Welcome spring with the Sounds of Music

By Estelle Kabbani

Evergreen Valley springs forth with new growth. Our foothills are alive with the sounds of music. Villages Piano Open Studio, an affiliate of the Villages Music Society, will present a free matinee recital on **Sunday, April 14 at 2:30 p.m.** in Cribari Auditorium. The show will feature Broadway show tunes, traditional Celtic music, romantic songs from the 1930s and early '60s, solos and duets. *(Continued on page 14)*

Senior Academy: Wildlife Photography Up Close and Personal

By Arlene Versaw

Lions and tigers and bears, oh my! There is nothing like wild-life in their natural habitats, but unfortunately city dwellers lack access to Mother Nature's amazing creatures.

That's why we must depend on nature photographers like Joan Sparks. And on **Wednesday, April 10 at 2 p.m.** at Foothill Center, you can explore some of this part of the world right here in The Villages—specifically brown bears in Alaska, and raptors. That's when Joan Sparks takes us to view the beauty of Cooks Inlet in Alaska to explore the brown bears and their behavior. *(Continued on page 14)*

COMMUNITY NEWS

PULSE

Dear Readers:
The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 4 p.m. on Thursday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Letter authors are limited to one published Pulse letter per month. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the email and the subject line must read PULSE LETTER.

0 Pulse letters received this week.
0 Pulse letters not meeting Pulse Letter Requirements.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.

All Pulse letters that are published are retained by the Communications Advisory Committee (CAC) for a period of 12 months. Pulse letters not meeting Pulse Letter Requirements are not shared with anyone outside the CAC, management or Club Board and staff liaisons for the reason of confidentiality.

The Villages is a residential golf community, not a business. If Members are willing to support The Villager (an amenity) it should continue to be published regularly. For FY23 monthly assessments of \$9.63 (~\$2.25/issue) were required for the \$293K loss reported by staff to publish and deliver our community newspaper.

Cost savings of 7.8% would be realized by publishing the paper 9 out of every 10 weeks. Not putting the paper in tubes, utilizing services that employ challenged individuals/deliver the San Jose Mercury News are additional cost reducing options.

These cost savings coupled with the recent reduction to print 24 pages from 28 each week (14.3% savings) could reduce the cost to receive of The Villager by over 25%.

Now is good time to obtain the entire community's input on the fate of The Villager. Election materials will be mailed in the next few weeks to Members for the annual elections of board directors. Including a ballot about our community newspaper would be a cost effective way to obtain the community's input.

If you agree with including a ballot about The Villager with the election materials submit Pulse Letters/send emails to the Club Board of Directors and the General Manager.
—Howie Blumstein

BOARDS & COMMITTEES

ABOD President's Message—March 26, 2024

This month I'd like to focus on fire safety. The wildfire season in Northern California starts around the first of June and lasts through October, depending on the weather and dryness of the hills. The recent rains are keeping our hills green for now but if the summer is excessively hot and dry, all that lush green grass will become fuel for a potential wildfire.

The FLAME committee (Fire, Landscaping, Materials & Environment) led by John Epperheimer, has done an excellent job of reviewing the Rice Reports for each village and exploring the appropriate next steps. John's research led him to FireWise, a national designation for communities that have made wildfire safety a priority. FireWise is managed by CalFire and provides a template to organize the wildfire risks facing communities and to assist communities in identifying their highest priorities through a three-year plan.

Those priorities include structural changes, landscaping alterations, fire education, escape route planning and many other efforts. Volunteerism and community involvement is a critical component of FireWise applications. Some large communities, such as The Villages, must be divided into more manageable sections or zones. Our twelve villages are natural FireWise zones. Today the ABOD will be discussing adding FireWise as a standing committee for each DAC. We hope that all Villagers who have concerns about wildfire safety will volunteer to help their DACs on this important task. For more information, go to www.readyforwildfire.org.

As important as wildfire safety is, household fires are a far more frequent occurrence in The Villages. First, be sure your smoke detectors and carbon monoxide detectors are working and located in the right places. All of us need to be very aware of hot stoves, crimped wires, overextended extension cords, and the like. It is so easy to get distracted and leave food cooking unattended. Clogged dryer vents and dusty bathroom fans can easily catch fire. Space heaters can overheat or cause a fire if they are located near curtains or blankets. Working in the garage with hot engines or flammable liquids all require extra vigilance. Finally, never allow an unlicensed contractor to work on your home. What might seem like a simple task for a handyman can quickly turn into a major disaster. Villagers are urged to slow down, double check and keep a fire-safe home. I would also encourage all Villagers to review pages 92-93 in our beautiful new phone directories.

The budget process for 2024/25 continues to move forward. Board members met on Friday to review both the Operating and Reserve Replacement Plans. I really appreciate the addition of the term "replacement" into the reserve name. It more clearly describes how those funds are used...for major replacements like concrete, roofs and paint. Another excellent change is the reallocation of The Villages staff labor costs from Reserve Replacement into Operating. Most reserve replacement projects are not done in house but put out to bid to outside contractors. The vast majority of our labor costs are for Operating work, so moving the labor expenses into Operating more correctly reflects what is actually happening. It will mean that when the 2024/25 budget numbers are finalized, some expenses will have moved but please be assured, we are doing everything possible to collect only what is absolutely necessary to maintain your home and all The Villages homes in excellent condition.

—Diana Hallock, Villages Association President

Club President's Message—March 26, 2024

Hello, Villagers! Spring has arrived in The Villages, birds are chirping, flowers are blooming everywhere—the property is looking vibrant and beautiful. The last of the fallen trees and limbs have been cleared and, fingers crossed, we hope to experience reasonable weather patterns for the foreseeable future. Thank you to the numerous employee and contractor teams who have worked in a speedy and safe manner to clear the tons of debris. Much appreciated! If you see anything that's still not yet cleaned up, please file a work order.

