COVID-19 Vaccine Distribution

Many residents are wondering when and where the COVID-19 vaccines will be distributed. Your health care provider and the County Public Health website (sccgov.org) are the best and most up to date resources for information. To access the county vaccine information please go here <https://www.sccgov.org/sites/covid19/Pages/COVID19-vaccine-information-for-public.aspx>

According to county resources on January 20, 2021, all healthcare personnel and long-term care facility residents in Phase 1A are currently eligible to be vaccinated. The State of California has now authorized all healthcare systems statewide to vaccinate any persons age 65 and older, in addition to continuing vaccinations for healthcare workers and residents of long-term care facilities. However, due to limited vaccine supply, we are unaware of any healthcare systems in our county currently offering vaccinations to patients ages 65-74. For now, most healthcare providers are offering vaccination to patients age 75 and older. The County does not determine vaccine eligibility. Following the State's priority phases and tiers, each provider decides which categories of patients they have the capacity to vaccinate at any given time. These decisions are generally based on their current supply of vaccine, and the number of patients they have the capacity to vaccinate each day.

Individuals who are eligible to be vaccinated, should contact their healthcare system for more information

Health Care Provider Survey

The City of San Jose has asked if we could conduct a health care provider survey census as part of possible justification that might allow mass vaccinations on site. If a single health care provider has 500 or more clients at The Villages that may allow the City to lobby that health care provider to consider mass vaccinations for those clients at The Villages.

Access the survey at: surveymonkey.com/r/W76BLCF by Wednesday, January 27.

VMA Aluminum Can Collection in The Villages

Aluminum can collection in The Villages is now being done by volunteers from VMA, the Sustainable Villages Club, and the High Twelve Club. The money received from the collections goes to VMA and other 501(3c) clubs in The Villages such as the Evergreen Villages Foundation (EVF).

The High Twelve Club has been collecting aluminum cans since the 1970s, and has supported many clubs and activities in The Villages. Younger volunteers are needed to continue this recycle effort. Please volunteer by contacting Joe Civello at 408-532-1544 and/or Ken Brady at 408-238-5372.

Please continue your recycling support within The Villages by putting *only* aluminum cans in the collection bins in the trash enclosures in your village.

Vineyard Pool reservation system to change February 1

To allow for more residents to use Vineyard pool, the pool reservation system will be changed beginning February 1.

On February 1, residents may begin to reserve four swim days per week (Monday through Sunday). After you have made four reservations, the software will not allow any more reservations until the next week. The reservation system will continue to generate a confirmation email of the reserved days and times. Residents without electronic access may continue to call the swim reservation number at 408-223-4636.

We also will be integrating the swimming reservation software into The Villages Resident Portal on Thursday, January 21. At this time it is a standalone website. Swim reservations will be unavailable during this time. Please make your reservations before 8 a.m. on January 21. Reservations should be back up on Friday morning, January 22 after 8:30 a.m.

COMMUNITY NEWS

PULSE

Dear Readers:

The Villager welcomes everyone's voice sharing ideas, opinions and accounts of life in The Villages in the Pulse column. Please follow the guidelines carefully.

Pulse deadline is 11 a.m. on Friday of the week prior to publication. Pulse letters will be published in complete or abridged form at the discretion of the Publisher and in accordance with the editorial policies and rules established by the Club Board of Directors. (See VGCC Rule 1.30.) Opinions expressed by Pulse letter authors do not necessarily reflect the opinions of The Villager Publisher, staff, boards of directors or management.

All Pulse letters must be 200 words or fewer on a single topic relating to life in the Villages. Each letter must also include name, address, phone number, date and number of words. Typed or legibly written letters must include your signature and may be hand delivered to the Pulse mailbox in Administration Building B or by mailing to the Communications Advisory Committee, 5000 Cribari Lane, San Jose, CA 95135.

Letters may be submitted electronically through the Pulse Submission Form on the Resident Portal: resident.thevillagesgcc.com/pulse, or emailed to Villager Managing Editor S. Hinrichs: shinrichs@the-villages.com.

E-mailed letters must include the text within the body of the e-mail and the subject line must read PULSE LETTER.

2 Pulse letters received this week.
1 Pulse letter withdrawn by author.
1 Pulse letters published this week.

Note: Pulse authors are solely responsible for the statements and opinions contained in the Pulse letters. The Villager does not verify the accuracy of any statements.

Note: Pulse letters are still being accepted through the "Shelter-In-Place" order in digital form only. You may take a picture of your hand-written letter and e-mail it as a JPEG attachment to: shinrichs@the-villages.com.

All Pulse letters that are published are retained by the Communications Advisory Committee (CAC) for a period of 12 months. Rejected Pulse letters are not shared with anyone outside the CAC, management or Club Board and staff liaisons for the reason of confidentiality.

I have a minor issue and a major issue. I'm a walker. I just got back from a nice long walk, in fact. Walkers should be in the pedestrian lane against traffic. Those of you today who were walking with traffic, I have to go around you to maintain six feet of distance. Please follow the arrows showing which way to walk.

Now, the major issue. I was six feet in the crosswalk on Fairway Drive going to Del Lago Village. A car was traveling down Fairway Drive wanting to make a turn into the Clubhouse. I expected the car to stop. That driver actually drove in front of me and made the turn instead of stopping. Inexcusable, dangerous, and against the law. Pedestrians have the right-of-way.

—Mary Wagle

Please submit Pulse letters in digital form only

Since Building B is closed during the "Shelter-In-Place" order, Pulse letters are only being accepted in digital form.

In the event of a staffing shortage occurring among employees of The Villager, publication may be temporarily suspended until the subsidence of the illness. Residents are encouraged to sign up for electronic messaging through Fast Lane in case of emergency.

The What I Love About The Villages column is a place where you can share your positive comments about The Villages community. (To be in compliance with VGCC Rule 1.30, please do not name businesses or other commercial, religious or political entities.)

If you have an uplifting comment to share about some aspect of life at The Villages, please email your contribution to Villager Associate Editor Kory Tran: ktran@the-villages.com, Villager Managing Editor Scott Hinrichs: shinrichs@the-villages.com or submit it in the Villager Article Submission area on the Resident Portal: resident.thevillagesgcc.com/villager/artsub/

THE VILLAGES ASSOCIATION

The Villages Association Board Adopts CC&Rs Amendment

At the December 15, 2020, monthly meeting, pursuant to Section 12.2.1 of the Amended and Restated Declaration of Covenants, Conditions and Restrictions and Power of Attorney of The Villages Association (CC&Rs), the Association Board of Directors approved First Amendment to the CC&Rs as presented from legal counsel to comply with new law regarding rental restrictions effective January 1, 2021 and the January 1, 2020 law affecting the way membership votes in homeowners associations are to be conducted.

Rental Restrictions: On September 28, 2020, Governor Newsom signed AB 3182 into law, and as a result of this new legislation, California community associations with governing documents that contain rental caps lower than 25 percent, or contain ownership and/or occupancy restrictions requiring owners to own and/or reside in their home for a certain period of time before they can rent it, must amend their governing documents to comply with the new law. The First Amendment to the CC&Rs is needed as previously the Association rental cap was at 15 percent and is now at 25 percent.

Elections: California legislation (SB323) in effect as of January 1, 2020, impacts California community association elections, and related to that, board qualifications, nomination notices, annual election notices, and member voting rights. In February of 2020, the Association Board adopted new election rules to comply with this elections law; now the CC&Rs are amended to conform as well.

Once recorded with the Santa Clara Clerk-Recorder's Office, the amendment will be distributed to all members.

FIRST AMENDMENT TO AMENDED AND RESTATED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS AND POWER OF ATTORNEY OF THE VILLAGES ASSOCIATION

This First Amendment to Amended and Restated Declaration of Covenants, Conditions and Restrictions and Power of Attorney of The Villages Association ("First Amendment") is made on the date set forth at the end of this document by The Villages Association, a California nonprofit mutual benefit corporation (referred to in this document as the "Association").

A. WHEREAS, this First Amendment is made with respect to that certain AMENDED AND RESTATED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS AND POWER OF ATTORNEY OF THE VILLAGES ASSOCIATION, recorded on August 14, 2014, as Document No. 22679797, in the Official Records of the County of Santa Clara, State of California (the "Declaration").

B. WHEREAS, the Declaration establishes certain limitations, easements, covenants, restrictions, conditions, liens, and charges which run with, and are binding upon all parties having or acquiring any right, title, or interest in, that certain real property located in the County of Santa Clara, State of California, and more particularly described in Exhibit A attached hereto and incorporated herein.

