Veterans Day Tribute is November 11

All Villagers are invited to attend the Veterans Club's tribute to all military veterans on Veterans Day on **Saturday, November 11, at 1 p.m.** in Cribari Auditorium.

Dr. Clyde R. Horn

The featured speaker will be Clyde R. Horn, Ph.D. He is an accomplished speaker, a Vietnam veteran, and an author of two books, PTSD In Pictures & Words and Veteran Guilt in Pictures & Words. The event will be followed by a reception.

Find old favorites at the Holiday Faire

Mary Wolleson has been a part of the show since 2006. Using the highest quality fabrics, Mary sews stunning quilts, totes, table runners and placemats that keep her loyal customers coming back. Stop by for a look at her holiday line of festive placemats!

Villages Music Society to present a Concert Band performance

By Victor Clifford

Under the direction of Melson Varsovia, the concert will be held in Cribari Auditorium on Sunday, October 29 at 2:30 p.m. This is Melson's second concert season with the band, and we could not be more pleased to have him with us! You can purchase open seating tickets at the time of the performance for \$20.

To purchase tickets ahead of time, go to the Cribari Auditorium lobby from **10 a.m. to noon** on **Saturday, October 28**. If you purchase tickets ahead of time you can take advantage of a 10-percent off benefit at the Villages Clubhouse Restaurant on that day (main dining room only).

A peek at just a few of the music selections shows that we can look forward to music from "The Temptations On Stage." This American vocal group originated in Detroit, Michigan and released a series of successful singles and albums with Motown Records during the 1960s to early 1970s—their five-part harmony is timeless!

(Continued on page 23)

Piano Open Studio free concert is November 5

See you on **Sunday, November 5** at the **2:30 p.m.** free Piano Open Studio autumn matinee concert in Cribari Auditorium. Remember to set your clock to "Fall Back" the night before (Saturday evening). Join us for the post-concert reception in the Cribari Conference Room for refreshments and friendship.

Performers: Larry Broderick, Karen Carlson, Charlotte Dickson, Ciel Duke, Vera Johnston, Ron MacInness. You will be entertained with a variety of piano genres—Broadway, popular standards, classical, folk tunes, solos and duets.

Volunteer to be a greeter and distribute program booklets; email Estelle at marchstar@comcast.net.

Silicon Valley Notable Singers concert is tonight

There is still time to sign up for this concert! In 2022, the Italian Club welcomed world-renowned performer Pasquale Esposito. The performance was a great success, allowing Villagers a chance to enjoy Pasquale and a wonderful meal at a fraction of what tickets would cost the following night in San Francisco!

On **Friday, October 27**, we welcome the Silicon Valley Notable Singers, in the Cribari Auditorium at **7 p.m.** The Notable Singers is a group of men and women, several from San Jose State, who perform throughout the Bay Area with a repertoire of Italian classics, from opera to pop music. They are trained by Pasquale Esposito, so you know they'll be great! As we have procured the Cribari Auditorium, this one-time event will be open to all Villagers, not just the Italian Club. Seating is open—first-come, first-served. All registration is online—to register, visit <https://rebrand.ly/Italian-Club>. Cost for non-Italian Club Members is \$35 per person.

Event Questions? Call Noel Lanctot at 408-268-8724. Registration Issues? Call Anahid Gregg at 732-742-4874.

COMMUNITY NEWS

PULSE

Dear Readers:
The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 4 p.m. on Thursday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Letter authors are limited to one published Pulse letter per month. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com. E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

1 Pulse letter received this week.
1 Pulse letter published this week.
0 Pulse letters published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.

All Pulse letters that are published are retained by the Communications Advisory Committee (CAC) for a period of 12 months. Pulse letters not meeting Pulse Letter Requirements are not shared with anyone outside the CAC, management or Club Board and staff liaisons for the reason of confidentiality.

To a resident's Pulse from the October 12, 2023 *Villager*.

The author states that, "I believe it's obvious that we don't want to change the CC&Rs!"

The vote extensions are solely due to the fact that there is an insufficient number of ballots returned to reach the quorum of 1,150 ballots. Submitted ballots are not tallied until the end of the voting deadline and the quorum is reached. By encouraging residents to not vote, you are causing additional funds to be spent to extend the vote.

To suggest to residents that not voting is the same as a no vote is factually incorrect. There are only two possible votes, yes or no, and they must be submitted to be counted.

Article 8 are changes to the Minor and Major Insurance Proceeds Deficiency. If anybody has questions about these items, contact the ABOD or your insurance company. These changes do not give any superpower to future ABODs.

Posting factually incorrect comments is counterproductive.

The ABOD is made up of owner/residents who volunteer their time with no compensation.

They pay assessments like everyone, so I do not understand why anybody would think the ABOD would create changes that adversely affects our assessments.

EVF's Flights and Bites Takes Off

Word is getting around about the Evergreen Villages Foundation's (EVF) highly successful Flights and Bites, a bi-monthly foodie and wine connoisseur event for 24 residents, hosted by The Villages Food and Beverage Director, and resident sommelier, John Yu.

Flights and Bites is one of the many perks available to Sustaining Members of the EVF. Not only do the events feature a gourmet three-course food tasting with appropriate wine pairings

but John also educates diners on the intricacies of each selection such as grape, soil, climate, and production.

"I learn a lot about wine at each dinner," enthused Sustaining Member Jerry Neece, "with the added benefit of getting gourmet food with outstanding presentation. The recent bacon-wrapped mini filet mignon tournedos finished with drizzled peppercorn demi glaze and the chocolate crème brulee were absolutely to die for."

Events such as Flights and Bites and EVF's October 24th Annual Recognition gathering are designed to reward EVF's many Sustaining Members. Secure your invitation to Flights and Bites by becoming a Sustaining Member for as little as \$5 per month by signing up at evfsj.org. A complete list of all the other benefits of membership is also available on the website.

As always, the Evergreen Villages Foundation's mission is to enhance Village Club amenities for the benefit and comfort of residents.

Villages-wide Biennial Age Certification Survey and Association Annual Statements of Compliance

By Julia Meadows, CCAM, CMCA, AMS, PCAM

The biennial age certification arrived in October for all residents of The Villages encompassing both The Villages Association (condos) and also The Villages Homeowners' Corporation (single-family homes). For residents of The Villages Association (condos), the annual Association Smoke, CO Detectors and Insurance Statements of Compliance will also be arriving.

Age Survey: To continue our community's status as a senior community, The Villages must comply with the state and federal laws that govern senior housing developments. The Villages Association and Homeowners' Corporations must conduct periodic surveys (every other year) to verify and document that the community is in compliance. Failure to satisfy the legal requirements may result in a determination that our community is not a lawful senior community and therefore means that we must allow persons of all ages to live here.

