Sewer line repair accomplished; street reopens

Construction workers refill a trench after replacing a sewer line and prepare to restore the pavement on the project that had access blocked to Fairway Drive for a few days.

Welcome Christmas with 'The Winter Rose' by Villages Chapel

If you enjoy inspirational Christmas music, you will be delighted to hear a mixed choir of voices sing "The Winter Rose" on **Sunday, December 17 at 10 a.m.** in Cribari Auditorium.

This beautiful Christmas Cantata was composed by Joseph M. Martin with narration written by Pamela Martin. Our vocal soloists will be Chris Leisy, Gary Hill and Kathryn Nymoen and our narrators will be Bill Hayden, Diana Hallock and Nick Yannaccone. "The Winter Rose" will be the Villages Community Chapel's gift to our neighbors and friends here in The Villages. Come and learn the reason why Christians around the world celebrate Christmas. All are welcome.

Get ready for a snazzy 'Rudolph' performance!

By B. Brown

"Encore!" The audience shouts. "Encore!" Well, we are hoping for this response, as we make a guest appearance at The Villages Music Society's (VMS) Concert Band and the Handbells Ensemble's upcoming performance. This festive collaboration of sounds, colors and textures takes place in Cribari Auditorium on **Sunday, December 10, at 2:30 p.m.** The VMS Dancers are excited to make a guest appearance, and under the tutelage of Choreographer Bernice Toy, will perform a snazzy Broadway-style dance to none other than "Rudolph the Red-Nose Reindeer."

Left to right: Kristel Moffett, Bessie Arellano, Bernice Toy, Barbara Brown and Barbara Moore

Will you be there? We sure hope so.

For more information about the VMS Dancers; see the Music Society website at villagesmusicsociety.org/about-us-3

Villages Music Society to host Festive Collaboration!

Please come join the Villages' Concert Band and their guests, the Village Dancers, as they present a festive collaboration in Cribari Auditorium on **Sunday, December 10, at 2:30 p.m.** You may purchase open seating tickets at the time of the performance for \$20, or you may purchase tickets ahead of time at the Cribari Auditorium lobby **Saturday, December 9 from 10 a.m. to noon.** Your tickets include a 10 percent off benefit at the Clubhouse on that day (main dining room only).

Some of the music we will be performing includes "All I Want For Christmas Is You." This holiday favorite was released by Mariah Carey almost 30 years ago and the Concert Band is looking forward to presenting it to you.

And what would a holiday concert be without "Sleigh Ride"? Would you believe Leroy Anderson's ever popular tune came to the composer during a heat wave in July 1946!

The band is looking forward to performing the John Moss arrangement of "It's the Most Wonderful Time of the Year," a popular Christmas song written in 1963, recorded and released by pop singer Andy Williams for his first Christmas album.

The Village Dancers will perform a Broadway style jazz dance routine to the song: "Rudolph the Red nosed Reindeer."

The Villages Handbells Ensemble will present holiday themed songs and encourage you to sing along!

Do you know we award fellowships to local students as part of each concert? To help make that happen there will be an opportunity drawing for two gift baskets—we hope you will help support the students and band by purchasing tickets!

Notice of Proposed Changes to Association Policy APr 103 Board and Member Meetings

At the October 31, 2023, board meeting, the Association Board approved proposed changes to Association Policy APr 103 Board and Member Meetings and to publish proposed changes for the required member comment prior to formal approval consideration at the January 30, 2024, board meeting.

The purpose of the proposed changes to procedure APr 103-1 are to simplify the formatting of the agenda. TITLE: Board and Member Meetings PROCEDURE NUMBER: APr 103-01

BOARD MEETING PROCEDURE

Board Meetings

All villa owners (resident or non-resident), individuals renting villas, invited guests and management personnel may attend meetings of the Board of Directors of the Corporation, except when the Board adjourns to Executive Session.

The following are not considered Board meetings:

- Individual contacts or conversations by a Board member with any other person.
- Attendance of a majority of the Board at a purely social or ceremonial event provided the majority of the Board does not discuss among themselves specific business within the Board's jurisdiction of business.
- Attendance of a majority of the Board members at an open and noticed meeting of a "standing committee" of that body provided that the Board members who are not members of the standing committee attend only as observers.

Attendance at Board meetings is subject to acceptable conduct. Anyone who intentionally interferes with or otherwise disrupts the Board's conduct of the meeting will be requested to vacate the meeting room. Refusal to vacate when requested may result in disciplinary action, as defined in the Association's Rules. When deemed necessary to maintain order, the Board may request intervention by Public Safety.

Meeting Notice

Except in the case of an emergency meeting or Executive Session meeting, notice of the time and place of a Board meeting including agenda items shall be posted at Cribari Center and via FastLane at least four (4) days in advance of the meeting and may also be posted on community television, and published in *The Villager*.

Regular monthly Board meetings are held on the last Tuesday of the month. Exceptions to the meeting schedule are sometimes approved by the Board to avoid conflicts with holidays and scheduled events.

Combining the November and December monthly meetings to a single meeting in December is one exception.

Special Board meetings may be called by or at the request of the President or any two (2) Directors. Notice of special meetings shall be given to the Directors at least four (4) days prior to the meeting date, unless the notice requirement is waived by the Directors, which would constitute an emergency situation. Notice of the time and place of a Board meeting including agenda items shall be posted at Cribari Center and via Fast Lane at least four (4) days in advance of the meeting and may also be posted on community television, and published in *The Villager*.

An emergency meeting of the Board may be called by the President, or by any two members of the Board other than the President, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the Board, and which of necessity make it impracticable to provide advance notice to the members.

Meeting Agenda

The Board meeting agenda identifies matters to be reported to, discussed by, and acted on by the Board at its meeting. A draft agenda is normally prepared by the President no later than 5:00 p.m. on the Friday prior to the meeting. Directors and the General Manager may submit items to be included on the agenda. A request supported by at least two other Directors may not be refused by the President.

