Get Village Voices Holiday Concert tickets this Saturday

This **Saturday, November 25** between **10 a.m. and noon** in the Forum Room, Village Voices is having its one and only public ticket sale for our “Thankful for the Holiday Season” concerts.

Dates for the performances are **Saturday evening December 2** and **Sunday matinee December 3**.

While admiring and shopping for craft treasures at the Crafters’ Fair Holiday Boutique in the Cribari center that same day, why not stop by and pick up your \$20 open seating tickets.

The Forum Room is down the Cribari corridor near the Community Chapel and VMA offices. Look for our signs!

Come and hear a unique blend of Hanukkah, Kwanzaa, Filipino songs as well as some sentimental jewels. And don’t forget there will also be a special appearance from Bernice Toy and four of her lively dancers as well as our favorite virtuoso Larry Broderick playing holiday tunes during our intermission. All that plus refreshments, raffle drawings and a singalong. A great way to start the holiday season while supporting our VMA music and dance venues.

If you miss our ticket sale, you can still order tickets through Madelaine Yannaccone by calling (408) 219-4680 or purchase them the days of the concerts, **but avoid the long lines and come to our ticket sale.**

Congressman Panetta to pay return visit to Villages

The Villages is in the unique position of being a popular venue for local politicians to visit. So from time to time we get to hear updates from our Congressman, our Mayor, our City Councilmembers and others, and ask them questions.

The Villages Democratic Club is delighted to announce that Congressman Jimmy Panetta is taking the time to join Villagers on **Monday, November 27, at 7 p.m.** in the Vineyard Center. He’ll be discussing the implementation of landmark policies of the 117th Congress and all the work that lies ahead in the 118th Congress. He’ll explain how recently passed laws are lowering prices for seniors and families at the pharmacy counter, how the bipartisan Infrastructure and Jobs Act is modernizing infrastructure in our Congressional District, and how he is working to ensure that the government is actively tackling the issues of climate change and housing costs. And of course, he looks forward to questions from attendees.

Visit Crafters Club’s poet Diane Goodrich this Saturday!

By Tere Barbella

The word “magic” best describes the work of Diane Goodrich, an accomplished poet who will be a vendor at this Saturday’s Crafter’s Club Holiday Boutique at Cribari Center. The event is **Saturday, November 18 from 10 a.m. to 2 p.m.** If you haven’t seen her exquisite cards and paper goods you won’t want to miss this opportunity!

Diane has been a Villages resident since 2011 and has been writing seriously for about 20 years. Her inspiration to start writing poetry began when she moved here from England in 1986 and would include a poem or two in her weekly letters to her Mum who first suggested that she make cards. Over the years Diane expanded her collection of cards and paper goods, using the finest quality papers and embellishments that complement

her beautiful words. Each one of her cards is hand designed with her original verse, carefully selected paper and special touch of just the right adornments creating an elegant work of art that is her signature style. Her inspiration comes from life around her and what she sees and feels at the moment. Diane’s poems are heartfelt and true and she makes cards for all

BOARDS & COMMITTEES

Notice of New Association Architectural Committee (AC) Rule D-32 Area Projects in Common Area

At the October 31, 2023, board meeting, the Association Board approved new AC Rule D-32 Area Projects in Common Areas and to publish proposed new rule for the required member comment prior to formal approval consideration at the January 30, 2023, board meeting.

The purpose of the proposed rule is to provide a process for the request of Area Projects that do not fall under existing Association Architectural Committee (AC) rules which are to be constructed or installed on Association Common Areas and are not in conflict with Association Rules.

Response to the proposed new rule may be made by one or more of the following methods: 1) Participation in the discussion of the proposed new rule at the Association Board of Directors December 12, 2023, and January 30, 2023, board meetings, 2) via written comments delivered to the Board through Maria Hernandez in the General Manager's office at mehernandez@the-villages.com.

D-32 Common Area Projects - Draft F

Projects proposed for construction or installation in Association Common Areas that do not align with the existing guidelines set by the Association's Architectural Committee (AC) must receive approval from both the AC and the Association Board of Directors (ABOD). These projects are unique in nature, and their review by the AC and ABOD is essential to ensure they align with the orderly maintenance, preservation, and enjoyment of Common Areas and do not jeopardize the health, safety, convenience, or welfare of all residents (Villagers).

Application Procedure:

A. Project Request Submission

- Start by submitting a "Project Requirements Form" to the AC. This document should include the following details: project description and purpose, project location, any necessary alterations to common areas, potential impacts on existing common area elements (like trees, landscaping, hardscape), possible effects on surrounding Villas, and any other relevant information.

B. AC Meeting Attendance

- Attend the regular monthly AC meeting to review the "Project Requirements Form" and receive feedback from the committee. If the project is substantial, the AC will provide a list of specific items required for the formal Project Application package.

C. Common Area Alteration Agreement

- Prepare a "COMMON AREA ALTERATION AGREEMENT" application, signed by the applicant(s), which is similar to an Owner Alteration Agreement. Include comprehensive plans and specifications. All applicants must be Association members residing in the affected District(s). In some cases, a District Advisory Committee (DAC) may also apply. Plans should be drawn to scale on substantial paper, providing clarity regarding the project's location, nature, extent of work, and maintenance responsibilities. Ensure that the project adheres to this rule's requirements.

D. Document Submission

- Submit all necessary documents, including estimated costs, to the AC by the monthly submittal deadline, as published in The Villager.

E. Approval Process

- The AC will determine a renewal period, and after each period, project compliance will be reviewed by staff. Upon AC approval, with possible conditions, the maintenance and landscape departments must also review and approve the project.

