Villages organizations reach out at Club & Committee Expo

Representatives of many Villages organizations were eager to meet residents to provide information about and promote their respective groups at the first-ever Club and Committee Expo held in Cribari Center Saturday, September 9. The event was in the making for several years, planned by the Community Activities Department, to provide greater opportunities for residents to interact with Villages organizations. Previously, interaction was limited to New Resident Orientation sessions and sometimes new residents needed the time to settle in before they sought opportunities for involvement. The event included 43 exhibitors—six committees and 37 clubs. Most organizations connected with potential new members. (More photos on page 27)

VMA to present ‘Oversee Your Healthcare Decisions’

By Barbara F. Zahner, VMA Health Programs Coordinator

“Hey, Mom, this Advance Care Planning (ACP) is stark,” sighed my 53-year-old daughter. Margot is preparing documents for a four-month trip to Portugal and Malawi, Africa. Now sandwiched in her backpack, along with her passport and her Malaria records, are her desires regarding use of CPR, Ventilator, Artificial Hydration, and Tube Feedings.

Stark—yes. Necessary—yes. Permanent—no. Freeing—yes.

In “**Oversee Your Healthcare Decisions—How & Why**,” Amy Wang, NP, and Founder of Ready2Nurse Home Health Agency will dialogue with participants on these key questions:

- Why do I need to have an Advance Care Plan in place?
- What are the primary components of an Advance Care Plan?
- What are the risks and benefits of CPR? Ventilator? Artificial Hydration? Tube Feeding?
- What if I change my mind about my first decisions?
- How do I face my own mortality and the mortality of my loved ones?

Using case histories of two actual patients, Amy will illustrate how each person made their decisions and created their Advance Care Plans. Amy will also answer your questions about who needs to hold your Advance Care Plan, so your wishes and health care rights are protected. Whether you tuck your ACP in your backpack or in your Important papers

COMMUNITY NEWS

PULSE

Dear Readers:
The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 4 p.m. on Thursday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Letter authors are limited to one published Pulse letter per month. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

1 Pulse letter received this week.
0 Pulse letters not meeting Pulse Letter Guidelines.
1 Pulse letter published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.

All Pulse letters that are published are retained by the Communications Advisory Committee (CAC) for a period of 12 months. Rejected Pulse letters are not shared with anyone outside the CAC, management or Club Board and staff liaisons for the reason of confidentiality.

I totally agree with Arthur Yu's Pulse letter on August 24. We keep hearing that Comcast is fixing the problem and yet the problem has continued with no internet, phone or TV. It is ironic that there will be Comcast enhancements by upgrading its cabling and introducing 10G network. The Villages has a contract with them and we additionally pay monthly fees. The disruptions are not acceptable and we should demand that the problem gets fixed ASAP. Furthermore, we should get some kind of refund for the aggravation. I also found out that AT&T and Verizon are going to build towers in The Villages and we will have better phone reception. Comcast is not, as it is not in our contract! Why can't a tower be added to our contract?

MANAGEMENT

A message from the Comcast Community Representative:

Dear Villagers,

We hope this email finds you well. We are writing to address the intermittent service issues Villagers in certain neighborhoods recently experienced. We apologize for the inconvenience this certainly caused for those who were impacted and appreciate the grace and patience we received from residents, the board, and staff while we worked to resolve this. After becoming aware of these issues, we started a process of elimination by replacing field equipment to minimize the impact of service issues while trouble shooting. We moved impacted neighborhoods to a new fiber line completing this work the morning of August 31st resulting in resolution of this issue.

We are currently working to find the underlying cause to the original fiber link and have a real time device monitor on the original fiber and plan to run specific tests during the times where our customers had experienced the most issues. We understand the importance of uninterrupted service and are committed providing the best quality of service.

If you have any questions or concerns, please feel free to reach out to me, your Comcast Community Account Representative Deisy Gomez at Deisy_Gomez@comcast.com. I will be supporting The Villages with weekly Virtual events on Fridays, 10 a.m. to 2 p.m. and will be hosting in person events at The Villages monthly. **Please see those events dates in the article below.** This is the Calendly link for the event if you want to sign up, <https://calendly.com/deisygomez1326/the-villages>.

Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

Reminder to all small pet owners: A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Coyotes are known to attack leashed dogs when the owner gets distracted. Please stay cautious and aware of your surroundings when cleaning up after your pet, talking to a neighbor, checking the mail, etc. Coyotes are opportunists and may make their attacks when you are not paying attention.

Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages, so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Please report all coyote sightings to Public Safety and Vector Control at the email addresses listed in the article below.

Report Coyote Activity

Please report all coyote sightings to Public Safety and Vector Control at the following email addresses:

- Director of Public Safety Steve Norden at snorden@the-villages.com and include in email the location day and time of the sighting.
- Contact for Vector Control is Vector.sccgov.org/home. Residents can use this to report coyote / wildlife incidents directly to the county.

Call 911 for medical emergencies

Public Safety would like to remind you, in the event of a medical emergency, please remember to dial 911 first.

Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics.

Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

Vehicle Bar Code Reminder

Are all your vehicles registered and bar coded? Just a friendly reminder that all resident vehicles are required to be registered and must have a resident bar code sticker on them. Please contact the Public Safety Administration office at 408-239-5246 option 2, or you may email: vtennon@the-villages.com to register your vehicle.

If you registered a vehicle that had a temporary plate at the time of registration, but have not provided the permanent license plate number, please contact Public Safety Administration to update your registration with the current license plate number.

Golf Cart Registration Reminder

(SRS) SENIOR RESOURCE SERVICES

Questions concerning DMV e-Learning

The August 24 Villager article about the new alternative to taking the DMV multiple choice test has piqued the interest of many Villagers. Senior Resource Service has received many questions at the office and by telephone. Most of the questions can be summarized into one question:

How do I start and proceed through the process?