Except for emergency situations as described above, the agenda is not subject to addition or change once the meeting is called to order. If a topic is important enough for Board consideration,

Homeowners' Corporation Presidents' Message

It's the time of year to count our blessings and share hope and joy. As President of the Homeowners' Corporation I feel blessed to be working with dedicated Villagers who care about their community and making it the best it can be for all of us. I feel excited to share my hope and joy for the future as I look around at all the possibilities to enhance our life at The Villages.

We just completed a review of our Covenants, Conditions and Restrictions (CC&Rs) and our Bylaws. The board went through these documents word by word to make sure that we are keeping abreast of changing conditions and providing what our homeowners need. A legal review is the next step and then we'll come to you with our suggested edits for your approval. Every homeowner will receive the edits ahead of a town hall meeting where you'll have the opportunity to ask questions and give us your comments. All our member homeowners will vote on the document changes via secret ballot mailed to you.

Though it puts a damper on our outdoor activities here at The Villages, we need another wet winter to turn our hills green and revive our landscaping. As mentioned in my September president's message, as single-family homeowners we share The Villages' goal to reduce outdoor water consumption. Even if the winter is a wet one, you'll see our homeowners continuing their changes to low-water use landscaping. It's the future in The Villages and we are a part of this transformation.

Lastly, we are ending 2023 with 16 new homeowners joining our Villages' family. Welcome. We look forward to seeing you out and about enjoying Villages' life. Bring on 2024, we're ready for another great year!

—Teddy Morse, Homeowners' Corporation Board President

Bocce Court update from General Manager's office

A *New Bocce Court News* message was recently sent to Bocce Club members. While there's excitement that surrounds this project—within the club and the entire Community—we pause to make clear project timelines, budgets and included amenity items to properly set expectations.

During the CBOD November 14 Working Session, AGM Public Works, Ryan Bell, presented the Bocce Court comprehensive plan phase details:

Phase 1: anticipated to be completed - March 2024 (weather permitting)

Phase 1 is the current phase approved to proceed by the Club Board as appropriated (Reserve & Capital fund expenses) for a total of \$292,050. This phase includes:

- Additional third court
- Concrete walkways
- Reconstruction of the existing two courts

Phase 2: This phase is currently being developed and will be presented to CBOD at the February 2024 regular Board meeting.

A ROM (rough order of magnitude) of \$100-\$125K allowance has been projected to add the Bocce ancillary amenities which include:

- Trellis
- Seating
- Storage shed(s)
- Scoreboard
- Etc.

Phase 3 is budgeted for FY25's Capital Budget. This final phase will be presented to CBOD at their regularly scheduled meeting in May 2024. The recommendations continue the comprehensive improvement projects for Gazebo Park, which includes:

- Cart parking
- Sitting area tables
- Seating
- Pavilion
- Improved walking paths

The GM office is working closely with our vendors, contractors, Club Board, and our own Public Works team. We trust this message further clarifies The Villages Bocce Court and Gazebo Park 2024/25 additions. We're excited!

Questions? For specific project questions, please reach out to Clay Curtin: ccurtin@the-villages.com or Ryan Bell: rbell@the-villages.com or email your general questions and feedback to Judy Owen, CBOD Liaison: Judymowen@gmail.com.

Keeping your home out of probate

What happens upon your death if you own your Villages home in your name alone? Let's say you have a simple will, leaving your home to your two children. Upon your death, your condo will require court probate to transfer the ownership. Current probate fees begin at 4 percent for the first \$100,000 of value, 3 percent for the next \$100,000 and 2 percent for the next \$800,000, and then become 1 percent after \$1million. And this fee is usually charged twice—by the court and by the estate attorney.

Probate fees can be avoided by setting up a Living Trust and titling the condo in the name of the trust or alternately by adding one or more joint tenants to the condo deed.

Some Villagers believe their estate is not large enough to merit the legal cost of establishing a Living Trust. Joint tenancy with your children avoids probate, but it can cause problems of its own. Your joint tenants would legally own part of your condo. You would need their permission to sell or refinance. The creditors of your kids could place a lien on the condo. You will likely lose some of your Prop 13 tax base so your property taxes will increase.

And wait, there is more: Upon creation of the joint tenancy, you would need to file a gift tax return. Also, upon your death, your heirs will be stuck with part of your original condo cost in calculating the gain on sale and will likely owe income tax. And most importantly, you can't change your mind and take the others off the deed. A legal gift was made; it is permanent.

California law has another alternative to avoid probate: The Revocable Transfer on Death deed frequently called a TOD deed. This deed names the beneficiaries who will receive the property without the need for probate when the property owner dies.

Your heirs do not own any of the property during your life, avoiding the above joint tenancy problems. But when you die, the real estate is transferred to the designated beneficiaries just like your Payable on Death bank accounts.

You can revoke your TOD deed at any time by notarizing and recording a Revocation of Revocable Transfer on Death Deed.

SRS suggests you talk with an attorney before making this change. Your decision for a TOD deed may be confirmed or you may be persuaded that another solution such as a Living Trust is better for you.

Next week we will discuss more details about the form you need to file.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagesrs@sbcglobal.net. The web site is www.thevillagesgcc.com/srs. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

Take trip to SF's Legion of Honor to see Botticelli Drawings exhibit

On **Thursday, February 1**, come with us to the Legion of Honor in San Francisco as it hosts its newest exhibit, Botticelli Drawings. We will depart from Cribari East Parking Lot at **8:30 a.m.** with an estimated return time of 3 p.m.

Botticelli Drawings is the first exhibition ever dedicated to the drawings of Renaissance artist Sandro Botticelli (ca. 1445 – 1510). The exhibition traces his artistic journey, from studying under maestro Fra Filippo Lippi (c. 1406 – 1469) to leading his own workshop in Florence. Featuring rarely seen and newly attributed works, the exhibition provides insight into his design practice and offers an intimate look into the making of some of his most memorable masterpieces, including Adoration of the Magi (c. 1500), which will be reunited with its preparatory drawing, surviving only in fragments.