F. ABOD Approval and Member Advisory Vote

- Following AC and staff approval, the proposal will be presented to the Association Board of Directors (ABOD). If approved by ABOD, a confidential member advisory (non-binding) vote will be conducted by the Association Inspectors of Elections. Ballots will be distributed to all members in the affected District(s). These ballots will be color-coded to distinguish between members within 100 feet of or having a line of sight with the project and other members. The results will be counted and reported at the next regular ABOD meeting by the Inspectors of Elections. Owner comments and the outcome of the advisory vote will be carefully considered by the ABOD when deciding whether to approve the project.

G. Ongoing Monitoring

- After approval and project construction, the AC and staff will continue to monitor the project at the end of each renewal period to ensure compliance with initial requirements and any new safety or building code requirements in effect. If the project is not in compliance, the AC may recommend remediation or removal to the ABOD.

Leash rule for pets

Residents are reminded, as per Club Rule 1.51, that pets must be kept on a leash, under control, and attended to at all times. This also applies to the Hill Lands.

An increase in coyote aggression and incidents with deer have created problems with small dogs, especially those that are unleashed.

Please always leash your pets. And keep leashes short—the Division of Wildlife recommends a leash no longer than 6 feet.

Furthermore, accompany your leashed pet at all times while outside. Do not let go of the leash or tie your animal to trees or other objects. An unattended leash not only attracts the attention of coyotes, but is also a tripping hazard to other walkers.

(SRS) SENIOR RESOURCE SERVICES

Is it time to do a wallet audit?

It's possible someday your wallet might be lost or stolen. If stolen, an overstuffed wallet can provide crooks with information and tools that may lead to theft that spreads far beyond the cash your wallet contains. Here are some steps to reduce your risk.

Prune your cash. There is rarely a reason to carry large amounts anymore. Think through your actual cash needs, plus an appropriate cushion of emergency cash and carry just that much. Replenish as needed.

You usually don't need to carry your Medicare card unless you are headed to an appointment with a new doctor. In the wrong hands, your Medicare number may be used for a variety of scams, including filling for false claims and reimbursement.

Copy the front and back of the health cards you have chosen to carry and store the copies at home. If these cards are lost or stolen it will be easier to report the loss and replace the cards if you have the patient number and phone numbers to report the loss.

Never carry a blank check in your wallet. The days when you might need one for a purchase are in the past.

Carry only one credit card and one debit card you wish to use the most. Leave the others at home. Multiple credit cards are a gold mine for criminals, who can easily charge items online or send runners to different stores. As above, copy the front and back of the credit card and the debit card.

Carry your AAA card or other emergency auto service card.

Do not carry a house key in your wallet. Assume crooks will find your address from your wallet contents and quickly show up there before you make it home. Yes, they might figure out a way to talk their way through the gate.

What's left in your wallet? One credit card, one debit card, your driver's license or CA ID, health insurance cards (other than Medicare), AAA card, a modest amount of cash, and not much more!

Of course, if you are cell phone savvy, you can take pictures of your credit cards, Medicare card, passport, etc. But very sure you use a strong lock on your phone.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagessrs@sbcglobal.net. The web site is thevillagesgcc.com/srs. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

SRS Reminder:

Medicare Plan Finder for your D plan

Comment from an SRS team member: The online Medicare tool Plan Finder for drug plans works! If my husband stayed with his current plan, we would pay \$20,000 more than the cheapest D plan. Yes, that is the number two followed by four zeros! It is not a typo.

By the way, if you have a Medicare Advantage plan (for example Kaiser) you do not have a separate Medicare Plan D, so you don't need to compare drug plans before Medicare open enrollment ends on December 7.

Owners responsible for cleaning up after pets

The Villages Rules and CC&Rs state that it is the owner's/handler's responsibility for immediately cleaning and disposing of pet excrement in a sealed container. There are reports that some owners are not immediately cleaning up after their pets and assume that it is the responsibility of the landscaping crew, which it is not.

The pet poop should be picked up immediately, bagged and placed into the dumpsters in the trash enclosure near your home or in the designated pet poop stations in the center parking lots. Please do not place any pet poop in any restrooms or other containers at any of the various community centers.

Accessing Table Tennis using your Villages ID

The Montgomery Multi-Purpose room is accessible during table tennis/ping pong play hours by residents who have met the following requirements: 1) attended a Table Tennis Group membership orientation, and 2) read and signed the release waiver to use this space. Once both requirements are met the Table Tennis Group will provide Community Activities with the waiver and we will activate your Villages ID Card to use as a key to the facility.

When wanting access make sure to hold your ID up to the door sensor with your photo facing yourself. You may need to move the ID around a little so that the sensor can locate and read the microchip embedded in your card. Once the chip is read there should be a green light, some beeps, and you will have four seconds to open the door.

If the light does not turn green it could be because:

a) You have not completed both requirements listed above. Please contact the Table Tennis Group to set up a membership orientation; their contact information is available when logged onto the Resident Portal or by calling the Community Resource Center (CRC) in Building B at 408-754-1336. The club will provide a copy of the waiver to you.

b) You have met the requirements previously but moved out of The Villages and have since moved back in. You will need to re-establish your membership in the Table Tennis Group and sign a new release waiver.

c) The microchip in your card has been damaged in some way and your card must be replaced. Please contact the Public Safety Administration office at 408-239-5246, Option 2 for assistance.

For more information on accessing table tennis/ping pong please contact either the Table Tennis Group or the CRC.