C. WHEREAS, all of the covenants, conditions, and restrictions set forth herein shall constitute enforceable equitable servitudes as provided in California Civil Code section 5975, shall constitute covenants that shall run with the said real property, and shall be binding upon and inure to the benefit of each Owner of any portion of the said real property or the owner or holder of any interest or estate therein and their heirs, successors, and assigns.

D. WHEREAS, recent statutory changes effective January 1, 2020, and January 1, 2021, have resulted in a lack of conformity between the applicable law and certain provisions of the Declaration. Article 12, Section 12.2.1 ("Changes in the Law"), of the Declaration provides, in part, that "The Board of Directors may, by a vote of a two-thirds (2/3) majority of all Directors, adopt amendments to this Declaration when an amendment is needed to conform a particular provision or provisions of this Declaration to changes in applicable California statutory law that are nondiscretionary in nature."

E. WHEREAS, the Board of Directors, by the requisite vote, desire to amend the Declaration pursuant to Article 12, Section 12.2.1, thereof.

NOW, THEREFORE, the Association hereby declares that notwithstanding

anything to the contrary in the Declaration, the Declaration is hereby amended as follows (words with a ~~strike through~~ are deleted and in **bold italics** are added).

1. Article 1, Section 1.37 ("Member in Good Standing"), is hereby amended to read as follows:

1.37 Member in Good Standing. "Member in Good Standing" shall mean a Member of the Association who is current in the payment of all ~~Assessments, Additional Charges, and other charges of any kind~~ **Annual Assessments and Special Assessments** imposed in accordance with the Governing Documents, and who is in compliance with all of the provisions of the Governing Documents, as more particularly set forth in the Bylaws.

2. Article 1, Section 1.50 ("Total Voting Power"), is hereby amended to read as follows:

1.50 Total Voting Power. "Total Voting Power" shall mean the total number of votes of all Members entitled to vote at a particular time, calculated on the basis of one (1) vote for each Unit, ~~excluding any Units as to which an Owner is not then a Member in Good Standing.~~

3. Article 2, Section 2.3 ("Voting"), is hereby amended to read as follows:

2.3 Voting. Only Members in ~~Good Standing~~ shall be entitled to vote and only one (1) vote shall be cast for each Unit, as more particularly set forth in the Bylaws.

4. Article 5, Section 5.3.2 ("Limitation on Number of Units Leased, Rented or Occupied by Non-Owners"), is hereby amended to read as follows:

5.3.2 Limitation on Number of Units Leased, Rented or Occupied by Non-Owners. Except as provided in this Section 5.3 ("Rental, Leasing and Occupancy of Units"), not more than ~~fifteen~~ **twenty-five** percent (~~15~~ **25**%) of the Units within any District shall, at any particular time, be leased, rented or occupied by anyone other than an Owner, members of his or her household, or temporary guests. The restriction on the number of Units that may be leased, rented or occupied by someone other than an Owner, members of his or her household, or temporary guests as set forth in this Section 5.3.2 shall not apply to any Member who was an Owner of a Unit on or before the recording of the 2007 Declaration (which Declaration was recorded on July 9, 2007, as Document No. 19499048, Official Records of Santa Clara County, California. ~~Declaration~~), but such restriction shall apply to any such Unit if legal title to the Unit was transferred subsequent to the date the 2007 Declaration was recorded, subject to the provisions of Section 5.3.3 ("Units Held in Trust or Transferred Pursuant to Probate Proceedings"), below.

5. Article 11, Section 11.8.1 ("Loss of Good Standing"), is hereby amended to read as follows:

11.8.1 Loss of Good Standing. The Board may suspend a Member's ~~G~~**good S**standing for so long as the Member remains in default of such payment or until the violation is remedied. When a Member is not in ~~G~~**good S**standing, ~~his or her Association voting rights shall be suspended and the Member~~ **(or in the case of a Member that is not a natural person, its representative)** shall be disqualified from serving on the Board. If a Member owns multiple Units and is determined by the Board to not be "in good standing" as to a particular Unit, that Member shall be automatically deemed to not be "in good standing" as to all other Units owned by such Member.

6. Defined Terms. Capitalized terms used in this First Amendment and not otherwise defined herein shall have the meanings given in the Declaration.

IN WITNESS WHEREOF, we, the Board of Directors of the Association, pursuant to the requisite approval, and by means of the signatures of the President and the Secretary, do hereby affirm, approve, and adopt this First Amendment in accordance with Article 12, Section 12.2.1 ("Changes in the Law"), of the Declaration, by means of the signatures of the President and the Secretary, and which First Amendment shall be recorded with the Recorder of the County of Santa Clara, State of California.

PUBLIC SAFETY

Call 911 for medical emergencies

Public Safety Reminder: In case of a medical emergency, please remember to dial 911 first. Public Safety monitors all emergency calls through San Jose Fire Dispatch. We will respond at the exact same time as the Fire Department and Paramedics. Calling the front gate can only delay response time by emergency personnel. It is always quicker to call 911. It is the only phone call you will need to make.

Owners responsible for cleaning up after their pets

The Villages Rules and CC&Rs states it is the owner's/handler's responsibility for immediately cleaning and disposing of pet excrements in a sealed container. We are finding and hearing that some owners are not immediately cleaning up after their pets and assume that it is the responsibility of the landscaping crew, which it is not.

The pet poop should be picked up immediately and placed into the dumpsters in the trash enclosure near your home or in the designated pet poop stations in the center parking lots. Please do not place any pet poop in any restrooms or other containers at any of the various centers.

AC NOTICE

Association applications for Owner Alteration Requests for the month of February are due to the Architectural Committee on or before January 22, 2021. Call Elissa at the Corporation Yard office to obtain an application. **Meeting date is scheduled for February 3, 2021.**

Association AC Landscape meeting deadline date is **January 22, 2021.**

Coyote reminder and tips

Coyotes may try to escort walkers out of an area to protect their pups or food sources when encountered on a trail or street. Humans may perceive this behavior as stalking, which is usually not the case. They may also view your pet as prey. To allow coyotes to be wild while keeping yourself and pets safe, please follow these pointers:

- Never feed coyotes—it is illegal to feed coyotes in most places. Feeding endangers your family and neighbors because it lures coyotes into neighborhoods.
- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night, and do not assume that a fence will keep a coyote out of your backyard.
- Accompany your leashed pet outside. Make sure you turn on lights if it is dark to check your backyard for unexpected wildlife.
- **Keep dogs on short leashes while walking outside; the Division of Wildlife recommends a leash no longer than 6 feet.**
- Keep noisemakers on hand to scare away coyotes that may enter your yard. Some examples of noise makers are whistles, horns or metal cans with small rocks or coins that rattle.
- Never run away or turn your back on a coyote.
- Do not allow a coyote to get between you and your pet or child—keep children close to you.
- Yell, clap hands, blow a whistle or rattle a can and try to make yourself look larger if you have a close encounter with a coyote.
- An empty soda can with pennies sealed with duct tape makes a very good noise maker when shaken.

Reminder to all small pet owners: A recent rise in coyote aggression has been seen with small dogs, most unleashed. **Please always leash your pets. Keep leashes short.** Coyotes will try to get between you and your pet if the leash is extended far enough. Carry a noise maker and always be alert. Use caution when walking past wooded areas, hiding spots between homes, and the golf course. They are widespread in The Villages and can truly be anywhere.

There is no way to completely eliminate coyotes from The Villages so always use caution when walking, especially with pets. Also, coyotes tend to be most active around sunrise and sunset. Pick different times for walks.

Report any sightings or aggressive behavior to Public Safety at 408-223-4665.

Report Coyotes

Villagers are advised to report coyote sightings to Director of Public Safety Steve Norden. To report coyotes, please email location day and time to: snorden@the-villages.com

Leash rule

Residents are reminded, as per Club Rule 1.51, that pets must be kept on a leash, under control, and attended to at all times. This also applies to the Hill Lands.

FROM THE CLUB BOARD

Notice of Proposed Changes to Club Policy CPo 213 Villages Golf Committee Charter

At the January 12, 2021, Club special open meeting, the Board approved to publish for 30-day notice proposed changes to Club Policy CPo 213 Villages Golf Committee (Standing Committee Charter) prior to formal approval consideration at the February 23, 2021, board meeting.

The purpose of the proposed revision is to clarify the Villages Golf Committee's (VGCC) role, simplify the VGC organization and more clearly define roles and responsibilities for the committee, staff, and the Board.

Response to the proposed revised charter may be made by one or more of the following methods: 1) Participation in the discussion of the change at the Club Board of Directors February 23 monthly meeting, 2) via-email (jmeadows@the-villages.com), with comments sent to the Club Board through the General Manager's office at least seven (7) days prior to the Club Board of Directors February 23 meeting, or 3) via written comments addressed to the Club Board and delivered to Building A at least seven (7) days prior to the Club Board of Directors February 23 meeting.