We can all look forward to the opening of the three other swimming pools in April —on the first, Foothill and Cribari pools will open, followed soon by Montgomery pool when the ongoing repairs are completed—likely by mid-April. The new third bocce court is shaping up and will also be opening in April to serve the lively and energetic members of The Villages Bocce Club. Plans for the golf course bunker project have been completed and we're moving to engage contractors via an RFP and onsite visits. We are hopeful to commence on the bunker liner replacement project as soon as this fall.

The Club Board met last week with The Villages Executive Team to get a first look at how the FY25 budget is shaping up. The Club Board also processed the budget requests from all Club Board Standing Committees, clubs, and organizations and response letters have been sent to these groups via email. There are still several components of the FY25 budget that need to be worked out, and I can guarantee that everyone involved is working very diligently to deliver the best possible budget that accounts for the known cost increases in insurance and utilities, plus the anticipated funds needed to keep The Villages amenities in tip-top shape. The details of the FY25 budget will be sorted out in short order, as the FY25 budget is scheduled to be approved at the CBOD Monthly Meeting on April 30, 2024.

The Policy Committee of the Club Board continues to revise the current Club Bylaws and several Club Policies and Rules to meet the current and future needs of The Villages Golf and Country Club. Reminder, that at a minimum, the newly revised Club Bylaws must comply with several updates to California Corporation Code and will also target removing the cap on the amount of capital that can be held by the Club to affect the rejuvenation of, or replacement of, or for the build-out of new amenities. More revisions to Club Policies and Rules will be reviewed during Club Board meetings over the next few months. This type of work by the Club Board is very necessary to ensure and maintain solid financial management and good governance. Reminder that all policy revisions are published in *The Villager* to allow review by Villagers, and the Club Board happily welcomes all written comments and feedback.

On another note, we've known for several years that the IT systems supporting the business operations of The Villages are outdated, with many running on out-of-date or unsupported versions. Several IT systems will soon be replaced, and just in time. Of late, the ancient financial system, NAVision, has been struggling to remain viable, experiencing recent outages, causing much stress for The Villages Management and Accounting Teams. Please rest assured that the implementation and replacement of many of these IT systems is in progress and moving forward according to schedule. This also requires a tremendous amount of data mapping and conversion to support the successful go-live of these new systems.

Finally, we are very happy to continue our positive engagement with the hard-working Villages Executive Staff, and most importantly with our General Manager, Theresa Ostrander. The Club Board recognizes the super heavy workload you and your staff are currently carrying and sincerely appreciate the extra efforts and highest levels of professionalism exhibited by the entire team. Thank you, Theresa, and Team, for your support of the Club Board and all you do for The Villages!

—Leslie Lambert, Villages Golf & Country Club President

Let's hit the city to see 'Funny Girl'!

On **Wednesday, May 22**, join us at the Orpheum Theater in San Francisco to see "Funny Girl"! This is a bittersweet musical comedy that tells the tale of the tough and determined Fanny Brice. Fanny is a girl from the Lower East Side of New York City who dreams of a life on the stage. Everyone tells her she would never be a star, but she becomes one of the most beloved performers in history. Based on the classic by Isobel Lennart and updated by Harvey Fierstein, this show outshines the brightest lights of Broadway!

After the performance we will enjoy an early dinner at Fog Harbor Fish House, a family-owned San Francisco institution at Pier 39. All meals will come with a Caesar salad to start and an apple crisp with whipped cream to finish. We will cover all beverages up to \$4; drinks that cost more will be charged to the participant. You will need to choose one of these entrees at registration:

- Roasted Pacific Cod topped with Caper Lemon Butter, comes with garlic mashed potatoes and seasonal vegetables
- Shrimp Brochette with Garlic Butter Sauce, comes with garlic mashed potatoes and seasonal vegetables

• Chicken Penne Pasta tossed with a Pesto Cream Sauce, comes with seasonal vegetables
We will depart from Cribari East Parking Lot at 11 a.m. with an estimated return time of 7:30 p.m.
Activity Level: Light (mostly seated).

Due to the Bay Area weather, attire is casual and warm. Gratuity for the driver and guide is included in the price. Additional tipping is at your discretion.

The cost is \$208 and includes round trip transportation, ticket, meal and escort. Register in Building B during business hours beginning Monday, March 25. The deadline is Friday, April 12 or sooner if spots fill up.

Easter Activity: Easter Pals

Bunnies and chicks represent new life and the beginning of spring. On this holiday they usually come in marshmallow or chocolate form. We think these paper versions are cute too. Due to limited space, the instructions for the chick only are shown. Please ask at the email below for the instructions for the bunny.

What you will need to make your Easter chick:

- Yellow paper
- Ruler
- Scissors
- Glue Stick
- Marker or other writing implement

Instructions for the Chick:

1) Cut a strip of yellow paper 11" long and 3/4" wide. This will become the body of your chick. Cut a second strip 4" long and 3/4" wide. This will become the head of your chick.

2) Take the small strip and glue it into a circle.

3) Take the large strip and touch the two ends together forming a teardrop shape. Pinch the paper together about one and a half inches from the end and glue to form the tail.

4) Cut points into the end of the tail to represent feathers.

5) Lay the teardrop (body) on its side. Glue the circle (head) on top and draw eyes and a beak for the face.

Please send a picture to recreation@the-villages.com as we would love to check out your bunnies and chicks. This activity is sponsored by The Villages Recreation Services. Samples are available for viewing in Building B.