Guest Room reminders

Each of our four guest rooms includes a bathroom, TV, mini fridge, and coffeepot. For you and your future guests, here are a few reminders:

- You can reserve up to six months in advance.
- After hours key pickup at the Front Gate is available by request.
- **Pets are not allowed**

Please call the Community Activities department at 408-754-1336 for more information or to reserve. Additional information can also be found in Club Rule 1.22.

This is rated as an Easy Hike with just less than 2 miles and just less than a 200 ft. elevation gain. For those doing or wanting to do the 2023 Magnificent Seven Hikes, this is one of them. Distance to the Park is 18 miles. Following, there will be an optional lunch stop at Los Amigo at 7058 Santa Teresa Blvd. For the benefit of the late risers and the fact it is a nearby short hike, we will meet at the Cribari bell at 9:45 a.m. for carpooling and depart at 10 a.m.

Follow US-101 south to Cochrane Rd in Morgan Hill. Take exit 367 from US-101 S and head east. Take Cochrane Rd east (left) and drive about ¼ miles then turn left onto Peet Rd and follow it until it turns to the right and becomes Eagle View Dr. Park along the curb on Eagle View Dr. but near Chinook Ct. The Coyote Creek Visitor Center at Anderson Lake will be a very short walk from our cars near where Eagle View Dr. makes its next turn to the right. (19245 Malaguerra Ave). We will walk north toward from there to the Model Plane Airport and back (about 4 mi. r/t). Hopefully, a few folks will be test-flying their planes, and we can observe that. Afterward, those interested can stop for lunch at Mr. Pickles in the nearby shopping center back by Hwy 101. There are other dining options, too. Hiking Club to present 'Road Trip to Big Bend National Park'

Bob Bogdanoff

This month's program will take you on a road trip to Big Bend National Park. Big Bend is located on the Texas/Mexico border on the great bend "boot heel" of the Rio Grande and was established in 1944 to preserve the great canyons and panoramic vistas of mountains and desert.

Our speaker, Bob Bogdanoff, moved with his family into The Villages five years ago and retired at the start of the Covid pandemic after a financial and administrative career with technology companies. He is a second-generation Villager as his parents have lived in The Villages 25 years. It is an annual family tradition to visit National Parks, 26 in total so far.

The program will follow a short business meeting and a break for socializing with snacks and beverages.

The meeting will be held at the Foothill Center on **Monday, November 27, 2023 at 7:30 p.m.** All Villagers are welcome to attend.

Global Villages: 'Healing Room—Letting Go of Sadness'

The Global Villages Community Club is bringing back "The Healing Room" for November with a different topic—Letting Go of Sadness, Grief, Loss and Depression. The event, led by Kim Silverman, will be held **Thursday, November 30 from 2 to 4 p.m.** in the Cribari Patio Room. You must pre-register for this event.

We've all experienced sadness at one point in our lives. Grief and loss are another level that can trigger the feeling of sadness. It could be loss of a pet, a job, a friend or loved one. Sometimes depression can be triggered and it may not be the direct result of losing someone. Depression could seem like a numbness without feeling anything. This month, we are going to work on letting go of all of these.

You may register by texting or calling 408-827-8860 or emailing kims@kimsilvermantransformation.com. Registrations will be accepted on a first-come basis. This event is free. The purpose of this Healing Room is to learn how to let go of unwanted emotions, release debilitating thoughts, return our bodies to health and wellness, and establish a direct link to our higher soul-self. The healing room is led by intuitive healer, Kim Silverman, a Certified Quantum Energy Master and Certified Life Coach. She will combine guided meditations and educational moments that allow you to return to a more centered and balanced state of well-being.

For more information about the Global Villages club, visit the GVC Club website at: sites.google.com/view/gvclub/home or email globalvclub@gmail.com

VMA to present 'The Impact of Foot Care on Your Health'

By Barbara F. Zahner, VMA Health Education

On average, you will walk 100,000 miles in your lifetime. That's a lot of wear and tear on 26 bones, 33 joints, and more than 100 ligaments. Your foot is more complicated than your car. Yet, we often pay more attention to our car tune-ups than our foot health. Until now. On **Wednesday, December 6 at 11 a.m.** in the Cribari Conference Room, Leonard Iskander, MSN-FNP, BSN and Aiza Iskander MSN-CNL, BSN will provide one hour of interactive education on foot health. The founders of RNScrub Foot Care, two Master's certified nurses, will cover:

Leonard and Aiza Iskander

- Foot Care for: Fall Prevention, Diabetes, and Basic Foot Hygiene
- Commonly encountered cases in medical foot care
- Treatment Options to Enhance Healthy Feet
- Overview of RNScrub Foot Care Services

Leonard states that he and Aiza began RNScrub Foot Care after observing how good foot health increases one's vitality. They agree that "Foot care is important to individuals, especially those with decreased mobility and comorbidities,

like Diabetes. Foot problems may increase the likelihood of problems including falls, infections, and decreased sense of well-being." Join Leonard and Aiza Iskander on December 6 for a grounded and interactive presentation, "The Impact of Foot Care on Your Health."

Step up now to reserve your place at "The Impact of Foot Care on Your Health." Go to vmavillages.vgcc.club. Click on Register for events or call Bonnie Grim MS, Residents Services Coordinator at 408-238-4029.

Villagers celebrate Diwali at Cribari Auditorium

By Lalita Batra

Members of the Villages Desi Club for Desis (those from the South Asian Diaspora) and their friends from The Villages gathered to celebrate the Auspicious Festival of Diwali on November 10, 2023.