The Board will consider oral and written comments regarding the proposed revised charter at the February 23, 2021, monthly meeting (1:30 p.m. via Zoom teleconference) prior to formal approval consideration.

Note: Because the proposed charter revision was essentially a re-write, the reformatting of the current policy and highlighting specific additions and deletions would make the policy(charter) difficult to read and understand. Proposed Policy CPo 213 as modified, is presented for review. You can find current Policy CPo 213 on The Villages website or you may contact Julia Meadows at 408-223-4634 or jmeadows@the-villages.com to obtain a copy.

THE VILLAGES: STANDING (Advisory) COMMITTEE CHARTER

Committee: THE VILLAGES GOLF COMMITTEE (VGC).

Responsible to: The Villages Club Board of Directors (CBOD)

VGC MISSION STATEMENT: The mission of the Villages Golf Committee is to represent the Villages' golfing community by endeavoring to maintain the aesthetic values, functionality and playability of both courses and practice areas to enhance the resident's golfing experience and to meet the expectations of the majority of golfing residents.

VGC PURPOSE AND DUTIES:

The VGC shall, in collaboration with management, advise and make recommendations to the CBOD regarding golf-related issues such as course maintenance, course utilization, golf programs/events and future planning. The VGC shall collaborate with management on planning for and implementing long-term capital improvement projects for presentation to the CBOD. The VGC shall: represent and provide liaison with the various Villages' golf organizations; collaborate with and provide feedback to both the Director of Golf/Head Golf Professional and the Director of Maintenance/Golf Course Superintendent regarding daily course conditions, maintenance practices and identification of areas of the course(s) requiring attention; collaborate with the Director of Golf/Head Golf Professional and the Director of Maintenance/Golf Course Superintendent in developing and planning for golf course enhancement/improvement projects for both golf courses and practice areas; make use of publicity media inside and outside the Villages to educate and inform golfers on important golf subjects; provide advice and

comment regarding golf course related financial matters, including any monthly Analysis Report and/or the development of the 5-year plan; provide various other golf-related recommendations as determined necessary by the CBOD from time to time.

Voting Members: There shall be seven (7) voting members of the VGC:

1. One Chairperson of the VGC selected by the CBOD.
2. Five (5) general members of the VGC
5. One (1) Secretary

The voting members should be selected based on their knowledge and experience with the Villages' golf program and their ability and willingness to serve in the best interest of the entire Villages golfing community.

Terms of Voting Members: The Chairperson shall be appointed for a two-year term and may serve no more than two consecutive terms without the consent of the VGC and the CBOD. After the initial appointment, Chairperson candidates must be a current or past member of the VGC or have had prior VGC committee experience. The five general members shall serve one-year terms January 1 through December 31. Thereafter, a general member may serve additional one-year terms with the approval of the VGC. A replacement VGC member shall complete the term of the member being replaced. The Secretary shall serve a one-year term January 1 through December 31. Thereafter, the Secretary may serve additional one-year terms with the approval of the VGC.

VGC Membership Selection: Initially, in the formation of the VGC, members of the golfing community interested in joining the VGC shall complete a Club Advisory Committee Application Form which will be submitted to the CBOD for consideration and approval. In subsequent years, the VGC members will evaluate and select applicants to be recommended to the CBOD for approval.

Non-voting members:

- Club Board of Directors Liaison
- Director of Golf/Head Golf Professional
- Director of Maintenance/Golf Course Superintendent

Each member, voting and non-voting, is requested to attend all VGC meetings. If a non-voting member is unable to attend, she/he should send an authorized representative (with the exception of the CBOD Liaison). Prior to each monthly meeting of the VGC, non-voting members are requested to submit to the VGC Secretary, a report updating the VGC on golf course conditions, ongoing projects and other significant golf course related matters.

DUTIES OF THE VILLAGES GOLF COMMITTEE CHAIR:

- Organize and hold regularly scheduled monthly VGC meetings.
- Represent and be the spokesperson for the VGC.

Be available to attend CBOD meetings which have golf-related proposals from the VGC on the agenda and present such proposals including all arguments, pro and con, for consideration.

DUTIES OF THE VILLAGES GOLF COMMITTEE SECRETARY:

- To take and distribute monthly VGC meeting minutes.
- To organize all reports and distribute to VGC members one week before meetings (or sooner if available).
- Conduct any needed VGC orientation session for new members.

WHAT'S COOKING?

theclubhouse@the-villages.com

Clubhouse Restaurant discontinues indoor and patio dining: Indoor dining ceased in November because of the county health order. The Clubhouse still offers To-Go Grab & Go and Home Delivery programs.

For Curbside Service: First call in your order to **408-370-8553** and call us again when you get to the Clubhouse curbside and we'll bring it out to your vehicle.

Curbside Grab-and-Go Menu has expanded: The Curbside Service is now using the expanded Clubhouse menu. (See menus on pages 7-9.)

Home Meal Delivery notice: We are delivering to all Villages six days a week—Tuesday through Sunday. There will be no deliveries on Mondays. Orders must be in by 11 a.m. before the next delivery day.

You will get a confirmation either by email or by phone for each order.

If you do not get a confirmation, please email or call back. This is just an assurance to make sure we have not missed your order.

Alcoholic beverages are available for purchase—with a food order—from curbside pick-up services. Alcohol is not available for home delivery.

Notice: No entry into foyer without facemask.

Food Delivery Service to Villas/Condos and Single-Family Homes

The Villages Golf and Country Club is proud and pleased to offer a home delivery option for our valued residents during these challenging and difficult times.

Delivery target times are noon to 2 p.m. **Email or phone orders for a particular day must be in by 11 a.m. the day before.** All orders, taxes and service charges will be charged to your house account to allow for proper social distancing upon delivery. **All hot food items for delivery are "heat-and-serve."**

All prepared menu items will be made fresh daily and shelf life is three (3) days refrigerated, so Villagers can order menu items to last for a few days, and then get another delivery on their specific delivery day.

We will also offer specials that we will record on our phone line when Villagers call in to order.

Orders must be in by 11 a.m. the day before delivery date Tuesday through Sunday.

Except for salads, and items from Dessert menus take-out icecream and milk shakes, all items are heat-and-serve.

**An 18% service charge and tax will be added to the price. Charge to house account only.
Email orders to ClubhouseManagers@the-villages.com or call 408-754-1337**

How does Curbside Grab-and-Go work?

First, call in your order at **408-370-8553**. Call us again when you get to the Clubhouse curbside and we will bring it out to your vehicle. **A 10% Service Charge and Tax will be added to the price**

Notice for our Curbside customers: Due to the increased volume of orders at dinner time, we are recommending that you call and place your order between the times of 3 p.m. and 4:30 p.m. We will take your order and coordinate a pick-up time later that evening. While this is not required, it should help alleviate any wait times during the peak dinner time hours of 5 p.m. to 7 p.m.

Dining on the Bistro Patio suspended

All sit-down dining discontinued as county entered 'Purple Tier'

Santa Clara County, the Bay Area's first epicenter of the coronavirus pandemic, has shut down indoor and outdoor dining after the State of California downgraded the county into the purple tier in December.

The average number of daily COVID-19 more than doubled since early October, the health department said, prompting the new restrictions. The new restrictions include shutting down indoor and outdoor dining.

In response, the Clubhouse Restaurant ceased indoor and patio dining out of an abundance of caution and concern for Villages residents.

The Clubhouse still offers Home Delivery and its Grab-and-Go "to-go" meal options.

Thank you for your understanding while we continue our efforts to keep Villagers and staff safe.

NOTICE:

Due to the recent spike in COVID-19 cases and the county's move to a more restrictive tier, alcoholic beverages are now only available for purchase with a food order from the curbside pickup service. Alcohol is not available for delivery.

(SRS) SENIOR RESOURCE SERVICES

Economic Income Payment (EIP) debit cards

SRS is receiving this question from many Villagers: What is this card I received from MetaBank that claims to be from the U.S. Treasury? Even if you got a paper check or a direct deposit last year during the first round of stimulus payments, more than twice as many people are receiving their payment in the form of a debit card this time around. The IRS and Treasury say this will help them send the money faster. SRS isn't clear why that is the case. The envelope will be from "Money Network Cardholder Service." Inside will be a VISA-branded prepaid card issued by MetaBank. Yes, this card is for real. It will give you access to your economic impact payment.