Activity Level: Moderate (walking and standing; benches may not be available).

Register in Building B during business hours by Friday, December 22 or sooner if tickets sell out.

The cost per person is \$71 regular price; \$44 for FAMSF members. It includes admission, escort, and round-trip transportation. Fine Arts Museums of San Francisco members must show valid membership card at registration. Audio tours are available for an additional \$6.

Lunch will be purchased independently at the museum café. Admission includes the permanent exhibits and non-ticketed temporary exhibits available on the day of the trip.

Due to the weather of the Bay appropriate attire is casual and warm. Gratuity for driver is included in price; additional tipping is at your discretion.

This extraordinary cast features five-time Emmy Award-winner Wayne Brady as the Wiz and award-winning recording artist Deborah Cox as Glinda. This dynamite infusion of ballet, jazz, and modern pop brings a whole new groove to easing on down the road!

Before the performance we will be having an early lunch at Max's Opera Café.

Take 'From the Beginning' drawing class

Have you always wanted to be able to draw? Are you thinking that The Villages is the perfect place to take up art as a hobby? Well, here's your opportunity to get in on the ground floor! Popular art teacher Ciel Duke is offering a Beginning Drawing class **starting Wednesday, January 10.** "All art is based on the ability to draw. This four-week series of classes will cover all the basics, preparing you to continue in Art with a good foundation," Ciel said. "As you advance to water-color painting, ceramics, oils or acrylics, a solid drawing foundation is a must."

Ciel refutes the claim that art ability is a talent. "It is a skill," she said, "that requires hours of practice, like all other acquired skills. The trick is to start at the very beginning, honing your natural ability to see, along with experimenting with a variety of subject matter and mediums."

This Beginning Drawing class will cover Contour Drawing, Pencil Techniques, using Line and Negative Space, Creating Realism, and Basic Portraiture.

Register by emailing barb.gottesman@gmail.com for this four-week class on **Wednesdays, January 10 to 31**

in the Art Room from **10:30 a.m. to 12:30 p.m.**

New year on the horizon! Preview Senior Academy's upcoming programs

By Arlene Versaw

As the 2023 holiday season fades and the door to 2024 swings open to a new year, we tend to start to look forward to new beginnings. New experiences. New perspectives. New activities. Anticipating this annual phenomenon, Senior Academy has been working behind the scenes to produce a calendar of enjoyable presentations for you to explore and savor. The first quarter of the year will bring:

Senior Academy's Annual Meeting on **January 17** from 4 p.m. to 6 p.m. in The Clubhouse.

A course on Folk Rock Revival on **January 23 and 30**, delayed from earlier this year. If you relate to Bob Dylan or Joan Baez, their music and their era, this one is for you (by Richie Unterberger)

February will bring our annual Harrington lecture (February 12) and two course sessions on The Quiet Man movie – Ford, Wayne and O'Hara, a discussion about this enduring movie and its impacts (on February 22 and 29 by Susan McGough).

Then **March** showcases two unusual topics: "Sugar and Slavery – How the Lust for Sugar Impacts History and Health" (on March 6 by Adam Tanner), and "Trash Punx"—about a local non-profit organization dedicated to cleaning up the world one piece of trash at a time (on March 12 by Vanessa Vogier). An example of its work: The group traveled to Africa to help the Masai tribe secure clean water.

And of course, each month Technology Explorers will present an intriguing topic from scientific and technological fields (January 8, February 5 and March 4). So, watch this space, and plan to join us as we unfold our new season of education and enjoyment. Happy New Year from Senior Academy!

Treats sell out quickly at Dog Club Bake Sale

By Barbara Sunseri

Tails were wagging at the Villages Dog Club Bake Sale. The sale was very successful and all the “people food” was sold by noon. Twenty percent of the profits will go to the Silicon Valley Pet Project.

Donations of blankets, towels and toys were overwhelming and are being distributed to the local shelters just in time for Christmas to keep our shelter kids warm.

A big “slobber kiss” goes out to all the helpers who baked, sent out flyers, donated and worked this event.

Take Watercolor Plus Mixed-Media Painting class

Doug Canepa is offering another painting class to Villagers who are interested in exploring different tools and media to enhance their basic painting skills. He will explore strategies beyond traditional watercolor painting by adding acrylics to make images pop. Textured paste, colored pencils and charcoal pencils will be used for texture. Burnishing and blending tools will be introduced as will pen and ink.

Join Doug for this interesting class, **Thursdays, January 11 through February 8, 10 a.m. – 12 noon** in the Art Room. The fee for this five-session class is \$70.

Bring your own materials and Doug will furnish burnishing tools, charcoal, colored pencils, texturing paste, charcoal pencils and ink. A wide range of subject matter will be based on student interest during the class.

Join the fun and explore the possibilities by registering at barb.gottesman@gmail.com

More facts about food waste

As a follow-up to last week’s article on food waste from the Sustainable Villages Club, it is vital that one realizes food waste accounts for 18 percent to the country’s methane pollution, a greenhouse gas that’s 87 times more potent than carbon dioxide over a 20-year period.

If food waste were a country, it would be the third top emitter of greenhouse gas emissions after China and the United States, accounting for 3 billion tons of carbon emissions. In the United States, uneaten food is the single largest source of trash in landfills.

And the problem keeps growing. Over the past 50 years, greenhouse gas emissions from food waste have increased more than 300 percent, and are projected to increase another 400 percent by mid-century if current dietary and waste trends continue.

