Crabapple's class who really struggled to learn. One day she asked him who signed the Declaration of Independence, and of course he didn't know.

She asked him every day for a week but he still couldn't come up with the right answer. Finally, at wit's end, she called the boy's father to a conference at the school.

She began the conference saying, "Your boy won't tell me who signed the Declaration of Independence."

The father nodded and turned to his son, "Look here, boy. Now if you signed that stupid thing, just admit it so we can end this and get out of here!"

#### I just found out I have a secret weapon in the mortgage business.

Do you remember 2 weeks ago I told you that mortgage interest rates were 7.0%? I got that number by Googling "mortgage interest rates today". That is what Google showed as the average 30 year fix mortgage interest rate for that day. A day later I heard that mortgage interest rates went down. I again Googled mortgage rates and again, Google said rates were 7.0%. This did not make sense. I called my mortgage broker that has been doing mortgages loans in the Villages for years. He knows how to get around anything that comes up with a borrower and especially with the intricacies with the Villages. He told me he is putting a new Villagers into a 30 yr. Fix loans at 5.87% with 1% point cost. This is fantastic! I asked him why the big difference in his rates vs Googles rates. He told me that he shops for the lenders with the best rates and that the Bank lending is more expensive. I just found out I have a secret weapon in the lending business. Call me and I will share him with you.

#### Homes started moving when the sun came out.

Sure enough, the sun came out and so did the buyers. Our Cribari Villa did not show well in the rain and cloudy skies. It is hard to comfortably show a home when the buyers are wet and miserably cold. This showed in the lack of buyers out looking, several weeks ago. With the sun, they have come back out. Home sales are moving again. The number of pending sales show that homes, if priced correctly, sell quickly. Even my rentals have been rented up in a matter of days.

**Inflation hits remodeling. From materials to labor, all has risen.** The bright spot is that you can usually get most appliances pretty quickly now, but the cost of these items and the labor to get them installed has risen by 22% compared to last year. It now pays to purchase a previously remodeled home. Well done to those who remodeled prior to 2020, but who knew?