How to get started

- Read the Cardholder Agreement and Fee Schedule
- Activate your EIP card account; set your 4-digit PIN and get your balance by calling 1-800-240-8100
- Sign the back of your EIP Card
- Keep your EIP Card in a safe place

How to use your EIP Card

- Shop anywhere Visa Debit Cards are accepted: in-store, online or by phone, including paying bills
 - Get cash back at the register with PIN debit purchases at most merchants
 - Get cash surcharge-free at any in-network ATM. If the ATM is lettered "AllPoint", you are good to go. Or on your computer go to www.eipcard.com. The site will read Money Network at the top left and "ATM locator" will be a tab at the top.
 - The "FAQ" tab on the same web site will give you instructions on how to transfer funds from your EIP Card to a checking account.
- If your card is lost or stolen or you have any questions, call 1-800-240-8100.

We have also received questions from people who received the first stimulus payments but are only receiving a partial payment or no payment this time. Under the CARES Act, the first stimulus payment, the \$1,200 payment for individuals phased out at an income of \$99,000, and the \$2,400 payments for couples phased out at a combined income of \$198,000.

This time the \$600 payment for individuals is phased out at an income of \$87,000 and the \$1,200 payments for couples is phased out at a combine income of \$174,000.

If you do not get an EIP that you qualify for, you will receive a Recovery Rebate Credit of the amount due when you file your 2020 Federal tax return.

Note: The Senior Resource Services (SRS) office is currently closed for drop-in assistance. You may still leave messages at 408-239-5253 as we monitor phone messages every day and can still answer questions by phone. Please note that the return phone call will be from a volunteer calling from their home and your phone identification will not read SRS. We can also e-mail handouts. The purpose of SRS is to provide education and general business and financial information. All assistance is free and confidential. You should ask your professional adviser about your individual situation.

SRS Reminder:

Unemployment payments are taxable

Some Villagers likely received unemployment compensation in 2020—perhaps for the first time in their lives.

Under Federal tax law, unemployment compensation is taxable and must be reported on your 2020 Federal income tax return.

SRS suggests you calculate your return as soon as you have all of your information. Many taxpayers have not had adequate withholding on their unemployment compensation.

California tax law is much kinder. Unemployment compensation is not taxable on your California return.

Install solar and earn 26% tax credit

By Beth DeVincenzi, Sustainable Villages Club

Note: Last week's Villager included the incorrect tax credit percentage. The correct amount appears below.

You can install solar on your rooftop for a whole range of possibilities to minimize your impact on our climate. And if you install in 2021, you can still get a 26 percent Federal tax credit. For assistance in this process, call Maxine Amundson (408-528-0746), Chair of our Solar Energy Team.

Note: the process requires approval through the Architectural Control Committee and will take many months. The actual installation, for us, was completed in less than one week.

With solar panels providing most of your energy, your PG&E electric bill may be as low as the \$10 fee for your electricity and natural gas delivery.

With solar power, here are ways to electrify your home and life: Switch to an electric car. This is one of most significant changes you can make. Electric cars not only save you the cost of fuel but require much less maintenance than gas powered cars. Learn more from our Electric Vehicles Team.

Switch your HVAC (heating and air conditioning) system to one that runs on electricity using a heat pump. This uses much less energy than their gas equivalent.

Switch your gas cooktop to electric, switch your gas water heater to electric heat pump model, switch your gas clothes dryer to electric, convert any other gas-powered appliances to electric.

Of course, you will not take all these steps at once. But if your solar is sufficient, the cost of the power to run these appliances will be minimal and over time you will be saving money. Also, many state and federal agencies are now offering generous rebates as incentives to switch to electric power. Hint: investigate any changes before your appliance "dies" on you, allowing you the time to investigate all the options before you are under pressure. Visit our Sustainable Villages Website at sustainablevillagesclub.org for more information on steps you can take to preserve our planet's health for our children, grandchildren, and all life.

Senior Academy invites you!

You are cordially invited to the Annual Meeting of the members of the Senior Academy.

Join us on January 28, 2021 at 4 p.m. for a chance to enjoy some online comradery, preview the exciting 2021 Winter-Spring lineup and hear some of our favorite speakers share with us their agendas.

Please register for an afternoon of information on our website at VillagesSA.org.

Invite a friend to help us ring in this new year. We look forward to seeing you there.

Join Virtual Tour of Beth Sholom Synagogue

On Tuesday, January 26, at 1 p.m., the Brandeis Club is sponsoring a docent-led Zoom tour of Beth Sholom Synagogue near Philadelphia. Completed in 1959, this is the only synagogue that Frank Lloyd Wright designed. The American Institute of Architects listed it in 1960 as one of Wright's buildings that should be preserved. The Synagogue was added to the National Register of Historical Places in 2007.

Brandeis Club members can register using the link in the most recent BNC Bulletin. Non-members can register by copying and pasting this link into their browser: <https://bit.ly/38HOrYM>

For more information regarding the tour, contact Sandy Brooks at 408-771-5277 or especiallysandy@gmail.com

Senior Academy Introduces Technology Explorers

By Barry Sardis

As lifelong learning is the aim of Senior Academy, the Villages Technology Explorers club (VTE) has been merged into Senior Academy to broaden its technology programs. VTE-type events will now be standard Senior Academy events, the first being in June.

Senior Academy Technology Explorers (S.A.T.E.) is new and will be, like the popular News Junkies, a recurring monthly meeting. A goal of S.A.T.E. is to explore technology and help dispel the aura of mystery that can intimidate many of us.

Various technology-related topics will be discussed each month. Audience participation is encouraged, sharing experience and offering topics for future discussion.

Registration (required) for the current (Zoom) meeting is at VillagesSA.org/tech-explorers. Meetings are on the first Monday of the month at 1:30 p.m. The first one is February 1.

Senior Academy members will be able to submit a question to be posed to the group for answers. One attendee will be selected to pose their question in the last part of the meeting.

Starting with the Industrial revolution, technology has been shaping our lives now for a couple of hundred years. Even those of us that think we know a lot about technology can always learn more, especially given the rapid pace of changes and new innovation.

We encourage technology curious, and technology lover, residents that are not currently Senior Academy members to join (go to VillagesSA.org/membership-application/) or register to attend the Annual Membership Meeting on January 28 at 4 p.m. (go to VillagesSA.org/annual-member-meeting-invitation). For questions, contact Barry Sardis at 408-768-6948.

Meditate with the Global Village Club

The Global Village Club wants to invite you to join us on Zoom every Wednesday at 7 p.m. for a **meditation** session. Contact Darlene Korb at 408-268-8337 or darlenekorb@gmail.com for more information.

Meditation may significantly reduce stress, anxiety, depression and pain, and enhance peace, perception, self-concept and well-being.

VMA seeks hats, scarves for homeless

With winter upon us, the VMA is in desperate need of warm hats and scarves. As part of their outreach services, the VMA provides clothing and other items to the homeless and are presently in need of hats and scarves. If you would like to make a donation of hats and scarves, yarn, or money for yarn, please contact Margaret Campisi at 408-532-8644. If you have been knitting or crocheting hats and scarves to donate to the VMA, thank you! Please continue to do so and contact Margaret to make arrangements to drop them off and/or get yarn.

Learn to draw with pen and watercolor pencils

All members and Villagers are invited to join an art class online with inexpensive materials, and online instruction and critique. Jeff Bramschreiber is offering a Drawing Class with Pen and Ink and Watercolor Pencils, Tuesdays, January 26 to March 2, from noon to 2:30 p.m.

Since you only need a micron pen, a set of watercolor pencils and a drawing pad, this would be a cheap way to learn a new skill.

The cost for this six-week online class is \$60. Register by emailing Barb.gottesman@gmail.com.

As you can see by Jeff's examples, you can learn to draw plants, animals and striking fish! To see more details about the class, visit the Arts & Crafts website at villagesartsandcrafts.org

Arts & Crafts profile: Diane Finley

By Michael Sunzeri

There's a wealth of artistic talent in The Villages. Maybe that talent lives right next door to you. Recognize this person? Meet Diane Finley, Vice President of our Villages Arts and Crafts Club and an EPC Co-Chair.

Diane is quite the fixture in the Arts and Crafts Club where she creates and manages the Ceramics Lab. Raised in Hawaii, she tells us that in Jr. High she was introduced to ceramics and fell in love with "all things clay."

Moving here five years ago, Diane immediately befriended Val Smith in our Ceramics Lab. Val generously shared her knowledge about clay, glazes and most fun of all, the potter's wheel. Now you can't pry her away even in the face of our shut down. Diane now works from home producing clay flowers, hand-painted ceramic vases and glass bottles readying for the chance to showcase again.

She teaches ceramics to other artists, sharing her enthusiasm with all the possibilities that come from hand building, wheel throwing, glazing and firing. It's Christmas every time the kiln is opened after a firing.

What else? Diane and her husband Kyle have five children and nine grandchildren and they owned an Outdoor Lighting Co. in San Diego. Diane is also proficient with graphics, sign language, volunteering for Arts & Crafts events and she can solve a Rubik's Cube in less than two minutes, which all helps to round out the person she is.