Come to Cheryl Peterson's Mosaic Art Demo

By Michael Sunzeri

No fooling around. On **Monday, April 1 at 1:45 p.m.** the Arts and Crafts Association will host a presentation in Mosaic Art by Cheryl Peterson in the Cribari Conference room. She has been a fixture at many of our events over the years both for Arts and Crafts and the Crafters Club. Join us as she presents many of her pieces for your perusal and an in-depth recitation about her methods and journey.

Cheryl is a five-year resident with about eight years into her mosaic artistry. She has made everything from stepping-stones to mirrors. Acting on her own interest and classes from Nancy Howell in the Santa Cruz area, Cheryl has mastered her design, color usage, materials, and themes she uses to get to her finished art.

Some materials she uses stem from thrift shop purchases, which she breaks down and then incorporates into her desired design. How does she arrive at her ideas? She has liked the art form for years and notes that she is a freestyle artist. So, pieces

you have seen of hers before may now have morphed into an entirely other look.

If you have seen, or even own, some of Cheryl's work, you will note that tile, glass, crockery, ceramic, and porcelain are incorporated into her art. Flat trays and hanging pieces can fit into any of your wants if you chose to display one of her fine grouted finished pieces.

Mosaic art dates to the third millennium and it has survived to modern day. Find out how this art form has kept pace with today's art form. Please join us and invite your friends and Cheryl will give you an informative presentation of her particular interest and insight into how she pursues this art. Bring your queries and enjoy a large screen live visual by Ed Knott.

Global Village: 'Shedding Labels that Separate Humanity'

The Global Village Community Club will present guest speaker Kim Silverman on **Wednesday, April 3 at 7 p.m. to 8:30 p.m.** in the Cribari Conference Room. As part our monthly Speaker Series, Kim will be speaking on "Shedding the Labels that Separate Humanity." We will be exploring the labels we put upon ourselves that unintentionally create the idea of separation from one another. Often these labels can be directly linked to sources of conflict between people, such as with warring nations or failed marriages. So how do we shed these labels and return to peace? How do we return to a sense of "oneness" and harmony? Join us for what promises to be a valuable evening.

Message from VMA regarding Bingo

By VMA coordinators

As you may have seen in last week's Management section, we continue to await the arrival of the appropriate Auditorium and Clubhouse Fire Department occupancy permits from the City of San Jose, despite all appropriate fees having been paid. As a result, VMA is suspending Bingo planning until the permits are received. We apologize for the suspension of this wonderful, interactive program that became a mainstay here at The Villages. As soon as the permits are received, we will resume offering Bingo!

Elizabeth made a career change to public relations after graduating from UCLA with a teaching credential. Starting a consulting business, she has work experience in several large Silicon Valley firms including VMWare, Intuit, eBay, and County of Santa Clara. She started her position here at The Villages in October 2023.

Villages Chinese Club treated to tofu cooking demo and lunch

Chef Michelle Prest

Eddie Herbst and Joyce Mukuno sampling tofu dishes.

Chef Ling Lu Yamaki

By Valerie Smith

The Villages Chinese Club recently hosted two cooking demonstrations featuring tofu as a main ingredient. The event kicked off with a video on the origin and manufacturing of tofu. For centuries tofu has been a pillar of Southeast Asian diets because it offers protein at relatively low cost and it's very versatile. And it has become a very popular ingredient in U.S. diets for the same reason.

Over two sessions, volunteer cooks gave step-by-step demonstrations on cooking dishes that showcase the unique provincial flavors of China, from Szechuan, Suzhou to Canton/Guangzhou. Over 50 members enjoyed a four-course menu of honey-glazed tofu, tofu soup, braised tofu with mushrooms, and spicy Mapo tofu.

These member-only cooking demonstrations are offered quarterly, at cost, and made possible through the generous participation of volunteers. Participants leave with printed recipes so they can enjoy the dishes at home.

The Chinese Club organizes many other types of activities—from morning exercise sessions to ballroom dancing, and from tech talks to weekly karaoke. If you're interested in finding out more, or if you want to join, please visit sites.google.com/site/villageschineseclub/home

Meet the stars of 'Man of La Mancha'

Kathryn Nymoen, Jason Herfurth, Larry Miller

"Man of La Mancha" is a different kind of musical than the last two performances by the Villages Amateur Theatre group in many ways. It is full of heart-rending songs and fight scenes, and also some new stars. Jason Herfurth will be appearing as Don Quixote in his first role here at The Villages. We are so excited to introduce this new actor and singer. Not exactly new, but a dynamite singer is Kathryn Nymoen playing the role of Aldonza. She will thrill you with her high notes, as well as her acting. And, of course, we need a veteran like Larry Miller to round out the starring threesome, playing the part of Sancho, the sidekick of Don Quixote.

So, please mark your calendars for Friday, April 26 at 7:30 p.m., and Saturday, April 27 and Sunday, April

28 at 2:30 p.m. in Cribari Auditorium. Tickets at \$20 each will be on sale in the Redwood Room on **Saturdays, April 13 and 20** from 9 a.m. to noon.

Jam again with Bluegrass Music Club!

By Alan Rich

The Bluegrass Music Club will be hosting its second Jam of the year on **Sunday, April 14** at Vineyard Center from 2 to 4 p.m. The first hour will be devoted to bluegrass gospel music. The second hour will be bluegrass and vintage country music. All Villagers and guests are invited to attend. Bring your acoustic instruments, voices, and ears to play, sing or just listen to an afternoon of music. The jam will be led by members of the Scotch Creek Band, a Villages Bluegrass group. The event is *free!*

Bluegrass music was derived from old time and mountain music from Appalachia and popularized by Bill Monroe and his Bluegrass Boys. Lester Flat and Earl Scruggs further popularized it with their theme song for the "Beverly Hillbillies" television show and the movie "Bonnie and Clyde."