Diwali, also known as the Festival of Lights and New Year is celebrated throughout the World. It symbolizes victory of the good within us over our negativity! Thereby, Diwali heralds a Joyous occasion for families and friends to gather together to give thanks and celebrate the blessings bestowed upon all of us. Traditionally, lamps are lit, homes are decorated, sparklers and firecrackers (safe) add to the festivities replete with singing, dancing, exchanging of sweets and of course an array of delicious fare to indulge in.

Reflecting the Spirit of Diwali/NewYear at The Villages, the Auditorium donned the ambiance of a Sparkling Wonderland filled with gaiety, camaraderie, singing, dancing and a daunting game for couples and of course then we enjoyed the delicious Indian cuisine!

Happy Diwali, everyone!

Hoover School Choir to perform at VMFSC meeting

On **Tuesday, December 5**, the Villages Men's Fun Social Club will feature a luncheon performance by the San Jose Hoover Middle School Choir. We look forward to having this excellent San Jose School District performing arts choir group. Guests are invited to attend and should arrive at the Clubhouse by **12:15 p.m.**

The 6 through 8 grade student choir travels annually to various destinations in California. The Hoover middle school is the only middle school invited to the West Valley Annual Choir Invitational where they perform among several high school choirs. They have performed several times in Disneyland, which requires additional songs separate from those performed at their regular concerts.

The choir has been under the direction of Victoria Arribere for nine years. Mrs. Arribere earned her music education degree at San Jose State University. She believes that all students should have access to a musical education and the program is successfully growing at Hoover. The Hoover students work closely with Lincoln High School students and faculty in preparation for future vocal music at the San Jose Unified performing arts high school.

Hoover Middle School's next performance will be at the Hoover Gym on December 15 at 7 p.m.

The Social club members are inviting spouses or significant others to this special luncheon and choir performance. Lunch reservations are required per the

computer system web site referenced in the monthly Social Club newsletter.

"You Shouldn't Have Come Here" by Jeneva Rose. Grace Evans, an overworked New Yorker looking for a total escape from her busy life, books an Airbnb on a ranch in the middle of Wyoming. When she arrives, she's pleasantly surprised to find that the owner is a handsome man by the name of Calvin Wells. But there are things Grace discovers that she's not too pleased about: A lack of cell phone service. A missing woman. And a feeling that something isn't right with the town. Despite her uneasiness and misgivings from Calvin's friends and family, they grow close. However, as her departure date nears, things between them start to change for the worse. Grace grows wary of Calvin as his infatuation for her seems to turn into obsession. *Mystery, 2023.*

"Dark Angel" (a Letty Davenport book 2) by John Sandford. Letty Davenport's days working a desk job are behind her. Her previous actions at a gunfight in Texas—and her incredible skills with firearms—draw the attention of several branches of the US government, and make her a perfect fit for even more dangerous work. The Department of Homeland Security and the NSA have tasked her with infiltrating a hacker group, known only as Ordinary People, that is intent on wreaking havoc. Letty and her reluctant partner from the NSA pose as free-spirited programmers for hire and embark on a cross country road trip to the group's California headquarters. While the two work to make inroads with Ordinary People and uncover their plans, they begin to suspect that the hackers are not their only enemy. Someone within their own circle may have betrayed them, and has ulterior motives that place their mission—and their lives—in grave danger. *Mystery, 2023.*

"Loyalty" by Lisa Scottoline. Franco Fiorvanti is a handsome lemon grower toiling on the estate of a baron. He dreams of owning his own grove, but the rigid class system of Sicily thwarts his ambition. Determined to secure a better future, Franco will do anything to prove his loyalty to the baron. But when the baron asks him to kidnap a little boy named Dante, Franco makes a decision that will change his life and even the history of Sicily forever. Gaetano Catalano is an idealistic young lawyer whose devotion to justice is tantamount to a calling. He's a member of the Beati Paoli, a real-life secret society of aristocrats who investigate crime in Palermo, a city riddled with graft. Gaetano sets out to find the boy and punish the kidnapper, but his mission leads him to a darker place than he had ever imagined. Meanwhile, Mafalda Pancari is a new mother rejoicing at the birth of her daughter Lucia, when disaster strikes. And Alfredo D'Antonio is a reclusive goatherd under constant threat of being discovered as a Jew. The lives of these characters collide as the story twists and turns to its monumental showdown. *Mystery, 2023.*

"River Sing Me Home" by Eleanor Shearer. Her search begins with an ending. The master of the Providence plantation in Barbados gathers his slaves and announces the king has decreed an end to slavery. As of the following day, the Emancipation Act of 1834 will come into effect. The cries of joy fall silent when he announces that they are no longer his slaves; they are now his apprentices. No one can leave. They must work for him for another six years. Freedom is just another name for the life they have always lived. So, Rachel runs. Away from Providence, she begins a desperate search to find her children—the five who survived birth and were sold. Are any of them still alive? Rachel has to know. The grueling, dangerous journey takes her from Barbados, then deep into the forest of British Guiana and finally across the sea to Trinidad. These are the stories of Mary Grace, Micah, Thomas Augustus, Cherry Jane and Mercy. But above all this is the story of Rachel and the extraordinary lengths to which a mother will go to find her children...and her freedom. *Fiction, 2023.*

‘Giving Thanks’

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

“Thank you!” What a lovely thing to be able to say—to God, to our friends and family, to those we meet in ordinary life—which become extraordinary encounters through our practice of thanksgiving. And of course, practicing gratitude is baked into our lives as people of faith. Our scriptures are full of reminders to give thanks to God, and the central ritual of liturgical Christians—the Holy Eucharist—actually means “thanksgiving” in the Greek.