Stop by when the Lab reopens and say hi.

VMA: From Bonnie's desk...

Hello and Happy New Year! There has been a request that I mention something about **VTA's paratransit services**. During this time of the pandemic, it does provide another option for those needing transportation, however, one must be eligible.

There are two easy steps:

1. Submit an application form and authorization from your physician. The form can be downloaded from their website at www.vta.org. Then mail it in and VTA will call you to set up a phone interview.

2. Participate in the phone interview and **VTA Access paratransit** will review your application and make the determination whether you qualify.

Basically, if you need any sort of assistance in getting around such as use of a cane, walker, wheelchair, speech devices or prosthetics (and more) you very well may qualify.

Wishing you well,
Bonnie

FROM BRIGHTVIEW

Lantana Pruning

By Ryan Bolich Associate Branch Manager, BrightView Landscape Services

Lantana is a bright, colorful shrub that grows best in warm, full sun conditions. Proper pruning of lantana helps promote full vigorous growth, luscious flowers, and a full healthy look. For best results proper pruning of lantana should take place in the late winter/early spring before spring growth appears and after the possibility of a hard frost has passed. At the Villages you will see Brightview crews begin pruning of the lantana soon and continue into early spring. Below are some of the pruning techniques Brightview will use to prune the lantana based on the condition of the plant:

1. **Normal healthy lantana:** will be pruned back, leaving them 8 to 12 inches tall. Pruning cuts are made at 45-degree angles as this helps the lantana recover from the pruning quicker.

2. **Frost-damaged lantana:** frost-damaged lantana will look brown and dead this time of year, but we can rejuvenate these plants. Frost-damaged lantanas will be pruned down to the ground for a full rejuvenation of the plant. This amount of pruning can be shocking to the eye but once spring hits the plant will recover quickly and will grow back healthier and with fuller blooms all spring and summer long.

Lantana is a sun loving, warm weather loving, drought-tolerant shrub. As such, when spring finally arrives don't be afraid if your lantana is one of the last plants in your area to show signs of growth, this is normal. Often at this time the lantana will look "twiggy" or like dry sticks. If you see this, rest assured the plant is fine it just hasn't woken up from its winter slumber yet. Depending on the amount of sun that reaches your plant, it may take well into late spring before it awakens from its winter slumber and begins to grow. Once lantana starts its spring growth you can expect fast, vigorous growth of deep green leaves and blooms that range from purple to yellows and reds.

Riding Club: Let's talk turkey!

By Janet Buonocore

If you've ventured up to our stables lately, you may have encountered a turkey or two, or 30! It seems a large flock of wild turkeys have claimed much of the area around our horse facilities as their own.

I had no intention of writing about the turkeys, but for weeks now, I have been watching horse owners, barn visitors and hikers being forced to come up with creative ways of getting through this ferocious flock of fowl without being "gobbled up." Some throw rocks or blow whistles. Others wave their hiking poles or jackets or whatever they can think of. Some try to be cool and walk by without looking them in the eye, hoping they may pass undetected. Some of these methods work better than others. Sadly, I know, from personal experience, that trying to talk to the feathered offenders and explain that no harm is intended, does not work.

So, after a bit of research, I found out the turkeys may be here to stay awhile. This is their territory now and, while, they happily share it with the horses, we humans are just beneath them in the pecking order and must be kept in our place.

Now, before you go all cold turkey on traversing our wonderful barn area and hiking trails, here are a few tips for dealing with aggressive turkeys:

1. Don't be a chicken. If you let wild turkeys intimidate you, they could be emboldened and attempt to dominate you.
2. Don't hesitate to scare or threaten an aggressive turkey. You can make loud noises, swat with something you can find or have on hand, or spray with water. A leashed dog may also be a good deterrent.
3. Turkeys are attracted to shiny things, so cover or hide anything shiny you may be wearing or holding.

The Riding Club wishes you a happy, healthy, and safe 2021.

You can 'Electrify Everything' with clean energy

By Beth DeVincenzi, Sustainable Villages Club

"Electrify Everything!" is the new mantra for those who are concerned about the Climate Crisis. It's about moving away from the use of fossil fuels which is creating a dangerous rise in CO2 in our atmosphere with a parallel rise in global temperature which has created a Climate Crisis.

The first step in this journey is to change your electricity to 100 percent clean energy sources. Your electricity source was changed from PG&E to San Jose Clean Energy February 2019. San Jose Clean Energy (sanjosecleanenergy.org) provides electricity from 50 percent renewable energy sources (wind, solar, etc.) and from 50 percent conventional fossil fuels. PG&E continues to provide the delivery system (power grid, etc.), but the energy is now supplied by San Jose Clean Energy.

According to the SJCE website, "San José Clean Energy, or SJCE, is San José's new electricity supplier, providing residents and businesses with cleaner, affordable energy. Operated by the City of San José's Community Energy Department, we're dedicated to creating a more sustainable future for our community and future generations. SJCE plays a crucial role in Climate Smart San José, the city's climate action plan."

You can request that **100 percent of your electricity be sourced from renewable energy sources.** You easily make the switch by visiting the website for San Jose Clean Energy and clicking on the YourChoices/TotalGreen option and supplying your name and PG&E account number or by calling San Jose Clean Energy at 833-432-2454.

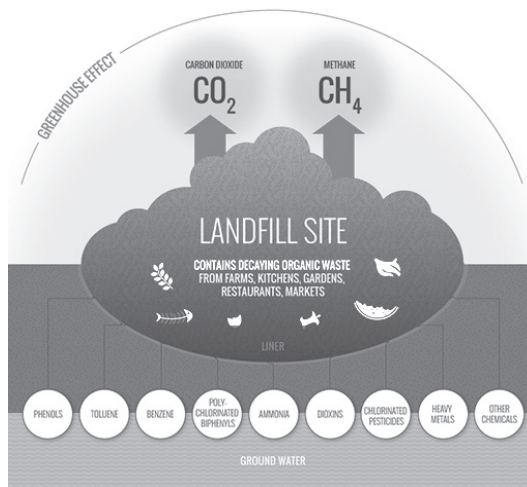

You may pay about \$3 a month over your current charges for electricity which is a fairly minimal amount to participate in changes that will move our planet towards a healthier future for our children, grandchildren, and all life.

And, next week, look for the second step you can take on this journey.

Ways to curb greenhouse gases

bills, such as SB 1383 and AB 1826, which targets the reduction of organic waste in landfills. There are local communities in California that already have curbside organics collection services, which includes food waste collection. We expect this will be extended to all California communities soon.

All of us can help reduce methane emissions simply by reducing the amount of organic waste that goes into landfill. Composting is one easy and common practice. Visit the Sustainable Villages Club's website at sustainablevillagesclub.org to learn more or to join the Sustainable Practices Action Team. Find out what we can all do to lessen the production of Methane.

Greenhouse gases (GHG) are gases in Earth's atmosphere that trap heat. These gases let sunlight pass through the atmosphere, but prevent the sunlight's heat from leaving, thus causing global warming. Greenhouse gases comprise several different gases, but our focus here is methane.

Of the GHGs, methane emissions are most dangerous and of greatest concern. It is known Methane gas has a higher global warming potential than any other greenhouse gases.

Methane sources are many. One way that methane is generated is in landfill by the decomposition of any organic waste materials such as leaves, grass, cardboard, food scraps, etc. By placing these organic waste materials in our dumpsters, we are aiding in the production of methane.

CATHOLIC COMMUNITY

Word of God: Source of Comfort, Calm, Courage & Peace
by Barbara F. Zahner, BCC

In 2019 Pope Francis announced The Word of God as a feast to be celebrated the third Sunday in each January. Lord knows we need God's Word to guide us! A simple approach to the Word of God is the ancient practice of Lection Divina. Here's how:

1. Read. Turn to the text. Read it slowly, gently. Savor each portion of the reading, listening for the "still, small voice" from a word or phrase. You may experience comfort, strength, rest, or inner peace.

2. Ponder. Hold the word or phrase close to your heart. Bring it to your inner room. Memorize it. Say it aloud. Write it down. Allow it to permeate your spirit. Perhaps memories, thoughts, or feelings emerge. Let them surface. Breathe the breath of God as you taste and see and hear and experience that word or phrase your inmost being.

3. Pray. Whether you use words, ideas or images, or all three, is unimportant. Simply interact with God as One Who knows you, accepts you, and loves you. Hear Jesus whisper, "I call you friend." Simply tell your Friend what you discovered as you absorbed the Word.