In order to fulfill the requirements imposed upon the Corporations, one resident of your condominium or single-family home must complete, sign and return the Age Certification (under penalty of perjury). Please note that if you are an offsite owner, you must have one of the tenant(s)/resident(s) complete and sign the Certification. Offsite owners are responsible for ensuring completion and return of the Certification by one of their tenant(s)/resident(s).

Association (Condos Only) Smoke, CO Detectors, and Insurance Statements of Compliance: In order to fulfill the requirements of The Villages Association Policies APo 408 Smoke Detectors Installation, Maintenance, Repair and Replacement, and APo 410 Carbon Monoxide (CO) Detectors, each owner is required to inspect (or have inspected by a third party) his/her villa on an annual basis to ensure their detector(s) are in working order and in addition, all Association residents (renters and owners) must provide a certification of insurance that complies with the Association CC&Rs and Association Policy APo 409 Home Owner & Resident Insurance Requirements and Verification.

State and local laws require a smoke detector in each sleeping room and in the hallway and a carbon monoxide detector be installed outside of each separate dwelling unit sleeping area. Per the policies, the replacement of smoke detectors is required every ten years and replacement of CO detectors is required every five

years. In addition, a statement of compliance shall be demonstrated annually.

All Association condo owners must maintain property and liability coverage (commonly referred to as HO6) plus loss assessment coverage. Renters must maintain liability coverage (commonly referred to as HO4 and property coverage in an amount deemed appropriate by the renter. Both parties are required to provide a certificate of insurance that complies with the CC&Rs.

The policies listed below and the specifics on The Villages insurance guidelines and requirements are available on The Villages website at the following address links:

Insurance Guidelines: <https://resident.thevillagesgcc.com/private/insurance>
Policies:

APo 408 Smoke Detectors <https://resident.thevillagesgcc.com/private/apo408>

APo 409 Insurance <https://resident.thevillagesgcc.com/private/apo409>

APo 410 CO Detectors <https://resident.thevillagesgcc.com/private/apo410>

The deadline to complete and return the Age Certification (all residents) and Smoke, CO Detectors, and Insurance Compliance forms (for condo residents) is on or before **Monday, November 6, 2023**. You may either drop it in the deposit box located in the parking lot just outside of Building A or mail the completed document and any attachments back to us at:

The Villages
Attention: Age Certification/Association Compliance,
5000 Cribari Lane
San Jose, CA 95135

We appreciate you taking the time to complete and return these important forms. Please be assured that the information that you provide is used strictly for the corporations' records and to document our community's compliance with applicable laws and the governing documents. A summary of the age survey results (not including names or addresses) will be made available following completion of the survey.

Thank you for your assistance with this very important matter.

To Villages Owners: The MOTUS (Opt-In) Elective Earthquake Insurance Program

Last fall, both The Villages Association (ABOD) and The Villages Homeowners' (HBOD) boards introduced an earthquake insurance program offered by Motus Insurance Services. The Motus earthquake insurance program is an *optional* insurance policy that Villages owners may purchase to protect themselves in case of an earthquake that causes damage to their property. Motus offers temporary living off-site and potential special assessments cost assistance. It's an alternative, with some unique features compared to other individual earthquake insurance programs such as those offered by the state of California's CEA program, or some private insurance companies.

A Motus policy is *not* earthquake insurance purchased by, or for, any of The Villages corporations—it is available only to individual homeowners (condominiums and single-family homes.)

With the Motus program, each owner of a condo/villa or single-family home must decide for themselves whether they want to buy earthquake insurance and the type and amount of coverage. Motus offers two policy versions—one version for condo/villa owners, and another version tailored for single-family homeowners.

To learn more about Motus, visit the Resident Portal www.thevillagesgcc.com, or visit www.MOTUSINS.com. In addition, Motus has scheduled an informational webinar for **Wednesday, November 8 at noon**.

Or

Dial (669) 900-6833, Meeting ID: 827 268 5044#

Disclaimer: Purchasing a Motus insurance policy is strictly an individual resident's choice. Neither the Villages Association, nor the Golf and Country Club, nor the Homeowners' corporations make any recommendations for or against purchasing a Motus policy.

The Villages Association CC&Rs Vote

The Villages Association Board has approved to extend the ballot deadline for the Third-Amendment to the CC&Rs to **Monday, December 11, 2023**. Replacement ballot packages are being sent to members who have not yet voted. Please vote on this important amendment.

Notice Re: Annual Financial Statement

As you are aware, the preparation of our annual financial statement is a critical part of our fiscal responsibilities and is traditionally due within 120 days of the commencement of the fiscal year.

This year, we underwent a significant transition by engaging a new auditing firm to oversee this process. The transition necessitates additional time to ensure the accuracy and completeness of the financial statement.

In light of these considerations, we wish to inform you that the completion and distribution of the financial statement may extend beyond the usual timeline. We are committed to ensuring that the financial statement is prepared to the highest standards and is reflective of our financial health. As such, we anticipate that the financial statement will be made available to all members on or before November 30, 2023. We want to assure you that we are working diligently to expedite the process while maintaining the integrity of our financial reporting.

Thank you for your attention to this matter, and we look forward to your continued support and cooperation as we strive to provide you with the most accurate and reliable financial information.

(SRS) SENIOR RESOURCE SERVICES

Special PG&E rates for medical equipment users

PG&E's Medical Baseline Program is an assistance program for residential customers who depend on power for certain medical conditions and/or certain medical devices. Examples of Qualifying Medical Conditions are asthma or a compromised immune system. Examples of Qualifying Medical Devices are motorized wheelchairs or CPAP machines.

Please note: Eligibility for Medical Baseline is based on medical conditions or needs, not on income.

The program includes two different kinds of help:

1. A lower rate on your monthly energy bill
2. Extra notifications in advance of a Public Safety Power Shutoff.

PG&E residential customers on the tiered rate plan receive an allotment of energy every month at the lowest price available on their rate. This is called the "Baseline Allowance." Customers who are eligible for the Medical Baseline Program receive an additional allotment of electricity and gas to their Baseline Allowance each month. This additional amount is approximately 500 kWh per month of electricity and 25 therms per month of gas. This ensures that the energy to support qualifying medical devices is available at the Baseline rate.

If the initial Medical Baseline Allowance is not adequate for your medical needs, you may ask PG&E to increase your Allowance.

The application for the Medical Baseline Program is available online at pge.com/medicalbaseline. If you opt to use the online method, you fill in your name, address, and customer account number. It also includes your preferred method of contact in the event of a planned or unplanned outage.

