Operating Financial Commentary for the Month of March 2023

Club Operating Statement Review

For the month of March 2023

Total revenue was \$107,900 (9 percent) unfavorable to the budget of \$1,210,800. The most significant unfavorable to budget revenue category was green fees with a negative budget variance of \$46,200, or 38 percent lower than budget (actual \$75,900 vs. budget of \$122,100). The rainy weather also had a negative impact on all other golf-related revenue categories such as merchandise sales, driving range income, golf cart rentals and golf lessons. Food and bar sales combined for a negative budget variance of \$44,700 (16 percent), mostly in the banquet sales category. The budget assumed banquet sales would be close to pre-pandemic activity for the period of March through June.

Total expenses were \$45,900 favorable to budget, or 4 percent less than the budget of \$1,195,600. The most significant favorable to budget expense category was employee expenses, with a positive variance of \$36,000, or 5 percent (actual \$744,500 vs. budget of \$780,500). Other notable favorable to budget expense categories for the month were as follows: 1) cost of sales (actual \$84,800 vs. budget of \$105,100) on lower sales volume, 2) Comcast expense (actual \$84,100 vs. budget of \$92,400) due to new contract less than budget, and 3) planting expenses (actual \$300 vs. budget of \$8,000). Highlights of unfavorable to budget expense categories were the following: 1) tree trimming (actual \$23,300 vs. budget of \$11,700) due to timing on the golf course, 2) repair and maintenance (actual \$37,300 vs. budget of \$33,300) with higher than planned expenses at Cribari Center and Vineyard/Foothill pools, and 3) gas/electricity expenses (actual \$40,300 vs. budget of \$32,800) mostly at the Clubhouse and Vineyard pool.

The net negative operating budget variance for the month of March was \$62,000. See table below.

I do have a golf suggestion for some of the slower players like me. I am now in my 80s and don't hit the ball as far as I used to. So, our group has begun playing from the #2 tees. We really enjoy being able to try to play bogie golf or better. We don't always succeed but find the game far more enjoyable because we can realize our goals. And we play much faster, saving at least one shot on most holes (except the par-threes). Usually finishing in less than four hours unless we are held up by slower groups. I suggest you try the #2 tees at least once and see if you enjoy the game more.

—Don Fernandez

Our recently appointed City Council Member Domingo Candelas, on his second visit to The Villages in just three weeks, hosted the Senior Scam Stopper Town Hall on April 14. Our State Senator Dave Cortese, State Assembly Member Ash Kalra and our Santa Clara County District Attorney Jeff Rosen all took time out of their busy schedules to offer their insights and help related to this ever-present problem. And yet, I was disappointed to see that Villager attendance was rather low.

Very useful information was provided by the DA's office, the California Department of Insurance and the Contractors State License Board, and I look forward to seeing the promised resource contact information in or accompanying a future "The Villager."

While we all think we will not fall for a scam, I am sure many of us know of someone who has been a victim. Awareness of the latest scams helps us all and the above organizations and are available to provide support.

—Mary Stradner

Dear fellow Villagers,

I am writing on behalf of the performing arts clubs in the Villages. Since the pandemic, there has been a significant reduction in the size of the audiences for various performances. All these clubs have expenses that are required for them to perform for you. The only way they can meet these expenses is through ticket sales. Because of the low audience participation, these expenses are not being met. If you value the performing arts in The Villages and wish them to continue I encourage you to support the club or clubs of your choice by a reasonable yearly donation and/or purchasing tickets for your favorite events and if you chose not to attend, consider that part of your support for the performing arts in the Villages.

Thank you

—Nelson Frick, member of VAT

I am suggesting that Villages think of non-residents who are not members anyway, charging a guest rate. We are always concerned to keep HOA costs low. Our amenities, which we pay for, shouldn't be used as freebies. For example now they require a dining membership at Silver Creek. Thanks.

Club Board President's Message—April 25, 2023

Hello, Villagers! Warmer days have arrived with everything in bloom as we emerge from one of the coldest winter seasons I can recall in the Bay Area. Our hillsides remain a verdant green, framing The Villages property with a lush and striking spring backdrop. While moving about The Villages over the past few weeks, it appears that every aspect of the property is alive with activity, including all four swimming pools being open. Each amenity venue is bustling and busy with Villagers enjoying healthy physical activity plus the fellowship of friends and neighbors. The season of open-air events at Gazebo Park has begun and seems there is fun for all!

We learned recently that there was a change in FHA Rules, which put The Villages at risk for HUD/FHA reverse mortgage and refinance loans. While most of the heavy lifting to straighten this out was borne by Julia Meadows, it did require the Presidents' Council—the CBOD and ABOD Presidents and Vice Presidents—to work together to make important, yet crisp changes to the CBOD-ABOD Management Agreement and have them approved by an attorney. What was most miraculous about this situation is that all this great work was accomplished within the time frame of one working week plus it was a demonstration of tremendous partnership and good will between the Club and Association Boards.

Three Directors of the Club Board were invited to attend the 2023 Presidents' Council event of the Club Leadership Alliance with our General Manager, Theresa Ostrander. An experience designed for Private Club Presidents, Board Members, General Managers, and Executive Level Team Members. The theme of the conference was "The Club of the Future—Today" and covered several fascinating topics all relevant to The Villages Golf and Country Club, most especially attributes of High Performing Clubs & Best Practices. More on the outcomes from this exciting event in future discussions and messages.

I'd like to thank the Club Board Nominating Committee members for their time and dedicated service and for presenting us with three candidates for this year's Club Board election process. Election season gets underway next week. A quick reminder that any additional candidates wishing to come forward may do so by filing an application with the Club Board Secretary, Bob Krattli, no later than 5 p.m. on May 1.

April is Volunteer Month and The Villages is hosting its own volunteer recognition event on Friday, April 28, at 3 p.m. in the Fairway Room of the Clubhouse. So many functions of The Villages run on its own virtual army of volunteers, which numbers close to 700 individual members who choose to donate their time, energy, and experience to contribute to so many worthwhile opportunities to give back. It's one of the most gratifying aspects of The Villages, of how Villagers are regularly helping Villagers.

(Continued on page 13)

Volunteer Recognition Reception this Friday!

The Club, Association and Homeowners' Boards of Directors cordially invite Villages volunteers to the annual Volunteer Recognition Reception to be held Friday, April 28 at the Villages Clubhouse at 3 p.m.

Association President's Report—April 25, 2023

Welcome to the April 2023 Villages Association Board Regular Monthly Meeting. In March, the Association faced an unusual challenge when the Federal Housing Administration (FHA) denied a routine renewal of our suitability for their loans. FHA loans are used by potential buyers at the Villages or by current owners that want to refinance or get a reverse mortgage. The FHA required a change to the Management Agreement between the Association and the Club Boards. Working closely with Julia Meadows, the two boards were able to quickly respond and amend the agreement to meet those requirements. I am happy to report that the FHA has now accepted our renewal application and their loans are available again to purchasers at The Villages. Much thanks to Julia and the Club Board for their quick and collaborative support in overcoming this challenge!

This month the Association Board finalizes our Budget for Fiscal Year 2024. You can read the details in this month's General Manager's report and the Final Draft of the Budget report. Both will be posted on the Resident Portal and will be coming in your individual Disclosure Packets coming out in late May or early June. As in recent years, the Association's HOA fees are going up driven by many factors that are out of our control, like the cost of water, the cost of insurance, and higher labor rates.

What is the Association Board doing about these increased costs? We continue to look hard at reducing our usage of water, competitive bidding, minimizing our insurance claims, reducing our exposure to wildfire risk, and considering alternative materials for big ticket items like roofing. We have put in place major programs to improve our fire safety and landscaping design to lower long term water usage and reduce water costs. We have put in place policies to carry out preventative maintenance to reduce cost of ownership, and inspections to assure that repair and replacement work is done when it is needed, not according to a rigid schedule. The Villages has added a Reserves Specialist to look deeper into our reserves planning process and funding to optimize the Association Board's Reserve Plan.

Almost exactly a year ago the Association Board began the process to update our CC&Rs—one of our governing documents. Many parts had fallen behind in compliance with state law, and other improvements were needed for the benefit of all members. The first attempt was not successful, but the Board got a lot of valuable feedback—which we have adopted in this amendment ballot process. For example, the Board itself already approved about half of the recommended changes that didn't require a member vote. For the remainder we have improved the wording of areas that were confusing, and we will explain each change much more carefully this time. There will be a series of Villager articles and a Town Hall to answer any remaining questions before the ballots go out.