With that said, be very mindful when going to the grocery store to buy only food that you can use. If you have leftovers, think of freezing it if possible or giving it to a neighbor. Please realize that you have complete control over the food use in your household. Do this for the future of our children, grandchildren and our planet. For more information, visit the Sustainable Villages Club’s website at sustainablevillages.vgcc.club

FROM THE VILLAGES LIBRARY

The Villages Library is open Monday through Friday, 9 a.m. to 3 p.m., and Saturday 9 a.m. to 1 p.m.

“Hang the Moon” by Jeannette Walls. Most folk thought Sallie Kincaid was a nobody who’d amount to nothing. Sallie had other plans. Sallie Kincaid is the daughter of the biggest man in a small town, the charismatic Duke Kincaid. Born at the turn of the 20th century into a life of comfort and privilege, Sallie remembers little about her mother who died in a violent argument with the Duke. By the time she is just 8 years old, the Duke has remarried and had a son, Eddie. While Sallie is her father’s daughter, sharp-witted and resourceful, Eddie is his mother’s son, timid and cerebral. When Sallie tries to teach young Eddie to be more like their father, her daredevil coaching leads to an accident, and Sallie is cast out. Nine years later, she returns, determined to reclaim her place in the family, but she enters a world of conflict and lawlessness. Sallie confronts the secrets and scandals that hide in the shadows of the Big House, navigates the factions in the family and town, and finally comes into her own. Fiction, 2023.

“The White Lady” by Jacqueline Winspear. 1947. Elinor White, known locally as “the White lady,” is living a solitary, quiet life in a cottage in the Kent countryside. Unbeknownst to her neighbors, she is the veteran of two world wars, a trained killer and former intelligence agent. Yet Elinor’s private and seemingly tranquil existence conceals a past trauma that comes to the fore when she is drawn into the predicament of a local man entangled with one of the most dangerous crime families in London. A treacherous path lies ahead, but it may be one that ultimately leads Elinor to a future unshackled from her own painful history. Mystery, 2023.

“Near Miss” (Stone Barrington #64) by Stuart Woods and Brett Battles. Following a string of adventures, Stone Barrington is enjoying some downtime in New York City when a chance encounter introduces him to a charming new companion. Too bad she also comes with the baggage of a persistent ex-boyfriend intent on retribution. As Stone skillfully dodges each disturbance, it soon becomes clear that there is potentially an even more treacherous game being played behind the scenes. And when long-standing grudges resurface, Stone is brought back into the orbit of some familiar enemies. He must use all of his tricks—as well as those of a few old friends—to evade trouble before it’s too late. But this time, danger just might catch him. Large Print, Mystery, 2023.

“Beware the Woman” by Megan Abbott. “Honey, I just want you to have everything you ever wanted.” That’s what Jacy’s mom always told her. Finally, she did. Newly married and with a baby on the way, Jacy and her new husband embark on their first road trip together to visit his father, Doctor Ash, in Michigan’s far-flung Upper Peninsula. The moment they arrive in the cozy cottage in the lush woods, Jacy feels bathed in love by the warm and hospitable Doctor Ash. But their Edenic first days take a turn when Jacy has a health scare. Swiftly, all eyes are on Jacy’s condition. But whispers about Jed’s long-dead mother and complicated family history seem to be impeding upon the present. Jacy begins to feel trapped in the cottage, her every move surveilled. But are her fears founded or is it paranoia, or cabin fever, or—as is suggested to her—a stubborn refusal to take necessary precautions? The dense woods surrounding the cottage are full of dangers, but are the greater ones inside? Large Print, Fiction, 2023.

“The Whispers” by Ashley Audrain. The Loverlys sit by the hospital bed of their young son who is in a coma after falling from his bedroom window in the middle of the night; his mother, Whitney, will not speak to anyone. Back home, their friends and neighbors are left in shock, each confronting their own role in the events that led up to what happened that terrible night: the warm, altruistic Parks who are the Loverlys’ best friends; the young, ambitious Goldsmiths who are struggling to start a family of their own; and the quiet, elderly Portuguese couple who care for their adult son with a developmental disability, and who pass the long days on the front porch, watching their neighbors go about their busy lives. Large Print, Fiction, 2023.

RELIGION

EPISCOPAL

'Peace be with You'

By The Very Rev. Julia McCray-Goldsmith, Dean of Trinity Cathedral

There's a tradition in the Episcopal church of "passing the peace," a moment in our worship when, well... all heaven breaks loose! Some liturgical churches do this very quietly, but not at Trinity Cathedral nor at our Villages Chapel. We have lots of peace and goodwill to share! In fact, our peace is unlimited, because it finds its source in God. On this second weekend in Advent—when we light one of the four traditional candles for peace—we remember that peace does not depend on us. Peace is God's gift, but... we have to be willing to receive it.

We can practice peace, even—especially—when it is not easy. Passing peace in church, we have a chance to warmly greet the people we may find irritating. Of course, we don't have to wait for church to offer peace. We can seek out those with whom we have disagreements anytime, and offer a word of kindness (which doesn't require us to agree). We can be the first to stop a disagreement from escalating into a standoff, or worse yet, a fight or a war. We can be the first to let go of our own resentments and seek the peace of Christ, who—knowing it's hard—still reminded his disciples "Peace I leave with you; my peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled, and do not let them be afraid" (John 14:27).

Please join us on Sunday at 9 a.m. at Montgomery Center as we light the second Advent candle!

SEARCH THE SCRIPTURES

Search the Scriptures is meeting at **10 a.m., December 11 at Vineyard Center**. We are meeting on the second and fourth Monday of each month. Any questions, contact Everett Jacobson at 408-629-7210 or Ron Speer at 408-223-2025.

COMMUNITY CHAPEL

'The Need for Affirmation'

By Pastor Bill Hayden

There is not one person born of a woman that doesn't have a need for affirmation. Affirmation in the Holy Bible means establish, confirm or make firm. Biblical references are based on truth and there are plenty of examples in the bible.