As is so often the case, contemporary mental health research echoes what religious people have known for millennia. Gratitude is good for our bodies and minds, as well as our souls. When we express gratitude, our brains release dopamine and serotonin, neurotransmitters that regulate our moods and emotions. These chemicals can help us feel happier, more content, and less stressed. In addition, intentionally giving thanks increases our self-esteem and resilience, and improves sleep. A study by the University of Manchester found that participants who wrote down things they were grateful for before going to bed slept longer and reported better sleep quality than those who did not.

I like to think of this nightly journaling of gratitude as something akin to a harvest feast: that is, gathering up the blessings of the day, savoring them, and returning thanks for them. Something as simple as recording a few sentences of thanks every evening can send us off to sleep feeling fully nourished, so that we wake up with renewed hope for the day to come.

Please join us for worship on Sundays at 9 a.m. at Montgomery Center.

COMMUNITY CHAPEL

‘The Roll Call’

By Pastor Bill Hayden

There are few people living today who can recall a one-room school. The closest a one-room classroom could possibly resemble is homeschooling. The teacher would have to instruct several different age groups, giving them her personal attention. The older children would also help the younger students.

In very poor communities the one-room schoolhouse was also used as the meeting place where the church service was held on Sunday Mornings. Over time, small towns developed into communities and schools were built to meet the needs of a growing population. Students would shuffle off to different classrooms at the sound of a bell to be instructed by a different teacher for the fundamentals.

I recall my very early days of school and for several weeks the teachers would call the roll/take attendance. You would answer “present” or “here” with a raised hand, until they learned your name. Then they would assign each student a seat in class, to easily take attendance, and if you caused problems, you would be required to sit in the front. Yes, I once had to sit up front in my sophomore biology class with Miss Wallace. She was short in stature with thick horn-rimmed glasses and squeaky black shoes. In her class you could hear a pin drop; she would give you instructions, only once. Her throne was made of iron and she ruled well! I was never late to her class.

Many of us today have benefited from the discipline that we received from loving parents and inspiring teachers...along life’s journey. Some of you have been blessed to have traveled around the world. As people talk about their amazing experiences in life, you may respond by saying, “I’ve been there!” The memory of that experience left an indelible imprint on your soul with every detail you recall. Whenever you are feeling a little down and reflective in life, you seek to recapture that moment of euphoria and better days.

All the countries and places that we have visited, with all their beauty which captured our hearts, will appear pale in comparison to what God has in store for us.

1 Corinthians 2:9 NKJV But as it is written: “Eye has not seen, nor ear heard, Nor have entered into the heart of man The things which God has prepared for those who love Him.”

I live to see what God has in store for me and when the roll is called, I want to be present. Will you be present when your name is called? Revelations 20:15

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for needs to be met, faith to be affirmed and new friends to embrace. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

CATHOLIC COMMUNITY

‘Compassionate Challenge’

By Kathy Schlosser

I am a city girl and I know very little about sheep or goats, but those that do say that sheep are herd animals depending on and trusting their shepherd while goats are headstrong and disobedient. They are just smart enough to get into trouble!

In Palestine 2000 years ago sheep and goats were part of everyday life. Jesus’ using them in his analogy made sense to the people he was addressing. Here in San Jose 2000 years later it doesn’t quite fit, but we can relate to good guys and bad guys.

In the Gospel passage this week, Matthew gives us an image of the Last Judgment. There will be two groups of people present, represented by the sheep and goats. Jesus seated on his throne, will, as shepherd and judge separate those who have earned a place in his Kingdom and those who will be banished forever. The sheep will be sent to the right having earned a place in the Kingdom and the goats sent to the left and banished.

It is obvious that both groups that Jesus is addressing are surprised at the criteria presented. The sheep ask a question because they don’t remember doing any of the things mentioned by Jesus, yet clearly they must have done some of them.

It seems that Matthew thought that the words of Jesus’ proclamation so important that he includes them four times. He wants to get our attention. Listen to these words. They are the key to eternal life and the Kingdom of God.

We are given a challenge! A challenge to think about we treat our brothers and sisters. Do we clothe them, feed them, help them when they are sick, visit them if in prison and do we welcome the stranger we meet? Are we loving and compassionate? Do we help our neighbors even when it is difficult and perhaps not appreciated?

None of the things Jesus says is of a religious nature. There is no mention of observing or breaking Commandments. People are condemned, not for acting immorally, but for not doing anything at all.

For us this is a call to action. When it is time for us to meet God face to face, we will be judged by how well we listened and acted on the words of this parable.

How will we answer the question? What did you do for your brother and sister?

Kathy Schlosser ministered as a Pastoral Associate at St. William Parish in Los Alto for 15 years. She is a graduate of both the Institute for Leadership in Ministry and Advanced Lay Leadership for the Diocese of San Jose. Kathy has lived in The Villages since 2012.

Pickleball Website Tips and Tricks

By Anahid Gregg

Did you know per The Villages rules, anyone who wants to use our courts must be registered? Registration is easy to do! The Pickleball Club uses two websites for different purposes. Here are some tips for residents.

The Club website is villagespickleball.org. This site has lots of information for members and residents alike. The first thing you will see is how to apply for membership. Just want to try pickleball? No worries—when filling in the application, just choose “non-member resident”.