This week we celebrate the many volunteers in the Villages. So many people step forward to volunteer their time for the benefit of their friends and neighbors by serving on the many boards, committees, and service organizations and making The Villages such an outstanding vibrant community. We want to celebrate you all, so please come to the Volunteers Recognition Reception, this Friday, 3 p.m., at the Clubhouse.

Best regards,

—David Cook, Villages Association President

Because of the multiple reviews and revisions, the proposed policies drafts are presented in their proposed revision format.

The proposed changes are as follows:

TITLE: Assessments, Charges and Fees POLICY NUMBER: CPO 302

OBJECTIVE: Set forth policy and procedural guidelines for collection of member assessments, charges and fees.

GOVERNING DOCUMENTS / LEGAL REQUIREMENTS: VGCC Amended Bylaws of June 2006 Sections 8.2.2 through 8.2.5

California Civil Code, Corporation Code, Association and Homeowners Corporation Bylaws and CC&Rs.

POLICY: The Club Board shall levy assessments against the members sufficient to perform the Club Board's obligations. Assessments levied by the Association and Homeowner Boards from their respective members shall be collected by the Club Board as Managing Agent.

Delinquent assessment payments are subject to the Association and Homeowner Boards' Collection and Delinquency Policies and the non-judicial foreclosure provisions of California Civil Code §5730.

The Club Board may set fees and charges for use of facilities and services and for disciplinary actions. Fees and charges to members are collected by the Club.

PROCEDURAL GUIDELINES: This document sets forth guidelines to be followed by Management regarding the charges for use of facilities and services, collection procedures, and related disciplinary actions.

1. Fees and Charges in General. The Club Board of Directors establishes fees and charges for use of facilities, activities, and services and disciplinary actions. Such charges are payable during intervals as the Club Management shall designate. It is the intent of the Club Board not to charge fees for the use of Villages facilities for all-resident events as defined by the Community Activities Office and approved by the Club Board, except in the case of groups which are the sole users of a Villages asset, including but not limited to the golf course, the stables, and the RV lot. The annual Schedule of Fees and Charges will be posted on The Villages website. Hard copy can be obtained from the office in Building B.

2. Golf Funding. Golf operations funding requirements shall be met by setting golfing operations revenue and per unit assessment funding targets each year. Resident greens fees in effect on the date of the special Member Club Tournaments, defined by the CBOD, shall be the authorized greens fee charged for resident and guest participants for tournaments held in that calendar year.

3. Exclusive-use Groups, such as Stables and RV Lot. The estimate of net operating expenses and reserves, repairs, and enhancements for the coming fiscal year, including prior year budget variances, shall be paid by the members of the group.

4. Obligation to Pay Charges. Each charge is an obligation of the member/resident at the time it is incurred or billed. A member/owner is responsible for payment of any charges incurred by an occupant of the member's villa/home or guest of an occupant of the member's villa/home.

5. Due Date/Delinquency Date for Payment of Charges. A charge billed to a member/resident is due and payable on the date specified by Club Management. A payment is delinquent if not received 30 days after it becomes due.

6. Late Charges/Interest. A charge, or any portion thereof, that is delinquent shall incur a late charge set annually by the Club Board. Beginning 30 days after the charge becomes due, the entire unpaid balance shall bear interest at a rate set annually by the Club Board. The late charge and interest rate are contained in the annual Schedule of Fees and Charges which can be found on the Villages website, or a copy obtained from Building A or B.

7. Collection Expenses. Any costs and fees incurred to process and collect delinquent amounts, including, without limitation, late and interest charges, charges for preparation of delinquency notices or referral for collection, postage and copies, and attorney's fees and costs, shall become an additional charge against the member/resident and shall be subject to collection action pursuant to this policy.

8. Application of Payments. Payments shall be applied first to the principal owed, then to interest and collection charges.

9. Initial Delinquency Notice. Once a charge, or any portion thereof, has become delinquent, the member/resident shall receive an initial delinquency notice stating all amounts past due and any known collection charges imposed as of the date of the initial notice. The initial notice may be in the form of a letter, monthly statement, past due notice, or any other form of written notice from the Club or its designated agent.

10. Not a Member in Good Standing. A member who is delinquent in the payment of any amount due the Club, as evidenced by an initial delinquency notice, shall be automatically deemed to be "Not a Member in Good Standing", upon which the member/resident and all occupants of the member/resident's villa/home shall lose the following membership privileges: point-of-sale charges to their home account, use of the golf courses, assignment of vehicle bar-codes, attendance at Club sponsored trips, events and activities, recreational vehicle storage assignment, stables assignment, voting, and other privileges that may be designated by the Club Board. The member privileges shall not be restored to "Member in Good Standing" status until all delinquent amounts and associated interest and collection charges have been paid in full.

11. Collection Process. If a member/resident account remains unpaid for 30 days after it is due the Club Board or its designated agent may, at its sole discretion any time, thereafter, initiate collection by bringing an action in Small Claims Court or Superior Court, or by referral of the account to collection agency.

12. Dishonored Checks. A charge per check shall be imposed if the Club or its agent receives a check/electronic payment dishonored by the bank for any reason. The amount of the charge is contained in the annual Schedule of Fees and Charges. The Club may also seek damages in accordance with California Civil Code §1719.

13. Payment Agreements. The Club Board assigns the General Manager the responsibility of being its designated agent in the administration of any payment agreements to satisfy the settlement of delinquent assessment and fees owed. The designee, acting for the Club Board, may enter into a written payment agreement with the member for periodic partial payments on the balance of the assessment account, in amounts and on a payment, schedule agreed to by the designee. The agreement shall include payment of accruing assessments, and late charges shall not accrue so long as the member is complying with the terms of the Agreement. The Club has no obligation to enter into such an agreement, and any agreement entered with the member shall be reasonable and for the sole purpose of assuring the best interests of the Club are served. The payment agreement shall be in writing and a provision shall be included, which states that failure to meet any term of the agreement shall give the Club Board the right to immediately continue the collection process without further notice to the member.

14. Dispute of Charges. A member/resident may dispute the amount stated in the initial notice of delinquency by submitting to the Club Board a written explanation of the reasons for disputing the amount. A telephone call will not reserve any rights. If the Club Board receives the owner's written statement within 15 days of the postmark of the initial notice of delinquency, the Club Board shall respond in writing to the member/resident. The member/resident is required to provide the following information regarding any dispute:

- The member/resident's name, mailing address, and account number.
- The exact dollar amount claimed to be in dispute or in error.
- For each charge or payment in dispute, an explanation of the reasons for the member/resident believes there is an error, with sufficient detail such as dates, names, and check numbers, so that the dispute may be investigated. If the member/resident does know how the error was made, that statement may be made.
- Copies of checks, letters or other documents referred to or claimed should accompany the written explanation.

15. Address of the Club and Club Board of Directors. Members/residents should respond in writing or make payments to the address directed by the designated agent. If no address is given, correspondence should be mailed to the Club at the following address:

Board of Directors
The Villages Golf and Country Club
c/o General Manager
5000 Cribari Lane
San Jose, CA 95135

Unless another address is given by the Club or its designated agent, the address noted above may be used for overnight payments.

16. Sufficiency of Notice. Except for notice that under California law must be sent by certified mail, notice is sufficient if either hand delivered to member/resident address or mailed first class, postage prepaid, to the member/resident at the address on file with the Club at the time of notice.

OBJECTIVE: Provide guidelines for managing the Club’s invested assets. The VGCC Board of Directors will oversee the investment portfolio of the Club in a conservative prudent manner.

GOVERNING DOCUMENTS / LEGAL REQUIREMENTS: Club Bylaws Sections 8.1.8 and 8.2.6

POLICY: The portfolio shall be invested with the objective of long-term growth of assets and protection of capital. With this long-term objective in mind, the portfolio shall be invested to provide safety through diversification in a portfolio including common stocks, bonds, cash equivalents, and alternative investments, all of which may reflect varying rates of return. The investments shall also be diversified within asset classes (e.g., equities shall be diversified by economic sector, industry, quality, and size). Portfolio diversification provides protection against a single security or class of securities having a disproportionate impact on aggregate performance. There will be liquid assets at the beginning of each fiscal year to fund planned reserve fund expenditures.

FIDUCIARY RESPONSIBILITY: There is a Fiduciary Responsibility for long term replacement of the Villages Club facilities which can benefit from the compounding of higher returns to reduce the ultimate cost. The target for return on portfolio investments will be at least equal to actual and/or forecasted inflation as measured by the California Construction Price Index (CCPI). If possible, after considering safety, liquidity, and purchasing power, the funds should secure additional (real) income.