Go to dmv.ca.gov. Click on "Driver's License & ID Cards" and then on "Renew." Scroll down and you will find a box "Start renewal online & finish at DMV office." This is where you need to start if you are required to take a knowledge test and/or eye test.

Be prepared to create a DMV online account if you have never done so previously. If you already have an account, be prepared to log into it. Then:

1. Complete the online driver's license application (eDL44).
2. If eligible (and you should be), you will be invited to participate in the DMV Virtual Test Center.
3. Select the choice: **I want to complete my test through eLearning.**
4. Follow the application fee payment steps. (Have your checking account number available.)
5. Upon successful payment, you will receive a Virtual Test Center Access email with a link to the eLearning course and additional information.

Complete the eLearning course at your convenience. You do not have to complete it all at once as long as you complete it in 30 days. When you finish the last lesson, eLearning will notify you that you completed the course and instruct you to visit a local DMV office to complete the application by taking the eye test and getting a photo.

You may then make an appointment online at the DMV office of your choice.

Please note that if you are also applying for a REAL ID there is likely to be an additional step in the process. That is, at some time during the process you will be reminded or asked to provide proof of your identification (e.g., Passport) and proof of residency (e.g., Lease, Deed, Utility bill). The specific document requirements should be included with the notice you will receive either as a part of the on-line application process or in a separate email message to you. By following DMV instructions, you may submit the required documents electronically - which may be accomplished by submitting online photos in advance of your DMV appointment. If you don't submit the documents online prior to your appointment, you will need to bring them with you to your appointment - which is likely to add significant time to your visit as those documents will have to be reviewed and approved while you wait.

Please remember eLearning is a new offering from the DMV. It is possible that some administrative steps will be changed in the next few months. If you use this process and believe there is something your neighbors should know, please call or email SRS at the number or address shown below so we can pass on the information.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagersrs@sbcglobal.net. The web site is www.thevillagesgcc.com/srs. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

Here it comes again...the EPC Drill

By Arlene Versaw

Some things come around every year—your birthday, the holidays, income tax deadlines—and the EPC Annual Drill. Not as much fun as birthdays and holidays, but not nearly as taxing as filing your annual returns. That's because your role in this annual exercise is easy and takes a minute or two, but it is an important role nonetheless.

All you have to do is post your OK sign in a window so it can be seen from the street, and take it down when the drill is over. That's not asking much, is it? And yet it is key for the Villagers who volunteer for the Emergency Preparedness Committee, because it enables them to conduct their drill, train new volunteers and gather lessons learned. And *that* enables them to be more productive and helpful in responding to a future emergency.

This year the EPC Annual Drill is Monday, October 16. Do you know where your OK sign is?

COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

Survey Results are in: On-Site Program Criteria

In the recent Community Activities Survey we asked participants the following: "When choosing to participate in an on-site program, what criteria are important to you? Please choose your top two (2) criteria only. Choosing more than two options may result in this answer being excluded from the results but will not affect your other responses." Four options were provided and there was also the possibility to write in a criterion.

Total Respondents: 61 online surveys, 0 paper surveys
Respondents Who Skipped this Question: 0
Usable Responses for this Question: 61
Subject Matter = 47
Type of Program = 33
Scheduling = 31
Type of Participation = 9
Ability to Participate Safely in a Walker (write-in) = 1
Most participants (77 percent) indicated that Subject Matter was a criterion they used when choosing to attend an on-site event. We followed up on this question with the following one: "Which of the criteria above is most important to you?" Of the 47 respondents, 63 percent said that Subject Matter was the most important of all the criteria.

This is the last survey results article of 2023. Based on the results from the On-site Programs Survey we now know that the ideal on-site event is an in-person concert or performance that can be shared with other Villagers on a Thursday in the early afternoon. Thank you to all participants, we will use this data when considering future events.

Salute to Veterans Week submissions

The Villages will salute those who served with a special edition of The Villager on November 9 as part of the Salute to Veteran's week. The event will be a tribute in *The Villager* to any resident who has served in the military or in a war related service. There are many who contributed to the war effort that may have not been in a branch of service such as Red Cross, USO, media just to mention a few. Please submit your name, branch of service or organization that placed you in service, rank if applicable and dates served, electronically to Mary Tatum at mtatum@the-villages.com no later than October 27, 2023.

We are also looking for personal photos from residents with an interesting caption chronicling the war effort you were involved in. Please submit them to Mary Tatum by October 20.

VMA workshop: 'Adapting to Change'

Author John Maxwell once wrote, "Change is inevitable. Growth is optional." Life deals us change. Sometimes change is welcomed. Other times it is unwanted and resisted. Change can come from the death of loved one, unexpected and/or chronic illness, loss of a relationship, ending a job (volunteer or paid), retirement, moving to a new home, children and grandchildren growing up, decline in physical ability or mental acuity as we age. Change may birth an uneasy sense of loss of purpose, meaning, and connection. Change often tries us to our core to adapt.

Dale Poland, chaplain at Hospice of the Valley with a background in philosophy and psychology will present "Adapting to Change," a thoughtful and sensitive workshop on Wednesday, September 27 from 10:30 a.m. to Noon at Vineyard Center.

Dale will tease out answers to these vexing questions:

- How do you cope in a healthy way with the changes that come along in life?
- What are the keys to accepting change and growing from it?
- What is resilience? How does resilience play a role in adapting to change?
- What are things you can do now to prepare for change?

Someone once said, "No one likes change, except babies. Even they cry in the process." Come cry, smile, laugh, and connect with Chaplain Dale Poland as you expand your skills in this VMA-sponsored workshop. Handouts will be available at the free workshop.

Registrations strongly encouraged, as there is limited seating. To register online: visit vmaillages.org. Click on "Register for Programs." Follow the prompt. To register by telephone: Call 408-238-4029. To register in person: Visit VMA office in Cribari Center (next to post office), Monday through Thursday, 9:30 a.m.-2:30 p.m. Questions? Senior Academy: 'Mother Earth Under Attack' event cancelled

The Senior Academy's "Mother Earth Under Attack" program scheduled for Tuesday, September 19, from 2 p.m. to 4 p.m. at Foothill Center has been cancelled because of insufficient signups.