Avoid evaluating the quality of Lectio Divina. You are not striving for some goal. You desire only to be in the presence of God by praying the Scriptures. What source to use? I suggest the Catholic lectionary of daily and Sunday liturgical readings. Access them online through the United States Catholic Conference of Bishops. I prefer Give Us This Day, a monthly reflection based on the daily readings (giveuusthisday.org). Simply read, savor, step out in faith with the Word of God.

Lenten Black Books: Distribution of the Black Books for Lent is not possible this year. You can order one for yourself at littlebooks.org or Little Books at 989-797-6653. Amazon also has a Kindle edition.

EPISCOPAL

'With Charity for All'

By The Rev. Julia McCray-Goldsmith

In a time of national crisis, Abraham Lincoln concluded his Second Inaugural Address with these words:

"With malice toward none, with charity for all, with firmness in the right as God gives us to see the right, let us strive on to finish the work we are in, to bind up the nation's wounds, to care for him who shall have borne the battle and for his widow and his orphan, to do all which may achieve and cherish a just and lasting peace among ourselves and with all nations."

In these confusing times, I am so grateful for the long tradition of faithful leaders our country has been blessed with. Our own Episcopal Presiding Bishop, Michael Curry, has been drawing on the thoughts and prayers of these saints as he seeks to bring a moral and theological voice to our public sphere (something he did even at the Royal Wedding of Meghan Markle and Prince Harry). Bishop Curry's message is simple, but profound. Love is the way... the only way." In the wake of violence, he asked "What kind of people shall we be? Will we choose chaos or community?" and rhetorically responded "Jesus' way of love is the way for us all. Justice, righteousness and mercy are the way that lead us beyond chaos to community."

I am so deeply grateful for the witness of The Villages, living in a close-knit community as you are. Your love for each other and for your church inspires me in these challenging days. And truly, it is not only the practices of love-- listening to each other, pitching in to help each other, safely visiting each other--that make life meaningful, in hard times and good. It's also the inspiration we offer to each other. How can we inspire each other to greater love, and thereby change the world for the better? The words of St. Paul in his first letter to the Church in Corinth, ring true in all times and places. "Love is patient; love is kind; love is not envious or boastful or arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice in wrongdoing, but rejoices in the truth. It bears all things, believes all things, hopes all things, endures all things... And now faith, hope, and love abide, these three; and the greatest of these is love."

COMMUNITY CHAPEL

'Take a Look and Live'

By Pastor Bill Hayden

I remember as a child when I was really sick and my mother couldn't afford to take me to the doctors. I don't remember the illness but my mother gave me a spoon full of sugar and some drops of pure turpentine and everything that didn't belong in me was driven out. In a day or two I felt like my young self and forgot how horrible it tasted. I was so sick that I was willing to trust my mother's knowledge because I knew that she loved me.

It's difficult to trust someone that you have not developed a relationship with and especially in a life and death situation. When you are close to death, you can't control where your help is coming from, if you are seeking to live. When you are at death's portal you have no strength to resist those who are assigned to help save your life. You are forced to make a decision to be at peace and wait for help. I was at total peace when I was admitted to the hospital. I knew that there was absolutely nothing that I could do but trust the Lord's

will and count on the doctors to do their best.

I find it interesting, that as a country, we put on our currency "In God We Trust" and our actions fail to reflect that statement. We will trust the unfaithful before trusting in an all wise God. God appeals to our soul, whereas man appeals to our pride and emotions.

I'm reminded of a story in the bible where the people doubted God's ability to deliver them from their enemies. God had delivered them many times and they failed to trust Him when they were close to entering into the land that He had promised. With their sin of unbelief, God sent poisonous serpents that bit the people and those refusing to look to God died. God had Moses to make a fiery brass snake on a poll and tell the people to look upon it and live. Those who refused to humble themselves and look died.

A man's character is determined by his faith in God during the times of great trouble and testing.

Psalms 118:8 NKJV "It is better to trust in the Lord than to put confidence in man."

Good news! Join us each week at 10 a.m., Pastor Bill will deliver his Sunday Morning Sermon Message on video. You can experience his sermon via our Villages Community Website at Villagescommunitychapel.org

May God bless all of you with good health!

SPORTS NEWS

SHONIS

By Teddy Morse

The low net scorers for Tuesday, January 12 were Betty Stednitz with a net 21, Delma Juarez and Meg Rogers with a net 24 and the low net for the day was Doris Bates with a 17. Good job, ladies.

Want to challenge yourself and enjoy the fun of playing the long 9? The forward tees (#1) were constructed several years ago to provide a way for those who don't hit the ball as far from the tee and fairway to play the long course. The tees are NCGA (Northern California Golf Association) rated, so those who are establishing NCGA handicaps can do so from the forward tees. (Look for more information on NCGA handicaps in a future article.) What is so awesome about these tees is that they provide a bridge for Shonis to start playing the longer course and add a little variety to the sport we all enjoy.

The long course is much busier than the par 3. While pace of play is important any time you play golf, it is especially important when playing the long course. The number of players on the course is much greater than that of the par 3 course and thus it's important to play the tee that will allow you to limit the number of shots needed to get to the green. Tee times are every nine minutes and players need to keep up with the group in front of them. When the group in front is on the green, the next group should be in the fairway.

Several Shonis play the long 9 on Thursday afternoons. Check the tee sheet to see if there are Shonis signed up and join them or contact one of the Shonis currently on Lil Yamada's list as interested in playing Thursday afternoons: Jan Ehrhardt, Tricia Hardt, Delma Juarez, Uina Kubota, Sally Nichols, Meg Rogers, Fran Schumaker, Barbara Sunseri, and Lil Yamada.

SWINGERS

By Pam McCarthy

Hi Swingers! A great 2021 spring is peeking from around the corner. She will soon reveal bright, fresh, and sunshine-filled days! Does that thought put spring cleaning on your mind? Is your storage area screaming, "Time to refresh and renew me"? If so, let this be a quick reminder that Linda Lammano has offered to facilitate donating your used clubs, balls, bags, and miscellaneous equipment to the Silver Creek High School Golf Team. All you have to do is drop items off at Linda's after golf next Tuesday, January 19 or the following Tuesday the 26th. Please bring bundled clubs and bagged balls and all other donations to **5451 Cribari Green**. The back entrance of Linda's home is very near the Fitness Center parking lot which makes parking a cinch.

This week be on the lookout for an informative flyer from Wendy concerning our upcoming spring tournament "Fore The Love Of Golf." Start rounding up a foursome it is going to be *fun!*

18-HOLE WOMEN

What, me, a golfer?

By Diana Hallock, Co-Captain

The 18 Hole Women's green books were distributed last week, listing our events and members for 2021. It was great fun to see some new names and to dream about tournaments once again. At the same time, it was bittersweet to see a few names no longer included. Ann and Barb moved to Texas. A few members passed away. A few members changed to other Villages clubs including my neighbor and friend, Lois Hayes. When Hal and I moved in, Lois asked if we were golfers. Hal said, "Yes!" I rolled my eyes in fear. "What's your handicap?" Lois asked me. "Bad eyesight?" I replied. She laughed and promptly helped me join the ladies' group while her husband, Ron, got Hal connected to the Men's Club. When I wanted to start a group for working women, Patti Hayes led the way and helped me form that group. This 2014 photo of Paulette, Patti, Lois and my big grin hangs proudly in my office. This is the essence of the 18 Hole Women's Association...almost family! We hope you'll use your new green books to stay connected with all our members and with all the fun we've planned. If you did not receive your green book, please contact Captain Vicki Krattli or any Board member.

The gorgeous January 14, 70-degree weather brought over 70 women to the course. Low putts and high putts prizes are announced by Vicki in her weekly blasts. If you are *not* receiving weekly blasts, *check your junkmail*. Several of us, including Board members, are having that problem. Otherwise contact Vicki to get on her email list. The Board is discussing how to start the 2021 Captain's Trophy and some trial, no contact tournaments. Stay tuned for more details. See you on the course!

TENNIS TALK

By Betty Olsen

As promised last week, I am printing part of the game that followed the December 6 Zoom General Tennis Club meeting. I am revealing little known facts about our 2021 Tennis Club Board members. You are to guess which fact pertains to which board member. To give you a hint, I am also including a few pictures. Answers will be revealed in next week's column.

#1. This member completed a Veterinary Technician course when their partner came home with a dog they named Ajax. This member then handled Ajax and completed in the show ring, with two toddlers in tow?

#2. This member helped manage the 1991 Babe Ruth World Series for 16-18 year-olds in their hometown during a hurricane!

#3 This member has been taking Spanish conversation classes by Skype with two other people in Antigua, Guatemala for the last 6 years.