INVESTMENT CONSULTANT: The Board of Directors will commit to an Investment Consultant to manage the day-to-day investment program.

The Consultant will perform the following:

1. Create Investment Policy Statements for CBOD and ABOD approval.
2. Perform Asset Allocation Modeling
3. Portfolio Implementation and Monitoring
4. Maintain a VGCC Investment Portfolio Dashboard with comparison to like organizations

The CBOD will evaluate the performance of the Consultant annually at the beginning of the calendar year and take any action necessary regarding the Consultant’s services.

INVESTMENT ACCOUNTS: Investment accounts may be established with commercial banks, brokers, and the Federal Reserve. These institutions will not have any discretionary power. Performance of the financial institutions carrying the Club’s Reserves Portfolio Accounts should be evaluated at regular intervals.

SEGREGATION OF INVESTMENT ACCOUNTS: Separate Investment accounts will be maintained for the VGCC Corporations as follows:

1. The Villages Golf and Country Club Reserve and Capital Funds
2. The Villages Association Replacement Reserve Funds
3. The Villages Homeowners’ Corporation (Estates Reserve) funds

MANAGEMENT: The Club Board of Directors has the authority and responsibility to hire and fire the Investment Consultant. Routine portfolio management is the responsibility of the General Manager. The CBOD grants the General Manager the authority to delegate management of the Investment Consultant to a senior staff member with co-fiduciary responsibility.

As needed the Investment Consultant and/or General Manager or the designated senior staff member, will request review and agreement from the appropriate Board members or Committee for specific investment actions contrary to the approved Investment Policy Statements.

TITLE: Delegation of Authority & Procurement POLICY NUMBER: CPo 308

OBJECTIVE: Establish limits of authority for commitment of Club funds and outline purchasing procedures, including requirements for multiple bids. Club policy and procedures shall ensure that qualified suppliers and contractors have a fair and equitable opportunity to meet the needs of the Villages. This policy sets forth guidelines, limitations, and procedures for the purchase of supplies, materials, equipment, and services for the Villages Golf and Country Club.

GOVERNING DOCUMENTS / LEGAL REQUIREMENTS / LIMITATIONS: Club Bylaws Section 8.1.2, 8.1.12

POLICY: VGCC will conduct financial and procurement functions efficiently, effectively, and in full compliance with all federal and state laws, and VGCC policies, and procedures. The CBOD’s authority to contract for all goods and services is delegated to the General Manager as set forth in this policy and to those employees to whom the General Manager delegates that responsibility. Club Board President's Message...

(Continued from page 3)

We are completing the FY24 budget process this week. All Three Boards and The Villages Management Team have expended many hours working through and collaborating on several iterations of budget planning. Truth is that assessments will be going up now that we've moved beyond the COVID dip and have been experiencing uncomfortable and record-breaking inflation. The Club Board and Villages Management will be employing every possible method or means to hold down costs through competitive bidding processes to accomplish the upcoming work that is planned in our reserves.

As always, the Club Board appreciates hearing the views and ideas of Villagers and we commit to continue to listen to you and address your questions with our "Ask the CBOD" communications channel. We encourage you to write to us! We have a couple of messages in the queue and will be publishing responses soon in *The Villager*.

Finally, we are very happy to continue our positive engagement with the hard-working Villages Senior Staff, and most importantly with our General Manager, Theresa Ostrander. Congratulations to Theresa on her six-month anniversary at The Villages! The Club Board recognizes the heavy workload you and your staff are carrying and appreciate the extra efforts and highest levels of professionalism exhibited by the entire team. Thank you, Theresa, and Team, for your support of the Club Board and all you do for The Villages!

—Leslie Lambert, Villages Golf & Country Club President

Register in Building B by Friday, May 5. Minimum registration has not been met!

Last day to take survey on classes!

Friday, April 28 is the last day to help guide our class programming! We would like feedback on the type and scheduling of classes we offer and what factors are most important to you when choosing to register. What are your interests? What days and times of the week are best? What criteria do you use when choosing a class?

The online survey is available through the following link: surveymonkeys.com/r/NW5D8NS. We also have paper copies in Building B. The survey should take you less than 10 minutes (it is shorter than the previous survey).

To avoid duplicate entries, we are asking that only one survey per household be submitted. For your survey to be considered complete you must go through all the survey pages. We hope to hear from as many households as possible, even if they have never attended any of our programs before!

Sign up for Fleet Week trip in SF Bay!

All aboard for the amazing aviation acrobatics of Fleet Week! Sign up for this trip taking place Sunday, October 8 on the U.S.S. Potomac, San Francisco Bay. We will depart from the Cribari East Parking Lot at 10 a.m. with an estimated return time of 7:30 p.m. Registration begins Monday, May 1 and ends Friday, May 19 or sooner if tickets sell out.

Why are we registering so early? Much like many things these days, the tickets became significantly more expensive than the last time we were able to go on this trip. This could be because our venue had a change in directorship, or the cost of fuel and running a historic vessel increased, or other factors. Because we were uncertain of resident response to the new price, we have arranged an early deadline so we will not be held responsible for the ticket price if the trip does not reach the minimum. We hope it does!

Fleet Week takes place in San Francisco every October and began in 1981 to celebrate America's sea services. San Francisco Fleet Week is now recognized by the United States Department of Defense as the model for fleet weeks across the country. The Air Show takes place between the Golden Gate Bridge and Alcatraz and is headlined by The U.S. Navy Blue Angels and United 777, the only commercial airliner in the United States to perform a fully choreographed act. In past years the Blue Angels flew right overhead of us!

Where will you be viewing all this action? You will experience all this aboard the historically preserved U.S.S. Potomac, known as President Franklin Delano Roosevelt's "Floating White House." Built in 1934, this vessel gave the president a place to get away from the cares of governing during the Great Depression and World War II. The Port of Oakland spearheaded a cooperative multi-million-dollar effort to restore the Potomac, which is now a National Historic Landmark and active memorial to Franklin Delano Roosevelt.

A catered box lunch will be provided on the boat with beer, wine, and other beverages available. We will arrive before boarding time, participants can choose to view the 15-minute video describing the history of the Potomac in the Visitors Center, explore the shops and sights at Jack London Square, or both.

Vessels on the Bay can roll and pitch unexpectedly, flat-soled shoes are required. The Bay is often 20 degrees cooler than the shore, so dress accordingly. Because the Potomac is a historically preserved vessel, it does not comply with current facility access standards. More information is available in Building B for those who are mobility impaired.

Activity Level: Light Activity (sitting and walking around boat)

The cost per person is \$311 and includes ticket, lunch, escort, and round-trip transportation. Gratuity for driver is included in the price, additional tipping is at your discretion. Join us for the amazing spectacle!

Join us for day at Golden Gate Fields

On Saturday, June 10, join us for a day at Golden Gate Fields, Northern California's only remaining thoroughbred racetrack, set on 225 acres overlooking the San Francisco Bay. Experience this view from the fabulous Turf Club, situated at the top of the grandstand, where you will be given a Champagne Welcome. The three-hour all you can eat multi-stationed buffet of California-inspired cuisine comes with a non-alcoholic beverage of your choice and an all-day coffee station. A full-service bar with cocktails and more is available for individual purchases.

The cost per person of \$202 includes admission, buffet, escort, and round-trip transportation.

We will depart from Cribari East Parking Lot at 10:30 a.m. return at approximately 7:30 p.m.

Our visit includes a daily racing program for each participant and screens at every table for close-up viewing of the racing action. Golden Gate Fields encourages contactless wagering; you can download their betting app at www.1st.com/bet/golden-gate-fields. Limited live tellers and self-service wagering machines will be available to place bets.

The dress code is derby themed attire, which means collared shirts, dresses, skirts, and dress slacks preferred (no torn denim, athletic shorts, sweatpants, t-shirts, windbreakers, flip flops, tank tops, baseball caps, or visors). Please remember to dress for Bay Area weather.

Activity Level: Light Activity (stairs/elevator to top floor, possible jumping when you win!)

Gratuity for driver and buffet servers is included in price, additional tipping is at your discretion.

Register in Building B during business hours. Registration ends Friday, May 5 or sooner if tickets sell out. Race on down to register so you aren't jockeying for an open space! **Please note:** this is not the same trip as the Golden Gate Park trip on May 24.

Opera Lovers to present 'Il Trovatore'

On the first Thursday of the month—May 4 at 1:30 p.m. in Foothill Center—Opera Lovers will present “Il Trovatore” by Giuseppe Verdi. This presentation is free and open to all Villagers.