There are a number of “buttons” on the right side of the website with links to valuable information such as the Approved Paddle List (per the City of San Jose, only paddles listed there may be used at The Villages—a requirement to pass the sound study), information on how to register a guest, sign up for group play.

We use YourCourts.com as our reservation system. YourCourts is also where members can sign up for events such as Tournaments, Group Play, Drop-In play, and special events.

Need to look up a fellow members contact information? In YourCourts:

1. Select the drop-down arrow to the right of Communications
2. Choose Member Directory.
3. Enter the name in the search bar in the upper right corner and press enter to retrieve their information. This also works for the Tennis, Bocce, and Table Tennis Club YourCourts sites!

Next week there will be more information about the using the Club websites!

WOMEN'S 9 HOLE

By Carol Begley

Forty-nine brave ladies showed up to play golf. It was cold and very windy but they persevered! It occurred to me it's time to put the covers on the golf cart!

Two ladies celebrated birdies: Susan Sunzeri and Lolovic Shaw. Great job, ladies!

We're looking forward to the Turkey Shoot next week!

It will be a Step-Aside Scramble with prizes awarded! There will be no sweeps that day. This will get us in the mood to get that turkey out of the freezer to be baked on Thanksgiving Day!

An observation I have made: What happens on the driving range stays on the driving range. Why is that? Is the air thinner? Is there less stress? Just when I think I'm improving, once I step onto the golf course somehow the old golfer shows up!

If you will recall, last week I wrote about a new set of golf rules that I want to share with you.

Golf Rule #2: Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

TENNIS TALK

By Sherry Benz and Roy Pennington

Josh Liao, Mitzi Macon and Ken Leong enjoying the Villages Tennis League.

The Villages Tennis League (VTL) concluded its Fall season on Sunday, November 12. All the courts were full on a beautiful afternoon for play. Almost as a grand finale, an incredible match lasting nearly 2.5 hours saw Mitzi Macon and Ken Leong win in a 10-point tie-breaker (12-10) over opponents Josh Liao and Peggy Seidel. Awesome tennis, couldn't have been closer, and the crowd expressed their pleasure. There were four VTL teams with a total of 49 players and another 30 who filled in as subs. Lucinda Havart-Simpkin and Lynn Dickson played in their first ever competitive matches and did it very well. Kudos to them!

Just as in the Spring session, the winning team for the Fall was captained by Betty Olsen. The other captains are perplexed as to how she is so successful. It was considered that maybe she spies on the other teams or just plain cheats ... or maybe she is just so good!

Matches played were spirited, very competitive, lots of 10-point tiebreakers and frequently decided by only a few points. Many commented that they were new to mixed doubles, but found it really fun. In addition, being partnered with new people allowed new friendships to be made. That was an objective of the VTL.

The VTL Committee is already planning the Spring season. Stay tuned. Thanks to Jim Murphy, Peggy Seidel and Roy Pennington for providing this fun, social format for our tennis club.

The Mighty and the Few—A Tennis Tale

Villages women with the Silver Creek High School girl's tennis team.

Villager women held their rackets high and made us proud as they played one set against two youngsters and the second set with a youngster. They can sure run like the wind. "We schedule these matches after the tennis season," said Wendy Ferguson, chair of the Scholarships.

And, speaking of wind, the players battled strong winds and a bit of rain, too. However, fun was had by all. The teams look forward to coming to The Villages. And by the way, the boy's team will come in the spring to play the Villages men.

The Villages Tennis Club Scholarship is in its 20th year and gives the largest scholarships awarded to Silver Creek High School seniors. Last year \$16,000 was awarded to four graduates. Those seniors went on to attend schools such as UC Berkeley, UC Merced, and Cal Poly studying applied math, biology, and computer science. Athletic and smart, too!

The Men's 18 Hole Golf Club sincerely hopes you and your families had the best Thanksgiving ever.

Upcoming events:

It's right around the corner... what's that? **Holiday Tournament** – December 9, 2023. Shamble – Four-Man Teams, Flighted. Coffee/Donuts.

Net or Better Shooters Veterans Day Tournament—We only had 19 players return to the clubhouse holding their flags last year...This year it was 30! All of these players won \$15 sweeps each! See full list of names on the Scoreboard page. Great shooting gentlemen! (And if you were one of the patriotic souls the kept the flags, please return them to the pro shop. We are missing 10 flags.)

The Elections Have Concluded—The Men's 18 Hole Golf Club executive committee elections are now concluded and a big congratulations to returning members **Doug Bettencourt** and **Kurt Pagnini**. These gentlemen, along with the rest of this hard working committee, will power our club into 2024 and beyond.

Golf Thoughts:

Leave no trace—Pretend that you're camping in a National Park. When you depart, no one should know that you were there. That's another way of saying: rake bunkers, fill divots and repair ball marks. No doing donuts in the fairway, either.

Mind your temper—Sulking. Whining. Screaming. Flinging clubs. You're not good enough to engage in such behaviors, which you should plan on avoiding, no matter how well you learn to play the game.

Executive Committee Meeting: Curious as to what transpires at The Men's Golf Club Executive Committee meetings? You are cordially invited to sit in, participate and make a difference. If you have a point of view, an opinion or a concern that needs to be presented, we would love to hear from you. We meet the first Tuesday of the month (except in July) at 8:30 a.m. in the Montgomery Center. The next meeting will be December 6, 2023. MGC Members are always welcomed and encouraged to attend.

Also, remember to visit our website at villagesgolfers.com for the latest Men's Golf Club information. Kyle Finley does a great job with the website, keeping us up to date with all of the latest information we need to know regarding the club.