Sometimes children will seek attention in all the wrong places if they are not being affirmed by their parents or siblings. In some cases, the acknowledgement from family and friends is not enough for their deep need to be valued. There is an old saying, "Children should be seen and not heard" that could be seen as a form of rejection by some.

When a person has dealt with rejection at a crucial time in their life it could have a long-term effect on their mental or social development. I recall a time in my life, during the formative years, having to deal with feelings of brokenness and rejection. You reach out to others, silently weeping on the inside, with no avail because they could not discern your need. If only I could have been embraced with a gentle hug to acknowledge that I was a part of their lives... it would have been enough!

As we encounter each other for the first time, our personal history may be unknown but the human experience is well known according to our basic needs and knowledge.

Let me be the first today to affirm your place in the world today if someone hasn't already shared that with you. First, you were created by a Divine entity with the purpose of living eternally. **Genesis 1:26-27 NKJV 26** Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth." **27** So God created man in His own image; in the image of God He created him; male and female He created them.

First, in a perfect world you would know that you were gifted with special abilities, highly valued and connected to bring balance to the purpose of your existence. In all that you do, it should reflect your Creator.

Second, the world is not a perfect place and men have rebelled against their Creator. Therefore, you must contend with what God has planned for your wellbeing and not be distracted by negative influences to corrupt your thinking.

Third, you are worth more to your Creator than any building made with human hands. If you were not of value, there would not be a reason for Him to sacrifice His Son to save you from an eternal separation of His presence.

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace*. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA.

CATHOLIC COMMUNITY

'Preparing the Way of the Lord'

By Bob Dolci, M.Div., M.A.

On this Second Sunday of Advent, we hear John the Baptist's message of repentance and God's forgiveness. In his time, some of the people responded out of curiosity and some out of faith. However, the crux of his message, according to St. Mark (1:1-8) is that John was preparing the way for Jesus, who would come and baptize with the power of the Holy Spirit—giving his life to all who believe and who are willing to be his disciple.

The prophet Isaiah (40:1-5,9-11) proclaims that Yahweh is a comforting God and that we are invited to share in that comfort, the new and eternal covenant relationship with God. In doing so, we are to be heralds of God's presence in our world. As heralds (disciples) we are called to repent, proclaim the Good News and act on that message. True repentance is about living each day actively engaged in being Christ to others, bringing about simple or radical changes, which Isaiah symbolized by drastic changes in nature.

Our Advent journey as Christ's disciples may involve any of the following: showing a more positive, comforting spirit to others; encouraging someone who is depressed; visiting a sick or recovering person; volunteering at a shelter; or forgiving someone who has hurt us.

So, let us **Prepare the Way of the Lord** by living as a true disciple of Christ which involves changing what needs to be changed and strengthening our relationship with God and our community.

Jana has served on the Bocce Board as IT Director and is the chairperson for the 3rd court project, as well as having served on the Bylaws committee. Winter play is every Wednesday, from noon to 3 p.m. through the end of January. Courts are already reserved for you by Your Courts Director, Helen Paris. Come on by and drop in, for anyone wishing to play bocce.

Editor's note: Last week's Bocce News article mentioned the construction of an additional bocce court. The timeline, process and scope of this project may not have been accurately described in the article. *Please see the General Manager's message on page 4.*

18-HOLE WOMEN

By Nancy Keane

Another fun day for the 18 Hole ladies, thanks to our play day chairs. The weather was cooperative once again, as it became cooler after we finished playing. Our co-captain, Patti Bell congratulated all the ladies for their pace of play today. We finished our round in less than 4 1/2 hours.

Luncheon was delicious and very spirited today, and it looks like everyone is looking forward to next week's Christmas tournament and installation of officers. Remember that we must sign up for our luncheon at <https://forms.gle/QtTQWQfS2z9TQVEL8> for the December 7th holiday luncheon, and consider a donation to the Evergreen Nurses Fund as well on that day. There will be a box at the sign-up table for your checks. We are encouraged to make a \$25 donation, but if you wish to be more generous, please do so.

The winners of today's tournament were the team of Barber, Driskell, Giuliiodibari, and Salvatierra...congrats, ladies!

Chip ins: Won Cha #1, Joyce Mukuno #10, Suzanne Fazzio #5 and #6, Janelle Salvatierra \$17, Bev Poellot #13 and Donna Quartaro #3.

Birdies: Monica Saneholtz #11, Helen Varenkamp #7 and #11, Joyce Mukuno #10, Lyn Strong #12, Janelle Salvatierra #17 and Kathy Apgar #6.

WOMEN'S 9 HOLE

Cynie Jackson and Cookie Hales, two golfers ready to attack the course!

By Carol Begley

Now that the turkey and stuffing are only a memory, our thoughts turn to Christmas and Hanukkah, which brings me to my point: don't forget to sign up for the Holiday Luncheon on December 12 at 11 a.m. Swingers business will be discussed, the Captain's Trophy winner will be announced and there will be a guest performer you will not want to miss! You can sign up on our website at Womens9holegolf.vgcc.club

This week there were 55 players participating. There was one chip-in by Jane Smith on hole 18. Wow, that was quite a feat! We had two birdies: Suzy Kim on hole 1 and me, Carol Begley on hole 11.

Last of my "new" golf rules or golf "laws": #3—A golfer hitting into your group will always be bigger than anyone in your group. Likewise, a group you accidentally hit into will consist of a football player, a professional wrestler, a convicted murderer and an IRS agent.

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are in afternoon play, gathering every Thursday afternoon at 1 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

On Thursday, November 30, 2023, it was partly cloudy and cool. Rain threatened, but did not make an appearance. Twelve Ironmen played.

There was a three-way tie for **Third Place** between Dave Hathaway, Bob Pritchard, and Roger Pyle with net 32s; there was also a three-way tie for **Second Place** between Victor Hong, Mike Schwerin, and Bill Travis each with net 30s; and there was a two-way tie for **First Place** between Doug Herring and Jerry Juracich with net 29s.