You will receive a confirmation code via email. Give your code along with the accompanying instructions to your medical practitioner. Your licensed medical doctor completes your application. They must list the life support medical devices required or indicate that additional heating or cooling is medically necessary to sustain life or to prevent deterioration of your medical condition.

If you prefer to have a paper copy of the application, stop by the Senior Resource Services office for the form. You will complete page 1; your doctor will complete page 2.

Once your practitioner has submitted your eligibility to PG&E, you will receive acknowledgment that you are now enrolled in the program.

If you live in a condo and are considering an alternative source of power for medical purposes, be aware that backup electric power systems require Architectural Committee approval. Go to The Villages web site Residential Portal or call Facilities and ask for AC Rule D-31 "Backup Electric Power Systems."

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagersrs@sbcglobal.net. The web site is www.thevillagesgcc.com/srs. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

SRS Announcement:

Social Security to rise 3.2 % in 2024

While the 3.2 percent Cost of Living Adjustment (COLA) is significantly lower than the 8.7 percent COLA seniors received in 2023, it's higher than the average over the past 20 years—which has been 2.6 percent. The Social Security Administration announced the estimated average SS benefit payment in 2024 will be \$1,907.

Medicare B insurance premium to rise 6.0 percent in 2024.

Your Medicare B premium will also be going up—from \$164.90 to \$174.70. This is an increase of \$9.80 per month.

In November, Senior Resource Services will discuss the Income Related Monthly Adjustment Amount to Medicare B if you have adjusted gross income of more than \$103,000 (single) or \$206,000 (married). This is commonly called the Medicare Surcharge.

COMMUNITY ACTIVITIES

The following events are sponsored by the Community Activities Department. Please telephone 408-223-4643 for additional information.

Step back in time with Victorian Carolers!

On Wednesday, December 13, celebrate the holidays like it is 1823 with a wonderful performance from the Lyric Theatre's Victorian Carolers! The fabulous quartet will be dressed in full Dickensian costume to share a capella renditions of traditional English Christmas songs as well as secular and contemporary classics in the Cribari Conference Room from 7 p.m. to 8:30 p.m. Don't be a scrooge, take a journey back in time with us!

The Lyric Theater has been operating in San Jose since 1972 with roots in Gilbert & Sullivan and other light opera, the caroling program was initiated in 2008 and has performed all over the Bay Area. Hot beverages will be provided. The cost per person is \$15. Pre-registration in Building B is required. Register in Building B during business hours beginning Monday, October 30 and ending Friday, November 17 or sooner if spots fill up.

Pools, spas closing for season

Cribari, Montgomery and Foothill pools and spas will be closing for the winter season on November 1, 2023. The last day of use is Tuesday, October 31. Vineyard pool and spa will remain open during the winter season.

One room left for Reno trip!

We have one room left for our trip to Reno, NV! We will be staying at the El Dorado Casino in a Deluxe room for three days and two nights, **Wednesday, December 6 through Friday, December 8.** We will depart from the Cribari East Parking Lot at 8:15 a.m. on Wednesday and stop at a Carl's Jr along the way to stretch our legs and grab something to eat (purchased independently), then it's back on the road. Please note, unlike previous years, alcohol is not permitted on the bus. The estimated return time to The Villages is 6 p.m. on Friday.

The cost of the rooms is based on occupancy and includes room, meal vouchers, escort, resort services and fees, and round-trip transportation. If you would like a room by yourself, you are paying your share of the trip costs and the whole cost of the room, which totals \$349. If you would like to share a room with another individual, you are paying your share of the trip costs and half the cost of the room, which totals \$303.

When registering please let us know if you would like two queen beds or one king bed (no price difference) and if you require any special room accommodation. All rooms will be non-smoking unless you request otherwise. At registration you will receive a Royal Coach luggage tag and a form so you can park in the Cribari East Parking Lot for an extended time.

Your room keys will be handed out on arrival along with your meal vouchers. You will receive two meal vouchers, which can be used for any meal at the casino (breakfast, lunch, dinner), so if you stayed up all night gambling and wake up at 2 p.m. it is OK if you missed breakfast! On our return we will stop again along the way at Carl's Jr.

Gratuity for driver is included in price, additional tipping is at your discretion. Register in Building B during business hours.

Sign up for trip to SF's de Young Open!

On Friday, January 5, come with us to the de Young Museum in San Francisco as we explore the works of artists who live within the nine counties surrounding San Francisco Bay at this triannual (every three years) exhibition. This year 7,766 artists submitted entries for the de Young Open 2023, and the 883 works shown were selected by curators and distinguished Bay Area artists for display. The artworks are presented in a "salon style," where nearly every inch of display space is covered wall-to-wall and floor-to-ceiling, and grouped by themes such as the urban environment, the human figure, surreal imagery, and more. This exhibition supports local arts communities, and the works may be purchased (contact the museum for more information). Lunch options include the museum café and outdoor food stands in the area.

We will depart from Cribari East Parking Lot at 8:30 a.m. with an estimated return time of 3 p.m. Activity Level: Light to Moderate Activity (benches may or may not be available).

The cost per person is \$63 regular price; \$44 for FAMSF members.

- Regular price includes admission, escort, and round-trip transportation.

- Fine Arts Museums of San Francisco members must show valid membership card at registration.

Gratuity for driver is included in price, additional tipping is at your discretion. Audio Tours are not available for this exhibition. Take advantage of this opportunity, it will be three years before it comes back around! Register in Building B during business hours beginning Monday, October 30 and ending Friday, November 17 or sooner if tickets sell out.

Henry Coe State Park: 'Past History, Present Opportunities'

This month's Hiking Club program will focus on Henry Coe State Park. At 88,000 acres, Henry Coe State Park (east of Gilroy and north of CA-152) is the second-largest state park in California. We will discuss briefly the history of the park, including both human and natural history. Most of the talk will focus upon present-day recreational opportunities in Henry Coe, which center on hiking, backpacking, mountain biking, horseback riding, and fishing.

Our speaker, Al Henning, spent his first 18 years growing up outside of Chicago. In his schooling, family life, and work, he has split time between the Bay Area (34 years) and New England (16 years). In the mid-1980s, he worked (through the local Sierra Club chapter) on expanding Henry Coe State Park. He has hiked and backpacked extensively around the Bay Area and in the Sierra Nevada, as well as in the Rockies, New England, the Alps, and Norway.

The Villages Hiking Club is meeting at the Foothill Center on Monday, October 30, 2023 at 7:30 p.m. All Villagers are welcome to attend.

Afternoon Bingo is November 1

Global Village: 'Secrets of the Blue Zones'

By Pradeep Sonawala

The Global Village Community Club cordially invites you to our meeting on Tuesday, October 31 on plant-based diet in Montgomery Center from 7 to 8:30 p.m.