Opera Lovers: 'The Marriage of Figaro'

On Thursday, September 28 at 1:30 p.m. in Montgomery Center, Opera Lovers will present "Le Nozze di Figaro" by Wolfgang Amadeus Mozart.

Mozart's "The Marriage of Figaro" is widely considered one of the greatest operas ever written. It is packed with famous arias and is always a hit with opera goers.

This highly entertaining comic opera tells how the servants Figaro and Susanna succeed in getting married, foiling the efforts of their philandering employer, Count Almaviva, to seduce Susanna. In the process, the Count is taught a well-deserved lesson in fidelity.

Our DVD presents a classic production, with the inimitable Bryn Terfel as Figaro. Perhaps you saw Mr. Terfel sing in Welsh at King Charles III's Coronation earlier this year.

We look forward to welcoming you on September 28—at our new location, Montgomery Center. For more information, call Mary Stradner at 408-887-3293 or visit VillagesMusicSociety.org.

We hope that you will enjoy the new location. If you are unable to drive, don't let that stop you from attending. Please contact the Villages Medical Auxiliary at (408) 238-4230 to schedule transportation to our event. Please remember to tell them that the opera lasts three hours.

Art Film: 'Whistler and The Case for Beauty'

By Roz Zinns

On Tuesday, September 19 at 2:30 p.m. in the Cribari Conference Room, the Villages Arts and Crafts Association will present "James McNeill Whistler and The Case for Beauty." Best known for his groundbreaking portrait of his mother, Whistler had become one of the most recognized artists in Europe by the time of his death. He is now placed in the first rank of modern painters. Dramatic re-creations, art, graphics, and interviews combine to profile this fascinating character. You will be amazed by his talent throughout his life and the unusualness of his person.

Come and enjoy. Free admission to all Villagers and their guests.

Learn new home trends at 'Inside the Gates' Home Tour

By Sherry Benz

Remember when we loved color... appliances in Harvest Gold, Avocado Green and Coppertone? How bold! Yet the walls were always white! Move over... "greige" is here.

Greige is simply beige plus gray. The addition of gray to beige creates a richer color, one that can work in both cool and warm color schemes and you will see it on display in a couple of beautiful homes on this year's "Inside the Gates Home Tour."

Gather your friends, neighbors and family for the Tour scheduled for Saturday, October 7 10 a.m. to 4 p.m. Home Tour tickets may be purchased on the VMA website at vmavillages.vgcc.club or directly from <https://rebrand.ly/hometour>. Tour tickets are \$30 and luncheon tickets are \$30 and the charges will be billed directly to your house number. Our team is preparing a scrumptious lunch of quiche Lorraine with Parmesan crusted stuffed tomato and Fall apple current coleslaw followed by a fall dessert, all topped off with a refreshing sangria—a perfect time to relax at the Clubhouse between visiting homes. The boutique is back featuring high quality vendors for your shopping enjoyment. Browse before or after lunch, or just drop in.

Inside the Gates Home Tour benefits the Villages Medical Auxiliary. The mission of the Villages Medical Auxiliary (VMA) is to assist residents to live independent, active and healthy lives as long as possible.

If you have questions, contact Penny Barcellos at (408) 531-9582 or Melinda Dobbs at (408) 267-1777. For information about the luncheon, contact Pam Watson at (408) 270-6210 or Sheryl Ruth at (408) 348-5449.

Shannon Bushey, ROV speaks at Republican Club meeting

By Cathy Pope

On August 25, Santa Clara County Registrar of Voters, Shannon Bushey, gave an excellent presentation to Republican Club members and fellow Villagers at the General/Breakfast Meeting.

Republican Club President Burt Lancaster with Shannon Bushey.

Photo by Teres Ryan

Our Club would like to thank Ms. Bushey who addressed the group for over an hour with a comprehensive explanation of the duties and challenges of overseeing elections in our County that includes one million voters. The Registrar of Voters is beholden to the election laws passed by the California Legislature and partners with the Secretary of State's Office as it is responsible for oversight of certain aspects of state elections. She was gracious in taking every question asked and followed up with answers that required investigation on her part. Ms. Bushey also encouraged and welcomed us to get involved and anyone interested should visit the ROV website, sccvote.sccgov.org.

The event began with a beautiful breakfast served by John Yu and his wonderful staff in the lovely Clubhouse Fairway Room.

We are blessed to live in America where we are free to vote for the candidate of our choice and it is exciting to be a part of the process. Thank you to all who attended this informative morning event.

Senior Academy: See Patagonia—The Edge of the World with John Trudeau

Patagonia encompasses the vast southernmost tip of South America. It is shared by Argentina and Chile, with the Andes Mountains as its dividing line. Join the Senior Academy's lecture and see this amazing region through the eyes of John Trudeau, a Villages resident who's explored the region.

John's tour of southern Patagonia, including parts of Argentina and Chile, will start

with a short visit to Buenos Aires, then head for the Argentine pampas, the Andes mountains, the Chilean fjords, all the way south to Cape Horn. We'll see a lot of wilderness areas, and some flora and fauna unique to this region of South America, along with penguins, sea birds, and dolphins. The landscapes will provide us with views of rugged mountain peaks, different kinds of glaciers, and glacial lakes and lagoons, all amid some very active weather.

We'll visit the towns of El Calafate, Puerto Natales, Punta Arenas, and Ushuaia, where we'll visit with locals and native populations. And, of course, we'll hike up to the weathered monument to seafarers on the southernmost island of Cape Horn. We will end with a side trip to the northeast corner of Argentina, where it borders with Paraguay and Brazil, for a visit to the immense Iguazu Falls. Buckle your seatbelts—we're going to cover a lot of territory!