There was one **Birdie** by Mike Schwerin on hole 3.

Lee Thompson won **Closest to the Flag** on hole 3 at 6 feet, 7 inches.

Mike Schwerin won **Low Gross** with a 31.

For a second consecutive week Mike Schwerin won **Golfer of the Day** honors with a second place finish, a birdie, and low gross. Way to go Mike!

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts:

"I expect to make at least seven mistakes a round. Therefore, when I make a bad shot, I don't worry about it. It's just one of those seven." - Walter Hagen, a pioneer in the development of professional golf, and winner of eleven Major Championships

"To play well, you must feel tranquil and at peace. I have never been troubled by nerves in golf because I felt I had nothing to lose and everything to gain." - Harry Vardon, winner of seven Major Championships, including a record six Open Championships (The British Open)

TENNIS TALK

Art 'Mr. Tennis' turns 96!

The Tennis Club celebrates Art Lind's 96th birthday. Here he is standing just to the left of the net, wearing a black jacket and white baseball cap, surrounded by just a few of his many Tennis Club admirers. Long live Art Lind!

By Adrien Fournier

Pickleball! Hey, that ought to rile a few people up, reading a Tennis Talk article that starts with the "P" word. Of course, most don't feel that way because they're often seen on both courts... and I'm one of them. It can be painful! Here are my takeaways on playing both.

1 - The PB (Pickleball) court is too small. I get claustrophobic. Take a few steps and you're into the fence. I'm currently pursuing mental health therapy to fix this.

2 - The PB balls. Holy Cow, *yellow*?! Didn't the PB powers know the color of tennis balls, or did they just think, "Oh well, it works for them"? Switching from the spacious tennis surface to the cage-like PB court I see tennis balls with holes in them, closer than they actually are, yet further to get to. Think about that a minute!

3 - I took a beginners class a couple of years ago. Nice fella! He points to the area a few feet either side of the net and said, "That's the kitchen." Needless to say, my eyebrow (the left one) raised a fair bit. I asked, "Where's the stove and fridge, or is this some kind of a modern kitchen?" Turns out, on the smallest darn court in the world, they designate a further area of restrictive! I mean, come on! I'm hyperventilating. Multiple therapy sessions lie ahead.

4 - The people are nicer at the Pickleball courts. Oh, I kid. I only play PB with Tennis Players. Well, these were my thoughts when I first started playing PB. I did pursue therapy and after 31 sessions my demons were eradicated. Now, I'm at the envious position where I am working on both my Tennis and PB games and enjoying each muchly, and equally, with people in the know helping me out.

See ya on the...ya know...courts!

PINSEEKERS

By Jim White

November has passed and we are quickly approaching the first day of winter. So far, our weather is ideal for golf and enjoying the outdoors here in the Villages. As of deadline, December 3, the weather forecast for our next two outings is outstanding. With noon tee time on the 8th were looking toward a 60-degree afternoon. On the following Friday, December 15, NOAA says we can look forward to 63 degrees. Sounds like a couple of perfect, excuse free days to join your Pinseeker friends on the fairways.

Now, for the last couple of months we have been struggling to fill our play times. The Pro Shop has blocked out 5 foursome slots from 12:06 to 12:42 p.m. That is space for 20 Pinseekers. Last spring we had several Fridays where we were taking waiting list requests for our nine hole mini-tournaments, now we are filling less than half of our allowance. When we have insufficient players to fill our slots, the Pro Shop will move the players who have reserved the later slots (12:33 and 12:44) to earlier slots so that other Villagers may play and the Pinseekers do not create unused tee times. Trust me, your friends miss you and enjoy spending a couple of hours walking and riding on the back or front nine.

To wrap up this chapter of Pinseekers at The Villages, why do we play golf? My opinions, and only my own, are: You meet a lot of different people and have an interesting time on the course with them. It's a sport you can pursue from a young age to your 80s, and beyond. We are constantly challenged and often make mistakes; this leads to a greater enjoyment of the good strikes and good putts. The worst day on the golf course is generally better than your best day at work. Many unique and memorable things can happen on the course, not always good but usually something that stays in your memory and, in time, will bring a smile or chuckle back into your life.

We play every Friday, year 'round except for the scheduled days of the Long Course Women's Championships, the Men's Club Championships, The Evergreen Invitational, and some national holidays that fall on a Friday. Join us. You can get a membership application at the Pro Shop or from President Lee Thompson, or from Jim White, Club Secretary.

Winter Weather and Daily Golf Course Conditions—Remember that at this time of year, weather becomes a daily factor and the resultant golf course conditions can affect play. Some things to be aware of are potential frost delays if it’s cold, potential cart paths only status if conditions are wet and rainy, and in extreme weather or wind conditions course closure if a storm creates an unsafe atmosphere to play in (rare but not impossible). Please call the Maintenance Hotline at 408.223.4663 each day for an update on golf course conditions. And remember that the flag at the driving range will indicate the golf course status for the day:

Green Flag = Open for Play / Yellow Flag = Frost Delay / Red Flag = Carts on Paths Only / Black Flag = Golf & Practice Facilities Closed

Tips from the Pro—Get a Grip!

The one fundamental of golf that is the most important is the grip. Your hands are your only connection to the golf club, so the grip therefore is paramount to performance. Although the grip is often overlooked by the golfer, we that teach the game never give a lesson without checking the golfer’s grip first. The key is to be comfortable but also position sound. Not every grip has to be perfect, but we do not want aggressive misconceptions of how the hands are placed.

Here are some grip tips (for a right hander)...

Make sure the club rests in your fingers, not your palms.
 Make sure the left thumb naturally rests to the right of the handle (not down the middle).

(Continued on next column)

From The Pro...

(Continued from previous column)

Make sure the right thumb rests to the left of the handle. The left thumb should not be visible as it tucks into the right palm.