Verdi’s “Il Trovatore” has some of the most rousing choruses (for example, “Anvil Chorus” in Part 2) and arias in any of his operas, a complex and dark plot, and four very demanding lead roles for exceptional singers. This Metropolitan Opera production provides an excellent cast: Eva Marton (whom we saw last year in “Tosca” and “Turandot”) as Leonora; Dolora Zajick as Azucena, one of her signature roles; the always amazing Luciano Pavarotti as Manrico; and one of the all-time great Verdi baritones, Sherrill Milnes. The plot includes witchcraft, murder and vengeance, but the music soars throughout—one unforgettable aria is Manrico’s “Di quella pira” to look out for in Part 3. The total run time is 133 minutes.

We look forward to welcoming you on May 4. For more information, call Mary Stradner at 408-887-3293 or visit VillagesMusicSociety.org. In case you find the room temperature to be cool, we suggest you bring a sweater for comfort.

Please note that we will be taking our usual summer break in June-August and look forward to returning in September, most probably with Mozart’s funny and entertaining “The Marriage of Figaro.”

Senior Academy’s Technology Explorers: Cybersecurity 2023 update

It also protects individuals in their daily lives. Join our Senior Academy’s Technology Explorers meeting, via Zoom, on Monday, May 1 at 1:30 p.m., to hear experts discuss the importance of cybersecurity and cyber safety.

The panel of experts includes someone with a long career in military intelligence and cyber operations and is now the director of the Cybersecurity and Infrastructure Security Agency (CISA) in the Biden Administration. Famed golf coach to speak at VMFSC luncheon

On Tuesday, May 2, Mark Gale, the retired San Jose State University golf coach for 19 seasons, and coach of professional golfers Patty Sheehan and Juli Inkster, will be the speaker at the Villages Men’s Fun Social Club.

Mark was the first coach in NCAA history to lead a program to three Division 1 women’s golf team championships. The Spartans were one of the sport’s dominant teams of the era. From 1987 through 1997, San Jose State was no lower than sixth at the NCAA Championships and he has seven members on the current LPGA tour. His coaching benefitted from his earlier 26 years as an officer and pilot in the Air Force. He flew 61 missions during the Viet Nam war and after retiring from the Air Force, he became the women’s golf coach, applying his own military standards.

His standards for player recruitment were strict. The scores of junior golfers play a part, but more important is how far a player can hit it. A women golfer’s drive must typically travel 200 yards, and a 5-iron must carry 160 yards. Gale said we can teach them the short game and course management but you can’t be a pro or top college player without being able to hit it a long way.

When he started, San Jose State had just one and a half women’s golf scholarships. They now have six scholarships but his recruiting budget of \$1000 still paled in comparison to other top women’s golfing colleges.

We are fortunate to have had several successful coaches talk to our group this year. Plan on attending this luncheon and hearing Mark’s successes with the Spartans golf team. Lunch reservations are required per the computer system referenced in the monthly Social Club newsletter.

Guests are invited to attend and should arrive at the Clubhouse about 12:30.

Senior Academy: Learn about Stanford’s Cantor Arts Center and Anderson Collection

What does it take for a body of art to be deemed “a collection of collections”? It must be world class and exhibit depth and breadth. Fortunately for us, it can be found right here in the Bay Area at the Cantor Arts Center and the Anderson Collection on the Stanford University Campus.

The Cantor Arts Center was founded by a private family dedicated to building an outstanding collection. Named in 1999 for its founders Iris and Gerald Cantor, it spans 5,000 years and included more than 38,000 works of art from around the globe.

Harry W. and Mary Margaret Anderson also have assembled one of the most extraordinary private collections of 20th century art that brings together East and West Coast artists including Alexander Calder, Morris Louis, Jackson Pollock, Auguste Rodin, David Smith and Clyfford, still with an emphasis on Bay Area art.

This course will explore highlights from both collections and explore the impetus and differing approaches each took in building and maintaining their respective collections.

Diane Levinson, a returning art appreciation presenter, is an artist, art instructor and arts advocate. She received her B.A. in Sculpture from the State University of New York and her MFA from San Jose State University. During her career, she taught art and art history at several Bay Area high schools and colleges.

This two session course will be offered Tuesdays at 2 p.m. in Vineyard Center on May 2 and in Foothill Center on May 9. You may register for it at villagessa.org or by calling Diane Taylor at 408-912-5594. Be prepared to leave your first and last name, email address, the name and date of the event and your house number.

Afternoon Bingo to return May 3!

There is even more fun and winning to be had... Afternoon Bingo will be back on May 3. All money paid to purchase cards is returned to the players. Cards are \$1 each or six for \$5. (Now that’s a deal!)

Piano Open Studio to present Maytime Concert

Piano Open Studio will present its free Maytime Concert on Sunday, May 14 at 2:30 p.m. in Cribari Auditorium. Surprises in our matinee program will have us springing on air. You will also be invited to the Post Concert Reception in the (CCR) Cribari Conference Room for refreshments, photos, and camaraderie.

Join Walking/Chair Dancing for improved endurance

Physical endurance is the ability of the body to perform tasks and activities without getting tired. Poor endurance means that one may have the strength to get up from a chair but not the endurance to perform the activities of daily living repeatedly. According to researchers, endurance capacity began to decline at age 35, setting the condition for respiratory, heart disease, weak muscles and bones, and other chronic health conditions. Walking/Chair Dancing has been proven to reduce stress hormones, increase relaxation, and build endurance to maintain independence and high quality of life. Join LSAL Fitness Club and protect your body and improve your health.

LSAL Fitness Club features three great classes to help you grow your fitness level: two classes on Tuesdays and one on Thursdays. Tuesday classes are for **members only** and feature two sessions. The first session, held in the Cribari Conference Room 11 a.m. – 11:45 a.m., is a progressive, Higher Energy, moderate intensity class. Participants should be able to walk and move freely without mobility aids. The second class, held in the Cribari Conference Room 12 – 12:45 p.m., is an intermediate, high energy, variable intensity class appropriate for all fitness levels, including those who need to walk slower due to balance challenges. Thursday's class is held in the Cribari Auditorium 10 a.m. – 11 a.m. and is suitable for all fitness levels. **All visitors are invited to attend our Thursday class.**

Rooftop solar numbers are in

By Maxine Amundson, Sustainable Villages Community

We are moving toward more sustainable energy usage by the increase in the number of rooftop solar installations. There are 73 Association Homeowners and 49 Single Family Homeowners who have solar panels for a total of 122 roof tops to date. The first install was in the Heights in 2013. All Villages now have rooftop solar except Cribari and Montgomery. The percentages are 22 percent of Single-Family Homeowners and 3 percent of Association Homeowners and overall 5 percent of Villagers have solar panels.

The Sustainable Villages Community (sustainablevillages.vgcc.club) is available to answer general questions that you may have about rooftop solar. We look forward to sharing our information. Contact us at drmaxa@comcast.net or 408-425-0614.

Art Film: 'Painting the Modern Garden: Monet to Matisse'

By Roz Zinns

On Tuesday, May 9 at 2:30 p.m. in the Cribari Conference Room, The Villages Arts and Crafts Association will present "Painting the Modern Garden: Monet to Matisse." For many great artists the garden has long been considered a desirable subject for the expression of color, light and atmosphere.

Claude Monet is perhaps the most well-known painter of gardens but other greats such as Pissarro, Matisse and Sargent all viewed the garden as a meaningful focus on their talents. This film takes us from the gallery to the gardens, to Giverny and other glorious grounds. We will see how early 20th Century artists designed and cultivated their own gardens.

Running time is 93 minutes. Come enjoy the flowers and the creativity. All Villagers and guests are welcome to attend this free showing.

“The Palace Papers: Inside the House of Windsor – The Truth and the Turmoil” by Tina Brown. The gripping inside story of the British royal family’s battle to overcome the dramas of the Diana years—only to confront new, 21st-century crises. “Never again” became Queen Elizabeth II’s mantra shortly after Princess Diana’s tragic death. More specifically, there could never be “another Diana”—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown’s “The Diana Chronicles” left off, “The Palace Papers” reveals how the royal family reinvented itself after the traumatic years when Diana’s blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last 25 years. We see the Queen’s stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles’ determination to make Camilla Parker Bowles his wife, the tension between William and Harry on “different paths,” the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan’s stunning decision to step back as senior royals. Despite the fragile monarchy’s best efforts, “never again” seems fast approaching. 941.08. The House of Windsor, 2022.