John Trudeau is an active Villager, a frequent hiker, and an enthusiastic traveler. He gets considerable enjoyment from photographing nature and the great outdoors on his travels. He has presented travel lectures here at The Villages, at various Bay Area libraries, and at UC Santa Cruz and UC Santa Clara.

This event will be Tuesday, September 26, from 2 p.m. to 4 p.m. at the Vineyard Center. Please register on the Senior Academy website at VillagesSA.org or call Mattie Alesi at 408-239-0513. Come away with us!

Verano Ladies receiving a Bollywood dance lesson.

Verano Ladies Host 'Brunch in Bollywood'!

By Wendy Ledamun

On Saturday, August 12, Village Verano held their second Annual Ladies Luncheon at the Clubhouse. This year's theme was "Bollywood." Residents Sonia Soin and Asra Batoole wore brightly colored saris and brought brightly colored jewel "Bindis" to share with everyone. A Bindi is a decorative mark on the forehead worn by Hindu women (and members of some other religious groups), traditionally believed to venerate an energy center of the human body or represent "the third eye." A Bindi may also be worn as an adornment or a sign of marriage.

Bollywood dance instructor Anitha Ramareddy in action.

After a scrumptious lunch, Anitha Ramareddy (one of the Jazzercise instructors at The Villages), performed and explained Bollywood dancing to the ladies. After her demonstration, she led the ladies in a fun dance lesson. Wow, those Verano Ladies can move!

Villages Dog Club throws Labor Day ‘Pawty’

By Phyllis Mueller

Around 34 legged combed and clipped doggies descended upon Montgomery Lake for the Labor Day Pawty! Leashed and well behaved, they did their usual “sniff and go” routine and

had a great day. Smaller ones were able to play in a large pen erected by Susie Q Conklin!

Appetizers were delicious and a few dogs with good “smellers” spent the day patiently under and near the food tables hoping for a dropped snack!

As usual, Barbara and Vince Sunseri put most everything together. Barbara announced the slate of new officers for 2024: President—Rita Holiday. Vice President and Treasurer—Barbara Sunseri. Secretary—Leslie Gloven. Publicity—Sue Daughtrey and Helper Phyllis Mueller. Social—Tina Parsley. The next activity will be October 7 at 10 a.m. at the stables and it will be the Blessing of Animals.

“**The Last to Vanish**” by Megan Miranda. Ten years ago, Abigail Lovett fell into a job she loves, managing The Passage Inn, a cozy, upscale resort nestled in the North Carolina mountain town of Cutter’s Pass. Cutter’s Pass is best known for its outdoor offerings—rafting and hiking, with access to the Appalachian trail by way of a gorgeous waterfall—and its mysterious history. As the book begins, the string of unsolved disappearances that has haunted the town is once again thrust into the spotlight when journalist Landon West, who was staying at the inn to investigate the story of the vanishing trail, then disappears himself. Abby has sometimes felt like an outsider within the community, but she’s come to view Cutter’s Pass as her home. When Landon’s brother Trey shows up looking for answers, Abby can’t help but feel the town closing ranks. And she’s still on the outside. When she finds incriminating evidence that may bring them closer to the truth, Abby soon discovers how little she knows about her coworkers, neighbors, and even those closest to her. *Mystery, 2022.*

“**Homecoming**” by Kate Morton. Adelaide Hills, Christmas Eve, 1959: At the end of a scorching hot day, beside a creek on the grounds of the grand and mysterious mansion, a local delivery man makes a terrible discovery. A police investigation is called and the small town of Tambilla becomes embroiled in one of the most shocking and perplexing murder cases in the history of South Australia. Sixty years later, Jess is a journalist in search of a story. Having lived and worked in London for almost twenty years, she now finds herself laid off from her full-time job and struggling to make ends meet. A phone call out of nowhere summons her back to Sydney, where her beloved grandmother, Nora, who raised Jess when her mother could not, has suffered a fall and been raced to the hospital. Nora has always been a vibrant and strong presence: decisive, encouraging, young despite her years. When Jess visits her in the hospital, she is alarmed to find her grandmother frail and confused. It’s even more alarming to hear from Nora’s housekeeper that Nora had been distracted in the weeks before her accident and had fallen on the steps to the attic—the one place Jess was forbidden from playing in when she was small. At loose ends in Nora’s house, Jess does some digging of her own. In Nora’s bedroom, she discovers a true crime book, chronicling the police investigation into a long-buried tragedy: the Turner Family Tragedy of Christmas Eve, 1959. It is only when Jess skims through the book that she finds a shocking connection between her own family and this once-infamous crime—a crime that has never been resolved satisfactorily. And for a journalist without a story, a cold case might be the best distraction she can find. *Large Print, Mystery, 2023.*

“**Hello Beautiful**” by Ann Napolitano. William Waters grew up in a house silenced by tragedy, where his parents could hardly bear to look at him, much less love him. So, it’s a relief when his skill on the basketball court earns him a scholarship to college, far away from his childhood home. He soon meets Julia Padavano, a spirited and ambitious young woman who surprises William with her appreciation of his quiet steadiness. With Julia comes her family; she is inseparable from her three younger sisters: Sylvie, the dreamer, is happiest with her nose in a book and imagines a future different from the expected path of wife and mother; Cecelia, the family’s artist; and Emeline, who patiently takes care of all of them. Happily, the Padavanos fold Julia’s new boyfriend into their loving, chaotic household. But then darkness from William’s past surfaces, jeopardizing not only Julia’s carefully orchestrated plans for their future, but the sisters’ unshakeable loyalty to one another. The result is a catastrophic family rift that changes their lives for generations. Will the loyalty that once rooted them be strong enough to draw them back together when it matters most? *Large Print, Fiction, 2023.*

The 10 days starting with Rosh Hashanah on September 15 and ending with Yom Kippur on September 24 are known as the Days of Awe. It is a period for serious introspection. Jews are called on to reflect in their actions and behavior over the past year and seek to make amends. It is a time to ask for forgiveness from those we have wronged and to forgive those who have wronged us. Yom Kippur, begins this year at sundown on Sunday, September 24. It is considered the holiest day of the year. It is a day for fasting, prayer, and repentance. On this day Jews ask God to forgive their sins and hope to be inscribed in the "Book of Life" for a good year.