Missed your Villager?

If you missed delivery of *The Villager*, please call 408-223-4655 after 11:30 a.m. to report it. You may pick up a replacement copy of your paper at the newsstand at the entrance of Building B or go online to the Villages website—www.thevillagesgcc.com—and download the current and past editions to your computer.

Senior Academy Tech Explorers to show 'Live from the Deep Sea'

By Arlene Versaw

In the quest to respond to the insidious reality of climate change, scientists are seeking any and all solutions to mitigating its impact. One such exploratory effort involves Earth's seas, which absorb carbon dioxide and excess heat from our atmosphere. Can ocean technology save the planet?

Join Senior Academy Technology Explorers for an inside look at how that might be accomplished on **Monday, April 8, 1:30 p.m.** at Foothill Center and via Zoom. We'll present "Live from the Deep Sea: The Next Frontier for Knowledge and Action"—a movie featuring experts Mattie Rodrigue, a Director of OceanX, a non-profit organization

dedicated to accelerating ocean exploration and sharing knowledge and Diva Amon of the Benioff Ocean Science Laboratory, University of California, Santa Barbara. Mattie and Diva will join a panel discussion from a state-of-the-art research vessel, OceanXplorer, that was held during the 2024 Davos World Economic Forum. The panel also includes two very wealthy philanthropists who were inspired by Jacques Cousteau when they were young.

Here's a rare chance to view an eye-opening introduction to one of the important activities in ocean technology that could help save our planet. Register at villagesSA.org. This is a free event to all Villagers.

VMA to present 'Care for the Caregiver' with Dr. London

By Barbara Zahner

"You cannot pour from an empty cup," according to a wry adage. Judy London Ph.D., licensed psychologist, and facilitator of the monthly Villages Caregiver Support Group agrees. On **Tuesday, April 9 at 1 p.m.** in the Sequoia Room, Dr. London will present, "Care for the Caregiver."

Dr. Judy London

In 90 interactive minutes, Dr. London will address the needs of caregivers, whether you care for a loved one with memory and/or physical conditions. With both professional and familial experience, Dr. London says, "Caregiving is an act of love." However, to be an effective caregiver, you must also care for yourself. Otherwise, you may experience physical, mental, and emotional depletion— an empty cup.

Dr. London will cover how to care for yourself by learning a basic relaxation exercise, practicing a brief meditation, recognizing the do's and don'ts of caregiving, and discovering simple ways to nurture your mind, body and spirit. Dr. London will provide handouts and answer questions.

Dr. London is author of "Support for the Alzheimer's and Dementia Caregivers: The Unsung Heroes," "Connecting the Dots: Breakthroughs in Communication as Alzheimer's Advances" and "How to Keep Your Brain in Tip-Top Shape."

Refresh your cup of strength and joy. Join Dr. Judy London in "Care for the Caregiver" on April 9. There is limited seating, so RSVP online at vmavillages.vgcc.club or by calling 408-238-4029.

See Taf art exhibit starting April 8

By Michael Sunzeri

On **Monday, April 8**, Arts and Crafts will hang a new exhibit featuring the oil paintings by Hassan "Taf" Tafaroddi. Taf hails from Shiraz Iran and in 1959 he came to the U.S. and flourished with an accomplished background in Mechanical Engineering graduating from SJSU. He retired from his career at GE Nuclear in 2001. Then his artistic interest in Photography grew wings. Taf had a studio in Hollister with his award-winning work but in 2020 he explored another avenue and again started painting scenes he found interesting enough to put on canvas like he did in college.

In 2008, while he was still involved in our Camera Club and the Santa Clara Camera Club, he joined Arts and Crafts. Much of his work is oil painting. Taf is particular about his tools of choice and base work for his media, applying enhancers that give his work a glow and refinement. Noticeable details in his work appear like the paint has glided over the panel or canvas.

During Covid, Taf picked up where he left off in his 1960s college days when he was painting seascapes and landscapes in oils. With classes from Jeff Bramschreiber online, he dove in with anticipation of filling that old desire. His work is from what he likes to see in a painting, which is landscape but also, still life. He plans to stay in this genre. Maybe there will be a painting or two alongside one of his works that he has painted from one of his photographs.

From April 8 to July 16 his art will be hanging in the Cribari Conference Room. One good time to come and view, is on the first Mondays of the month at our Membership meetings before 1:45 p.m.

Art Film: 'Vermeer Beyond Time'

On **Tuesday, April 9 at 2 p.m.** in the Cribari Conference Room, the Villages Arts and Crafts Association will present "Vermeer: Beyond Time." The film explores the life and work of one of the most loved, influential and well-known artists, Johannes Vermeer. The documentary adopts an imaginative and sensitive approach, focusing not only on his work, but also his family life, his conversion to Catholicism, his artistic contemporaries and the wider world of the Dutch Golden Age of the 17th century.

In 1675 Vermeer died at the age of 43 overwhelmed by poverty. Soon afterward, his paintings were sold to cover his debts and Vermeer disappears from memory. He is rediscovered some 200 years later and we have seen his popularity soar claiming our hearts and our admiration.

Come and enjoy! An art related door prize will be awarded at the completion of the film. Free admission for all Villagers and their guests.

Come play with us on Game Night!

On **Monday April 15** from 7 p.m. to 9 p.m., bring your friends and your favorite games to Foothill Center! This event is sponsored by the Villages Jewish Community.

Enjoy a fun evening of canasta, bridge, mahjong, Mexican train, poker or board games. We ask each table to bring a dessert to share.

Contact Sandi Rosenblum at 408-440-4940 for reservations and additional details. We welcome all Villagers to join us. Space is limited; reservations get priority.