“Tom Clancy Red Winter” (Jack Ryan #34) by Marc Cameron. It’s 1985 and a top secret F117 aircraft crashes into the Nevada desert. The Nighthawk is the most advanced fighting machine in the world and the Soviets will do anything to get their hands on its secrets. In East Berlin, a mysterious figure contacts the CIA with an incredible offer—invaluable details of his government’s espionage plans in return for asylum. It’s an offer they can’t pass up...if it’s genuine, but the risks are too great to blindly stumble into a deal. With the East German secret police closing in, someone will have to go to behind the Berlin Wall to investigate the potential defector. It’s a job Deputy Director James Greer can only trust to one man—Jack Ryan. Ryan is a former Marine and a brilliant CIA analyst who’s been the architect of some of the CIA’s biggest coups but this time he’s in enemy territory with a professional assassin on his tail. Can he get the right answers before the Cold War turns into a Red Winter? Fiction and Large Print, 2022.

“Peach Blossom Spring” by Melissa Fu. It is 1938 in China and, as a young wife, Meilin’s future is bright. But with the Japanese army approaching, Meilin and her 4-year-old son, Renshu, are forced to flee their home. Relying on little but their wits and a beautifully illustrated hand scroll, filled with ancient fables that offer solace and wisdom, they must travel through a ravaged country, seeking refuge. Years later, Renshu has settled in America as Henry Dao. Though his daughter is desperate to understand her heritage, he refuses to talk about his childhood. How can he keep his family safe in this new land when the weight of his history threatens to drag them down? Yet how can Lily learn who she is if she can never know her family’s story? Spanning continents and generations, “Peach Blossom Spring” is a bold and moving look at the history of modern China, told through the story of one family. It’s about the power of our past, the hope for a better future, and the haunting question: What would it mean to finally be home? Fiction, 2022.

Sustainable Villages Community hosts Brett Walter

By Maxine Amundson, Sustainable Villages Community

The Sustainable Villages Community recently hosted a presentation from Brett Walter, founder of CAN – Climate Action NOW. He discussed this mobile app as a way to quickly and meaningfully let legislators know our desire to reduce the carbon footprint, and support the efforts to curtail and stop harmful practices. Additionally, after you take a certain number of actions, one of their sponsoring organizations will plant a tree. Trees are nature’s vacuum cleaner that consume 12 percent of the earth’s carbon emissions today. More trees, more carbon pollution removed from the atmosphere.

The Sustainable Villages Community meets monthly and welcomes you to learn more how we can make a difference at sustainablevillagescommunity.org

COMMUNITY CHAPEL

Villages Community Chapel welcomes new Minister of Music, Mark Fish

The Villages Community Chapel is very happy to welcome our new Minister of Music, Mark Fish. Mark has replaced former director, Susan Ahlgrimm, who passed away in the fall, and Interim Choir Director, Ginger Smith. Mark has a strong background in both instrumental music and choral conducting, having formerly served as a Choir Director in local public schools and most recently at the Community United Methodist Church in Half Moon Bay. Mark's primary musical instrument is the viola and he will occasionally be enriching our Chapel Music Program with his string music and that of his students.

You are invited to attend Community Chapel service on Sunday mornings in Cribari Auditorium at 10 a.m. to hear the choir's rich new sound. In addition, you are welcome to join us to add your voice as we sing to praise the Lord. Choir rehearsals are on Thursday afternoons from 3:30 to 4:45 p.m. Contact the Chapel Office at (408) 238-3079 for exact location.

'Quest for Peace'

By Pastor Bill Hayden

It's not hard to see that we are living in a very troubled world. People seem to have lost their way in pursuit of finding peace for their souls in this maze called, "Life." There isn't a day that goes by that we discover that people are misbehaving at elementary schools, neighborhood stores, sports arenas, on airlines and even at the White House.

Are you afraid and confused by the waves and continual turbulence that God sovereignly allows to disrupt your life? Have you left no stone of your faith unturned and yet have not found the well of peace, joy or comfort? As you survey your life, does it seem completely barren to you? Are you praying and trusting God because He knows your future?

If we are honest, there are times in our lives when the idea of peace is based upon our own ignorance. When we are awakened to the realities of living in a broken world, true inner peace is impossible unless it comes from the Prince of Peace, Jesus Christ. When the Lord speaks, His words are always spirit and life, reviving our souls. **John 6:63 NKJV** "It is the Spirit who gives life; the flesh profits nothing. The words that I speak to you are spirit, and they are life."

Reflecting upon Him and His words shows that you are pursuing a relationship with Him and are exhibiting the freedom to turn your mind to Him. When you don't have a relationship with Him, you will always turn your mind on yourself and true peace will elude you.

Historically, people will pursue many alternatives to find peace. Recently, there has been an interest in the pursuit of artificial intelligence to develop a spiritual relationship with man. Imagine a man-made idol to worship that speaks back to you... Lord SIRI, give me a blessing! We have been created by the God of Eternity for the purpose of living with peace in His eternal presence.

Now, regarding the problem that is pressing upon you today, are you looking unto Jesus the author and finisher of your faith? If so, He will be a gracious blessing of peace exhibited in and through you to give others hope. On the other hand, if you only try to worry your way out of the problem, you will hinder His effectiveness in you.

Peace is not the absence of conflict; peace is in the assurance that Christ is present. **John 14:27 ESV** "Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid."

'Good Shepherd' (Jn 10:1)

By Sally Brandt

Did you memorize the Twenty-third Psalm, the one that begins, "The Lord is my shepherd..." as a child? Can you still recite it? Give it a try! At the end of this column, I printed the most popular translation in use when we were young. See how well you can do.

Why do I ask? It's because the theme of next Sunday's Mass readings and sermon will be the Good Shepherd. The Scriptures will be drawn from both Old and New Testament verses that refer to God as a "shepherd." While Psalm 23 is the best remembered example of this theme, other examples are scattered through both Old and New Testaments, for example, Sunday's Gospel, Jn 10:1-10. In it, Jesus identifies Himself as the "true" shepherd and his followers as sheep. He reveals that His followers will recognize him, and won't be fooled by false shepherds. He also refers to Himself as a sheep gate through which those who follow him will pass and be saved. "Whoever

EPISCOPAL

'Her Own Counsel'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

She was the most unlikely of saints, Catherine of Siena. In the midst of great turmoil in medieval Europe—the bubonic plague, a divided papacy, and little respect for the public leadership of women—she founded a monastery, wrote to and exhorted leaders, became a respected ambassador for popes and advocate for greater piety as a means to reconciliation. All the while continuing to follow her visions of Christ, preferring isolation, and practicing ascetic disciplines. She died at age 33, likely due to health issues caused by her extreme fasting.

The Episcopal Church honors her as a saint this week, which leads me to consider how she might be an example for me and for Christians in our day. In the midst of a culture of busy-ness and multi-tasking, Catherine's singularity of purpose is compelling. Her biographers wrote that she started to have mystical visions at a very young age, and at age 7, vowed to give her whole life to God. Predictably, her family was not impressed, and made many attempts to guide her onto the more typical path of marriage and family. But she would have none of it, preferring to give away her food and clothing and serve the poor from her quarters in the family home. Eventually her devotion so impressed the local church leadership that she began the many political missions that characterized her adult ministry. Against all odds, Catherine kept her own counsel, and the medieval church was the better for listening to her.

PINSEEKERS

By Jim White

A message to Pinseekers from Lee Thompson: *A couple of things about our No Sweeps – 8 a.m. Shotgun start - lunch get together scheduled for May 5 (Cinco de Mayo):*

1. Chelsea is fixed so that you can now actually sign up for a tee time as a Pinseeker. We have tee slots for 13B -14A - 14B - 15A - 15B.

2. The lunchtime get-together is a social event and an opportunity for a club-wide discussion before our annual meeting in June. You will be responsible for ordering and paying for your own lunch. We have the section of the restaurant next to the kitchen reserved for us.

3. We are planning to have a birdie pool competition for our play that day (someone will be near the driving range collecting \$1 buy-ins from around 7:35 to 7:50). If there are no Birdies, we will use the money to buy golf balls or other SWAG to be randomly distributed at the noon get together. Participation will be entirely voluntary.

Again, a reminder that our Friday morning start times will return to 8 a.m. beginning on May 5. We will not be playing on May 12, June 23, and July 14.