Our services, led by Rabbi Annette Koch, will be held at Foothill Center. On Sunday, September 24, Candlelighting and Kol Nidre, the prayer sung at the beginning of the service, starts at 7 p.m. Monday morning services begin at 10 a.m. and the afternoon service which concludes with Yiskor, the Jewish Memorial Service, starts at 4:30 p.m. Immediately following the close of the afternoon service, at 6:30 p.m., we invite all worshipers to join us for a traditional Break-the-Fast, also held at Foothill Center. By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

She was an abbess—leader of a community of religious women—as well as an artist, author, mystic, pharmacist, poet, preacher, and theologian. And all this in the 12th century! Hildegard of Bingen was born into a noble German family, and began to have visions of God as a young child. She was instructed by a devout woman elder and at age 18, Hildegard entered a convent to become a Benedictine nun. She was unusually literate for a woman of her day, so she read widely as well as writing down her visions that she had received. She wrote two books that were well-regarded by Pope Eugene III, and composed over 300 letters to people who sought her advice, as well as short works on medicine and physiology, as well as advising contemporaries such as Saint Bernard of Clairvaux.

And she wrote music. Such was her deep reverence for creation, and God's incarnational presence, that you might say that she felt the primary rhythms of the earth in her bones. In her later years, Hildegard produced 77 unique compositions of music, including one of her better-known works, Ordo Virtutum (Play of the Virtues), a musical play on morality. In a time when composition itself was held to a remarkably high standard, and when women were neither expected to possess musical talent nor to use it, her songs surprised her contemporaries—and surprise us still—as we honor her as a saint this week.

Please join us at Montgomery Center at 9 a.m. on Sundays for worship. Everyone is welcome.

Kindness and Mercy - Psalm 103

By Patricia Galli

Each week the Catholic worship service (Liturgy) uses four readings from the Bible. These readings are taken from the Hebrew scriptures, from the Gospels (life of Jesus) and the letters written by the earliest followers of Jesus. There is usually a certain thread of wisdom or comfort in these writings. When we listen to them all at once it may be a little confusing. If I pause and talk to God about what is important for me to understand or grasp as God's word sometimes a word or two emerges as the message. In this week the thread is forgiveness and its many difficulties. What I hear are the words from Psalm 103 – "The Lord is kind and merciful..." My most memorable time of trying to forgive is encompassed in this. I had been deeply hurt by someone. The hurt and pain kept me from forgiving. I held on to the pain. One day as I was praying, I knew something – God had forgiven this person even if I held on to the past. I paused to consider and realized that I could allow and admit that this was true. God had forgiven them. I didn't have to do anything but accept that as real. Immediately, I felt a great sense of relief, I was lighter. The situation didn't change but my awareness of my life now was different and less burdensome. God is kind and merciful.

The writings in this column come from the Catholic Community in The Villages. The Catholic Community meets in Cribari auditorium, Sundays at 8:15 am to listen and reflect on the readings and to celebrate our belief in God's presence with us by sharing the Eucharistic meal. We also, meet in the Conference Room at 9 am on the first three Friday mornings of the month for the same purpose. Anyone is welcome.

For the next few months, the writers will introduce themselves at the end of their reflections.

To introduce myself, I have been a resident of The Villages for 17 years. I am a mother, grandmother, and a nurse. 34 years ago, I entered an international women's Catholic Community called the Sisters of Mercy. I then studied theology at the Jesuit School of Theology and worked in several Catholic Parishes. I now teach a course in Encountering Christ for the Diocese of San Jose as well as two other courses on prayer in ministry. I currently coordinate the writers who submit the reflections to this column.

COMMUNITY CHAPEL

'Living Out Your Truth'

By Pastor Bill Hayden

Some may think, if life continues the way that we have grown accustomed to knowing it... there's little need to change our routines. So, we develop habits that make us feel comfortable with ourselves but sometimes those habits can become detrimental over time. Some people build their lives on looking for the easiest ways to get through the day without a challenge or desire to improve.

A person can become afflicted overnight and suddenly they need serious assistance from another person. When a person's freedom has been restrained, that individual will remember the things that they took for granted. They may even state how things are going to be different, once they are free from what restricted their freedom. If they can accomplish this with God's help, then it is something to be praised.

Several years ago, during the height of the Covid Pandemic, a lot of people's lives were disrupted and turned upside down. As we have seen most recently, any major global event can disrupt or restrict the freedom that we hold so dear.

As a result of the pandemic people were restricted to their homes for the most part. New habits were developed with some good and others not so good. During those experiences, anxiety took its toll on a person's mind and spirit. Suddenly, people seemed to be less tolerant and more demanding to the point of physical conflict with others. The landscape of the country appeared to have changed overnight and it has become difficult for people to be reconciled to each other and to God.

Romans 12:18-20 ESV 18 *If possible, so far as it depends on you, live peaceably with all. 19 Beloved, never avenge yourselves, but leave it to the wrath of God, for it is written, "Vengeance is mine, I will repay, says the Lord." 20 To the contrary, "if your enemy is hungry, feed him; if he is thirsty, give him something to drink; for by so doing you will heap burning coals on his head."*

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends.

MEN'S GOLF CLUB

By Doug Moore, douglas.moore865@gmail.com

It's finally underway starting tomorrow! Best of luck to all of the participants and play well!

Men's 18 Hole Golf Club "Club Championship - Match Play"—September 16 to 24, 2023. Play will be conducted over two consecutive weekends. Tee times will be assigned by the Pro Shop. Rescheduling tee times will not be permitted. This is always considered to be an "MGC Major." See you there!

Fall Classic & Annual Meeting—October 14, 2023 – Two-Man Teams. 6,6,6...6-Holes Best Ball, 6-Holes Alternate Shot, 6-Holes Scramble. Flighted – Holes assigned on scorecard. Coffee and Donuts. Annual Meeting, Trophy Awards and Lunch in the Fairway Room.