As Marie-Paule Wood, a culinary expert gets ready to give

a cooking demo of her favorite recipe, our facilitator Mary Mackey will show us the first episode of "Live to 100: Secrets of the Blue Zone" for about 35 minutes.

Marie-Paule is a new member of the GVC Club. She was born in Loire Valley, France, and attended the "Jeanne Delanoue School" of Cooking in Cholet, France. She specialized in Cuisine and graduated in July 2000.

She has lived on a 50-foot Catamaran for six years with her husband and two daughters, hosting many marinas along the West and East Coast of the U.S., Mexico, through Panama Canal and the East Coast of South America. She has seen many different cultures and diets. We have requested her to give a cooking demo of something simple as yeast bread or something suitable for our limited kitchen facility and permitted time.

Over the years Marie-Paule has done small private catering, given one on one coaching and managed small cooking classes. She is a Villager and happy to offer exciting new recipes and cooking ideas to those interested.

This event is free for residents but registration is required. Global Village Community Club is a Board approved Club. To register or find more information visit sites.google.com/view/gvclub or email globalvclub@gmail.com

VMA to present 'Hip Bursitis: Tame the Pain'

By Barbara F. Zahner, VMA Health Program Coordinator

"Ayyyyy-yiiii-yow! What's with my hip?!" You know the pain well. You swivel, rotate your body into the swing... "Yeow!" your hip bellows.

Or you snuggle deep into your easy chair for an afternoon snooze. You awake refreshed and ready to rise. You place your hands on the armrests, bend your knees, lift your hips, and "Ouuuch! My hip hurts! What happened?!"

Possibly hip bursitis. A frequent cause of chronic hip pain, bursitis results when the 150 cushions in your body called bursa, become irritated and inflamed. The result? Pain, swelling and limited range of motion attack.

Learn how to tame the pain of Hip Bursitis. On Thursday, November 2, the VMA will present "Hip Bursitis: Tame the Pain" from 11 a.m. to noon in the Sequoia room at Cribari Center.

Join Silver Creek Physical Therapists Zoe Kienenberger and Kendell Eakle, Nov 2 at 11 a.m. in Sequoia Room in Cribari Center. In an interactive presentation, Zoe and Kendell will cover: What is hip bursitis? What causes it? How to prevent hip bursitis? What are the treatment options?

Whether your hip speaks to you in a sharp, intense screech or a dull, ongoing ache, this workshop will provide you the tools to answer back. You will learn to treat your bursa with TLC as you step into that swing or settle in for a snooze.

Reserve your spot now as there is limited seating. Visit villages.vgcc.club and click on "Events" then follow prompts. Or call Bonnie Grim, MS, VMA Service Coordinator at 408-238-4029.

Villages Dog Club to take pictures with Santa

By Barbara Sunseri

Santa comes early for the Villages Dog Club and residents. Please come and join us for Christmas card photos on Saturday, November 4 at Montgomery Lake from 10 a.m. to 12 p.m. I will use your phone or camera to take the pictures.

Hope to see you at Montgomery. If you have any questions, please email thevillagesdogclub@gmail.com

Join Paint Night—on a Sunday Afternoon!

You may remember that several years ago we had occasionally hosted a Paint Night where people with no experience could complete an acrylic painting. After that first Paint Night in the Art Room, the event was moved to the Sunset Room at the Clubhouse where people could buy wine and snacks.

Now Paint Night is back—on a Sunday afternoon! Nicole Alexander, daughter of Villager Irene, is hosting and teaching this offering on Sunday, November 11, from 2 p.m. to 5:30 p.m. in the Art Room. You need absolutely no experience to participate! Nicole furnishes the paint, brushes, canvases, easels and non-alcoholic refreshments. You will go home with a lovely fall scene in brilliant acrylic paint.

The fee is \$45 with all materials furnished. You may want to wear an apron or an old shirt. Register by emailing barb.gottesman@gmail.com

Dance the night away like Barbie

“Watch me dance! Dance the night away!” This catchy tune by the singer Dua Lipa helped revamp Barbie’s popularity this past summer.

Barbie officially made her debut on March 9, 1959 at the American International Toy Fair in New York City. Here we are in 2023 and Barbie hasn’t aged a bit! Perhaps all the dancing has something to do with it. Come “Dance the night away” every Monday evening. No partner or Barbie mobile needed.

The style of dance for November is the ‘70s. Songs and genres change monthly. You are sure to find your favorite as well as challenge yourself with something new.

The Just-For-Fun dance group meets every Monday at 5:30 p.m. in the Cribari Auditorium.

Bernice Toy is the Club President and choreographer of The VMS Village Dancers. She can be reached at Bernice.Toy@gmail.com. For more information, see the Music Society website: villagesmusicsociety.org/about-us-3. The Village Dancers charge an annual \$20 membership fee to participants. All monies go towards support of the club.

Red Hats take trip to Tortoise Home

By Shirley Harms

The October outing of Red Hats Crimson Charmers was to the Tortoise Home in Campbell. It was a great time and group members got to feed the tortoises and sit on AI, the 500-pound tortoise. There are 30 tortoises at this ranch. We were there with a pre-school class and it was fun to see them enjoy the experience.

We went to lunch at Jack’s restaurant in Campbell and celebrated Sally Burns’ 103rd birthday. She was very thrilled to wear a purple hat as that is the tradition if it is your birthday month.

Anyone interested in going to Tortoise Home can call 408-550-3380 for information.

For information to join the Red Hats Crimson Charmers, contact me at 209-480-4242 or Linda Hackel at 408-921-5619. We are always looking for new members.

City Council Member Domingo Candelas to visit Villages

The Villages Democratic Club invites you to a meet and greet meeting with our local City Council member, Domingo Candelas on Saturday, November 4 from 3 p.m. to 4:30 p.m. in Montgomery Center. Here’s a chance to interact with Domingo in person and discover his approach to community engagement, and get answers to your questions.

Following Sylvia Arenas’ move to the Santa Clara County Board of Supervisors, Domingo Candelas was appointed to fulfill her term, which runs until December 2024. At the time, he was serving as Stanford University’s local government affairs director. Since taking his seat, Domingo has been active, addressing numerous community concerns. Notably, he organized a scam awareness meeting featuring high-level representatives from Sacramento and the Santa Clara District Attorney’s office to teach us how to protect ourselves from technological scammers. Close to home, Domingo collaborates closely with the Villages fire safety committee, ensuring that our safety remains a top priority. His recent successful fire seminar at The Villages was well-attended and educational. As he prepares for reelection next year, come and evaluate for yourselves if he has earned our support and vote.