18-HOLE WOMEN

These creative players decided to “dress up” for Thanksgiving.

By Nancy Keane

November 16 was our Thanksgiving Turkey Trot 18 Hole ladies play day, which was quite appropriate as we were all very thankful to get to play without the rain!

The day turned out to be very warm and lovely, and many ladies had fun playing from the number two tees, and throwing out three of their worst scores... Always a treat!

And speaking of treats, the Turkey pot pies are always a delicious addition to this luncheon.

Our captain reminded us that we must sign up for our luncheon at <https://forms.gle/QtTQWQfS2z9TQVEL8> for the December 7th holiday tournament by November 25, and also to consider a donation to the Evergreen Nurses Fund as well on the day of that tournament.

Many of the ladies had chip ins today winning \$2 a piece: Helen Varenkamp #7, Annie Bassford #14, Judy Rodriguez #13, Gail Tuft #14, Pam Schramm #15, Camille Giuliobarbari #7, Pam McCarthy #3.

And those having birdies: Helen Varenkamp #7, Monica Saneholtz #7, Judy Rodriguez #13, Pam Schramm #15, Camille Giuliobarbari #7, Donna Quartaro #4, Susie Q Conklin #15.

SHONIS

By Betty Hall

Happy Thanksgiving, everyone.

Last Tuesday was our “Turkey Shoot” game. Really just a closest to the pin on Hole 5. Twenty-one Shonis golfed and flexed their driving muscles. Our big winner was Meg Rogers with her drive landing 10’ 2 1/2” from the hole. Way to go, Meg. She got awarded a divot tool. Only two other Shonis managed to get on the green. Marty Blinde and Joyce Baptiste and they each got seasonal pins.

We continue our pre-game Putting for Pesos putting contest. Last week our winners were Meg Rogers and Teddy Morse. They each got a dollar more in their sweeps envelopes.

Our sweeps scores last week had lots of tied scores but no birdies so our birdie pot rolls over.

Winter Rules—From now until further notice we will be playing Winter Rules defined as 6-inch relief, through the green (includes the rough), no nearer the hole, pick-clean-and place, no penalty.

Interseeding Schedule continues—We are inter-seeding the fairways with Rye Grass. This practice will require additional irrigation to help the seed germinate. We do this to help create a uniform turf condition in our fairways and to fill in continual bare spots on the fairways.

Fairway Top-Dressing—We are top-dressing the fairways with a layer of sand and then the sand will be dragged in to help it settle into the top layer of the turf. This new practice will in the long term create a more porous top layer of turf to allow for better permeation of water, air and nutrients to the roots. This will ultimately boost the health and consistency of the fairway turf. A Gypsum application will follow top-dressing to aid in turf growth and seed germination.

Winter Weather and Daily Golf Course Conditions—Remember that at this time of year, weather becomes a daily factor and the resultant golf course conditions can affect play. Some things to be aware of are potential frost delays if it’s cold, potential cart paths only status if conditions are wet and rainy, and in extreme weather or wind conditions course closure if a storm creates an unsafe atmosphere to play in (rare but not impossible). Please call the Maintenance Hotline at 408-223-4663 each day for an update on golf course conditions. And remember that the flag at the driving range will indicate the golf course status for the day: **Green Flag = Open for Play / Yellow Flag = Frost Delay / Red Flag = Carts on Paths Only / Black Flag = Golf & Practice Facilities Closed**

Now available in the Pro Shop—Villages logo straw hats for men and women. Columbia Men’s Apparel for Fall. Jamie Sadock women’s golf fashion apparel. Tips from the Pro—Uneven Lies; Ball Below your Feet

If golf courses were perfectly flat the game would be much easier. We wouldn’t have to worry about putts breaking, we wouldn’t have to worry about elevation changes, and we wouldn’t have to worry about those uncomfortable side hill lies. But alas, the reality is that uneven lies are part of the game. One type of uneven lie that gives us post 50-year-old golfers trouble is when the ball is below our feet. Staying down becomes more difficult because the ball is further from your hands. This can occur on Villages holes like Hole #7, Hole #8, Hole #9, Hole #15, Hole #18. When the ball is below your feet, focus on maintaining your spine angle and your knee bend throughout your swing. Many golfers tend to stand up on their back swing in these types of situations which makes it much more difficult for them to return the club to the ball and make solid contact. I try to feel more knee bend, like sitting in a bar stool. Also try to keep your head still...if your head is still, your body is still, and good contact becomes easier to manage. Take 1 more club for use of the longer shaft and swing easy. Play the ball 1-2 inches further back in your stance. If it is a severe downhill lie, aim a bit left and allow for the ball to move right a bit as the downhill lie causes the heel of the club to contact the ground first which opens the clubface. Yes, this is a relatively long checklist of things to do, but once you have mastered these tips, the ball below your feet scenario will be a piece of cake. **Let us know if these tips help. To sign up for a lesson with me, email ssteele@the-villages.com**

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen have now changed to **afternoon** play, gathering every Thursday afternoon at 1 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

On Thursday, November 16, 2023, we thought it might rain, but the day turned out to be mostly sunny and warm; a beautiful day for some golf. Ten Ironmen played.

There was a two-way tie for **Third Place** between Doug Her-ring and Jerry Juracich each with net 28s; Lee Thompson won **Second Place** with net a 25; and Mike Schwerin won **First Place** with a net 23.

There were four **Birdies**: one by Lee Thompson on hole 3; and three by Mike Schwerin on holes 2, 5 and 7.