Looking For A Few Great Men— If you always have an opinion and or a brilliant idea (you know who you are), and you want to make sure you get your viewpoint across, why not make your voice heard as a member of the **Men's 18 Hole Golf Club Executive Committee**.

The Men's 18 Hole Golf Club Executive Committee is searching for candidates to run for office for the 2024 club year. The executive committee is a small group of volunteers who provide our 388-member club with golf experiences for all levels including monthly tournaments, weekly games, Home and Away play at other country clubs, team play, etc. It's a great way to give back to the club and meetings are just once a month. Your talents will help keep the club strong and vibrant into the future. Please contact: George Olson at gfolson@comcast.net or Gary Chappell at garymchappell@comcast.net by September 15, 2023 for more information and to apply.

Golf Thoughts: Gimmies

Nothing at Stake—Pros putt out because they are playing for big money, coveted trophies, and trophy wives. For the average golfer, missing or making a short putt is more meaningless than a cup of decaf coffee or a political campaign promise. Give him the putt. There is no good reason not to.

Reward—The guy has stroked a winding 125-foot putt from just off the green to within three feet of the hole. Reward him. Let him pick it up. He earned it. It is better than watching him lip out, melt down, and try to disembowel himself with his putter.

Executive Committee Meeting: The Men's Golf Club Executive Committee meets the first Tuesday of the month (except in July) at 8:30 a.m. in the Montgomery Center. The next meeting will be **October 3, 2023**. MGC Members are always welcomed and encouraged to attend.

Also, remember to visit our website at villagesgolfers.com for the latest Men's Golf Club information. Kyle Finley does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

18-HOLE WOMEN

By Nancy Carson

Mary Ann Diridon's hole in one during the pandemic in 2020.

Keeping atop the pace of play...why putt, when you can chip it in? A strong performance by the ladies of graphite.

Fabulous weather with a cool morning marine layer giving way to warm sunshine, lots of cheering and high fives,

and a hearty lunch prepared by John Yu's staff and served by Elizabeth and crew. We are blessed indeed to be living in paradise and to share all this bounty with our good friends. The Club Championship started today and extends for the next two weeks. It's a cumulative three round gross competition.

It's late summer at The Villages. Tomatoes, basil, heavy scented melons and summer barbecues are not the only bounty of fruits brought to market in The Villages. A ripe harvest was plucked off the vine on the golf course. I'm talking birdies and chip-ins today at our golf outing. It's the first of three consecutive weeks for our Club Championship. Tweet, tweet for Monica Saneholtz #13 and another hole hidden in the crevice of the birdie book, Vicki Krattli #16, Sumi Minami #11, Pam Schramm #11, Gloria Landry #4, Jay Lee #4, Diana Hallock #11, Lyn Strong #1. Good hunting, Ladies! Just so you know, it's still two months until thanksgiving. There's still time to improve.

"Chip It In, no messing around," were Vicki Krattli #16, Marky Olsen #8, Suzanne Fazzio #3, Judy Rodriguez #6, Vivian Brown #10, Mary Ann Diridon #6, and #13, Gloria Landry #2, Barbara Nilsen #18, Diana Hallock #11, Lyn Strong #1.

Phyllis Mueller awarding Lyn Strong with the Birdie pin.

Incredible news abounds! We were all still reeling at Lyn Strong's Gross score of 75 last week, including four, count 'em four, birdies. Here's a picture of Phyllis Mueller awarding Lyn her birdie pin. Then today, Mary Ann Diridon scores a Hole in One at #6, yardage 145. This is Mary Ann's second Hole in One at #6. Mary Ann celebrated with cosmos toasting her skill in getting that ball to drop in one. Well done, Mary Ann!

Barber and Scott always put together a fun event.

Did you know?...from Betty Garcia: That Play for PINK (PFP) sounds like fun and games, and it was! The Swingers aka Women's Long Nine Golf club enjoyed a fun morning on the golf course on Tuesday, the 12th. Many months in the planning, it was remarkable for the good cause it was supporting, the Breast Cancer Research Foundation (BCRF). Thanks to underwriting by Estee Lauder Corporation, 100 percent of donations go to this charity. Go to playforpink.org to learn so much more about the important research this organization is doing, and the different kinds of research PFP is supporting this year. We feel great to have learned about them and to have been a small part of their efforts. Stay tuned for lots of pink pictures next week!

BOGGE NEWS

'That's a Bernie Ball!'

By Barbara Orlando

While playing a game of bocce, either in tournament or casual play, when a pallino is placed deep in either corner of the court, you often hear players shout out, "That's Bernie ball." For those who weren't fortunate enough to meet Bernie McCaffrey, he loved placing the pallino in those deep corners. Bernie was a member from the very start of the club and served on the board of directors in many positions over the years. He's missed by those who learned strategy tips on playing and those who knew him socially. So, when playing, and the pallino is placed deep the corners, you'll know what Bernie looked like. A very special guy.

The Fall Round Robin is finishing its first week of play in the last tournament of the bocce season. Good luck to all 28 teams participating in this six-week tournament.

The Village Challenge took place this past Sunday, September 10. Next week, photos of the winners will appear in the Villager.

Save The Date: Place the following dates on your calendar, so you don't miss out on upcoming events.

- Wednesday, October 25, Social following the Championship Game. More information to follow in future issues of the Villager and on our club's website.

- Friday, October 27, Halloween Bash 3-5 p.m., hosted by the Colaizzi's. Everyone is welcome!
- Sunday, November 5, Membership & Elections, Foothill Center from 3-5 p.m. Members only!

Correction: The first place team of the All Guys vs. All Gals tournament, team member Steve Gilbert, was not present for the photo and his name was accidentally omitted from the Bocce Straight Shooters line up.

Did You Know? Information can be found on YourCourts and the club's website villagesbocce.vgcc.club, such as tournament rules, rules of etiquette, referee rules and much more.