When you fan your right hand out, your palm should face the target, not the sky.

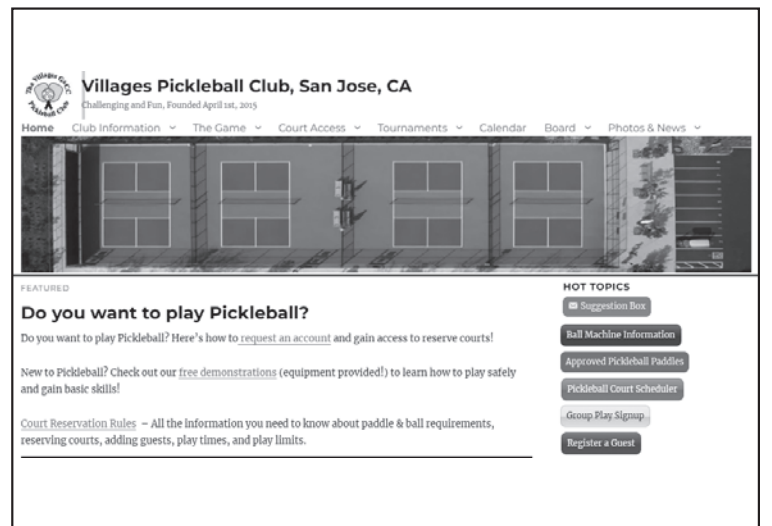

Make sure neither hand is aggressively rotated right or left but rather in a neutral position with your palms opposing. Grip pressure should be secure but not tight as that will inhibit hand and wrist action.

Two More Tips...

If your grip is biased to the right (right hand under, left hand on top)...that is called a “strong” grip and will promote the ball going left.

If your grip is biased to the left (left hand under, right hand on top)...that is called a “weak” grip and will promote the ball going right. **Let us know if these tips help. To sign up for a lesson with me, email ssteele@the-villages.com**

PICKLEBALL

By Anahid Gregg

More frequently asked questions about Pickleball! The Pickleball club board tries very hard to balance playing time on the courts between different playing styles. We follow the rules the CBOD sets for managing the courts: VGCC Rule 1.23 – Pickleball Play.

There are different playing styles; most commonly people schedule their own doubles play, but some play singles. Additionally, we have “group” play sessions. We’re limited on how many of these group play times per week. Members are allowed unlimited group play sessions, as well as free demos with the incredible Mike Walias (mjw0275@yahoo.com). Non-Member residents may attend a combination of two demos or play sessions, then are required to join the club. Guests may not participate.

Group play sessions are broken into three levels—Novice/Advanced Novice, Intermediate and Intermediate Advanced. The Novice/Advanced Novice groups have a group leader to provide assistance, tips and help forming groups. Players should know the basics before participating; how to keep score and serve. If players take advantage of Mike’s tutelage, he will point them to the correct level. These sessions are a great way to meet people and form your own groups. Want to find out more about this type of play? Visit villagespickleball.vgcc.club/ and click on the “Group Play Signup” button.

From April to November, we have a monthly Dink & Drink, which is a potluck for Members only. Links to all these events are on our website: villagespickleball.org. Our website club calendar has all upcoming activities listed. The Calendar is updated for 2024, and has all the upcoming events listed! Check the “Hot Topics” buttons for all the info!

SHONIS

By Betty Hall

Gosh. It's already December 8. Only two more weeks until Christmas and then we'll celebrate New Year's and welcome 2024. Unbelievable. Tuesday, November 28 was our last golf date in November and the Shonis only have two more official golf outings in 2023. Our last golf date is next Tuesday, December 12. It is also our Holiday Luncheon and awards for 2023. A fun, festive event for us all.

Since the 28th was the last Tuesday of November, it was also our monthly birthday game. We had three Shoni birthday golfers who got to drop their worse score and improve their net to get a birthday present in sweeps.

Last Tuesday was also our eagerly awaited Beat The Pro with Tim Flanagan. Tim golfs with each group when they arrive at Hole 9. If you tie or beat his score, well, you've Beat the Pro. We also award Beat The Pro pins if you golf net par or better. So the Shonis who Beat The Pro on Hole 9 were Joyce Baptiste, Sue Park, Jan Trusso, Peggy White and birthday girl, Mary Ann Haggerty. The six Shonis who golfed net Par were birthday girl Marty Blinde, Tahera Khalil, Schinae Ogihara, Jonna Robinson, Judy Rogers and Fran Schumaker. Congratulations to all the Shonis who beat the pro.

What should you do with that old golf cart?

Did you know that your donation of a golf cart or car to the VMA will not only support the VMA's fundraising objectives, but will provide you, the donor, a 501C IRS charitable write-off! You will receive a receipt to use when completing your taxes.

VMA uses all funds to assist Villagers to continue to live independent, active and healthy lives from the comfort of their own homes.

Donated carts are available for Villagers to purchase. If interested in purchasing a cart available through the VMA, call the office at 408-238-4230 to put your name on the waiting list.

Accessing Table Tennis using your Villages ID

The Montgomery Multi-Purpose room is accessible during table tennis/ping pong play hours by residents who have met the following requirements: 1) attended a Table Tennis Group membership orientation, and 2) read and signed the release waiver to use this space. Once both requirements are met the Table Tennis Group will provide Community Activities with the waiver and we will activate your Villages ID Card to use as a key to the facility.

When wanting access make sure to hold your ID up to the door sensor with your photo facing yourself. You may need to move the ID around a little so that the sensor can locate and read the microchip embedded in your card. Once the chip is read there should be a green light, some beeps, and you will have four seconds to open the door.