Mike Schwerin won **Closest to the Flag** on hole 2 at 3 feet, 1 inch.

Mike Schwerin also won **Low Gross** with a 2 under par 25! **Golfer of the Day** honors go to Mike Schwerin with a dominating performance: a first place finish, three birdies, closest to the flag, and low gross. Way to go Mike!

The Ironmen 9 hole, par 3 group would love to add new mem-bers. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts:
Golf is the cruelest of sports. Like life, it's unfair. It's a harlot. A trollop. It leads you on. It never lives up to its promises...It's a boulevard of broken dreams. It plays with men. And runs off with the butcher. The great Jim Murray, sportswriter

PINSEEKERS

By Jim White

A bit of a damp day on the greens for our Pinseekers day chas-ing the little ball. Only nine members in the fairway, therefore, no Sweeps or Championship points were recorded. We really need to have a greater participation if we want to keep our weekly tournaments alive.

At our annual picnic, President Lee Thompson notified us that three of the executive board members will be stepping down at our meeting this June. Lee Thompson, Jack Bindon (Treasurer), and Martin Hoek (Vice President) will all be retiring. As you can expect, we are searching for members who are willing to serve in these roles for the upcoming season of June 2024 to June 2025.

The Holiday season has arrived. We are still scheduled to play our weekly tournaments every Friday, starting at noon. Sign up through Chelsea or call the Pro Shop and get out there with your friends to enjoy a couple of hours on our beautiful course.

I'm going to repeat a quote from Bobby Jones: "Golf is the closest game to the game we call life. You get bad breaks from good shots; you get good breaks from bad shots—but you have to play the ball where it lies." Remember, Golf is fun, join us.

Maintenance Project Notice:

All work scheduling is subject to weather, delays and availability of contractor labor and materials. Contractor may start several days ahead or behind plan schedule, pending field and weather conditions. As needed, we update schedules accordingly via FastLane. For your safety, please be aware of and stay clear of project and staging areas. Access is typically restricted in the work areas. Look out for cautionary signage and other measures. Parking facilities and street frontage may be in use on a temporary basis for vehicle, material and equipment staging. Debris, dust, noise, odor and visual inconveniences may result from a project. Thank you for your cooperation and understanding.

It's high time for safety inspections for your furnaces and fireplaces

Cold Weather Safety Tip: As the weather is changing, now is a great time to make sure your furnaces and fireplaces are ready to use. Furnaces should be safety inspected and filters changed before use. A qualified HVAC technician can do both.

Your fireplace and chimney should also be inspected. The area around both your furnace and fireplace should be free from lint, dust, debris and any paper.

This is also a good time to check that your smoke and carbon monoxide alarms are still in good shape and replace them at the proper time. These simple basic things will keep you safe and cozy in the cold months ahead.

Be safe, be seen—VMA Safety Vests

Now that it's getting dark even earlier, it's extremely important that you wear bright, reflective clothing to ensure oncoming drivers can clearly see you.

The Villages Medical Auxiliary (VMA) has yellow/green reflective vests available, which are free to Villagers. The safety vests are stored at the VMA office in Cribari Center. Pick up your complementary vest at the VMA office during business hours 9:30 a.m. to 2:30 p.m. Mondays through Thursdays.

One size fits all, one per household. Go get a vest!

WHERE IN THE WORLD IS THE VILLAGER?

Here's how it works: Take along a copy of *The Villager* on your next vacation—it's not heavy—and have your picture taken holding up the paper with a well-known landmark or celebrity. Just tell them it's for the folks back home. (And be sure to get your camera back!) Then after you unpack and process your pictures from your vacation, e-mail your Villager picture (in Jpeg format) and perhaps a couple of "zingers" from your vacation and e-mail the files to shinrichs@the-villages.com. We'll publish your smiling face with your favorite local paper for all to see.

Kevan and Diane Stover coordinated their European vacation with Pam and Lee Thompson and met at the Louvre in Paris on the night that happened to be the kickoff of Paris Fashion Week. At right: they are shown facing the Louvre entrance with the Eiffel tower shining its light in the background. Below: Later they dined together at a nearby sidewalk cafe.

Attention Villages travellers: Now that the world is open, please contribute your vacation pictures to the Where In The World column. We're all excited to see where you've been.

occasions including birthday, get well and sympathy. Diane can also customize poetry for your personal needs upon request.

Diane still works full time but writing poetry is her passion. She gets great satisfaction from hearing that her poetry has been a source of comfort or joy to her customers. It motivates her to continue and build her line of poetry products. In addition to her cards, Diane also has two published books of poems which will also be available at the Craft Boutique along with her 2024 calendars; where each month has a special poem to compliment a picturesque Villages photo.

You can see Diane's beautiful work and the work of many other crafter Club artists **this Saturday** at the Crafters Club Holiday Boutique! Bring your friends and family to Cribari Center between 10 a.m. and 2 p.m. for all of your holiday shopping enjoyment! We'll have the coffee on and there will be holiday cookies available in all of the rooms!

Remember someone with a memorial gift to VMA

Honor the life of your friend or loved one by funding the services to extend the quality of life for other Villagers. A memorial gift to the Villages Medical Auxiliary (VMA) honors the loved one lost and promotes the work of the VMA. If you have any questions on how to give, call the VMA office at 408-238-4230. All donations to the VMA are tax deductible.

Remember your loved one with a memorial gift to EVF

Please remember the Evergreen Villages Foundation (EVF) when you are considering a memorial gift in honor of a loved one. The EVF sends a lovely acknowledgement from you. www.evfsj.org