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are currently in morning play, gathering every Thursday morning at 10 a.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Thursday, September 7, 2023, was sunny and warm, another great day for some golf. It was also the first week of our annual three-week Ironmen Tournament.

Fourteen Ironmen played. The results are as follows:

Al Bruno won **Third Place** with a net 27; **Second Place** was a two-way tie between Dave Hathaway and Victor Hong with net 26s; Sang Nam won **First Place** with a four under par net 23!

There were nine **Birdies** today, a recent history high! One each by: Jack Bindon on hole 6; Al Bruno on hole 5; David Cook hole 2; Dave Hathaway on hole 8; and Doug Herring on hole 2; two by Victor Hong on holes 6 and 8; and two by Sang Nam on holes 1 and 9.

Sang Nam won **Closest to the Flag** on hole 1 at 6 feet, 6 inches.

And Sang Nam won **Low Gross** with a 27.

Golfer of the Day honors went to Sang Nam with a first place, two birdies, closest to the flag and low gross. Way to go, Sang!

Today's Ironmen Tournament results and the first week's Tournament standings can be found on the Scoreboard page in this week's Villager.

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts: "In the end it's still a game of golf, and if at the end of the day you can't shake hands with your opponents and still be friends, then you've missed the point." - Payne Stewart, winner of the PGA Championship, and two-time winner of the US Open

CLYNE SOLEY TOURNAMENT

Clyne Soley's Contributions to the USGA Handicapping System

Dr. Russell "Clyne" Soley, scientist and engineer at IBM and United Technology, dedicated golfer, golf book author, Villages Golf Club Champion in 1968, and long-time Villager—was also a statistician and mathematician by habit. He analyzed and charted everything. His affinity for numbers and golf led him to the development of a handicap system to equalize the chances of success for all players—beginners and experts, men and women, on all kinds of courses and types of competition.

While the USGA had worked on various approaches for years, it wasn't until 1979 that the USGA created the Handicap Research Team (HRT) including Clyne Soley as a charter member. Members of the team independently researched thousands of score-cards and player's experiences to understand what aspects of a golf course most directly influenced a player's score. Dr. Soley was the first expert to suggest that a course rating should include additional factors to course length to compute the course's difficulty.

The various course factors are combined into a "slope" rating for the course that indicates the measurement of the relative playing difficulty of a course for players who are not scratch golfers, compared to scratch golfers. It is the slope rating that allows all players to develop their "handicap index," and apply it with confidence on any USGA rated course in the world to find their "course handicap" and an equitable way to compete with all other players on that course.

This year's Clyne Soley tournament will be played on the Par 3 course on Saturday, September 30 with two tee times: 8:30 and 10:30 a.m. A luncheon and awards ceremony will follow at noon in the Vineyards Center. Entrance fees are \$50 for residents and \$60 for guests. Contact Dave Hathaway at dave.hathaway@comcast.net or 256-655-9416 to register. This event is sponsored by the Shoni and Ironmen golf clubs. Further information to follow in the coming weeks.

Villages Golfers – Be a part of our "Culture of Care"—We can all participate in keeping our golf course beautiful by observing these **simple acts of care**:

1. Follow the 90-degree rule (longer hitters) or the Entrance gates (shorter hitters) when entering the fairway
2. Avoid driving on the mounds surrounding our greens
3. Respect any roping and cart directional signs and please *exit* every hole through the *Exit Gates*
4. Park your golf carts behind the Yellow Lines 30-feet in front of each green
5. Repair your pitch marks on the greens
6. Fill your fairway divots with our sand mix provided on Hoe #1, #10, #6, #15
7. Smooth out the sand in the bunkers with the rake & knock the sand off your shoes before walking on the green
8. Do not drive on or too close to the #2 & #1 forward tees

Driving your golf carts properly helps to create consistent and predictable wear patterns making things easier to maintain. Driving carts on the greenside mounds breaks down the rough turf in these important areas that we chip from. Not fixing ball marks on the greens leaves a divot, which when mowed the next day causes scalping and a scar on the green. Not filling your divots or raking the bunkers leaves divots and footprints affecting the conditions for following golfers. Let's all make it a goal to leave our golf course in better shape than we found it, EVERY time we play...Thank you!

Tips from the Pro – Here today...Gone tomorrow

I had a member ask me other day, "Scott, why do I hit it great one day, and the very next day I cannot hit the broad side of a barn?" Well we all know the only consistency in golf is that it is inherently inconsistent. What I told him was that from my experience, the swing "template" for anyone does not change from day to day. Meaning a person's swing and delivery rarely change. What tends to change is the person's tempo and grip pressure. The small muscles can either be passive or aggressive and this is the biggest variable. So what I call "flow" is really what changes day to day, not the swing itself. So if you find yourself struggling with feel and balance; relax your grip pressure and waggle the club a bit to enhance your feel; and make sure your tempo is smooth, especially the first 2 feet of the backswing just off the ball. A good tempo tip is to visualize a syrupy swing like Freddy Couples or Ernie Els and try to mimic that tempo. Hopefully then you will get your "flow" back. Let us know if this tip helps. To sign up for a lesson with me, email ssteele@the-villages.com

SHONIS

Kathy Tanaka with her two trophies.

By Betty Hall

Our monthly Captain's Trophy golf outing happened last Tuesday. We had a nice large field, 25, along with two more new qualifiers. The course was in great shape and if we could just stay out of the bunkers and the lake, we could put down some good scores.

We usually start our golfing day with a mini putting contest, what we call Putting for Pesos. Last week we had two winners, Tahera Khalil and Jonna Robinson. They each get a dollar to add to whatever sweeps they win that day.

Our Captain's Trophy winner last week was one of our long time Shonis. Kathy Tanaka had a nice gross of 37 and with her handicap of 17, she also had the lowest net, 20. At the end of our golf year at our Holiday Luncheon in December, we present a permanent Trophy to the Shoni who has won the most Captain's Trophy low nets. Kathy certainly has a good head start on receiving this award.