4. What member had a private tour of the White House including the Oval Office and met the President and his dog?

Upcoming Events

Sadly, there are no formally approved tournaments on the schedule, but hopefully we will see some soon on the horizon. We will all get through this together thanks to the concerted efforts we have conscientiously applied, and before you know it, we will be enjoying tournaments and presentation ceremonies, almost just like the good old days.

Club Championship Tournament Trophy Presentations: Congratulations once again to the 2020 Club Champion, **Mike Tuft** and our five Flight Champions. Due to our current Social Distancing Protocols, we were unable to present these honors to the champs during an awards ceremony, so Leo Ruth went to each residence and made the trophy presentation to each individual winner.

First Flight: **Michael Guidry**, Second Flight: **Jeff Buckingham**, Third Flight: **Jim Hansell**, Fourth Flight: **Gary Sharps**, Fifth Flight: **Clayton Krinard**. Way to go, guys!

Pedestrian Safety Reminder:

Recently we have seen an increase in pedestrian traffic throughout The Villages. A reminder: please use the correct side of the road when walking, and walk toward oncoming traffic. The arrows are painted on the main roads. You should also remain in single file when in groups to keep within the white lines as well as social distancing. When walking pets, be sure they, too, remain within the white lines and out of traffic.

By Bill Travis

The Ironmen began their Winter tee time schedule and are now currently playing every Thursday afternoon beginning at 1 p.m. and every 15 minutes thereafter until all that wish to play have reserved a tee time. No sweeps yet, but championship points are being awarded. As always, we're paying attention to the new social gathering rules.

Thursday, January 14, was sunny and warm, a beautiful day for golf and we had a good turnout. The results of play are as follows: 1st place there was a two-way tie between Chuck Benjamin and Prakash Deshmukh, each with a net score of 26. Second place there was a four-way tie among Rob Boyles, Lee Thompson, Jerry Weltzin, and Charlie Wilson, each with a net score of 28. Third place went to Al Bruno with a net score of 29.

There were four birdies: Al Bruno on hole 2; Dave Cook on hole 2; Mario Silva on hole 1; and Bob Mandell on hole 5.

Closest to the pin: Not in play today

Deep thoughts: If your caddie coaches you on the tee: "Hit it down the left side with a little draw," ignore him. All you do on the tee is try not to hit the caddie. — The great Jim Murray, sportswriter

Real golfers, no matter what the provocation, never strike a caddie with the driver. The sand wedge is far more effective. — Huxtable Pippey, caddie

PINSEEKERS

By Jack Bindon

Hope you all are enjoying the nice weather. Our weather here at PGA West has been great...mid to high 80s. This seems to bring out more players (how do you spell hibernation?). The good news continues since we have 11 players *posting* scores for the front nine. Enough! Our weekly winners are as follows:

First place, Tak Okabe with a consistent net 34 winning \$10.

Second place, Frank Garcia with a net 36 for \$8.

Third place, we have a tie between Leighton Horio and Martin Hoek. Both with net 37, good for \$6 each.

I haven't mastered the new protocol for the GHIN system yet so the handicaps for January 1 are still being used this week. When "I get it," I will check the numbers monthly.

Keep up the good work guys and get more players involved and of course, practice, practice!

BOCCE NEWS

By Marcy Boyles

Hi Bocce Players: Since we can't see each other in person much (just married households and we have seen enough of them, haha), here are a few Bocce jokes to keep you humming:

Simple Sport: The bocce clinic instructor walked over to two women and asked, "Are you here to learn how to play bocce?" One replied, "My friend is. I learned yesterday."

The Perfect Shot: A guy stood ready to make a bocce shot for what seemed an eternity, looking up, looking down, figuring the distance, figuring the court conditions, direction and speed... driving his opponent nuts. Finally his exasperated opponent says, "What the hell is taking so long? Roll the damned ball!" The guy answers, "My wife is over there watching me. I want to make this the perfect shot." "Give me a break, you don't stand a snowball's chance in hell of hitting her from here."

And with that, send me ideas for future columns please. Stay masked, only members of same household may play. Stay safe.

Golf Course Walking Hours

Always remember that the golf course is for golf play. Walking is permitted only at times when there is no golf play. During these winter months, and until further notice, walking is permitted on the golf course at the following times only:

Monday – Before 11 a.m. / After 5 p.m.

Tuesday through Sunday – Before 7 a.m. and after 5 p.m.

Please stay safe, and always defer to golfers on the golf course regardless of the time of day. Thank you for your cooperation!

FROM THE PRO

By Scott Steele, PGA Head Golf Professional
Six Clubs Villages Golf & Social Clubs

The Villages had hundreds of social, activities and sports clubs to join and enjoy. Of those, there are six formal golf clubs at The Villages. The Six Clubs for golf are:

- Men's Club** (Monday-Wednesday-Saturday)
- Women's 18-Hole Golf Association** (Thursday)
- Swingers 9-Hole Women** (Tuesday)
- Pinseekers 9-Hole Men** (Friday)
- Shonies Par-3 Course Women** (Tuesday)
- Ironmen Par-3 Course Men** (Thursday)

Contact information for one of the six clubs is available on the Villages website, in the Tuesday golf Fast Lane or by phoning the Pro Shop.

Golf Course Maintenance—We have completed fall aeration and fairway inter-seeding. We will continue to inter-seed the rough, bare areas and brown dormant Bermuda areas with the remaining seed until the seed supply is exhausted. We are cleaning up some of the landscaping areas around the golf course. We hope you enjoy the new, cleaner look. We are focusing on details such as edging of cart paths and sand bunkers. As soon as the temperatures come up a bit, we will start pre-emergent spraying of herbicides and pesticides for weeds, daisy and grub control.

Back-Nine Start—To allow those Villagers that enjoy playing nine-holes only on the long course to play both the front-9 and the back-9, we will continue to start play on the back nine on alternate weeks on Tuesday & Friday.

Upcoming back-9 start dates are: January 19 & 22/February 2 & 5/February 16 & 19

Pro Shop Merchandise Sale—50 percent off Titleist DT True Soft, Volvick Vivid Balls, 50th Anniversary Logo Balls, all women's SWING golf pants, MEN'S Skechers and New Balance shoes, all Bionic Gloves, Titleist DT Tru-Soft and Volvick Vivid Golf Balls. Titleist Headwear is now \$16.99 (regularly \$29.99)

COVID-19 Protocols!

Every golfer must have a mask in their cart and must wear it when visiting with others, or waiting to tee off, or after the round. **If approaching the range table or Pro Shop without a mask, you will no longer be served.**

Arrive a maximum of 5 minutes early for your tee time (unless hitting balls at the range) to avoid unnecessary "gatherings." **After golf, you must exit and go home immediately, no social gatherings around the Clubhouse.** ...not even sitting in your carts separated.

Maintain 6 feet of social distancing at all times, even when playing—no hugging, shaking hands, fist bumps or elbows.

The Pro Shop is **closed** to foot traffic—if you need assistance, you must call the Pro Shop 408-274-3220 x1. No more pulling the door open. We will leave the door propped open on nice days with a table blocking entrance so we can serve members as necessary.

Same day golf must be done by phoning the Pro Shop. Attempts to walk up to play golf without a reservation will be denied; no walk-in play.

No taking range balls home and bringing them back to the range on another day—**you will be denied access to the range if you have your own bag of balls.**

Only one golfer permitted on the tee box at any time.

Maintain 6 feet of distance on the putting green. Whoever is furthest putts first, then finishes out (do not mark) and exit green. Do not gather around the hole on the putting green.

Please do not try to converse with the Pro Shop staff through the glass window, it's best to phone us with any inquiries. If you need personal assistance, please wear your mask when approaching the Pro Shop or Driving Range staff.

Tips from the Pro - Lamb in the woods

We all do it (some more than others). Hit a drive into the woods and end up with no option but to punch out and try to recover. Try these four tips to help you save those strokes when punching out...

Complete your pre-shot routine. Don't get lazy...stick with your routine...If your brain isn't focused on hitting a quality shot you can easily put yourself in more trouble than where you began. Stand behind your ball and focus on an exit window, set the clubface first aimed at that window, build your stance and grip around the clubface, double check your clubface alignment, waggle and go.

Take dead aim. Picking a specific target where you want your ball to end up might seem like a waste of time on a punch shot, but if you don't do it you are leaving your score to chance. You must select a specific target and ensure that you are confident in how you are going to get the ball there if you want to execute a quality punch-out. Think one shot ahead...where do you want to hit your next shot from, and then get it there.

Use the right club. Lower is better than higher for most punch shots, so use your 3-iron, 4-iron or 5-iron and stay away from those hybrids or lofted irons as they have a lower center of gravity and want to go high.