If the light does not turn green it could be because:

a) You have not completed both requirements listed above. Please contact the Table Tennis Group to set up a membership orientation; their contact information is available when logged onto the Resident Portal or by calling the Community Resource Center (CRC) in Building B at 408-754-1336. The club will provide a copy of the waiver to you.

b) You have met the requirements previously but moved out of The Villages and have since moved back in. You will need to re-establish your membership in the Table Tennis Group and sign a new release waiver.

c) The microchip in your card has been damaged in some way and your card must be replaced. Please contact the Public Safety Administration office at 408-239-5246, Option 2 for assistance.

For more information on accessing table tennis/ping pong please contact either the Table Tennis Group or the CRC.

(Continued from page 3)

it is important enough that the Board have full knowledge and understanding prior to formal discussion.

The agenda functions as a tool to move along discussion of the issues and actions. The meeting agenda will contain the following:

Time and Place

Time, date and location of the meeting.

Call to Order

The President or other presiding officer (Chair) will call the meeting to order. Once called to order, the meeting will be conducted in accordance with accepted parliamentary procedure. Robert's Rules of Order will be used as a parliamentary guide.

Roll Call

Director's names are called to verify attendance and the presence of a quorum as defined in The Villages Association Amended Bylaws, Article 7.11.

President's Report

The President may provide a summary report of Board activities, including any special, Executive Session, or emergency meetings held since the last regular monthly meeting. The President may also use the report as an opportunity to inform the Directors and audience about matters of special interest to the community.

Treasurer's Report

The Treasurer will provide a summary report of the Corporation's general financial performance and status for the period since the last report and year-to-date. The report may be supplemented by management reports of specific financial and business activities. The Board may discuss the report and then will vote on accepting the report. The Board will also review the Treasurer's recommendation to ratify the monthly review of accounts and vote on ratification.

Accept Treasurer's Report

Ratify Monthly Review of Accounts

General Manager's Report

The General Manager will provide a summary report of management activities during the period since the last report and other matters of interest to the Board and membership.

Committee Reports

Committee Chairmen or their designees will provide summary reports of their activities as requested by the Chair.

Open Communication

An opportunity will be provided for audience members to address the Board on any Association-related matter. The time allotted to each speaker will be determined by the Chair. The Chair has sole discretion to permit response to questions and opinions.

Consent Agenda

Items such as prior meeting minutes and committee reports will be submitted for Board consent approval; for example, "Consent to approve minutes and committee reports as submitted." A consent agenda alleviates the need for a verbal report on routine administrative items. The Board may remove an item from the consent agenda for purposes of separate discussion or action. However, the Chair will not normally invite audience comment on the item.

Unfinished Business

Unfinished Business is the consideration of those items purposely deferred by the Board from one meeting to another. Reports to the Board will include prior agenda submittals and any pertinent information received since the Board's last consideration. At the Chair's discretion, time will be allotted for comment from the audience on each agenda item considered by the Board. The Chair has sole discretion to permit Director response to questions or opinions presented by the audience. However, the Chair will not normally invite audience comment on the item.

The names of makers of motions and seconders shall be recorded in the Minutes of the meeting. The motion shall be read immediately prior to the Board vote.

New Business

New Business is the consideration of those items presented for the first time. Each listed item will include a description to clarify the action or motion sought. The names of makers of motions and seconders shall be recorded in the Minutes of the meeting. The motion shall be read immediately prior to the Board vote.

Action Items

Agenda Items are to be considered for action at this board meeting.

Discussion Items (no action to be taken)

Discussion Items are listed for the Board to discuss, receive information, or plan possible action at a future board meeting.

~~It shall be the practice of the Board to delay decision on New Business items until at least the next regular monthly meeting to allow opportunity for Director study and member comment. Exception to the practice may be made at the discretion of the Board for contracts, committee appointments, and other matters where~~

~~timeliness is a factor.~~

~~The Chair may allow Director discussion and questioning of the presenter upon first presentation of a New Business item. However, the Chair will not normally invite audience comment on the item.~~

Announcements

Notice of scheduled Board meetings and other events of note.

Adjournment

Executive Session

If needed.

Study Sessions

Study sessions will be called as needed.

A study session may be called by the President of the Association Board (Board) to discuss items of interest to the Board, Management or Members. In addition, two Board Members or the General Manager may request that the President call a study session. Upon that request, the President must call a study session within 14 days.

Except in the case of an emergency meeting or Executive Session meeting, notice of the time and place of a Board meeting including agenda items shall be posted at Cribari Center and via Fast Lane at least four (4) days in advance of the meeting and may also be posted on community television, and published in *The Villager*.

The purpose of the study session is to allow a topic to be studied by the Board in open session, prior to a formal decision being made at the monthly board meeting. Formal Board decisions will not normally be made at the study session, unless timing is such that a decision must be made. Rather, agenda items the Board deems appropriate will be brought back to the formal board meeting for consideration.

The President of the Board at his/her discretion shall conduct the meeting, dispensing with the normal formalities of the board meeting following the order of the agenda, which was published four days in advance of the study session. The President at his/her discretion may limit resident participation during the discussion of agenda items.

An opportunity will be provided for audience members to address the Board on any Association-related matter. The time allotted to each speaker will be determined by the Chair. The Chair has sole discretion to permit response to questions and opinions.

Executive Sessions

The Board may only hold an Executive Session only to consider the following:

- Litigation
- Contracts Formation
- Member discipline (in which case the subject member may attend)
- Personnel Matters
- To meet with a member, at the member's request to discuss delinquent assessments
- To decide whether to foreclose an assessment lien

Except in the case of an emergency, an Executive Session meeting notice including agenda items shall be posted at Cribari Center, and via Fast Lane at least four (4) days in advance of the meeting and may also be posted on community television, and published in *The Villager*.

Retire on Your Terms

Let's debunk the reverse mortgage misconceptions.

MYTH:
 With a reverse mortgage, the bank owns the home.

FACT:
 The homeowner keeps the title to the home in their name. As with any mortgage, you must meet your loan obligations, keeping current with property taxes, insurance, and maintenance.