We look forward to engaging in a fruitful dialogue about the future of our city and our community. Kindly confirm your attendance by registering on our website at VillagesDemClub.com. See you on November 4!

Journalist Jennifer Lee Chan to speak at Villages Men’s Fun Social Club

Journalist Jennifer Lee Chan will be the speaker at the Villages Men’s Fun Social Club luncheon on Tuesday, November 7. Guests are welcome to come at 12:20 p.m. to listen to Jennifer speak.

After several years of being a fan of the NFL and the 49ers, Jennifer took the advice of many and decided to put her knowledge and passion to good use. She has contributed to several blogs including SB Nation’s 49ers site, NinersNation.com, prior to landing at NBC Sports Bay Area. She now is in her 10th season covering the 49ers.

While the actual game is exciting, it is the back stories behind the players that intrigue her the most. Hopefully while satisfying her own curiosity, the stories here provide a little insight as to what happens behind the scenes of a football team, and how it affects what unfolds on the field.

Senior Academy: How does SpaceX's Starlink work?

Join Senior Academy's Technology Explorers Zoom meeting on Monday, November 6, at 1:30 p.m. where John Trudeau will present a look into the technologies behind SpaceX's StarLink satellite-based internet service. We'll look at the components of the local, home-based antenna dishes and how they work using phased-array transmissions to communicate with an available one of the thousands of satellites that make up the StarLink network.

We'll also look at how the satellites work. If time and interest allows, we'll look at how data is compressed to improve communications efficiency—specifically, we'll look in detail at how JPEG image compression works. This is a great look at some of the technologies behind an amazing technology in itself—satellite internet.

This Zoom meeting is free for all Villagers. Register for the event at VillagesSA.org/tech-registration

Senior Academy: 'Climate Change: How we got here and where we are going'

A lot has been written about climate change over the last decade as the specter of its devastation took hold in our weather patterns across the planet. The consequences are apparent in daily global weather forecasts and news of storms, floods, heatwaves and wildfires. Despite the fact that the topic is getting attention in the media, resolution is not on a sufficiently fast track to prevent the acceleration of potential catastrophe.

Campbell Scott

Why not? After all, for more than 100 years, scientists have understood the role of carbon dioxide and other greenhouse gases in warming the planet, but the amount of CO2 emitted by modern industry and transportation has far exceeded their early expectations. As a result, the planet has warmed by 1.2 degrees C, and is on a trajectory to exceed 2.0 C by 2050. The solution has been clear: we must rapidly phase out fossil fuels and transition to renewable energy sources. And the technology to do so is available today even as the economics favor acting sooner rather than later. Recent legislation in the United States and elsewhere provides incentives to businesses and consumers to accelerate the deployment of clean electricity, modernize infrastructure, redress long-standing economic and climate injustices and create new jobs.

So, what's next? Join Campbell Scott's return to Senior Academy to address this issue on Wednesday, November 8, from 2 p.m. to 4 p.m. in Foothill Center.

J. Campbell Scott, Ph.D. grew up in Scotland and was educated at St. Andrews University and the University of Pennsylvania. He retired after five years of teaching physics at Cornell University and nearly 40 years with IBM Research. He joined the Climate Reality Project in July 2020, where in his current role as director of the speakers bureau of the Silicon Valley Chapter, he applies his experience in scientific research to inform the public about the science, impacts and solutions of climate change.

Register for this lecture on the Senior Academy website at villagessa.com or by calling Diane Taylor at 408-912-5594.

"Dark Angel" (a Letty Davenport book 2) by John Sandford. Letty Davenport's days working a desk job at are behind her. Her previous actions at a gunfight in Texas—and her incredible skills with firearms—draw the attention of several branches of the U.S. government and make her a perfect fit for even more dangerous work. The Department of Homeland Security and the NSA have tasked her with infiltrating a hacker group, known only as Ordinary People, that is intent on wreaking havoc. Letty and her reluctant partner from the NSA pose as free-spirited programmers for hire and embark on a cross country road trip to the group's California headquarters. While the two work to make inroads with Ordinary People and uncover their plans, they begin to suspect that the hackers are not their only enemy. Someone within their own circle may have betrayed them and has ulterior motives that place their mission—and their lives—in grave danger. Large Print, Mystery, 2023.

"All the Days of Summer" by Nancy Thayer. Heather Willette has a good life in Concord, Massachusetts. But when her marriage fizzled out, Heather has to decide what sort of life to live next. Ready to seek out her own happiness and discover herself again, Heather decides to leave her husband and rent a cottage on Nantucket. And her plan is going perfectly—until her son, Ross, announces he's moving to Nantucket to work at his girlfriend's family's construction business instead of going back home to work with his own father, like he'd promised. Worst of all for Heather, this means having to get along with her. Kailee Essex is thrilled that Ross is willing to move to her hometown. She has big hopes for their happily ever after, especially now that her parents are finally showing interest in her career. She's less thrilled, however, about his mother living nearby. Kailee has clashed with Heather since the day they met. But anything is possible in the summer sun and sea breezes of Nantucket—even reconciliation. And when change comes sooner than either Heather or Kailee expect, they must learn to overcome their differences to fight for the future they want. Fiction, 2023.

"Madwoman" by Louisa Treger. In 1887, young Nellie Bly sets out for New York and a career in journalism, determined to make her way as a serious reporter, whatever that may take. But life in the city is tougher than she imagined. Down to her last dime and desperate to prove her worth, she comes up with a dangerous plan: to fake insanity and have herself committed to the asylum on Blackwell's Island. There, she will work undercover to expose the asylum's wretched conditions. But when the asylum door swings shut behind her, she finds herself in a place of horrors, governed by a cruelty she could never have imagined. Cold, isolated and starving, her days of terror reawaken the traumatic events of her childhood. She entered the asylum of her own free will—but will she ever get out? An extraordinary portrait of a woman ahead of her time, "Madwoman" is the story of a quest for the truth that changed the world. Fiction, 2023.

"Small Mercies" by Dennis Lehane. In the summer of 1974, a heatwave blankets Boston and Mary Pat Fennessy is trying to stay one step ahead of the bill collectors. Mary Pat has lived her entire life in the housing projects of "Southie," the Irish American enclave that stubbornly adheres to old tradition and stands proudly apart. One night Mary Pat's teenage daughter Jules stays out late and doesn't come home. That same evening, a young Black man is found dead, struck by a subway train under mysterious circumstances. The two events seem unconnected. But Mary Pat, propelled by a desperate search for her missing daughter, begins turning over stones best left untouched—asking questions that bother Marty Butler, chieftain of the Irish mob, and the men who work for him, men who don't take kindly to any threat to their business. Fiction, 2023.