Keep it under control. Many amateur golfers make the mistake of swinging too hard on their punch-out shots sending their ball flying across the fairway and into the trees on the other side. Make a confident but relaxed swing and don't take the club back any further than halfway when you're punching out. Also remember that the lower the swing speed, the less spin we impart, and the lower it goes. So stay cool when in the trees (the shade will help) and think your way out.

Let us know if these tips help. See you at the course!

Don't feed the 'critters'

The Villages is known for its wide variety of wildlife. Many Villagers feel that being a good host necessitates feeding our four-legged or winged guests on a routine basis, which can be quite detrimental to our wild friends. Most wild animals naturally fear humans and keep their distance. When animals have access to food and garbage left out by residents they keep coming back for more. When this happens, they often lose their natural fear of humans and can become aggressive. To prevent that, residents should not leave out any food, including canned food, in a manner that may become accessible to our furry friends. Please comply with Villages Golf & County Club Rule 1.51.4, which states: "Feeding of waterfowl and other wild animals on a routine basis is prohibited for the protection of both residents and the animals."

Stay in touch with essential developments on Fast Lane!

Because of the rapid and frequent developments in our world that directly affect our community during this crisis, keeping informed is essential. And now more than ever, it is important to be up on the latest developments in your community. Get those vital updates by signing up for Fast Lane, The Villages email newsletter. It is both quick and easy and you can do it online or over the phone. To sign up or get more information, contact Communications Coordinator Ken Patterson at 408-223-4681; kpatterson@the-villages.com, or on the Villages Resident Portal: resident.thevillagesgcc.com

There are currently six editions of The Fast Lane: Wednesday (general announcements and board-recognized events), Friday (Board and Committee meeting information), Saturday (Maintenance Services), The Clubhouse & Bistro every Monday, The Pro Shop Tuesday, and Community Activities every Thursday.

Maintenance Emergencies and/or Advice

The Maintenance Services Department's general work hours are Monday through Friday, 8 a.m. to 4:30 p.m. If you experience a maintenance emergency during those hours, please call the office right away at 408-223-4670. Even if you are certain the emergency is your responsibility, Maintenance Services can provide a list of contractors that are familiar with The Villages and may be helpful for the repair.

If a maintenance emergency occurs outside of the general work hours or during a holiday, please call Public Safety at 408-223-4665. The Public Safety Department will contact the Maintenance Area Supervisor and/or the appropriate contractor. Together, they will all help to resolve your maintenance emergency.

Dealer: West
Vulnerability: None

Bidding: West	North	East	South
Pass	Pass	Pass	1 Heart
1 Spade	3 Hearts*	Pass	4 Hearts
All Pass			

Contract: 4 Hearts
Opening Lead: Ace of Clubs

Dealer has loser in spades and 3 losers in Clubs. Strategy: From the lead he knows he will lose 3 tricks in Clubs and must get rid of a Spade loser. His only chance is to figure out who has the Queen of Diamonds. If he is correct, then he can sluff the Spade loser.

West leads the Ace of Clubs, East signals with the 9 that he likes the suit, West continues with the King, then the 10, Jack from the board, and East wins with the Queen. He next plays the 10 of Spades, South plays the Ace, switches to the Ace of Hearts, then a low Heart to the Queen on the board and is thankful that the trumps are evenly divided. Now, he has to make a decision about who has the Queen of Diamonds. So far, West played the Ace and King of Clubs showing 7 HCP and he must have the Queen and Jack of Spades due to his bid. If he has the Queen of Diamonds he would have 12 HCP and would have bid instead of passing in the first round. Therefore, East must have the Queen. Now he is on the board; leads 5 of Diamonds, East low, finesses the 10 and is successful. He then plays the King of Diamonds, next a Spade to the King on the board, follows with the Ace of Diamonds, sluffs a Spade from his hand and claims since his last three cards are Hearts. Great! The contract is made exactly. The secret in this hand is to count West's HCP and finesse accordingly.

* North's jump to 3H shows 10 - 12 HCP and 3 or 4 cards in the trump suit.

PUZ-LER

This week's PUZ-LER: The following grouping of characters are actually a sentence that was spoken near The Villages Clubhouse by Jacqueline: 1 0 2 0 0 4 1 8 0
What was she overheard saying?

Give it some thought and then email me, Mike Bailey at michsp@aol.com, with your answer.

Last week's problem stumped a bunch of you. In order for Larry's car to average 60 MPH on a two-mile track (up the one-mile hill and back down) he would have had to do it in 2 minutes. Going up the hill at 30 MPH took those two minutes. Averaging 60 MPH was impossible. The winners were Odila Nielsen, Karl Reid, Claude and Phyllis A, Kathleen Holt, Fred Mathis and Peter Groot. The non-winner list? A lot longer!

Donate with confidence!

By Diana Hallock, EVF VP

Have you ever wondered what percentage of your donation dollars actually go to people, programs or projects? This chart shows a quick, informal search of the internet. What? How does the Evergreen Villages Foundation manage to give all donated money to Villages projects? It's simple. The nine EVF Board members and several former Board members have committed to personally cover *all* administrative costs. That means Board members pay for all printing, postage, and event expenses while all of *your* money goes to support projects in the Villages. www.evfsj.org

Along the Way—a trip down Memory Lane

(With Tom Zades—contact him at: tomzades@gmail.com)

Reading a detective story published in 1993, it is amazing to realize how much has changed just since then. Our intrepid detective is calling all manner of busy people, looking up their numbers in the white pages or yellow pages. And they pick up their phones! With no caller ID or recorded greetings, most people who didn't have a secretary (now called "executive assistant") answered the phone when it rang.

I remember doing that as a Controller of a small company and getting people trying to sell me stuff. But what choice did I have? It might be an important call. I remember when caller ID first came out, a friend of mine said he wished they had caller IQ so he could decide whether to pick up the phone.

As a licensed private investigator in 1993, the detective phoned TRW and got credit ratings on people. He called bankers and lawyers and got information that is not even available on the Internet now. This was back when we blithely gave our social security numbers to whoever said they needed it.

These days as we get rid of old paperwork, we are advised to shred anything that has an account number on it, even if closed a long time ago, or that shows our signature, or even just our name in some cases. Many of us have our own shredding machines now. We even have periodic "shredding" service here in the Villages.

My iPhone shows "Potential Spam" now as calls come in from all over the country throughout the day. As annoying as that is, it is much better than staring at that black desk-top phone and trying to decide whether to pick it up. Most of us let callers leave messages these days, if we don't recognize the number. If they don't leave a message, it must not have been important.

Funny how we take for granted things that we couldn't even imagine just a generation ago. We adapt as we go along (some more quickly than others) and it takes old books and movies sometimes to remind us of the changes we have lived through along the way.

OBITUARY

Donald Anthony Gliever January 30, 1932—January 12, 2021

Donald Anthony Gliever died on January 12, 2021 in San Jose, 18 days shy of his 89th birthday, from complications of COVID-19.

He is survived by his wife Jean Clarke Gliever and his son Jeffrey Gliever, six grandchildren and two great-grandchildren. He is preceded in death by his daughter, Alison Martinsen.

Don was born on January 30, 1932 in Van Nuys; his arrival was a complete surprise as his mother was unaware she was having twins. In 1950, Don enlisted in the US Air Force and was deployed to England where he met a young Englishwoman, Jean Rogers while they were buying candy at a co-op (thank goodness Don always had quite the sweet tooth!). On May 29, 1954 they were married in Chipping Norton, England and returned to Southern California where he attended UCLA and graduated in 1959, receiving his degree in Electronics Engineering.

Upon receiving a job as Aerospace Engineer at Lockheed Martin, Don and Jean relocated to San Jose, California where he began his almost

40-year career working for the Aerospace Defense company. Don and Jean started their own family in 1960 with the birth of their daughter Alison Jane Gliever followed by their son Jeffrey Drew Gliever in 1962. The Gliever family traveled frequently to visit family and friends in England, enjoyed dining out, going on adventures throughout the U.S. and taught their children the importance of enjoying life.

Don lived his life with quiet humility, kindness and patience; he had a great sense of humor and a warm heart. During Don's rich life he traveled the world with Jean, his wife of 67 years, archived his family life with many photographs and movies, was cherished as "Bubba" to his grandchildren and great-grandchildren and, most importantly, he knew how to have a good laugh.

Don will be greatly missed and forever remembered.

The Clubhouse

Online Meal Ordering

A fast and convenient way to order meals from The Clubhouse

To help streamline the process of ordering, The Clubhouse will now have, in addition to phone orders, an online meal ordering system. The system will be a fast and easy way for guests to choose meals and pickup times for their orders. This will also be a great way for golfers to order a meal from their phone while on the course. Please stay tuned for this feature to go live in the near future at: www.clubhousesreservation.com