Find Terri Ford's pastel paintings at Art in the Park

Art in the Park is **Saturday, April 20** from 10 a.m. to 2 p.m. at Gazebo Park! We are proud to showcase Terri Ford, a renowned pastel artist who will be showing and selling her work. What better way to capture the beauty of spring than the medium of pastel painting? Dating back to the 16th century, pastels are created by using soft chalk on textured paper.

Terri has been painting with pastels since 1987 and has concentrated her subject matter primarily on light inspired landscapes. She often employs the technique of Plein Air or "on location" painting because she enjoys being inspired by being out in nature. She approaches each new painting like an adventure, being guided by light and shadow and the organic forms of nature. Terri will be selling her pastel paintings as well as select oils. She also accepts requests and commissioned work.

Don't miss seeing her and the fine work of 30 other artists at Art in the Park. A perfect place to shop for weddings, Mother's Day, graduations or a gift just for you! Come out and stroll through fabulous art, support your very talented fellow Villagers and don't forget our famous cookie sale.

Join Study Groups Club's first membership meeting

Most clubs and organizations in the Villages are single-focused: tennis, golf, cats/dogs, politics, and theater/musical arts to name a few. Not the Villages Study Groups Club. It offers a menu of topics as diverse as the interests of Villages residents themselves, including movie and book groups, history, world events, chess, folk dancing, Mah Jongg, men's and women's separate discussion groups about life's issues and day trips to local places of interest. Its members connect, share, and build community while engaging in social activities and a wide range of topics.

Formed in 2023, the Villages Study Group is hosting its first Membership Meeting on **Sunday, April 14** from 2 p.m. to 4 p.m.

at Foothill Center.

FROM THE VILLAGES LIBRARY

The Villages Library is open Monday through Friday, 9 a.m. to 3 p.m., and Saturday 9 a.m. to 1 p.m.

"First Lie Wins" by Ashley Elston. Evie Porter has everything a nice, Southern girl could want: a perfect, doting boyfriend, a house with a white picket fence and a garden, a fancy group of friends. The only catch: Evie Porter doesn't exist. The identity comes first: Evie Porter. Once she's given a name and location by her mysterious boss Mr. Smith, she learns everything there is to know about the town and the people in it. Then the mark: Ryan Sumner. The last piece of the puzzle is the job. Evie isn't privy to Mr. Smith's real identity, but she knows this job will be different. Ryan has gotten under her skin, and she's starting to envision a different sort of life for herself. But Evie can't make any mistakes—especially after what happened last time. Dust off your boots, get on the dance floor

By B. Brown

"Know when to hold 'em. Know when to fold 'em." No, not Kenny Rogers but...Beyoncé? Yee-Haw!

"Texas Hold 'Em" is an up-tempo country pop, western, and soul song featuring elements of folk. This brand new #1 song written and sung by Beyoncé will be the basis for the April, Just-For-Fun dance on Monday nights in Cribari Auditorium at 5:30 p.m.

Many different dances are done to country-western music including two step, waltz, cowboy or traveling cha cha, polka ten step, square dance, and other western promenade dances. Perhaps you can share your dance floor moves with us!

Come and enjoy a solo choreographed dance, which is different from line dancing. No partner needed. This is your time to dust off your boots and/or cowboy hat and come out to dance, socialize and exercise. (There may also be chocolate involved.)

Bernice Toy is the Club President and choreographer of The VMS Village Dancers and can be reached at vms.dancers@gmail.com. Please see the Music Society website: at villagesmusicociety.org/about-us-3. The Village Dancers charge an annual \$20 membership fee to participants. All monies go toward support of the club.

Learn Jewish history through the ages

The Villages Study Group is offering a Jewish History course that will cover Jewish history from the beginning of time to the present. We are going to start in biblical times, continue through the occupation of Israel (Canaan) by the various empires and the expulsion of the Jews from Israel.

We will continue with Jewish history during the Middle Ages and end with the creation of the State of Israel from its beginning in 1948 to the present time. While we are learning the history, we will also learn about the many ways Jews all around the world practiced their religion.

The group will meet every fourth Wednesday of the month, and the first meeting is on **Wednesday, April 24**, from 4 p.m. to 5 p.m. in the Sequoia Room.

CATHOLIC COMMUNITY

Easter Sunday March 25—John 20:1-9

By Msgr. Stephen Perata

Light dispels the darkness and Easter joy the sorrow of Good Friday. The Cross is empty, the Tomb is open. The guards appointed to secure it, are shaken to see, as others would, the Tomb's large burial stone rolled back on its inclined track, its Roman seal broken. Within the tomb there is no body just the cloths that held it bound and in a place by itself the cloth that covered the face and head neatly folded. When the women viewed the scene, they were shocked and puzzled and hurried back to tell the others what they had witnessed.

To see for themselves, Peter and John ran to the tomb and saw what the women had seen and returned to tell the other disciples what they saw in the Open Tomb. The question that lingered in their hearts, was, "What happened to the One we love?" As the Gospel concludes "They did not yet understand that He had to rise from the dead." Later that night with the doors being locked Jesus stood in the room with them, spoke with them. At first, they thought Him to be a ghost, but rejoiced when He ate with them and even invited them to go into the world and spread the Good News. Their lives were changed.

Jesus embraced the cross in death to forgive our sins. His death was for us. From what He did in service for us, we learn to be imitators of Him and serve in the here and now by doing for others what He did for us. Through the Cross, our lives have purpose. In the Resurrection our lives have eternity.