'The Greatest Commandment' (Matthew 22:34-40)

By Margaret Lam

When asked which one is the greatest of all God's commandments, Jesus replied: "You shall love the Lord your God with all your heart, all your soul, all your mind... You shall love your neighbor as yourself." (Matthew 22: 34-40). While this may be a blueprint for Christian life, living it out is not easy.

In His divinity and humanity, Jesus shows us how to love God and one another through obedience to God. He demonstrated it with mercy, compassion, social justice, forgiveness, faith, courage, and joy.

Last month, I went on a pilgrimage to the Holy Land in Israel, in search of Jesus' footsteps. As I journeyed through each sacred site, these virtues transitioned from abstract words into tangible personal experiences as I saw how Jesus lived the essence of Love.

Obedience to God the Father: In Nazareth, in the grotto of annunciation is the place where Mary's "Yes to God" changed the world. At the Garden of Gethsemane, in his deepest agony, Jesus chose to follow His Father's will.

Mercy, Compassion, Social Justice: Along the Sea of Galilee, in Judea, at Capernaum, where He spent the majority of His ministry, Jesus taught love, healed the sick, served the poor and fed the crowd, body and soul. On the road to Jericho, when asked "Who is my neighbor?" Jesus taught the parable of the Good Samaritan.

Forgiveness: When Jesus was condemned and imprisoned by Caiaphas the high priest, Peter denied Him three times.

Faith and Courage: In the busy streets of Via Dolorosa, as we carried a big wooden cross while praying the Stations of the Cross, I reflected on the Suffering Christ. Finally, at the solemn Church of the Holy Sepulchre, venerating on the cold stone of His tomb, I meditated on Jesus' crucifixion, burial, empty tomb and resurrection.

Finding "Joy" in Love: In a dark cave in the Shepherds' Field near Bethlehem, we celebrated Christmas at Baby Jesus' manger. At Mary's visitation to Elizabeth in Judah, I felt the exuberant "Joy" shared between two expectant mothers. At the serene Mount of Beatitudes, where Jesus taught "Blessed are the poor in spirit..." the ultimate pathway to happiness.

I came home, exhausted but renewed, knowing that my encounter with Jesus has forever changed me. Life is a pilgrimage. Trek gently with Love. Walk with Jesus.

Margaret Lam had a long and successful career as an IT executive in the high tech industry in the Silicon Valley. In her Catholic ministry, she serves as a lector and a choir member of the St. Christopher Catholic Church in Willow Glen, assists in Friday Mass at the Cribari Center, and enjoys writing reflections for the Villagers' Catholic Column.

COMMUNITY CHAPEL

'Pursuing Peace with All Men'

By Pastor Bill Hayden

There is not one person that I have come across in life that doesn't desire peace of mind in a busy and sometimes chaotic world that can test your fortitude. We come into adulthood with its brokenness from many different people groups, different life lessons, and the scares of our victories or failures. Interactions with others allows each person to gain wisdom in human behavior, to aid us in having a fruitful relationship with others despite the culture.

Any one of us can give a full description of what it's like to be a human being without so much as a hiccup. Our basic needs are the same across the globe and become more complex due to what we have suffered in our lifetime. The knowledge we gain over time should allow us compassion and empathy when trouble arises.

The pride of life ensnares individuals to forsake reasoning, to act out of their own frustrations, fears and failures. Today, there are so many people who are dealing with internal and external conflicts that can easily escalate into violent acts. When leaders continually fail to lead the people with truth, justice and integrity the hope of a better life diminishes at an alarming rate. Then corruption flows out of control from the top of the mountains to the lowest valleys.

Proverbs 29:2 NLT *When the godly are in authority, the people rejoice. But when the wicked are in power, they groan.*

When the leaders of nations are not at peace the people are oppressed and their hope fades.

The scriptures instruct us to pursue peace with all men. To see God at the end of our days, requires a person to deny themselves and rely upon God. **Hebrews 12:4 NKJV** *Pursue peace with all people, and holiness, without which no one will see the Lord.*

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace*. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

EPISCOPAL

'Hear, O Israel'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

"You shall love the Lord your God with all your heart, and with all your soul, and with all your mind." This is the greatest and first commandment. And a second is like it: "You shall love your neighbor as yourself." That's how the Gospel of Matthew (22:37-39) records Jesus' famous teaching known as the Great Commandment. This teaching is foundational for Christians, reminding us that love of God and love neighbor are inextricably linked.

The Great Commandment is also an opportunity for us to humbly remember that this teaching was not original to the New Testament. In a very literal way, Jesus was summarizing the 10 Commandments of Exodus 20:1-17, which divide rather conveniently into commandments 1-4 (honoring God) and 5-10 (honoring family and neighbors). And the ordering is not accidental: from ancient times, the Hebrew people (Jesus' own) have understood love of neighbor to flow from the love of God. The Great Commandment also echoes the Shema—the central prayer of Judaism—traditionally recited every morning and evening. From Deuteronomy 6:4-5, "4 Hear, O Israel: The Lord is our God, the Lord alone. You shall love the Lord your God with all your heart, and with all your soul, and with all your might."

The Shema and the Great Commandment are touchstones for me, as a person called to lead people in the worship of God. Our transformation in holiness begins when we acknowledge God as the source of all good, but always and inevitably leads us out to our neighbors, in loving service.

There will not be an Episcopal Service on Sunday, October 29. Please join us at 9 a.m. on Sunday, November 5 at Montgomery Center.

MEN'S GOLF CLUB

By Doug Moore douglas.moore865@gmail.com, villagesgolfers.com

Upcoming events:

Hey guys, this will be here before you know it! **Veterans Day Tournament** – November 11, 2023 Four-Man Teams, 2BB. 6 holes each from #2, #3, and #4 Tees. Tees assigned on scorecards. Coffee / Donuts.

Holiday Tournament – December 9, 2023. Shamble – 4-Man Teams, Flighted. Coffee / Donuts.

We have not done this over the past few years, because we all were temporarily disrupted... walking the golf course, doing puzzles, golfing in pods of three (still have not figured that one out), and learning to bake. That is all behind us now and we felt is long overdue and time to get back to some of the things that we deemed as important.

One of those items is we have decided to reinstate is **The Men's 18 Hole Golf Club Distinguished Service Award**. We are lucky to have quite a few members that are worthy of this award, and a short list that you can count on one hand of those that are most deserving. This award recognizes the outstanding achievements and significant accomplishments of one specific MGC member, who has consistently gone above and beyond the call of duty, inspiring those around him with his leadership, vision, and tireless efforts.