PINSEEKERS

By Jim White

A recurring theme in quotes from professional golfers is focused on practice. Gary Player, "The harder I practice, the luckier I get." Dr. Bob Rotella, "A golfer has to train his swing on the practice tee, then trust it on the course." May Hezlet, five-time winner of the Irish Ladies Close Championship, 1899 – 1906, "No golfer can ever become too good to practice."

The results for September eighth are: First Place, Jim White, Net 32; Second Place, Don Lee, Net 34; Third Place Choo Kim, Net 36; Fourth Place, Jack Bindon, Net 37. All totaled, we had twelve members finish the day with an average score of Net 38. That's only two over par. Great day gentlemen.

By now, all Pinseekers should have received an email from President Lee Thompson regarding "Pace of Play." This is an ongoing issue for us. The scorecards printed by the Pro Shop give an estimated time for completing each hole, based on your starting tee time. This time is for 2 hours and 15 minutes to complete a 9-hole round. There are a few things we can do to speed up our rounds:

1. Play Ready Golf. If you are in position to play and a playing partner, who is further from the hold, is not yet ready to hit, Play your ball.

2. If a playing partner cannot locate his ball, help him look. Three or four sets of eyes are always better than one.

3. The Pinseeker Rules of Play dictate that the maximum number of shots that may be taken on any hole is 10. If you have completed your 10th stroke pick up your ball and move to the next tee.

4. If your group is lagging too far behind your hole completion time as established on your scorecard, accelerate your play or pick up your ball, score a ten for that hole, and move to the next tee.

Always remember, the number one priority in Pinseeker golf is to have fun. Don't let a bad shot or lost ball ruin the day for you or your playing partners.

Villages Culture of Care – Adopt A Green Initiative

At The Villages we pride ourselves in maintaining excellent golf course playing conditions. And the greens are a major focus of course conditions.

Toward that end, we have an "Adopt a Green" initiative for all resident golfers as a part of our continuing Culture of Care initiative.

The premise is simple – each resident golfer will be assigned a green(s) according to the first letter of their surname. Whenever you play, you will be asked to repair as many ball marks as possible on the green(s) to which you are assigned.

And remember to always repair your personal ball marks on every green played as well.

We encourage you to start repairing your assigned green(s) as soon as possible. We thank you for your efforts...This will make golf at The Villages more enjoyable for all!

Smiling Sunny seeks her forever home

Sunny is a friendly and affectionate six-year-old 49-lb. female Australian Cattle Dog/Blue Heeler mix that, according to her foster mom, "... is just a joy and smiles all the time!" She is smart, respectful and responsive to basic commands. She loves getting outside and wiggles with excitement when the harness comes out, but since she is fairly low energy, she doesn't require a lot of exercise. While she is quite playful, she also loves just relaxing and snuggling with her foster family and canine siblings.

For more information, check out Sunny's page under adoptable dogs at svpetproject.org, or contact Sarah Clark, Villages resident and SVPP foster/adoption coordinator at 408-202-1222, or sarahc@svpetproject.org. Sarah and SVPP will provide you with extensive support every step of the way. Foster or adopt a pet. Save a life and enrich your own.

Real Estate

The Fed stopped talking. Mortgage interest rates slip under 7%.

Mortgage interest rates have slipped down some. This has helped fuel a bit of a buyers purchasing movement. The sale of homes outside the market has been active as well as inside the Villages.

In the Villages however, there are still too many Cribari homes waiting for new owners to come along. My Cribari listing is a beautiful remodel that is in one of the best locations in Cribari Village. We are all hoping that the slowdown in rate increases continues to bring out the buyers. The larger Village homes, if prices right, are coming off the market as quickly as they come on.

"Will my home 'pass the test?'" After receiving the inspection reports from the home inspector, my clients looked extremely worried. They were wondering if they needed to fix all the items listed on the report. After reading so many reports over the years, I had forgotten that this is the first introduction to these type of reports for my seller. Sometimes they can look a bit scary.

You see, the inspectors have to be up to date on the latest building codes. Not only do they call out damaged area of the home, they also call out the differences between the old construction and what is required by new building codes. Of course, there will always be some areas of an older home that will not be built to the new building code standards and will be noted by the inspector.

The Village homes are not new construction, so there are often a few notes regarding new building codes. Some items that almost always show up on the inspection reports. I have guys that can make those repairs. My clients were relieved to know their home was not in bad shape despite the inspector's comments and that we can fix a few items to be able to present a very clean home for sale. Buyer or seller, I can ensure that my clients understand the condition of the property.

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your *Villager* picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

Know a Veteran who would like to be honored with a Quilt of Valor?

By Nancy Chesterton

The Villages Quilters have joined with the Quilt of Valor Association to honor our Villages vets during “Salute the Veteran Week,” November 6 to 11. We will be presenting Quilts of Valor on Wednesday, November 8. We believe that there is a want and need to recognize these veterans’ service and sacrifice, particularly by those of us who did not serve. So far, the Villages Quilters have awarded 12 Quilts of Valor since 2019.

We just need help finding these vets in The Villages. Do you know someone who is proud to have served, but who may or may not talk about it?

One recipient told me recently, after receiving his quilt, that he didn’t realize how much it meant to his family for him to be recognized. It opened up communication between him and his grandchildren. Our children, let alone our grandchildren do not understand what it meant (and still) means to put your life on hold because your country needed your skills.

If you know these vets, please encourage them to pick up an application form and let the Villages Quilters honor our own. Vets can apply themselves, or be nominated by a friend, spouse, child, neighbor, etc. but they must consent to being honored. We are not allowed to surprise them.

Application/nomination forms are available from the Villages Quilters (Fridays, most Saturday and Sundays in the Patio room), the Chaplain’s office or through the Villages Resident Portal.

Do you know anyone who would like a quilt of Valor? Are you a vet? Would you like one?