COMMUNITY CHAPEL

'You are invited to attend'

By Pastor Bill Hayden

Occasionally, someone will send you an invitation to attend a fantastic event. They will inform you of the person, place, date, and what to wear at the celebration. The invitation is sent well ahead of time to give you ample time and preparation to attend or decline. Sometimes, the event could be scheduled six months to a year or more in advance based on resources, location, and attending costs. Only your presence is needed currently!

You are cordially invited to attend our **Easter Resurrection Celebration Cantata on Sunday, March 31** at the Villages Community Chapel at 10 a.m. in the Cribari Auditorium.

God sent us an invitation to be forgiven through Christ's death, burial, and resurrection so that our past can be pardoned and our future secure. "Since we have been made right with God by our faith, we have peace with God," states Romans 5:1. At last, peace with God, family, neighbors, and even those who once were considered enemies.

"God is no longer a foe but a friend because of His great mercy that has been extended to us."

Celebrate with us at the Villages Community Chapel in Cribari Auditorium, every Sunday at 10 a.m. to be encouraged over the Word of Life, enjoy a cup of coffee and cookies with friends. The chapel is a place for *needs to be met, faith to be affirmed and new friends to embrace*. You can view our worship services on YouTube at Villages Community Chapel San Jose, CA or villagescommunitychapel.vgcc.club

"Happy Resurrection Sunday"

EPISCOPAL

'God's Friday'

By The Very Rev. Julia McCray-Goldsmith,
Dean of Trinity Cathedral

What in heaven's name could be good about this Friday? It recalls the day that Jesus died what was—by all accounts—a painful and shameful death. There is actually little consensus on how this English appellation came to be, although it may have come from the medieval German Gottes Freitag (God's Friday). Other European countries described this day of days as "the Holy and Great Friday" (Greek), "Holy Friday" (Romance Languages) and Karfreitag (Sorrowful Friday) in contemporary German. In other words, contemporary English is unique in describing the day as "good."

But maybe our language points to a deeper truth about this holy day. If we understand it as "God's Friday," then we know that God is sovereign even over this worst of days, when Jesus chose to suffer rather than return violence. Or if we look for the actual good in the day, we might remember that this was the day in which Jesus' willing obedience opened the path of eternal life which all of us are invited to follow. Jesus faced his own death in faithfulness to God's plan, that all might live. And that makes a day of great and holy sorrow into very Good News.

Alleluia! Please join us at 9 a.m. at Montgomery Center on Easter Sunday to celebrate the risen Christ. Alleluia.

Celebrate Easter with music

Easter Sunday will be here soon and the best way to celebrate this joyous occasion is to come to Cribari Auditorium on **Sunday, March 31 at 10 a.m.** to hear the Easter story set to music. Join members and friends of The Villages Community Chapel as we listen to a beautiful Easter Cantata titled "The Easter Story" written by Tom Fettke and Thomas Grassi. Musical soloists will be Madeline Yannaconne, Caroline Baker and Chris Leisy and narrators will be Diana Hallock and Nick Yannaconne. Come and bring your family and friends. All are welcome.

This year, four scholarships of \$4,000 each will be awarded to deserving and outstanding students. Biology, medicine, computer science and education have been among the students' varied fields of study.

Wendy Ferguson, a Villager and a Tennis Club member, has led a team of committed Villagers since the inception of the scholarships. The team focus is fundraising for the Villages Tennis Scholarship. The sources of funds have included direct donations, tennis tournaments, dinners, raffles and auctions of local merchant donated services and goods. The local community and businesses have been generous with their support.

TENNIS TALK

Tournament winners Paul Spiser, Brett Foreman and Marty Funcell

Hospitality Chairs, Andrea Alvarez and Nancy Domingo

Tournament Directors Cheryl Diltz and Joy Rem

By Joy Rem and Betty Olsen

Our first tournament of the season, The Prescott tournament, was held on Saturday, March 16. We had a beautiful day and 32 tennis players signed up. We also had many spectators in the viewing stand. They enjoyed watching the tennis while enjoying the wonderful spread provided by the hospitality committee, made up of Nancy Domingo and Andrea Alvarez. The registration fee was a \$15 donation to VMA. We also received some extra donations from tennis club members.

The tournament ran from 9 a.m. until 1 p.m. Each player played for two hours with an hourlong break in between sessions. The players were divided into two groups (grouped red and group white). Players played 12 games, four games with each player in the group or 20 minutes with each partner, whichever came first. Each player had a printed card to keep track of the games they won with each partner. At the end of play the games were added to determine the winners. Here are the lucky winners:

Red group (men): First place: Marty Funcell and Paul Spisar (tie). Second place: Brett Foreman
Red group (women): First place: Karen Hillis. Second place: Mitzi Macon, Lolivic Shaw and Sharon Bartells (tie)

White group (men): First place: Jay Desai. Second place: Don Clarke. Third place: Randy Shaw
White group (women): First place: Nancy Domingo. Second place: Shirley Mariani. Third place: Tina Parsley

Prizes were awarded to the top three winners in each group. The Tennis Club generously donated over \$700 to the VMA through this event

A special thanks to Joy Rem and Cheryl Diltz, Tournament Directors, for such a well organized Prescott Tournament.

Tennis is in full swing for the Villages Tennis Club. The men have registered a USTA team and would enjoy a filled viewing stand of supporters for their home matches all at 3:30 p.m. on Sunday, March 24, Saturday, April 6, Sunday, April 14, Sunday, April 28, and Saturday, May 11.

Also, the women's USTA team has two home matches left: Monday, March 25 and Monday, April 8.

IRONMEN

By Bill Travis and Jerry Juracich

The Ironmen are in afternoon play, gathering every Thursday afternoon at 1 p.m. with a shotgun start, sweeps, birdie pool, and closest to the pin.