April 21 was another superb day for golf. With the recent stretch of dry weather, the fairways and greens are in excellent condition, although much more roll out on the fairway shots and much quicker green speed. The low net score for the day was Dick Henderson with a net 31; second place was Martin Hoek at net 33; third place was Don Lee at net 34; and fourth place was Choo Kim, carding a net 35. Giving an “Honorable Mention” to Chuck Benjamin and Bob Herbst who, while not in the money, finished the day at Net 36. A strong day with 20 percent of our players finishing at net par or better.

Finally, another quote from Ben Hogan: “Golf is not a game of good shots. It’s a game of bad shots.”

18-HOLE WOMEN

By Reine Fedor

Our “Beat the Pro” Day was a showdown between two person teams of 18 Holers who used their net scores for 18 holes to try to best the very skilled team of two scratch golfers, Scott Steele and James Rogers. The men represented the Villages Pro Shop for our traditional competition. This tournament was the responsibility of our two chair people, Betty Sharps and Kathy Kyne...thanks ladies!

The results were very impressive. The Pros beat every single 18 Hole team except one—the team of Monica Saneholtz and Gloria Landry with a net score of 61! Scott said this year’s victory helped balance the score from last year when the Pro Shop was not quite so victorious!

To add to the victories, Annie also hit the only chip-in of the day on # 15! Congratulations to all the golfers.

James told us that he would be playing in the PGA Open Golf Invitational Entrance Game on April 26. We wish him well in that competition as well.

We welcome new member from the Swingers, Jini Kang. Jini shares a joint membership with us and the Shoni Golf Group. She lives in Village Olivas.

We are approaching our series of Big Tournaments for the summer. Starting with the Handicap in May and the Invitational in June. More and more golfers are showing up on the practice greens and driving range. Have fun and enjoy the challenge and new friends.

Plaids & Pars in the Highlands

There has been a plethora of beautiful but breezy Tuesdays for golf. This week was no different as Betty Garcia had a chip-in on Hole #12 and Donna Quartaro had one on Hole #14. Linda Piersol rounds out our trio of winners with a birdie on Hole #4. Not only did she get a birdie on Tuesday, but she also had another birdie the Friday of the week before on the same hole! Wonderful job, ladies! There were no sweeps this Tuesday.

This year’s WNHGA’s Corena Green Tournament for Junior Girls will be held on July 31 at the beautiful Oakdale Golf & Country Club located in Oakdale. Last year we sponsored six girls who take golf lessons with Tim Flanagan. If you know of any young girls between the ages of 8 and 17 who might enjoy competing, contact Wendy Ledamun for additional information.

Don’t forget to sign up for our “Plaids and Pars in the Highlands” Invitational by May 12. Breakfast, lunch, and prizes are included in the registration fee. Twenty-three clubs have been invited.

After a particularly poor round, a golfer spotted a lake as he walked despondently away. He looked at his caddie and said, “I’ve played so badly all day, I think I’m going to drown myself in that lake.” The caddie, quick as a flash, replied, “I’m not sure you could keep your head down that long.”

Club members will be standing by during this session to guide and coach you in the rules and skills needed to have fun and get that all important safe workout. Contact Tony Berg, Novice Coordinator (anthonyberg@gmail.com) for more information—or just turn up on Friday!

Bocce Friday Bash

Join us on Friday, May 5, 2023, from 3 to 5 p.m., for a Cinco De Mayo fiesta at our weekly bash. Everyone is welcome, you needn’t be a member to attend. Bring along your favorite beverage and a Cinco de Mayo snack to share (optional). Please remember, be fair and share if you want to eat.

SHONIS

By Betty Hall

New Shonis (left to right): Lesley Robinson, Manoli Kelly, MaryAnn Haggerty, Sabrina Malcolmson, and Jan Trusso.

Our Tuesday golf on April 18 was cool but sunny. No wind and—hurrah—no rain. The Shonis have assumed the Bandini task for the Par 3 course along with fixing the pitch marks. What am I talking about? In April the Bandini Patrol restarted repairing the tee box divots on the 18-hole course. The Shonis will now be assuming this role on the Par 3 on Tuesdays along with repairing any ball or pitch marks on the greens. Rotating through our members and doing our part to keep the

Par 3 in great playing condition.

We have now finished qualifying our most recent seven new members, and are in the process of requalifying two more new Shonis. Our newest Shonis (pictured) are Lesley Robinson, Manoli Kelly, MaryAnn Haggerty, Sabrina Malcolmson, and Jan Trusso. Missing from the picture are Celia Schiffner and Karen Rooney. We're very appreciative of their energy and enthusiasm.

We also say goodbye to our Co-captain, Bonnie Evans as she is dividing her time between here and the desert. In her place, we have elevated Joyce Baptiste to the co-captain position shared with Marty Blinde.

PICKLEBALL

By Anahid Gregg

The Pickleball Club had its first Club tournament last weekend (April 22), which was a roaring success! Tournament directors Sherry Benz and Michelle McQuay put together a new type of event, a Double Double Switch tournament.

The day was perfect – upper 70s and no wind, we couldn't have asked for better weather! Each player played a total of six games, partnering with five different players and rotating. Sherry made up score cards that made it simple (luckily!). Scoring was handled as follows:

- Total games won were added up
- Tie breakers among those who finished with the most wins was decided by calculating how many points each individual gave up.

As you can see below, the scores were extremely close!

Several people commented how much fun it was meeting new people and making new friends. Many games went into extra play where the teams were well balanced.

As this format ranks individuals – not teams – our overall winner was Tim McQuay, closely followed by Peter Conk and Mark Gregg. Complete score sheets are on our website.

Our thoughts are with Joyce Kludt who had a fall, we hope she are back on the courts soon!

Tournament directors Sherry Benz and Michelle McQuay

Name	Total Games Won	Total Points Given Up
Tim McQuay	5	26
Peter Conk	5	30
Mark Gregg	5	33
Michelle McQuay	5	40
Alex Shtarker	4	35
Steve Kang	4	42
Lindsay Cairns	4	50
Haibo Wang	4	51

TENNIS TALK

By Wendy Ferguson

The upcoming Scholarship Tournament and Dinner on April 29 promises to be the event of the year. Well with the exception of winning the lottery, or betting a buck on the Kentucky Derby winner. The tournament is a crazy mixed up affair using handicap (horses again) scoring to even out play and an added bonus of a new partner every round. And there are prizes to boot. Well, you won't get the winning lottery ticket or win the daily double, whatever that is. Also a Mexican themed dinner, Wine Locker, and Scholarship winners cap off a wonderful day of Scholarship events. Castanets not included. (See info box on page 23.)

This year the Scholarship Committee will award four scholarships of \$4,000 to deserving seniors at Silver Creek. Now that's a winning ticket. Also, every year we are honored to award the Annual M.A. Sridhar Scholarship. M.A. loved tennis, was an integral part of our Tennis Club, and used his technical expertise to create our website. Where does all this money come from if not a race horse you ask? The Scholarship Committee raises funds through donations, either celebratory or honorary, and by hosting the Scholarship Tournament and Dinner. Just think of it, if you can remember, honor your friend who has everything and is lucky enough to be turning 70 years old (or any age for that matter) with a donation to the Scholarship in his or her name. Hopefully they will remember your kindness and generosity and thank you profusely.

Now we're talking age, eh? The Kentucky Derby is 148 years old and the Scholarship is a mere 19 years, but we've had much more fun in sunny San Jose hosting the high school tennis players at The Villages. The young tennis teams travel here to play our women (in the fall, see photo) and men (spring). Get ready to hold on to your hats as the mighty SC boys will be here on Wednesday, May 3 at 3 p.m. to battle against our very seasoned, savvy, and cerebral men. Come on down to the courts to cheer for our mighty men and watch the young boys zip all over the courts, and the men? Well they hold their own with finesse, craftiness, and swagger while sucking on a bottle of Vitameatavegamin.

Speaking of traveling, Villages tennis players and cheerleaders drove north to Rossmore and had a good time, to say the least. We go there in the spring and they come here in the fall. Sadly, we did not bring home the trophy nor a Derby blue ribbon, but the matches were neck and neck (horses again), and fun was had by all. The Villagers who played should stand tall as the score ended up tied 12 sets to 12 sets with Rossmore winning the the most games 108 to 105. Over the 50+ years this rivalry has existed, we have won the trophy 34 times, and Rossmore has won 24 times, with six ties. There's always a delicious lunch after the tournament – an added bonus to ease any broken hearts and calm the savage soul. Sadly, no Vitameatavegamin, however.