The recipient of this award has made an indelible mark on all of the members of the MGC and has set a standard of excellence that few can match. He has served as The MGC General Chairman in 2013, 2018, 2021 and 2022. He also has been assigned many roles and probably has served them more than once as Membership /Handicap, NCGA/Rules, Vice Chair (three times).

We cannot thank this gentleman enough for his service to "the Village's most prestigious club," and for helping to shape it into what it has become today.

It is an honor and a privilege to present **The Men's 18 Hole Golf Club 2023 Distinguished Service award to: David Bacigalupi.**

PICKLEBALL

Mr. Pickle and Tina Parsley greeting spectators.

Social/Tournament Directors Michelle McQuay and Sherry Benz.

By Anahid Gregg

Last Sunday, the second annual Taco Party was held, signifying the final Dink & Drink. The event was organized by Michelle McQuay and Sherry Benz, our two fantastic tournament directors. Sherry is in charge of tournaments, while Michelle is in charge of Dink & Drinks. Michelle outdid herself last Sunday! Was it her sheer determination that held off the dire prediction of rain?

The event was a huge success, with over 100 people in attendance. The courts were packed with players of all levels, and there was a great atmosphere of camaraderie and fun, with laughter the loudest noise heard. Most of the time there were 8 to 12 paddles lined up to play next, leading to lots of new friendships!

The food was also excellent, with six different types of tacos freshly cooked and prepared. We've never gotten so many compliments! The event was topped off by a visit from Mr. Pickle (Todd Horvatic)! Everyone had a great time at the Taco Party, and we can't wait for the third annual event next year!

PINSEEKERS

By Jim White

As we finish October and look forward to our cool weather schedule beginning November 3, we are hopeful that the weather does indeed become cooler than we have been experiencing during the late morning and afternoons this fall.

As mentioned in last week's article, our November 13th outing had only nine Pinseekers participate. As such, there was no official "tournament." However, we still played and recorded the scores for each of the nine players. The Low-Net score was recorded by Martin Hoek, followed by Jack Bindon, Frank Garcia, and Jim White.

Our regular tournament returned on October 20 with Martin Hoek and Jim White tied at Net 35.

Leighton Horio finished second with a Net 37, followed by Jim Keene at Net 39, and Lee Thompson with a Net 41. Good job, guys.

My Sunday reading explains, "Hazards attract; fairways repel." And, as a parting bit of wisdom, "A two-foot putt counts the same as a two-foot tee shot." Play to have fun and make new friends.

SHONIS

By Betty Hall

Last Tuesday, the 17th, started out foggy, damp and cool but it was still a good day for golf. It was a birdie Tuesday with congratulations to Judy Rogers, our newest member who just finished qualifying last month. Now she has her first birdie on Hole 3. I think I saw her doing cartwheels out there on the green. Manoli Kelly aced her Hole 2 and Betty Hall knocked her birdie in on Hole 8.

After our round of golf we had our last membership meeting of 2023 and we dealt with lots of business. We had approval of standing rules, some changes in bylaws and new board positions to discuss. We also voted on our 2024 board which is the 2023 board rolling over. Captain Betty Hall, Co-Captain's Marti Blinde and Joyce Baptiste, Treasurer Peggy White and Secretary Teddy Morse. We added two new board positions: a handicapper and a membership director. Our handicapper will be Jan Trusso and our membership is Fran Schumacher. We discussed our committees for next year and who will be assuming leadership and/or coordination for each. As captain I am very grateful and pleased that we have a membership that steps up and steps in as needed all year.

Saturday, October 28, on the bocce courts, you can come watch the Shonis and the Swingers compete in what, hopefully, will be the first annual bocce challenge. We start at 1 p.m. and it's a best of three games event. Trophy and reputations at stake so come cheer on the teams.

WOMEN'S 9 HOLE

By Mary Wagle

The morning of October 17 was so foggy that we thought we were not going to be able to spot our balls. The fog eventually cleared, but not before many of us were the victims of heavy drizzle. Congratulations to our Front Nine Captain's Trophy Winner, Alice Glazer with a net 35, and Back Nine Captain's Trophy Winner, Sheryl Driskell with a net 37. The Captain's Trophy Playoff will be on November 7. We also want to congratulate the following ladies for chipping-in: Linda Curyea on hole 15, Debbie Moore on hole 6, Linda Lamanno on hole 7, and Selma Chastaine on hole 8.

As we said in last week's article, our Captain, Gisele Barber, and Pat Smith have been running very popular Twilight Nine and Dine events for a number of years now. Pat is not going to be able to do Twilight next year; therefore, we are asking for a volunteer to work with Gisele on these fun and popular Twilight Tournaments, especially on table decorations and tournament themes. Please consider doing this. Contact Gisele Barber today.

There will also be an opening in 2024 as photographer for the Swingers to take pictures of special things, such as, Captain's Trophy winners, new members, etc. Marcia Hembree is our current photographer, so please contact Marcia if you have an interest in being our photographer for 2024. We can't run successful events without help from our membership, so please give us a little bit of your time.

This year the Turkey Shoot will be on November 21, and we thank Karen Carlson and Susan Sunzeri for running it. Look for details in the coming weeks.

Fall Aeration Interseeding Schedule continues

Tees aeration and greens aeration have been successfully completed.

Interseeding will commence—Starting in November, we will start Inter-Seeding the fairways with Rye Grass. This practice will require additional irrigation to help the seed germinate. We do this to help create a uniform turf condition in our fairways and to fill in continual bare spots on the fairways.

Fairway Top-Dressing—Starting in November we will be Top-Dressing the fairways with a layer of sand and then the sand will be dragged in to help it settle into the top layer of the turf. This new practice will in the long term create a more porous top layer of turf to allow for better permeation of water, air and nutrients to the roots. This will ultimately boost the health and consistency of the fairway turf. A Gypsum application will follow Top-Dressing to aid in turf growth and seed germination.

Tips from the Pro – Step by Step...

Every golfer seeks more consistency. A consistent Pre-Shot set up routine will help create consistent play. Just look at the PGA and LPGA Tour stars and you can see that they have a consistent pre-shot routine before every shot. It helps to narrow your focus, eliminate distractions, strategize the shot, focus on a specific target and maintain a smooth and consistent rhythm and cadence for each shot. Strive to repeat the same sequence of how you set up for each shot.