Thursday, March 21, 2024, was another great day for some golf, sunny and warm, but the greens were heavily sanded. Only eight Ironmen played, so there were no sweeps. The results were as follows:

Arkadi Galicki had the **Low Net** of 21; Doug Herring and Victor Hong tied for **Low Gross** with 29s; and Victor Hong won **Closest to the Flag** at 5' 6."

There were three **Birdies**: David Cook and Victor Hong on hole 3; and Doug Herring on hole 8.

Golfer of the Day honors go to Victor Hong with low gross, a birdie, and closest to the flag. Way to go, Victor.

The Ironmen 9 hole, par 3 group would love to add new members. We are a very sociable group, and play basically pressure-free golf. And the first round is on us. Just call Jerry Juracich at 408-440-8283.

Deep Thoughts:

"One minute you're bleeding. The next minute you're hemorrhaging. The next minute you're painting the Mona Lisa." - Mac O'Grady, American Professional Golfer, describing a typical round of golf.

"Golf is like a chain. You always have to work on the weakest links." - George Archer, winner of The Masters

SHONIS

By Betty Hall

Captain's Trophy winner Donna Erickson

Before March finishes, the Shonis want to share our March Captain's Trophy winner. Donna Erickson took home both the low gross and the low net trophies with her great game of 37 gross and net 18. Congratulations, Donna.

Last week, we golfed on Monday due to the Par 3 being aerated on Tuesday. But that was OK because it was a great day for golf as evidenced by the 21 Shonis and three qualifiers who came out to golf. No birdies but lots of great games. Welcome to our three new Shonis, Amy Lo, Barbara Berman and Karen

Potts as well as Robin Fish who completed her qualifying game last week.

April hopefully brings nice golfing weather so we can get our Swinger/Shoni mixer done as well as starting our eight-week Eclectic game.

The Evergreen Villages Foundation (EVF) board has agreed to match all donations raised by the community up to our goal of \$60,000, which means your support goes twice as far.

All donations are appreciated, but as an additional incentive we will be recognizing all donors contributing at least \$1,000 to the project by engraving their names on pavers to be installed at the Bocce courts.

New Sand Test Bunker—This week we will be removing the sand in the street side sand bunker at the Montgomery Practice Green Complex. It will be closed temporarily in preparation for the new test sand to be installed. We apologize for any inconvenience.

This bunker will subsequently be refilled with the new G3 Premium Sand that is proposed for the golf course bunkers as part of the upcoming bunker renovation project. This test bunker will provide us with an opportunity to see, feel and test the playability of the proposed new sand. Please let us know if you have any questions.

Fairway Top Dressing—Our Spring Fairway Top Dressing program is under way. We will start with the Par-3 Course and then we will transition onto the 18-Hole course. This is the process of topping off each fairway with ½ inch of sand to create a better flow of water, air and nutrients into the turf ultimately providing healthier and better turf conditions. We will continue to play Winter Rules throughout the process until the sand is fully settled.

Tips from the Pro— Short Way to Success

With over 60 percent of your strokes coming from inside of 100 yards, it is essential that you spend a proportionate amount of time on your short game as you practice. That means 60 percent+ of your practice time should be spent on your short game. You should devote most of your short game practice to putting and pitching. These two shots make up the majority of your short game strokes. And lucky enough, it just so happens that here at The Villages we have ample areas to practice your short game. So, as I have said before, spend 10 minutes per day putting...use 1 ball and simulate real golf. Then go spend another 20 minutes pitching at one of our fine short game practice greens. And best of all, put pitching and putting together and go play the Par-3 Course which is probably the best way to practice your 100 yards & in game... it has nine holes ranging from 60-125 yards, with greens that perfectly simulate the speed on our 18-hole course greens; and once you are out there, you can play as many holes as you like. Let us know if these tips help. To sign up for a lesson with me, email ssteele@the-villages.com

WOMEN'S 9-HOLE

By Pam McCarthy

Monday, March 18 was really our "Tuesday," (was it April Fool's Day?) Alas, now that the rain and winter are behind us, it is the season for the course's spring maintenance to take place. The greens were punched, sanded and well prepared for the martyrs. We had a nice turnout as foursomes were stacked up on the front nine with A and B groups on most of the tees.

There were no Sweeps on this brilliantly crisp Monday-Tuesday, but chips-in and birdies awarded. Gisele Barber got a "Birdie" on hole #4 and this lucky writer got a "Chip-in" on hole #2. Those conquests confirmed the golf statute: "Any change a golfer makes to their game is completely effective for up to a max of three holes..."

This autumn we look forward to our major fundraising event, "Charity of Choice." Do you have a special charity close to your heart? Here's a chance to bring it front and center to receive nice donations by chairing this event with your hand selected committee. Share your ideas with our dynamic leader Gisele Barber.

In closing, I would like to share some recent research on the annual energy statistics credited to golfers. "A recent study found that the average golfer walks about 900 miles a year. Another study found golfers drink about 22 gallons of adult beverages annually. Which means on average, golfers get about 41 miles to a gallon." This makes me feel proud.... I almost feel like a hybrid.

PINSEEKERS

By Jim White

March 22 was an exceptionally good day for golf on the back nine. Too warm to wear a jacket but still enough of a wind to make one wonder if they should put their jacket back on. Since we had only nine members signed up by Thursday, no sweeps or championship points were awarded. What we did have was a couple of hours of fun.

Since the start of 2024 we've only played eight "tournament" nine-hole rounds with an average of 12 Pinseekers per week, giving concern that our afternoon start may be too late in the day for many members. We will soon find out as we wrap up afternoon play on March 29 and begin morning play on April 12 at 8 a.m.