The Villages' Golf Cart Yellow Lines Initiative

As part of the Villages continuing Culture of Care initiative for our 18-Hole golf course, in January of 2023 we began the installation of yellow ground paint lines in front of the green complexes to clearly define the 30-foot golf cart restriction area at each green as prescribed in Golf Rule 1.14 Section 8-J:

The golf course yellow lines

8-J. Carts are to be kept on the cart path around all green complexes and teeing grounds. Carts must be kept a minimum of 30-feet from the green apron and are not permitted within the perimeter of greenside bunkers.

The yellow lines will take the place of stakes and ropes and serve as a visual reference point defining where golf carts cannot advance any closer to the green apron according to the 30-foot perimeter mandate in Rule 1.14, Section 8-J.

The former use of stakes and ropes for this purpose proved to be a challenge due to the following factors: Visually and aesthetically unappealing - Unsightly

Physical hindrance to golf shots – Formed an obstruction for advancing golf balls

Labor intensive – stakes and ropes were constantly moved, removed, and knocked down

Expense – the cost of attaining enough stakes and rope for each hole is very high

The yellow ground lines will serve as a better option than stakes and roping for the following reasons: Less Obtrusive – yellow ground lines will not create an above ground obstruction to golf shots approaching the green

Aesthetically Subtle – yellow ground lines will be more visually appealing than above ground stakes and roping

Permanence – yellow ground lines cannot be moved, knocked over or completely removed

It is important for the condition of the green complexes and associated turf to keep cart traffic a minimum of 30-feet from each green apron and outside the perimeter of the greenside bunkers. Cart traffic allowed too close to the greens damages turf, creates unsightly tire ruts and results in unfavorable playing conditions as the turf becomes thin, compacted, compressed and, in some cases, permanently damaged.

Golf Cart Fairway Entrance and Exit—The 90-Degree Rule is Always an Option When Entering the Fairway

For those golfers who enter the fairway early, just after the tee box, we stress that you should please use the Cart Enter Gates located at the start of each fairway. Then proceed down the fairway from shot to shot avoiding driving in the rough as much as possible. For those who hit it longer off the tee and who do not enter the fairway early, remember that it is always okay to use the cart path until you are parallel with your ball, and then enter the fairway using the 90-degree rule staying on the cart path until you reach your drive. Then proceed down the fairway from shot to shot avoiding driving in the rough as much as possible. At the green, please remember to not drive your cart past the 30-foot Yellow Lines in front of each green, and to never drive inside the perimeter of the greenside bunkers or on the greenside slopes. When exiting the hole, please use the Exit Gates located at the end of each hole and stay on the cart path until you reach the next tee box. Let us know if you have any questions. Thank you for your cooperation!

Let's All Get Together Now—Be a part of our "Culture of Care" and follow these simple Golf Course Etiquette Guidelines...We can all participate in keeping our golf course beautiful by observing these eight simple acts of care:

1. Follow the 90-degree rule (longer hitters) or the Entrance gates (shorter hitters) when entering the fairway
 2. Do not drive within 10 yards of the forward tees
 3. Respect any roping and cart directional signs and please *exit* every hole through the *exit gates*
 4. Sand fill all fairway divots
 5. Repair any/all pitch marks on the greens
 6. Avoid driving on the mounds surrounding our greens
 7. Smooth out the sand in the bunkers with the rake
 8. Knock the sand off your shoes before walking on the green from a sand bunker
- Let's all make it a goal to leave our golf course in better shape than we found it, every time we play.

Tips from the Pro— Feel the Need for Speed...

As I drive round the course and watch Villagers play golf, I see many long lag putts left well short of the hole; and just about every single time resulting in a 3-putt or worse. We have many very large greens here at The Villages, so the chances of having many putts of 25-30 feet or even 40 or 50 feet are quite common. Therefore, the ability to adjust your putting speed when lag putting is a key to success here at The Villages. Imagine tossing a ball underhand 15 feet vs 45 feet...would you use the exact same tossing motion? Most likely *not*. So remember when hitting a long lag putt, you must impart more energy into the ball so it rolls more, and therefore the stroke must change.

BOCCE NEWS

By Barbara Orlando

The Spring Mixer has ended, and winners and photos will appear in next week's Bocce News. Teams enjoyed playing in this year's Spring Mixer, with 250 members being mixed up and on different teams which gave everyone a chance to play with new people and some old friends. Great job by all the captains and players. A big thank you to Tournament Director, George Paris and Tournament Coordinator, Jeanne Anne Whitacre, for putting together this year's Mixer, all your hard work is appreciated.

Today is the **Captains Meeting** at Montgomery Center at 1 p.m. for the **Spring Round Robin**. Attendance is mandatory for all captains or a representative. Captains will pick up their folders and receive a briefing. Questions can be directed to Ken Colaizzi, Tournament Coordinator for this tournament by calling 408-666-9946.

Don't forget to stop by and say hello at the Bocce Club's table, at the **VMA Health Festival**, tomorrow April 29 from 10 a.m. to 3 p.m.

Next week on Friday, May 5, at Bash we will be celebrating Cinco de Mayo. (See more information on page 20.) Your hosts Barbara and Vince Sunseri have a few surprises for those attending. Bring along a snack to share that represents the theme and your favorite drink. For a good time with friends plan on attending from 3 to 5 p.m.

Did You Know? If your ball hits the back of the court or jumps out of the court while in tournament play, the ball is dead and removed from the game.

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are currently in morning play, gathering every Thursday morning at 10 a.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

This past week, we received the sad news that one of our members, Jim Schlosser had passed away. We will miss Jim greatly, and are all feeling this loss. Jerry Juracich has written a touching eulogy that can be read on the Ironmen website at: ironmen.vgcc.club.

Thursday, April 20, 2023, was sunny and warm, another great day for some golf. The results are as follows: Seventeen Ironmen played today. **Third Place** went to Doug Herring with a net 25; **Second Place** to Al Bruno with a net 24; and **First Place** to Victor Hong with a net 23.

We tied a modern day record with **eight birdies**: Al Bruno scored his birdie on hole 8; Doug Herring scored his on hole 2; Victor Hong Scored 2 birdies on holes 4 and 8; Jerry Juracich scored his on hole 7; Sang Nam scored his on hole 8; Mike Schwerin scored his on hole 7; and Jim White scored his also on hole 7.

David Cook won **closest to the flag** on hole 9 at 10 feet.

Al Bruno won **low gross** with a 26.

Golfer of the day was shared by Victor Hong with a first place and two birdies while Al Bruno got a second place, a birdie and low gross. Way to go, guys!

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group and play basically pressure-free golf. And, the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts:

"Golf: An endless series of tragedies obscured by the occasional miracle." - Original author unknown. Hat tip to my granddaughter Olivia for that quote.

"Got more dirt than ball. Then I thought, with the same club head speed, the ball's going to go at least six times as far. There's absolutely no drag, so if you do happen to spin it, it won't slice or hook 'cause there's no atmosphere to make it turn." - Alan Shepard, American astronaut hitting a golf ball on the moon with a specially made 6 Iron.

From the Pro...

(Continued from page 22)

Here are some thoughts to help you gauge that long lag putting speed a bit better...

Use your eyes - Stand behind the ball and gauge distance with both eyes in a binocular fashion

Walk off the putt - Walk to the hole and back and use your feet and eyes to gauge and feel distance

Increase the length of the stroke - Your 40 foot putting stroke must be longer than your 20 foot putting stroke, so let the putter swing back well past your back foot

Grip it tighter - On long lag putts or putts from the fringe, grip it tighter and you will impart much more forward force onto the ball and it will roll further

Use your wrists - On those really long, uphill lag putts, increasing the length of the backstroke might not be enough, so let the wrists hinge a bit and this will create more speed and roll

Long is better than short - Get it there! If it never gets there, it never has a chance to go in. Also, if the putt rolls past the hole, you can see how the comeback putt will break. To sign up for a lesson with me, email ssteele@the-villages.com

SRS SENIOR RESOURCE SERVICES

Water District property tax exemption

If you are a lower-income senior, you may qualify to have one of your parcel taxes removed from next December's property tax bill. If you qualify, act quickly. You must apply by June 30, 2023.

First, dig out your tax year 2022/2023 property tax bill. Look at the list of Parcel Tax / Special Assessments on the second page. Is there a line labeled "1023 Santa Clara Valley Water District - Safe, Clean Water"?

This means you are currently paying the parcel tax and, if you qualify as lower income, you may request an exemption from this assessment beginning with your 2023/2024 property tax bill.

To qualify you must be 65 years or older by June 30, 2024 - i.e., the end of the fiscal 2023/2024 property tax year. You or your revocable living trust must be listed as an owner on the deed, and you must live in the property as your primary residence. Rental units you own do not qualify. Only one owner needs to be age 65.