Here are some simple steps to follow before each golf shot to attain more consistency – A Pre-Shot Routine:

1. Take a deep breath and *relax*
2. Stand *behind* your ball and pick a specific target and landing spot
3. Pick an intermediate target that is 2-5 feet in front of your ball and is directly in line with your target
4. Set the clubface first behind the ball aiming at your target
5. Build your grip...be sure to recheck your clubface and target line
6. Set your feet and stance – be sure that you are comfortable
7. Waggle the club to maintain relaxed hands and arms and to enhance your *feel*
8. One last target check...then *swing*

Two More quick tips:

1. When addressing the golf ball in preparation for the shot, your focus should be on your target more than on your swing
2. Always think one shot ahead to avoid high numbers. **Let us know if these tips help.**

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are currently in morning play, gathering every Thursday morning at 10 a.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Thursday, October 19, 2023, there was lots of sun and quite warm. Sixteen Ironmen played. There was a two-way tie for **Third Place** between Jerry Juracich and Lee Thompson with net 28s; **Second Place** went to Mike Schwerin with net a 27; and Dave Hathaway won **First Place** with a net 26.

There were four **Birdies** today: one each by Victor Hong on hole 9 and Jerry Juracich on hole 4; and two by Dave Hathaway on holes 1 and 3.

Mike Schwerin won **Closest to the Flag** on hole 7 at 9 feet, 10 inches. Dave Hathaway won **Low Gross** with a 28.

Golfer of the Day honors went to Dave Hathaway with low gross, first place and two birdies. Way to go Dave!

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts:

"Golf without bunkers and hazards would be tame and monotonous. So would life." - Bertie Charles Forbes, Scottish/American journalist and founder of Forbes Magazine

"We raised almost \$2 million dollars at the last golf tournament that can be used for minority scholarships and Junior Golf programs. The payoff for the work we do is so much more valuable than the work we actually do for it." - Darius Rucker, lead vocalist for Hootie and the Blowfish

Creepy Craft:

Candy Corn Centerpiece

One last treat before the Spooky Season becomes a season of thanks. Candy corn is a polarizing sweet whose recipe has remained largely unchanged since the 1880s, do you love it or hate it? The candy was originally called "chicken feed" and marketed to appeal to America's agricultural roots. Please send us pictures of your completed crafts to rdreitlein@the-villages.com, we would love to see them. For a more generic autumnal centerpiece substitute un-popped, un-buttered popcorn kernels for the candy corn.

What you will need to make your centerpiece:

- A mason jar (larger preferred) or clear glass vase
- Candy corn
- An assortment of Halloween/fall themed flowers or foliage (dollar stores usually have a variety for low cost)
- Twine and/or color coordinating ribbon
- Scissors or wire cutter (optional)

Instructions:

- 1) Pour the candy corn into the jar/vase until halfway to the top.
- 2) Arrange your flowers and foliage to your liking in the jar/vase. Depending on the size of the vessel and the material of the stems, you may need to cut the stems to your desired height with scissors or a wire cutter.
- 3) Wrap the mason jar/vase with the twine and ribbon and tie with a bow. Add other decorative elements as desired.

Concert Band...

(Continued from front page)

If a march gets your toes tapping, you will be sure to appreciate the band's performance of John Philip Sousa's "The Gladiator." This epic march from 1886 was written as a tribute to Charles B. Towle, a journalist at the Boston Traveler, when Sousa was leader of the US Marine Band.

We will hear Billy Joel's "Root Beer Rag," a composition from Billy Joel's 1974 album "Streetlife Serenade" and is an instrumental track in a very fast ragtime style. In a musical lecture Joel once said "I got my first Moog Synthesizer. This was in the mid-70s and I got my first Moog and I put it on every record. I said 'I have to write an instrumental where I can use this Moog Synthesizer.' It kinda turned me off the synthesizers forever after. That's why I wrote that song. Just purely out of stupid self-indulgence."

As rehearsals go on and the spirit grows, we can expect to enjoy a few more selections, and we do hope you will come for the show. To quote another conductor, "Without you it's just another rehearsal!"

If you are unable to drive, do not let that stop you from attending. Please contact the Villages Medical Auxiliary at (408) 238-4230 to schedule transportation to our concert.

OBITUARY

Lela Sonntag

November 18, 1932 – October 16, 2023

We are saddened to announce the passing of Lela Sonntag on October 16, 2023 at the age of 90. Lela peacefully passed away at Good Samaritan Hospital with the support of her nephews, nieces and cherished caregivers. She is preceded in death by her husband Harold Sonntag, her parents William and Nina Stewart, brother Bill Stewart, sister Estella Russell and survived by her brother John Stewart. Lela was born in New Mexico on November 18, 1932 and was recently able to celebrate her 90th birthday with family and friends—a celebration she was still talking about almost one year later.

Lela had a thirst to learn, and help others to learn, she loved to travel and had a chance to travel the world extensively and she loved sports, especially the Bay Area teams.

Lela earned a Bachelor's and Master's degree from San Jose State College. Holiday Faire...

(Continued from front page)

Left to right: Mary Wollesen, Marty Blinde and Marilyn Murata.

gie quilts and kitchen towels at the Faire for more than 10 years. This year she added the intriguing wine glass shades to her list of specialties and she will also be selling Christmas stockings for the holidays.

Marilyn Murata gets a "very Zen feeling" working with the fabrics and papers that she uses to create her work. Marilyn has been a Faire favorite for 17 years and her cards and shirts are instantly recognizable with their simple, oriental designs that have become her signature. This year her new cards will include special Yuzen paper that she purchased in Japan.

Don't miss these favorites and others selling jewelry, holiday decorations, ceramics and *much* more at the Holiday Faire on Saturday, November 4 from 10 a.m. until 2 p.m. at Cribari Center. And stay tuned for a sneak preview of our *new* vendors in next week's *Villager*!

Red Cup Brigade (A Club of Gentlemen) holds second tasting

By Doug Moore, villagesrcb@gmail.com

It has been way too long! The Red Cup Brigade (RCB) held its first event, a "VWT" (Villages Whiskey Tasting), on Friday, October 28, 2022 and we finally had our second one last Wednesday on October 18. (We didn't want to rush into anything.)

This affair finally came to fruition thanks to our phenomenal hosts Allen and Diane Rubin. They graciously opened up their home to the members of the RCB for a "Sip-Smoke and Steak" soiree. They provided rib-eye steak sandwiches and sides, cigars, bourbon and a fabulous layout for all of us to be comfortable in. Other gentlemen brought more sides, cigars, and bourbon and scotch to compare tasting notes. There was a vast array of different styles and distilleries from all over the globe.

A lot of laughs were had, great conversation, and quite a few raised glasses (meaning that happened more than once). We were pleased to be able to enjoy the evening with some familiar old friends, and we were absolutely delighted to make some new ones.

We sincerely hope you all enjoyed our second event, and if you missed it, well you really missed out. And once again hold your glasses up high for the Rubins! We will do this again, but much sooner...promise.