Aside from weather helping us to better scores (?), touring pros and teaching pros agree that to improve one's game, we need practice. Jack Niklaus once said, "Confidence is the most important factor in this game, and no matter how great your natural talent, there is only one way to acquire and maintain it: work." I guess as the weather improves, we will be seeing more of our golf friends at the driving range, the chipping greens and the practice putting green. We can also expect to see more golfers on the short nine working on their eighty-to-150-yard game.

This season, Spring to Fall, the Villages golfers are receiving a great gift from the Swingers (women's long course, nine-hole club). They are organizing and hosting over a dozen evening nines on the long course, and more. A great chance to spend time with neighbors and, once again, have fun. Watch for information coming soon.

EVF's shredding event is April 20

It's that time of year again! If you've been sifting through your papers and receipts for tax filing and found yourself with a pile of sensitive documents to dispose of, worry not. The Evergreen Villages Foundation (EVF) is here to assist.

On **Saturday morning, April 20** between **9 a.m.** and **11:15 a.m.**, a professional shredding truck will be available in the Cribari East parking lot. Instead of tossing your papers into the trash, where they might be seen by prying eyes, bring them to the EVF event. You can witness their secure shredding, leaving you confident that your sensitive information is thoroughly destroyed.

The donation for this service is \$10 per box or bag (approximately 20 pounds), payable on the spot in cash or by check only. Please make sure to exclude color paper, folders, and other heavy materials.

Additionally, if you have any flags you'd like to retire, you can drop them off. They will be disposed of during the Villages Veteran's Club annual July 4 event at Gazebo Park.

Proceeds from events like the shredding initiative contribute to the EVF's General Fund, which enhances Village amenities for residents' comfort and benefit. If you're interested in working with the EVF to improve the Villages lifestyle, visit evfsj.org and become a Sustaining Member for as little as \$5 per month. One-time donations can also be made via the website at any time.

(SRS) SENIOR RESOURCE SERVICES

Don't let the 'Widow's Penalty' blindsides you

When one spouse passes away, the surviving spouse will likely have less income and will likely pay more income taxes. Are you planning for this?

The "widow's penalty" occurs when a person's tax filing status goes from married filing jointly to single. This change can cause the surviving spouse to have to pay more in taxes compared to what the couple was paying previously.

Here is a simple example. H and W filed their taxes jointly for 2022. Each received Social Security (SS), and both were older than 73, which means they were required to take Required Minimum Distributions (RMDs) from their IRAs. Their income from their RMDs was \$60,000, H's SS \$48,000, W's SS \$24,000 for total income of \$132,000. Their income tax was \$11,579.

H has died. W is required to continue the same RMD because she is the IRA beneficiary and continues to receive H's RMD. One individual can only receive one SS benefit. The smaller of the SS amounts goes away so W is now receiving H's SS and her benefit no longer exists. Her total income is now \$108,000. This is the former total of \$132,000 reduced by the \$24,000 reduction in SS. For a single taxpayer, the tax on \$108,000 is \$14,565. If you prefer to see the numbers in a column, the summary is below.

Married	Filing Jointly	Filing Single
RMD	\$60,000	\$60,000
W SS	\$24,000	0
H SS	\$48,000	\$48,000
Nontaxable SS	(\$10,800)	(\$7,200)
Std. Ded.	(\$28,700)	(\$14,700)
Taxable Inc.	\$92,500	\$86,100
Income Tax	\$11,579	\$14,565

Studying the numbers, W now has \$24,000 less income yet will pay \$2,986 more in income tax for a total of \$26,986 less dollars in her pocket. Yes, some living costs will decrease. There are now health insurance premiums, food, and clothes for only one person. But many costs such as HOA, property tax and insurance will remain the same.

There is no magic solution for this. But you need to be aware of this problem and try to prepare with extra savings to cover the decrease in Social Security and the increase in income tax when a spouse dies.

Note: The Senior Resource Services (SRS) office hours for drop-in assistance are Monday, Wednesday, and Friday from 10 a.m. to noon. The SRS office is in the Cribari Center across from the Post Office. You may also leave a message at 408-239-5253 or e-mail SRS at villagesrs@sbcglobal.net. The web site is www.thevillagesgcc.com/srs. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional advisor about your individual situation.

SRS Note:

New online application for clean air vehicle decals

Californians applying for a Clean Air Vehicle (CAV) decal can now enter the digital service express lane with a new online option from the DMV. Customers with a qualifying zero- or low-emission vehicle can skip the paper application, save the stamp, and simply go to dmv.ca.gov to complete the process quickly and conveniently. It allows customers to confirm their vehicle's eligibility instantly and expedite their request so they can receive their decal sooner.

The DMV encourages customers waiting to receive their decal after applying by mail to reapply online for faster service. Their paper check and application will be voided once the DMV processes the electronic application.

OBITUARY

Dorothy Horst

August 7, 1928 - March 9, 2024

Dorothy Horst, 95, passed away peacefully in her home on the afternoon of March 9, 2024. She was preceded in death by her husband of 55 years, Frank, and leaves behind four children, seven grandchildren and eight great grandchildren. Dorothy enjoyed almost 40 years living here in The Villages.

She was often seen walking her dog in the neighborhood or putting in her beautiful rose garden. A highlight in her week was always Game Night at Charlotte's with several fun friends. Dorothy was a proud graduate of San Jose State University and taught elementary school in Sunnyvale. The family wants to thank the "Care On Call" Caregivers, especially Lupe who became our mother's friend over the past four years. We couldn't have done it without you. Thank you also to the wonderful Hospice team that cared for all of us. We leave you with this little poem that Dorothy learned from her mother as a child and repeated to us all our lives. "Your mind is a garden, your thoughts are the seeds. You can grow flowers or you can grow weeds."