Your 2022 total household income must have been less than \$63,680. Social Security and other nontaxable income are included in your calculation of total household income. However, the law excludes capital gains. You are not required to send in any proof of income, but you sign the application under penalty of perjury that you meet the income requirement.

This income limit is based on 75 percent of California's Median Household Income, so it changes every year. The income limit started at \$32,850 in 2000 and has now increased to \$62,262 - a measure of inflation in California in 23 years.

You do not have to complete an application every year. Once you have qualified for this exemption, you will receive a verification postcard by mail each April. You must verify that the address is still your personal residence and that your income does not exceed the new period's income limitation. Remember, you know you are already receiving the exemption as long as the Safe, Clean Water is not listed in your Parcel Tax Assessments.

The application form is available online at valleywater.org. Enter "senior exemption" in the search box. You will need to attach a copy of your driver's license or some other document to prove your age. The address to mail the application is at the bottom of page 2 of the form. You may also submit the application and proof of age by email at SeniorExemption@valleywater.org.

If you do not have a computer to print the application, stop by the SRS office and an SRS volunteer will print a form for you to complete.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagesrs@sbcglobal.net. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

SRS Alert:

Home title scam

The city attorneys of San Francisco and San Diego have issued an alert about the firm Home Title Lock. For \$19.95 a month the firm claims to monitor your home title in case someone reports your home has been sold and changes the title. According to San Francisco city attorney David Chiu, all the company does is notify homeowners when their title is changed, and Home Title Lock doesn't do anything to prevent this rare occurrence from happening.

Title changes are public record, and you will be automatically notified for free by the county if your title changes. According to Chiu, under California law, a fraudulent deed has no legal effect and cannot deprive you of your home. Chiu adds that you will be paying monthly for protection from a problem that doesn't exist in California.

Save your money! Thanks to the San Francisco Chronicle for the reporting.

Given the turmoil in our world today, this is a good time to pray the Psalms and other Scripture verses that speak of the Lord as a loving and gentle shepherd. Read them, think about them, pray for the world through them. Here are a few more: Is 40:11, Ez 34:23, Ez 37:24, 1 P 5:4, Jn 10:11, Micah 5:4, and Heb 13:20.

Answer to Psalm 23 Self-Test: *The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever. (King James version, public domain)*

Mark your calendars. Donut Sunday will be on May 7 after the 8:15 a.m. Mass. Come join us! Spend time with friends old and new.

Association Members – Request for Annual Notice of Information Updates

By Julia Meadows, Assistant General Manager, CCAM CMCA, AMS, PCAM

As you know, The Villages Association is a common interest development (CID) subject to California Civil Code Sections 4000-6150 (also known as the Davis-Stirling Act). Civil Code Section 4041(a), requires all CID owners to annually and in writing provide the HOA (The Villages Association), their contact information for sending HOA notices, and to inform the association whether the residence is owner-occupied or rented.

Associations are required to solicit these notices at least 30 days prior to the annual association disclosures. For The Villages Association, that is the Annual Budget Report and Annual Policy Statement that is distributed in May. If an owner does not annually provide this notification, the association must deem the last address provided in writing by the owner, or if none, the property address, shall be deemed to be the address to which notices are delivered.

To inform the Association of changes to preferred delivery method for receiving notices from the Association, please complete the form on this page below and return it to the Association no later than May 12, 2023. Completing this form will not discontinue electronic distribution of Association documents if you have signed up for that program.

To save postage, paper, and copy costs, we are publishing the request for information in *The Villager*, see form below. Non-resident owners will receive form via US mail.

You may return the completed document:

Via US Mail: The Villages Association, 5000 Cribari Lane, San Jose, CA 95135

On Site: Return to the locked Drop Box located in the parking lot up the stairs from Business Administration, Building A.

Via Scanning & Email: VillagesAssociation@the-villages.com (with CONTACT FORM 4041 in all caps in the subject line).

Disregard this request if there are no changes to your information. If you have any questions or concerns, please contact the General Manager's office at 408-223-4634.

OBITUARY

Joyce Bundesen October 21, 1931 — April 9, 2023

This announcement comes with mixed emotions as we want to inform you of Joyce Bundesen's passing. We are sad not to have Joyce with us and in our lives. But Joyce's health had declined over the last nine months and it's with a sense of relief we share this news with you, knowing she is no longer in pain and is home with the Lord.

Joyce was born October 21, 1931, and passed away in the early morning hours of April 9, 2023. Joyce was a loving wife, mother, and grandmother. Joyce is survived by Sterling, her husband of 62 years, her sons Erik and Chris, five grandchildren and five great grandchildren.

Joyce requested that her service be private. But we hope that you will take a moment to remember her just as we will continue to do. We will remember Joyce's loving and caring ways, her laughter and kindness. She loved to cook, bake and share her knowledge and wisdom through teaching.

Thank you for your thoughts and prayers of support.
Sterling, Erik and Chris Bundesen.

EVF-funded trail signs guide flower viewers

Thanks to heavy rains this year after several years of droughts, hillsides around the state are experiencing exceptional “blooms.” That means the hills above The Villages should experience better than normal California poppy blooms, especially along Skyway. This may be an excellent opportunity for new residents to experience the beauty of the 12.2 miles of well-maintained trails above The Villages. Don’t worry about getting lost when you’re up there. Several years ago, at the request of the Hiking Club, decaying and often fallen wooden trail signs were replaced with more permanent metal signs, thanks to a generous donation by the Evergreen Villages Foundation (EVF).

In addition to marking the trails, the signs also provide information on the difficulty of the trails and distances to the next intersecting trails. According to Jane Derow, who, with her horse, Playa, uses the trails several times a week, “The new trail signs are not only informative, but they look great and fit in well with our beautiful trail system here at The Villages—and they will likely hold up much better than their predecessors!”

Projects such as the trail signs are consistent with the Evergreen Villages Foundation’s mission to enhance Village amenities for the benefit and comfort of residents. If you would like to work with the EVF and help to provide enhancements to the Villages lifestyle by contributing to the General Fund go to its website, evfsj.org and become a Sustaining Member. You can do this for as little as \$5 per month. Or single one-time donations to the EVF via the website are welcome at any time.

By Arlene Versaw

Of course, you want to be prepared for an emergency. Of course, you’ve developed an emergency plan and put together your Go-Bag. Now consider taking one more step by taking a 20-hour, all-hazard training course designed to protect yourself, your family, your neighbors and your neighborhood.

Offered for free by the San Jose Office of Emergency Department, the CERT (Community Emergency Response Team) course covers Disaster Preparedness, Fire Safety, Disaster Medical Operations and Triage, Light Search and Rescue, Team Organization, Disaster Psychology, Terrorism and Incident Command.

It is a Zoom-based training in bi-weekly classes between May 1 and May 23 totaling 12 hours at 6:30 p.m. – 8:30 p.m. - plus one outdoor, in-person skills class in The Villages on May 27 from 9 a.m. to 4 p.m. Attendance at all classes is required for certification.

This is an important and unique opportunity for Villages residents! You must register, though, at thevillagesepc.com. It’s the next step to peace of mind.

Real Estate –

The stars have aligned...again.

Well, not quit like April last year, but maybe we will get there. The cold wet days delayed the buying season, but I can see from experience that it is over. The buyers are enjoying the lower interest rates and warm weather. They are out in full force.

I listed a home in So San Jose two weeks ago. The 1st weekend on the market I had more than 100 people show up the first day of the Open House and about 100 people through the house on day 2. The home sold in less than a week with multiple offers and over asking price. I must say we hit the market at the right time. There was very little competition that open house weekend and the prior 2 weeks. This week however, there is already a large quantity of new listings loading onto the market and I dare say a whole lot more is coming. April is the hottest month to sell a property.

Will we see some of this action?

Of course. As I always say, the increase in sales outside the gates of the Villages eventually increases sales of homes inside the Villages. Many of the outside home owners want to stay in the area and the Villages is the perfect place for them to call home.

Can you sell your home while you still live in it? Many clients must sell their home before they can purchase a new home. It can be difficult if the homeowner is still living in the home and even harder if they are living *and* working from home. The seller has to allow agents and buyers into the home all the while keeping the place spotless and in the case of my listings, dealing with the beautiful staged around them. I think living in a hotel room would be easier than living in my staged home, but if you want top dollar, you have to show the home at its best. My clients know that and work with me as a team to make their place look the best for a successful sale.
